

2022-2023 Program Review Equipment Requests - New Requests

Green = Approved for Funding, Yellow = Conditionally Approved for Funding

Area	Unit	Resource Request Title	Description of Resource Request	Priority				Notes
				Prog	Area	Comm	ET	
AA	Agriculture	AGR2203	Purchase a tractor to maintain avocado orchard	05	6	4	1	
AA	Learning Resource and Testing Center	LEA2203	One charging station locker in Learning Center	04	3	6	2	
AA	Anthropology	ANT2203	Replica Orangutan skeleton - Laboratory models to be used in new curriculum directly tied to CSLOs. Instructors are collaborating to redesign curriculum and wish to improve access to models to facilitate kinesthetic learning. Because these models are each used for portions of different curricular activities, and can be funded separately, they have been broken out into four different resource requests.	02		10	3	
AA	Anthropology	ANT2204	Replica Lucy skeleton- Laboratory models to be used in new curriculum directly tied to CSLOs. Instructors are collaborating to redesign curriculum and wish to improve access to models to facilitate kinesthetic learning. Because these models are each used for portions of different curricular activities, and can be funded separately, they have been broken out into four different resource requests.	07		3	4	
AA	Library	LIB2205	Compact storage like the OC Library recently installed. This compact storage would dramatically increase our ability to store Lending Library materials, overflow/historic books from the Main Stacks collection as well as archival materials related to the history of VC. The space to install this would be in the back of Library where things are currently stored but in a haphazard fashion.	12	2	20	5	
BAS	Facilities, Maintenance, and Operations	FMO2202 Util	Sewer and Storm drain Camera with Locating Sonde	06	2	14	6	
AA	Modern Languages	MOD2202	Acquire active furniture for the MOD classrooms MCE 219 and MCE 220.	02	3	10	7	Needs to maintain room capacity
BAS	Facilities, Maintenance, and Operations	FMO2004 Port	Portable Mobile Generator equipped with it's own trailer, allowing for immediate emergency usage during power outages.	09	4	13	8	Emergency Preparedness
BAS	Facilities, Maintenance, and Operations	FMO2203	Utility Locator	07	3	17	9	
AA	Athletics/Kinesiology	A/K2207	Training room equipment to help prevent or rehab student athletes from injuries. Equipment includes one electric portable water station, one new ultrasound/stem machine and modular taping station	07	6	12	10	
AA	Engineering	ENGR2203	Purchase of Physical Crystallography Models to CSLO #1 for ENGRV18 - Engineering Materials Course	05	5	19	11	
AA	Learning Resource and Testing Center	LEA2202	Five study carrels in Learning Center	02	12	15	12	
BAS	Facilities, Maintenance, and Operations	FMO2201 Skid	Skidsteer with attachments	05	1	2	NR	OOO Request - Swapped with PY item
AA	Athletics/Kinesiology	A/K2208	Improve transportation for division and institution by adding two vehicles to the current fleet. This will support many groups on campus with high use coming from Athletics, ASVC, agriculture, counseling, and geology. Two 12 passenger van	08	1	8	NR	Purchased
AA	Athletics/Kinesiology	A/K2210	Two covered Soccer benches for Ventura College events as well as Civic Center rentals	10		1		

2022-2023 Program Review Equipment Requests - New Requests

Green = Approved for Funding, Yellow = Conditionally Approved for Funding

Area	Unit	Resource Request Title	Description of Resource Request	Priority				Notes
				Prog	Area	Comm	ET	
AA	Anthropology	ANT2206	Replica Homo ergaster skeleton - Laboratory models to be used in new curriculum directly tied to CSLOs. Instructors are collaborating to redesign curriculum and wish to improve access to models to facilitate kinesthetic learning. Because these models are each used for portions of different curricular activities, and can be funded separately, they have been broken out into four different resource requests.	10		5		
AA	Anthropology	ANT2205	Replica Neanderthal skeleton - Laboratory models to be used in new curriculum directly tied to CSLOs. Instructors are collaborating to redesign curriculum and wish to improve access to models to facilitate kinesthetic learning. Because these models are each used for portions of different curricular activities, and can be funded separately, they have been broken out into four different resource requests.	09		7		
AA	Performing Arts	PER2110	Wenger Risers for PAC-139. This would convert this room into the appropriate rehearsal and recital hall it's designed to be.	12		9		
AA	Learning Resource and Testing Center	LEA2205	2 privacy pods in Learning Center	06		15		
AA	Anthropology	ANT2202	<p>This request includes replicas of prehistoric artifacts that would showcase the variety within the field of study in Anthropology, including: Cultural Anthropology, Archaeology, Pre-history, Linguistics, and Gender. The Anthropology program continues to provide students with a variety of topics and opportunities for study within the four fields. The challenges the program continues to face included the visibility and awareness of what the Anthropology courses have to offer. This visual grassroots campaign is designed to attract more students to this field of study.</p> <p>Items include: Ancient Maya: King Pakal Palenque Sacrophagus Tomb Lid Tablet Rosetta Stone Replica Venus Figurine de Lespugue Venus Figurine de Brassempouy Venus Figure of Kosk Hoyuk Mother Goddess Cybele (Neolithic) Cycladic Female Sculpture</p>	08		18
