"I am so thankful for Schwab Academy. It is such a friendly environment and the faculty is amazing. I grew immensely as both a player and an individual. I would recommend that all players, regardless of skill level or instrument, apply and take part in this year's program."

– Violist, 17

"As someone who took up a new musical instrument in my 50s, the Schwab Academy is a great resource for musicians of any age to learn from the professionals and to satisfy our creative sides by immersing ourselves in playing with others."
