Directions for coming to Campus:

**Please follow these steps:**

#### Step 1

Download the MyVCCCD mobile app on your smartphone. If you don't have a smartphone, you can complete the Home Health Screening Online. If you don't have an internet device, you can complete the pre-screening self-assessment on-site: Ventura College Home Health Screening.

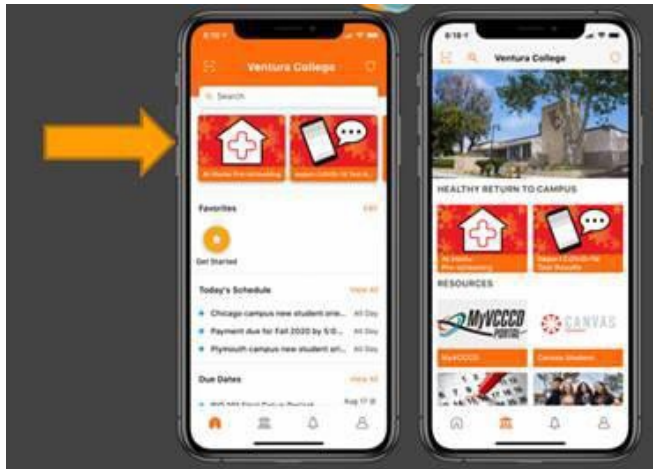

## Step 2

You may upload a picture of your vaccination card under “Report Vaccinations”. This is an option to verify your vaccination status.

## Step 3

Please take the At Home Pre-Screening Survey. You will have to complete this every day BEFORE you come to campus. You may get a reminder daily to complete the screening, but you only have to perform the screening if you are coming to campus.

## Step 4:

You will now receive a Health Pass. To find the pass, go to the profile section, click on “Health & Wellness”, and then “My Health Pass”.

- If you are **RED**, please stay at home. Students should contact their instructor and the Student Health Center. Employees should contact their supervisor and the Student Health Center.
- If you are **BLUE** or **GREEN**, you are cleared to come to campus to complete the screening process and receive a wristband indicating that you have been screened.

You will get a reminder daily to complete the screening. Please only perform the screening if you are coming to campus.
