

ATTACHING A RUBRIC TO A DROPBOX ASSIGNMENT

First, click on  Assignments in the Navigation bar.

Select the dropdown menu on the assignment you want to add the rubric to, then click "Edit Folder."

The screenshot shows the 'Dropbox Folders' interface. At the top, there are buttons for 'New Folder' and 'More Actions'. Below this is a 'Bulk Edit' button and a '20 per page' dropdown. The main content is a table with columns: 'Folder', 'Total Files', 'Unread Files', 'Flagged Files', and 'Due Date'. The table is divided into sections: 'Quizzes', 'Weekly Paper Dropbox', 'Other', and 'New Category'. In the 'Quizzes' section, 'Quiz 6' has a dropdown menu open with options 'View Submissions' and 'Edit Folder'. A red arrow points from the text box to the 'Edit Folder' option.
