- Trustee Chancer thanked James Schuelke, Oxnard College Director of Marketing and Outreach, in working with him as a high school teacher to coordinate a visit of his students to the OC Culinary Program. There is no formal procedure in place for visiting a campus. The average student at Ventura College is 24 years old. Trustee Chancer would like to see the marketing efforts for that age group shared with the Board. He plans to visit the colleges next week and invited other Trustees to join him. He asked the colleges to announce his visit so students can come visit him in the classroom. Trustee Chancer is curious about the amount of student engagement that is happening in student elections and asked what other schools do to encourage student participation in student elections or if there are best practices. Student Trustee Bryan Rodriguez responded that some colleges do pay their students \$25/committee meeting. The District is exploring that possibility along with retention and onboarding.
- Trustee Perez addressed a comment made earlier about legislative activities and shared that he serves on the Community College League of California Advisory Committee on Legislation and would like to

coordinate on how Trustees report out on legislative activity. It may be time for someone else to serve on the committee.

- Trustee Torres congratulated Mary Rees, Moorpark College Vice President of Academic Affairs, on her retirement and thanked her for the invitation to be a member of the Women's Leadership Panel, commented on working with Oxnard College on dual enrollment to help students get exposed to college, and requested a study session on student engagement and online courses as it relates to the vaccine mandate.
- Vice Chair Mantooth provided an update on college activities he attended and expressed appreciation to the Academic and Classified Senates for their invitations. He gained a deeper understanding of how different each senate is culturally.
- Chair McKay offered her congratulations to graduates and reported that she enjoyed speaking at the Women's Leadership Panel.

- Trustee Bernardo Perez commented that the meeting went well and wished everyone a safe drive home.
- Trustee Gabriela Torres commented that the meeting was really good and collegial.
- Student Trustee Bryan Rodriguez commented that the meeting was very good and straight forward and would rate it a five.
- Trustee Josh Chancer commented that it was a great meeting and suggested that when information comes forward to Trustees that it should be shared with all Trustees so that when they speak, they can give the perspective of all colleges. He didn't get the opportunity to meet with the Congresswoman. Thanks were expressed to the governance committees, Chair, and Vice Chair.
- Chair Dianne McKay mentioned that there was recently a local agency who may have violated the Brown-Act and reminded Trustees to use caution when attending events.
