

VENTURA COLLEGE Registration Calendar

Summer/Fall 2024

Continuing students in "good academic standing" (not on academic or progress notice for two semesters) and have not earned more than 90 units are granted priority registration and are assigned registration appointments based on the number of completed and in-progress degree-applicable units at VCCCD.

New and returning students must complete the Student Success activities, including College [Orientation](#), [Assessment](#), and [MAP Workshops Canvas Page](#) for an Initial or Comprehensive Educational Plan with a counselor to be eligible for Priority Registration. Priority Registration allows students to register early for their desired courses and schedule.

Definitions:

****Good academic standing** is defined solely for assigning enrollment priority as a student who is not on Academic or Progress 2 notice has not been placed on academic or progress notice or more serious academic sanction for two consecutive terms. Students who are on academic/progress notice for two consecutive semesters will lose enrollment priority for the next semester or summer session.

Educational plan is each student's guide to what they need to do to achieve his/her goals.

Initial educational plan is a 1 or 2 semester educational plan that may be created by the student or with the assistance of a counselor. This is not an approved educational plan.

Comprehensive educational plan covers all of the terms needed for student's to achieve their course of study. This is the approved educational plan that students must have by the time they complete 15 units of coursework.
