

High School Dual Enrollment Student Guide

What is High School Dual Enrollment?

Dual enrollment is for K-12 students who wish to take college classes in addition to their K-12 courses. The goal is to provide students who can benefit from advanced scholastic and vocational education the opportunity to take college-level courses that are not available through their primary school or other alternatives.

Add *; comma for multiple adds (e.g., 1234, 1200). Waitlist and add codes cannot be added here, please click on Build Current Schedule.

Waitlisting

A waitlist allows the student to wait for an open seat in a full class. Being on a waitlist does not guarantee enrollment in the class. If an enrolled student drops, the open seat may be filled by the next student on the waitlist in priority order. Payment within 24 hours is required to complete enrollment in the class. See “what is a waitlist” here: <https://www.venturacollege.edu/apply-and-enroll/registration>

Troubleshooting Tips

- Use a regular laptop or desktop computer – tablets, smartphones, or chromebooks/acer computers won't work, they read more like a tablet and cause errors.

- Clear your history or cache in your browser, or try a different browser – Chrome & Firefox are recommended. Edge, Internet Explorer, & Safari cause errors.
- Reboot your computer.
- If you are having trouble signing or receiving a signed document try closing the browser after you sign to electronically release the document & push it forward. This would be for everyone signing (Students, Counselors & Parents)
- Did you forward emails to a Gmail account? If you have forwarded your @my.VCCCD email account to an outside Gmail account it can cause your auto-populated forms to have an error such as a non MyVCCCD email. Update those settings via the MyVCCCD student portal and remove forwarding settings.
- Did you recently apply? If you have applied or re-established your account in the past 24 hours, it may take time for your account to come active, the processing takes anywhere from 24-48 hours and early attempts can cause errors, such as populating a personal email in the form. Try attempting a little later to see if your Ventura College student email populates in the form, after 48 hours, if the form does not automatically add your MyVCCCD email reach out to admissions and records **805-289-5457**.
- Need assistance with your submitted application? The Compass Welcome Center's staff offers one-on-one assistance to prospective, new and continuing students, providing computer-related support services to ensure a successful transition to and navigation through Ventura College call 805-289-6420 or visit the website <https://www.venturacollege.edu/departments/student-services/the-compass-welcome-center>
