

2022-2023 Program Review Facilities Requests - New and Innovative Requests

**Green = Approved for Funding**

Area	Unit	Resource Request Title	Description of Resource Request	Priority				Notes
				Prog	Area	Comm	ET	
AA	Agriculture	AG2101	Installation of Greehouse and Hoop House structures in designated areas as agreed to and decided with M & O, FOG and Admin. Greenhouse and Hoop house materials were to have been donated to program from industry, but lack of response from admin forced program to lose the donation and now seek funding for structures elsewhere. Need connection to water source, electricity and interior light installation. (Note: ADA walkways to these structures was approved under Program Review from AY 20-21)	01		1	1	New and Innovative
AA	Library	LIB1701	Investigate means to add additional group study rooms to the Library. We are requesting funds (\$50,000) as a placeholder for possible design costs (including but not limited to hiring a library design consultant) associated with a redesign of library square footage that would incorporate more group study space in the current library floor plan.	10	11	2	2	New and Innovative
