

## Screenshot of Commission on Accreditation of Allied Health Education Program Webpage

URL: <https://www.caahep.org/Home.aspx>

The screenshot shows the homepage of the Commission on Accreditation of Allied Health Education Programs (CAAHEP). The browser address bar displays the URL <https://www.caahep.org/Home.aspx>. The website features a dark blue header with the CAAHEP logo and the text "Commission on Accreditation of Allied Health Education Programs". A search bar is located in the top right corner, and a "Login to the CAAHEP Hub" button is positioned above it. The contact information "727.210.2350 | mail@caahep.org" is also visible. A navigation menu includes links for "About CAAHEP", "Accreditation", "Program Directors", "Students", "Commissioners", and "News and Events". Social media icons for Facebook, Twitter, YouTube, LinkedIn, and RSS are present in the bottom right of the header.

The main content area is divided into two columns. The left column features a large image of a modern building interior with a curved walkway and glass railings. Overlaid on this image is the text "Find an Accredited Program" in blue, followed by "Accredited programs that prepare entry level practitioners in 32 health sciences professions." Below the image are "Previous" and "Next" buttons.

The right column contains four white boxes with green text, each representing a link to a different section of the website: "FIND AN ACCREDITED PROGRAM", "COVID-19 INFORMATION", "CAAHEP POLICY & PROCEDURES MANUAL", and "CAAHEP STANDARDS AND GUIDELINES".

Below these columns is a section titled "What is CAAHEP?". The text in this section reads: "The Commission on Accreditation of Allied Health Education Programs is the largest programmatic accreditor of the health sciences professions. In collaboration with its Committees on Accreditation, CAAHEP reviews and accredits over 2100 individual education programs in 32 health science occupations. CAAHEP accredited programs are assessed on an ongoing basis to assure that they meet the Standards and Guidelines of each profession." Below this paragraph, it states: "CAAHEP is recognized by the Council for Higher Education Accreditation (CHEA). CAAHEP is also member of the Association of Specialized & Professional Accreditors (ASPA)."
