Hi, I'm the VC Pirate. I am a chatbot here to help with all of your questions in English, Chinese, and Spanish. For additional information about Ventura College resources, please visit our COVID-19 website. What would you like to know?

Spanish

I'm not sure I understand your question. Do any of these suggestions help? If they don't, you can explore additional suggestions by clicking on one of the icons below or ask me another question.

Do you speak Spanish?

I can speak Spanish! To switch to Spanish, click on the world icon at the top right of this chatbot, and select 'Español'. Next time, just start your conversation by typing your question into the chatbot in Spanish and the response will be given in Spanish.
