

Ventura College Library

September 2017

It's never too late! Book your library session today!

Will your students need to conduct research this semester? Your librarians can help with that! Library instruction sessions are tailored to the needs of your students and we can work with your class schedule.

Sessions can be anywhere from a quick 15 minute tour of the library, to a full 1 hour and 15 minute session that covers the library catalog and databases. You can bring your class to us, or we can visit your classroom.

To schedule your session, call a librarian at 805-289-6382 or email [Peter Sezzi](#) or [Kaela Casey](#).

Lunch and Learn Speakers Needed

We are looking for creative and engaging speakers for the new "Lunch and Learn at Your Library." This lecture series is aimed at bringing students into the library, connecting them with faculty, and inspiring them to think more deeply about the complex issues our society faces today.

Presentations will be in LRC 205 on the following Tuesdays. Time is flexible, and pizza will be served.

November 28, January 30, February 27, April 24

If you are interested in presenting or have any questions, contact Kaela Casey at 805-289-6563 or kc Casey@vcccd.edu.

Farewell to Ayanna!

It is with mixed feelings that we say farewell to Ayanna Gaines. Ayanna joined the Ventura College Library team in 2008 as a part-time librarian, and became a full-time librarian in 2011. She did library instruction, reference, collection development, electronic resource management, program review, was chair of the library for a few years... she did pretty much everything except cataloging! Her last day is September 28, so please stop by to say farewell and congratulate her on her new position at the Camarillo Public Library!
