

The Student Activities Office

The goal of the **Student Activities Office** is to provide opportunities for students and the College to expand and develop through a wide variety of activities and experiences. Student participation in the Student Activities Program comprises two major areas: governance and college activities. Within each, a wide spectrum of experiences are available to students. Program areas include but are not limited to: student activities and programs, the Associated Students of Ventura College (ASVC), student clubs and organizations, posting approval, use of facilities and services by student clubs and organizations, student photo identification cards, and student commencement.

For more information on student activities and programs visit the [Associated Students of Ventura College](#) (Student Government) homepage.
