ONE YEAR TO CAREER CONSTRUCTION TECHNOLOGY: ELECTRICIAN TRAINEE FIND YOUR PATH.

PROGRAM DESCRIPTION

California law requires that persons performing work as electrician under a C-10 licensed contractor be certified pursuant to certification standards established by the Division of Labor Standards Enforcement. In order to work as an electrician, a person must be one of the following: certified by having taken and passed the exam or an apprentice in a state approved program or an electrician trainee. Ventura College is a state approved partial provider of the Electrician Certification Curriculum.
