Early Childhood Education:

The Associate in Science in Early Childhood Education for Transfer Degree (Early Childhood Education AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with Associate in Science in Early Childhood Education for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Child Development, Family and Consumer Sciences, Human Communication, Human Services, and Liberal Studies.

To earn an Early Childhood Education AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.

Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
