2021-2022 Guided Pathways Evaluation
April 11, 2022 2:53 PM PDT

Q1 - Committee Charge: The Guided Pathways Committee is an operational committee that focuses on the following elements of Guided Pathways: Cross-Functional Inquiry - College constituents (including staff, faculty across disciplines and counselors, administrators, and students) examine research and local data on student success and discuss overarching strategies to improve student success. College engages in broad, deep and inclusive discussion and inquiry about the Guided Pathways approach, framework and evidence. Shared Metrics - College is using clearly identified benchmarks and student data to track progress on key activities and student academic and employment outcomes. Those benchmarks are shared across key initiatives. Integrated Planning - College-wide discussions are happening with all stakeholders and support/commitment has been expressed by key stakeholders to utilize the Guided Pathways framework as an overarching structure for the college's main planning and resource allocation processes, leveraging existing initiatives and programs such as (but not limited to): Student Success and Support Program (SSSP), Basic Skills Initiative/Basic Skills Student Outcomes and Transformation Program (BSI/BSSOT), Equity Planning (Student Equity/SE), Strong Workforce Program (SWF). Inclusive Decision-Making

Structures - College has identified key leaders that represent diverse campus constituents to steer college-wide communication, input and decisions regarding the Guided Pathways framework. Constituents have developed transparent cross-functional work-teams to provide the Guided Pathways effort with momentum and regularly provide opportunities for broad college-wide input. Does the business of the committee reflect the committee charge?

Q2 - Please explain:

Please explain:

Committee is made up of a students, classified professionals, faculty and administrators across the campus. We review the GP success metrics as posted on our GP dashboard. We have followed an integrated planning model relying on the Scale Of Adoption and Assessment (SOAA) provided by the state. The SOAA has been reviewed and updated with input from the committee, both senates and the Executive team as needed.

They take in consideration every point of view from different students and backgrounds. Im proud to be able to participate and give my opinion.

Q3 - Goal 1: Review and update SOAA.

#	Field	Choice Count	
1	Met goal	90.91%	10
2	Did not meet goal	9.09%	1

Q15 - Comments:

Comments:

Many efforts have been made over the past year to increase our onboarding efforts by Outreach, Student Connect/Welcome Center in cooperation with Financial Aid, Counseling, Admissions and Records along with all departments within Student Affairs Division. Two of the highlights include an updated plan to rebrand Connect Center as the Welcome Center AND the return of in-person Pirate Days for incoming high school students.

I think we still need to confirm this process across campus.

This is a big task and will take time to complete effectively.

Q16 - Goal 3: Strategic plan for how to most effectively integrate program mapper into website 2.0.
