

# STEM

## SUMMER *Voyage*

July 23-25, 2025  
8:30 AM - 3:00 PM

# Welcome

aboard to STEM at

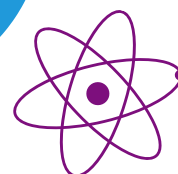

Open to 1st and 2nd year Ventura College students pursuing STEM majors.

Meet peers, faculty, and STEM Success Team who will introduce you to what to expect as a new STEM student. Explore campus, connect with student support services, preview a chemistry lab activity, tour a professional industry lab, and more!

Completing STEM Voyage provides access to internship and undergraduate research experience programs, personalized STEM counseling, and all Project S:AIL in STEM activities. This is an opportunity you won't want to miss!
