

All community college students invited to join us at CSU Channel Islands for our annual STEM Transfer Day!

Friday, October 10th
8:30 AM - 3:00 PM

Learn about transfer steps and how you can earn your four-year degree in science, technology, engineering or math (STEM). Open to ALL STEM majors.

FREE one-day event, join us for:

- Faculty led campus lab tours
- Workshops on undergraduate research
- STEM student panel discussion
- Chat with CSUCI STEM faculty
- Meet STEM faculty
- Admissions & Academic Advising Sessions
- Learn more about our STEM majors
- Free lunch

**CSU Channel Islands Campus
El Dorado Hall**

FREE Round Trip Transportation from the following campuses:
Moorpark College, Oxnard College, Ventura College

Priority registration deadline ends September 26th! Please register using the link/QR code. Space is limited!
