DE Advisory Mission: The Distance Education Advisory Group exists to meet the instructional, communication, computing, and research needs of the students and faculty of Ventura College. The mission of the workgroup is to focus on the delivery of distance education and student support services for online courses, partially online courses, and on ground courses. The workgroup will take a proactive role in educational, technological, and professional development issues pertaining to distance education.

Vision: We will provide quality distance education services that enhance students' opportunities to be successful in their educational pursuits.
