

STEM-X

Culturally Responsive Practices for
STEM Faculty Teaching Latinx Students

WHAT'S INCLUDED:

- Six highly interactive sessions led by STEM instructors in HSIs, featuring the latest research on motivation, culture, and cognition to serve Latinx students
- Real world examples of how HSI STEM faculty have implemented CRP in both online and F2F learning environments
- Exercises to guide you in examining your own syllabi, labs, or exams for clarity, cultural relevance, and cognitive support
