

# University of California Transfer Course Agreement

## (UC TCA) 2019-2020. Latest update: November 2019

This agreement lists courses transferable for unit credit at all UC campuses. How courses are applied may vary from campus to campus. Students are encouraged to go to [www.assist.org](http://www.assist.org) and research their intended major. New courses added to the TCA or removed after this catalog was published can also be found on [www.assist.org](http://www.assist.org). Courses that fulfill General Education requirements at all UC campuses can be found on the IGETC Certification Plan on page 85. All students planning to apply to the UC should also consult a counselor in the Counseling Office or the University Transfer Center. Courses on the UC TCA are subject to change. Always check with a VC Counselor for the latest information.

Honor Course Credit Information: Duplicate credit will not be awarded for both the honors and the regular versions of a course. Credit will be awarded only to the first course completed with a grade of "C" or better.
