# Current Mission Statement

Ventura College places students at the center of their learning experience, supporting them in achieving their personal, academic, and career goals in an anti-racist, liberating, and inclusive environment. The College is an open access educational institution that supports our diverse community helping them transform their own lives by offering degrees, certificates, transfer, and workforce preparation opportunities.

# Mission Statement vs. Vision Statement

- **Mission statement**

- Why Ventura College exists (usually by saying what it aims to do in the short-term)

- **Vision statement**

- An aspirational view of what Ventura College wants to achieve that aligns with mission, values, and strategic planning
- (future objectives)
- (not set in stone)
- (regular, continual revision and update from the campus community)

# What is our Vision Statement?

- **Directions:** When you have thought of your statement. Write one complete dynamic masterpiece on the Padlet below. Any device will work. Computer, Laptop, Phone, Tablet.
- Your Ideas will be preserved and used as data by the committee to find the best wording. It might even get chosen in which case you are automatically a member of the committee.
