The Tutoring Center is dedicated to providing academic tutorial support for Ventura College students. The Center's goal is to help make a student's educational experience a successful one. Drop-in, group and individualized tutoring are available free of charge to all Ventura College students. Online 24/7 tutoring is available to VC students.

The Tutoring Center is located on the first floor of the [Library and Learning Resources \(/college_information/maps\)](/college_information/maps) building.

Tutors are Ventura College students, and CSUCI students, who have been recommended by their instructors. Besides helping students with course content, tutors clarify instructions for assignments, help brainstorm ideas for papers and projects, and facilitate the use of strategies for effective study and exam preparation.
