Greetings, Everyone,

In preparation for the September 15th Special Board Meeting, as well as to fulfill ACCJC accreditation requirements, Chair Perez and Dr. Helen Benjamin are requesting your participation in an evaluation of VCCCD Board Effectiveness.

This evaluation is being conducted through an anonymous online survey. You will be prompted to rate a handful of items in the areas of *Mission and Planning, Policy Responsibilities, Board/CEO Roles and Responsibilities, Community Relations and Advocacy, Educational Quality and Student Success, Financial Fiduciary Responsibility, Human Resources and Staff Relations, Board Leadership, Conduct of Board Meetings, and Board Training/Professional Development and Self-Evaluation*. You will also be provided space to provide comments for each section.

This survey should take about 25 minutes to complete. You will be able to save your progress and step away from the survey, if necessary -- but please know that you will only have until the end-of-day on Monday, August 28th to be able to return to complete the survey. Also, please note, survey participants may not share a computer -- the system will only allow one survey to be submitted from any given IP address.

To ensure that your feedback remains confidential, I have requested that Dr. Lisa Putnam, the Executive Director in my office, be the only person to have access to the results. Her 14 years of experience as a coordinator of institutional research for one of our campuses provides me with confidence in her ability to organize and synthesize the results of this survey.

Please complete this survey by Monday, August 28th.

You can find the [online survey HERE](#).

In advance, thank you for taking the time to complete the survey, and please let me know if you have any questions,

Rick
