## Equipment: Home

### Fall 2022 Update

Please note there has been high demand for all library equipment. As of September 6, 2022, there is extremely limited availability of all equipment. If there are no items available, online requests will not be available.

### How to Check Out Equipment

#### LendingLibraryRequests

Watch this video to learn how to request equipment from the Lending Library for in-person or locker pick-up. Information about Lending Library equipment can be found below.

### Need Help? Contact Us!
