Hello All,

I wanted to let you know that the VC Mission Statement made it to the Board Agenda for the April 12th meeting. It was approved!

There are times we do work that goes unrecognized, but know that I appreciate your time and dedication. The work we have done will now lead our campus into its next 100 years. Our next task as a workgroup: Vision and Guiding Principles. Looking forward to continuing our work together.

Sincerely,
Jesus
