

## Ventura College ADN to BSN Partnerships

University	Enrollment	Application Deadlines	Requirements	Duration	Notes
Azusa Pacific University <a href="https://www.apu.edu/programs/bridge-to-bsn/">https://www.apu.edu/programs/bridge-to-bsn/</a>	Summer between 1st year and second year in Bridge to BSN Program	Not published (check directly with APU)	• GPA >=3.0	• 40 units • 15 months if concurrent	• Bridge to BSN cost per one credit unit: \$460
California State University Channel Islands (CSUCI) <a href="https://ext.csuci.edu/programs/undergraduate/bs-nursing-track-2/index.htm">https://ext.csuci.edu/programs/undergraduate/bs-nursing-track-2/index.htm</a>	Between 1st year and 2nd of ADN program, Summer admission.	Application dates: December 1st through March 31st (for Summer Admission)	• Must be currently enrolled in an accredited BRN approved pre-licensure ADN program. • Cumulative GPA >=2.5 • Pre-Nursing Core GPA >= 2.0 • No Grade Lower than C	• 30 units • 2 Summers during ADN program and 2 full semesters after.	• Must apply to ADN to BSN "Summer Bridge" program. Apply to both the university (Cal State Apply) and nursing program (NursingCAS). • Students are advised to have their general education courses "GE certified". • Track II ADN-BSN Fees per one credit unit: \$425 • Summer admission - All courses are online/asynchronous, with the exception of the 1 clinical during the Fall semester.
California State University Dominguez Hills (CSUDH)  BSN Summer Fast Track: <a href="https://www.csudh.edu/son/programs/bsn-summer-fast-track/">https://www.csudh.edu/son/programs/bsn-summer-fast-track/</a>  RN-BSN: <a href="https://www.csudh.edu/son/programs/rn-bsn/admission/">https://www.csudh.edu/son/programs/rn-bsn/admission/</a>	BSN Summer Fast Track (SFT): to begin the summer after completing 1 semester of ADN program.  RN-BSN: Post-ADN Completion	SFT: March 1 – April 15  RN-BSN: Undergrads: Fall (Oct 1 – Nov 30), Spring (Aug 1 – Nov 1) Post-baccalaureates: Fall (Oct 1 – June 1), Spring (Aug 1 – Nov 1)	• Must be currently enrolled in a regionally accredited BRN approved pre-licensure ADN program. • GPA >= 2.0	• 23 units of BSN coursework, 6 units of UD GE and required University coursework = 29 units • 2 Summers during ADN program and 2-3 semesters after.	• Approximately 120 seats are available for each Summer 1 and Summer 2 term and are limited to availability. • Admission will be on a "first come, first served" basis and only complete, accurate applications will be considered. • If students take both summer 1 & 2 and complete the 5 courses offered in the BSN SFT they may only have 2-3 semesters remaining in the RN-BSN program. This is based on if they are Undergrads (1st time bachelor's) or Post-bacs (2nd bachelor's) students. • Undergraduates must meet all lower and upper division GE and University degree requirements. Ideally, all undergraduates would transfer over with CSU GE certification.
Grand Canyon University <a href="https://tinyurl.com/GCU-Concurrent-Enrollment-Brochure">https://tinyurl.com/GCU-Concurrent-Enrollment-Brochure</a>	Reach out to your GCU Enrollment counselor for next steps! Students can enroll during NS10, NS20, and NS30 semesters for Summer & Winter start dates.	Application deadlines set by GCU	• Ventura ADN students are automatically eligible for BSN and MSN bridge programs. • VC GPA >=2.5	• Flexible schedule allows students to double up post-NCLEX to earn their BSN sooner. • Duration varies based on students' transfer credits.	• Concurrent scholarship rate of \$250/unit - 3 units per course. • Free transcript pre-evaluation offered to receive timeline and cost breakdown. • Courses are 5 weeks online + asynchronous during Ventura College breaks. • Public Health elective offered to earn certificate.
National University <a href="https://www.nu.edu/degrees/nursing/programs/bachelor-science-nursing-rn-bsn/">https://www.nu.edu/degrees/nursing/programs/bachelor-science-nursing-rn-bsn/</a>	RN-BSN Program: dual enrollment begins after completing the 2nd semester of ADN program. Students may take three BSN major courses prior to earning their RN license	Applications accepted several times a year. Need to apply to university and to nursing program.	Formal admission into the RN-BSN occurs only after: passing the NCLEX-RN and obtaining an active, unencumbered RN license. Students must complete their ADN program with a minimum GPA of 2.0	• 3 BSN courses can be taken during ADN (semesters 2-4) • Remaining BSN requirements are completed post-licensure • Exact number of courses depends on transfer credit and GE status (IGETC/CSU Breadth)	• All VCCC students and graduates receive a 15% tuition discount. • Application fee is waived for VCCC students. • Discount applies throughout student's time at NU, even if agreement expires, provided the student does not miss two consecutive terms
University of Phoenix <a href="https://www.phoenix.edu/alliance/transferpathways.html">https://www.phoenix.edu/alliance/transferpathways.html</a>	• Applications accepted several times a year. • No enrollment fee.	Rotating deadlines based on when applying	• 2.5 GPA. Block transfer of 90 Ventura College ADN credits. • No additional courses required.	• 30 units, approx. • 12 months to complete	<b>Concurrent Enrollment Program</b> • Take up to 4 BSN courses during ADN. • Available for all semesters including graduating students. • Courses offered in summer/winter breaks.  <b>RN-BSN:</b> • Start after RN license; one 5-week course at a time, 10 courses total. <b>MSN-Bridge:</b> • For students with a bachelor's in another field; complete 2 BSN courses, which can be taken concurrently, then start MSN after receiving RN license.
