The College President consults with the Academic Senate President and the Equity Employment Facilitator regarding the recommended committee composition prior to forwarding the recommendation to the Director of Employment Services for approval. The Director of Employment Services shall review the selection committee composition to ensure diverse representation within the committee and adherence to District policies and agreements where applicable and may modify composition as necessary. The Human Resources Department will verify that committee members have completed diversity training within the last two years and notify the Employment Equity Facilitator of any issues.

Colleges are encouraged to use academic employees within the discipline from other colleges within VCCCD to maintain discipline expertise, diversity, and to provide a district-wide perspective. A selection committee typically consists of seven members, and should not have less than five or more than nine members under normal circumstances. The Director of Employment Services may authorize part-time faculty and other individuals to serve on selection committees on an exception basis. The following guidelines should be followed when composing a selection committee:

- The role of the Employment Equity Facilitator is to ensure the selection process adheres to state and federal laws and guidelines regarding hiring, equal employment opportunity, and nondiscrimination. The Facilitator will ensure the selection process is administered in accordance with the District's policies and procedures and will ensure that committee tasks are completed in a timely manner. The Facilitator shall report any inappropriate actions and/or violations of hiring guidelines to the Director of Employment Services for immediate action. This may result in intervention and counsel from Human Resources, a change in committee member composition, or the halt/termination of a selection process. The Facilitator shall remain neutral regarding discussions and decisions that fall in the purview of selection committee members.

D. ORGANIZATIONAL MEETING

The Human Resources Department provides the Employment Equity Facilitator with digital access to all materials and forms required to administer an effective selection process. The Employment Equity Facilitator is responsible for providing the committee with all required materials.

The academic administrator calls the organizational meeting at which time the selection committee will accomplish the following:

- The committee selects a faculty member to co-chair the committee with the academic administrator.
- The Employment Equity Facilitator reviews the Academic Selection Committee Agreement with the committee. The Facilitator discusses hiring procedures, timelines, forms, the confidentiality agreement, and diversity sensitivity issues. The Facilitator provides the committee with confidentiality policies and notifies the committee that all applicant files are considered confidential and must be maintained and reviewed in a manner to ensure the candidates' identities are not revealed. Each Committee member must sign the Academic Selection Committee Agreement in order to participate. Included in the agreement is the procedure a committee member must follow should he/she believes any irregularities have occurred during the process.
- The committee establishes dates, times, and locations for the prescreening, application screening, application tally, oral interviews, oral interview tally, and final interviews with the College President. - After the organizational meeting, the Employment Equity Facilitator sends the screening criteria, oral interview questions, and the names of those serving on the pre-screening committee to the Human Resources Department.

E. AFTER CLOSE OF APPLICATION FILING

1. Equivalency Review

Equivalency review will be conducted in accordance with Administrative Procedure 7211.

Following the close of application filing, the Human Resources Department forwards the requests for equivalency to the appropriate districtwide equivalency committee for review. The districtwide equivalency committee meets within five working days following the closing date and reviews the requests for equivalency. The Human Resources Department will not forward files for applicants who did not request an equivalency or for applicants who request in their application that an equivalency be considered, but fail to attach the Supplemental Questionnaire for Equivalency.

The districtwide equivalency committee reviews the requests for equivalency and submits its recommendations to the Human Resources Department. The Human Resources Department deactivates the applications in the applicant tracking system (ATS) for those not recommended for equivalency unless such applicants are found to meet minimum qualifications as described in section F.3. below.

At the discretion of the selection committee, the districtwide equivalency process may run concurrent with the prescreening and applicant screening processes discussed below.

Equivalency requests for disciplines that exist at only one college will be reviewed through a local process at the college.

2. Release of Candidate Information

The Human Resources Department sends various reports to the Employment Equity Facilitator, including current part-time faculty information, candidate contact information, candidate demographic information..

3. Prescreening

All members of the prescreening committee confer and determine which applicants meet minimum qualifications or should be forwarded for further consideration based on anticipated completion of a qualifying degree. Applicants anticipating completion of a qualifying degree must indicate in their application materials that they will have a qualifying degree before the start date of employment. The Human Resources Department will confirm that the required degree has been conferred prior to beginning employment.

The prescreening committee members review all applicants, including those who request equivalency. The prescreening committee documents those applicants who do not meet and those who are not anticipated to meet minimum qualifications. The prescreening committee also documents the applicants who submitted incomplete applications.

The prescreening committee forwards the results to the Employment Equity Facilitator. The Employment Equity Facilitator reviews the results to ensure agreement among the prescreening committee members and forwards the information to the Human Resources Department. The Human Resources Department disqualifies and notifies applicants who fail to meet minimum qualifications with the exception of those who requested equivalency and have yet to be reviewed by the districtwide equivalency committee. The Human Resources Department also disqualifies and notifies the applicants who submitted an incomplete application.

4. Application Screening

Upon completion of the prescreening process, the Human Resources Department forwards the ATS access information to all selection committee members. Committee members may review any applicant in the ATS that was determined to be unqualified during the prescreening based on minimum qualifications.

Selection committee members evaluate all applicants who meet minimum qualifications or have requested equivalency. The committee members complete their ratings while ensuring the following:

- Ratings must reflect the level of desired criteria and written comments in support of the overall recommendation.
- Ratings must document a recommendation for oral interview (5 - Highly Recommend, 3 - Recommend, 1 - Do Not Recommend).
- Each selection committee member must screen the application materials and submit their results independently.

F. APPLICATION SCREENING TALLY MEETING

If the districtwide equivalency committee has not reviewed the requests for equivalency at the time the application screening tally process is initiated, the selection committee has the option of moving forward without giving further consideration to those who requested equivalency.

All selection committee members must participate in the application screening tally meeting and must have completed their screening of the applicants. Any absences or exceptions must be approved by the Employment Equity Facilitator. The following shall occur during the application screening tally meeting:

1. The co-chairs and the Employment Equity Facilitator tally the application screening results.
2. The committee as a whole determines which applicants will be called for interviews. The determination is based on the scores and not the candidates' identities. "Natural breaks" in the tally total should be the determining factor when possible. Per the Agreement between the District and the AFT, Article 5, Section 5.10, a minimum of 25 percent (or no fewer than 3) of non-contract faculty members who apply for a contract position in the District and who meet the minimum qualifications for that position as specified in the job announcement and determined by the selection committee shall be interviewed by the committee.
3. The selection committee determines if additional candidates are to be interviewed in the event interview invitations are declined by the selected candidates. Additional candidates will be considered for interview based on their rank and may only be considered if invitations are declined by the initial invited candidates.
4. The Employment Equity Facilitator notifies the Human Resources Department of the candidates who were selected for an interview. The Human Resources Department notifies the individuals who were not selected for interview.
5. The Employment Equity Facilitator assigns dates and times for oral interviews taking into consideration distance and time of travel of the applicants and sends out invitations to the candidates.

G. ORAL INTERVIEW

Oral Interview Briefing (thirty minutes before first interview)

The Employment Equity Facilitator discusses the District's Equal Employment Opportunity policy and various guidelines pertinent to the interview process including those related to asking follow-up questions, providing written comments on oral interview forms, and discussing candidates' performances.

The selection committee reviews each question and discusses, in general, an appropriate answer. Follow-up questions may be asked to elicit additional information with regard to responses provided by the applicants. All follow-up questions must be for purposes of clarification and expansion of an applicant's response.

Oral Interview

At the beginning of the interview, the Employment Equity Facilitator welcomes and introduces the candidate, introduces each committee member, and advises the candidate about the process of the interview. This introduction includes the approximate length of the interview, number of questions, roles of the selection committee members and the fact that the committee will be taking notes, length of the teaching demonstration, and the support role of the Employment Equity Facilitator.

At the close of each interview, the Employment Equity Facilitator thanks the candidate and advises them of the next step in the process.

The Employment Equity Facilitator ensures that all interviews are conducted within the allotted time.

Oral Interview Discussion and Rating

At the conclusion of each oral interview, the Employment Equity Facilitator facilitates the following discussion process:

1. At the conclusion of each oral interview, each committee member will share a brief summary of each applicant's strengths and limitations. Generally, the discussion will consist of: a) clarification of technical questions asked during the interview; b) the manner in which the candidate responded to questions asked during the interview; c) strengths and weaknesses of each candidate, including professional impact.
2. Among those items that are inappropriate for discussion are the following: a) advocacy or opposition for a particular candidate based on information obtained outside the interview process; b) comments based on rumor or unsubstantiated knowledge of a candidate; c) any comment not related to specific interview information is inappropriate, such as comments on race, gender, age, sexual orientation, and physical characteristics.
3. Each committee member rates each candidate (5 - Highly Recommend, 3 - Recommend, 1 - Do Not Recommend) during the initial interview.
4. All ratings must be supported by clearly written comments. Overall ratings should be representative of the candidates' performances across all questions and the teaching demonstration.

Oral Interview Tally

1. The co-chairs and Employment Equity Facilitator tally the oral interview ratings and display the ratings to the entire selection committee with candidates' names redacted for the purpose of determining the natural break in ratings.

After determining the natural break, the candidates' names are displayed to the committee for the purpose of determining who should be forwarded to the College President for final interview; determination shall be based on the candidates' scores rather than the candidates' identities and in consideration of the President's preference. The committee reviews the ratings to consider discrepancies. The discussion shall only focus on information provided in the interview as well as information provided in the candidates' applications. Any committee member may change or keep his/her original rating after considering the information discussed. The selection committee as a whole may decide if candidates below the natural break should be forwarded to the College President.

If no candidates are acceptably qualified or fewer than the College President prefers are forwarded, the College President may meet with the selection committee to discuss the outcome, and the committee as a whole may choose to forward additional acceptably qualified candidates for consideration. The College President has the option of interviewing the candidates and/or reopening the recruitment.

2. The co-chairs notify the individuals who were not selected for a final interview.
3. The Employment Equity Facilitator sends out invitations to the candidates for the president's interview.

H. PRESIDENT'S INTERVIEW

The College President determines who is present in the final interview. The Employment Equity Facilitator may be present at the final interview at the President's discretion.

I. RECORD OF INTERVIEW AND CANDIDATE SELECTION PROCESS, REFERENCE CHECKS AND OFFER OF EMPLOYMENT

1. The President directs the responsible academic administrator (first-line supervisor) to conduct reference checks on the identified individuals in accordance with the VCCCD reference checking procedure.
2. The academic administrator conducts reference checks for the selected candidate(s) and sends them to the President and Director of Employment Services for review.
3. The Employment Equity Facilitator completes the Record of Interview and Candidate Selection Process form

indicating which applicants did not meet minimum qualifications, which applicants were not invited to and which applicants attended initial and final oral interviews, and the candidate(s) selected. The College President signs the form and forwards the original form to the Human Resources Department.

4. Upon review of the selected candidate's references and any other pertinent material, the Director of Employment Services or designee notifies the President, Vice President, and Dean, that an official employment offer may be extended.
5. The Employment Equity Facilitator forwards all screening files, forms, and related notes and records to the Human Resources Department.
