

VENTURA COLLEGE SCHOOL OF NURSING APPLICATION PACKET

The requirements, procedures, application dates, and program offerings for all Health Science programs are **subject to change**. It is the responsibility of each student to seek current information. Students interested in a nursing career should register to attend a nursing information workshop by calling the Ventura College Counseling Office at (805) 289-6448. **After attending a workshop**, interested students should schedule an appointment as soon as possible with a **nursing counselor**. Call (805) 289-6448.

ASSOCIATE IN SCIENCE – NURSING

Students receive an Associate in Science Degree with a major in Nursing (ADN) upon completion of this program and become eligible to take the state examination leading to licensure as a registered nurse (RN). Students who choose not to complete the degree requirements are eligible to take the licensing examination after completion of content required for licensure. Please see a nursing counselor or the Director of the School of Nursing for information regarding this option.

Associate Degree Curriculum

The associate degree program in nursing is intended to develop the necessary knowledge and skills basic to the functions of registered nurses in the direct care of clients. Many of the courses assigned to this curriculum are transfer courses and articulation is possible with the baccalaureate programs in nursing at the California State University campuses. The courses may be applied as a foundation for advanced work at the discretion of the accepting institution. Courses are taken on campus concurrently with supervised clinical experience in selected hospitals and agencies, constituting a nursing science practicum or laboratory experience. Although each course merits a letter grade, the laboratory experience is based on pass-fail and it is necessary to pass the laboratory section of the course in order to proceed in nursing. Failure in the laboratory portion of a nursing course constitutes an F in the course. **For successful completion of the program, a minimum grade of C is mandatory in all courses required for the nursing major.** The student must maintain an overall GPA ≥ 2.0 to continue in the nursing program. The student is not eligible for admission into the nursing program until remediation is successfully completed. A new application must be submitted at this time. Please schedule a counseling appointment to submit a new application.

Courses are taken on campus concurrent with supervised clinical laboratory experience in selected hospitals and agencies which serve as extended campus sites. Each student is responsible for his/her own transportation to the extended campus sites, some of which are a distance from the College.

The nursing program is approved by the California Board of Registered Nursing. To be eligible to take the NCLEX-RN examination leading to licensure as a registered nurse, the student must have fulfilled all requirements as defined by the California State Board of Registered Nursing.

Students who choose not to complete the degree requirements are eligible to take the NCLEX-RN licensing examination after completion of content required for licensure. Please be advised that not all states recognize registered nurses who choose this option. Please contact the ADN program director for additional information.

Procedures for Applying

Applications are accepted twice yearly. Admission is subject to meeting the eligibility requirements and available openings. The Associate Degree Nursing (ADN) program is impacted and has a waiting list. Application deadlines for Application Packet are as follows:

For Spring admission: Apply: August 1 through September 15
October 1: TEAS examination results to School of Nursing

For Fall admission: Apply: February 1 through March 15
April 1: TEAS examination results to School of Nursing

Counseling appointments must be scheduled to submit the nursing application. Students must complete the nursing application appointment Pre-Screening form to get cleared to schedule an appointment. **All required official transcripts** from every regionally accredited academic institution attended since high school, **regardless** of the type of courses in which student was enrolled or completed must be on file with the Admissions and Records Office. Transcripts from Ventura, Moorpark, or Oxnard College are not required to be submitted. Please refer to school of nursing website for the most current information on Steps to Apply.

If the due dates fall on a weekend or holiday the application will be accepted by 5:00 PM on the next business day. **The application and TEAS results** must be submitted by the above stated deadlines. Failure to do so will result in removal of your name from the applicant pool. You must see a nursing counselor and reapply. Any materials submitted become property of Ventura College.

All applicants must submit the following:

1. Online Application to the ADN program (for your reference, a copy of the application is included in this packet for you to review).
2. Proof of current California certification as a nursing assistant (CNA) by the California Department of Public Health (CDPH) upon application.
 - a. Active certification is recommended to be maintained through the semester you are entering.
3. Multi-criteria screening supporting documentation forms
 - a. Documentation of relevant certificates (*Criteria 3*)
 - b. Documentation of proficiency in another language (*Criteria 5*)
 - c. Documentation of Work or Volunteer Experience in Healthcare (*Criteria 6*)
 - d. Documentation of Life Experiences or Special Circumstances (*Criteria 7*)

Applicants must submit TEAS examination results to the School of Nursing by 5:00 pm PST on October 1 for September 15 application deadline and 5:00 pm PST April 1 for March 15 application deadline.

Names of academically eligible students will be sent to the School of Nursing for processing. Please expect a 2-3 month wait from TEAS deadlines to receive waiting list status. If you have any address or telephone number changes, please contact the Health Science office at (805) 289-6342 to request a change form.

Qualifying Requirements

SCIENCE REQUIREMENTS: Effective Fall 2005 and thereafter, the combined anatomy & physiology course no longer meets entrance requirements for the nursing program. If the combined course was completed prior to Fall 2005, it will be accepted for admission. All entering students will be required to have a minimum overall college GPA ≥ 2.50 and an overall biological science GPA ≥ 2.50 (anatomy, physiology, microbiology) with no more than one withdrawal, D or F in ANY of these three (3) courses.

TEAS EXAM: Students must attain the required “success score” (currently $\geq 62\%$) on the ATI TEAS exam after submitting an application for admission to the nursing program, that is by April 1 for the March 15 application deadline, and by October 1 for the September 15 application deadline. Students may apply to the nursing program before TEAS testing is completed but must submit verification of having met the success score on the State designated assessment examination (currently the ATI TEAS) to the School of Nursing by the TEAS deadline. Students who do not meet the mandated success score must schedule an appointment with a nursing counselor to discuss remediation and retesting requirements. The success score for the TEAS exam is subject to change based on the State Chancellor’s requirements. Applicants must meet the success score on the first attempt or must remediate. If remediation is needed, the student must reapply to the nursing program after successful remediation. Results of testing at other sites are accepted when forwarded directly to Ventura College School of Nursing by the testing company. Tests completed at other sites are counted as testing attempts. Accommodations for testing may be available to students with disabilities. Applicants must notify the nursing program director and obtain Education Assessment Center (EAC) authorization prior to scheduling a TEAS exam if accommodations are required. (Please see additional information below for TEAS requirements.) Effective for the application period of August 1 to September 15, 2021 TEAS V will no longer be accepted. Only ATI TEAS will be accepted and counted.

CNA REQUIREMENT: Applicants must have current California certification as a nursing assistant (CNA) at the time the application is submitted. Active certification is recommended to be maintained through the semester you are entering, but is not required. Certification is provided by the California Department of Public Health.

1. One of the following must be completed BEFORE applying to the program:

- a. A minimum of 12 semester units of completed college coursework with a ≥ 2.5 GPA or
- b. Equivalent consistent with Board of Registered Nursing requirement (see nursing counselor for details).

2. All of the following must be completed:

- a. An [admission application](#) to the college must be filed for the appropriate semester.
- b. ***All required official transcripts** from every regionally accredited academic institution attended since high school, **regardless** of the type of courses in which student was enrolled or completed must be on file with the Admissions and Records Office. It is the applicant's responsibility to check with the transcript clerk in the Office Admissions and Records to see that his / her official transcripts are on file at Ventura College. Transcripts from Ventura, Moorpark, or Oxnard College are not required to be submitted.
- c. The online application to the Associate Degree Nursing (ADN) program must be submitted online to the Ventura College nursing counselor by September 15 or March 15 to be considered.

3. All of the following must be COMPLETED before applying to the program*: These Ventura College courses, listed with the comparable courses from Moorpark (MC) and Oxnard (OC) Colleges are:

- a. **Math:** completion of a college intermediate algebra course or higher level with a minimum grade of C: MATH V03, or MATH V35. (MATH M03– MC; R014 – OC).
- b. **Chemistry:** one year of high school with a C or better (**official high school transcripts required**) **OR** one semester of college chemistry with laboratory, with a minimum grade of C: CHEM V20 and V20L, or CHEM V30 and V30L or higher level (CHEM M11 or M12 – MC; CHEM R104, or CHEM R110 – OC).
- c. **Anatomy:** college anatomy, 4 semester unit course with laboratory, with a minimum grade of C: ANAT V01. (ANAT M01 - MC; ANAT R101 – OC)
- d. **Physiology:** college physiology, 4 semester unit course with lab with a minimum grade of C: PHSO V01. (PHSO M01 – MC; PHSO R101 – OC).
- e. **Microbiology:** college bacteriology/microbiology 4 semester unit course with laboratory, with a minimum grade of C: MICR V01. (MICR M01 – MC; MICR R100 and R100L – OC).
- f. **CNA: current certification as a nursing assistant (CNA)** in the State of California or equivalent. (Contact the Nursing Department for Information.)

*The math/science faculty strongly recommend that these courses, especially anatomy, physiology and microbiology, be completed during separate terms. A large number of students who have attempted two or more of these classes in a single term, particularly if they have been working while enrolled in college, have experienced serious academic difficulty.

Students must be in good academic standing (not on academic probation) to be eligible for application to the nursing program at Ventura College. All applicants must contact the nursing counselor for specific admission information regarding the nursing program.

4. **Additional courses required for those enrolled in the ADN program are listed below.** With the exception of human development, students may complete these additional courses before or after acceptance into the nursing program. The School of Nursing recommends that students complete as many courses as possible before acceptance as scheduling may be a major problem once admitted to the program. Completion of these courses after completion of the nursing program delays the licensure examination. Students who delay taking the licensure examination have a significantly higher risk of not passing it. These Ventura College courses, listed with the comparable courses from Moorpark (MC) and Oxnard (OC) Colleges, are:

Growth & development across the lifespan: CDV 03 or PSY V05 (PSY M07 - MC; Psy R108 [Developmental Psychology] - OC)

- a. ENGL V01A - (ENGL V02 or V03 not acceptable); (ENGL M01A or M01AH - MC; ENGL R101 - OC)
- b. PSY V01 (PSY M01 - MC; PSY R101 - OC)
- c. ANTH V02 or SOC V01 or V02 or V03 OR AES V11 (ANTH M02 or SOC M01, M02, M08 - MC; ANTH R102 or SOC R101, R102, R103 - OC)
- d. COMM V01 (Introduction to Speech) or V10 (COMM M01 or M02 or M07 - MC; COMM R101 - OC).

Additional courses required by Ventura College for the AS degree are:

- a. Humanities - 6 units
 - 1 course in Fine or Performing Arts (see AA/AS Check Sheet)
 - 1 Humanities elective (see AA/AS Check Sheet)
- b. Physical Education / Health Education - 2 courses (NS V40 fulfills one Health Education requirement for nursing majors only.)
- c. American History and Institutions – 1 course (see AA/AS Check Sheet)
- d. Competency Requirements:
 - a. Reading - satisfactory completion of degree requirements
 - b. Written expression - satisfactory completion of ENGL V01A

- c. Mathematics - satisfactory completion of MATH V35, MATH V03 or MATH V03A – V03E, Math V12, or V13B

Admission Process

Each **qualified** applicant will be assigned a number by the use of random drawings and added to the end of the existing waitlist. The class will be selected from the waitlist on the basis of available openings in the order determined by the student's ranking on the multi screening criteria as approved by the CCCC (75% of the entering class) and the waitlist position of each applicant (25% of the entering class). Each **qualified** applicant, when selected, must decide to enter the class, remove his or her name from the waitlist, or request a deferment. **Applicants may defer entry one time only. The following semester entry is not guaranteed.** Those qualified applicants who are not selected due to limited openings may retain their names on the waitlist. **Students who choose not to enter (second deferment) when selected after a deferment must meet all current requirements and reapply as a new student.**

Multi-Criteria Screening

The School of Nursing will admit a minimum of 75% of students based on enhanced admission criteria.

1. All students will be added to an existing waitlist.
2. The School of Nursing will screen and rank order all students on the waitlist based on a multi-criteria screening.
3. 75% of the entering class will be based on the students with the highest scores from the multi-criteria ranking.
4. 25% of the entering class will be admitted based on their position on the waitlist.

Enhanced criteria will include: GPA in science courses, repeats on science courses (anatomy, physiology and microbiology), academic degrees, diplomas, or relevant certificates held by an applicant; relevant work or volunteer experience, life experiences or special circumstances of the applicant, including but not necessarily limited to the following - disabilities, low family income, first generation of family to attend college, need to work, disadvantaged social or educational environment, difficult personal and family situations or circumstances, refugee or veterans status, proficiency or advanced level course work in languages other than English and assessment / readiness test results (TEAS scores). In each of the science courses, the FIRST passing grade is the one used to calculate the science GPA, even if the course was repeated and a higher grade earned.

After students have been selected by the above procedure, a physical exam must be passed prior to entry into the program. This exam must be consistent with the policies of the teaching hospitals or agencies to which they are assigned for clinical experience. Physical exams may be scheduled with a private physician or through the Student Health and Psychological Services utilizing the forms provided by the School of Nursing. The examination must demonstrate that the

student is physically fit, free from communicable diseases and immune to rubella, rubeola, mumps, varicella and hepatitis. Current tetanus, diphtheria, pertussis (Tdap), and influenza vaccination is required. The health care provider must verify that the student is able to participate in the nursing program without physical restrictions. Tuberculosis (TB) clearance must be submitted by the posted deadline each semester to progress in the nursing program and may not expire during the semester. Two-step TB testing or QuantiFERON blood test is required.

All students admitted to a health science program are expected to maintain the highest personal standards for conduct consistent with the professional standards as perceived by the School of Nursing faculty and professional personnel in the agencies used as extended campus sites. Any information indicating that such standards are not maintained is subject to review by members of the School of Nursing faculty and may result in a recommendation to the College for dismissal from the program. Evidence of physical and emotional fitness upon admission and throughout the program is expected and is subject to medical opinion or policy of hospitals or agencies that are used as extended campus sites for assigned educational experience. Students should refer to the Technical Standards outlined in the School of Nursing Student Handbook for details. Current CPR certification for **basic life support provider or basic life support for healthcare provider** is an additional requirement and must be submitted each semester by the posted deadline to progress in the nursing program. Online CPR courses do not fulfill this requirement. Certification may not expire during the semester.

Background Checks / Drug & Alcohol Screening

PLEASE BE AWARE THAT CONVICTION OF A FELONY MAY PROHIBIT YOU FROM BEING LICENSED AS A REGISTERED NURSE. EACH CASE IS REVIEWED AND ADJUDICATED BY THE BOARD OF REGISTERED NURSING. THE BOARD CONSIDERS THE NATURE AND SEVERITY OF THE OFFENSE, ADDITIONAL SUBSEQUENT ACTS, RECENCY OF ACTS OR CRIMES, COMPLIANCE WITH SANCTIONS, AND EVIDENCE OF REHABILITATION. FOR FURTHER INFORMATION, CONTACT THE PROGRAM DIRECTOR IN THE SCHOOL OF NURSING OR A NURSING COUNSELOR. CONTACT WITH THE BOARD OF REGISTERED NURSING TO DISCUSS PREVIOUS CONVICTIONS MAY BE INITIATED BEFORE ENTRY INTO THE PROGRAM AND THIS WILL BE RECOMMENDED IN CERTAIN CASES.

Students in the nursing program are required to undergo criminal background checks prior to participating in clinical experiences. The cost of a background check is approximately \$60.00 and must be borne by the student. Background checks for admission to the nursing program involve a seven-year search. **Misdemeanors and / or felonies within the previous seven years (including DUIs) will result in a student's inability to be assigned to a clinical agency for patient care experiences. This will necessitate dismissal from the program.**

Applicants will be required to pass drug and alcohol screening prior to entering the nursing program. This is a requirement of the clinical agency partners. **Students with a positive drug or alcohol screen will be immediately disqualified for admission. The drug and alcohol screening may only be done one time and these results are used to determine eligibility.** The Ventura College School of Nursing does not permit students to be under the

influence of alcohol, marijuana, or other drugs while attending the nursing program; either medically prescribed or otherwise. The School of Nursing complies with the United States Code Controlled Substances Act, Title 21, Chapter 13, Drug Abuse prevention and Control. Students already enrolled will be required to pass a drug and alcohol screening to progress in the program. Costs for this testing must be borne by the student and currently are approximately \$50.00.

BRN Statement on Legalized Marijuana

Statement from the California Board of Registered Nursing. This can be found on page 22 of the BRN Annual Report published November 2017:

*"BRN's mission is to protect and advocate for the health and safety of the public by ensuring the highest quality registered nurses in the state of California. RNs are expected to be cognitively, mentally, and physically intact in their personal and professional lives. Russell and Beaver (2013) * expressed that professionalism extends beyond the workplace and that all RNs are obligated to be professional in all aspects of their lives. A person who holds an RN license has a responsibility and obligation to ensure public safety. Drugs such as cannabis (aka marijuana), opioids, and alcohol may impair an RN's ability to make decisions that may affect the life and safety of the public and have negative outcomes. This action constitutes conduct that would be considered unprofessional nursing practice."*

"Although medical and recreational cannabis may be legal in California, the federal government considers cannabis a schedule I controlled substance."

SOCIAL SECURITY CARD: Applicants should be aware that a valid Social Security number will be required to be presented to complete the mandatory background checks.

HIGHLY RECOMMENDED COURSES: Although not required, it is strongly recommended that the following courses be taken prior to admission into the ADN program. **NS V07, Pharmacology (3 units); MATH V35, Intermediate Algebra for Health Care Professional (4 units – meets math competency requirements for the associate degree.); BUS V27A, Beginning Medical Terminology, Pathophysiology.**

While enrolled in NS V10 and NS V20, it is strongly recommended that students also enroll in NS V84A and NS V84B (Success in Nursing) if available to enhance their potential for success in these courses.

EXPLANATION OF MULTI-CRITERIA REQUIREMENTS

PROSPECTIVE STUDENTS MUST CALCULATE THEIR OWN MULTI CRITERIA SCORE. SEE BELOW. DO NOT CALL THE SCHOOL OF NURSING FOR YOUR SCORE.

CRITERIA 1: SCIENCE REQUIREMENTS

Science GPA will be calculated utilizing these three courses: Anatomy, Physiology, and Microbiology.

MAXIMUM POINTS SCIENCE GPA = 45

SCI GPA	POINTS
4.0	45
3.5-3.99	40
3.0 - 3.49	30
2.5 - 2.99	25
Below 2.5 = not eligible for admission	

≥ 2.5 WITH COMPLETED REMEDIATION = 5 POINTS

CRITERIA 2: TEAS EXAM:

Students who take the TEAS exam at Ventura College do not have to submit any documentation of the test. Your results will be on file. Students who took the TEAS exam at any other location must go to ATItesting.com online store and request that your official TEAS results be sent to Ventura College. **The first attempt on ATI TEAS is used. If the minimum score was not achieved on the first attempt, the composite and subset scores on the second attempt will be used as the valid TEAS composite score. The TEAS exam may only be taken two times including attempts at any other institution. For those that remediate an unsuccessful TEAS composite score, results of all TEAS attempts must be made available through ATItesting.com to the School of Nursing.**

TEAS V will not be accepted beginning the August 1 – September 15, 2021 application cycle.

MAXIMUM POINTS = 30

Total maximum points earned come from the sum of the points awarded for the student's TEAS composite score, English score, Reading score, Math score and Science score. (Composite score minimum is 62%)

Points are awarded as follows:

Teas Composite Score	Points	English Score (Adjusted Individual Score)	Points
≥95%	6	≥93%	6
≥90%	5	≥85%	5
≥ 85%	4	≥80%	4

CRITERIA 3: LICENSE REQUIREMENT and/or ADVANCED DEGREES, DIPLOMAS OR RELEVANT CERTIFICATES.

Degrees from regionally accredited schools (or equivalent) must be posted on official transcript and on file with the Ventura College Admissions and Records office.

Students who have an LVN license, Paramedic, Psychiatric technician, or radiology technician certificate must submit a copy of your current license or certificate with your license number, date of issue and date of expiration.

MAXIMUM POINTS = 10

Applicant will be given the highest points for one category only. Points will not be combined.

Academic Degree, Diploma or Certificate	Points
BA/BS	10
AA/AS, LVN, Psych Tech	8
CNA, EMT, HHA, Ultrasound Tech, Certified Medical Assistant, Physical Therapy Aide, Radiology Tech, Paramedic	2

CRITERIA 4: REPEATS

Students must not have more than one withdrawal, D or F in science courses (anatomy, physiology and microbiology). If the student has more than one W, D or F in a science course, he/she must see a nursing counselor to develop a remediation plan.

MAXIMUM POINTS = 5

Number of Repeats in Science Courses	Points
No Repeats	5
1 repeat	0
2 repeats	-5 (minus 5)
3 repeats	-7.5 (minus 7.5)
4 or more repeats	-10 (minus 10)

CRITERIA 5: PROFICIENCY IN ANOTHER LANGUAGE**MAXIMUM POINTS = 1**

Students who have a proficiency in another language or advanced level coursework in languages other than English may earn an additional point. Credit for high-frequency languages as identified by the Chancellor's Office but not limited to: American Sign Language, Arabic, Farsi, Chinese (including various dialects), Russian, Spanish, Tagalog, Southeast Asia, Languages of Indian subcontinent.

Official transcripts on file from a U.S. regionally accredited college or university or official AP / IB / CLEP scores will be used to verify two (2) semesters of foreign language. - OR - Complete the Verification of Proficiency in a Foreign Language Form located in this packet.

CRITERIA 6: WORK OR VOLUNTEER EXPERIENCE IN HEALTHCARE – Submit documentation. Nursing faculty will determine points.**MAXIMUM POINTS = 7**

Work or Volunteer Experience in Healthcare	Documentation Required	Points
A. Student has completed a minimum of 200 hours working in healthcare with direct ACUTE PATIENT CARE (hospital) within the previous three (3) years.	A. Work: Letter from current/former employer verifying employment. The letter must be on organization letterhead with an original signature and include the applicant's name (must match name on application), start date and end date (if applicable), employment status (full-time /part time), number of hours worked per week (or total hours worked from start to end date), job title, department if applicable, and examples of duties including patient interaction,	7
B. Student has completed a minimum of 200 working in SUB ACUTE CARE (Skilled Nursing Facility) within previous three (3) years.	B. Work: Letter from current/former employer verifying employment. The letter must be on organization letterhead with an original signature and include the applicant's name (must match name on application), start date and end date (if applicable), employment status (full-time /part time), number of hours worked per week (or total hours worked from start to end date), job title, department if applicable, and examples of duties including patient interaction.	5
C. Student has completed working a minimum of 200 hours as (Home Health Aide, Hospice Care, or Home Care, or Assisted Living, Surgicenter, or Urgent Care as an Aide/LVN, Medical Technician/LVN in a Medical Clinic or Doctor's Office) within previous three (3) years.	C. Work: Letter from current/former employer verifying employment. The letter must be on organization letterhead with an original signature and include the applicant's name (must match name on application), start date and end date (if applicable), employment status (full-time/part-time), number of hours worked per week (or total hours worked from start to end date), job title, department if applicable, and examples of duties including patient interactions.	3
D. Student who has completed a minimum of 200 hours volunteering in healthcare within previous three (3) years.	D. Volunteer: Letter from current/former organization verifying volunteer service. The letter must be on organization letterhead with an original signature and include the applicant's name (must match name on application), start date and end date (if applicable), total number of hours volunteered, and examples of duties including pt. interaction.	2

CRITERIA 7: LIFE EXPERIENCES OR SPECIAL CIRCUMSTANCES

MAXIMUM POINTS = 2

Documentation will only be required for one that may apply. Applicant may have one or more in this category, but maximum points awarded is "2." Complete the Life Experiences and Special Circumstances Form located in this packet.

Experiences or special circumstances may include but are not limited to:

_____ I UNDERSTAND THAT FAILURE TO PROVIDE VENTURA COLLEGE WITH THE FOLLOWING ITEMS BY THE POSTED DEADLINE DATES WILL RESULT IN MY IMMEDIATE DISQUALIFICATION.

_____ I understand and agree to undergo a Criminal Background Check as required of all entering nursing students. The fee is currently \$60.00 for this service. This background check is done prior to admittance to the program and is conducted by a Licensed Private Investigator.

_____ I understand and agree to undergo a drug and alcohol screen as required of all nursing students. The fee is currently \$50.00 for this service. The drug and alcohol screen are done prior to admission or prior to progression in the nursing program and is conducted utilizing the department's chain of custody procedure. Students with a positive drug or alcohol screen will be immediately disqualified for admission. The drug and alcohol screening may only be done one time and these results are used to determine The Ventura College School of Nursing does not permit students to be under the influence of alcohol, marijuana, or other drugs while attending the nursing program; either medically prescribed or otherwise. The School of Nursing complies with the United States Code Controlled Substances Act, Title 21, Chapter 13, Drug Abuse prevention and Control.

_____ I understand that the following must be completed before entering the nursing program or completed concurrently with the Nursing Sciences NS V10:

Growth and development across the lifespan: CD V03 or Psy V05 (MC: Psy M07; OC: Psy R108)

_____ I understand that it is my responsibility to schedule and take the TEAS exam or, if taken elsewhere, request ATI to send electronic TEAS results to VC Nursing Department by the established deadline of April 1st or October 1st. Failure to take the TEAS exam, or have TEAS results submitted by the deadline, or not attaining the established minimum success score 62% (ATI TEAS), will result in not meeting eligibility to be placed on the eligibility (wait) list.

_____ I understand it is my responsibility to ensure all required documentation for the multi-criteria screening is included in this Nursing Application.

_____ I understand that it is my responsibility to keep the School of Nursing informed of any change of address or telephone number. **Failure to do so may render my application ineligible if, for any reason, the college is unable to contact me.**

_____ I certify the **accuracy** and **completeness** of the preceding statements. I understand that my enrollment in the nursing program may be subject to termination if there has been willful misrepresentation of the information submitted. I authorize the use of this information by appropriate Ventura College personnel for the purpose of evaluating my qualifications for application to this program.
