meeting current needs of child care

Excellent come-back from pandemic decrease in ability to fulfill its objectives and service to community and students.

Q3 - What could this program improve upon?

What could this program improve upon?

They do the best that they can.

From the presentation, the facilities itself can use an improvement on safety concerns.

No suggestions.

No suggestions.

Increased staffing to expand enrollments to meet student and community family needs.

Improve the facilities. Expand to include more children

safety for all there! Pretty sad they have to put these needs in PR since they should already be taken care of and then they could ask for more staffing issues.

The program has done an amazing job with the self-funding that it currently has, and the safety concerns that are related to several resource requests sound like important ways VC can further support this crucial program.

Q6 - How well do the program's objectives align with the VC Educational Master Plan?

How well do the program's objectives align with the VC Educational Master P...

1 and 3 from the list below. Probably more. 1. Increase the success of our students while closing equity gaps. 2. Increase our community's access to transfer, workforce preparation, and basic skills education. 3. Strengthen local/regional partnerships and community engagement. 4. Enhance institutional effectiveness and accountability to improve innovation and student outcomes. 5. Effectively manage campus resources to meet student and community needs.

All objectives are aligned with our Master Plan.

The program is working to make program improvements in order to increase student success and quality of education.

The program objectives align with the Educational Master Plan as the objectives are working towards creating safety improvements and increasing availability of services for the community.

Aligns very well. Helps support student success and decrease equity gaps by providing affordable preschool to allow them to attend college. It also strengthens community engagement by providing the same quality, affordable preschool to community families.

Good

Very well. Objective 5 is key: Effectively manage campus resources to meet student and community needs
