PRESIDENT'S MESSAGE

Welcome to Ventura College!

Thank you for taking the time to consider how your community college can help you meet your educational and career goals! Ventura College provides the opportunity for nearly 14,000 students each semester to accomplish a number of goals: earn an Associate's degree for transfer or career entry, complete certificates and upgrade job skills. The college also provides a range of student activities, leadership opportunities, and athletics to enhance your educational experience.

As a community and as individuals, we face many changing circumstances. We want to meet you where you are and help you get to where you want to be. We offer many opportunities to support your access and success at Ventura College. For example, Ventura College was the first community college in the state to offer The Promise Program. The Ventura College Foundation pays for the first year's enrollment fees at the college for recent Ventura County high school graduates or GED recipients. The Ventura College Promise is the largest program of its kind in the nation and has funded more than 10,000 students since its inception. In addition, our college is officially designated by the U.S. Department of Education as a Hispanic-Serving Institution and our success rate in awarding Associate degrees to Hispanic students has been nationally recognized. The college provides flexible day and evening class schedules, online courses, and additional access at our off-campus site in Santa Paula.

Ventura County is comprised of a unique blend of rural and urban communities. Ventura College is committed to being an active and contributing member of our community. The college values its connections to community members and with industry, government, and educational partners. These partnerships help create unique opportunities for the college and pathways for our students supported with current and relevant content and skill development. Along with state, federal, and foundation grant dollars, our partnerships lead to new program development and enhancement of current professional/technical and academic programs. We have transfer agreements with all of the California State University (CSU) and University of California (UC) campuses to facilitate access into baccalaureate programs for students meeting the institution's requirements. Together with the other two colleges in the District, Moorpark and Oxnard, we provide a range of programs for our diverse student populations and support of workforce and economic development for our communities and the county.

This website provides you with details on our diverse range of courses, programs, and support services. Please plan to visit our beautiful campus and learn more about how we can support you in meeting your educational goals! Ventura College has provided educational opportunities in Ventura County for over 90 years. That history provides our college with a strong foundation from which we provide quality instruction and support services delivered by outstanding faculty, staff, and administrators focused on your success.

We look forward to working with you!
Sincerely,

A handwritten signature in black ink, appearing to read 'D. Keebler', written over a light grey circular watermark.

David Keebler
President

PRESIDENTIAL HISTORY

For more than 90 years, Ventura College has had exemplary leadership. That leadership was provided by:

H.O. Wise	1925-1928
Melrowe Martin	1928-1929
Amos E. Clark	1929-1931
D.R. Henry	1931-1953
Hugh Price	1953-1956
Phil Putnam	1956-1960

VCCCD VISION, VALUES AND MISSION

District Vision Statement

The Ventura County Community College District will become the leader in the development of high quality, innovative educational programs and services. Keeping in mind that students come first, we will model best practice in instructional and service delivery, student access, community involvement, and accountability.

District Values Statement

We base our actions on what will best serve students and the community.
We maintain high standards in our constant pursuit of excellence.
We recognize and celebrate creativity, innovation, and entrepreneurship.
We demonstrate integrity and honesty in action and word.
We communicate openly and respectfully to students, colleagues and members of the public.
We hire and retain personnel who reflect the diversity of the communities we serve.
We promote inclusiveness, and openness to differing viewpoints.
We use data, research and open discussion to drive our plans and decisions.
We demonstrate responsible stewardship for our human, financial, physical and environmental resources.
We seek and maintain long-term partnerships with the communities we serve.

District Mission Statement

The Ventura County Community College District (VCCCD) is committed to assisting students in the attainment of its primary mission as a system of state supported two-year colleges.

The primary mission of the District is to produce student learning in lower division level academic transfer and career/vocational degree and certificate programs. Effective, efficient student support services are offered to assist in the accomplishment of the District's primary mission based on need and available resources.

Ventura County Community College District works to enhance state, regional, and local economic growth and global competitiveness within the pursuit of its primary mission. Additionally, workforce and economic development activities and services are offered based on need and available resources.

English as a Second Language instruction, remedial, adult education, and supplemental learning services that contribute to student success are offered and operated based on need and available resources.

Ventura County Community College District improves the quality of community life by offering not-for-credit, recreational, vocational, cultural, and civic programming based on community demand and available resources.

All District programs, services, and activities operate within a framework of integrated planning and budgeting. Ongoing, student learning outcome assessment and systematic program review are used to ensure District-wide excellence through sustainable, continuous quality improvement in compliance with its mission.

HISTORY OF VENTURA COLLEGE

History of Ventura College

The first college in Ventura County was established in 1925 when a junior college department was added at Ventura Union High School. In 1952, Ventura Junior College was renamed Ventura College, and in response to a study regarding local educational needs, identified as a separate two-year institution for the freshman and sophomore years of college.

In 1955, the College moved to its present 112 acre hillside campus at 4667 Telegraph Road in the eastern part of Ventura – so close to the ocean that there is a clear view of the Channel Islands from several spots on campus. The current student enrollment of the College for day and evening classes, including all campus sites and distance learning students, is just over 13,000. Ventura College provides classes for the Santa Clara River Valley residents at our site in Santa Paula located at 957 Faulkner Road.

In 1962, the voters of Ventura County authorized the formation of a community college district separate from any other public school entity. Ventura College is now a comprehensive community college serving a diverse population of college-age and adult students who pursue a wide variety of transfer, vocational and other educational goals. The Ventura County Community College District (VCCCD) now includes two additional colleges, Moorpark College and Oxnard College, and serves more than 36,000 students, 96.5% of whom are California residents. The District Administrative Center offices are located 761 E. Daily Drive in Camarillo.

Ventura County voters went to the polls in March 2002 and overwhelmingly supported the Colleges, authorizing a \$356 million general obligation bond to renovate and expand all three campuses, as well as training facilities for the Fire Academy and the Sheriff Academy. \$125 million was allocated to Ventura College capital improvements which included: the Library and Learning Resources Center (January 2005); the Student Services Center (April 2008); the VC Sportsplex (August 2008); the Health Sciences Center, Multidisciplinary Center East (MCE), and Multidisciplinary Center West (MCW) building (Spring 2011); the Performing Arts Complex (August 2012); Phase One of Maintenance and Operations facilities renovation (March 2015); and the Applied Science Center (September 2015). Final construction projects included the Studio Arts Building and Phase Two of the Maintenance and Operations facilities renovation.

Accreditation

Ventura College is accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC) of the Western Association of Schools and Colleges (WASC), 10 Commercial Boulevard, Suite 204, Novato, CA 94949, (415) 506-0234, an institutional accrediting body recognized by the Council for Higher Education Accreditation and the U.S. Department of Education.

COLLEGE VISION, MISSION, AND GUIDING PRINCIPLES

Vision

Ventura College will be a beacon of learning - a source of inspiration and guidance - for our students and community.

Mission

At Ventura College, we transform students' lives, develop human potential, create an informed citizenry, and serve as the educational and cultural heart of our community. Placing students at the center of their learning experience, we serve a highly diverse student body by providing innovative instruction and student support, focusing on associate degree and certificate completion, transfer, workforce preparation, and basic skills. We are committed to the sustainable continuous improvement of our college and its services.

Guiding Principles

At Ventura College we believe that students come first and all else follows. We strive to create a campus environment that fosters collaboration, communication, and mutual respect. We are committed to these Guiding Principles in all that we do:

Embrace the strength of diversity

Listen with intensity and compassion

Communicate with integrity and patience

Design student-centered solutions

Spark self-confidence and a sense of discovery

Pursue our vision and goals with passion

INSTITUTIONAL/GE STUDENT LEARNING OUTCOMES

Institutional/General Education Student Learning Outcomes

The five Institutional/General Education Student Learning Outcomes listed below describe the skill sets a student should be able to demonstrate after completing the requirements for an Associate Degree at Ventura College. Courses are "mapped" (directly linked) to these Institutional/General Education Student Learning Outcomes. Institutional/General Education Student Learning Outcomes are assessed on a five-year rotational cycle.

1. **Communication – Written, Oral, and Visual:** Students will write, speak, perform, or create original content that communicates effectively and is facilitated by active listening skills.
2. **Reasoning – Scientific and Quantitative:** Students will locate, identify, collect, and organize data in order to analyze, interpret, or evaluate it using mathematical skills and/or the scientific method.
3. **Critical Thinking and Problem Solving:** Students will recognize and identify the components of problems or issues, examine them from multiple perspectives and investigate ways to resolve them using reasoned and supportable conclusions while differentiating between facts, influences, opinions, and assumptions.
4. **Information Literacy:** Students will formulate strategies to locate, evaluate, and apply information from a variety of sources in a variety of formats such as print and/or electronic.
5. **Personal/Community Awareness and Academic/Career Responsibilities:** Students will examine the ethical responsibilities and the dynamic role of individuals and active citizens in society. Students will develop skills and employ strategies to self-manage their personal, academic, and career goals and to cooperate, collaborate, and interact successfully within groups and with a variety of cultures, peoples, and situations.

Adopted by the Academic Senate on March 1, 2012

Ventura College Institutional Service Unit Outcomes

1. The Service will support or facilitate a positive learning or service environment for students.
2. The Service will support or facilitate institutional accountability by monitoring and ensuring compliance with statutory mandates, local policy and procedures, and state or federal law.

CAMPUS PROFILE

The Advantages of a Community College

Ventura College offers students some very special opportunities not found at four-year colleges and universities. We put students and teaching first, with smaller classes and more individual attention from staff, counselors, and instructors.

We are the convenient equivalent to lower division university studies and provide smooth and secure transfer to four-year schools.

We welcome all students, whether just out of high school or returning to school after a period of work or home responsibilities. Any student who can benefit from our classes is welcome to attend. We are the obvious “best-buy” in higher education—fees are low, quality is high.

College and the Community

Though Ventura College draws students from other California regions, as well as other states and foreign countries, there is a particularly strong bond between our campus and the communities which surround it. For decades, Ventura College stood alone as the only postsecondary institution in the county, and as a result, the College counts as friends, supporters, and alumni, thousands of people from across the Oxnard plain and the Santa Clara, Ojai, Conejo and Simi Valleys. In many of these areas, but particularly in the west county, Ventura College is known simply as “the College.”

Today, Ventura College maintains the same strong commitments with its community. The performances of College drama, music, dance, and athletic groups and teams draw enthusiastic support from the community, as do professional and student artists who exhibit in the two College galleries. In addition to these curricular activities, special events, performances, and excursions keep the community focused on the College as an exciting cultural and recreational center.

In 1981, the Ventura College Foundation was established by the College President and a group of business and professional people from the community. The purpose of the Foundation is to support the goals and services of the College by building and shaping community support.

By the end of 1986, the Foundation’s base of support had grown to the point where it appointed an executive director, and soon thereafter dedicated Guthrie Hall, providing a location for campus and community meetings and activities.

The Foundation continues to build support for its ongoing projects of the Ventura College Promise and student scholarships, staff innovation grants, and program support. If you would like to be “Part of the Tradition,” call the Foundation at (805) 289-6461 and become involved.

Alumni Association

At Ventura College, alumni are one of our greatest assets. Our forthcoming Alumni Association will provide opportunities for networking, collegiate seminars, lectures, theatrical productions, concerts, art festivals, sporting events and scholarships. The Association will aim to foster a spirit of friendship and philanthropy among alumni and friends of the campus through newsletters, reunions, and other social activities. The Foundation is seeking to reach as many former Ventura College students as possible.

We invite you to stay connected with your former classmates. If you would like to become involved in our forthcoming Alumni Association, please contact the Ventura College Foundation at (805) 289-6461.

Ventura College Student Profile

Student Body (Fall 2016):

Total Enrollment 12,750

Full/Part-Time Status:

Full-Time 3,944 (30.93%)

ADMISSIONS AND REGISTRATION

Eligibility for Admission

The right of any person to attend any college in the Ventura County Community College District is conditioned by certain admission and residency qualifications as provided by state and federal law.

Admission to the colleges of the Ventura County Community College District is open to any California resident who possesses a high school diploma or equivalent (certificate of proficiency, GED), any adult 18 years of age or older who may benefit from instruction offered, and any California resident who is an apprentice as defined in Section 3077 of the Labor Code.

For the purpose of admission to the colleges of the Ventura County Community College District, student self-certification may serve as proof of high school attendance and graduation or its equivalent. Students may be required to provide verification of high school graduation; or in the case of home schooled students, verification from an accredited high school district that the home school curriculum completed meets the criteria for exemption from California Compulsory Attendance Laws, for financial aid eligibility or other purposes.

Persons who are attending an accredited public or private K-12 school may be eligible for admission under special admission provisions noted under the Admission of Minors/Special Admission section in this catalog. Persons who are attending a non-accredited K-12 school or home school may petition for admission under special admission provisions noted elsewhere in this catalog. Special admission provisions apply to minors, and to persons 18 years of age and older if they are still attending a K-12 educational institution as defined above.

Persons entering any of the public community colleges of California are subject to the residency requirements as determined by the state of California. Persons whose legal residence is determined to be in another state (nonresidents) or in a foreign country (International students) may be admitted under conditions stipulated by the governing board on payment of specified tuition and fees. Additional information regarding residency requirements may be found under the "Residency" section in this Catalog, at the College website or by contacting the campus Admissions and Records Office.

The right of a student to attend any community college in this District is conditioned by certain admission and residency qualifications as provided by law.

Further information is listed under the Residency Requirements section in this catalog.

General Admissions Procedures

New students to the Ventura County Community College District must complete an application for admission, orientation and assessment, as well as submit a student educational plan before they can register for classes. The application for admission is available online at www.venturacollege.edu/apply. Printed copies of the application for admission can be downloaded from the College website. Consult the College website for application dates and deadlines. There is no cost to apply.

Local Area Graduating High School Seniors who are interested in attending Ventura College will receive information about application workshops, orientation, assessment and counseling sessions from their high school counselors. Activities may be held on high school campuses or at Ventura College.

Other first time learners may submit an online application, set up the MyVCCCD student portal as directed in the response email, and complete the orientation online or in-person. There is an additional requirement to come to the campus for assessment and counseling to develop an initial educational plan. See "Student Success and Support Program" on page 16 for more information.

Returning students who have not attended one of the VCCCD colleges in the last year:

- Must apply for admission at www.venturacollege.edu/apply
- Must reactivate the MyVCCCD Student Portal if necessary
- May be required to complete orientation, assessment and counseling to develop or revise their educational plan.
- Returning students who have attended other colleges should make a counseling appointment to have any other college transcripts evaluated for the educational plan.
- All requirements must be completed before returning students can register for classes.

Applications for admission to the colleges of the Ventura County Community College District become the property of the colleges once they are submitted. Applications are submitted under penalty of perjury, whether submitted online or in written form. Falsification of information provided therein may result in disciplinary measures up to and including dismissal, termination of eligibility for programs and/or services as appropriate, and/or the retroactive assessment of nonresident tuition charges if warranted. Falsification of information that results in fraud or other crimes may result in legal penalties.

Financial Aid

Ventura College participates in an array of federal and state financial aid programs. All students are encouraged to apply by completing the Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov. Students who qualify under AB540 (refer to page 14 for more information) must complete and submit the California Dream Act Application at <https://dream.csac.ca.gov/>. Apply early as some funds may be limited. For further information and deadlines, please visit the financial aid office website at <http://www.venturacollege.edu/finaid> or stop by the office located in the Bookstore and Campus Services (BCS) Building.

See page 35 for important information regarding changes to the California Community Colleges Board of Governors (BOG) Fee Waiver.

Admission of Minors/Special Admission

Pursuant to California Education Code, Section 76001, minors are permitted to take college courses under very specific circumstances. The intent is to provide minors who can benefit from advanced scholastic and vocational education the opportunity to take college-level courses that are not available through their primary school or other alternatives.

The term "Special Admission Student" refers to concurrently enrolled K-12 students who have been recommended by their school principal and have parental permission to attend a community college during any session or term. Parental permission may not be required for special admission students who are 18 years or older.

Students admitted as part-time special admission students may enroll in a maximum of six (6) units per semester or term, unless approved

for additional units by the designated college administrator. Under no circumstances may a part-time special admission student enroll in more than eleven (11) units in a regular semester.

Enrollment fees are waived for Special Admission students who are enrolled in 11 units or less. All other fees apply.

Special part-time admissions students who are determined to be nonresidents may be admitted and classified as nonresidents but exempt from paying additional nonresident tuition per California Ed. Code, Section 76141. Please note the following conditions:

- The exemption only applies to special admission students enrolled in 11 or fewer units per semester. The exemption does not apply to full-time special admissions students.
- This exemption does not apply to categories of students who would not qualify for AB 540 nonresident tuition exemption; i.e., a) students who reside outside of California and enroll via Distance Education and b) students on most nonimmigrant visas.
- Students with T or U visas are eligible for this exemption.
- Students receiving this exemption do not receive resident status for the purposes of tuition or financial aid. Rather they are exempt from nonresident tuition under this law. Application for this exemption is initiated at the Admissions and Records Office on the student's primary campus.

To qualify and register for Special Admission, all students must apply for admission. After the initial application, Special Admission students must present the following documents each semester they register at the college:

- The recommendation for Special Admit form signed by a parent/guardian and the high school principal or counselor. In addition, students below the 9th grade must have the written consent of the college instructor whose class they wish to attend. Students below the 9th grade are not permitted to enroll until the semester begins.
- A Memorandum of Understanding signed by a parent/guardian and student.
- A current transcript or report card. Transcripts are used to confirm grade level and for clearance of enforced prerequisites.
- Home-schooled students must present the completed Private School Affidavit. For more information, visit www.cde.ca.gov/sp/ps

All Special Admission forms are available online at <http://www.venturacollege.edu/departments/student-services/admissions-and-records/special-admission>. Detailed information on clearing prerequisites is available online and in this catalog.

Parents and students applying for Special Full-Time Admission status must contact the Admissions and Records Office. Petitions for Special Full-Time Admission will be considered only after the parent and student have exhausted all alternatives available through the secondary school district that the student would be attending. The decision to admit a minor as a special full-time admission student may be subject to the availability of classes. Special full-time admission students are required to complete at least 12 units in each primary term, and to maintain continuous enrollment until reaching the age of 18.

Important Note: Under the Family Educational Rights and Privacy Act, once a student is attending an institution of postsecondary education, all rights pertaining to the inspection, review and release of his/her educational records belong to the student without regard to the student's age. Therefore, all students, regardless of age, must provide written consent for release of their college transcripts and/or college records. For more information, please refer to "Privacy Rights Regarding Student Records" in this catalog.

Residency Requirements

The determination of legal California residence is a complex matter. Students will be required to present various kinds of documentation for purposes of the final residency determination. All questions as to legal residence and the exceptions allowed under California law shall be directed to the Admissions and Records Office. The right of a student to attend any public community college in California is conditioned by certain residency qualifications set forth in the California Education Code. Residence determination is based on state and federal law, and is subject to change without prior notification.

California Residents

To qualify as a California resident, a student must have legally resided in California for one year and one day prior to the beginning of the semester he or she is planning to attend and must have taken actions that express intent to establish California residency.

Students who have lived in California for more than one year but less than two years will be asked to show proof of legal California residence. The burden of proof lies with the student, who must present documentation of both physical presence in the state for at least one year and one day, and intent to establish permanent California residence. Failure to present such proof will result in a non-resident classification for admission and tuition purposes. A list of acceptable proof documents is available on the college website and from the Admissions and Records Office.

Non-citizens holding immigrant and non-immigrant visas (other than F1 or M1) may be eligible to establish California residency if allowed under the terms of his/her visa, and upon presentation of acceptable residency documentation. The student will initially be classified as a nonresident and required to present the following items at the Admissions and Records Office:

- Visa
- Documentation that verifies the student has resided in California for one year and one day preceding the first day of the semester, and the student has taken actions consistent with the intent to establish California residency

Nonresidents

A nonresident is a student who has not lived in California continuously for one year and one day prior to the beginning of the semester he or she is planning to attend, or who is unable to present proof of intent to establish permanent California residency, or who is not eligible to establish residency. Students classified as nonresidents shall pay non-resident tuition fees in addition to mandatory enrollment and health fees. Conduct inconsistent with a claim for California residence includes but is not limited to:

- Being an actively registered voter in another state.
- Petitioning for divorce as a resident of another state.
- Attending an out-of-state educational institution as a resident of that state.
- Declaring nonresident status for California state income tax purposes.
- Maintaining a valid driver's license in another state.

Legal intent to establish residency in California requires the student take actions that carry an expression of intent to make California their primary and permanent state of residence. Intent can be demonstrated in many ways, including but not limited to filing California taxes as a

resident, being a registered voter in California, registering vehicles in California, buying residential property in California (and living here).

U.S. citizens or permanent residents who previously held California residency and are returning to the state after an absence, and non-citizens without lawful immigration status shall be classified as a non-residents but may be exempted from payment of non-resident tuition pursuant to AB 540 provided they submit verifiable documentation to certify they meet all of the following criteria:

- Attendance at a high school (public or private) in California for three or more years, or attained credits earned in California from a California high school equivalent to three or more years of full-time high school course work **and** attended a combination of elementary, middle and/or high schools in California for a total of three or more years; and
- Graduation from a California high school or attainment of the equivalent thereof, (CHSPE, GED acceptable); and
- Submission of the self-certifying affidavit required by the California Community Colleges' Chancellor's Office; and
- Submission of additional verifying documentation as required by the college (e.g. high school transcripts).

Special part-time admissions students (concurrently enrolled K-12 students) determined to be nonresidents may be admitted and classified as nonresidents but exempt from paying nonresident tuition per California Ed. Code, Section 76141. See the Admission of Minors/Special Admissions section of this catalog for more information.

Non resident students who are U.S. citizens and who reside in a foreign country will be admitted and classified as nonresidents but exempted from payment of nonresident tuition provided they meet all of the following requirements:

- Demonstrate a financial need for the exemption.
- Has a parent or guardian who has been deported or was permitted to depart voluntarily under the Federal Immigration and Nationality Act.
- Moved abroad as a result of the deportation or voluntary departure.
- Lived in California immediately before moving abroad. Attended a public or private secondary school in California for three or more years.
- Upon enrollment, will be in his or her first academic year as a matriculated student in California public higher education.
- Will be living in California and will file an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.
- Documentation shall be provided by the student as required by the statute as specified in Education Code, section 76140(a)(5).

Students receiving this exemption do not receive resident status for the purpose of tuition or financial aid. Rather, they are exempt from nonresident tuition under this law. Application for this exemption is initiated at the Admissions and Records Office on the student's primary campus.

Reclassification of Residence Status

Students who are admitted as nonresidents must petition for reclassification to California resident status. The petition process includes the completion of a Residence Reclassification Request form and the submission of acceptable documentation to support a claim that the student has met the requirements for physical presence and intent to establish legal residence in California. The physical presence requirement is one year of living in California. Students must show proof that California has been their primary state of residence, excluding vacations, for one year and one day prior to the beginning of the term for which reclassification is requested.

Request for Reclassification may be denied if the student:

- Resides in California solely for educational purposes.
- Possesses a driver's license or vehicle registration or voter registration or selective service registration from a state other than California; such items constitute maintaining residence in another state.
- Is claimed as a dependent on out-of-state tax returns (e.g., by parents living in another state).

Other regulations and restrictions apply that may affect the determination of residence status. Questions should be referred to the Admissions and Records Office.

Military Personnel and Dependents

Active duty military personnel and their dependents, military veterans and their dependents are subject to the same criteria and regulations regarding the establishment of California residency as other non-resident students. The information provided herein refers to the assignment of California residency based on active-duty or discharged veteran status solely for the purposes of determining the tuition and fees for eligible service members, former service members and their dependents.

A student who is a member of the Armed Forces of the United States stationed in this state on active duty or a student who is a dependent (natural or adopted child, stepchild, or spouse) of a member of the Armed Forces of the United States stationed in this state on active duty is entitled to resident classification only for the purpose of determining the amount of tuition and fees.

If that service member is subsequently transferred out of California on military orders but continues to serve in the U.S. Armed Forces, or is subsequently retired from military service, neither the service member nor his or her dependent shall lose resident classification for tuition purposes so long as he or she remains continuously enrolled at the institution.

Military Veterans

A student who was a member of the Armed Forces of the United States stationed in this state on active duty for more than one year immediately prior to being discharged shall be exempt from paying nonresident tuition for up to one year if he or she files an affidavit with the community college stating that he or she intends to establish residency in California as soon as possible.

The one year exemption provided in paragraph (1) shall be used while the student lives in this state and within two years of being discharged.

A former member of the Armed Forces of the United States who received a dishonorable or bad conduct discharge shall not be eligible for an exemption pursuant to this section.

Military Veterans Residence Status

In accordance with Education Code Section 68075.5(c), a full exemption from the nonresident fee for all students verified to be “covered individuals” per the criteria listed below and that qualify to use Montgomery GI Bill-Active Duty or Post-9/11 GI Bill education benefits (Chapters 30 and 33, respectively, of Title 38, U.S. Code) while living in California will be eligible for this exemption. A “covered individual” is defined in the VACA Act as:

1. A Veteran who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of discharge from a period of active duty service of 90 days or more.
2. A spouse or child entitled to transferred education benefits who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within 3 years of the transferor’s discharge from a period of active duty service of 90 days or more.
3. A spouse or child using benefits under the Marine Gunnery Sergeant John David Fry Scholarship (provides Post-9/11 GI Bill benefits to the children and surviving spouses of service members who died in the line of duty while on active duty) who lives in the state in which the institution of higher learning is located (regardless of his/her formal state of residence) and enrolls in the school within three years of the service member’s death in the line of duty following a period of active duty service of 90 days or more.
4. After expiration of the three year period following discharge or death as described in 38 U.S.C. 3679(c), a student who initially qualifies under the applicable requirements above will maintain “covered individual” status as long as he or she remains continuously enrolled (other than during regularly scheduled breaks between courses, semesters or terms) at the institution, even if they enroll in multiple programs and shall continue to be exempt from paying nonresident tuition and other fees as described in the updated fee policy described below.

Students eligible for VA education benefits must provide a “Certificate of Eligibility” (COE) by the VA that will confirm the approved education benefits for the veteran or eligible dependent (who is made eligible through the Transfer of Entitlement (TOE) to basic educational assistance under chapters 30 and 33 of title 38, U.S. Code). The DD Form 214, Certificate of Release or Discharge from Active Duty, generally referred to as a “DD 214”, may also need to be submitted to assist with confirming the “covered individual” status as it will show the effective date of the veteran’s discharge from active service.

International Students

International Student Admission

This school is authorized under Federal law to enroll nonimmigrant students. International students (F1 visas) and persons who hold nonimmigrant visas including but not limited to visa types B (special restriction applies), C, D, H1, H2, H3, H4, J, O, P, Q1, TN, TD, TWOV, U, are citizens and residents of another country. Eligibility for admission is determined by the type and current status of the visa. If eligible for admission, students present in the United States under these visa types are classified as International Students and are required to pay nonresident tuition fees in addition to the mandatory enrollment and health fees for each semester of attendance. Contact the International Student Program for more information. Students who hold certain types of nonimmigrant visas

approved by the United States Citizenship and Immigration Services may be eligible for admission as well as residence classification for tuition purposes.

Proof of current visa status must be submitted to determine this eligibility. See the International Students Program section in this catalog, or contact the International Student Office or Admission and Records Office for more information.

International Student Admission Requirements and Procedures (F-1 Visa students only)

An international student is anyone enrolled in courses in the United States who is neither a permanent resident nor a citizen of the United States. Most international students who intend to study full time in the United States will have a F-1 visa. Persons holding visas should contact the Admissions and Records Office to determine their eligibility for admission to the college, or contact the International Student Program.

Prior to admission, international students must submit all of the following documents for evaluation to the International Student Office:

- International Student Application form for Ventura College.
 - Application Deadline:
 - Fall Semester: June 15
 - Spring Semester: November 15
- Dated and signed personal letter (in English) describing educational background, special interests, and reasons for applying to Ventura College
- Proof of TOEFL with a score of 450 (PBT); 133 (CBT); 45 (IBT) or higher; or other acceptable evidence of proficiency in the English language as approved by the International Student Program.
- Official Translated Transcripts: Transcripts of all High Schools and Colleges previously attended must be translated to English and submitted.
- A \$50 non-refundable Application Processing fee. Check or money order payable in US dollars and made out to “Ventura College” (**Note:** There is an additional \$50 fee for international mailing of the Form I-20).
- An official bank statement or affidavit of support from a sponsor, to show proof of sufficient financial support to pay tuition, fees, and living expenses for one year. This cost is estimated to be \$22,700 based on the geographical area of the college. If the bank statement is provided from a sponsor other than the student or their parents, they must also provide a notarized Financial Certification (form is available from the International Student Program).
- A personal letter of reference from a school instructor, administrator or an employer.

Prior to enrollment in classes, international students must complete the following activities:

- Take appropriate assessment tests at Ventura College.
- Attend an orientation session for new international students, including academic counseling.
- Attend in-person, an individual appointment with the International Student Office staff.

Prior to attendance in classes, international students must provide the following items to the International Student Office:

- Completed Health Statement, and negative Tuberculosis skin test (Mantoux). If skin test is positive, student will be required to obtain a clear follow-up chest x-ray.

- Proof of major medical insurance coverage meeting minimum school requirements. Appropriate insurance may be purchased through the International Student Office on campus.
- Passport, visa, I-94 card and any previous I-20s issued by other schools, so copies can be made and filed.

Limitations on International Student Enrollments: Due to the District's space limitations and to the special educational needs of international students, the Ventura County Community College District reserves the right to limit the number of international students admitted each year. Consult the college website for additional information.

Permission to Work (F-1 visa only): According to immigration policy, International students may work 20 hours a week, on-campus only, during their first nine months of study. After the first nine months of study, foreign students may request permission to work off-campus. Contact the International Students Office for information, (805) 289-6313.

Student ID Numbers

Student ID numbers (also called 900 numbers) are assigned as the student's primary identifier. The assigned ID number will appear once the MyVCCCD account has been logged into. It will also appear on printed mailers and notices from the College and on faculty attendance, drop, and grade rosters.

Social security numbers will still be collected for such purposes as statistical reporting, financial aid, and Hope Scholarship Tax Credit reporting. The last four digits of the student's social security number will appear on official transcripts.

Students are strongly encouraged to use only their Student ID numbers in all College related business as it provides them with additional security and confidentiality.

Ventura College Student Success and Support Program

See Appendix XII for details.

The primary goal of Student Success and Support Program services is to assist all students in attaining academic success. It is a partnership between the College and the student for the purposes of defining and realizing the student's educational goal. This agreement includes responsibilities for both the college and the individual student, who work together combining several activities and processes to develop a Student Educational Plan (SEP). The SEP is a schedule of recommended courses that the student must take to achieve his/her educational goals. Within the Student Success and Support Program process both college and student responsibilities are defined.

The following Student Success and Support Program activities must be completed before registration:

1. An online and/or in-person orientation.
2. Assessment through multiple measures, including but not limited to: testing for Math, English, and English as a Second Language, evaluation of other college coursework, high school courses and grades, career and interest inventories; which result in course placement recommendations.
3. Counseling advisement resulting in the development of a Student Educational Plan.

Additional requirements and exceptions apply. Consult Appendix XII at the end of this catalog for full policy and procedures regarding Student Success and Support Program services.

Registration Procedures

See Appendix XV for details on Enrollment Priorities.

Register online through the student portal (my.vcccd.edu) for the earliest and best opportunity to enroll in classes. Registration appointments are posted approximately one month before registration begins. Registration calendars may be viewed through the portal or the college website.

Be sure to attend the first day of class. Instructors may drop students who are registered or waitlisted but fail to attend the first day of class.

New Students receive enrollment priority after completing all Student Success and Support programming: orientation, assessment and a student educational plan. See Appendix XII for details.

Continuing students receive enrollment priority based on the number of completed and in-progress degree-applicable units taken at any of the colleges in this district providing they have not been placed on academic or progress probation for two consecutive terms and have not earned more than 90 degree-applicable units at the colleges in the Ventura County Community College District.

Limitations

- Continuing students who have earned more than 90 units will lose enrollment priority and will register during open registration unless they successfully petition for a waiver that reinstates them to the previous enrollment priority. The petition for reinstatement of enrollment priority is initiated through a counseling appointment.
- Students may petition for reinstatement of registration priority if they are enrolled in a high-unit major or program of study, high-unit transfer major; or are registering for their last semester at the college.
- Continuing students who are placed on academic or progress probation or more serious academic sanction for two consecutive terms will lose enrollment priority and will register during open registration. Students who lose their priority may appeal if they have verifiable extenuating circumstances as defined below; an approved appeal will result in the reinstatement of enrollment priority. The petition to appeal loss of enrollment priority is initiated through a counseling appointment.
- Extenuating circumstances are defined as verifiable cases of accident, illness or other circumstances beyond the student's control. Appeals must be supported by verifiable documentation of circumstances.

Returning Students who have not attended in the past year and have completed no more than 90 units within this district, are in good standing in the Ventura County Community College District, and have completed orientation, assessment and an educational plan will have registration priority over returning students who do not meet these criteria.

Special Admission Students register behind other groups as designated by state mandate. Where the district has an MOU with specific high schools that designate them as partners in a "middle college high school" agreement, the students from those high schools will be afforded priority over other special admission students.

Early Priority Registration will be granted to students who are identified as foster youth or former foster youth and homeless youth (through age 24); are eligible for services through the EOPS, EAC/ACCESS (DSP&S) and/or CalWorks; students who are military veterans or active duty service members, providing that:

- New students in all of these groups have completed orientation assessment and an educational plan;

- Continuing students who are EOPS, EAC, CalWORKs, Homeless Youth (through age 24) and active duty or military veterans are in good academic standing, and have not earned more than 90 degree applicable units in the district.

Appeals

Students who have lost registration priority due to having more than 90 earned degree-applicable units or to being on Probation 2 or dismissal, may appeal for reinstatement of their priority due to extenuating circumstance. The appeal must be supported by verifiable extenuating circumstances. See Appendix XV for more detailed information, or contact the Counseling Office.

Prerequisites and Corequisites

All course prerequisites are strictly enforced at registration. Students must have completed the prerequisite course at this college with a grade of A, B, C or P, or be currently enrolled in the prerequisite class at one of the Ventura County Community College District colleges, or must have presented external transcripts to the Assessment Office and received prerequisite clearance.

Students who do not meet a course prerequisite through college coursework as evidenced on a college transcript may be eligible to challenge the prerequisite requirement. Challenge petitions must be submitted and approved before registration can occur. Consult the college website under Student Success and Support Program for more information about the challenge requirements and process: http://www.venturacollege.edu/departments/student_services/counseling/prerequisites.html.

Corequisites require that a student register in both of the linked classes during the same semester. Students must be registered for both classes at the same time, and waitlisting is not allowed for corequisite courses.

Late Registration and Program Adjustment begins on the first day of the semester or summer session, and on the first day of instruction in short-term classes.

Registration into a closed class/Waitlists may be accomplished through the use of waitlist options or add authorization codes. The waitlist option is available for most full semester classes through the end of the first week of the semester. Add authorization codes are available beginning the second week of the semester. Summer session procedures may differ.

Waitlisted students are captured in chronological order based on the date they register for the waitlist, and are automatically registered into open seats in that order. Email notification is sent confirming the registration. Students who have not received a confirming email by the day of the first class meeting must attend class for further direction from the instructor.

IMPORTANT DETAILS ABOUT WAITLISTS:

- All course prerequisites are strictly enforced at registration. Students must have completed the prerequisite course at this college with a grade of A, B, C or P, or be currently enrolled in the prerequisite class at one of the Ventura County Community College District colleges, or must have presented external transcripts to the Assessment Office and received prerequisite clearance.
- Students who do not meet a course prerequisite through college coursework as evidenced on a college transcript may be eligible to challenge the prerequisite requirement. Challenge petitions must be submitted and approved before registration can occur. Consult the college website under Student Success and Support Program for more information about the challenge requirements and process: http://www.venturacollege.edu/departments/student_services/counseling/prerequisites.shtml

- Waitlisting is not allowed for corequisite courses. Corequisites require that a student register in both of the linked classes during the same semester. Students must be registered for both classes at the same time.
- Students may not exceed the maximum allowable number of units (19.5) including the waitlisted course. Requests for unit overload must be approved by a counselor and filed with the Admission and Records Office.
- Students may not exceed the maximum allowable number of repeats (3) for any class. A fourth attempt to repeat may be made only by petition.
- Students will be informed if the waitlist is full.
- Fees will be assessed when a student is moved from the waitlist and registered in the class.
- If students wish to remove themselves from a waitlist they may do so by activating the drop code function on their MyVCCCD account.
- Instructors may drop students who are registered or waitlisted but fail to attend the first day of class.
- Students dropped from all enrolled courses due to nonpayment of fees will also be dropped from the waitlist.

MyVCCCD Online Services

My.VCCCD.edu is the gateway to online services, providing college and district information for current students. New applicants and reapplying returning students will be provided a link to the portal setup in their acceptance email from the college.

MyVCCCD provides access to the following online services and features:

- Registration status, appointments, and calendars
- Registration, add and drop classes
- Financial Aid: Track and manage awards
- Apply for the VC Promise and VC Foundation Scholarships (VC only)
- Pay fees, purchase parking permits, and VC Student Photo ID cards
- Purchase parking permits (can only be done online!!)
- Sign up for payment plan (can only be done online!!)
- Check progress toward a degree, certificate or transfer requirements using DegreeWorks
- Access online classes
- View/Print unofficial transcript
- Request official transcripts
- View/Print schedule
- Print official enrollment verification
- Search for classes using the registration "shopping cart" or the "searchable" schedule of classes (find drop deadlines, prerequisites, etc.)
- Update personal information (address, phone, emergency contact numbers, major, program of study, educational goal) Forward college email to a personal email account (REQUIRED if you want to receive college emails to your personal email account.)
- Change portal password
- Many of these services are also available through the MyVCCCD mobile app for iOS or Android.

Updating Student Records

Once a student application has been submitted, any necessary communication with the student is conducted through the contact information provided and through the VCCCD e-mail account given to all students, via phone call or text message to either the contact information or emergency numbers on file in the student's records, or through the MyVCCCD Student Portal. It is important that address, phone, and alternate e-mail address updates or corrections be recorded in student academic records as soon as possible. Students may update this information at any time by logging into the MyVCCCD Student Portal and selecting the MyCollege tab. Name changes must be filed in-person at the Admissions and Records Office on campus, and they require that the student present a picture ID (driver's license or California ID card), and at least one other piece of identification bearing the new name. Name changes cannot be completed online.

Transcript Requirements

All new, continuing and returning students are encouraged to submit official transcripts from all high schools, colleges and universities attended. *EXCEPTION: Students do not need to submit transcripts from Moorpark and Oxnard Colleges.*

The transcripts should be directed to: Ventura College Admissions and Records Office, 4667 Telegraph Rd., Ventura, CA 93003.

Students are encouraged to have their transcripts sent to Ventura College before enrolling for their first semester, to prevent delays in processing their registration.

All transcripts submitted to Ventura College become the property of the college and copies cannot be forwarded elsewhere or released to the student. These transfer records may be used by authorized college personnel only.

Official transcripts are **required** for degree and/or certificate applications even if the courses are not being used to satisfy any requirements. Special programs with specific requirements such as nursing, athletics, and financial aid may require a student to submit all high school and college transcripts to verify eligibility.

The college is not required to keep external transcripts. Therefore, students should be aware that records are periodically purged and external transcripts are destroyed.

Acceptance of Transfer Coursework

FROM REGIONALLY ACCREDITED COLLEGES AND UNIVERSITIES:

Institutions must be regionally accredited by one of the following accrediting bodies:

- Middle State Association of Colleges and Schools, Commission on Higher Education
- New England Association of Schools and Colleges, Commission on Institutions of Higher Education
- New England Association of Schools and Colleges, Commission on Technical and Career Institutions
- North Central Association of Colleges and Schools, The Higher Learning Commission
- Northwest Commission on Colleges and Universities
- Southern Association of Schools and Colleges, Commission on Colleges
- Western Association of Schools and Colleges, Accrediting Commission for Community and Junior College
- Western Association of Schools and Colleges, Accrediting Commission for Senior Colleges and Universities.

Coursework presented on official transcripts from regionally accredited colleges and universities will normally be granted lower division credit by Ventura College. Exceptions may apply. Students seeking exceptions must schedule an appointment to see a college counselor.

All transcripts submitted become the property of the college, and copies cannot be forwarded elsewhere or released to the student. These transfer records may be used by authorized college personnel only.

FROM OTHER ACCREDITED INSTITUTIONS:

Coursework presented on official transcripts from nationally or professionally accredited colleges and universities may be eligible for lower division credit from Ventura College based on an approved Petition for Variance, recommendations for lower division baccalaureate credit by the American Council on Education, or other evaluative alternatives utilized by college counselors.

All transfer coursework is evaluated based upon the current information and practices specified in the Accredited Institutions of Postsecondary Education by the American Council on Education. Students transferring to colleges of the Ventura County Community College District are required to declare all previous college attendance. Failure to provide complete information may result in dismissal from the Ventura County Community Colleges.

FROM INTERNATIONAL COLLEGES AND UNIVERSITIES:

Students transferring to the Ventura County Community Colleges from international colleges or universities must have their transcripts translated and evaluated as being equivalent to a regionally accredited institution by one of the member agencies of the National Association of Credentials Evaluation Services or one approved by the California Commission on Teacher Credentialing. Evaluations from other professional credentials evaluation services will be reviewed for acceptability on a case-by-case basis. The evaluation must be a detailed or comprehensive evaluation that includes course-by-course descriptions, unit values and/or grade point average, and identification of lower and upper division courses. Evaluations must be mailed directly to Ventura College from the evaluation service. Visit <http://www.ierf.org> or contact the Ventura College Counseling Office for more information regarding credential evaluation criteria.

Completed coursework will be considered for lower division unit credit only. However, international coursework cannot be applied to CSU General Education Breadth or IGETC (except Area 6) certification unless the institution has U.S. regional accreditation. The individual CSU campus may opt to give students credit for international coursework, but community colleges do not have that prerogative. Requests for equivalent Ventura College course credit are evaluated on an individual basis by a counselor. This review is based upon the recommendations of the transcript evaluation service and by the appropriate college discipline faculty.

Credit for Military Service

CREDIT FOR MILITARY SERVICE

The colleges of the Ventura County Community College District will recognize and grant credit to service personnel for formal educational training completed in the United States armed forces provided such credit is not a duplication of work taken previously.

Service personnel may be allowed credit for formal service school courses offered by the United States military service recommended in the Guide to the Evaluation of Educational Experiences in the armed services of the American Council on Education. The credit allowed will be based upon the recommendations specified in the Guide.

Service personnel may be allowed full advanced standing credit for college level courses completed under the auspices of the Defense Activity for Nontraditional Education Support (DANTES) or the United States Armed Forces Institute (USAFI) as recommended in the Guide to the Evaluation of Educational Experiences in the Armed Services of the American Council on Education. Such credit will be treated in the same manner and under the same policies as allowing credit from regionally accredited colleges and universities.

Any work completed at a regionally accredited college or university by service personnel while in military service and for which the college or university issues a regular transcript showing the credits allowable toward its own degrees, will be allowed advanced standing credit toward the associate degree in the same manner as if the student had pursued the courses as a civilian.

Service personnel should be aware that other colleges and universities may have different policies concerning credit for military educational training. There is no assurance that the granting of units by the colleges of this district will be accepted by other institutions of higher education. Students must submit an official transcript of military course work to the Admissions and Records Office for evaluation.

Fees

ENROLLMENT FEES ARE SET BY THE STATE, ARE SUBJECT TO CHANGE WITHOUT NOTICE AND MAY BE RETROACTIVE. ALL OTHER FEES ARE SET BY THE VENTURA COUNTY COMMUNITY COLLEGE DISTRICT BOARD OF TRUSTEES AND ARE SUBJECT TO CHANGE BY BOARD ACTION. ALL FEES MUST BE PAID IMMEDIATELY (OR COMMITTED TO BE PAID) TO COMPLETE A STUDENT'S REGISTRATION. IF THE REGISTRATION PROCESS IS NOT COMPLETED, THE STUDENT WILL NOT BE ENROLLED IN CLASSES.

Enrollment Fee:\$46.00 per unit
 \$23.00 per 1/2 unit
 \$11.50 per 1/4 unit

Health Fee (mandatory).....\$19.00 fall/spring
 \$16.00 summer

The health fee enables the College to provide students with a variety of health care services. In accordance with the California Education Code and Board policy, students are required to pay the health fee, regardless of the units taken, unless they meet one of the exemptions. See Health Fees section located on next page for more information. Waiver forms are available at the Health Center and Admissions and Records Office.

Nonresident Tuition: Non-California

Resident and International students.....\$240.00 per unit

International and Nonresident

Domestic Student Surcharge\$20.00 per unit

International Student Application

Processing Fee.....\$50.00

Materials Feessee Instructional Material Fee

Student Center Fee.....\$1.00 per unit
 (maximum of \$10 per fiscal year)

Student Activities Fee (optional).....\$7.00 per term

This optional Student Activities Fee is collected at the time of registration. This fee provides support to student life activities, events, and programs sponsored by the Associated Students of Ventura College, campus student organizations, and departments including the Student Activities Office. The Student Activities Fee is authorized by Education Code 70902(b)9, and approved by the VCCCD Board of Trustees April 2015. This fee may be waived for religious, political, financial or moral reasons. Waiver forms are available at the Student Business Office.

Student Representation Fee (optional).....\$1.00 per term

The Student Representation Fee provides support for students or representatives who share positions and viewpoints before city, county, and district governments, and before offices and agencies of the state and federal governments. Authorized by Education Code, Section §76060.5, this fee may be waived for religious, political, financial, or moral reasons. Waiver forms are available at the Student Business Office.

Credit by Exam Fee\$46.00 per unit

Audit Fee (non-refundable):

Students enrolled in 10 or more credit unitsno charge
 Students enrolled in fewer than 10 credit units\$15.00 per unit

Note: auditing students also pay the health fee.

Student Photo ID card (optional)\$10.00 per semester
 or
 \$15 per year

Note: year ends last day of summer session.

Students who owe outstanding fees may not register until their fees are paid and student account is cleared.

FEES/OBLIGATIONS/HOLDS

CALIFORNIA RESIDENTS: California residents must pay the mandated enrollment fee, health fee, student center fee, student representation fee and applicable course materials fees. California residents and AB 540/Dream Act eligible students meeting certain criteria may be eligible for a Board of Governors (BOG) Fee Waiver or other financial aid. See page 35 for additional BOG Fee Waiver information and contact the Financial Aid Office for more information.

NON-CALIFORNIA RESIDENTS: Non-California residents must pay nonresident tuition and the nonresident student surcharge, plus the enrollment fee, health fee, student center fee, student representation fee, and applicable material fees. Students are classified as a nonresident if they have lived in California for less than one year and one day prior to the first day of the semester, or are unable to present sufficient documentation to prove that they have established California residency. See page 13, California Residents for more information.

INTERNATIONAL STUDENTS: International students must pay enrollment fees, health fee, nonresident tuition, student center fee, student representation fee, and applicable materials fees, the International student surcharge and an application processing fee of \$50 that covers the cost of federally mandated documentation. The surcharge and the application processing fee may be waived if the student meets one of the following exemptions as listed pursuant to Education Code §76141 and §76142:

- Student must demonstrate economic hardship; or
- Student must be a victim of persecution in the country in which the student is a resident.

Payment of Fees

All fees must be paid immediately (or committed to be paid) to complete a student's registration. If the registration process is not completed, the student will not be enrolled in classes.

Students must:

- pay all fees (including any past term fees); or
- enroll in a payment plan; or
- have been awarded financial aid; or
- have a Ventura Promise award; or
- be sponsored by a third party agency (Veterans, etc.).

Health Fee

This fee enables the College to provide students with a variety of health care services. In accordance with the California Education Code and Board Policy (BP 5030), students are required to pay the health fee, regardless of the units taken, unless they meet one of the exemptions listed:

- students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization. Documentary evidence of such an affiliation is required.
- students who are attending a community college under an approved apprenticeship training program (see Education Code §76355).

Health fee waiver forms are located in the Admissions and Records Office.

Instructional Materials Fee

(Where Appropriate):

Instructional material fees for certain selected credit or noncredit courses may be required at the time of registration, or the materials may be purchased on your own. If an Instructional Materials Fee is required, the amount of the fee is listed beneath the course title in the schedule of classes. Authority for the charge is granted under VCCCD Board Policy 5030. These instructional or other materials include, but are not limited to, textbooks, tools, equipment and clothing if:

- 1) the instructional and other materials required for the course have a continuing value to the student outside of the classroom setting, or
- 2) the instructional and other materials are used in the production of an "end product" that has continuing value to the student outside the classroom setting. See course schedule for instructional material fee costs or on the College website.

Student Center Fee

Students of Ventura College enacted a Student Center fee of \$1.00 per unit, up to a maximum of \$10.00 per student per fiscal year (July 1 to June 30), for the purpose of financing, constructing, expanding, remodeling, refurbishing and operating a Student Center. The money collected may only be used for this purpose. The fee shall not be charged to:

- a student enrolled in noncredit courses;
- a student who is a recipient of benefits under Aid to Families with Dependent Children (AFDC) program; a student on the Supplemental Security Income/State Supplementary Program (SSI/SSP); or
- a student on a General Assistance Program.

Transcript Requests and Fees

Official transcripts are ordered online either through the my.vcccd.edu student portal or by the link provided at www.venturacollege.edu/transcripts. Students may order up to two electronic transcripts online free of charge. Costs for transcripts vary based upon the delivery method chosen. Consult the college website at www.venturacollege.edu/transcripts for up-to-date information before you request transcripts.

Same day, over the counter, official transcript orders can be made in person at the Admissions & Records Office (with a valid photo ID) after payment is made to the campus Student Business Office for \$15 per transcript.

*Consult the college website at www.venturacollege.edu/transcripts for current pricing of the additional delivery fee and for up to date information about requesting your transcripts.

IMPORTANT NOTE: Official transcripts cannot be released if a student has any outstanding fees and/or obligations due to the District. Students must present picture ID to receive transcripts.

No cost unofficial transcripts can be printed at my.vcccd.edu. Unofficial transcripts are available for \$1.00 from the Admissions and Records Office.

Payment methods include cash, check, Visa, MasterCard, American Express and Discover cards. Contact the Student Business Office for credit card payments.

Refund Policy

Enrollment Fee Refund Policy:

- Student must drop classes by the credit refund deadline as stated in the Academic/Registration Calendar to qualify for a credit or refund of enrollment fees.
- Application for refunds must be made to the Student Business Office after the class or classes have been dropped.
- Credits/refunds will NOT be authorized for drops or withdrawals occurring after the deadline date.
- Refund checks will be mailed by the Ventura County Community College District Office after the Refund Request Form is received and processed at the Student Business Office.
- Enrollment fee refunds are subject, once a semester, to the withholding of a \$10 Administrative Fee.

The following schedule of refunds will be in effect for students who drop a class or classes or withdraw from college:

Full-semester Length Classes

- In first and second week 100% enrollment fee refund

Short-term Classes and Summer Session

- Withdraw within 10% of class sessions 100% enrollment fee refund

No refunds are authorized thereafter.

Other (Non-Enrollment) Fee Refund Policy

Audit Fees: are not refundable.

Health Center Fee: is only refunded if all classes are dropped for the semester/session within the deadline, regardless of the residency status of the student.

Instructional Materials Fees: are refunded in full when a class requiring the fees is dropped within the stated deadline.

Non-mandatory Fees: are refunded in full when requested within the stated deadline.

Parking Fee: to qualify for a refund of parking fees, whether classes are dropped or not, return the original parking permit to the Student Business Office by the deadline.

Student Center Fee: refunds may include a pro-rated refund of the Student Center fee. If all classes are dropped, a student may be entitled to a full refund of the Student Center fee, depending on enrollment in prior semesters for the academic year.

Ventura College Student ID Card

Purchase of a Ventura College Student ID card entitles students to check out library books, gain free admission to home conference athletic events, and reduced rates to dramas, plays, various associated student-sponsored events, and discounts from local merchants.

- \$10 per semester; or
- \$15 for the school year, ending at the completion of the summer session.

Textbooks and Supplies

By state law, the College is prohibited from furnishing free textbooks or supplies to students. These items may be purchased in the College Bookstore. *Save Your Receipts! No Refunds After Late Registration!* Textbook information is available at www.Venturacollege/bookstore.

Student Parking

- Parking permits are required when classes are in session for all vehicles, including those with handicapped parking permits and for those attending athletic, theater, dance, music, and other college events.
- Daily parking permits may be purchased for \$2 from parking lot permit dispensers.
- All vehicles must park within a marked stall (CVC 21113a).
- Head-in parking required in all diagonal stalls on campus.
- Ventura County Community College District is not responsible for any theft or loss of property while utilizing parking facilities.
- Students with a Department of Motor Vehicles disabled person's plate or placard, or with a current disabled parking decal issued by the Educational Assistance Center (EAC), may park in marked disabled stalls on campus. Drivers with disabilities are subject to the same parking fees as nondisabled drivers. Disabled parking decals may be obtained at the EAC.
- Unauthorized vehicles parked in designated handicapped spaces not displaying distinguishing placards or license plates for physically disabled persons will be cited and may be towed away at owner's expense (CVC 22652). Information regarding towed vehicles is available by contacting the Campus Police office on 71 Day Road, or by calling (805) 289-6486.

Parking Fees: All students parking a vehicle on the campus must pay the parking fees listed below, regardless of the number of units for which they are enrolled.

There will be a strict enforcement of parking regulations requiring students to have parking permits the first day of the term; there is no "grace period" for obtaining your permit. Semester permits are purchased online through the student web portal: my.vcccd.edu. Permits will be delivered by mail to the address provided at the time of purchase.

**Parking fees are subject to change
at the discretion of the VCCCD Board of Trustees.**

Automobile:	
regular sem. / summer sem.....	\$53 / \$26
BOG Fee Waiver students:	
regular sem. / summer sem.....	\$30 / \$25
Motorcycle:	
regular sem. / summer sem.....	\$36 / \$15
Single Day	\$3
Ridesharing/Carpooling:*	
regular sem. / summer sem.....	\$35 / \$15

*To encourage ridesharing and carpooling, the parking permit fee shall not exceed thirty-five dollars (\$35) per Fall and Spring semesters and fifteen dollars (\$15) per Summer semester for a student who certifies that he or she regularly has two or more passengers commuting to the community college with him or her in the vehicle parked at the community college.

Purchasing Semester Permits: Semester permits are purchased on-line through the student web portal: my.vcccd.edu. Permits will be delivered by mail to the address provided at the time of purchase. Day use passes are \$2 and can be purchased at machines located in several parking lots throughout the campus. Student semester parking permits are valid only in student lots and can be used on all three campuses. Parking is strictly enforced Monday through Thursday, 7:00am to 11:00pm, and Friday, 7:00am to 5:00pm. Auto permits are static vinyl material and must be affixed to the inside lower-left corner of the front windshield. Motorcycle permits are adhesive and must be affixed to the front fork of the motorcycle. (The auto permits are transferrable; if the permit will no longer cling to the window, simply wash with a mild detergent and rinse, then try re-affixing to a clean windshield.)

Financial Aid Students: Students who receive financial assistance pursuant to any of the programs described in subsection of Education Code §72252(g) shall be exempt from parking fees in excess of thirty dollars (\$30) per semester for one vehicle.

Educational Work Load

A student's educational work load generally consists of fifteen (15) units of work per semester in order to make normal progress towards the Associates Degree and/or transfer requirements.

Students desiring to take an overload of more than 19.5 units but less than twenty-two (22) must have a counselor's approval. Students desiring to take twenty-two (22) units or more must have the approval of the appropriate Dean or designee in addition to the counselor's approval.

Full-Time Student - A student is defined as full-time if carrying 12 or more units in a regular Fall or Spring semester or 4 units in a summer session.

Students, especially those who work or participate in extracurricular activities, should consider the following guidelines for planning their courses and unit load:

Units	Class/Study Hrs per week	Work/Extra Curricular Hrs per week
15 or more	30-36	0-8
12-14.5	24-29	8-15
9-11.5	18-24	15-20
6-8.5	12-18	20-30
5.5 or fewer	6-12	30-40

Unit Requirements for Benefits and Activities

To qualify for certain benefits and activities, minimum unit requirements must be maintained, as follows:

VETERAN AND WAR ORPHAN BENEFITS UNDER GI BILL: Subsistence payments vary depending on the Chapter of benefits and the amount of units enrolled. Generally, payments are prorated for a non-full time student. Summer enrollment status is calculated differently and the payment amounts can be confirmed with VA by calling 1-888-442-4551.

AUTOMOBILE INSURANCE DISCOUNTS AND DEPENDENT MEDICAL INSURANCE: 12 units

FINANCIAL AID

Student Loan Deferments:

Half-time required 6 units or greater

Financial Aid Enrollment Status:

Full-time..... 12 units or greater

Three quarter time..... 9-11.5 units

Half-time 6-8.5 units

Less than half-time 0.5 to 5.5 units

EOPS SERVICES: 12 units

ATHLETIC ELIGIBILITY: 12 units

STUDENT GOVERNMENT:

Major office.....6 units

Council members.....3 units

STUDENT EMPLOYMENT: 12 units (generally); 6 units or less if eligible for CalWORKS, EAC, or EOPS or Federal Work-study funds.

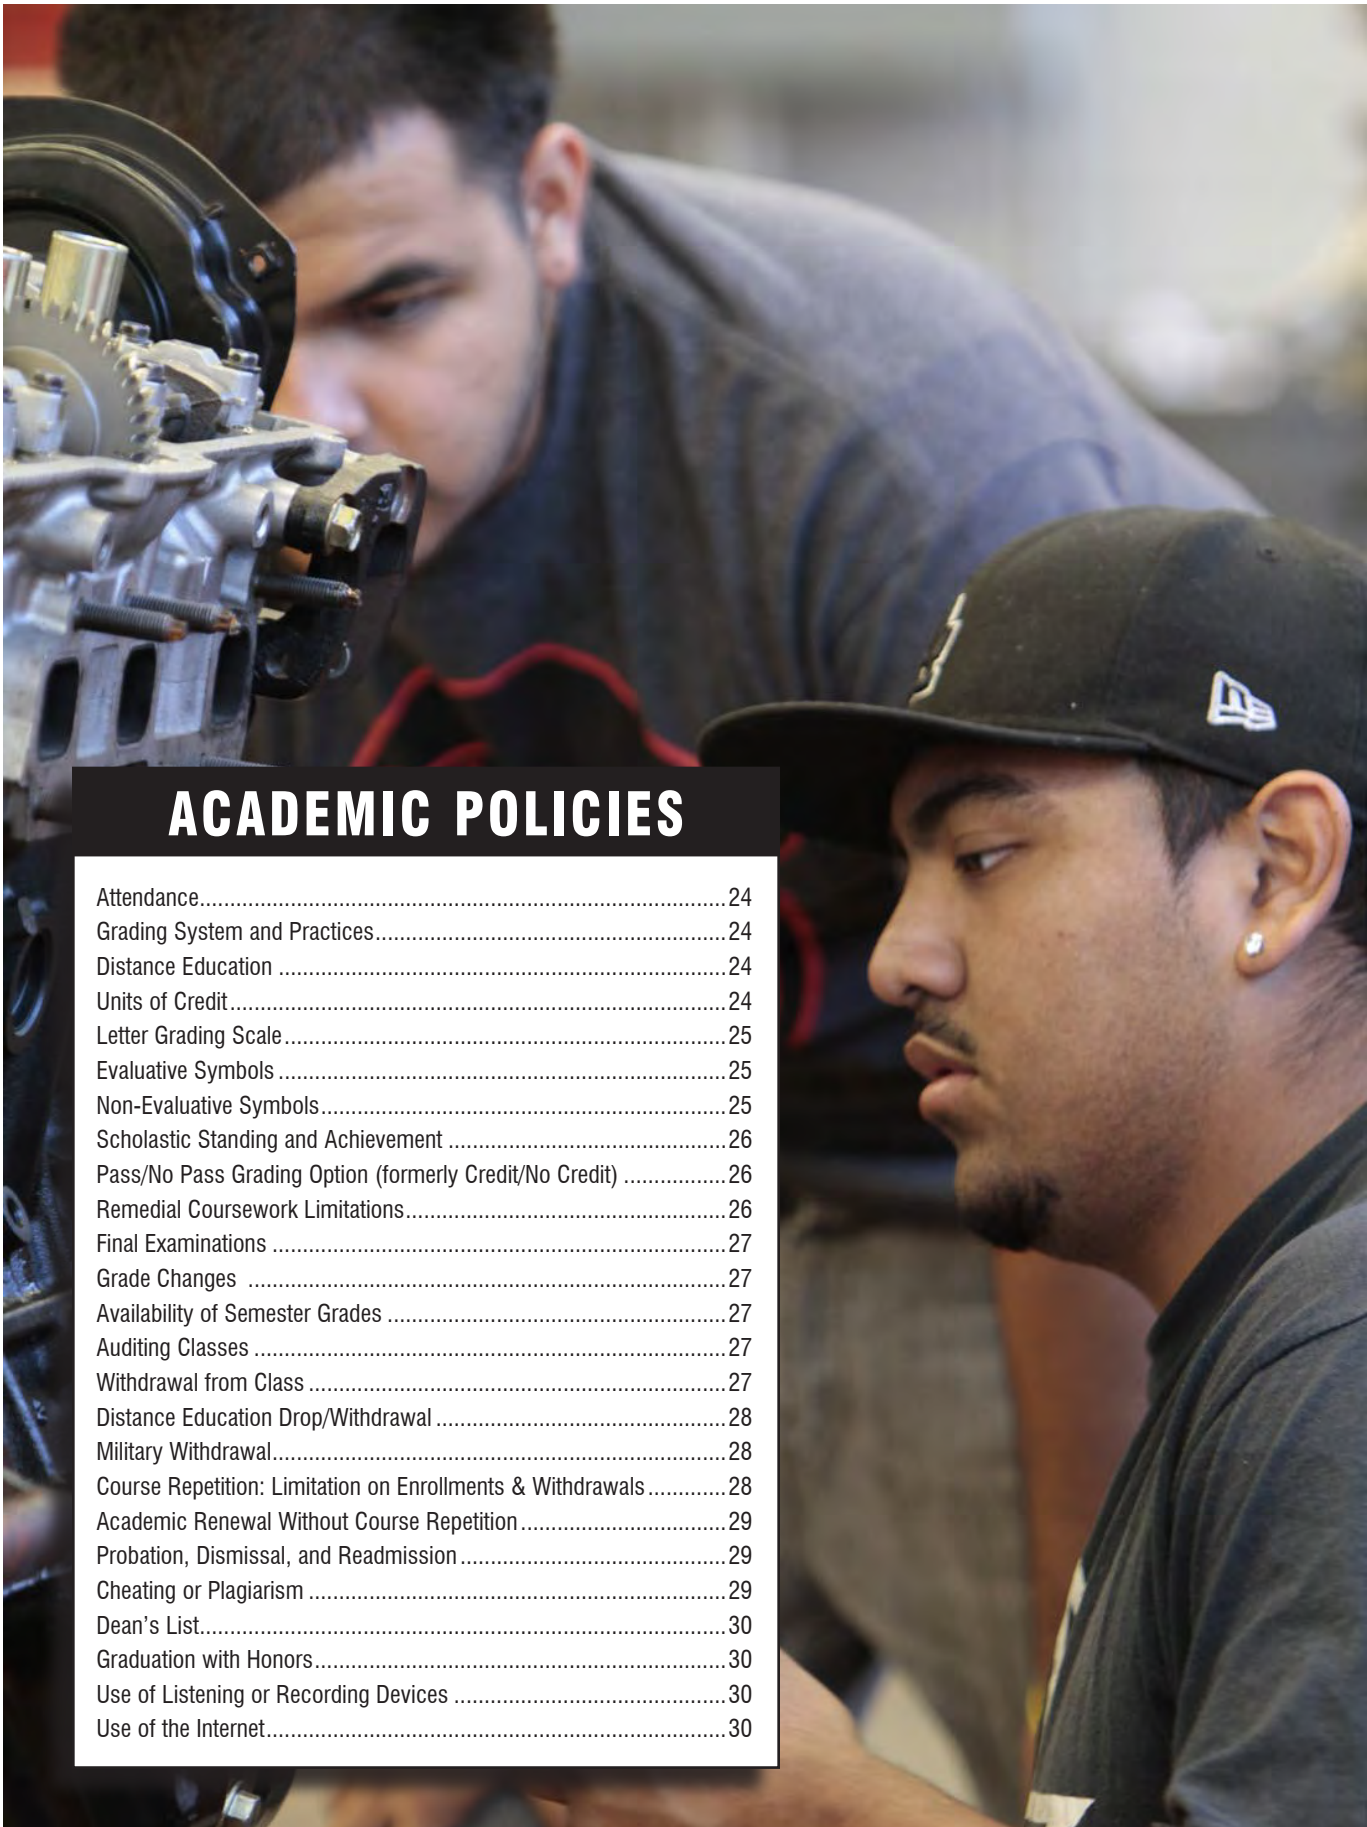

Selective Service Registration

The colleges of the Ventura County Community College District, in accordance with AB 397 added by statutes 1997, c. 575, E.C.s 66500 & 69400, are alerting all male applicants for admission who are at least 18 years of age and born after December 31, 1959 to be aware of their obligation to register with the Selective Service. In order to receive federal and state student aid, you must be registered with the Selective Service. For more information, refer to: www.sss.gov.

Courses Open to Enrollment

Unless specifically exempted by statute, each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the College and who meets the prerequisites to the class or program.

ACADEMIC POLICIES

Attendance

All Students, both registered and on the waitlist, are expected to attend the first class meeting. Instructors may drop all registered and waitlisted students who do not attend the first day of class, and they are required to drop those who stop attending prior to the census date for each class. They may also drop registered students who stop attending after census but before the final drop deadline for each class. Students are ultimately responsible for dropping their classes and withdrawing from the college, and should initiate and/or confirm the drop themselves to avoid improper fee assessments.

All students admitted to the colleges of the Ventura County Community College District are expected to attend classes regularly, both because continuity of attendance is necessary for the individual and group progress in any class, and because financial support of the college is dependent upon student attendance. Absence for any reason does not relieve the student from the responsibility of completing all class requirements.

Additionally, it is the student's responsibility to be aware of the attendance and absence policies of the instructor for each class in which they are enrolled at the beginning of the semester. When a student's absences exceed 1/9 of the total class, contact hours for the session (e.g. absence from the equivalent of two weeks of a regular semester-long class), the instructor may drop the student from the class and record a grade in accordance with the policy for dropping a course.

Grading System and Practices

Work in all gradable courses shall be graded in accordance with the policies and provisions adopted by the Ventura County Community College District (VCCCD) Board of Trustees.

Distance Education

Ventura College provides access to education through the use of technology beyond the traditional patterns of campus-based education and programs. A variety of courses are offered completely online, as hybrid online/face-to-face courses, or as face-to-face web-enhanced courses. Courses are taught by the same qualified instructors and follow the same curriculum and standards as classroom-based courses. Distance Education courses provide flexibility in scheduling and are especially helpful to self-directed learners. It is recommended that students be comfortable with computers, particularly the internet, before taking an online or hybrid course. As 21st century learners, all students will likely have some level of interaction with technology as part of the educational experience at Ventura College.

Regular Effective Contact Policy

“Regular effective contact” describes the minimum frequency of quality instructor-student interaction in a distance education class.

“Quality interaction” between instructor and students is regular communication between the two parties. As in a face-to-face course, the instructor must be able to initiate and participate in student discussions or the equivalent in an online environment via a variety of modalities in the district provided Learning Management System (LMS). The instructor must regularly monitor and moderate any student

assignments or activities in the online classroom in which students interact with each other. The instructor must be available to answer students' questions about both the material and the course itself in an efficient and timely manner. The instructor must also provide regular and timely feedback on, and assessment of, student work; for example, the instructor should respond to student emails within the instructor's stated availability contained in the syllabus; the instructor should provide feedback and/or grades on assignments within a week and/or within the instructor's stated availability contained in the syllabus. In the context of a Distance Education (DE) or hybrid course, the instructor must spend approximately as much time on these interactions as he or she would for a face-to-face course.

The modes that a DE instructor can use to create regular effective contact are almost limitless but should be easily accessible for the students and, when in question, verifiable. Use of the district provided LMS provides both accessibility and verifiability. The district provided LMS and synchronous technologies includes: online chat (scheduled or unscheduled), telephone contact, video conferencing, virtual field trips, virtual meetings, or online presentation platforms such as CCC Confer; asynchronous technologies include email and other correspondence, discussion forums or boards, class announcements via a LMS homepage, websites, blogs, podcasts, voicemail, SMS/text messaging, or e-lectures. Neither of these lists is exhaustive, as there are always new student learning technologies available online at any given time. Any accessible medium (in compliance with Section 508 of the Americans with Disabilities Act and the CCCC Distance Learning Access Guidelines) is acceptable for facilitating regular effective contact.

Units of Credit

The Carnegie unit formula applies to all credit courses offered by the College, whether or not applicable to the associate degree. “One credit hour of community college work (one unit of credit) requires a minimum of 48 hours of lecture, study, or laboratory work at colleges operating on the semester system.”

The colleges of the Ventura County Community College District (VCCCD) bases the semester unit on one lecture class period of 50 minutes each week of a minimum 16-week semester. For practical purposes, the following terms are synonymous: unit, semester unit, semester hours, credit, credit hour.

For purposes of sections dealing with standards for probation and dismissal, all units attempted means all units of credit for which the student was enrolled in any college or university, regardless of whether the student completed the courses or received any credit or grade.

Letter Grading Scale

Courses are graded pursuant to the grading system established by Title V, Section 55023. The following evaluative symbols will be used to measure student work:

Evaluative Symbols

A – Excellent (4 points per semester unit)

B – Good (3 points per semester unit)

C – Satisfactory (2 points per semester unit)

D – Less than satisfactory (1 point per semester unit)

F – Failing (0 point per semester unit)

P – Pass, at least satisfactory (units awarded not counted in GPA. Replaced CR effective Fall 2009); used to denote "passed with credit" when no letter grade is given. Credit is assigned for work equivalent to a letter grade of "C" or better.

NP – No Pass, less than satisfactory, or failing (units not counted in GPA; replaced NC effective Fall 2009)

CRE – Credit by Exam (units awarded not counted in GPA; grades awarded include: A, B, C, D, F, or P/NP; CRE was used as a grading symbol prior to Fall 2015)

Grade point averages are calculated by dividing the number of grade points earned by the number of units attempted.

Non-Evaluative Symbols

The Ventura County Community College District (VCCCD) Board of Trustees has authorized the use of the non-evaluative symbols "I," "IP," "RD," "W," and "MW" defined as follows:

I - Incomplete

Students who are at the end of a term and have failed to complete the required academic work of a course because of unforeseeable, emergency, and justifiable reasons may receive a symbol "I" (Incomplete) on their records.

The conditions for receiving a letter grade and for the removal of the "I" must be stated by the instructor in a written record which must also state the grade to be assigned in lieu of the removal of the "I." This record must be given to the student and a copy is to be placed on file with the Registrar until the conditions are met (the "I" is made up) or the time limit is passed.

A final grade shall be assigned when the work stipulated has been completed and evaluated, or when the time limit for completing the work has passed. The "I" may be made up no later than one year following the end of the term for which it was assigned. The "I" symbol shall not be used in calculating units attempted or for grade point averages.

IP – In Progress

The "IP" symbol shall be used only in those courses which extend beyond the normal end of an academic term. It indicates that work is "in progress," but that assignment of an evaluative symbol (grade) must await its completion. The "IP" symbol shall remain on the student's permanent record in order to satisfy enrollment documentation. The appropriate evaluative symbol (grade) and unit credit shall be assigned and appear on the student's permanent record for the term in which the course is completed. The "IP" shall not be used in calculating grade point averages. If a student enrolled in an "open-entry, open-exit" course is assigned an "IP" at the end of a term and does not re-enroll in that course during the subsequent attendance period, the appropriate faculty will assign an evaluative grade symbol in accordance with the academic record symbols to be recorded on the student's permanent record for the course.

RD - Report Delayed

The "RD" symbol may be assigned by the Registrar only. It is to be used when there is a delay in reporting the grade of a student due to circumstances beyond the control of the student. It is a temporary notation to be replaced by a permanent symbol as soon as possible. "RD" shall not be used in calculating grade point averages.

W - Withdrawal

Withdrawing from semester-length classes: Students may withdraw from full semester-length classes through the end of the 14th week. A grade of "W" will be posted to the academic record for withdrawals that occur between the class census date and the end of the 14th week. No grade will be posted to the academic record for withdrawals that occur before the class census date. Students still enrolled after the end of the 14th week will receive a grade other than "W" on their academic record.

The census date for each class is determined by the length of the class and may vary. Consult the class syllabus or instructor for more information.

Withdrawing from short-term classes: Students may withdraw from short-term classes through 75% of the total number of class meetings. A grade of "W" will be posted to the academic record for withdrawals that occur between the class census date and the 75% deadline. No grade will be posted to the academic record for withdrawals that occur before the class census date. Students still enrolled after 75% of class meetings will receive a grade other than "W" on their academic record.

The census date for each class is determined by the length of the class and may vary. Consult the class syllabus or instructor for more information.

LIMITATIONS ON WITHDRAWAL EXIST. See section on "Withdrawal from Class" in this catalog.

MW - Military Withdrawal: Military withdrawal occurs when students who are members of an active or reserve United States military service receive orders compelling withdrawal from classes. Upon verification of orders, the appropriate withdrawal symbol may be assigned at any time after the period established by the Ventura County Community College District (VCCCD) Board of Trustees, during which no notation is made on the permanent academic record for withdrawals.

Students requesting military withdrawal must present a petition for withdrawal and a copy of the military orders, or other acceptable documentation, verifying the dates and location of military assignment that compelled or compels withdrawal from classes. Military withdrawal may be requested at any time upon the student's return to college.

A grade of "MW" shall be recorded on the permanent academic record upon approval of petition for military withdrawal that occurs after the third week of full-semester length classes or 16% of total meetings of short-term classes. "MW" grades shall not be counted as one of the three enrollment attempts allowed to achieve a standard (passing) grade of C/P or better, or in the calculation of a student's academic progress for the determination of academic standing.

Scholastic Standing and Achievement

Scholastic standing is based on a student's work measured quantitatively in semester units and qualitatively in letter grades. This relationship is expressed as a numerical grade point average (GPA).

To illustrate the calculation of a grade point average, a student who earns a grade of A in three units, B in three units, C in three units, D in three units, F in two units, and P in two units, would have a grade point average of 2.14. The computation is shown below.

3 units A x 4	=	12 grade points
3 units B x 3	=	9 grade points
3 units C x 2	=	6 grade points
3 units D x 1	=	3 grade points
2 units F x 0	=	0 grade point
2 units P x 0	=	0 grade point
<hr/>		
14 graded units		30 grade points
(+ 2 P) - not calculated in GPA		
30 ÷ 14	=	2.14 grade point average

In calculating a student's degree-applicable grade point average, grades earned in nondegree courses shall not be included.

Courses that are graded with a "P" are counted as earned units but are not calculated in the GPA.

Pass/No Pass Grading Option (formerly Credit/No Credit)

Pass/No Pass replaced Credit/No Credit effective Fall 2009.

Colleges of the Ventura County Community College District (VCCCD) may offer courses in two pass/no pass ("P"/"NP") options:

1. courses which are offered on a pass/no pass basis only, and
2. courses in which students may elect the pass/no pass option.

Pass "P" is used to denote "passed with credit" when no letter grade is given. Credit is assigned for work of such quality as to warrant a letter grade of "C" or better.

The first category includes those courses in which all students in the course are evaluated on a pass/no pass ("P"/"NP") basis. This "P"/"NP" grading option shall be used to the exclusion of all other grades in courses for which there is a single satisfactory standard of performance and for which unit credit is assigned. Credit shall be assigned for meeting that standard, no credit for failure to do so.

The second category of Pass/No Pass options is comprised of courses designated by the college wherein each student may elect by no later than the end of the first 30 percent of the term or length of the class whether the basis of evaluation is to be Pass/No Pass or a letter grade. Once the 30 percent deadline has passed, the request cannot be withdrawn. It is the student's responsibility to file the appropriate form by the 30% deadline; otherwise a letter grade will be assigned.

The petition for this purpose, "Request for Pass/No Pass Grade" is available online at the college website and through the MyVCCCD student portal (see "college downloadable forms"). All units earned on a pass/no pass basis in accredited California institutions of higher education or equivalent out-of-state institutions shall be counted in satisfaction of community college curriculum requirements. A student may apply a maximum of 20 units of credit earned under the pass/no pass option to an Associates Degree or Certificate of Achievement. Units earned on a Pass/No Pass basis shall not be used to

calculate grade point averages. However, units attempted for which "NP" is recorded shall be considered in probation and dismissal procedures.

Students should be aware that other colleges and universities may restrict the acceptance of courses taken on a pass/no pass basis, especially for general education and major requirements; therefore, units of "Pass" should not be used to satisfy major requirements for Associates Degrees or transfer.

Remedial Coursework Limitations

The colleges of the Ventura County Community College District (VCCCD) offer courses which are defined as remedial. "Remedial coursework" refers to nondegree-applicable basic skills courses in reading, writing, computation, learning skills, study skills and English as a Second Language which are designated by the college district as not applicable to the Associate Degree.

Students enrolled in remedial courses will receive unit credit and will be awarded an academic record symbol on transcripts as defined under other academic policies. However, the units earned in these remedial courses do not apply toward proficiency awards, certificates of achievement, or associate degrees.

No students shall receive more than 30 semester units of credit for remedial coursework. This limitation of 30 units applies to all remedial coursework completed at any of the campuses of the college district (Moorpark, Oxnard and Ventura). It does not apply to remedial coursework completed at colleges outside the District. Students transferring from other educational institutions outside VCCCD shall be permitted to begin with a "clean slate" with regard to the remedial limitation. The 30-unit limit applies to all remedial coursework attempted; however, in the event that some of these 30 units are substandard and a student successfully repeats one or more courses in which substandard grades were earned, then the 30-unit limit would be modified by the application of the Course Repetition Policy AP 4225 & AP 4227 (See Appendix XIV).

Students who exhaust the unit limitation shall be referred to appropriate adult non-credit educational services provided by adult schools or other appropriate local providers with which the colleges have an established referral agreement. A student who successfully completes remedial coursework or who demonstrated skill levels which assure success in college-level courses may request reinstatement to proceed with college level coursework. Procedures relating to dismissal and reinstatement are specified in the College Catalog under policies governing Probation, Dismissal and Readmission. The petition for this purpose, Petition for Continued Enrollment or Readmission, is available in the Counseling Office.

The following students are exempted from the limitation on remedial coursework: students enrolled in one or more courses of English as a Second Language and/or students identified by one of the colleges as having a learning disability.

Any student who shows significant, measurable progress toward the development of skills appropriate to his or her enrollment in college-level courses may qualify for a waiver of the unit limitation. Petitions for waiver can only be given for specified periods of time or for a specified number of units. The petition for this purpose, the Student Educational Plan, is available in the Counseling Office.

The Office of Academic Affairs and Student Learning shall maintain a list for each academic year of remedial courses limited by this policy. Remedial courses are identified as non-degree applicable in the course description section of this catalog.

Students should be aware that this policy applies to all students enrolled in remedial coursework. Students receiving financial aid may have more restrictive limitations due to federal regulations.

Final Examinations

Final examinations are given at the end of each semester. Students are required to take examinations for the classes in which they are enrolled. No examinations are administered prior to the regular schedule for examinations. Exceptions to this rule in emergency situations, require the approval of the instructor of record and the Division Dean. All student requests for examinations to be administered at a later date must be filed on the proper petition form in the Division Office. Petitions for late examinations will not be considered if the student leaves prior to the last three weeks of the semester.

Grade Changes

Grades are determined and assigned as a result of academic assessment made by the instructor of record of a course. Determination of the student's grade by the instructor is final in the absence of mistake, fraud, bad faith, or incompetence. "Mistake" may include, but is not limited to, errors made by an instructor in calculating a student's grade, and clerical errors. "Fraud" may include, but is not limited to, inaccurate recording or change of a grade by any person who gains access to grade records without authorization.

The removal or change of an incorrect grade from a student's record shall only be done pursuant to California Education Code §76232, or by a compliant alternative method that ensures that each student shall be afforded an objective and reasonable review of the requested grade change.

Grade change petitions must be submitted by the instructor of record or appropriate substitute, or by the Vice President of Academic Affairs and Student Learning.

Procedure requires that a student first request a grade change from the instructor. In cases where the student has filed a discrimination complaint, or if the instructor of record is not available, or where the district determines that there is a possibility of gross misconduct by the original instructor, provisions shall be made to allow another faculty member to substitute for the instructor of record.

Grade changes shall be requested by the student no more than three (3) years after the term in which the grade was awarded. Exceptions to the time limit may be made if it is determined that the grade was awarded as a result of mistake, fraud, bad faith or incompetence by the instructor. Students may be required to provide documentation to support the requested grade change that may include but is not limited to graded assignments and tests from the class in question or substantiation of verifiable extenuating circumstances.

In the case of fraud, bad faith, or incompetence, the final determination concerning the removal or change of grade will be made by the Vice President of Academic Affairs and Student Learning. In all cases, where means exist and when at all possible, the instructor who first awarded the grade will be given notice of the change.

Pass/No Pass "P"/"NP", Credit/No Credit "C/NC" and Credit-by-Exam "CRE" grade designations, once applied to the transcript, cannot be changed to a letter grade.

When grade changes are made, the student's permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

Availability of Semester Grades

Grades for each semester are generally available within 24 hours of each instructor submitting his/her grades. Students may access their grades through their portal at my.vcccd.edu. Students with outstanding fees and/or obligations will not be able to access their grades until they have cleared their fees/obligations

Auditing Classes

Auditing enables a student to attend a class without taking exams, receiving a grade or earning unit credit. Students enrolled in ten units or more in Fall or Spring (or three or more unit in Summer) may, with instructor consent, be allowed to audit one lecture class per term without a fee. Students enrolled in less than ten units may, with instructor consent, audit one lecture class per term for a non-refundable fee of fifteen dollars (\$15.00) per unit per semester. Audit students must also pay the health fee. Audit fees are nonrefundable. All fees are subject to change. Priority in class enrollment shall be given to students desiring to take the courses for credit toward a certificate, degree or transfer certification.

Petitions to Audit are accepted on or after the last two days of program adjustment as specified in the registration calendar. Laboratory and activity classes are not normally eligible for audit. Students auditing a course shall not be permitted to change their enrollment in that course to receive credit for the course, nor are they permitted to challenge the course at a later date. Students auditing a course are not permitted to take exams in class, nor are they permitted to challenge the course by exam at a later date. Instructors are under no obligation to grade assignments of students auditing a course. Attendance requirements for students auditing courses are the same for all other students as stated in this Catalog. The Petition to Audit is available online at www.venturacollege.edu/forms.

Withdrawal from Class

Withdrawal from a class or from the college is primarily the responsibility of the student. Withdrawals may be done online or in person at the Admissions and Records Office. It is the student's responsibility to understand how a withdrawal will affect their academic records, academic standing, ability to repeat the course, eligibility for financial aid, athletic participation, veterans' educational benefits and other programs, services or benefits. Instructors have a responsibility to drop students under certain circumstances as identified below.

Deadline dates for withdrawing from a class may be found on the student's Schedule/Bill and in the online searchable schedule of classes in the CRN notes – click on the CRN to view notes. Students who do not officially withdraw by the stated deadlines will receive an evaluative grade (A-F, P or NP). Withdrawal after the final deadline may be permitted if it is determined that extenuating circumstances prevented a student from completing and withdrawing from a course. Extenuating circumstances are verified cases of accident, illness or other circumstances beyond the student's control. Supporting documentation will be required. Students should contact a counselor or the Admissions and Records Office to initiate a Petition to Change a Grade to "W". A graded course that has been used to satisfy degree, certificate or transfer requirements will not be changed to a "W".

A grade of "W" is not calculated in the grade point average (GPA). Courses that receive "W" grades are counted as an enrollment attempt and will affect a student's ability to repeat the class. Students will be blocked from repeating any course in which they have already received three "W", "D", "F" or "NP" grades in any combination. See Appendix XIV – Course Repetition for details. "W" grades are also

counted in the determination of a student's academic standing, and excessive "W"s will be cause for placing students on progress probation. Students are encouraged to consult a counselor regarding the full impact of "W" grades.

Instructor-initiated drops: Instructors are required to drop by the census deadline any student who has never attended class or who has stopped attending class. They may drop students who do not attend the first class meeting. The census date for each class is determined by the length of the class and may vary. Instructors may drop students after the census date for excessive absences. Absence is generally considered excessive if a student misses 1/9 or more of the total number of classes (2 weeks of a full-semester class); however, the nature of the class may require a stricter absence policy. Consult the course syllabus or instructor for more information.

Withdrawing from semester-length classes: Students may withdraw from full semester-length classes through the end of the 14th week. A grade of "W" will be posted to the academic record for withdrawals that occur between the class census date and the end of the 14th week. No grade will be posted to the academic record for withdrawals that occur before the class census date. Students still enrolled after the end of the 14th week will receive a grade other than "W" on their academic record.

The census date for each class is determined by the length of the class and may vary. Consult the class syllabus or instructor for more information.

Withdrawing from short-term classes: Students may withdraw from short-term classes through 75% of the total number of class meetings. A grade of "W" will be posted to the academic record for withdrawals that occur between the class census date and the 75% deadline. No grade will be posted to the academic record for withdrawals that occur before the class census date. Students still enrolled after 75% of class meetings will receive a grade other than "W" on their academic record.

The census date for each class is determined by the length of the class and may vary. Consult the class syllabus or instructor for more information.

Distance Education Drop/Withdrawal

For Distance Education classes, specifically those that are 100% online, the drop policies of the individual instructor (as stated in the syllabus and/or the college's drop policy) may vary but be based upon the following:

All students are expected to attend the online class regularly, for a minimum number of hours and/or to complete a minimum number of assignments or quizzes as determined by the instructor.

Students enrolled in online classes must regularly login and actively participate or they may be considered non-participatory and thus may be dropped.

Although it is the responsibility of the student to withdraw from a class officially, the instructor also has the authority to drop a student for lack of active participation. The instructor is not required to notify the student after having provided students with the drop policy in the course syllabus.

Specific assignments within an online course can act as attendance or student activity indicators. If the assignment or activity is not completed by a given date, then a student is considered inactive and may be dropped. Attendance assignments or student activity indicators will be determined by individual instructors.

Attendance assignments or student activity indicators must be clearly defined in the course syllabus and fall into one of the following categories:

- Any assignment given before the census or drop dates.
- Assignments and/or activities indicating the student has begun to participate in the online class.
- Completion of assignments and/or activities by due dates.

Military Withdrawal

Military withdrawal occurs when students who are members of an active or reserve United States military service receive orders compelling withdrawal from classes. Upon verification of orders, the appropriate withdrawal symbol may be assigned at any time after the period established by the governing board during which no notation is made on the permanent academic record for withdrawals.

Students requesting military withdrawal must present a petition for withdrawal and a copy of the military orders, or other acceptable documentation, which verifies the dates and location of military assignment that compelled or compels withdrawal from classes. Military withdrawal may be requested at any time upon the student's return to college.

A grade of "MW" shall be recorded on the permanent academic record upon approval of petition for military withdrawal that occurs after the third week of full-semester length classes or 16% of total meetings of short-term classes. "MW" grades shall not be counted as one of the three enrollment attempts allowed to achieve a standard (passing) grade of C/P or better, or in the calculation of a student's academic progress for the determination of academic standing.

Course Repetition: Limitation on Enrollments & Withdrawals

Consult **Appendix XIV** of this catalog for full policy and procedure information regarding course repetition.

A non-repeatable course in which a grade of "C/P/CR" or better is earned may not be repeated except as allowed under special circumstances. Students are permitted a total of three (3) enrollment attempts to achieve a standard grade (defined as a passing grade of "A, B, C, P or CR"). This rule applies to courses taken at any regionally accredited college in which the student received a substandard grade. Once a passing grade of "C/P/CR" or better is received, the course may not be taken again under this section. However, repetition may be allowable under special circumstances as defined in Appendix XIV.

An enrollment attempt is defined as any enrollment in a course that results in an evaluative ("A, B, C, D, F, P, NP, CR, NC") or non-evaluative "W" grade. All of these grades are counted as enrollment attempts when determining a student's eligibility to repeat a course.

Withdrawals may not exceed three (3) times in the same class. Students who have withdrawn from the same class the maximum number of times will be required to petition for a fourth enrollment attempt. The fourth attempt, if authorized, must reflect a grade other than "W".

Petitions for Course Repetition are available in the Counseling Office.

Academic Renewal Without Course Repetition

Consult **Appendix XVI** of this catalog for full policy and procedure information regarding Academic Renewal

Students may petition to have a maximum of 24 units (or any portion thereof) of previous college coursework disregarded in meeting academic requirements in the colleges of the Ventura County Community College District (VCCCD) when that work is not considered to be reflective of the student's present demonstrated ability and level of performance. Academic Renewal is intended to facilitate the completion of requirements necessary for a degree, certificate or transfer.

Academic renewal may not be applied to any course that has been used to satisfy associate degree, certificate of achievement, IGETC or CSU-GE transfer general education breadth requirements.

Probation, Dismissal, and Readmission

Consult **Appendix XIII** at the end of this catalog for full policy and procedures for Probation, Dismissal and Readmission practices.

Probation, dismissal, and readmission policies and procedures are designed to assist students in making progress toward realistic academic, career, and personal goals. Students who choose to enroll are encouraged to take advantage of the opportunity to realize their full potential. Limitations regarding programs, courses, and unit loads are consistent with the philosophy of providing an opportunity to succeed.

The standards for academic progress may differ for students who receive financial aid and/or VA educational benefits. Consult Appendix IX for "Satisfactory Academic Progress" standards for financial aid recipients, and page 278 of this catalog for satisfactory progress standards for VA benefits recipients.

Continuing and returning students who have been on progress or academic probation for two consecutive terms, or are dismissed, will lose their registration priority. Consult Appendix XV-Enrollment Priorities for more information.

Students who lose their registration priority due to their academic standing may appeal for reinstatement of that priority if they can demonstrate extenuating circumstances. Extenuating circumstances, for this purpose, are defined as:

- Accident
- Illness
- Other circumstances beyond the control of the student

Extenuating circumstances must be supported by verifiable documentation; examples of such documentation include statements from doctors or hospitals, police or insurance accident reports. Approval will result in reinstatement of registration priority.

Students who fail to meet the institution's academic progress standards for two consecutive primary terms (Fall/Spring) of not meeting academic and/or progress standards will lose their BOG Fee Waiver.

Cheating or Plagiarism

It is the belief at Ventura College that students share a responsibility with their instructors for assuring that their education is honestly attained. In keeping with this belief, every instructor has the responsibility and authority to deal with any instances of plagiarism, cheating and/or fabrication that occur in the classroom. Examples of academic dishonesty include (but are not limited to) the following:

Plagiarism: Plagiarism is the act of presenting someone else's work as one's own. Examples include:

- Copying and pasting text from websites or other electronic sources and presenting it in an assignment as your own original work.
- Copying and pasting text from printed sources (including books, magazines, encyclopedias or newspapers) and presenting it in an assignment as your own original work.
- Using another student's work and claiming it as your own original work (even if you have the permission of the other student).

Cheating: Cheating is the act of pretending (or helping others to pretend) to have mastered course material through misrepresentation. Examples include:

- Copying in whole or in part from another student's test or paper.
- Allowing another student to copy from your test or assignment.
- Using the textbook, course handouts, or notes during a test without instructor permission.
- Stealing, buying or otherwise obtaining all or part of a test before it is administered.
- Selling or giving away all or part of a test before it is administered.
- Having someone else attend a course or take a test in your place.
- Attending a course or taking a test for someone else.
- Failing to follow test-taking procedures, including talking during the test, ignoring starting and stopping times, or other disruptive activity.

Fabrication: Fabrication is the intentional use of invented information. Examples include:

- Signing a roll sheet for another student.
- Giving false information to college personnel.
- Answering verbal or written questions in an untruthful manner.
- Inventing data or sources of information for research papers or other assignments.

As members of the Ventura College learning community, students are not to engage in any form of academic dishonesty. Any act of academic dishonesty will be considered a very serious offense that is subject to disciplinary action.

For additional information on Academic Honesty, please see www.venturacollege.edu/faculty_staff/academic_resources/academic_honesty

Dean's List

Special recognition is accorded students who complete a program of twelve or more units of letter-graded coursework with a 3.50 grade point or higher during a semester. Pass/No Pass units are not considered in the twelve-unit requirement. These students are placed on the Dean's List and accorded appropriate recognition, including a letter of commendation for academic distinction.

Graduation with Honors

GRADUATION WITH HIGHEST HONORS

The highest honors designation is placed on the degree of the graduate who has achieved an overall grade point average (GPA) of 4.0. The highest honors graduate must have completed at least 30 units of coursework at Ventura County Community College District of which 18 units or more must be letter grades. All letter grades must be an A.

GRADUATION WITH HIGH HONORS

The high honors designation is placed on the degree of the graduate who has achieved an overall grade point average (GPA) of 3.75. The high honors graduate must have completed at least 30 units of coursework at Ventura County Community College District of which 18 units or more must be letter grades.

GRADUATION WITH HONORS

The honors designation is placed on the degree of the graduate who has achieved an overall grade point average (GPA) of 3.5. The honors graduate must have completed at least 30 units of coursework at Ventura County Community College District of which 18 units or more must be letter grades.

DEPARTMENTAL HONORS

Students who do outstanding work in their departments may receive special recognition from the faculty. Eligibility is determined by inclusion in the honors categories listed above. Selection is made by departmental faculty.

Use of Listening or Recording Devices

State law in California prohibits the use by anyone in a classroom of any electronic listening or recording device without prior consent of the instructor and school administration. Any student who has need to use electronic aids must secure the consent of the instructor. Students who need to use recording devices as an authorized disability accommodation must receive verification through campus Educational Assistance Center and must provide this verification to the instructor prior to use.

Use of the Internet

PURPOSE OF THE INTERNET: The Internet access provided by Ventura College is to be used to support the instructional process of students who are actively enrolled in a designated course. Non-educational, recreational and commercial uses of the Internet are prohibited on the Ventura College network.

RULES FOR USING THE INTERNET: Each student is responsible for ensuring that he or she uses the College provided Internet access in an effective, efficient, ethical and lawful manner. To this end, students must comply with the following rules:

1. Observe the guidelines for acceptable use of networks or services.
2. Only attempt to gain access to resources for which he or she has authorization. Ventura College will not assume financial responsibility for unauthorized Internet-related expenditures.
3. Do not make harassing or defamatory remarks using the Internet.
4. Do not create a personal link to any Ventura College page, and do not represent Ventura College on any personal page.
5. Do not install any software.
6. Do not use any unapproved software.
7. Do not violate any federal or state law, including copyright laws.
8. Download data from the Internet onto personal data storage units—any data found on a College-owned hard drive will be deleted.
9. Do not create any social networking page on behalf of Ventura College or claiming to represent Ventura College.

PRIVACY ON THE INTERNET: Please be aware that any electronic mail is not private since classes will be sharing a mailbox, and that the College reserves the right to access any such information on College-owned servers.

RESPONSIBILITY FOR INFORMATION ON THE INTERNET: Through the Internet, the College provides access to public and private outside networks which furnish electronic mail, information services, bulletin boards, conferences, etc. Please be advised that the College does not assume responsibility for the contents of any of these outside networks.

OBSCENE MATERIAL: District information resources should not be used for knowingly viewing, downloading, transmitting, or otherwise engaging in any communication which contains obscene, indecent, profane, lewd, or lascivious material or other material which explicitly or implicitly refers to sexual conduct. This policy does not prohibit the use of appropriate material for educational purposes, nor limit academic freedom. However, knowingly displaying sexually explicit or sexually harassing images or text in a private and/or public computer facility or location that can potentially be in view of other individuals is prohibited.

STUDENT & INSTRUCTIONAL SUPPORT SERVICES

STUDENT SERVICES PROGRAMS

Admissions and Records

Program Purpose: The admissions and records office performs a variety of functions and services that facilitate student access to the college from preadmission through the achievement of their educational goals. Admission functions include preadmission guidance, admission, residency determination and reclassification, registration and program adjustments. Records office functions include processing grades, transcripts, external transcript evaluations, applications for degrees, certificates and transfer certification, enrollment verifications and determination of eligibility for veteran's benefits and intercollegiate athletics.

Assessment Center/Student Student Success and Support Program

Program Purpose: The assessment/student success office facilitates the testing process using multiple measures to assess student's academic readiness for English, reading and math courses. Students will understand that the assessment process is a tool to ensure their successful placement in courses for which they are academically prepared. The assessment office also currently manages prerequisite challenges for Ventura College. The program, in collaboration with the Outreach Office and Student Connect, also organizes and schedules the college's annual high school Student Success and Support Program activities acting as liaison between the college and local high school faculty and staff as required in managing this activity.

All first time students at Ventura College are required to participate in Assessment in the areas of Math and English. This information is helpful to students and their counselors in determining an appropriate student education plan and referral to the appropriate student support services. Students are encouraged to give their best effort on the assessment tests by utilizing preparation materials provided by the Assessment office online and/or in person. Students are informed that placement could result in additional coursework requirement and increase time to degree completion.

Please consult the testing schedules which appear on the Ventura College website or may be obtained through the Counseling Office or the Assessment Office. Students who have earned prior college credit ("C" or higher grade) for an English composition or math course may be exempt from placement tests. Students must provide a transcript of previously completed coursework prior to enrollment. See the Schedule of Classes, or visit our website for additional exemption criteria, and "Alternatives to Testing" information.

For meeting graduation competency requirements in English, reading and/or math, please contact the Counseling Office. Assisted self-placement for ESL students is available through the ESL program office at (805) 289-6484. Students with disabilities may be tested through the Educational Assistance Center.

California Work Opportunity and Responsibility to Kids (CalWORKs)

Program Purpose: The (CalWORKs) program is a collaborative welfare to work program with Ventura County Human Services. The program provides supportive services to students who are receiving Temporary Assistance to Needy Families (TANF) to acquire a vocational certificate or degree to prepare them for successful transition into the workforce.

Students who participate in the CalWORKs program will identify a course of study and an educational goal necessary to develop a comprehensive educational plan and acquire skills to prepare them to enter the job market, achieve personal and educational goals, and acquire life skills. An Individual Training Plan (ITP) will be created that will prepare them to enter the job market.

Available services include:

- Referral and coordination for academic counseling: career planning, course selection & registration
- Early registration
- Internships, work study
- Individual Training Plans (ITP)
- Workshops
- Advocacy with VC Human Services Agency
- Backpack and school supplies
- Computer lab
- Assistance applying for admission to OC
- Assistance applying for FAFSA and BOG Fee Waiver

For more information, please contact the Ventura College CalWORKs Office at (805) 289-6003. For information and appointments, call (805) 289-6003. Ventura College CalWORKs office is located in the CSA Building, #129A.

Units of Credit

Our district, consistent with other districts across the state, adheres to the Carnegie Unit model for time spent in class and for time a student is expected to spend out of class in order to conduct required reading and homework.

- For every lecture hour that a student spends in class each week, the Carnegie Unit model calls for a student to spend two hours outside of class reviewing the material from lecture, reviewing notes, reading, and/or completing required homework.
- In courses that are "hands-on" and include lab time incorporated into the instruction, such as a word processing course or automotive repair course, there is very little homework involved. Because of the "hands on" nature of this type of instruction, the required weekly hours for such a course or program are typically on-site at the colleges. The scheduled hours are posted within the printed college schedule for the given semester. In addition, every course and program offered by the three colleges is described in each of the respective college catalogs. The course and program descriptions clearly specify whether a course/program is straight lecture or lab based.

- In cases where you have a CalWORKs participant with learning or physical disabilities, extra time may be needed in order to accommodate the special student success needs of such students. College counselors and/or Educational Assistance Center (EAC) personnel at each of the colleges will advise and/or assist County case workers with estimation of weekly schedules for any student with special needs.

The chart entitled "VCCCD Based on Carnegie Unit Model . . ." serves to illustrate the various configurations and weekly schedules that a student, depending on the unit load, may be required to follow in order to succeed with their course of study.

VCCCD Based on Carnegie Unit Model Total weekly number of hours based on number of lecture units being pursued by a student		
Academic Units for in-class lecture time	Two-to-one ratio of hours for outside of class study time, i.e. reading time, homework.	Total number of weekly hours that a CalWORKs student will be actively dedicated to educational program.
1 Units	2	3
2 Units	4	6
3 Units	6	9
4 Units	8	12
5 Units	10	15
6 Units	12	18
7 Units	14	21
8 Units	16	24
9 Units	18	27
10 Units	20	30
11 Units	22	33
12 Units	24	36
13 Units	26	39
14 Units	28	42
15 Units	30	45
In-Class Lab Formula (i.e. "hands on training" programs)		
20 Lab-based Instructional hours	* <20> All work typically performed by student in-class, lab, shop, unless required otherwise by instructor or program	20 Weekly hours
<p>Note: The weekly hourly schedule described above does not include any time that a CalWORKs participant may be required to conduct extra-curricular activities (i.e. field trips), student services orientations outside of class, counseling sessions, tutoring sessions, or travel time to and from campus, etc. Credit for acceptable activities will have to be determined as such by County personnel who, ideally, will discuss any related concerns with appropriate college staff.</p> <p>*There may be some training programs at Ventura College that utilize both the straight lecture formula and the lab-based formula to deliver their instruction to students.</p>		

Campus Police Services

To formally contest a citation, within 21 days of receiving the citation, the registered owner must go online to www.citationprocessingcenter.com and submit an appeal. The Campus Police stations, as well as the Police Services Department (located in the Day Road Center at 71 Day Road), each have a kiosk where persons who received citations may use a dedicated computer to submit an appeal. For questions regarding citations, call or visit the Campus Police Station at the following:

Moorpark College Campus Police - Located in Parking Structure, on the second level; the supervisor's hours are from Monday – Thursday, 7am – 5pm; phone number (805) 378-1455.

Oxnard College Campus Police – Located near G-lot, designated as 7 on campus map; supervisor's hours are from 7am – 5pm Monday through Thursday; phone number (805) 678-5805.

Ventura College Campus Police – Located at 71 Day Road; supervisor's hours are from 7am – 5pm Monday through Thursday; phone number (805) 289-6486.

Questions regarding the status of a citation may be directed to the Police Services Department in the Day Road Center, at 805-652-7751, or to Data Ticket via phone at (800) 989-2058.

For emergencies, contact Campus Police or dial 9-911 from College phones, or 911 from pay phones. Detailed guidance on matters concerning student conduct and traffic regulations is provided in the appendices of this Catalog.

Child Development Center (CDC)

The Orfalea Child Development Center, located at the corner of Telegraph Road and West Campus Way, supports VC students by providing high quality preschool and childcare services for their children ages 2 through pre-K.

Children thrive in a safe, loving and enriching environment. We believe that children learn by being actively involved in the learning process through exploration, discovery, experimentation and creativity. The Center is licensed by the California Department of Social Services. The facility license numbers are 561711563 and 561711564.

Fees are charged for this service; financial assistance may be available for students who qualify. A new waiting list for enrollment at the Center begins as each semester's Schedule of Classes comes out. Please call (805) 289-6030 for further information.

Counseling Services

Program Purpose: *Counseling services assist students to identify and succeed in achieving their educational goals. Counselors work with students individually and in groups to enhance their academic success and enable them to navigate student support systems to ensure success.*

The Counseling Office is open days and evenings. Counselors can assist you with academic, career, or personal counseling. Counselors can provide a variety of resources to help you achieve the greatest possible benefit from your college experience.

Each counselor is a specialist in several academic areas, and you may wish to see a counselor according to the major you declare. The Counseling Office can be a valuable resource in exploring the options or defining the requirements in a particular field of study. However, you are free to select any counselor you choose.

All counselors have the expertise to assist you with course selection, educational planning, and questions concerning requirements for majors, general education, graduation, or transfer to a four-year college

or university. A counselor can answer your questions about a course or academic requirements, aid you in exploring your career plans or life goals, or help you with personal problems that may potentially affect your education. Counseling Offices are located in the Student Services Center. Call the Counseling Office at (805) 289-6448 for more information. Counseling is also available at the Ventura College Santa Paula site in Santa Paula. Please call (805) 525-7136 for counseling hours at the Ventura College Santa Paula site.

To maximize your educational success, students are encouraged to meet with a counselor on a regular basis. Student Success & Support Program (SSSP) is a process that enhances student access and sustains the efforts of students to be successful in their educational endeavors. The goals of SSSP are to ensure that all students complete their college courses, persist to the next academic term, and achieve their educational objectives.

As a result, SSSP will ensure that:

- Newly matriculated students will complete an Abbreviated Educational plan prior to completing 15 credit units.
- Once the student identifies their program of study, they will meet with a counselor to create a comprehensive Educational Plan that will detail the necessary courses to reach their academic goal.
- Students are strongly encouraged to follow-up with a counselor to review and/or revise their Education Plan as needed to adapt to developing education and career goals.
- Ample services are available to assist students in exploring career, transfer, and vocational goals specific to their development.

Educational Assistance Center (EAC)

Program Purpose: *The programs and services of the EAC are designed to support students with disabilities in the achievement of their academic and vocational goals while providing equal educational opportunity. EAC students increase their knowledge of available accommodations and services available to them, leading to an increase in independence, self advocacy and academic success.*

Ventura College provides support for all eligible students with disability related needs. The EAC facilitates equal access for qualified students to community college education through services, academic accommodations and specialized instruction.

Students with learning, visual, hearing, speech, mobility, and psychological disabilities, as well as acquired brain injury and other health impairments, are eligible to apply for the support services and accommodations that EAC provides.

These services may include: one-stop priority registration assistance; specialized academic and career advisement; sign language interpreters; note taking assistance; readers; transcribers; mobility assistance; assessment of learning differences; disability-related counseling; class room testing; print material in alternate format; assistive computer technology and other assistive equipment.

Through the instructional side of the program, Learning Skill classes (LS) and EAC classes are offered for personal and scholastic development such as writing, reading, math, memory, study strategies and adapted physical education. These classes are offered to assist students needing additional basic skills preparation for college-level course work. Although designed for students with disabilities, these courses are available to all Ventura College students.

Students can also register for a variety of instructional classes in Assistive Computer Technology (ACT). The Assistive Technology Training Center (ATTC) is designed to teach all students with disabilities

about the latest in computer access devices and instructional software. This may including speech synthesizers, screen enlargers, adapted keyboards, voice-input systems, text to speech software and adapted word processing programs. The ATTC is located on the first floor of the Learning Resources Center.

The EAC is located in the Administration Building. For more information call (805)289-6300; (805) 289-6015 (fax).

Extended Opportunity Programs and Services (EOPS)

Program Purpose: EOPS assists low income and educationally disadvantaged students with support services and financial assistance to successfully overcome obstacles to achieve their educational goals.

EOPS was established in 1969. It provides programs and services over, above, and in addition to the regular educational programs of the College and is designed to assist educationally and economically disadvantaged students to be successful in their academic transfer and or vocational educational program at Ventura College.

ELIGIBILITY

Students must be eligible for a Board of Governors (BOG) Fee Waiver A or B; be a California resident, be enrolled full time (12 units); have completed less than 50 units of degree-applicable credit; and be determined to be educationally disadvantaged.

SERVICES:

- **Outreach, Orientation, and Registration Services:** Entry services to identify EOPS eligible students and facilitate their enrollment in the College will be provided by special outreach, an active recruitment program. There is a required special college orientation. Early registration is also offered which allows the EOPS student to register early, and secure needed courses before campus-wide enrollment.
- **Assessments:** EOPS-eligible students are assessed in reading, comprehension, vocabulary, writing, computations, study skills, and academic skill deficiencies.
- **Counseling and Advisement:** Specialized counseling is provided to all EOPS students. Personalized academic/personal counseling and the development of a student education plan is provided to all EOPS students through the EOPS counseling faculty. EOPS counselors meet regularly with EOPS students. Peer advisement is also available.
- **Special Services:** A multi-ethnic staff is available. They can provide Spanish language assistance.
- **Transfer:** EOPS provides assistance to EOPS-eligible students with the transfer and transitional process to four-year institutions.
- **Financial Assistance:** All students who are admitted under the program are considered for financial assistance on the basis of need and completion of the EOPS Student Mutual Responsibility Contract. Emergency loans, book vouchers, and bus passes/tokens may also be available.
- **Tutoring:** EOPS provides additional tutoring hours for EOPS students through the Tutoring Center.
- **Success strategies:** Study skills, time management, and retention and success strategies are offered through the EOPS Success Academy and other EOPS workshops.

• **Cooperative Agencies Resources for Education (CARE) Program:**

CARE is a cooperative effort under the umbrella of EOPS involving the State Employment Development Department, State Department of Social Services, local county CalWORKS departments and the California Community Colleges Chancellor's Office. This program specifically targets CalWORKS students.

CARE Eligibility: EOPS eligible students that are CalWORKS recipients, at least 18 years old, and the single head of their household with child(ren) under the age of 14.

• **Services:** Additional financial assistance in the form of a CARE grant, special workshops, and non-CalWORKS duplicative services such as gas vouchers, book vouchers, minimal car repair, and parking permits may be available.

EOPS is located in the EOPS building. The phone number is (805) 289-6302.

FIRST YEAR EXPERIENCE (FYE) PROGRAM

Program Purpose: *First Year Experience (FYE) is a success program designed for first-time students transitioning into college. FYE at Ventura College ensures that first-year students have the tools and support necessary to navigate through college and beyond. With the support of counselors, faculty, and student peers, FYE students engage and connect to Ventura College. Students are empowered to take ownership of their education and life goals.*

Eligibility: Any first-time college student. No prior college experience.

FYE benefits include:

- Educational Advising and Planning
- Career Counseling
- Enrollment Assistance
- Summer Orientation
- Transfer Guidance
- Academic Success Workshops

To apply or for more information, please stop by the FYE Office, call **805-289-6438**, or visit our website at www.venturacollege.edu/fye

Financial Aid Programs

Program Purpose: *The Financial Aid Office assists students with completing and understanding the financial aid processes. We support student success in collaboration with other departments by providing financial literacy training, and delivering aid in a timely manner to assist students with their education costs at Ventura College.*

The Financial Aid Office administers a variety of federal and state financial aid programs to assist students with their education costs at Ventura College. To be considered for these programs, a student should complete the Free Application for Federal Student Aid (FAFSA), California Dream Act Application, or BOG Fee Waiver application for each academic year.

Note: Additional forms are required for state aid programs. Please see Appendix IX for more information regarding the application filing requirements and priority filing deadlines for state aid.

Due to limitations in funding, the Financial Aid Office may not offer sufficient financial aid to cover the entire cost of education. Adhering to the priority filing deadlines and responding promptly to requests for additional information from the Financial Aid Office is a critical component to receiving the most financial aid. For additional information regarding the types of financial aid programs that Ventura College participates in, and for important policies that affect financial aid recipients, please refer to Appendix IX.

The Financial Aid Office is located in the Bookstore and Campus Services Building (BCS). The Financial Aid Office website: www.venturacollege.edu/finaid is the best source for current information regarding financial aid at Ventura College.

Board of Governors (BOG) Fee Waiver

Minimum requirements for maximum success:

Whether you want to move into a career or move on to a four-year university, California community colleges want to help you achieve your educational goals. The Board of Governors (BOG) Fee Waiver is available for eligible students at California community colleges, and will waive the per-unit enrollment fee at any community college throughout the state.

Once a student has qualified for the BOG Fee Waiver, it's important to ensure that he/she is meeting the academic progress standards in order to avoid losing the fee waiver.

Academic—Sustain a GPA of 2.0 or higher

If a student's cumulative GPA falls below 2.0 for two consecutive primary terms (fall/spring semesters), he/she may lose fee waiver eligibility.

Progress—Complete more than 50% of your coursework

If the cumulative number of units a student completes is not more than 50% in two consecutive primary terms (fall/spring semesters), he/she may lose fee waiver eligibility.

Combination of Academic and Progress Standards

Any combination of the two consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 50% may result in loss of fee waiver eligibility.

How will I know if I have lost my BOG Waiver?

A student will be notified within 30 days of the end of each term if he/she is being placed on either Academic (GPA) and/or Progress (Course Completion) probation. The notification will include the information that a second term of probation will result in a loss of fee waiver eligibility. After the second consecutive term of probation, a student may lose eligibility for the fee waiver at the student's next registration opportunity.

How to regain eligibility

If a student loses eligibility for the BOG Fee Waiver, there are a few ways that he/she can have it reinstated:

- Improve the GPA or Course Completion measures to meet the academic and progress standards
- Successful appeal regarding extenuating circumstances*
- Successful appeal based on significant academic improvement
- Not attending your school district for two consecutive primary terms (fall/spring semesters)

The appeals process for extenuating circumstances includes:

- Verified accidents, illness, or other circumstances beyond one's control
- Changes in economic situation
- Evidence of inability to obtain essential support services
- Special consideration factors for CalWORKS, EOPS, DSPS and veteran students
- Disability accommodations not received in timely manner

Please note that foster youth and former foster youth ("foster youth or former foster youth" means a person in California whose dependency was established or continued by the court on or after the youth's 16th birthday and who is no older than 25 years of age at the commencement of the academic year) are not subject to loss of the BOG Fee Waiver under these regulations.

Assembly Bill 801, effective January 1, 2017, provides that homeless youth under 25 years of age, who have been verified at any time during the 24 months immediately preceding the receipt of his or her application for admission as a homeless child or youth under the federal McKinney-Vento Homeless Assistance Act, are eligible for enrollment priority and a BOG Fee Waiver for a period of six years from the date of admission or until age 25 is attained, provided they meet the minimum academic and progress standards as established by the Board of Governors.

Determination of homeless status must be made by one of the following:

1. A homeless service provider
2. The director of a federal TRIO program or Gaining Early Awareness and Readiness for Undergraduate Programs program or a designee of that director
3. A financial aid administrator

For further information, please visit the BOG Fee Waiver page on the financial aid office website: <http://www.venturacollege.edu/departments/student-services/financial-aid/loss-of-enrollment-loss-of-bog-fee-waiver>

**If you have questions or need assistance, please contact Admissions and Records, Counseling, or the Financial Aid office at your college.*

Scholarships/Ventura College Promise Grant

Scholarships and grants are awarded to help students continue their studies. Each year, the Ventura College Scholarship Program awards over \$500,000 to both continuing and transferring Ventura College students.

Applications for Ventura College Foundation scholarships may be obtained on the student portal in the Fall of each year. Additional information and applications for community scholarships are available in the Ventura College Foundation Office throughout the year.

Students within Ventura County who graduate from high school or receive their G.E.D. in 2016-2017 academic year may be eligible to have their first-year enrollment fees paid by the VC Foundation through the Ventura College Promise Grant. VC Promise applications are accessed via the student portal.

For more information, contact the Foundation Office at (805) 289-6461.

Housing Services

The College provides no campus housing, nor does it operate any off-campus housing. Selection and securing of housing, financial arrangements, and supervision are the responsibility of the student and his/her parent or guardian.

However, listings may be posted on campus kiosks which are overseen by the Student Activities Office. The listings are made available purely as a service, and the College assumes no responsibility as to the condition of the rental or the reputation of the owner.

The listings should include information about available rooms, room and board, rooms with kitchen privileges and other types of rentals. Students also have the option of posting "House for Rent", "I Need Roommates to Share", or "I Need a Place" flyers.

International Students Services

Program Purpose: *The International Students office provides assistance and support to International Students to facilitate their successful integration into American college life. Students will demonstrate their knowledge about their International student status and will understand the Federal regulations for maintaining their visa status in good standing.*

The International Student Office assists with the admission of new international students, as well as currently enrolled international students under F-1 Visa (Student Visa) from countries all around the world including: Australia, Canada, Brazil, England, France, Italy, Japan, Norway, Sweden and many more. For any questions or further information, please contact the International Student Office at (805) 289-6182

Military Veterans and Eligible Dependents

The Colleges of the Ventura County Community College District offer courses approved for V.A. benefits under Chapters 30,31,32,33,35, and 1606/1607 under Title 38 of the U.S. Code. All veterans and eligible dependents are required to see a counselor before enrolling. They are also responsible for notifying the School Certifying Official on campus of any changes in their academic program, class schedule, their marital or dependent status, or to their address.

AB272: Registration priority is granted to any member or former member of the Armed Forces of the U.S. for any academic term attended within four years of leaving active duty.

Enrollment can only be certified to the Veterans Administration for benefits when a student has completed the following:

- Apply for College admission at venturacollege.edu/apply
- Apply for your VA benefits online at gibill.va.gov
- Make an appointment with a College counselor and completed an Educational Plan
- Submit official transcripts from all other colleges and universities you have attended, including SMART/AARTS military transcripts, to the campus Veteran's Benefits Specialist/Certifying Official.
- Submit required paperwork to the VA Certifying Official in the Admissions and Records Office.

IMPORTANT: VETERANS WHO HAVE ATTENDED OTHER COLLEGES: AN UNOFFICIAL TRANSCRIPT CAN BE USED FOR THE INITIAL COUNSELING APPOINTMENT. PLEASE SUBMIT AN OFFICIAL TRANSCRIPT TO THE ADMISSIONS OFFICE SHORTLY THEREAFTER.

The Ventura College Veterans Benefit School Certifying Official is located in the Admissions and Records Office, (805) 289-6060.

External Resources

- The California Department of Veteran Affairs can be reached directly at 1(800) 952-5626 or cdva.ca.gov.
- The Department of Veteran Affairs can be reached at 1(888) 442-4551 or gibill.va.gov

Veterans' Educational Benefits

The colleges of the Ventura County Community College District are approved to process claims for students who are eligible to receive educational benefits under various chapters from the V.A. Students interested in filing benefits claims or receiving information should contact the School Certifying Official in the Admissions and Records Office.

Students eligible for veteran's services will have access to information about services available, their options and their responsibilities for using benefits.

Enrollment and Rate of Pay

Only courses which meet requirements for the major and degree objective indicated on the veterans' Educational Plan will be certified for payment. If the educational objective is changed, the student must complete a new Educational Plan. Veterans must request enrollment certification each semester if they want to continue to receive benefits, it is not automatic for continuing students.

V.A. educational benefits are paid based on the number of certified units in which the student is enrolled:

Regular Semester

- 12 units = full-time pay
- 9 units = three-quarter time pay
- 6 units = one-half time pay (6.5 units or more for Post-9/11, Ch. 33 benefits)

Summer Session

- 6 units = full-time for 8 week classes
- 4 units = full-time for 6 week classes
- (3/4 and half-time pay calculated accordingly)
- Post-9/11, Ch. 33 Veterans should call the V.A. for exact pay information.

Payment amounts are calculated based on eligibility, chapter of benefits and units certified as determined by the Veteran's Administration.

The majority of V.A. Educational Assistance Programs do not pay a monthly allowance for less than half-time enrollment, although the veteran may be reimbursed for the cost of tuition and fees.

Under existing Veterans' Administration regulations, a student repeating a course is not eligible for veterans' benefits in most cases. Veterans should, therefore, check with the School Certifying Official in the Admissions and Records Office before repeating a course.

UNSATISFACTORY PROGRESS: In addition to the academic probation and dismissal standards applicable to all students, the Veteran's Administration requires that standards of progress be adopted for certification of educational benefits.

For the purpose of certification for educational benefits, academic probation is defined as the failure to complete a minimum of 50% of the total units attempted, and/or to maintain a minimum 2.0 cumulative grade point average.

Unsatisfactory progress occurs when a veteran has been placed on academic probation for two consecutive semesters. Unsatisfactory progress must be reported to the Veteran's Administration, and the veteran may not be certified for future educational benefits. Any veteran placed on unsatisfactory progress must consult the campus School Certifying Official and receive academic counseling before educational benefits can be reinstated.

Personal Counseling

Counselors understand that personal concerns sometimes interfere with learning, and that problems of a personal nature can affect many dimensions of a student's life, including their educational and career goals. Students are encouraged to come to the Student Health Center where counseling interns can assist them with non-academic concerns including anxiety, depression, stress, family or relationship issues. Appointments are available in the Student Health Center by calling (805) 289-6346.

Pirates Cove

Program Purpose: *Pirates Cove is designed to provide direct support and follow up services to at-risk students. The target population are students on academic probation or near dismissal, however, the Pirates Cove is also available to serve all Ventura College students.*

Faculty and staff are available in Pirates Cove to offer the following services:

- Supervised Study Enrichment Program
- Survival Skill workshops
 - o Finance and Budgeting
 - o Health and Wellness
 - o Time Management
- SSSP and matriculation assistance
- Advice and tips from recent college graduates / VC Alumni
- Referral services to other specialists on the campus
- Important reminders of campus and federal deadlines

Student Activities/Student Government

Program Purpose: *Student activities allow students to develop leadership and life skills that complement their academic growth. Through their participation in student government and clubs, students will hone their skills in self advocacy and personal accountability, and will participate in the college's shared governance process.*

For more information, please see "STUDENT ACTIVITIES AND GOVERNMENT" section of this catalog.

Student Health Center

Program Purpose: *The student health center provides access to health care and promotes the health and wellness of the student population. Students will be able to utilize the services provided by the student health center and identify community resources for ongoing chronic health issues.*

Students who paid the mandatory health fee are entitled to free health care appointments and health care education, and short-term personal counseling. Immunizations, medications, lab work, and procedures are also available at a low cost. If an accident occurs on campus please fill out a student accident report within 24 hours. The student accident insurance covers any accidents that occur on campus or in Ventura College sponsored activities. *** Skateboarding accidents are not covered. If we are unable to provide you with a needed health care service, we will refer you to an outside resource. Please visit our website for hours, and specific clinic times or for more information. The Student Health Center is located in CRC-108. Call (805) 289-6346 for an appointment or information.

Student Outreach

Program Purpose: *The Student Outreach program facilitates enrollment at Ventura College by providing:*

- pre-admissions information and assistance to all prospective students;
- access to and knowledge of campus resources;
- promotion of academic, career and student services to all prospective students and the community;
- coordination of on-campus and community outreach events;
- representation of the college at off-campus sites;
- integration of matriculation, public relations, student services, and career technical education to create a comprehensive student centered program;
- Service as the primary contact to local K-12 districts, community groups, and industry;
- active publicity, promotion of interest, increase knowledge of academic and vocational programs, and student support services at Ventura College.

The Outreach program is located in the Campus Center at Ventura College and the Student Outreach Specialist coordinates with school sites, industry partners, and community. (805) 289-6154

Transfer and Career Center

Program Purpose: *The Transfer and Career Center provides students with the necessary support and information to successfully transfer to a university and/or define and work towards a career goal. Students may receive assistance transferring to the University of California, California State University, Independent or Out-of-State universities. Students may utilize the career resources including career assessments and labor market information to identify a career goal.*

The TRANSFER AND CAREER CENTER provides services to student planning to transfer to a college or university in or out-of-state. The Center schedules on-campus visits by representatives from various colleges and universities and sponsors an annual UNIVERSITY/ COLLEGE FAIR event attended by over 50 colleges and universities. Workshops are held to assist students on various topics, including transfer admissions, university application processes, major prep, and selecting a major and career. The Center provides reference materials,

college catalogs, applications and other series necessary for planning and achieving a smooth transition between institutions.

Career advisement is also offered to assist students with career exploration and educational choices. The Center offers information on emerging career possibilities locally, statewide, and nationally, as well as salary and job trends. Career assessment instruments are available for a nominal fee.

The Center provides a collection of printed and audiovisual materials, as well as software and Internet-based career exploration resources. Various career related workshops are held, including career decision making, and selecting a major. The Center also sponsors an annual Job Fair.

Counselors are available by individual and group appointment to assist students with major, career, job, and college and university planning.

The Transfer and Career Center is located in the Student Services Center. The phone number is (805) 289-6411.

Transportation to Campus

Transportation to and from campus is the student's responsibility. The College provides no bus services and makes no payment in lieu of transportation. VISTA bus service, (800) 438-1112, provides bus transportation to Ventura and the surrounding communities with daily service to the College. This is the most affordable and hassle-free way to travel to and from the campus. Bus schedules are available at the phone switchboard in the Administration Building.

Veterans Resource Center

Program Purpose: *The Veterans Resource Center will provide a safe, welcoming environment for military veterans where they can gather, receive services and assistance that will enhance their access to and success at the college.*

Full- and part-time staff, college counselors, faculty and representatives from other departments on- and off-campus will provide services and support to our community of military veteran students. The Center will provide computers for student use; admission, registration and VA benefits assistance; academic and personal counseling; support groups and other services.

Student Connect / Information Center

Program Purpose: *The purpose of the Student Connect/Information Center is to provide students with an excellent entry experience at Ventura College, through the delivery of peer support services that enhance student success.*

Program Description: The Student Connect/Information Center serves both new and returning students. Full-time staff and Student Ambassadors will use a comprehensive personal approach to assist students with the admissions, orientation, and financial aid processes; guide students through the setup of a MyVCCCD Student Portal account; assist with the assessment and registration processes; connect students with appropriate Student Support Services; offer campus tours; and answer general questions about the college, its programs and services.

INSTRUCTIONAL SUPPORT SERVICES

Distance Education

Ventura College offers convenient, expanded access to higher education and learning opportunities via distance education. Distance Education means instruction in which the instructor and student are separated by distance, and interact through the assistance of communication technology. Distance Education has become a common learning method for students who are seeking to achieve their education goals. Distance Education courses are ideal for independent, self-directed, and motivated students who have access to function computers and internet on an on-going basis. To be a successful Distance Education student it is important to have, at a minimum, a moderate level of computer skills and comfort with using computers and the internet.

Ventura College provides multiple online support systems and tools to assist our distance education students. Student success services such as online tutoring, access to the library, databases for research, writing assistance, and other student services are available. We encourage all students new to Distance Education to begin by participating in our online Student Readiness Module, and Distance Education Learning Online Orientations and Quest for Success (in that order). These tools will help students learning how to use the Learning Management System (LMS). The LMS houses all online, hybrid, and web enhanced classes. During the recommended orientations, students will learn how to locate the online course, navigate the LMS, set personal settings, and use various tools. In-person orientations are also available for students during the first two weeks of each semester.

For more information, resources, or help please visit the Ventura College Distance Education website at: www.venturacollege.edu/online-services/distance-education, or contact a Distance Education professional by email at distance_ed@vcccd.edu.

Please see Appendix XXII for more details regarding Distance Education.

Desire2Learn Student Orientation

At the beginning of each semester we offer a live Student Orientation and Online Student Orientation to help students learn how to use our Learning Management System (LMS). The LMS houses all online, hybrid, and web enhanced classes. Students will learn how to locate online course, navigate the LMS, set personal settings, and use various tools. Please sign up for the Distance Education Student Orientation at: <http://www.venturacollege.edu/online-services/distance-education/current-students/de-student-orientations>

Learning Center

The 360-station Learning Center computer lab (the "BEACH") functions both as an open-access computer lab, which students can use on a drop-in basis for their college-related work, and as a lab for classroom instruction for English, reading, foreign language, learning skills, paramedic studies, and nursing. Computers are available with software for Internet access, word processing, textbook related materials, and specialized reading and writing programs. "BEACH" is an acronym for Best Educational Access to Computers and Help.

The "BEACH" Learning Center computer lab is located on the first floor of the Library and Learning Resources building. For more information, call (805) 289-6320. A Learning Center is also located at the Ventura College Santa Paula site and is open to all Ventura College students; call (805) 289-6590 for directions and more information.

Learning Resource Center (LRC)

Students will see the LRC noted on maps and as rooms on their schedules. The LRC Building is the Library and Learning Resources Building. On the first floor is the Tutoring Center, which offers free tutoring to all VC students, and the Learning Center "BEACH" computer lab. Classes in the BEACH are noted, for example as LRC-J (POD/computer station J), on student schedules. On the second floor is the Library which is a great place to study. The third floor is home to the Communication and Learning Resources Division Office, the Social Sciences and Humanities Division Office, and offices for faculty members from those divisions.

Library

The Evelyn and Howard Boroughs Library provides equity in access to library collections, services, and resources to Ventura College students, faculty, and staff, regardless of their location or educational modality. Our academic library encourages intellectual curiosity and serves as reliable source for education, information, and research. Further, the Library supports the growth and development of self-reliant, life-long learning, seekers and evaluators of information through continuous self-assessment and improvement of services and resources. By partnering with faculty, the Library builds information competency skills and co-creates high quality educational experiences.

The Library functions as a study area and resource laboratory for students developing term papers, preparing speeches, and completing other classroom assignments. The Library is located on the second floor of the Learning Resource Center (LRC). The collection consists of 107,479 volumes, 143 periodical titles, and several online "full text" electronic databases.

The Library has several study areas including eight group study rooms, quiet study areas, and a large ocean-view reading room. There are also public access catalog stations located throughout the Library for research. Printing from computer workstations and photocopying are available in the Library. Wireless access is available to students within the facility.

The Library also functions as a teaching facility as the librarians instruct students and community patrons on the use of the Library and its resources. The librarians offer instruction via orientation/ tours, a one-unit, self-paced library course (LIB V01), and individual Internet and database instruction.

A branch of the Library is located at the Ventura College Santa Paula site in Santa Paula. All library services at the main campus library, including book borrowing and return, are available at the branch.

Online Access: Students may log on to the Library's online catalog and full text databases through the Internet at www.venturacollege.edu/library. Click on the Library Resources. Students should first see a librarian for instruction on how to use the databases.

Textbooks available in the Library: The Library has two textbook collections: the Ventura College Foundation Textbook Reserve Collection and the Textbook Lending Library. The Ventura College Foundation has provided financial support for both collections in past years. The Textbook Reserve Collection materials are current copies of textbooks and is "Library Use Only." Ask at the Circulation Desk for the Textbook Reserves Collection. The Textbook Lending Library contains a limited collection of textbooks that students may check out for the semester. The Textbook Lending Library materials are primarily used textbooks and may include prior editions. For more information, especially with regard to the Textbook Lending Library, please check with a library staff member about the future status of this program.

Children's Library: The Library houses a pre-school age children's library including hundreds of books, a special computer with educational software, child-sized furniture, and children's art. The collection specializes in books on topics that might not be found in a public library — such as divorce, moving, and related family issues — so that parents and teachers can use them with children for educational purposes. This collection supports our Child Development program.

Contact Us: For more information, call (805) 289-6482 for Circulation and Reserves or (805) 289-6382 for a Reference Librarian. For all library related issues at Ventura College Santa Paula Site, please call (805) 289-6590.

Library Policies: The "Library Guidelines Manual" is available on the Ventura College website: [venturacollege.edu/library](http://www.venturacollege.edu/library) > **Library Documents.**

Reading/Writing Center

The Reading & Writing Center (RWC) is located in the LRC's Stan Weisel Tutoring Center. The RWC's focus is to support reading and writing across the curriculum. Students are encouraged to make use of the center's tutors and faculty to gain assistance with any writing assignment or issues with writing and reading that they would like to improve. Students are able to drop-in or make an appointment with a tutor to meet their schedule. Tutors will also provide individualized instruction to aid in the understanding of course assignments and expectations and in building confidence in reading and writing. Also available to students are handouts that address all areas of the writing process.

Math Center

The Math Center is located on the first floor of the Math/Science building just across the lawn from the LRC building in room SCI-223. Staffed with a tutor and volunteer faculty, the Math Center provides free drop-in tutoring for all levels of math. Math Center hours can be found on the website at: <http://www.venturacollege.edu/departments/student-services/tutoring/math-tutoring>. Tutors are also available for all levels of math in the Tutoring Center in the LRC building. For more information, call (805) 289-6026.

Online Tutoring

Ventura College students also have access to Net Tutor, our online tutoring service, for their VC courses. Online access is available 24/7 for many course subject areas. For more information, please see our online tutoring website at <http://www.venturacollege.edu/departments/student-services/tutoring/online-tutoring>.

Stan Weisel Tutoring Center

The Stan Weisel Tutoring Center provides free drop-in, group, and individual tutorial services to students enrolled in Ventura College classes. Online tutoring is available to all students. Tutors are Ventura College students who have been recommended by their instructors to assist students and volunteers from the community, many of whom are retired faculty. Besides helping students with course content, tutors clarify instructions for assignments, help brainstorm ideas for papers and projects, and teach strategies for effective study and exam preparation.

IDS N100 faculty are available throughout the day to assist students with assignments. IDS N100 is a free non-credit course that students enroll in to gain access to this assistance throughout the semester. IDS faculty may also conduct skill building workshops during the term that students may find helpful.

The Tutoring Center also has peer assisted learning services (PALS) where peer tutors (PALS) are assigned to a group of students identified by instructors for the purposes of improving success and retention rates in courses. The PALS leader may provide study skill strategies for the students enrolled in the course.

The Tutoring Center is located on the first floor of the Library and Learning Resource Center. For more information, please call (805) 289-6026 or visit <http://www.venturacollege.edu/departments/student-services/tutoring> for semester hours of operation. Tutoring is also available at the Ventura College Santa Paula site in Santa Paula. Please call (805) 289-6590 for directions and more information. All Ventura College students may use services at both sites.

Testing Center

Current students can schedule make-up tests during Testing Center open hours with instructor approval. The Testing Center is located in the LRC. Hours for the semester are available on the Testing center Website at <http://www.venturacollege.edu/departments/student-services/testing-center>.

CO-CURRICULAR ACTIVITIES

Ventura College supports a varied program of departmental, social, cultural and athletic curricular activities, as well as creative activities in dance, dramatics, and music. Every student is encouraged to participate in activities of his or her choice. More information is available from the respective departments listed.

Athletics

Playing under the name of the Pirates, the participants in the Men's and Women's Intercollegiate Athletic Programs compete in the Western State Conference with the exception of football, which is governed by the Southern California Football Association. To be eligible for competition, the student athlete must be actively enrolled and attending in a minimum of 12 units during the season of competition and maintain a cumulative grade point average of 2.0. "Of the 12 credit units, at least nine shall be attempted in courses counting toward the associate degree, remediation, transfer, and/or certification as defined by the College Catalog, and are consistent with the student athlete's educational plan." (California Community College Athletic Association Code).

The Men's Athletic Program offers competition in baseball, basketball, cross country, football, golf, swimming, tennis, track and field, and water polo. The Women's Athletic Program includes competition in basketball, beach volleyball, cross-country, soccer, softball, swimming, tennis, track and field, volleyball and water polo.

Information about Pirate Athletics can be found on the department's website, www.VCweplayhard.com.

Dance

Under the direction of the dance department staff, the dance curriculum is built around two major dance productions offered each year. These provide opportunities for dance and theatre students to gain experience in all aspects of dance performance and production.

Theatre

Theatre Arts faculty and staff at Ventura College aim to provide opportunities for students to gain practical experience in all aspects of performance and production. Co-curricular activities in Theatre Arts include two plays and other dramatic events produced throughout the academic year. Students seeking performance opportunities are required to audition. Students interested in production assignments (crew, costume, lights, set, sound, stage management, etc.) are encouraged to request an interview with the faculty director or producer of the desired project.

Music Organizations

COLLEGE CHOIR AND COLLEGE SINGERS: These groups are designed for people who enjoy singing a wide variety of the finest choral literature. College Choir is an open group for singers with little or no previous experience. College Singers require an audition to sing with ensemble. Those are held on the first day of the semester, along with the initial placement auditions for the College Choir. A major performance will be presented each semester.

ORCHESTRA: Students are invited to participate in orchestra rehearsals and concerts each semester. These classes provide opportunity to perform great symphonic literature. The orchestra often supports Musicals, Opera, and Ballet. Auditions may be required for the selected productions.

INSTRUMENTAL CHAMBER ENSEMBLES: Chamber Music Ensembles are organized each semester for those students who desire experience in interpretation. Strings, Guitar, Brass, Woodwind, and Percussion ensembles are formed when qualified personnel are available.

JAZZ BAND: Students rehearse weekly in a large jazz band, with a major performance at the end of the semester. The focus is on a variety of Jazz idioms. Auditions may be required.

OPERA AND MUSIC THEATER: Students participate in weekly rehearsals and perform in a major production each semester. Auditions may be required.

STUDENT ACTIVITIES AND GOVERNMENT

***Program Purpose:** Student activities allow students to develop leadership and life skills that complement their academic growth. Through their participation in student government and clubs, students will hone their skills in self advocacy and personal accountability, and will participate in the college's shared governance process.*

Student Activities Program

The goal of the Student Activities Program is to provide opportunities for students and the College to expand and develop through a wide variety of activities and experiences. Student participation in the Student Activities Program comprises two major areas: governance and college activities. Within each, a wide spectrum of experiences are available to students. Program areas include but are not limited to: student activities and programs, leadership, Associated Students of Ventura College (ASVC) Board and student governance, student clubs and organizations, posting approval, vendor approval, use of facilities and services by student clubs and organizations, student photo identification, and student commencement.

Associated Students

Students are encouraged to participate in campus shared governance. The Associated Students of Ventura College (ASVC) assumes major responsibility for coordinating student activities and expressing student concerns, interests, and viewpoints to the administration and college community. Student Government meetings are held every Tuesday at 1:45 p.m. in the Student Center Multi-Purpose Room. Students are welcome to attend meetings and to participate in discussions and activities. Students have the opportunity and are encouraged to participate on all College-wide and District committees, councils, and boards that influence College policy making. Visit the Student Activities Office, CSA Building, or call (805) 289-6487 for more information.

Student Activity Fee (optional)

An optional Student Activity Fee is collected at the time of registration (\$7 per semester). This fee provides support to student life activities, events, and programs sponsored by the Associated Students of Ventura College, campus student organizations, and departments including the Student Activities Office. Authorized by Education Code 70902(b)9, and approved by the VCCCD Board of Trustees April 2015. This fee may be waived for religious, political, financial or moral reasons. Waiver forms are available at the Student Business Office. Students who pay the fee may be eligible for exclusive events, activities, and programs hosted by ASVC and the Student Activities Office.

Ventura College Identification Card

Upon payment of the fee (\$10 yearly or \$6 per semester), students receive a Ventura College photo ID card that entitles them to a variety of goods and services, including free admission to many VC athletic events and discounted student theatre performances and musical performances. In addition, discounts of 10% and greater are available from a variety of businesses in the community. Cards are issued through the Student Activities Office.

Student Organizations

A variety of special interest and student organizations are active on campus. These organizations provide opportunities for students to meet, organize and work together to achieve specific goals. Officially registered active Student Organizations (Those that have the minimum number of student members required (5) who have paid their Student Activity Fee) must have a designated club representative and/or alternate representative to attend the Inter-Club Council meetings. Student Organization applications are available in the Student Activities Office. The following groups are, or have been, active in recent years:

*Achieving Biology and Chemistry**
*Adventure Club**
*Alpha Delta Nu Nursing Honor Society**
*Alpha Gamma Sigma**
*Architecture Club**
Black Student Union
*Circle K International**
Dance Club
*Engineering Club**
*VC E-Sports Club**
*History & Pre-Law Association**
*Holistic Health Club**
*Improving Dreams Equality Access & Success (IDEAS)**
*InterVarsity Christian Fellowship**
*Latin@ Leadership Network**
*Math and Science Club**
*Movimiento Estudiantil Chicano de Atlan (MEChA) **
*Political Science Club**
*Pre-Health Society**
*Psychology Club**
*Society of Professional Hispanic Engineers (SHPE)**
*Sociology Club**
*VC Spectrum (formerly Gay-Straight Alliance)**
*Water Science Club**
*Young Urban Zen**

* Denotes Currently Active

Advertising, Posting and Distribution of Information on Campus

All flyers, posters and advertisements posted on campus must be stamped for approval by the Student Activities Office. Information then may be posted **only on** the College's bulletin boards or kiosks for a maximum of 14 working days. Only use transparent tape, tacks or staples. No information may be placed on walls, vehicles, sidewalks, windows, trash cans, benches, etc. Unapproved items, or those placed over approved information, may be removed by staff. The Office is also authorized to determine the place, time, and manner of the dissemination or disbursement of any information on campus. Advance scheduling is required for all such activities.

SPECIAL PROGRAMS

Civic Center (Facility Rentals)

The Civic Center Office coordinates the use of college facilities by off-campus organizations as authorized by the Civic Center Act. For information about facility usage, please call (805) 289-6105. The Civic Center Office is located on the Ventura College campus in the ADM building.

Dual Enrollment

Ventura College has partnered with local K-12 school districts to offer dual enrollment opportunities in which college classes are offered at local high schools, enabling students to receive both high school and college credits. The goal is to develop pathways from high school to community college for Career Technical Education (CTE), preparation for transfer, improving high school graduation rates, and helping high school students achieve college and career readiness. High School students interested in registering for dual enrollment classes should contact the Counseling Office at their local high school. For additional information about the Ventura College Dual Enrollment Program, please call (805) 289-6585 or (805) 289-6121.

El Camino High School

El Camino High School (ECHS) at Ventura College joined the College campus in 2008. A unique high school in the state of California, ECHS is an accredited independent-study high school that offers Advanced Placement and college prep courses, a Middle College Academy, and is a school of choice in the Ventura Unified School District. Many students attend El Camino High School at Ventura College on "inter-district" transfers, attending from all over Ventura, Santa Barbara, and Los Angeles Counties. Virtually all the ECHS students are enrolled in Ventura College courses, providing them the opportunity to take college and high school courses simultaneously, and to accumulate college credits in a supportive environment.

The goal of El Camino High School is that every student be provided with a learning environment that best suits his or her academic abilities, learning style, and personal interests. The High School provides a competency-based college prep high school program in an independent study delivery system. A unique educational plan is designed for each student. For more information on El Camino High School at Ventura College, please visit venturausd.org/elcamino/ or contact Cheryl Burns, Principal, at (805) 289-7955.

MESA

The MESA Community College Program supports students to successfully transfer to four-year universities in science, engineering and math majors. This support is especially crucial to students who come from low-performing high schools. The MESA Community College Program is a partnership between MESA and the California Community Colleges Chancellor's Office.

Eligibility:

1. Declare a calculus based (minimum of one semester required) major in math, science, or engineering field.
2. Planning to transfer to a four-year institution.
3. Have a minimum 2.5 cumulative GPA.
4. Completed MATH V03 or higher.
5. Demonstrated financial need by receiving federal and/or state financial aid (BOG Fee Waiver, PELL Grant, Cal Grant, etc.).
6. First-generation college student.

Main components include:

- Academic excellence workshops. Students are scheduled in the same core math and science classes and taught how to successfully master complex technical ideas and principles through a collaborative approach.
- Orientation course. New students learn skills to excel as math, science and engineering majors.
- Academic advising/counseling. Students receive individualized academic guidance and develop multi-year plans so they can take courses in the most effective sequence and transfer in a timely manner.
- Student study center. This dedicated multipurpose space is the hub for study, workshops, special activities and information sharing. It is a key element in building a close learning community.
- Assistance in the transfer process. MESA provides counseling, workshops and visits to four-year universities.
- Career development. Students learn specifics about various engineering majors and job experiences. Industry mentors, job shadowing opportunities, career fairs, internships, scholarships and field trips to companies are also offered.
- Links with student and professional organizations. These resources provide mentors, guest speakers and tours of companies.
- Professional development. Through workshops and mock job fairs, students learn soft skills, corporate culture, resume writing and interviewing skills.
- Industry Advisory partnerships. Local boards offer valuable connections between students and industry leaders. Corporate representatives, including MESA alumni, participate on boards and provide scholarships, strategic planning, summer internships, field trips, scholarships, employment opportunities and other resources.

Program funding is administered through the California Community College Chancellor's Office.

Call (805) 289-6337 or visit the MESA office in SCI-224 for information.

State of California Department of Rehabilitation Assistance

The State of California Department of Rehabilitation (DOR) provides assistance for the vocational training and placement of individuals with physical or mental disabilities. Emphasis is on serving individuals with the most severe disabilities.

WHAT ASSISTANCE IS PROVIDED? The DOR may provide financial assistance for tuition, books, supplies and transportation relating to vocational training. There is no fee for services provided.

WHO CAN RECEIVE ASSISTANCE? Eligibility for DOR services is determined by the DOR office and is based on the existence of a physical or mental disability that results in a substantial impediment to employment. Apply to the State of California Department of Rehabilitation; 1701 Pacific Avenue, Suite 120, Oxnard, 93033 or 325 E. Hillcrest Drive, Suite 140, Thousand Oaks, 91360.

A Department of Rehabilitation counselor is also available for appointments on campus in the Educational Assistance Center for Ventura College students only. Call (805) 289-6300 for information.

Ventura College Santa Paula Site

957 Faulkner Road, Suite 106, Santa Paula

Phone: (805) 525-7136

Fax: (805) 933-1972

From main campus, dial extension 6100

Office Hours:

Monday–Thursday: 8:00 a.m. to 7:00 p.m.

Library and Learning Resource Center Hours:

Monday–Thursday: 8:00 a.m. to 8:30 p.m.

For over 30 years, the Ventura College Santa Paula (VCSP) Campus has offered access to higher education to the communities of Santa Paula, Fillmore, and Piru. At VCSP, courses are open to all students seeking to achieve their educational goals. Students may choose from a variety of educational programs, including rotation of general education transfer courses, career and technical training, and basic skills and English as a Second Language (ESL).

VCSP offers student services to all Ventura College students and prospective students. Bilingual (English/Spanish) staff, including a full-time Academic Counselor and Student Services Assistant are on site to assist students with educational planning, admissions, and registration. Additional services include financial aid assistance, student portal support, payments, English and math assessment testing, and Student Health Center resources.

The VCSP Library and Learning Resource Center is open to all Ventura College students and is a place for students to do research, write class papers, check out books via inter-library loan and the Lending Library, and work with software programs for their specific classes. Free Wi-Fi is also available.

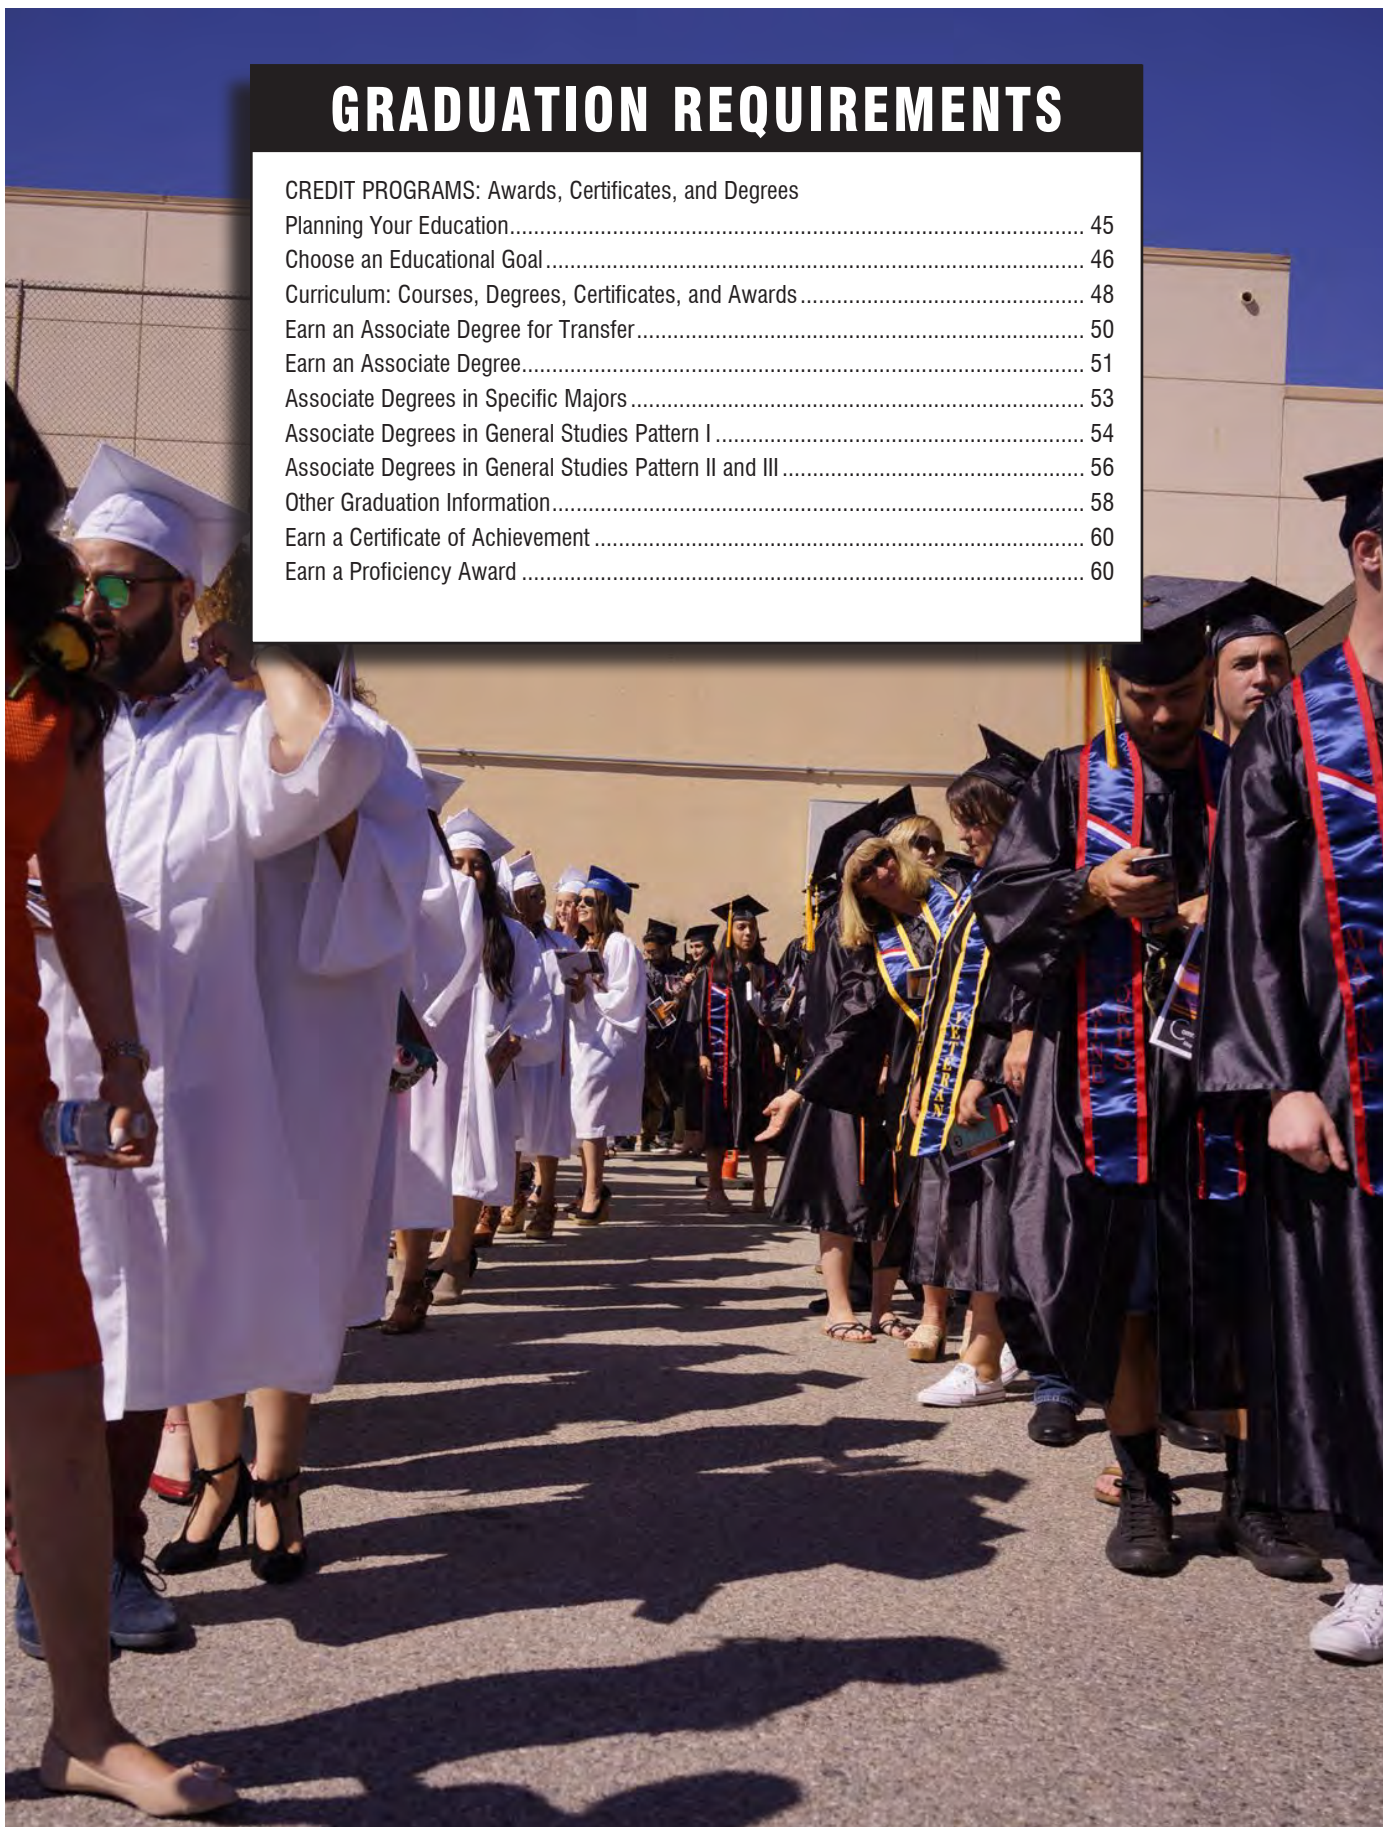

VCSP also hosts several educational and culturally diverse and informative events throughout the year, including rotating art shows, lectures, and workshops.

The VCSP extension campus is a model on how institutions of higher learning can combine innovative programs, student support, and instruction technologies to provide outstanding learning opportunities and community services. The site also serves as the center of operations for Ventura College Off-Campus Programs, including concurrent and dual enrollment.

Make Educational Choices to Support Your Goals.

Why are you attending Ventura College?

We all have unique interests and goals. You may be attending Ventura College for any number of reasons. Ventura College offers courses in an array of disciplines that can prepare you for skilled trades, specialized careers, job advancement, and transfer to a four-year college or university to further your education. Your goals should have a direct influence on the courses and programs you choose to complete while at Ventura College. It is important to keep your goals in mind at all times when selecting classes and programs and to remain informed about requirements specific to your goals.

Planning is Critical

You may already know what you want to accomplish while enrolled at Ventura College or you may be unaware of your options and what is necessary to reach your goals. Counselors at Ventura College are available to help you identify your goals and to create an educational plan that will help you achieve those goals. The Counselors also assist undecided students in clarifying what their goals are. It is to the student's advantage to develop an Educational Plan as soon as possible. Schedule a counseling appointment to start exploring the possibilities.

What do you want to accomplish at Ventura College?

- Prepare to transfer to a four-year college or university while earning an Associate Degree for Transfer.
- Earn an Associate Degree in a specific major or in General Studies with an area of emphasis.
- Gain skills for a job placement or advancement through a Certificate of Achievement, Proficiency Award, or Certificate of Completion.

Proof of Your Success

Ventura College offers four distinct types of credit awards showing educational achievement. If you are hoping to apply skills and knowledge to the job market once you finished at Ventura College, having proof of your accomplishments can be an asset.

- **Associate Degree for Transfer (ADT)** are Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) degrees and are awarded to students who successfully complete 60 semester units of required general education (either the CSU-GE Breadth, CSU-GE Breadth for STEM, IGETC, or IGETC for STEM pattern) and specific set of lower division major preparation coursework. Students with an ADT are guaranteed admission into the CSU in a program deemed similar to that degree and will have the opportunity to complete their Bachelor's Degree upon completion of the additional 60 units.
- **Associate Degrees** are awards that are broader in scope than certificates because they require coursework in an array of disciplines to broaden your learning experience and strengthen your critical thinking skills. This is referred to as **General Education**. See a counselor to assist you in determining which pattern you should follow.
- **Certificates of Achievement** require concentrated study in a specific skill or knowledge area.
- **Proficiency Awards** show that you have successfully completed one or more courses in a targeted career or skills area.
- **Certificates of Completion** lead to improved employability or job opportunities.

Choose an Educational Goal

Which Educational Program is the Right Fit For You?

The information below shows the different opportunities available at Ventura College to prepare you for your chosen career and the type of recognition you will receive for completing these programs. Schedule an appointment with a counselor to help you choose your specific educational goals. A list of all courses, awards and degrees offered at Ventura College can be found on pages 48-49.

Associate Degree for Transfer to the CSU System

California Community Colleges (CCC) are now offering Associate Degrees for Transfer (ADTs) to the California State University (CSU). These may include Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) degrees. These degrees are designed to provide students with a clear pathway to a CSU major and baccalaureate degree by completing 60 CSU transferable semester units at the community college and 60 units at a CSU campus. Ventura College currently offers 23 ADTs. Please meet with a counselor to see if one of these ADTs is appropriate for you and meets your transfer educational goal. See page 50 for more information and a complete list of requirements for earning an Associate Degree.

Transfer to a 4-Year Institution

Ventura College offers students the opportunity to complete their Associate Degree while completing courses that are required for transfer and apply toward their Bachelor's Degree, whether that is a University of California (UC), California State University (CSU), Independent, or out-of-state institutions.

Associate Degree

In any economy, it is advantageous to have a college degree. Most of the associate degree majors at Ventura College are applicable to the local job market. An Associate in Arts (AA) or an Associate in Science (AS) degree requires the completion of 60 degree-applicable units, including courses in general education and courses in a chosen major. Ventura College also offers a General Studies degree that allows students to choose an area of emphasis from a group of disciplines rather than a specific major. See page 51 for a complete list of requirements for earning an Associate Degree.

Certificate of Achievement

Certificates of Achievement require concentrated study in specific skill or knowledge areas. Certificates require more units and generally prove more in-depth study than a proficiency award. Completion of a Certificate of Achievement makes a student eligible to participate in the spring graduation ceremony and is reflected on the student's transcript. See page 60 for a complete list of requirements for earning a Certificate of Achievement.

Proficiency Award

Proficiency Awards are given to students who have satisfactorily completed a course or a sequence of courses designed to lead them to specific types of employment or to enhance their skills. These awards are not recorded on student transcripts. See page 60 for a complete list of requirements for earning a Proficiency Award.

Certificate of Completion

Certificates of Completion are given to students who have satisfactorily completed a sequence of noncredit courses designed to improve employability or job opportunities.

See page 266 for a complete list of requirements for earning a Certificate of Completion.

Education Pathways

EARN AN ASSOCIATE DEGREE FOR TRANSFER

An Associate Degree for Transfer (ADT) is an Associate in Arts for Transfer (AA-T) or an Associate in Science for Transfer (AS-T) degree that is designed specifically for transfer to the California State University (CSU). The Associate Degree for Transfer is the result of Senate Bill 1440, a transfer bill that requires the California Community Colleges (CCC) to offer associate degrees for transfer in many of the most popular majors, and for the CSU to provide priority admission to CCC students who have earned an ADT. These degrees can be completed with a minimum of 60 CSU transferable semester units (or 90 quarter units) and include coursework in general education, major preparation, and electives (if needed).

Students who have completed an ADT in a major that has been deemed similar at a CSU will be guaranteed admission to a CSU in that major at junior standing, and will have the opportunity to earn a baccalaureate degree by completing the required 60 semester (or 90 quarter) units. The ADTs are recognized by both the CCC and the CSU as a measure of preparation and readiness for transfer to upper-division course work at the CSU. Students should be aware that an ADT will guarantee an admission to a CSU school but not necessarily the school the students have chosen.

TO OBTAIN AN AA-T OR AS-T, STUDENTS MUST COMPLETE THE FOLLOWING:

1. Choose an Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T) degree.
 - AA-T or AS-T in a specific major.
2. Complete 60 CSU transferable semester units or 90 quarter units that are eligible for transfer to the CSU, including both of the following:
 - (A) Certified completion of the California State University General Education-Breadth (CSU GE-Breadth) pattern (see page 75 for more information); OR the Intersegmental General Education Transfer Curriculum (IGETC-CSU) pattern (see page 84 for more information).
 - (B) Completion of a minimum of 18 semester or 27 quarter units in a major program or area of emphasis as determined by the college, (Please see detail in the **Course and Program Descriptions** section of the catalog). All courses in the major must be completed with a grade of "C" or better, or a "P" if the course is taken on a "Pass/No Pass" basis (Title 5, section 55063). Even though a "Pass/No Pass" grade is allowed, it is recommended that students complete their major courses with a letter grade (A, B, or C).
3. Earn a minimum grade point average (GPA) of at least 2.0 in all CSU transferrable coursework. While a minimum of 2.0 is deemed eligible for transfer into a CSU program, some majors may require a higher GPA. Please consult the **assist.org** website and/or with a counselor for more information.
4. Complete requirements in **Residency**. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residency at the District College granting the degree.
5. Apply for your ADT. The ADT is not automatically awarded when you complete the requirements. Meet with a counselor to file an Application for ADT in the Counseling Office during the same semester in which you plan to finish the graduation requirements.

For a list of ADTs a student may earn at Ventura College at the time of catalog publication, please refer to pages 48-49.

For the latest information on Associate Degrees for Transfer (ADT), go to www.adegreewithaguarantee.com or www.sb1440.org

Reference: AP 4100 GRADUATION REQUIREMENTS FOR DEGREES AND CERTIFICATES - Last reviewed June 2017.

EARN AN ASSOCIATE DEGREE

An Associate Degree is an undergraduate academic degree consisting of a minimum of 60 degree-applicable semester units including general education (GE) requirements, major, emphasis requirements, and/or electives, if necessary. Associate degrees may be earned in academic disciplines and/or career technical areas.

- 1. Major/Area of Emphasis and GE:** Choose from these options and complete required **General Education and Major or Area of Emphasis** (18 units minimum):
 - Associate in Arts for Transfer (A.A.-T) or Associate in Science for Transfer (A.S.-T) in a specific major. See page 50.
 - Associate in Arts (A.A.) or Associate in Science (A.S.) in a specific major. See page 53.
 - Associate in Arts (A.A.) in General Studies, Patterns I, II, or III. See pages 54-57.
- 2. Units:** Complete a total of 60 degree-applicable semester units (General Studies Patterns II and III require all 60 units to be CSU transferable units and AA-T/AS-T)
- 3. Grades:** Earn a grade of "C" or better, or a "P," in every course in the major or area of emphasis (Title 5, section 55063) selected. Even though a grade of "P" is allowed, it is highly recommended that students complete all their major or area of emphasis coursework for a letter grade (A, B, or C).

Note: Universities have limitations on the number of units that can be taken with a P/NP (pass-no pass), and therefore, it is strongly recommended that students take all major coursework for a letter grade.
- 4. GPA:** Earn a minimum cumulative grade point average of 2.0 for all degree-applicable college and university course work attempted.
- 5. Competency:** Demonstrate competency in reading, written expression, and mathematics.
 - a. Reading** – Minimum competency in reading is satisfied by completion of the requirements for the associate degree.
 - b. Written Expression** – Minimum competency in written expression is satisfied by one of following:
 1. Successful completion (A, B, C, or P) of a college English Composition course at the freshmen composition level, or
 2. Successful completion (A, B, C, or P) of an equivalent English Composition course from a regionally accredited institution; or
 3. A score of 3 or higher on the Advanced Placement (AP) Language and Composition; or
 4. A score of 3 or higher on the Advanced Placement (AP) Literature and Composition; or
 5. A score of 5 or higher on the International Baccalaureate (IB) English HL exam; or
 6. A score of 50 or higher on the College Level Examination Program (C.L.E.P) exam.
 - c. Mathematics-** Minimum competency in mathematics is satisfied by one of the following:
 1. Successful completion (A, B, C, or P) of a college mathematics course in Intermediate Algebra; or
 2. Successful completion (A, B, C, or P) of a course offered by the college mathematics department with an Intermediate Algebra or higher prerequisite; or
 3. Successful completion (A, B, C, or P) of a course offered by a different department with an enforced prerequisite of Intermediate Algebra or higher; or
 4. A score of 3 or higher on the AP Calculus AB or Calculus BC exam; or
 5. A score of 3 or higher on the AP Statistics exam; or
 6. A score of 4 or higher on the IB Mathematics HL exam; or
 7. A score of 50 or higher on the CLEP College Mathematics or Precalculus exam; or
 8. Successful passing of the VCCCD math competency exam; or
 9. Successful completion (A, B, C, or P) of any course offered by the college's math department, or approved by the math department if offered by another department, which includes demonstrated ability in all of the following:
 - Simplify rational expressions and solve rational equations
 - Solve problems and applications involving systems of equations in three variables
 - Graph systems of inequalities in two variables
 - Simplify expressions involving positive, negative, and rational exponents
 - Perform mathematical operations on radical expressions and solve radical equations
 - Solve quadratic equations and their applications using multiple methods
 - Graph and evaluate elementary functions. Use definitions, domain and range, algebra and composition of functions on related applications.
 - Solve elementary exponential and logarithmic equations and related applications.
- 6. Residency:** Completion of at least 12 semester units in residence at the college granting the degree. The VCCCD Board of Trustees may make exceptions to the residency requirements in any instance in which it is determined that an injustice or hardship would otherwise be placed upon an individual student.

Reference: AP 4100 GRADUATION REQUIREMENTS FOR DEGREES AND CERTIFICATES - Last reviewed June 2017.

Associate Degrees in Specific Majors

Associate in Arts (AA) or Associate in Science (AS) Degrees in Specific Majors Requirements

1. Complete Ventura College's General Education Requirements (areas A-F) on page 64.

A. Natural Sciences - a minimum of 6 semester units

Biological Science - one (1) course

Physical Science - one (1) course

B. Social and Behavioral Sciences - a minimum of 6 semester units

American History and Institutions - one (1) course

Social and Behavioral Sciences - one (1) course

C. Humanities - a minimum of 6 semester units

Fine/Performing Arts - one (1) course

Humanities - one (1) course

D. Language and Rationality - a minimum of 6 semester units

English Composition - one (1) course

Communication/Analytical Thinking - one (1) course

E. Health and Physical Education/Kinesiology

Health Education - one (1) course

Physical Education/Kinesiology - one (1) activity course

2. Choose an AA/AS major from the list on pages 48-49 and complete the courses required for that major. Courses for the major must be completed with a grade of "C" or better, or "P" if the course is taken on a "pass-no pass" basis (Title 5 section 55063). Even though a "pass-no pass" is allowed, it is recommended that students complete all major coursework for a letter grade (A, B, or C).

Note: Universities have limitations on the number of units that can be taken Pass/No Pass and therefore it is strongly recommended that students take all major coursework for a letter grade (A, B, or C).

3. Complete a total of 60 degree-applicable semester units (including General Education, major, and electives, if needed)

4. Complete graduation requirements in competency in Mathematics and English (see page 51 for details)

5. Complete scholarship requirements (2.0 minimum cumulative degree-applicable GPA)

6. Complete requirements in residency (see page 51)

7. Apply for the Associate Degree in the Counseling Office by stated deadline dates. All of your official transcripts and test scores (such as AP, IB, or CLEP) must be on file with the Admissions and Records Office. See graduation requirements on page 51.

For a list of Associate Degrees a student can earn at Ventura College at the time of catalog publication, please see pages 48-49.

Reference: AP 4025 PHILOSOPHY AND CRITERIA FOR ASSOCIATE DEGREE AND GENERAL EDUCATION - Last reviewed June 2017.

Associate Degree in General Studies Pattern I

Associate in Arts in General Studies Pattern I

This pattern provides an opportunity to earn an Associate in Arts(AA) in General Studies. This degree covers a broad area of study and is intended for students who may not be planning to transfer to a four-year university or who may need to explore possibilities before committing themselves to a major. Students are required to:

1. Complete Ventura College's General Education requirements to include areas A-F (page 64)
2. Choose an area of emphasis from one of four categories listed below:
 - Natural Sciences Emphasis
 - Social and Behavioral Sciences Emphasis
 - Arts and Humanities Emphasis
 - Holistic Studies Emphasis
3. Complete a minimum of **18 units in the chosen area of emphasis** with a grade of "C" or better or "P" if the course is taken on a "pass-no pass" basis (Title 5, § 55063). Even though a "P" is allowed, it is recommended that students complete all area of emphasis coursework for a letter grade (A, B, or C). (**Note:** *Universities have limitations on a number of units that can be taken Pass/No Pass and therefore it is strongly recommended that students take all area of emphasis coursework for a letter grade*). **Complete a minimum of 6 of the 18 units within a single discipline.** Courses in the area of emphasis may also be used to fulfill general education requirements but the units may count only once.
4. Complete a minimum of 60 degree-applicable units.
5. Complete the college's other graduation requirements in competency (Mathematics and English), scholarship, and residency.
6. Apply for the AA degree in the Counseling Office by stated deadline dates.

NOTE: Students planning to transfer to a four-year university are advised that this curriculum may not adequately prepare them for transfer. General Studies Patterns II and III are designed for transfer students.

Areas of Emphasis

Natural Sciences Emphasis

The courses that fulfill the Natural Sciences area of emphasis will examine the physical universe, its life forms and natural phenomena. The courses are designed to develop students' appreciation and understanding of the scientific method, and encourage an understanding of the relationships between science and other human activities.

AG V06; **ANAT** V01; **ANPH** V01; **ANTH** V01, V01L, V35, V35L; **AST** V01, V01L; **BIOL** V01, V01L, V03, V04, V10, V12, V14, V18, V23, V29, V29L, V30, V40, V42; **BIOT** V18, V30, V42; **CHEM** V01A, V01AL, V01B, V01BL, V12A, V12AL, V12B, V12BL, V20, V20L, V21, V21L, V30, V30L; **CJ** V35, V35L; **ESRM** V01, V02, V10, V11, V14; **GEOG** V01, V01L, V05; **GEOL** V02, V02L, V03, V03L, V07, V09, V11, V21; **MICR** V01; **PHSC** V01; **PHYS** V01, V02A-V02AL, V02B-V02BL, V03A-V03AL, V03B-V03BL, V04-V04L, V05-V05L, V06-V06L; **PHSO** V01; **PSY** V03.

Social and Behavioral Sciences Emphasis

The courses that fulfill the Social and Behavioral Sciences area of emphasis will examine people as members of society. The courses are designed to develop students' awareness of the method of inquiry used by the social and behavioral sciences; to stimulate critical thinking about the ways people respond to their societies; and to promote appreciation of how societies and social subgroups operate.

AES V01, V02A, V02B, V11, V20, V21A, V21B, V22, V23, V24, V40A, V40B, V41, V42A, V42B, V61, V63; **ANTH** V02, V03, V04, V05, V06, V07, V35, V35L, V36; **BUS** V30; **CHST** V01, V02, V24; **CD** V02, V03, V05, V61; **CJ** V01, V02, V03, V19, V35, V35L; **COMM** V12, V15, V16; **ECON** V01A, V01B; **ESRM** V03; **GEOG** V02, V06, V08; **HIST** V01A, V01B, V02A, V02B, V03A, V03B, V04A, V04B, V05A, V05B, V07A, V07B, V08, V10B, V12, V13, V14A, V14B, V15, V16, V17, V18A, V18B, V21; **HMSV** V50; **POLS** V01, V02, V03, V04, V05, V09, V10, V11, V12, V14, V15, V16, V18; **PSY** V01, V02, V05, V07, V15, V25, V29, V30, V31; **SOC** V01, V02, V03, V04, V05, V07, V13, V24, V31.

Arts and Humanities Emphasis

The courses that fulfill the Arts and Humanities area of emphasis will examine the cultural activities and artistic expressions of human beings. The courses are designed to develop students' awareness of the ways in which people throughout the ages and in different cultures have responded to themselves and the world around them in artistic and cultural creation and to develop students' aesthetic understanding and ability to make value judgments.

AES V10, V12, V31, V61, V63, V65, V66, V67; **ART** V01, V02A, V02B, V02C, V03, V04, V05, V06, V07, V08, V09, V11A, V12A, V13A, V19, V50A, V51A, V58A; **COMM** V01, V03, V05, V10, V12, V15, V16; **DANC** V01, V02; **ENGL** V01B, V10, V11A, V15, V16, V18, V21A, V21B, V22A, V22B, V23, V26, V29A, V29B, V30, V31, V33, V34, V35, V36A, V36B, V133, V134, V135, V136A, V136B; **FILM** V01; **FREN** V01, V02; **GERM** V01, V02, V51A; **HIST** V01A, V01B, V15, V17, V18A, V18B; **IDS** V08; **ITAL** V01, V02; **JAPN** V01, V02; **MUS** V01, V03, V06, V07, V08, V09A, V09B; **PHIL** V01, V02, V03A, V03B, V04, V06A, V06B, V09, V10; **PHOT** V01, V02, V07; **SL** V10A, V10B, V10C; **SPAN** V01, V02, V03, V03S, V04, V04S; **THA** 01, V02A, V05A, V05B, V06A, V06B, V20, V22A, V22B, V28, V29, V30A, V31A, V31B, V31.

Holistic Health Studies Emphasis

The courses that fulfill the Holistic Health Studies area of emphasis will examine the study of the principles underlying the mind, body, spirit connection, and their relevance for guiding human beings through the major foundational experiences of life. This emphasis is visionary in nature, reflecting changes already occurring in society in general and in the local community specifically. The program curriculum is as follows:

1. **Required Core Courses:** **HED** V71 and **HED** V73

2. **Required Additional Courses: Select one (1) course from each of areas 2a through 2f:**

2a. **Spiritual Courses (select one):** **HED** V70; **PHIL** V09

2b. **Culture, Philosophy and Religion Courses (select one):** **ANTH** V07; **PHIL** V03A, V03B; **SOC** V02

2c. **Health and Human Development Courses (select one):** **HED** V01, V76, V87, V95, V97; **PSY** V02

2d. **Mind, Body, and Spirit Courses (select one):** **CJ** V11A; **KIN** V50A, V50B, V70A, V70B, V72, V73, V74A, V74B, V76A, V76B

2e. **Aerobic and Resistance Training Courses (select one):** **KIN** V10, V12, V14, V16, V18, V19, V20, V21, V22, V23, V26, V28, V34

2f. **Science and the Environment Courses (select one):** **BIOL** V01, V10, V12; **ESRM** V01; **GEOG** V01, V02, V06

Associate Degree in General Studies Patterns II and III

AA in General Studies Pattern II

This pattern is intended for students who are planning to transfer to a four-year university in high-unit majors or where completion of CSU GE-Breadth or IGETC is **not** appropriate or advisable. (See www.assist.org or a VC counselor for guidance). Independent or out-of-state universities may also fall in this category.

1. Select and complete courses from the general education of a transfer institution to include, at a minimum, the following Title 5 requirements:

- Natural Sciences (3 units)
- Social and Behavioral Sciences (3 units)
- Arts and Humanities (3 units)
- Language and Rationality–English Composition (3 units)
- Communication and Analytical Thinking (3 units)

AA in General Studies Pattern III

This pattern is intended for students who are planning to transfer to a California public four-year university (UC or CSU) and plan to use the CSU GE-Breadth or IGETC to fulfill their lower division general education.

- Complete CSU GE-Breadth (page 75) or IGETC (page 84)

Note: Students who complete CSU GE-Breadth or IGETC need to apply for GE certification in the Counseling Office and may be able to apply for a Certificate of Achievement.

2. Complete local graduation requirements to include:

- **Health Education** (one course/no unit minimum): **CD** V24; **EMT** V01; **HED** V01, V70, V71, V73, V76, V87, V95, V97; **HS** V10; **KIN** V80.
- **Physical Education/Kinesiology** (one course/no unit minimum): **CJ** V11A; **DANC** V03, V04, V06A, V06C, V10A, V10B, V10C, V10D, V13A, V13B, V13C, V13D, V14, V15A, V15B, V15C, V15D, V23, V27, V29A, V29B, V29C, V29D, V30A, V30B, V30C, V30D, V50A, V50B, V50C, V50D; **EAC** V21, V26; **ICA** V02, V03, V04, V05, V06, V07, V08, V13, V14, V15, V16, V17, V18, V19, V20, V21, V22, V23, V24, V25, V30A, V30B, V31A, V31B, V36, V69; **KIN** V02, V03, V04, V06, V10, V12, V14, V16, V18, V19, V20, V21, V22, V23, V24, V26, V28, V32, V34, V40A, V40B, V42A, V42B, V44A, V44B, V46A, V46B, V48A, V48B, V50A, V50B, V52, V70A, V70B, V72, V73, V74A, V74B, V76A, V76B; **THA** V14.
- **Ethnic/Gender Studies:** (A minimum of 3 units): **AES** V01, V02A, V02B, V10, V11, V12, V20, V21A, V21B, V22, V23, V24, V31, V40A, V40B, V41, V42A, V42B, V61, V63, V65, V66, V67; **ANTH** V02, V04, V06; **ART** V02C, V03, V07, V08, V09; **CD** V05; **CHST** V01, V02, V24; **CJ** V03; **COMM** V12; **ENGL** V33, V34, V35, V36A, V36B, V133, V134, V135, V136A, V136B; **GEOG** V02; **HIST** V02A, V02B, V03A, V03B, V05A, V05B, V10A, V10B, V12, V13, V14A, V14B, V15, V17, V21; **MUS** V03, V07; **POLS** V11, V14; **PSY** V30; **SOC** V03, V04, V24.

3. Choose an area of emphasis.

- Complete a minimum of **18 units in the chosen area of emphasis** with a grade of "C" or better or "P" if the course is taken on a "pass-no pass" basis (Title 5, § 55063). *Even though a grade of "P" is allowed, it is recommended that students complete all their area of emphasis coursework for a letter grade (A, B, or C).* **Note:** Universities have limitations on the number of units that can be taken "pass-no pass" and therefore it is strongly recommended that students take all area of emphasis coursework for a letter grade (A, B, or C).
- Complete a minimum of **6 of the 18 units within a single discipline.**
- Select courses that fulfill major preparation requirements for the chosen transfer institution. CSU and UC articulation can be found at www.assist.org. Other articulation can be found in the Student Services and/or Academic Affairs Office. If no articulation exists with the intended transfer institution, you may obtain guidance from recruitment counselors, the transfer institution's departmental advisors in your major, and/or their catalog/website.

4. Complete a minimum of 60 transferable units.

5. Complete competency requirements in Math and English (see page 51 for options in meeting competencies).

NOTE: Courses used to fulfill the CSU GE-Breadth or IGETC requirements in Mathematical and Written Communication or English Composition will fulfill this requirement.

6. Complete requirements in scholarship (2.0 minimum cumulative degree-applicable GPA).

7. Complete residency requirements. Students must complete at least 12 semester units in residence at Ventura College in order to receive a degree from Ventura College. The same policy applies to all colleges in the district: a minimum of 12 semester units must be completed at the college granting the degree.

8. Apply for the degree in the Counseling Office by stated deadline dates.

Associate Degree in General Studies Patterns II and III

Areas of Emphasis for Patterns II and III:

Natural Sciences or Mathematics Emphasis

The courses that fulfill the Natural Sciences or Mathematics area of emphasis will examine the physical universe, its life forms and the measurement of natural phenomena. The courses are designed to develop students' appreciation and understanding of the scientific method, along with mathematical evaluation, and to encourage an understanding of the relationships between science/mathematics and other human activities. This emphasis enables the student to take courses that will satisfy lower division major preparation requirements for areas including but not limited to Allied Health, Biology, Chemistry, Environmental Science, Geological Sciences, Geography, Health Sciences, Mathematics, Nursing, Physics, and related disciplines.

ANAT V01; **ANPH** V01; **ANTH** V01, V01L, V02; **AST** V01, V01L; **BIOL** V01, V01L, V03, V04, V10, V18, V23, V30; **BIOT** V18, V30; **CHEM** V01A, V01AL, V01B, V01BL, V12A, V12AL, V12B, V12BL, V20, V20L, V21, V21L, V30, V30L; **ESRM** V01, V02, V03, V11, V14; **GEOL** V02, V02L, V03, V03L, V07, V11, V21; **GEOG** V01, V01L, V02, V05, V06, V08, V16, V22, V26; **GIS** V22, V26; **MATH** V04, V05, V20, V21A, V21B, V21C, V22, V23, V44, V46; **MICR** V01; **PHYS** V01, V02A-V02AL, V02B-V02BL, V03A-V03AL, V03B-V03BL, V04-V04L, V05-V05L, V06-V06L; **PHSO** V01; **PSY** V04.

Social and Behavioral Sciences Emphasis

The courses that fulfill the Social and Behavioral Sciences area of emphasis will examine people as members of society. The courses are designed to develop students' awareness of the method of inquiry used by the social and behavioral sciences; to stimulate critical thinking about the ways people respond to their societies; and to promote appreciation of how societies and social subgroups operate. This emphasis enables the student to take courses that will satisfy lower division major preparation requirements for majors in, but not limited to, Anthropology, Economics, Ethnic Studies, Geography, History, Political Science, Psychology, and Sociology.

AES V01, V02A, V02B, V11, V20, V22, V23, V24, V40A, V40B, V63; **ANTH** V02, V03, V04, V05, V06, V07, V35, V35L; **BUS** V01A, V01B, V17, V30, V33, V45, V53; **CD** V02, V05, V11, V14, V19, V24, V28, V61, V62, V63, V64A, V64B; **CHST** V01, V02, V24; **CJ** V01, V02, V03, V04, V05, V08, V14, V25, V35, V35L; **ECON** V01A, V01B; **GIS** V22; **GEOG** V01, V02, V05, V08, V22; **HIST** V01A, V01B, V02A, V02B, V03A, V03B, V04A, V04B, V05A, V05B, V07A, V07B, V12, V17, V18A, V18B; **MATH** V40, V44; **POLS** V01, V02, V03, V04, V05; **PSY** V01, V02, V03, V04, V05, V07, V15, V25, V29, V30, V31; **SOC** V01, V02, V03, V04, V05, V07, V13, V24, V31.

Arts and Humanities Emphasis

The Arts and Humanities area of emphasis will examine the cultural activities and artistic expressions of human beings. The courses are designed to develop students' awareness of the ways in which people throughout the ages and in different cultures have responded to themselves and the world around them in artistic and cultural creation and to develop students' aesthetic understanding and ability to make value judgments. This emphasis enables the student to take courses that will satisfy lower division major preparation requirements for areas within the fields of Fine Arts, Performing Arts, English, Ethnic Studies, Foreign Languages, Music, and Philosophy.

AES V10, V65, V66, V67; **ART** V02A, V02B, V02C, V03, V04, V05, V06, V07, V08, V09, V11A, V12A, V13A, V16A, V19, V25A, V51A, V73A; **COMM** V01, V03, V05, V10, V12, V15, V16; **DANC** V01, V02, V10A, V14, V15A, V15B, V50A; **ENGL** V01B, V01C, V10, V21A, V21B, V22A, V22B, V26, V30, V31; **FREN** V01, V02; **GERM** V01, V02, V51A; **ITAL** V01, V02; **JAPN** V01, V02; **MUS** V02A-V02AL, V02B-V02BL, V02C-V02CL, V02D-V02DL, V09A, V09B, V24A, V24B, V24C, V24D; **PHIL** V01, V02, V03A, V03B, V04, V05, V06A, V06B, V09, V10; **PHOT** V01, V02, V04A, V06A, V09A; **SL** V10A, V10B, V10C; **SPAN** V01, V02, V03, V03S, V04, V04S; **THA** V01, V02A, V02B, V05A, V06A, V14, V20, V21, V22A, V31A.

Liberal Studies Emphasis

The courses that fulfill the Liberal Studies area of emphasis will examine a diverse array of academic disciplines providing a breadth of knowledge necessary to prepare students in the subject matter required for a multiple subject teaching credential in elementary or special education. In addition, the coursework is designed to enable students to: explore how knowledge across multiple disciplines is interrelated; think critically and creatively; write and speak clearly, coherently, and thoughtfully; read, understand, and evaluate all forms of text; evaluate the positive value and essential role of diversity; and formulate their own goals for continued learning and inquiry based on a foundation of intellectual curiosity.

ART V01; **AST** V01, V01L; **BIOL** V01, V01L; **CD** V02, V03, V05; **COMM** V01; **DANC** V01; **ENGL** V01A, V01B; **GEOG** V02, V08, V22; **GEOL** V02, V02L, V03, V03L; **GIS** V22; **HIST** V07A, V08, V18A; **MATH** V38; **MUS** V08; **PHIL** V04, V05, V10; **PHSC** V01; **POLS** V01; **PSY** V05; **THA** V01.

Note:

1. Students choosing the Liberal Studies Emphasis should follow CSU GE-Breadth pattern only, not IGETC, to satisfy the General Education requirements of this degree.
2. A single course may be used to fulfill a general education requirement, a graduation or competency requirement, and a requirement in an area of emphasis, but the units can only count once toward the 60 units required for the Associate Degree and for transfer. A single course may not be used to fulfill more than one GE requirement nor more than one emphasis requirement.

OTHER GRADUATION INFORMATION

Graduation Requirements

As authorized by the California Code of Regulations, Title 5 (Education) section 55063, the Ventura County Community College District Governing Board confers the Associate in Arts (AA) degree, the Associate in Science (AS) degree, the Associate in Arts for Transfer (AA-T), the Associate in Science for Transfer (AS-T) and Certificates of Achievement on students who provide the required transcripts, meet the respective requirements as listed in the catalog, and who file with the appropriate college office an application for a degree and/or certificates. Graduation requirements for the Associate Degree are listed on page 51 of this catalog. Graduation requirements for the Associate Degree for Transfer (ADT) are listed on page 50. Graduation requirements for Certificates of Achievement are listed on page 60.

Student Responsibility

While counselors are available for assistance, the college expects every student to be familiar with graduation requirements and to assume the responsibility for their completion.

Graduation Application Steps after Application

- Students must file a petition for a degree, certificate, and/or proficiency award through the Counseling Office.
- District Colleges offer three graduation dates: summer term, fall semester, and spring semester.
- Graduation ceremonies are conducted at the end of the spring semester. (Please refer to the schedule of classes for specific date and time).
- Graduation petition deadline dates are locally announced at each District College.

Academic Year

The Fall semester is the first term of an academic year. The Summer semester, whether one or more sessions, constitutes the last term of an academic year.

Catalog Rights/Continuous Enrollment

A student attains the catalog rights when he/she continuously enrolls in one or more of the colleges of the Ventura County Community College District (VCCCD) or at any other regionally accredited college or university may meet the VCCCD graduation requirements in effect at the time of his/her entering or at any time thereafter. The catalog right applies only to graduation requirements and not to policies, procedures, or any other regulations.

Catalog rights/continuous enrollment are defined as attendance in at least one term each calendar year. Any academic record symbol entered on a transcript (A-F, CR, CRE, NC, P, NP, I, IP, RD, W, MW, and prior to fall 2009; CR and NC) shall constitute enrollment or attendance.

A student who has not maintained continuous enrollment is considered to be under new catalog rights when re-enrolling, unless the student is granted a petition/waiver for extenuating circumstances. This petition must be initiated by the student through a college counselor and approved by the discipline dean or designee.

Students should be made aware that other governing agencies may impose more restrictive limitations concerning the definitions of continuous enrollment or continuous attendance. Some agencies define continuous enrollment as remaining in attendance both fall and spring semesters. Some will not accept selected academic record symbols (such as Ws). Students who receive financial aid or whose status is alien might be affected by the more restrictive guidelines.

Double Counting

While a course might satisfy more than one general education area, it may be counted once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

Unit Transferability

While all California community colleges have transfer agreements with various higher educational institutions, it is important for students to understand there are limits on the number and type of course credits a student can transfer. Each District college develops courses and curriculum based on the expertise of its faculty and District standards. Each course is assigned a number of units ranging from 0.5 to 16 depending upon the course content. While the majority of VC courses are transferable to the UC system and/or CSU system, there is a possibility that not all units for every course will transfer in their entirety to every receiving institution due to the institution's unit limitations. Students need to consult with a community college academic counselor as soon as possible, visit the Transfer Center, and regularly check www.assist.org to learn whether their specific courses are transferable to a specific institution. Taking more credits than needed to transfer to another institution can also limit a student's eligibility to a financial aid opportunity. By working closely with academic counselors, the financial aid office, and the receiving institution's support services, eligible students can maintain maximum levels of financial aid resources and transfer of credits.

Course Substitution for Major and/or General Education Requirements

Occasionally a student may have difficulty in completing exact major and/or general education requirements as specified in the Ventura College catalog due to circumstances of class scheduling conflicts, class cancellation, related but comparable coursework taken outside of the college district, or circumstances beyond the control of the student. Under such circumstances, a student may file a "Petition for Substitution or Waiver" to seek approval from the appropriate college officials to substitute one or more courses in a designated major, an area of emphasis, and/or in general education. The petition forms are available in the Counseling Department.

Reciprocity for Local General Education Requirements

Colleges shall apply courses taken at other regionally accredited colleges or universities toward general education requirements in the areas where the student would have received credit at the institution where they were originally taken, or in the area where the transfer college fulfills VC GE criteria/description, or would place a comparable course, whichever best facilitates the student's degree completion.

Reciprocity for CSU GE-Breadth or IGETC Requirements

Students who are required to complete CSU GE-Breadth or IGETC for their particular degree, such as General Studies Pattern III or Associate Degree for Transfer, or Certificate of Achievement in CSU GE-Breadth or IGETC, shall have their courses evaluated for reciprocity according to the rules set forth by either CSU GE-Breadth in Executive Order (EO) 1065 or in the most current version of the IGETC Standards.

Guidelines for Additional Degrees, Certificates of Achievement, and Proficiency Awards

Any college in the Ventura County Community College District will award additional associate degrees, certificates of achievement and proficiency awards to students under certain criteria which follow below. Students seeking an associate degree(s) and who have a previous degree from an accredited institution will only be required to complete minimum (1) residency, (2) competency, (3) general education minimum Title 5 requirements, (4) major and (5) scholarship requirements. There will not be additional local GE or Health and PE/Kinesiology requirements.

U.S. Degrees: A student who has earned an associate degree or higher at any regionally accredited institution in the United States may earn additional associate degrees. Institutions must be regionally accredited by one of the following accrediting bodies:

- Middle States Association of Colleges and Schools, Commission on Higher Education
- New England Association of Schools and Colleges, Commission on Institutions of Higher Education
- New England Association of Schools and Colleges, Commission on Technical and Career Institutions
- North Central Association of Colleges and Schools, The Higher Learning Commission
- Northwest Commission on Colleges and Universities
- Southern Association of Colleges and Schools, Commission on Colleges
- Western Association of Schools and Colleges, Accrediting Commission for Community and Junior Colleges
- Western Association of Schools and Colleges, Accrediting Commission for Senior Colleges and Universities

Foreign Degrees: A student who already holds an associate degree or higher degree from any foreign institution accredited by one of the regionally U.S. accrediting bodies above or evaluated as equivalent to a regionally accredited institution by one of the member agencies of the National Association of Credential Evaluation Services or one approved by the California Commission on Teacher Credentialing may also earn additional degrees at one of the colleges of the VCCCD.

Students with transcripts in either of the above categories must complete the following minimum Title 5 requirements for the catalog year covering the additional degree(s). These include:

Residency Requirements: Students must complete a minimum of 12 semester units at the community college granting the degree.

Competency Requirements: Competency requirements in reading, written expression, and mathematics as defined by Title 5 section 55063. Students pursuing an ADT will have met these competency requirements by completion of either CSU GE-Breadth or IGETC.

General Education - Title 5 minimums include 18 units of General Education with:

- 3 semester units of Natural Sciences
- 3 semester units of Social and Behavioral Sciences
- 3 semester units of Arts and Humanities
- 3 semester units in English Composition
- 3 semester units in Communication and Analytical Thinking
- 3 additional semester units in one of the five areas above.

Major Requirements: Students must complete all required courses listed in the college catalog for the appropriate year for a specific major, ADT, area of emphasis, or area of option for the additional degree(s).

Scholarship: Students must meet the standards of scholarship in effect for the catalog year covering the additional degree(s) including the following:

- Courses for Associate degree majors must have a grade of "C" or better, or "P", beginning fall 2009.
- Courses for Certificates of Achievement must have a grade of "C" or better, or "P", beginning fall 2012.
- Courses for Proficiency Awards must have a grade of "C" or better, or "P", beginning fall 2012.

An additional degree can be in a specific major, General Studies with an area of emphasis, an ADT, or an additional option or emphasis within the major of the original degree.

Coursework taken for previously earned degrees may be used to fulfill the above requirements if deemed comparable by a counselor and/or discipline faculty.

No additional general education or local graduation requirements may be required.

Exceptions to Graduation Requirements

Appeals to the above policy may be submitted to the Vice President of Academic Affairs, or designee. Exceptions may be granted under extenuating circumstances or when there has not been sufficient opportunity to enroll in required courses.

Reference: AP 4100 - Last reviewed and approved by the Board of Trustees in June 2017.

EARN A CERTIFICATE OF ACHIEVEMENT

Certificates of Achievement are designed to demonstrate that the student has completed coursework and developed capabilities relating to career or general education.

1. Select a Certificate of Achievement from the VC catalog and complete all course work requirements as specified. For a Certificate of Achievement, a student must successfully complete a series of courses that has been approved by the California Community Colleges Chancellor's Office and that consists of 18 or more semester units of degree-applicable credit coursework. Certificate programs may also be approved for fewer units (a minimum of 12 and a maximum of 17.5 semester units of degree-applicable credit coursework).

2. Earn a cumulative grade point average above 2.0 in all degree-applicable college and university coursework attempted.

3. Courses used for the Certificate of Achievement must be completed with a grade of "C" or better or a "P" (formerly "CR") in each course.

Note: Universities have limitations on the number of units that can be taken Pass/No Pass grade, therefore, it is strongly recommended that students take all major coursework for a letter grade (A, B, or C).

4. Complete at least 12 semester units in residence at the college granting the certificate.

5. Apply for your Certificate. The Certificate of Achievement is not automatically awarded when you complete the requirements. File an application by the established deadline for the Certificate of Achievement in the Counseling Office during the same semester in which you plan to finish the requirements.

For a list of Certificates of Achievement a student may earn at Ventura College at the time of catalog production, please refer to pages 48-49.

Students considering applying for financial aid for a certificate program should review the information in Appendix IX and at www.venturacollege.edu/gainful-employment.

EARN A PROFICIENCY AWARD

A Proficiency Award may be given to a student upon successful completion of a course or series of courses as designated in the VC catalog.

1. Select a Proficiency Award from the VC catalog and complete all course requirements as specified.

2. Complete all applicable coursework used for the Proficiency Award with a grade of "C" or better or a "P" in each course.

3. Apply for your award in the Division Office.

Note: Proficiency awards are not transcribed on a student's transcript.

For a list of Proficiency Awards a student may earn at Ventura College at the time of catalog production, please refer to pages 48-49.

GENERAL EDUCATION

General Education Options.....	62
General Education Philosophy Statement.....	63
General Education Requirements	64

GENERAL EDUCATION OPTIONS

General Education (GE) is one of the required components of all Associate (and Baccalaureate) Degrees. At Ventura College, there are five General Education options available. The educational goal that a student is pursuing will dictate the GE options available to best serve a major completion or transfer pathway.

1. Ventura College General Education (pg. 64)

Ventura College's General Education plan is based on Title 5 requirements of the California Educational Code and District policy.

Majors at Ventura College requiring students to complete Ventura College's GE plan include:

- AA in General Studies Pattern I
- AA and AS Degrees in specific majors

2. CSU GE-Breadth (pg. 75)

Certified Completion of the CSU GE-Breadth pattern will fulfill the lower-division general education requirements of all CSU campuses in most majors. **Note:** There are some majors or colleges within CSU campuses for which CSU GE-Breadth is not the appropriate preparation. Please refer to your intended campus and major at assist.org and /or consult with a VC counselor for guidance.

Major for which this GE plan is an option:

- All transfer (AA-T or AS-T) degrees
- General Studies Pattern III

3. IGETC (pg. 84)

Certified completion of IGETC will fulfill the lower-division general education requirements of all UC campuses in most majors. **Note:** There are some majors or colleges within UC/CSU campuses for which IGETC is not the appropriate preparation. See IGETC Considerations on page 88 and refer to your intended campus and major on assist.org and/or consult with a VC counselor for guidance.

Major for which this GE plan is an option:

- All transfer (AA-T or AS-T) degrees
- General Studies Pattern III

4. IGETC for Science, Technology, Engineering, and Math (STEM)

A transfer student intending to major in science, technology, engineering, or mathematics may complete up to three (3) GE courses after transfer. UC will accept IGETC for STEM if the UC school, college, or major program to which the student transfers accepts partial IGETC certification. The courses to be completed after transfer may consist of at most one (1) in each of the following areas: arts and humanities, social and behavioral science, and languages other than English. See admission.universityofcalifornia.edu/glossary/igetc-for-stem.html for more information.

5. General Education Pattern of the intended Transfer Institution (including meeting minimum Title 5 requirements)

Students transferring to a four-year university in high-unit majors or where completion of the CSU GE-Breadth or IGETC is not appropriate or advisable may choose to follow the GE pattern of their intended institution instead. This may include students transferring to private universities, out-of-state universities, or UC/CSU campuses within majors that have their own specific GE requirements.

Major for which this GE plan is an option:

- General Studies Pattern II

Ventura College General Education Philosophy Statement

General Education is designed to introduce students to the variety of means through which people comprehend the modern world. It reflects the conviction of the college that those who receive our degrees must possess in common certain basic principles, concepts and methodologies both unique to and shared by the various disciplines. College educated persons must be able to use this knowledge when evaluating and appreciating the physical environment, the culture, and the society in which they live. Most importantly, general education should lead to better self-understanding.

This understanding involves the ability to think and to communicate clearly and effectively, both orally and in writing; to understand and apply mathematical concepts; to understand the modes of inquiry of the major disciplines; to be aware of other cultures and times; to achieve insights gained through experience in thinking about ethical problems; and to develop the capacity for self-understanding. In addition to these accomplishments, students shall possess sufficient depth in some field of knowledge to contribute to lifetime interest.

To meet the objectives of general education:

- A. Courses in the natural sciences are those that help students examine the physical universe, its life forms, and its natural phenomena; and develop an understanding and appreciation of the scientific method and of the relationships between science and other human activities.
- B. Courses in the social and behavioral sciences help students develop an understanding of the method of scientific inquiry used in the social and behavioral sciences; stimulate in students critical thinking about human behavior; and promote an appreciation of how societies and social subgroups have operated in the past and function in the present.
- C. Courses in the humanities help students develop an awareness of how people of different cultures and their own throughout the ages have responded to themselves, other people, and their environment in artistic and cultural creation; develop aesthetic understanding and the ability to make value judgments; and participate in creative experiences.
- D. Courses in language and rationality help students develop principles and applications of language toward logical thought, clear and precise expression, and critical evaluation of communication in whatever symbol systems the students use.
- E. Courses in health and physical education/kinesiology help students develop the understanding and skills necessary to maintain a healthful life.
- F. Courses in ethnic and gender studies help students develop an awareness of the historical roots and an appreciation of the cultural contributions of diverse ethnic populations and women; lead to an understanding of the causes and consequences of socio-economic inequality based on race, sex or ethnicity; and explore ways of eliminating such inequalities.

Ventura College General Education Requirements

Applies to Associate Degrees in General Studies Pattern I and all Associate Degrees in Specific Majors

All Students pursuing the Associate Degree (AA) in General Studies Pattern I, must complete this General Education plan in its entirety as part of their degree requirements. Students completing an Associate Degree in a specific major (AA/AS) listed on page 53 (for example: Automotive Technology or Child Development) must complete areas A-E below (but not F) of this General Education plan. Area F is only required for General Studies Pattern I majors. A minimum of 60 degree-applicable units is required for the Associate Degree in General Studies Pattern I. See page 54 for all degree requirements.

A. NATURAL SCIENCES (a minimum of 6 semester units with ONE course from section 1 Biological Science & ONE course from section 2 Physical Science)

- 1. BIOLOGICAL SCIENCE:** **AG** V06; **ANAT** V01; **ANPH** V01; **ANTH** V01, V01L, V35, V35L; **BIOL** V01, V01L, V03, V04, V10, V12, V14, V18, V23, V29, V29L, V30, V42; **BIOT** V18, V30, V42; **CJ** V35, V35L; **ESRM** V01, V10, V11, V14; **MICR** V01; **PHSO** V01; **PSY** V03.
- 2. PHYSICAL SCIENCE:** **AST** V01, V01L; **CHEM** V01A, V01AL, V01B, V01BL, V12A, V12AL, V12B, V12BL, V20, V20L, V21, V21L, V30, V30L; **ESRM** V02; **GEOG** V01, V01L, V05; **GEOL** V02, V02L, V03, V03L, V07, V09, V11, V21; **PHSC** V01; **PHYS** V01, V02A-V02AL, V02B-V02BL, V03A-V03AL, V03B-V03BL, V04-V04L, V05-V05L, V06-V06L.

B. SOCIAL & BEHAVIORAL SCIENCES (a minimum of 6 semester units with ONE course from section 1 American History/Institutions and ONE course from section 2 Social and Behavioral Sciences)

- 1. AMERICAN HISTORY/INSTITUTIONS:** **AES** V02A, V02B, V22, V40A, V40B, V63; **HIST** V02A, V02B, V03A, V03B, V04B, V05A, V05B, V07A, V07B, V12, V16, V17; **POLS** V01, V03.
- 2. SOCIAL AND BEHAVIORAL SCIENCES:** **AES** V01, V02A, V02B, V11, V20, V21A, V21B, V22, V23, V24, V40A, V40B, V41, V42A, V42B, V61, V63; **ANTH** V02, V03, V04, V05, V06, V07, V35, V35L, V36; **BUS** V30; **CD** V02, V03, V61; **CHST** V01, V02, V24; **CJ** V01, V02, V03, V19, V35, V35L; **COMM** V12; V15, V16; **ECON** V01A, V01B; **ESRM** V03; **GEOG** V02, V06, V08; **HIST** V01A, V01B, V02A, V02B, V03A, V03B, V04A, V04B, V05A, V05B, V07A, V07B, V08, V10A, V10B, V12, V13, V14A, V14B, V15, V16, V17, V18A, V18B, V21; **HMSV** V50; **POLS** V01, V02, V03, V04, V05, V09, V10, V11, V12, V14, V15, V16, V18; **PSY** V01, V02, V05, V07, V15, V25, V29, V30, V31; **SOC** V01, V02, V03, V04, V05, V07, V13, V24, V31.

C. HUMANITIES (a minimum of 6 semester units with ONE course from section 1. Fine/Performing Arts and ONE course from section 2. Humanities)

- 1. FINE/PERFORMING ARTS:** **AES** V10, V12, V65, V66, V67; **ART** V01, V02A, V02B, V02C, V03, V04, V05, V06, V07, V08, V09, V11A, V12A, V13A, V19, V50A, V51A, V58A; **DANC** V01, V02; **ENGL** V29A, V29B; **FILM** V01; **MUS** V01, V03, V06, V07, V08, V09A, V09B; **PHOT** V01, V02, V07; **THA** V01, V02A, V05A, V05B, V06A, V06B, V20, V22A, V22B, V28, V29, V31A, V31B.
- 2. HUMANITIES:** **AES** V12, V61, V63; **COMM** V05; **ENGL** V01B, V10, V11A, V15, V16, V18, V21A, V21B, V22A, V22B, V23, V26, V30, V31, V33, V34, V35, V36A, V36B, V133, V134, V135, V136A, V136B; **FREN** V01, V02; **GERM** V01, V02, V51A; **HIST** V01A, V01B, V15, V17, V18A, V18B; **IDS** V08; **ITAL** V01, V02; **JAPN** V01, V02; **MUS** V07; **PHIL** V01, V02, V03A, V03B, V04, V06A, V06B, V09, V10; **SL** V10A, V10B, V10C; **SPAN** V01, V02, V03, V03S, V04, V04S; **THA** V30A, V31A.

D. LANGUAGE & RATIONALITY (a minimum of 6 semester units with ONE course from section 1 English Composition and ONE course from section 2 Communication/Analytical Thinking)

- 1. ENGLISH COMPOSITION:** **ENGL** V01A (also meets English Competency)
- 2. COMMUNICATION/ANALYTICAL THINKING:** **BUS** V17; **COMM** V01, V03, V10, V15; **CS** V11, V13, V15, V17, V30, V40, V42; **DRFT** V03; **ENGL** V01B, V01C, V05, V06A; **MATH** V03, V04, V05, V12, V13B, V19, V20, V21A, V21B, V21C, V22, V23, V35, V38, V40, V44, V46, V52; **PHIL** V04, V05; **PSY** V04.

E. HEALTH AND PHYSICAL EDUCATION/KINESIOLOGY (a minimum of ONE course from section 1 Health Education and ONE course from section 2 Physical Education. There is no unit minimum)

- 1. HEALTH EDUCATION:** **CD** V24; **EMT** V01; **HED** V01, V70, V71, V73, V76, V87, V95, V97; **HS** V10; **KIN** V80.
- 2. PHYSICAL EDUCATION/KINESIOLOGY:** **CJ** V11A; **DANC** V03-V50D; **EAC** V21, V26; **ICA** V02-V69; **KIN** V02-V76B; **THA** V14.

F. ETHNIC/GENDER STUDIES (A minimum of 3 semester units.) For General Studies Majors ONLY (Patterns I, II, and III); NOT required for other degrees.

AES V01, V02A, V02B, V10, V11, V12, V20, V21A, V21B, V22, V23, V24, V40A, V40B, V41, V42A, V42B, V61, V63, V65, V66, V67;
ANTH V02, V04, V06; **ART** V02C, V03, V07, V08, V09; **CHST** V01, V02, V24; **CJ** V03; **COMM** V12; **ENGL** V33, V34, V35, V36A, V36B, V133, V134, V135, V136A, V136B; **GEOG** V02; **HIST** V02A, V02B, V03A, V03B, V04B, V05A, V05B, V10A, V10B, V12, V13, V14A, V14B, V15, V17, V21; **MUS** V03, V07; **POLS** V11, V14; **PSY** V30; **SOC** V03, V04, V24.

Transfer to Complete Your Bachelor's Degree

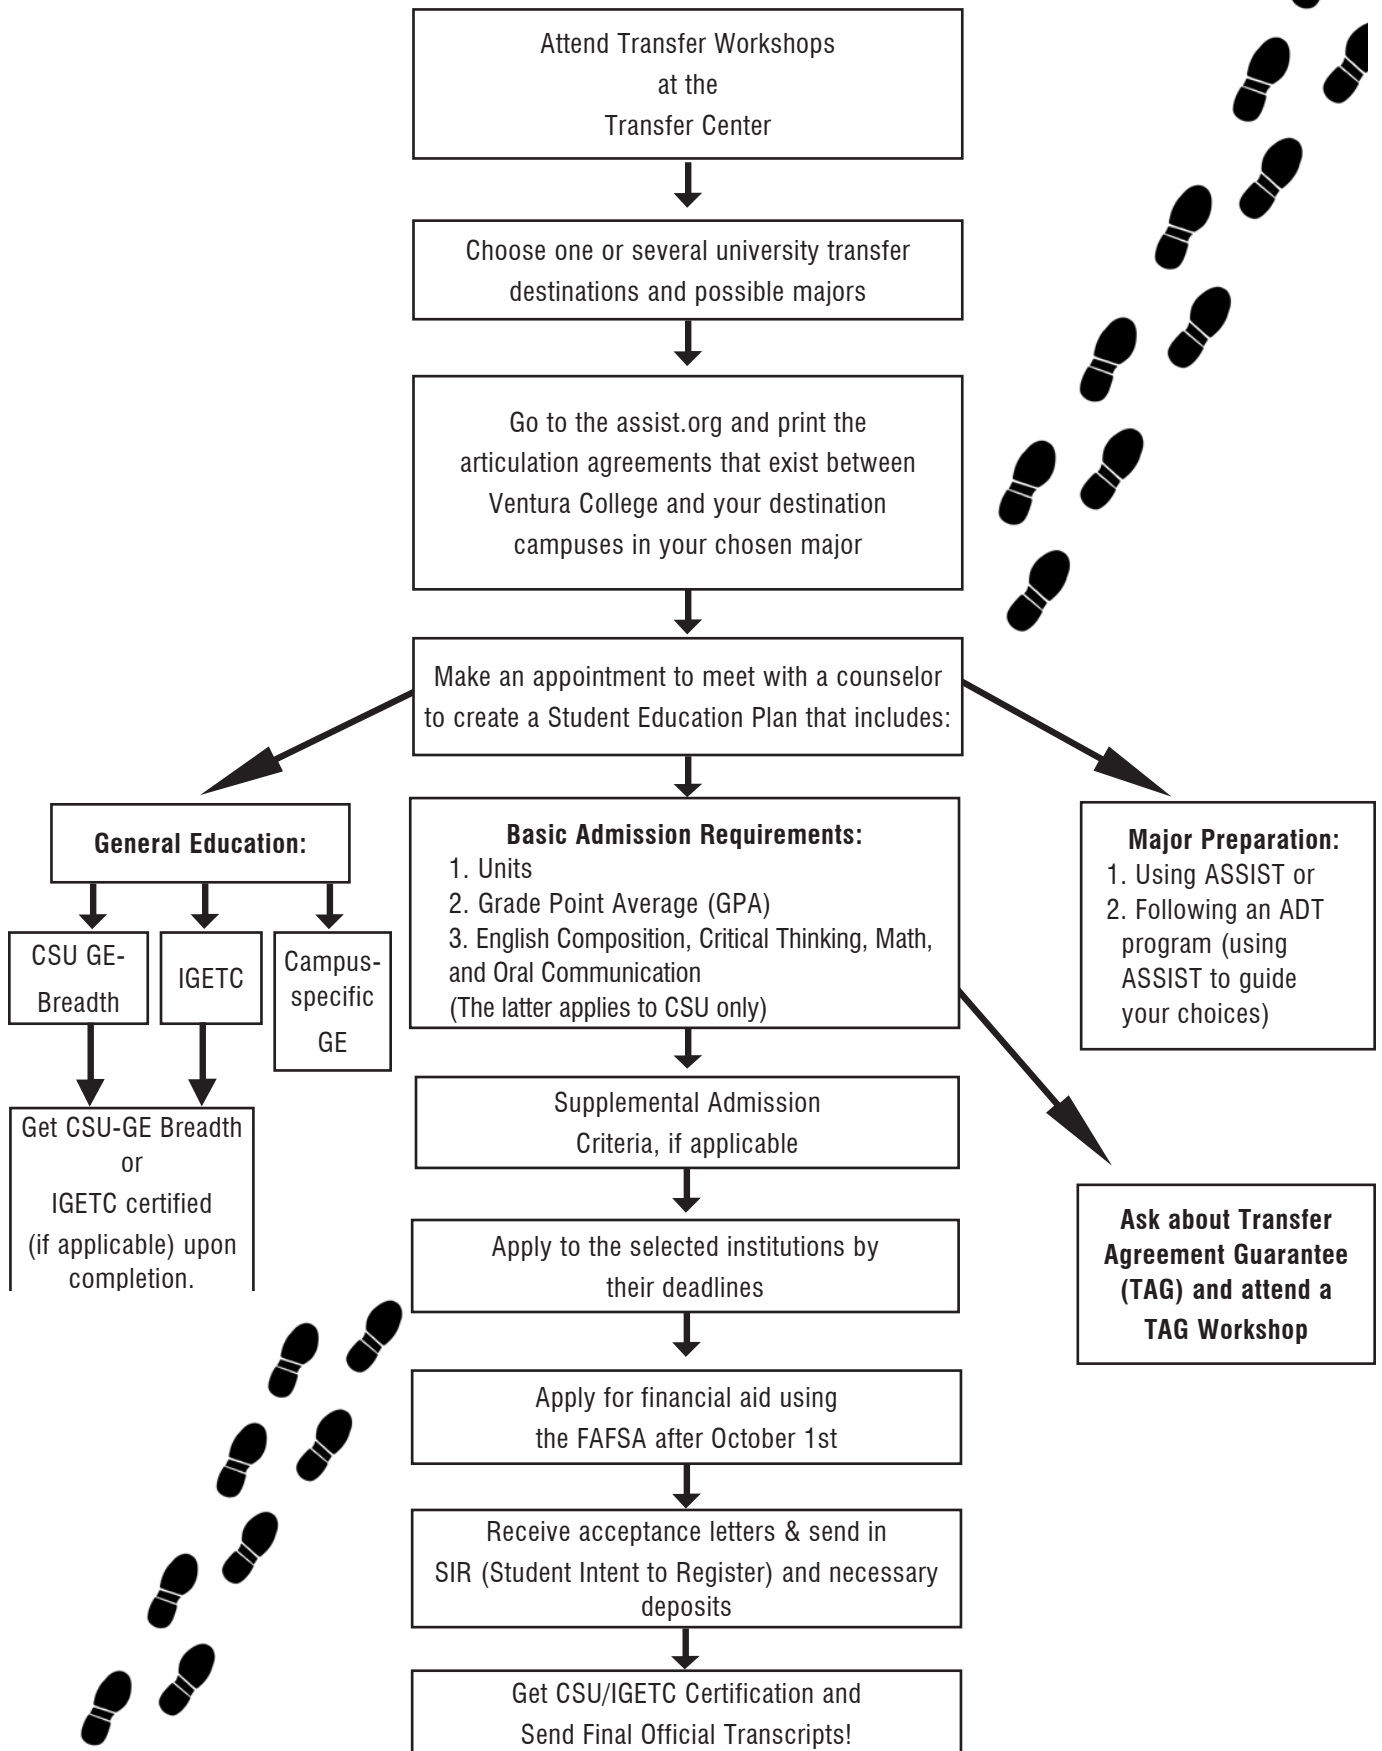

WHAT IS A BACHELOR'S DEGREE?

A Bachelor's degree, sometimes called a baccalaureate degree, generally requires 4-5 years of study at a university. A Bachelor's degree requires completion of both lower and upper division courses.

Community colleges generally offer lower division courses, providing students the opportunity to complete general education and lower division major or pre-major coursework prior to transferring to a university. Once students transfer, they will complete mainly upper division coursework in their major at the university. The Bachelor of Arts (B.A.) and Bachelor of Science (B.S.) are the common baccalaureate degrees. B.A. degrees are most often awarded in the arts, humanities, and social sciences. B.S. degrees are more likely to be awarded in the sciences, math, engineering and for professional or technical fields of study. However, there are no absolute universal differences between these degrees and policies; their award varies from college to college.

- 1) **Explore your major** options at websites such as assist.org, collegeboard.org, mymajors.com, collgeview.com, and look at related career prospects at sites like www.bls.gov/ooh and labormarketinfo.edd.ca.gov
- 2) **Explore Transfer Opportunities:**
 - * California State University (CSU): 23 campuses see csumentor.edu and page 72 in this catalog
 - * University of California (UC): 9 campuses see universityofcalifornia.edu and page 79 in this catalog.
 - * Independent/Private Colleges and Universities: see californiacolleges.edu, and college websites.
 - * Out-of-State Colleges and Universities: see collegboard.org, Petersons.com , and college websites.
- 3) **Schedule an appointment** with a counselor in the Counseling Office to develop a Student Education Plan (SEP).
- 4) **Talk to a university representative** either in the Transfer Center, at the university campus, or by phone or email to refine your educational plan and/or get updated information regarding your major, housing, and campus support services.
- 5) **Schedule a visit** and campus tour by calling the university's admission or outreach/recruitment office or sign-up for a scheduled field trip for fall or spring semester through the Transfer Center.
- 6) **Stay on-track:** Continue to follow your transfer plan, meeting with your counselor each semester to make adjustments as necessary. Updated major requirements can be found at assist.org for the UC and CSU campuses.
- 7) **Apply to the institutions you selected by their posted deadlines.** The UC system accepts fall applications from Nov. 1st – Nov. 30th only. The CSU system accepts fall applications from Oct. 1st through Nov. 30th. Independent and out-of-state colleges have their own deadlines. Check with their admission offices or their websites.
- 8) **Apply for financial aid** online at fafsa.ed.gov or Dream Act online at dream.csac.ca.gov after October 1st and prior to March 2nd to be eligible for the Cal Grant and begin searching for outside scholarship opportunities online (examples: hsf.net, vccf.org, fastweb.com) and through community organizations
- 9) **Receive your acceptance letters** (and from some colleges you will also receive your financial aid award offers shortly thereafter). Choose a campus that best suits your needs and commit to that campus by signing a letter of intent and paying any necessary deposits. Notify the other campuses that you will not be attending so that they may make room for other students. Student Intent to Register (SIR) deadline is typically May 1st.
- 10) **Get Certified:** Make an appointment in the Counseling Office to certify the completion of IGETC, IGETC for STEM, CSU GE-Breadth, or CSU-GE Breadth for STEM. Apply for your Certificate of Achievement in IGETC or CSU GE-Breadth.
- 11) **Don't Forget to Send Final Official Transcripts** after you have completed all coursework to the university. The importance of sending final transcripts cannot be stressed enough. You may have your admission revoked if you do not provide your complete official transcripts by the university deadline.

STEPS TO TRANSFER

ASSIST.ORG

The Key to Transferring to the UC and CSU

What is ASSIST?

ASSIST is a computerized student-transfer information system that can be accessed over the World Wide Web at www.assist.org. It displays reports of how course credits earned at one California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's colleges and universities and therefore provides the most accurate and up-to-date information available about student transfer in California.

The ASSIST acronym stands for Articulation System Stimulating Interinstitutional Student Transfer

1. Go to www.assist.org. From the homepage, select the community college where you are taking or have taken courses in your major from the drop-down menu.

Selected institution:

Ventura College

2. Next, select the CSU or UC campus you are planning to transfer to from the drop-down menu and the year of the agreement (pick the most current academic year available)

Agreements with other campuses and academic year:

California State University, Northridge

17-18

3. You will be given a choice of selecting an articulation agreement by major or by department. You always want to choose the option "By Major." Once you have selected a major from the drop-down menu, the most current articulation agreement that exists between the two institutions you have selected will appear. This agreement will list all lower-division major preparation courses required by the university and the courses at your community college that will be accepted in fulfillment of these requirements. Available substitutions and additional admission information that applies specifically to that major may also be listed here. For some university courses there will be no articulated courses.

4. If your course doesn't fulfill a requirement in your major, it may still satisfy General Education or at least count as elective units towards admission and graduation requirements. This information may be found on the lists appearing at the bottom of the page.

Ventura College Courses Applicable for Transfer

Associate Degree for Transfer

A Degree with a Guarantee.SM

Associate Degrees for Transfer are degrees that are designed specifically for transfer to the California State University system. The degrees are the results of Senate Bills 1440 and 440 (codified in Education Code 66745-66749) known as the Student Transfer Achievement Reform Act (STAR Act), a transfer bill that requires the California Community Colleges to offer Associate Degrees for Transfer (ADT) in many of the most popular majors, and for the CSU campuses to provide priority admission to California Community College (CCC) students who have earned ADTs. These degrees can be completed in 60 CSU transferable semester units (or 90 quarter units) and include coursework in general education, major preparation, and/or electives.

Students who have completed an ADT in a major that has been deemed similar at a CSU will be guaranteed admission to a CSU in that major at junior standing, and will have the opportunity to earn a baccalaureate degree by completing the required 60 semester (or 90 quarter) units. The ADTs are recognized by both the California Community College and CSU systems as a measure of preparation and readiness for transfer to upper-division course work at the CSU. Students should be aware that an ADT will guarantee an admission to a CSU school but not necessarily the school the student has chosen.

For a list ADTs a student may earn at Ventura College at the time of catalog production, please refer to pages 48-49: To find out which CSU campuses accept each degree, go to www.adegreewithaguarantee.com. Students are encouraged to meet with a counselor to review their options for transfer and to develop an educational plan that best meets their goals and needs.

Reference: AP 4100 - Last reviewed and approved by the Board of Trustees in June 2017.

Course Identification Numbering System

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example CJ V01, students at Ventura College can be assured that it will be accepted in lieu of a course bearing the C-ID AJ 110 designation at another community college. However, students should always go to www.assist.org to confirm how each college's course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Below is the list of Ventura College courses that have been approved by the C-ID program and given a C-ID designation.

Transfer to a California State University Campus

The California State University (CSU) is now the largest university system in the country with the most diverse college student population. The CSU offers more than 1,800 bachelor's and master's degree programs in over 375 subject areas, as well as teaching credential programs across its 23 campuses. The CSU provides the majority of the skilled professional workers that are critical to the state's knowledge-based industries such as agriculture, engineering, business, technology, media, and computer science. In addition, the CSU is the state's leading provider of graduates in services that are critical to the state, providing more than 80 percent of the college degrees in criminal justice, education, social work and public administration. Over 460,000 students are enrolled at the CSU each year with more than half of CSU Bachelor's degrees awarded to students who transferred to the CSU from community college. With proper program planning, students can complete lower division preparation at Ventura College and transfer to the campus of their choice without loss of units. Information on the major transfer fields for which students may prepare at Ventura College is available in the Counseling Office or Center Transfer Center and on assist.org. Additional CSU information is also available at calstate.edu and csumentor.edu.

- San Francisco State University
- San Jose State University
- Sonoma State University

CSU Minimum Transfer Admission Requirements

All the campuses of the California State University welcome applications from transfer students. If you complete college units after the summer following graduation from high school, you are considered a transfer student. The number of units you have completed at the time you enter a CSU determines the admission standards that will apply to your application. It is important to identify which admission requirements apply to you.

A Ventura College student who is planning to transfer to one of the campuses of the CSU (except the Maritime Academy) can satisfy the minimum admission criteria by meeting the following requirements:

1. TRANSFERRING WITH AN ASSOCIATE DEGREE FOR TRANSFER (ADT)

Students who receive an ADT (SB 1440/STAR Act) are eligible for admission with junior standing into the CSU system. A California Community College student who has the Associates in Arts degree for Transfer (AA-T) or the Associate in Science degree for Transfer (AS-T) will be given priority admission consideration to the local CSU into a similar baccalaureate (BA) degree program with a guarantee of junior standing as long as the student meets all prescribed admission requirements. Once admitted, the student will only be required to complete 60 additional prescribed units to qualify for the similar baccalaureate degree.

To obtain an ADT, students must:

- Complete 60 semester units or 90 quarter units that are eligible for transfer to a CSU campus, including both of the following:
 - (A) Certified completion of the California State University General Education-Breadth (CSU GE Breadth) pattern or the Intersegmental General Education Transfer Curriculum (IGETC) pattern
 - (B) Completion of a minimum of 18 semester units in an "AA-T" or "AS-T" major as detailed in the **Course and Program Descriptions**. All courses in the major must be completed with a grade of C or better or a "P" if the course is taken on a "Pass/No Pass" basis (Title 5 §55063). Even though a "Pass/No Pass" grade is allowed, it is recommended that students complete their major courses with a letter grade.
- Earn a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework.
- Complete requirements in **Residency**. For students in the Ventura County Community College District (VCCCD), a minimum of 12 units must be completed in residency at the college granting the degree.

For up-to-date information on the transfer associate degree, visit <http://www.adegreewithaguarantee.com/> or visit the Counseling Department.

Note: SB 1440 does not guarantee a student admission for a specified major or campus, but requires the California State University system to grant a student priority admission consideration to the local CSU campus and to a program or major that is similar to the transfer ADT degree as determined by the California State University. With this degree, students may be given a GPA bump when applying to an impacted campus outside their local area or an impacted major that is deemed similar.

2. UPPER DIVISION TRANSFERS:

To be considered as an upper division transfer student, you must have completed a minimum of 60 semester or 90 quarter units of transferable coursework. Your overall grade point average must be at least 2.0 (2.40 for non-California residents). The GPA is calculated using all transferable coursework attempted. In case of campuses or programs with high demands, a GPA of 2.00 may not be sufficient to meet admission requirements.

Within the transferable courses, 30 semester units or 45 quarter units of general education coursework must include oral communication (Area A1 of the CSU GE-Breadth), written communication (Area A2 of the CSU GE-Breadth), critical thinking (Area A3 of the CSU GE-Breadth) and mathematics (Area B4 of the CSU GE-Breadth). These four sections of general education must be completed with a grade of C or better for each course. In addition, students must be in good standing at the last college or university attended (i.e. eligible to re-enroll at that college or university).

3. LOWER DIVISION TRANSFERS:

If at the time you will enter the CSU, you have completed 59 or fewer semester or 89 or fewer quarter units, you are considered a lower-division transfer student.

Please be aware that most CSU campuses do not admit lower-division transfer students. Be sure to check with the specific CSU campus if you are considering transferring as a lower-division student.

The best way to apply to the CSU is to go online to the CSUMentor website at www.csumentor.edu. In addition to the online application, CSUMentor has preadmission, financial aid, and admission information as well as campus-specific supplemental information.

Preparing to Transfer to a California State University Campus

Students planning to transfer to one of the California State Universities must keep the following requirements in mind when selecting courses:

1. COMPLETION AND CERTIFICATION OF GENERAL EDUCATION (GE) IS STRONGLY RECOMMENDED:

The CSU requires completion of 48 units of general education for graduation of which 39 units can be transferred and certified by a California Community College. It is strongly recommended that students complete the 39 units of GE-Breadth courses as part of their minimum 60 units requirement for transfer as an upper division student. Certification waives additional lower division general education requirements that otherwise each CSU campus requires. It is important that students request certification prior to transfer. Certification is not automatic. Students can complete their GE by either of the following:

- A. Complete CSU GE-Breadth (pg. 75)
- B. Complete IGETC (pg. 84)

2. AMERICAN INSTITUTIONS REQUIREMENT: while not a part of GE, it is a graduation requirement at the CSU. The colleges of the VCCCD allow courses used to fulfill the American Institutions requirement to also satisfy requirements in the Social and Behavioral Sciences (Area D) of the CSU GE-Breadth or Area 4 of IGETC.

3. PREREQUISITE COURSES FOR THE MAJOR: Some lower division courses of a major preparation must be taken prior to transfer in order for the student to be admitted into a particular major. Some majors may also require concentration courses or additional support courses. For a complete list of major and supporting requirements at your CSU destination campus and their comparable courses at Ventura College, go to www.assist.org.

4. SUPPLEMENTARY ADMISSION CRITERIA/IMPACTED MAJORS: In the CSU, an undergraduate major or campus is designated as impacted when it receives more eligible applicants than either the campus or the major can accommodate. In such instances, the CSU campuses have been authorized to use supplemental admission criteria to screen applicants to these majors and/or campuses. Students interested in an impacted major or campus must apply for admission during the initial admission application filing period (Oct. 1 - Nov. 30 for fall admission) and should strive to make themselves as competitive as possible, both in course preparation and GPA. Assist.org will provide information about required coursework in impacted majors. For the most up-to-date information on campus impactation and impacted programs, please go to www.calstate.edu/SAS/impaction-campus-info.shtml

5. TRANSFERABILITY OF COURSES: Only courses considered as appropriate for baccalaureate credit are transferable. In the VCCCD, these courses are indicated in their course descriptions by the notation "Transfer credit: CSU."

IMPORTANT NOTE: Final official transcripts from all colleges and universities attended and/or external credit documentation must be submitted prior to CSU enrollment to verify that the student is eligible for admission. CSU campuses may rescind admission, delay admission, or not permit registration or attendance until receipt of final transcripts and/or external credit documentation.

Reference: The CSU Admissions Handbook 2016-2017; www.calstate.edu/SAS/impactioninfo.shtml

NOTE: These admission requirements are subject to change. Students should consult a counselor and/or the csumentor.edu website for most up-to-date transfer requirements.

California State University

General Education-Breadth (CSU GE) Pattern

Area A: English Language Communication and Critical Thinking: Complete one course from each group (A1, A2, A3). A total of 9 semester units (12 qtr. units) are required. All courses in Area A must be completed with a grade of "C" or better.

A1: Oral Communication: **COMM** V01, V03, V10, V15.

A2: Written Communication: **ENGL** V01A

A3: Critical Thinking: **COMM** V10; **ENGL** V01B, V01C; **PHIL** V04, V05.

Area B: Scientific Inquiry and Quantitative Reasoning: Complete a minimum of 9 semester units (12 qtr. units) with at least one course from each group (B1, B2, B3, B4) to include one laboratory activity course corresponding to selected lecture course. Math requires a grade of "C" or better.

B1: Physical Science: **AST** V01; **CHEM** V01A, V01B, V12A, V12B, V20, V21, V30; **ESRM** V02, V11; **GEOG** V01, V05; **GEOL** V02, V03, V07, V09, V11, V21; **PHSC** V01; **PHYS** V01, V02A, V02B, V03A, V03B, V04, V05, V06.

B2: Life Science: **ANAT** V01; **AHPH** V01; **ANTH** V01; **BIOL** V01, V03, V04, V10, V12, V14, V18, V23, V29; **BIOT** V18; **ESRM** V01, V10, V14, V22, V23; **MICR** V01; **PHSO** V01; **PSY** V03.

B3: Laboratory Activity: **ANAT** V01; **ANPH** V01; **ANTH** V01L; **AST** V01L; **BIOL** V01L, V03, V04, V14, V23, V29L; **CHEM** V01AL, V01BL, V12AL, V12BL, V20L, V21L, V30L; **ESRM** V11; **GEOG** V01L; **GEOL** V02L, V03L, V09; **MICR** V01; **PHSC** V01; **PHSO** V01; **PHYS** V01, V02AL, V02BL, V03AL, V03BL, V04L, V05L, V06L.

B4: Mathematics/Quantitative Reasoning: **CS** V17; **MATH** V04, V05, V20, V21A, V21B, V21C, V22, V23, V38, V40, V44, V46, V52; **PSY** V04.

Area C: Arts and Humanities: Choose 9 units (12 qtr. units) with at least one course from area C1, one course from area C2, and the third course from either area C1 or C2.

C1: Arts (Art, Cinema, Dance, Music, Theater): **AES** V10, V12, V65, V66, V67; **ART** V01, V02A, V02B, V02C, V03, V04, V05, V06, V07, V08, V09, V12A, V13A, V19, V51A; **DANC** V01, V02; **ENGL** V29A, V29B; **MUS** V01, V03, V06, V07, V08, V09A, V09B; **PHOT** V01, V07; **THA** V01, V20, V28, V29, V30A.

C2: Humanities (Literature, Philosophy, Languages other than English): **AES** V01, V02A, V02B, V41, V42A, V42B, V61, V63; **ENGL** V01B, V10, V11A, V15, V16, V18, V21A, V21B, V22A, V22B, V23, V26, V30, V31, V33, V34, V35, V36A, V36B; **FREN** V01, V02; **GERM** V01, V02, V51A; **HIST** V01A, V01B, V03A, V03B, V05A, V05B, V13, V14A, V14B, V15, V17, V18A, V18B; **IDS** V08; **ITAL** V01, V02; **JAPN** V01, V02; **PHIL** V01, V02, V03A, V03B, V06A, V06B, V09, V10; **SL** V10A, V10B, V10C; **SPAN** V01, V02, V03, V03S, V04, V04S.

Area D: Social and Behavioral Sciences: Choose 9 semester units (12 qtr. units) courses in at least 2 disciplines.

AG V12; **AES** V01, V02A, V02B, V06, V11, V20, V21A, V21B, V22, V23, V24, V40A, V40B, V41, V42A, V42B, V61, V63; **ANTH** V02, V03, V04, V05, V06, V07; **BIOL** V18; **BIOT** V18; **CD** V02, V03, V05, V27, V61; **CHST** V01, V02, V24; **CJ** V01, V02, V03, V28, V30, V49; **COMM** V12, V15, V16; **ECON** V01A, V01B; **ENGL** V18; **ESRM** V03; **GEOG** V02, V06, V08; **HED** V20, V22; **HIST** V01A, V01B, V02A, V02B, V03A, V03B, V04A, V04B, V05A, V05B, V07A, V07B, V08, V10A, V10B, V12, V13, V14A, V14B, V15, V16, V17, V18A, V18B, V21, V30; **PHIL** V10; **POLS** V01, V02, V03, V04, V05, V09, V10, V11, V12, V14, V15, V16, V17; **PSY** V01, V02, V05, V07, V15, V25, V29, V30, V31; **SOC** V01, V02, V03, V04, V05, V07, V13, V24, V31.

Area E: Life-Long Learning & Self-Development: choose 3 semester units (4 qtr. units) course with no more than 1 unit of physical activity.

U.S. History, Constitution, and American Ideals: ONE course from Group A courses and ONE course from Group B courses

* Courses may be double counted in Area D, Social and Behavioral Sciences.

Group A: U.S. History: **AES** V02A, V02B, V22, V40A, V40B, V63; **HIST** V02A, V02B, V03A, V03B, V04B, V05A, V05B, V07A, V07B, V12, V17.

Group B: U.S. Government: **POLS** V01, V03.

NOTE: Certification is not automatic. Students must request certification after completion of the CSU GE-Breadth pattern. Students completing CSU GE-Breadth Certification may also apply for a Certificate of Achievement in CSU GE-Breadth. See your counselor.

Courses on the CSU GE-Breadth are subject to change. Always check assist.org to verify the latest CSU GE approvals before taking a course to meet CSU GE-Breadth requirements.

California State University (CSU)

General Education–Breadth Certification Information

It is recommended that students planning to transfer to a California State University (CSU) complete their lower division general education prior to transfer by following the CSU GE-Breadth pattern. Counselors can help students select courses that fulfill lower-division major requirements as well as general education. After students complete the CSU GE-Breadth pattern, they must meet with a counselor in the Counseling Department to request certification. Certification is not automatic. Without this “certification”, students may have additional lower-division general education requirements to fulfill after transfer that vary from campus to campus in the CSU system. Students who fully complete the CSU GE-Breadth for Ventura College will also be eligible to apply for a Certificate of Achievement in California State University General Education-Breadth (CSU GE-Breadth). CSU GE is not appropriate for every major/college within the CSU. Check on www.assist.org or with your counselor or the Transfer Center for updated information.

Certification - After students complete the CSU GE-Breadth pattern, they must meet with a counselor in the Counseling Office to request certification. Without this “certification”, students may have additional lower-division general education requirements to fulfill after transfer that vary from campus to campus in the CSU. Associate Degrees for Transfer(ADTs) require full certification.

Certification of the CSU General Education Breadth requirements may include courses completed at Ventura College and previously completed courses from other regional accredited institutions as well.

Courses completed at other CSU campuses or at California community colleges will be certified in accordance with their General Education Patterns. It is the student's responsibility to provide an official transcript(s) from external institutions.

Courses that have been completed at a regionally accredited institution other than a California community college or CSU will be included only under the following circumstances:

1. The student provides an official transcript, catalog description(s) and, course outline of record, if required.
2. The course is determined to be comparable to a course in Ventura College's CSU General Education pattern through the pass-along process in accordance with California State University Executive Orders (EO), the Academic Senate of the California Community Colleges (ASCCC) Resolution on Reciprocity and VCCCD AP 4100.

Partial Certification – It is possible to complete separately any of the Areas or sections (A-E) at Ventura College and receive partial certification in any or several of these areas; if you are not fully certified, it will be necessary for you to complete the remaining areas (and perhaps other areas) after transferring as defined by the catalog of the transfer school.

Course Restrictions - No course may be counted in more than one area.

Scholarship – A grade of C or better is required for each course completed in the oral communication (A1), written communication (A2), critical thinking (A3), and mathematics or quantitative reasoning (B4) of the CSU GE-Breadth. A “pass” or “P” is allowed, if the college’s catalog states that it is equivalent to a C or better. Although a “P” is permissible, it is highly recommended that students complete each of these four (4) courses with a letter grade (A, B or C).

Major Courses – Most campuses require a grade of C or better for each course required in preparation for a student’s major; most do not allow a “P” (Pass) grade for major courses. Some CSU campuses allow applicants who submit full or partial certification to double count courses for general education and major requirements. Some majors are highly selective and require completion of some, or all, of the required major preparation coursework prior to transfer. Consult a counselor or assist.org for more information.

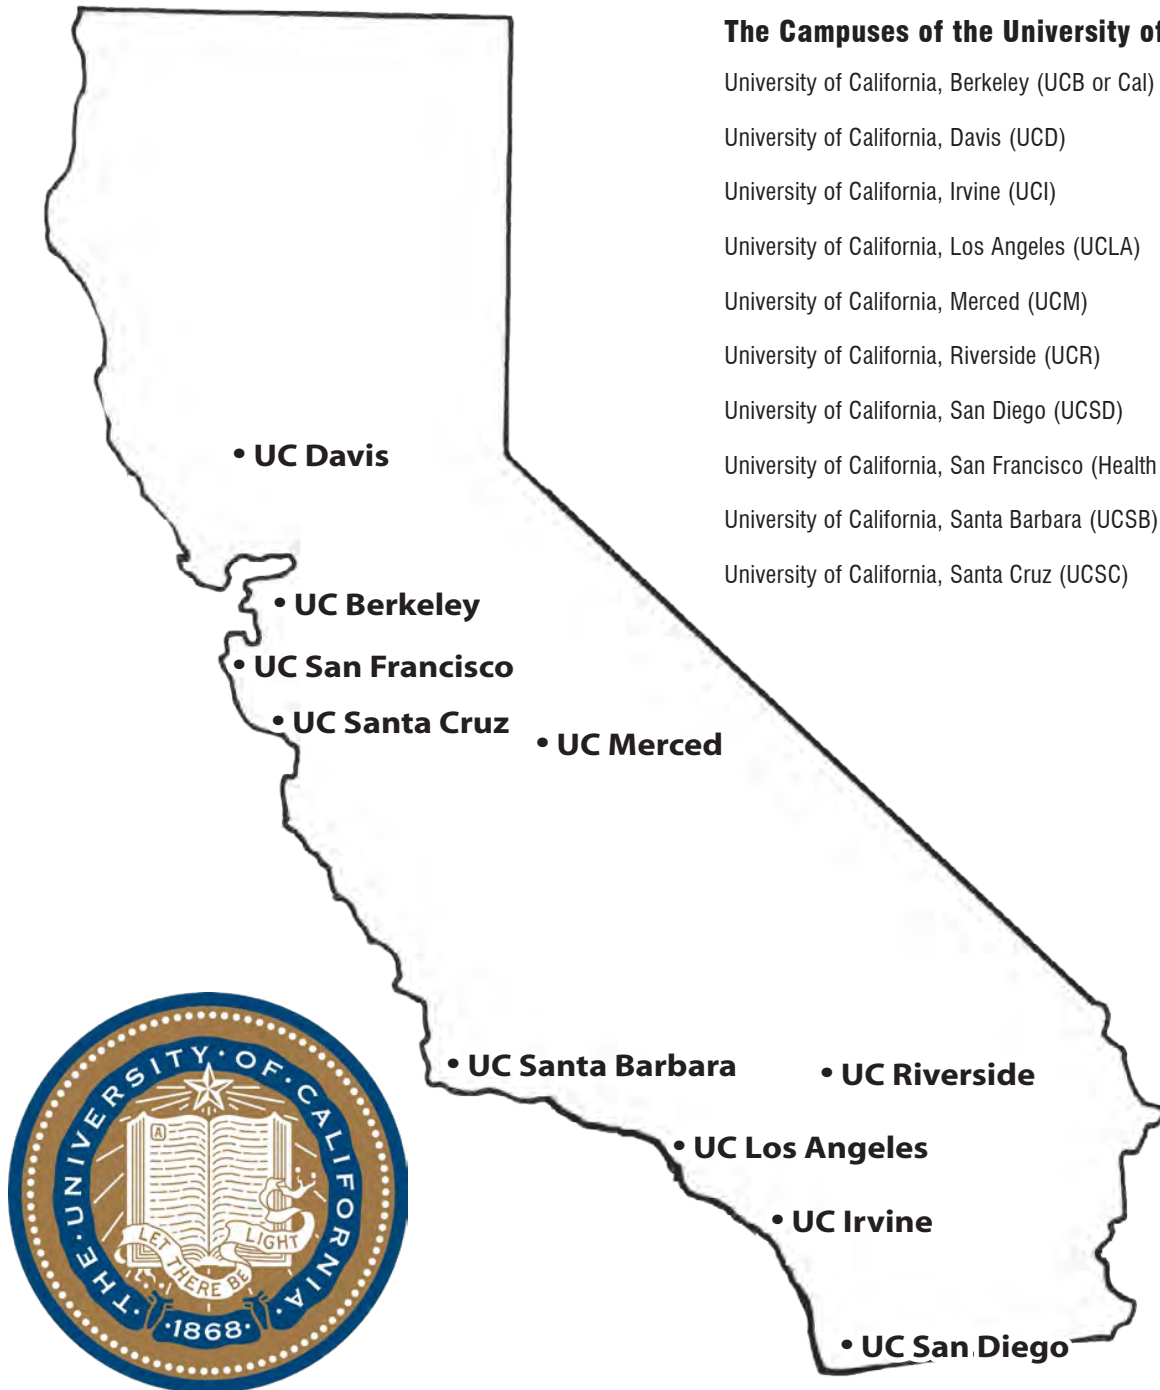

U.S. History, Constitution and American Ideals Requirements –All campuses require students to complete college-level coursework in U.S. History, American Government and California Government, in addition to GE requirements for graduation. Courses approved to satisfy this requirement are specified in appropriate areas. CSU campuses may permit double counting of courses taken to meet this requirement and GE-Breadth if the student is partially or fully certified.

External Credits or Credit by Examination - Advanced Placement (AP), International Baccalaureate (IB), and College Level Examination Program (CLEP) exams will be included in the CSU certification of general education requirements in accordance with the CSU Chancellor's Office policy. Students wishing to use units awarded for AP, IB, or CLEP should check with a counselor or refer to the Credit by Examination section of this catalog.

Transfer to the University of California

The University of California

The University of California (UC) is one of the finest research universities in the world. It offers more than 750 majors and 150 academic disciplines, with more academic departments ranked in the top 10 nationally than any other public or private university. UC has ten campuses; nine campuses offer undergraduate programs and are UC Berkeley, UC Davis, UC Irvine, UC Los Angeles, UC Merced, UC Riverside, UC San Diego, UC Santa Barbara, and UC Santa Cruz. All nine campuses have uniform minimum entrance requirements and certain other features in common. However, each campus is distinctive and not all majors are offered on all campuses. Students should investigate the various undergraduate colleges, schools, and majors available at each campus to determine which campuses will best satisfy their educational needs. Students are further encouraged to discuss with their counselor at Ventura College or with a UC Admissions representative on the particular advantages each campus has to offer. For more information, see universityofcalifornia.edu (or visit the General Counseling Office in the Student Services Center at Ventura College).

The Campuses of the University of California

- University of California, Berkeley (UCB or Cal)
- University of California, Davis (UCD)
- University of California, Irvine (UCI)
- University of California, Los Angeles (UCLA)
- University of California, Merced (UCM)
- University of California, Riverside (UCR)
- University of California, San Diego (UCSD)
- University of California, San Francisco (Health Sciences) (UCSF)
- University of California, Santa Barbara (UCSB)
- University of California, Santa Cruz (UCSC)

Transfer to the University of California

Nearly one in three University of California (UC) students start at a community college before graduating from a UC campus. Students from California community colleges (CCC) can become eligible for admission to the UC by meeting specific requirements. The requirements described below represent the **minimum** academic standards students must attain to be considered for admission to the UC. **Meeting the minimum requirements does not guarantee admission to the UC nor does it guarantee admission to a particular campus or major of the student's choice.** Many campuses and majors receive more applications than they have spaces available. To be more competitive, students should work toward meeting the specific major preparation courses and general education requirements for the campuses and majors they're interested in.

Admission Requirements as Junior-Level Transfer

The UC gives highest priority to CCC students transferring as juniors. A transfer student, according to the University, is a student who has enrolled in a regular session (fall, winter, or spring) at a college or university after high school. A student who meets this definition cannot disregard his/her college record and apply as a freshman. A student who attends a college summer program immediately after graduating from high school or who has completed college work while in high school is still considered a freshman applicant.

To be considered for admission as a junior-level transfer applicant, a student must fulfill both of the following criteria:

1. Complete a minimum of 60 semester (90 quarter) units of UC transferable college credit. No more than 14 semester (21 quarter) units of the 60 semester (90 quarter) units may be taken pass/fail, or credit/no credit basis, unless the student is transferring from a college or university that awards only Pass credit. **Note:** In order to ensure that all units are UC transferable, students should check assist.org to make sure their courses are approved for a UC transfer.
2. Earn at least a 2.4 GPA in UC transferable courses (2.8 for non-California residents). Some majors require a higher GPA for admission selection. **Note:** A grade of "D" (including +/-) in a transferable course will count toward the number of transferable units completed. However, a grade of "C" or better when completing the 7-course pattern. In most cases, grade of "D" do not satisfy major or general education requirements.
3. Complete either:
 - a. Intersegmental General Education Transfer Curriculum (IGETC - see page 84)

OR

 - b. The following 7-course pattern by the end of the spring term preceding the fall enrollment at a UC and earning a grade of "C" or better in each course or a Pass (P) grade if pass is equivalent to a "C" (2.00).
 - Two UC transferable college courses (3 semester or 4-5 quarter units each) in English composition.
 - One UC transferable college course (3 semester or 4-5 quarter units) in mathematical concepts and quantitative reasoning;

- Four transferable college courses (3 semester or 4-5 quarter units each) chosen from at least two of the following subject areas:

- Arts and Humanities
- Social and Behavioral Sciences
- Physical and Biological Sciences

All campuses recommend that the student complete mathematics and English as early as possible (most highly recommend completing them by the end of the fall term, one year prior to enrolling at a UC).

How to Transfer as a Junior-Level Applicant

To transfer to the UC as a CCC junior-level transfer student, a student must take the following steps:

1. Meet Admission Requirements - student must complete the statewide eligibility requirements for transferring to the UC, see Admission Requirements as Junior-Level Transfer listed above.

2. Major Preparation Requirements - major preparation requirements specify the courses a student must take during the first two years of college to prepare for advanced study in the selected major. Major preparation is one of the central factors some UCs use to determine admissions to the University. They may be required as part of the major or be prerequisites for other courses that are required as part of the major or be required to gain admission to the major. Completing these courses before transfer makes a student a more competitive applicant and will help ensure on-time graduation after transfer.

Performance counts - transfer applicants are evaluated, in part, on the basis of their performance in major preparation coursework. So it's important — very important — that the students investigate the requirements for the intended major as soon as possible. If the major requires mathematics and/or science, it is essential that those prerequisites be completed before transfer. Lack of preparatory coursework may affect admission to the major, particularly if there are many applicants vying for a limited number of spaces.

Start early – Students should begin coursework in the major as soon as one is selected. For fall admission, the campus may require the completion of certain major preparation requirements by the end of the preceding spring term.

Students who have decided on a major but are undecided on the specific UC campus can refer to the UC Transfer Pathways for the list of most common lower-division pre-major preparation courses required for the 21 most popular majors at the UC.

Schedule an appointment with a VC counselor to discuss and explore the many options of major and career available.

3. Complete an appropriate set of general education course requirements and electives

Transfer students have three options for fulfilling General Education (GE) preparation for the UC, depending on the campus and major selected:

- Intersegmental Transfer General Education Transfer Curriculum (IGETC) is a series of courses that California community college students may complete to satisfy the lower-division breadth/general education requirements at both the UC and

the California State University (CSU). The IGETC pattern is helpful for students who know they want to transfer but have not yet decided upon a particular institution, campus or major. Students who intend to transfer into high-unit majors, such as engineering and many of the physical and natural sciences, should concentrate on completing the many prerequisites for the major that the college screens for to determine eligibility for admission. See IGETC Considerations (see page 88)

- IGETC for STEM is a separate IGETC track available for students planning to major in science, technology, engineering, or mathematics (STEM). As of March 2017, UC will accept IGETC for STEM for the associate degrees for transfer (ADT) in Biology or Chemistry. Although IGETC for STEM is an option, students should prioritize completing major-preparation courses for the specific campuses and programs considering. OR
- Campus-specific general education requirements of the college or campus they plan to attend. (see assist.org)

Transfer Pathways - A Roadmap to 21 Top Majors

In an effort to simplify the transfer process and help students better prepare for admission, the University of California have developed the UC Transfer Pathways. The intent of the Transfer Pathways is to provide an academic roadmap to 21 of the most popular majors for California community college students by unifying major preparation requirements in selected majors for those students who apply to multiple UC campuses or who do not yet know which campus they plan to attend. These Pathways, created by UC faculty and academic leaders, outline a single set of courses that will prepare transfer students for a particular major at any of the university's nine undergraduate campuses, and position a greater number of students to graduate from UC within two years after they transfer.

The Transfer Pathways cover 21 of UC's most popular majors and include Anthropology, Biochemistry, Biology, Business Administration, Cell Biology, Chemistry, Communication, Computer Science, Economics, Electrical Engineering, English, Film and Media Studies, History, Mathematics, Mechanical Engineering, Molecular Biology, Philosophy, Physics, Political Science, Psychology and Sociology.

Although following a pathway doesn't guarantee admission to UC, a student who completes these pre-major courses and general education courses with a satisfactory GPA would be well-prepared for junior-level transfer to UC in that major and be well-positioned to graduate on time.

For more information on the Transfer Pathways curriculum, visit <http://admission.universityofcalifornia.edu/transfer/preparation-paths/index.html>

NOTE: The Transfer Pathways guide students who want to make themselves competitive across the UC system; some campuses and majors listed may want fewer courses for admission, but none will expect more. Students are strongly encouraged to apply to multiple campuses to improve their chances of admission.

Transferring with an Associate Degree for Transfer (ADT)

For students working toward an Associate Degree for Transfer (ADT), courses should be chosen that align with the requirements of the intended UC campus. Students should refer to the ASSIST website to guide them in selecting the right courses. Although earning an ADT does not guarantee admission to a UC, some campuses consider it in the comprehensive application review process.

Transfer from Four-Year or Out-of-State Two-Year Institutions

Every year, California community college transfer students make up over 90% of the transfer class, leaving about 10 percent of other transfers from a four-year or out-of-state two-year institutions. For admission requirements of these, please visit <http://admission.universityofcalifornia.edu/transfer/preparing-admission/other/index.html>

Other Types of Transfer

Some campuses admit a limited number of lower-division transfer (completed less than 60 UC transferable semester units), second baccalaureate degree or limited status applicants if the applicants have met the specific requirements. Refer to the open/closed majors status report on the UC website to learn if a UC will accept applications from lower-division transfer, second bachelor's degree or limit status applicants.

Transfer Selection by Campus

Many colleges, schools, or majors within the UC are highly selective and may have additional program requirements. These could include but not limited to an audition, submission of a portfolio, supplemental applications, specific prerequisite coursework, test scores, and/or higher GPA than the minimum criteria for admission. Students are advised to make themselves as competitive as possible when applying for admission both in GPA and course preparation.

For more details about each campus's additional program requirements, visit <http://admission.universityofcalifornia.edu/counselors/requirements/index.html>.

Transfer Admission Guarantee (TAG)

Six UC campuses offer guaranteed admission to California community college (CCC) students who meet specific requirements. By participating in a Transfer Admission Guarantee (TAG) program, students may, at some campuses, receive early review of their academic records, early admission notification, and specific guidance about major preparation and general education coursework. For more information on TAG, visit a counselor and/or the following website <http://admission.universityofcalifornia.edu/counselors/transfer/admission-guarantee/index.html>

TAG is available for the following UC: Davis, Irvine, Merced, Riverside, Santa Barbara and Santa Cruz.

Who can file a TAG?

Only students transferring directly from a California community college (CCC) are considered for a TAG, including international students (those with a visa). Again, a CCC transfer is one who has completed at least 30 semester (45 quarter) UC-transferable units at one or more CCC, and the last college the student attended in a regular session (fall/spring or fall/winter/spring) before admission to a UC campus is a CCC. All UC campuses that offer TAG's require students to meet this definition.

Students who have already earned a bachelor's degree, graduate degree, and/or professional degree cannot receive a TAG. Students who have previously enrolled at a UC campus during a regular term (not including summer session) cannot submit a TAG application to return to that campus. Students concurrently enrolled in high school are not eligible for TAG.

For most up-to-date information on TAG, visit our Career Transfer Center and/or schedule an appointment with a counselor.

Limitations on Transfer Credit

In order to receive transfer credit, a course must be approved by the UC and be listed on the Transfer Course Agreement (TCA) available in this catalog and on www.assist.org.

All lower division units, whether from a 2-year and/ or 4-year college/university are limited to a maximum of 70 semester (105 quarter) units toward the UC degree.

1. For lower division units, whether from a 2-year and/or 4-year college/university are limited to a maximum of 70 semester (105 quarter) units toward the UC degree.
 - a. Units earned through AP, IB, and/or A-Level examinations are not included in the limitation and do not put applicants at risk of being denied admissions.
 - b. Units earned at any UC campus (Extension, summer, cross/ concurrent and regular academic year enrollment) are not included in the limitation but are added to the maximum transfer credit allowed and might put applicants at risk of being denied admission due to excessive units. **NOTE:** if all courses are completed at one or more 2-year (community) colleges, a student would never be in danger of having too many (excessive) units.
2. University of California Courses: Courses from enrollment at another UC main campus (not UC Extension) during a regular academic (fall, winter, spring) or summer term are all transferable. Courses from enrollment at any UC Extension are transferable if the course is numbered 1-199; course number 1-99 which include a campus designation (e.g. XB, XLA) are equivalent to the same course offered to undergraduates on t at campus.
3. Duplicative Credit: UC will not grant credit for college courses in which the content duplicates material of a previously completed course or examination for which credit has already been granted; with the exception of the repeat of deficient (D/F) course grades.
4. Grades of D: - a grade of D (including plus/minus) in a transferable course will count toward the number of transferable units completed. However, the student must earn a grade of "C" or better when completing the seven-course pattern, and, in most cases, grades of "D" do not satisfy major or general education requirements.
5. The UC system allows a maximum of 14 semester (21 quarter) units graded "pass-no pass".
6. UC does not grant unit credit for: work experience, vocational or technical training, and remedial academic or personal enrichment courses. College-Level Examination Program (CLEP) or DANTES Subject Standardized Tests (DSST) exams.
7. Variable topics courses are reviewed after transfer by the enrolling institution and credit is given only after a review of the scope and content of the course and may require recommendations by faculty. This applies to courses in Independent Studies, Special Topics, and Field Work as well. Credit is not guaranteed. UC does not grant credit for variable topics courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments because of credit restrictions in these areas.
8. International Academic Records – UC does not grant credit for junior/community college programs that are technical or vocational, or that do not lead to further academic study at a University in the international country.
9. Elementary/intermediate language courses: no credit is granted to students who were instructed in that language during secondary school.
10. Internships may be presented for review after transfer but credit for internships rarely transfers to UC.
11. Honors courses: Duplicate credit will not be awarded for both the honors and regular versions of a course. Credit will only be awarded to the first course completed with a grade of C or better.
12. A maximum of 4 units of physical education activity (including intercollegiate athletics) will count towards degree or transfer unit requirements
13. A maximum of 8 units of physical education theory courses will count towards degree or transfer unit requirements.
14. English as a Second Language Courses (ESL/ELD): A maximum of 8 semester (12 quarter) units will earn transfer credit
15. Students may take one series in Physics
16. One course is allowed for credit in the areas of Health, First Aid, Business Law, College Success and Library Studies.

Repeated Courses

A student is allowed to repeat each course in which a "C-", "D+", "D", "F" or "NP" grade was originally earned, as many times as necessary, until the first time he or she earns a letter grade of "C" or better. The following rules apply:

- The replacement (repeat) course must have curriculum similar to the original course (the same content but not necessarily the same title).
- The new grade earned will replace the deficient grade in the GPA calculation. UC does not average the grades.
- All coursework (original and repeats) must be reported on the admission application.
- A non-honors course can be used as a repeat of an honors-level course.
- An honors-level course may be used as a repeat of a non-honors course.
- Repeat of "C" C (2.0) grades is not allowed.
- Repeat of courses out of sequence is not allowed.
- Students may not repeat a lower-level course if a grade of "D-" or higher has already been earned in a higher-level course.
- UC courses must be repeated at UC, but not necessarily at the original campus.

Course Sequences

When requirements are stated as a full-year sequence, students are encouraged to complete the entire course series before transferring to avoid duplicating coursework. Also, the topics covered in a particular semester or quarter of the sequence at a community college may not be the same at a UC campus.

Military Service Courses

UC may award lower division (freshman/sophomore level) units for military courses completed if the courses are consistent with University policy on granting transfer credit when there is an equivalent course taught at a UC campus. UC will consult the ACE recommendations for information regarding course content and as a guide to awarding of credit.

University of California Transfer Course Agreement (UC TCA)

This agreement lists courses transferable for unit credit at all UC campuses. How courses are applied may vary from campus to campus. Students are encouraged to go to www.assist.org and research their intended major. New courses added to the TCA or removed after this catalog was published can also be found on www.assist.org. Courses that fulfill General Education requirements at all UC campuses can be found on the IGETC Certification Plan on page 84. All students planning to apply to the UC should also consult a counselor in the Counseling Office.

Biotechnology: BIOT V18, V30, V31, V42	Health Education: HED V01+, V20, V22, V24, V70, V82, V87, V92, V95+, V97 (<i>+HED V93 and V95 combined: Max credit, one course</i>)
Business: BUS V01A, V01B, V17, V30, V33*, V53* (<i>*V33 and V53, combined: maximum credit, one course</i>)	History: HIST V01A, V01B, V02A*, V02B*, V03A*, V03B*, V04A, V04B, V05A*, V05B*, V07A*, V07B*, V08, V10A, V10B, V12*, V13, V14A, V14B, V15, V16, V17*, V18A, V18B, V21, V30 (<i>*Any or All AES and HIST combined: maximum credit, four courses -12 units</i>)
Chemistry: CHEM V01A, V01AL, V01B, V01BL, V12A*, V12AL*, V12B, V12BL, V20+, V20L+, V21*, V21L*, V30, V30L, (<i>+No credit for V20-V20L if taken after V01A -V01AL</i>) (<i>*V12A-12AL and V21-21L combined: maximum credit, one course with lab - 5 units</i>)	Intercollegiate Athletics: ICA V02*, V03*, V04*, V05*, V06*, V07*, V08*, V13*, V14*, V15*, V16*, V17*, V18*, V19*, V20*, V22*, V23*, V24*, V25*, V30A*, V30B*, V31A*, V31B*, V36+, V69* (<i>*Any or All ICA and PE Activity combined: maximum credit, 4 units</i>) (<i>+Any or All ICA and KIN combined: maximum credit, 8 units</i>)
Chicano Studies: CHST V01, V02, V24	Interdisciplinary Studies: IDS V08
Child Development: CD V02*, V03*, V05, V61 (<i>*V02 and V03 combined: max credit, one course</i>)	Italian: ITAL V01*, V02 (<i>*Corresponds to two years of high school study</i>)
Communication Studies: COMM V01, V03, V04, V05, V10, V12, V15, V16	Japanese: JAPN V01*, V02 (<i>*Corresponds to two years of high school study</i>)
Computer Science: CS V11, V13, V15, V17, V19, V30, V40, V42	Kinesiology: KIN V02*, V03*, V04*, V06*, V10*, V12*, V14*, V16*, V18*, V20*, V22*, V23*, V24*, V26*, V28*, V34*, V40A*, V40B*, V42A*, V42B*, V44A*, V44B*, V46A*, V46B*, V48A*, V48B*, V50A*, V50B*, V52*, V70A*, V70B*, V73*, V74A*, V74B*, V76A*, V76B*, V81+, V84 (<i>Any or All *KIN and *PE Activity Combined: Max credit, 4 units</i>) (<i>+Any or All ICA and KIN combined: maximum credit, 8 units</i>)
Counseling: COUN V01*, V03*, V04*, V10A*, V10B (<i>*V01, V03, V04, V10A combined: maximum credit, one course</i>)	Library Instruction: LIB V01
Criminal Justice: CJ V01, V02, V03, V11A*, V14, V25 (<i>*Any or All CJ and PE Activity combined: maximum credit, 4 units</i>)	Mathematics: MATH V04*, V20*, V21A+, V21B, V21C, V22, V23, V38, V40, V44 ^, V46+, V52 (<i>*V04 and V20 combined: maximum credit, 5 semester/7.5 quarter units.</i>) (<i>+V21A and V46 combined: maximum credit, one course</i>) (<i>^V44 and PSY V04 combined: maximum credit, one course</i>)
Dance: DANC V01, V02, V04, V10A, V10B, V10C, V10D, V13A, V13B, V13C, V13D, V14, V15A, V15B, V15D, V23, V27, V29A, V29B, V29C, V29D, V30A, V30B, V30C, V30D, V50A, V50B, V50C, V50D	Microbiology: MICR V01
Drafting: DRFT V05A	
Economics: ECON V01A, V01B	
Educational Assistance Center: EAC V01, V21*, V26* (<i>*Any or All PE Activity combined: maximum credit, 4 units</i>)	

Music: MUS V01+, V02A, V02AL, V02B, V02BL, V02C, V02CL, V02D, V02DL, V02F, V02H, V03, V06, V07, V08, V09A, V09B, V10, V11, V12, V13, V14A, V14B, V14C, V15, V17, V21A, V21B, V21C, V22A, V22B, V22C, V24A, V24B, V24C, V24D, V31A, V31B, V31C, V31D, V31E, V31F, V31G, V31H, V34, V36, V37, V45, V46, V47 (+No credit for V01 if taken after V02A)
Philosophy: PHIL V01, V02, V03A, V03B, V04, V05, V06A, V06B, V09, V10
Photography: PHOT V01*, V02*, V4B, V07, V73A (*V01 and V02, combined: maximum credit, one course)
Physical Science: PHSC V01* (*No credit if taken after a college level course in Chemistry or Physics) Physics: PHYS V01+, V02A*, V02AL*, V02B*, V02BL*, V03A*, V03AL*, V03B*, V03BL*, V04*, V04L*, V05*, V05L*, V06*, V06L* (+No credit for V01 if taken after V02A, V03A, or V04) (* V02A, V02AL, V02B, V02BL and V03A, A03AL, A03B, V03BL and V04, V04L, V05, V05L, V06, V06L combined: maximum credit, one series. Deduct credit for duplication of topics)

Physiology: PHSO V01* (*ANAT V01, ANPH V01 and/or PHSO V01 combined: Max credit, two courses)
Political Science: POLS V01, V02, V03, V04, V05, V09, V10, V11, V12, V14, V15, V16
Psychology: PSY V01, V02, V03, V04 ^, V05, V07, V15, V25, V29, V30, V31 (^ V04 and MATH V44 combined: maximum credit, one course)
Sign Language: SL V10A*, V10B, V10C (*Corresponds to two years of high school study)
Sociology: SOC V01, V02, V03, V04, V05, V07, V13, V24, V31
Spanish: SPAN V01*, V02, V03**, V03S**, V04+, V04S+ (**V03 and V03S combined; Max credit, one course) (+V04 and V04S combined; Max credit, one course)
Theatre Arts: THA V01, V02A, V02B, V05A, V05B, V06A, V06B, V10A, V10B, V11A, V11B, V14, V20, V21, V22A, V22B, V29, V31A, V31B

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC) CERTIFICATION PLAN

For the University of California (UC) and California State University (CSU)

Area 1: ENGLISH COMMUNICATION: Each course must be three (3) semester units (4-5 qtr. units).

CSU: complete one (1) course from each group A, B, & C.

UC: complete one (1) course from group A and one (1) course from group B.

A: English Composition: **ENGL** V01A

B: Critical Thinking - English Composition (Must have English Composition as a prerequisite –cannot be met by AP exam credit):
ENGL V01B*, V01C; **PHIL** V05.

C: Oral Communication (CSU requirement ONLY): **COMM** V01, V03, V10, V15*.

Area 2: MATHEMATICAL CONCEPTS AND QUANTITATIVE REASONING: complete one (1) course of at least three (3) semester units (4-5 qtr. units)

CS V17; **MATH** V04+, V19, V20+, V21A+, V21B, V21C, V22, V23, V40, V44+, V46+, V52; **PSY** V04+.

Area 3: ARTS AND HUMANITIES: complete at least three (3) courses of at least three (3) semester units each (4-5 qtr. units), with at least one (1) course from Group A Arts and one (1) course from Group B Humanities and the third course from either group for a total of nine (9) semester units (12-15 qtr. units) in Area 3.

A: Arts: **AES** V10, V12, V65, V66, V67; **ART** V01, V02A, V02B, V02C, V03, V04, V05, V06, V07, V08, V09; **DANC** V01, V02; **ENGL** V29A+, V29B+; **MUS** V03, V06, V07, V08, V09A, V09B; **PHOT** V07; **THA** V01, V20, V28, V29.

B: Humanities: **AES** V01, V02A+, V02B+, V40A+, V40B, V41, V42A, V42B, V61*, V63*+; **ANTH** V04; **ENGL** V01B*, V15, V16, V18, V21A, V21B, V22A, V22B, V23, V26, V30, V31, V33, V34, V35, V36A, V36B; **FREN** V02*; **GERM** V02*; **HIST** V01A*, V01B*, V03A+, V03B, V05A+, V05B+, V13, V14A, V14B, V15*, V17*+, V18A*, V18B*; **IDS** V08; **ITAL** V02*; **JAPN** V02*; **PHIL** V01, V02, V03A, V03B, V06A, V06B, V09, V10*; **SL** V10B*, V10C*; **SPAN** V02*, V03*+, V03S*+, V04*+, V04S*+.

Area 4: SOCIAL AND BEHAVIORAL SCIENCES: complete at least three (3) courses, of at least three (3) semester units each (4-5 qtr. units) from at least two (2) disciplines for a total of nine (9) semester (12-15 qtr. units) in Area 4.

AG V12; **AES** V01, V02A+, V02B+, V11, V20, V21A, V21B, V22+, V23, V24, V40A+, V40B+, V41, V42A, V42B, V61*, V63*+; **ANTH** V02, V03, V04, V05, V06, V07; **CD** V02, V03+, V05, V61; **CHST** V01, V02, V24; **CJ** V01, V02; **COMM** V12, V15*, V16; **ECON** V01A, V01B; **ESRM** V03; **GEOG** V02, V06, V08; **HED** V20, V22; **HIST** V01A*, V01B*, V02A+, V02B+, V03A+, V03B+, V04A, V04B, V05A+, V05B+, V07A+, V07B+, V08, V10A, V10B, V12+, V13, V14A, V14B, V15*, V16, V17*+, V18A*, V18B*, V21, V30; **PHIL** V10*; **POLS** V01, V02, V03, V04, V05, V09, V10, V11, V12, V14, V15, V16, V17, V18; **PSY** V01, V02, V05, V07, V15, V25, V29, V30, V31; **SOC** V01, V02, V03, V04, V05, V07, V13, V24, V31.

Area 5: PHYSICAL AND BIOLOGICAL SCIENCES: complete two (2) courses, one (1) from group A and one (1) from group B; one (1) of which must include a laboratory corresponding to selected lecture course; 7 - 9 semester (9-12 quarter units) in Area 5. Each course must be at least three (3) semester units (4-5 qtr. units), except separate lab courses.

A: Physical Science: **AST** V01; **CHEM** V01A, V01B, V12A+, V12B, V20+, V21+, V30; **ESRM** V02, V11; **GEOG** V01, V05; **GEOL** V02, V03, V07, V09, V11, V21; **PHSC** V01+; **PHYS** V01+, V02A+, V02B+, V03A+, V03B+, V04+, V05+, V06+.

B: Biological Science: **ANAT** V01+; **ANPH** V01+; **ANTH** V01; **BIOL** V01+, V03, V04, V10, V12+, V18, V23, V29; **BIOT** V18; **ESRM** V01, V10, V14; **MICR** V01; **PHSO** V01+; **PSY** V03.

C: Laboratory Science: **ANAT** V01+; **ANPH** V01+; **ANTH** V01L; **AST** V01L; **BIOL** V01L+, V03, V04, V23, V29L; **CHEM** V01AL, V01BL, V12AL+, V12BL, V20L+, V21L+, V30L; **ESRM** V11; **GEOG** V01L; **GEOL** V02L, V03L, V09; **MICR** V01; **PHSC** V01+; **PHSO** V01+; **PHYS** V01+, V02AL+, V02BL+, V03AL+, V03BL+, V04L+, V05L+, V06L+. (Must include a corresponding lecture course from above.)

Area 6: LANGUAGE OTHER THAN ENGLISH (UC REQUIREMENT ONLY): Languages other than English. Proficiency equivalent to two (2) years of high school in the same language with a "C" or better, or one (1) of the following courses with a "C" or better:

FREN V01, V02*; **GERM** V01, V02*; **ITAL** V01, V02*; **JAPN** V01, V02*; **SL** V10A, V10B*, V10C*; **SPAN** V01, V02*, V03*+, V03S*+, V04*+, V04S*+.

High School _____ Other college course _____ AP Exam _____ Foreign high school _____

CSU GRADUATION REQUIREMENT IN U.S. HISTORY, CONSTITUTION AND AMERICAN IDEALS: 6 units

Not part of IGETC; may be completed prior to transfer. One course from Group 1 and one course from Group 2. May also be used in Area 4 at the discretion of the CSU campus.

Group 1: **AES** V02A+, V02B+, V22+, V40A+, V40B+, V63*+; **HIST** V02A+, V02B+, V03A+, V03B+, V04B, V05A+, V05B+, V07A+, V07B+, V12+, V17+.

Group 2: **POLS** V01, V03.

*Courses listed in multiple areas shall not be certified in more than one area except for courses in Language Other Than English, which can be certified in both Areas 3B and 6A.

+Transfer credit is limited by either UC or CSU or both.*^ HIST V15 will no longer meet CSU US History requirement effective Fall 2016.

IGETC Certification must be requested prior to transferring. See UC TCA on previous pages for details on UC transfer limitations and consult with a counselor for all limitations. Certification is not automatic. See your counselor or the Transfer Center. Students completing IGETC Certification may also apply for a Certificate of Achievement.

GENERAL EDUCATION AND IGETC INFORMATION

2017-2018

What is IGETC?

The **Intersegmental General Education Transfer Curriculum (IGETC)** is a series of courses that prospective transfer students attending California community colleges (CCC) may complete to satisfy the lower-division breadth/general education requirements at both the University of California (UC) and the California State University (CSU). Many independent/private and out-of-state colleges and universities will also accept the IGETC.

Students Who are Eligible to Use the IGETC

The IGETC was developed by the Academic Senates of the CCC, UC, and CSU for use by CCC transfer students. A student may be IGETC certified if they have completed coursework at a CCC(s) without regard to current enrollment status or number of units accrued at a CCC.

Students who enroll at a UC or CSU campus, then leave and attend a community college, and subsequently return to a different UC or CSU campus may use the IGETC.

Students Who are NOT Eligible to Use the IGETC

Students who initially enroll at a UC campus, then leave and attend a community college, and subsequently return to the same campus are considered "readmits" by the UC. Such students cannot use the IGETC. The CSU does not have a system-wide policy that addresses this issue. Questions regarding the use of IGETC for a student who has recently been enrolled at a CSU should be directed to the specific campus the student wishes to attend.

Which Type of Student Should Follow IGETC?

IGETC is most helpful to students who want to keep their options open - specifically, those who know they want to transfer but haven't yet decided upon a particular institution, campus, or major.

Which Type of Student Should NOT Follow IGETC?

Students who intend to transfer into majors that require extensive lower-division preparation, such as engineering or the biological, physical and natural sciences, should first concentrate on completing the many prerequisites for the major while meeting minimum admission requirements.

Is Completion of the IGETC an Admission Requirement?

Completion of the IGETC is not an admission requirement or admission guarantee for transfer to CSU or UC, nor is it the only way to fulfill the lower-division for CSU or UC prior to transfer. However, completing the lower-division general education/breadth requirements whether through IGETC or the campus-specific requirements - may be considered by the campus in selecting among qualified applicants. In fact, some and programs may accept only students who complete IGETC.

Consult with a VC counselor, www.assist.org and/or campus admissions websites to determine whether IGETC is an good option and what courses could meet IGETC requirements.

IGETC for STEM

IGETC for STEM is a separate IGETC track available for students planning to major in science, technology, engineering or mathematics. As of March 2017, UC will accept IGETC for STEM only if:

- The student is earning an associate degrees for transfer (ADT) in Biology or Chemistry at a community college that offers IGETC for STEM as an option for those degrees AND
- The UC major program or college the student is applying to accepts partial IGETC certification.

Although IGETC for STEM is an option, students should prioritize completing major-preparation courses for the specific campuses and programs considering.

Information Pertinent to both IGETC and IGETC for STEM

Minimum Grade Requirements (GPA)

A minimum "C" grade is required in each college course for IGETC. A "C" is defined as a minimum of 2.0 grade points on a 4.0 scale. A "C--" grade valued at less than 2.0 grade points on a 4.0 scale cannot be used for IGETC certification. Exception: For the UC Language Other Than English (LOTE) requirement, Area 6A, the UC does not count "minus" or "plus" grades for high school coursework, only the whole grade is used. In other words, a "C-" grade is counted as a "C"

Credit/No Credit - Pass/No Pass

Courses in which a student receives a "Credit/Pass" grade may be certified for IGETC if the community college's policy states that a "Credit/Pass" designation is equivalent to a "C" grade (2.0 grade points on a 4.0 scale) or better. It is important to keep in mind that some CSU and UC campuses may have limitations on the number of "Credit/No Credit" ("Pass/No Pass") courses that may be used to meet degree requirements. The UC allows a maximum of 14 semester (21 quarter) units graded "Pass/No Pass" (Credit/No Credit) basis of the 60 UC transferable semester units required for admission.

There is no system-wide policy for CSU campuses. Therefore, each campus has established its own policy on limitations of courses transferred with grades of "Credit/Pass". The information is updated annually and is available at the CSU Student Academic Support website: <http://www.calstate.edu/ar/counselors.shtml>.

Minimum Unit Value

A course must have a minimum unit value of 3 semester or 4 quarter units to meet the requirements for IGETC. It is not acceptable to take three 1- unit courses to fulfill a 3- unit course requirement because of the lack of depth or rigor.

Exception: 3-quarter unit Math and English courses that satisfy IGETC Area/s 1A or 2 may be applied if they are a part of a sequence, and at least two of the 3-quarter unit sequence courses have each been completed with "C" grade (2.0 on a 4.0 scale) or higher. The course sequence must meet the rigor of IGETC standards.

Use of AP and IB exams

IGETC course credit may be earned for scores of 3, 4 or 5 on Advanced Placement (AP) exams and 5, 6 or 7 on International Baccalaureate (IB) Higher Level exams that the community college faculty recognizes as equivalent to its IGETC-approved courses. An acceptable score on an AP English exam may be used to meet the English composition requirement, but not the critical thinking/English composition requirement. For more information, see pages 9–10 of Standards, Policies and Procedures for Intersegmental General Education Transfer Curriculum, Version 1.7 (http://icas-ca.org/Websites/icasca/images/IGETC_Standards_version_1.7_final.pdf)

Certification of IGETC

Completion of the IGETC will permit a student to transfer from a California Community College (CCC) to a California State University (CSU) or University of California (UC) campus generally without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. It is strongly recommended that students complete IGETC prior to transfer.

Advantages of completing IGETC include more flexibility in class selection at the university and timely progress to degree completion. All UC and CSU campuses will accept the completed IGETC to satisfy all lower-division general education requirements. However, individual colleges or majors within a CSU or UC campus may not accept IGETC for meeting general education. A list of those UC colleges and majors is found on the following website: <http://admission.universityofcalifornia.edu/transfer/general-education-igetc/index.html>. It is the student's responsibility to request IGETC Certification in the Counseling Office.

NOTE: Students transferring to a CSU with a completed IGETC will still need to complete nine semester units of upper division general education and may be held to other campus specific graduation requirements outside of general education and major coursework.

Certification of IGETC for STEM

A transfer student intending to major in science, engineering or mathematics may complete up to three courses after transfer. The UC will accept IGETC for STEM if the UC school, college or major program to which the student transfers accepts partial IGETC certification.

For IGETC for STEM, certification, the following courses should be completed before transfer:

- All courses in Areas 1 (except 1C for UC-bound students), Area 2, and Area 5 of the traditional IGETC; and
- One course in Area 3A; one course in Area 3B; and two courses in Area 4 from two different disciplines.

Complete the following courses *after* transfer:

- One remaining lower-division general education course in Area 3*;
- One remaining lower-division general education course in Area 4*; and
- One course in Area 6 for UC-bound students who have not satisfied it through proficiency*.

*These deferred lower division courses must be replaced with calculus and/or science courses required by the major before transfer. See admission.universityofcalifornia.edu/glossary/igetc-for-stem.html for more information.

Partial IGETC Certification

Students who do not complete IGETC before transferring will be required to satisfy the specific lower-division general education/breadth requirements of the UC school they plan to attend. However, California community colleges (CCC) may grant partial certification of IGETC to students who are missing no more than two courses. Students submitting partial IGETC certification should work with the transfer institution to determine how the missing courses/requirements can be completed. Students who have been granted partial IGETC certification should not return to the community college for a full certification.

Consult with a VC counselor to see if a specific UC accepts partial certification for the intended major.

NOTE: Partial IGETC certification that acknowledges a deficiency in IGETC Areas 1 and/or Area 2 may indicate a student does not meet minimum transfer admission requirements.

Who Certifies the IGETC or IGETC for STEM?

Students who have completed coursework at more than one CCC should have their coursework certified by the last CCC they attended for a regular term (fall or spring for semester schools; fall, winter, or spring for quarter schools) prior to transfer. If a student requests certification from a CCC that is not the last school of attendance, it is at the discretion of that community college to certify. IGETC certification will be processed without regard to current enrollment status or number of units accrued at a particular CCC

CSU U.S. History, Constitution, and American Ideals Requirement

The CSU U.S. History, Constitution, and American Ideals graduation requirement are not part of IGETC. Courses used to satisfy this requirement may also be listed in IGETC Subject Areas 3B and/or Area 4. CSU campuses have the discretion whether to allow courses used to satisfy the CSU U.S. History, Constitution, and American Ideals graduation requirement to also count in Areas 3B/Area 4.

Coursework from another California Community College

Coursework completed at another CCC should be applied to the subject area in which it is listed by the institution where the work was completed. In addition, the course must have been IGETC approved in the area it was taken at the time it was taken. Approval dates can be verified by consulting the website www.assist.org. Courses with an approval date of fall 1991 may be applied to the IGETC if completed prior to fall 1991. Courses approved after fall 1991 may only be applied if completed on or after the approval date.

Non-California Community College Courses

Appropriate non-CCC general education courses in the humanities, mathematics, social sciences, and natural sciences that are completed at United States regionally accredited institutions should be routinely included in IGETC. However, care should be taken to carefully scrutinize course outlines for content, prerequisites, texts, units, and IGETC Area Standards (See Section 10.0 for Standards).

Particular care should be taken when evaluating non-CCC courses to fulfill IGETC Area 1B, Critical Thinking and Composition. Few non-CCC second semester English Composition courses offer a course in Critical Thinking/English Composition. Guidelines to determine if a course is appropriate can be found in Section 10.1.2b.

Coursework from all Other United States Regionally Accredited Institutions

Coursework from all other United States regionally accredited institutions should be deemed by the CCC faculty in the discipline or their designee to be comparable to coursework on that community college's approved IGETC course list before it is allowed to fulfill IGETC requirements. The course should then be used in the same subject areas as those for the community college completing the certification. Upper division work may also be used in limited circumstances. See IGETC standards 5.2.2 for criteria. There is no limitation on the number of courses completed at other United States regionally accredited institutions that can be included in the IGETC certification.

International Coursework

International coursework may be applied to IGETC if the international institution has United States regional accreditation. All other international coursework cannot be applied to IGETC, with the exception of Area 6, Language Other Than English (LOTE). These can be from a non-United States institution.

Students with a substantial amount of international coursework at a non-United States regionally accredited institution should be encouraged to follow the CSU or UC campus specific general education pattern.

Online/Distance Education/Telecourses:

• CCC Courses

CCC may use online/distance education/ telecourses for IGETC provided that the courses have been approved by the CSU and UC during the IGETC review process.

• Non-CCC Courses

Non-CCC Institutions online/distance education/telecourses may be used on IGETC. The same scrutiny should be applied when reviewing these courses as when reviewing other non-CCC courses. (See Section 5.2 of IGETC Standards for guidelines)..

• Area 1C: Oral Communication (CSU Only)

Strictly online Oral Communication courses may not be used on IGETC Area 1C without express permission from the CSU (CSU Only). However, hybrid-delivery courses may meet the area criteria.

Credit by External Exams

College Board Advanced Placement (AP) and International Baccalaureate (IB) exams can provide IGETC credit as listed on the AP and IB GE charts included in this catalog. CLEP (College Level Examination Program (CLEP) cannot be used on IGETC.

There is no limit on the number of external exams that can be applied to IGETC and may be used regardless of when the exam was taken. However, students who have earned credit from an external exam (AP/ IB) should not take a comparable college course because transfer credit will not be granted for both

Advanced Placement

The UC grants unit credit for AP examinations on which a student scores a 3, 4, or 5. Elective units awarded may be applied to UC graduation requirement for specific subjects and/or for general education/breadth requirements, as determined by each campus. To see how AP credits are used for IGETC certification see AP Chart on pages 95-96.

International Baccalaureate

The UC awards unit credit for International baccalaureate (IB) examinations. A score of 5, 6 or 7 or higher on Higher Level exams is required to grant credit for IGETC certification. An acceptable IB score for IGETC equates to either 3 semester or 4 quarter units for certification purposes To see how IB credits are used for IGETC certification see IB Chart on page 98.

College Level Examination Program

The UC does not award unit credit for College Level Examination Program (CLEP)

Reference: IGETC Standards, Policies & Procedures for Intersegmental General Education Transfer Curriculum – Version 1.7, June 2, 2016.

IGETC Considerations 2017-2018

If you have completed substantial coursework from institutions outside the United States, consult a counselor to determine whether you should complete IGETC or the lower-division breadth/general education requirements at the campus you plan to attend. In addition, some transfer students in some colleges or majors must follow a more prescribed lower-division curriculum than IGETC allows. These are described below, but be sure to check with a counselor, the college and/or visit the ASSIST website to obtain the most up-to-date information.

Berkeley

College of Letters and Science: Only Either full IGETC or the college's requirements (reading and composition, quantitative reasoning, and language other than English) are acceptable for all majors.

College of Engineering: Does not accept IGETC.

College of Chemistry: IGETC is not required. However, when completed by the end of the spring term before transferring to UC Berkeley, full certification is accepted in satisfaction of the English Reading and Composition requirements. NOTE: IGETC does not satisfy the entire breadth requirement. .

College of Natural Resources: IGETC is acceptable; however specific lower-division major requirements must still be satisfied.

College of Environmental Design (CED): IGETC is acceptable with full certification to fulfill CED's breadth requirements. Partial certification will not complete the requirements.

Haas School of Business: IGETC is not accepted.

Davis

All under graduate colleges accept IGETC. However, Bachelor of Science degrees and high-unit majors often have many freshman/sophomore prerequisites; in these cases IGETC is not recommended and the UC Davis general education pattern is the better choice.

Irvine

All schools accept IGETC. However, selection by the campus is based on demonstrated academic achievement and preparation for the intended major.

Los Angeles

IGETC is acceptable in all schools except The Henry Samueli School of Engineering and Applied Science.

Merced

School of Engineering: IGETC is strongly discouraged but is accepted; students are encouraged to focus on freshman/sophomore major preparation prior to transfer.

School of Natural Sciences: IGETC is not recommended but accepted as students are encouraged to focus on freshman/sophomore major preparation prior to transfer.

School of Social Sciences, Humanities, and Arts: IGETC is recommended and students are encouraged to complete as much freshman/sophomore major preparation as possible before transfer.

Riverside

College of Humanities, Arts and Social Sciences: IGETC is recommended.

College of Natural and Agricultural Sciences: IGETC is not accepted.

The Marlan and Rosemary Bourns College of Engineering: IGETC is acceptable; some additional coursework may be required after enrollment.

School of Business Administration (SOBA): IGETC is required.

San Diego

John Muir, Earl Warren, Eleanor Roosevelt, Thurgood Marshall and Sixth Colleges: IGETC clears all freshman/sophomore GE requirements; some upper-division courses required after enrollment.

Revelle College: IGETC is acceptable; lower-division GEs may not be cleared. Additional coursework may be required after enrollment.

Santa Barbara

College of Letters and Science: IGETC is acceptable.

College of Creative Studies: IGETC is acceptable.

College of Engineering: students are encouraged to focus on major preparation rather than general education, but may use IGETC to substitute for most general education requirements. However, some additional coursework may be required after enrollment to complete the depth requirement if not satisfied during IGETC certification.

NOTE: Students planning to transfer to UCSB into a major in biological or physical sciences, computer science, economics, engineering, mathematics, psychology or statistics must be careful to complete lower-division major preparation courses to ensure competitiveness and make normal, timely progress through the major.

Santa Cruz

Engineering, Physical, and Biological Sciences: IGETC is not recommended. Students should ensure completion of freshman/sophomore courses for their intended major, as indicated in the UCSC catalog and on assist.org.

Transfer to an Independent or Private and/or Out-of-State College

Students who are planning to transfer to an independent/private college or university outside of the UC and CSU system should refer to the catalog and website of that particular school for specific admission and lower division requirements.

California's independent colleges and universities are an excellent choice for many students. There are over 75 private nonprofit, independent colleges and universities in the state. The most important criteria for selecting a college or university is how well it fits with your personality, values, and goals. Because every nonprofit, independent college and university has a unique character, there will be at least one that fits your needs. Unlike the

University of California or the California State University systems, each California nonprofit, independent college and university has its own Governing Board. This independence allows for a diverse set of college opportunities in California. Many independent colleges belong to the AICCU (Association of Independent California Colleges and Universities). You can explore these colleges and majors available at www.aiccu.edu and compare and contrast CSU/UC/Independent colleges at www.californiacolleges.edu. For assistance in planning a transfer program to an independent institution or an out-of-state college, students should schedule an appointment with a counselor in the Counseling Department. Articulation agreements for some local universities can be found at www.aiccu.edu.

California Independent Colleges and Universities

General Education Articulation Information

While IGETC is the general education pattern for the UC and CSU system, some independent/private colleges and universities also accept IGETC and/or CSU GE-Breadth in lieu of their own General Education patterns. Independent Colleges and Universities that accept at least one of these patterns are listed below. Some do require additional general education courses after transfer. Policies and GE requirements are subject to change. Students are encouraged to check with each college admission office to verify their most current policies.

College Level Examination Program (CLEP)	99

CREDIT BY EXAMINATION

AP 4235 Credit by Examination –adopted July 2009. Last revised May 2017

Granting unit credit for a course by examination is based on the principle that previous experience, training, or instruction is the equivalent of a specific course taught by the college. Course and unit credit can be obtained through the Credit for External Exam Process (AP/IB/CLEP), Internal Exam Process (locally administered exams), or High School to College Articulation Process .

Courses Eligible for Credit by Examination:

- All courses shall be open to credit by examination unless specifically exempted by the District College.
- Academic divisions of the District Colleges determine the courses for which credit by examination may be granted. The Office of Student Learning at each District College maintains a current list of courses excluded from Credit by Examination.

Documenting Credit Earned by Examination:

- For credit earned through the credit by examination provisions, the student's academic record shall be clearly annotated to reflect that credit was earned by examination.

Credit by Examination may be obtained by one of the following methods:

I. External Examinations (Title 5 Section 55052):

- a) Advanced Placement (AP): Students who earn scores of 3, 4 or 5 on the College Board AP Examinations taken before high school graduation will receive credit for each exam as specified in the catalog of the District College.
- b) International Baccalaureate (IB): Students who complete the IB diploma with a score of 30 or above, and/or will receive 20 units of credit. Students who complete the IB Higher Level examinations with scores of 4, 5, 6 or 7 will receive credit for each exam as specified in the catalog of the District College. A score of 4 or higher on the IB Mathematics HL exam will satisfy the math competency requirement for the associate degree. Students will not receive credit for Standard Level exams.
- c) College Level Examination Program (CLEP): Students who earn scores of 50 or higher on a CLEP exam will receive credit for each exam as specified in the catalog of the District College.

II. Internal Departmental Examinations

(Locally administered exams):

- a) Students will receive credit by satisfactory completion of an examination administered by the District College in lieu of completion of a course listed in the college catalog, provided that Credit by Examination is permitted for the course. See the Courses Excluded from Credit by Examination list maintained by each District College. Credit will be awarded with a letter grade and/or P/NP (if the latter is ordinarily available for the course). If a letter grade is awarded, it will be incorporated in the computation of the student's grade point average.

- b) A student may be granted credit if he or she satisfactorily passes an examination approved and conducted by the District College discipline faculty. Such credit may be granted only to a student who is registered at the District College and not on either academic probation or progress probation, and only for a course listed in the District College's catalog.

- c) The nature and content of the exam shall be determined solely by the District College discipline faculty in accordance with Title 5 Section 55002. The examination must be conducted on the campus of a District College or at a District satellite site.

- d) Units for which credit is given pursuant to this provision shall not be counted in determining the 12 semester hours of credit in residency requirement for an associate degree.

- e) A District College shall charge a student a fee for administering an examination pursuant to this provision which is equal to the enrollment fee for the course.

III. High School to College Articulation (Title 5 Section 55051):

High school students may be granted college credit pursuant to established articulation agreements between the high school and a District College. The Board of Trustees shall permit articulated courses to be applied to certificate or associate degree requirements in accordance with this provision. The per-unit fee for high school credit by examination will not be charged. Articulated high school courses may be accepted in lieu of comparable District College courses to partially satisfy:

- a) Certificate requirements, including the total number of units required for the certificate; or
- b) The major or area of emphasis requirements in a degree program. Students who complete articulated comparable courses must pass an exam to earn college credit for general education and/or major requirements for the associate degree.

Cut Scores:

The number of units awarded for each type of examination is subject to change based on the establishment of cut scores and/or other evaluative measures developed by District college faculty in collaboration with the Academic Senates and/or a CSU Chancellor's Office policy as pursuant to the AB 1985, and/or Intersegmental General Education Transfer Curriculum (IGETC) Standards, Policies and Procedures latest version.

Credit for External Examinations (AP, IB and CLEP):

- The evaluation of credit for AP, IB and CLEP examinations is done by a college counselor. Counselors may require additional documentation or information as necessary to determine eligibility for external credit.
- Credit granted for the examinations may be counted as credit toward an associate degree. The Counseling faculty at each District College will determine how the credit is used to satisfy general education and majors requirements for the associate degree.

- Credit granted for these examinations may also be counted toward the satisfaction of IGETC or CSU-GE areas as allowed by the applicable standards for each form of transfer general education certification.
- Credit awarded for AP, IB and CLEP examinations shall not impact the student's GPA.
- Students granted credit for AP, IB or CLEP examinations shall not earn credit toward an associate degree for duplicated college courses.
- Other colleges or universities may have different policies concerning the granting of credit for AP, IB and CLEP examinations, and will evaluate the examinations based upon their own policies and practices.

Credit for Internal Credit by Examination:

1. Determination for Eligibility

- The examination is to be administered prior to the last day of the final examination period.
- The course that the units will apply to must be listed in the college catalog.
- The student must be currently registered and not on academic probation, progress probation, or dismissal at any District College.

2. Receive Credit by Examination

- The student has not earned college credit in more advanced subject matter, ; and, has not received a grade (A, B, C, D, F, W, CR, P, CRE, NC or NP or equivalent), in the course for which he or she is seeking Credit by Examination at a District College or any other educational institutions.
- The appropriate petition, (a "Petition for Credit by Examination," form) will be completed by the student and a college counselor, and forwarded to the appropriate academic division for administration of the examination.
- Petitions must be approved by the division dean and received by the administering instructor no later than Friday of the tenth week of the full-length semester.

3. Units and Grades Recorded for Credit by Examination

- Transcript entries shall distinguish credit units obtained by examination from credit units obtained as a result of regular course enrollment.
- A student seeking credit by examination will receive the appropriate letter grade (A, B, C, D, F, or P/NP) and will be charged the current enrollment fee per unit regardless of the grade received. Students who are unsuccessful in an attempt to challenge a course by examination will receive a D, F, or NP, and a record of the attempt for credit by examination will appear on a student's transcript.

Credit by Examination for a High School Articulated Course:

1. Determination for Eligibility

- The course that the units will apply to must be listed in the college catalog.
- The student must be currently registered at a high school with which a District College has an articulation agreement and in good standing as defined by their cumulative GPA at a minimum of 2.0 at the time the Credit by Examination is granted.

- The student has not earned college credit in more advanced subject matter, ; and, has not received a grade (A, B, C, D, F, W, CR, CRE, NC, NP, or equivalent), in the course for which he or she is seeking Credit by Examination at a District College or any other educational institutions.

2. Receive Credit by Examination

- The student will apply online to one of the colleges in the VCCCD and create an account in a District tracking system.
- The student passes the college's course via a comprehensive exam or evaluation determined solely by a District College faculty in the discipline.

Units and Grades Recorded:

- The Student who successfully passes the examination will be given; a letter grade (A, B, or C). "Credit by Examination" will be transcribed for the term in which it was earned.
- A student who is unsuccessful in obtaining a standard grade of "C" or better will not be allowed to petition for credit and no record of the attempt for credit by examination will appear on a student's transcript.

Limits of Credit by Examination (All Methods):

- Students may challenge a given credit-by-examination course only once.
- Credits acquired by examination are not counted in determining the 12 semester units of credit in residence required for an associate degree.
- Students should be aware that other colleges may not accept Credit by Examination for transfer purposes.
- A student should be advised that the use of units granted through credit by examination policy towards establishing eligibility for athletics, financial aid, and veterans' benefits are subject to the rules and regulations of the external agencies involved. (Exceptions to the above may be made when necessary to meet provisions of California state law or the rules and regulations of state agencies governing programs of the California Community Colleges.)
- A student may challenge no more than 12 units under the credit-by-examination policy towards an associate degree or a certificate of achievement, except that units awarded for AP and IB examinations shall not be subject to such limit.
- Credit by Examination may be granted in only one course in a sequence of courses, as determined by prerequisites, and may not be granted for a course which is a prerequisite to the one in which the student is currently enrolled, except that credit may be granted for more than one course in a sequence of required courses when approved by an administrator or his/her designee responsible for vocational programs, or where the curriculum in occupational programs makes it necessary.

Documentation of Allowable Credit Awards:

Each District College shall maintain records of the courses for which units of credit may be granted through Credit by Examination. These records shall be maintained either in the Office of Academic Affairs or in the Student Services Office.

See Board Policy 4235, Board Policy 4050 and Administrative Procedure 4050, and Administrative Procedure 4051.

Note: *AP exams may be used in either area regardless of where the certifying CCC's discipline is located.

Advanced Placement (AP) Credit Rules for Ventura College, CSU GE and IGETC

Rules for use of AP scores on IGETC

A score of 3, 4, or 5 is required to grant credit for GE and IGETC certification. Either 3 semester or 4 quarter units will be granted for certification purposes.

1. Each AP exam may be applied to one GE area as satisfying one course requirement, with the exception of Language other than English (LOTE). (See Section 10.6.3 of IGETC Standards for more information).
2. Students who have earned credit from an AP exam should not take a comparable college course. Transfer credit cannot be granted for both the course and AP exam.
3. There is no equivalent AP exam for the IGETC Area 1B or CSU GE Breadth Area A3 (Critical Thinking/Composition) requirement.
4. Students earning scores of 3, 4, or 5 in the physical and biological science AP examinations earn credit toward the lecture and meet the laboratory activity requirement.
5. For IGETC: AP exams in Biology, Chemistry or Physics B allows CCC campuses to apply 4 semester or 5 quarter units to IGETC certification. For environmental sciences, Physics C: Mechanics, and Physics C: Electricity/Magnetism, 3 semester or 4 quarter units are applied for IGETC certification; therefore students who complete these exams will be required to complete at least 4 semester or 5 quarter units to satisfy the minimum required units for Area 5.
6. Actual AP exam credit awarded for admission requirements to CSU or UC campuses is determined by the campus the student is applying to. The UC Policy for AP credit can be found at <http://admission.universityofcalifornia.edu/counselors/exam-credit/index.html> and the IGETC Standards, Policies and Procedures, version 1.7 (2016).
7. B subscore on Calculus BC examination: students who take Calculus BC examination and earn a subscore of 3 or higher on the Calculus AB portion will receive credit for the Calculus AB examination, even if they do not receive a score of 3 or high on the BC examination (note the maximum credit awarded is 8 units).
8. Music Theory subscore: UC grants credit for the full Music Theory exam. Student who earn only a subscore will not receive exam credit.

Rules for use of AP scores on CSU GE-Breadth

The CSU has a system-wide policy for these and other AP exams for awarding transfer credit for admission. The CSU policy for AP examinations can be found at <http://www.calstate.edu/transfer/requirements/advancedplacementapcourses.shtml>

1. If a student passes more than one PA exam in calculus or computer science, only one examination may be applied to the baccalaureate.
2. Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1 + B3 or B2 + B3 of CSU GE-Breadth. Tests after Fall of 2009 may only apply to B1 + B3.
3. If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in CSU GE-Breadth.
4. The IB curriculum offers language at various levels for native and non-native speakers. Language B courses are offered at the intermediate level for non-natives. Language A1 and A2 are advanced courses in literature for native and non-native speakers, respectively.

INTERNATIONAL BACCALAUREATE (IB) TEST EQUIVALENCY LIST FOR VC GE

International Baccalaureate (IB) Exam	VC GE Category	VC GE Units earned	Total VC Units Earned (includes GE units)	Minimum Passing Score for CSU	CSU Min. IB Theatre HL	C1	3	6	4	6	3	C1	3A	4/3	8/5.3

***IB Exam may be used in either area regardless of where the certifying CCC's discipline is located.**

****A score of 4 or higher on the IB Mathematics HL Exam will satisfy Ventura College's Math competency requirement for the Associate Degree but will not provide General Education credit.**

Note: All units shown on this chart are semester units except those listed for IGETC which include quarter and semester units.

Rules for using International Baccalaureate (IB) credit for IGETC, CSU GE-Breadth and VC GE

- A minimum score of 5 on the IB subjects listed in the table is considered a passing score by the VCCCD, CSU, and UC to earn elective units, except where noted.
- A score of 5, 6 or 7 on Higher Level (HL) exams is required to grant credit for IGETC certification, CSU GE-Breadth certification, or for Ventura College Associate Degree credit except where noted otherwise.
- An acceptable IB score equates to either 3 semester or 4 quarter units for certification purposes.
- For more information about course credit awarded for admission and in majors by individual UC campuses, visit <http://admission.universityofcalifornia.edu/counselors/exam-credit/ib-credits/index.html>
- CSU also grants unit credit for transfer purposes of IB HL exams (see <http://www.calstate.edu/acadaff/codedmemos/AA-2015-19.pdf>). Each campus in the CSU system determines how it will apply external examinations toward credit in the major. Contact the individual campus for more information.
- Students will not receive credit for Standard Level exams.
- Students who have earned credit for an IB exam should not take a comparable college course because credit cannot be granted for both the course and the IB exam.

Reference: IGETC Standards, Version 1.7 2016 (section 7.2), CSU E.O. 1036 section 1.2.4 and Coded Memo AA-2015-02.

IB Policies Specific to Ventura College

- Students who complete the IB Diploma with a score of 30 or above will receive 20 semester units of credit for Ventura College.
- Students completing IB Higher Level exams with scores of 5, 6, or 7 will receive 6 semester units of credit for each exam.
- Students will not receive credit for Standard Level exams.
- Credits awarded for IB exams shall not impact a student's GPA at Ventura College.
- Units granted for IB will not be subject to the unit limits for credit by exam or Pass/No Pass grading which otherwise applies within the district.
- Credits acquired by exam are not counted in determining the 12 semester units in residence at Ventura College required for an Associate Degree.

College Level Examination Program (CLEP)

For Ventura College GE and CSU-GE Breadth

Students who earned a score of 50 or higher or as specified below on CLEP exam will receive 3-6 units depending on the exam.

CLEP Exam	Passing Score	CSU GE Breadth and/or American Institutions Area	Semester Credits Toward GE-Breadth Certification	Minimum Semester Credits Earned
American Government	50	D8	3	3
American Literature	50	C2	3	3
Analyzing & Interpreting Literature	50	C2	3	3
Biology	50	B2	3	3
Calculus	50	B4	3	3
Chemistry	50	B1	3	3

How to Read the Course Description

COURSE INFORMATION

Offering of Courses as Described in the Catalog

Occasionally there may be changes concerning course numbers, titles, units of credit, prerequisites, hours, or course descriptions made after publication of the Catalog. Efforts will be made through the online version of the catalog, Schedules of Classes, public media, and at the time of registration, to notify students of any changes other than as described in the Catalog.

All degree applicable courses listed in the Catalog meet major, area of emphasis, general education, or elective credit requirements for approved degree, certificate, or proficiency programs. The College will make every effort to regularly offer each of the credit courses listed under the Course and Program Descriptions regularly. "Regularly offered" shall mean a frequency of not less than once in two years.

The student who plans to satisfy the requirements for a particular academic goal --such as a Certificate of Achievement, an Associate Degree, and/or the completion of courses necessary to prepare for transfer into a baccalaureate major -- must carefully plan a program of study to complete all requirements in a timely fashion. The student may consult with appropriate instructional divisions to determine the frequency of course offerings.

Offering of Courses as Listed in the Schedule of Classes

The College reserves the right to cancel any course section scheduled for any term if enrollment is insufficient.

Course Discipline Abbreviations

Courses listed below are offered as a regular part of established curricula or when demand warrants. The current class schedule should be consulted to determine the availability of specific courses.

In the course number designations, the following subject or departmental title abbreviations are used:

AES - American Ethnic Studies \

AG - Agriculture

ATEB - Applied Technology and Employability -Business Essentials

ATEC - Applied Technology and Employability -Career Exploration

ATEM - Applied Technology and Employability -Mathematics

ATET - Applied Technology and Employability -Principles of Technology

ATEW - Applied Technology and Employability-Writing

ANAT - Anatomy

ANPH - Anatomy/Physiology

ANTH - Anthropology

ARCH - Architecture

ART - Art

ACT - Assistive Computer Technology

AST - Astronomy

AUTO - Automotive

BIOL - Biology

BIOT - Biotechnology

BUS - Business

CHEM - Chemistry

CHST - Chicano Studies

CD - Child Development

CDL - Cognitively Diverse Learners

COMM - Communication Studies

COUN - Counseling

CS - Computer Science

CT - Construction Technology

CJ - Criminal Justice

DANC - Dance

DM - Diesel Mechanics

DRFT - Drafting

EAC - Educational Assistance Center

ECON - Economics

EDU - Education

EMS - Emergency Medical Services

EMT - Emergency Medical Technology

ENGR - Engineering

ENGL - English

ENGM - English for Multilingual Students

ESL - English as a Second Language

ESRM - Environmental Science and Resource Management

FREN - French

GIS - Geographic Information Systems

GEOG - Geography

GEOL - Geology

GERM - German

HED - Health Education

HS - Health Sciences

HIST - History

HUM - Humanities

HMSV - Human Services

ICA - Intercollegiate Athletics

IDS - Interdisciplinary Studies

INTR - Internship

ITAL - Italian

JAPN - Japanese

KIN - Kinesiology

LS - Learning Skills

LIB - Library Instruction

MT - Manufacturing Technology

MATH - Mathematics

MICR - Microbiology

MUS - Music

NS - Nursing Science

PM - Paramedic

PHIL - Philosophy

PHOT - Photography

PHSC - Physical Science

PHYS - Physics

PHSO - Physiology

POLS - Political Science

POSC - Police Science

PSY - Psychology

SL - Sign Language

SOC - Sociology

SPAN - Spanish

SS - Study Skills

SUP - Supervision

THA - Theatre Arts

WS - Water Science

WEL - Welding

WEXP - Work Experience

For convenience, the course descriptions in this catalog are arranged alphabetically according to subject grouping.

Course Identification

A course identification is comprised of the course discipline name or abbreviated name, and course number (for example, CJ V01). All course numbers for Ventura College will have a leading V (for Ventura) preceding the actual course number. Courses numbered 1 (one) through 9 (nine) will also have a leading zero preceding the actual number. Sometimes an alphabetic character is appended to the course identification (e.g., ART V12A).

Courses requiring a year (two semesters) to complete the full offering may be designated by number and letter (e.g., BUS V01A-V01B). The A section of the course is usually offered in the fall semester with the B section following in the spring; however, some year-sequence courses begin in the spring semester.

The alphabetical designation in the course identification may also be used to designate the related topics of a year-long course (e.g., HIST V18A-V18B); in this instance, the A course would not be a prerequisite to the B course and/or subsequent courses.

Semester Unit Credit

The semester unit credit of the course is shown by a number(s) following the title of the course. As defined by Title 5, § 55002.5, the semester unit is based on three hours of work study; one lecture hour with two attendant hours of preparation or three hours of laboratory activity requiring special facilities or equipment.

Most courses have fixed units; few have variable units. The unit value of each variable-unit course will be specified in the Schedule of Classes each term. In certain instances, the hours of instruction in some variable unit courses may be reduced and credit reduced proportionately.

Prerequisites, Corequisites and Advisories on Recommended Preparation

- **Prerequisites** - A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. The prerequisite ensures that students will achieve skills or knowledge necessary for success in a course or program. For example, a course might require completion of an English course (or placement into English at a specific level) before the student may enroll in a Philosophy course that requires high level reading and writing skills. For example, a student enrolling in general biology is likely to have serious difficulty without adequate preparation in intermediate algebra and introduction to chemistry.

Some prerequisites are required by state statute or regulation. Prerequisites on transferable courses are often determined by four-year institutions which may require specific prerequisites in order to award credit for these courses.

- **Corequisite** - A condition of enrollment consisting of a course which a student is required to take simultaneously in order to enroll and succeed in another course. The student acquires the necessary skills, concepts, and/or information in the corequisite course that supports success in the target course. Since the corequisite course provides skills or knowledge necessary for successful completion of another course, it is highly unlikely that the student can achieve a satisfactory grade in the course for which the corequisite is being established without the skills and knowledge provided in the corequisite course.

- **Recommended Preparation** - A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. While encouraged to do so, students are not required to satisfy recommended preparation guidelines to enroll in a course.

Course prerequisites, corequisites or recommended preparation are specified within course descriptions announced in the Catalog and the Schedule of Classes. Students are expected to have completed the prerequisite course with a satisfactory grade of C or better or P (Pass) and if applicable be enrolled in the corequisite required of all courses in which they enroll.

Limitations on Course Enrollment

- **Limitations** - Conditions of enrollment that a student must meet before enrollment in a course or educational program. The college will only restrict enrollment in a course when the restriction is specifically required by statute or legislation, by prerequisites and/or corequisites, or by health and safety considerations. Other limitations can include facility limitations, faculty availability, funding limitations or other constraints imposed by code, regulations or contracts. The college can provide special registration assistance to the disabled or disadvantaged student. And, the college can enroll students in accordance with a priority system adopted by the local Board of Trustees.

(e.g., CD V64A-Limitations: *current negative TB test or chest x-ray*)

Course Identification Numbering System (C-ID)

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number.

(e.g., CD V04-C-ID: *ECE 200*)

For further information, please refer to C-ID information on pages 70-71 and <http://www.c-id.net/>

Courses Designated as Repeatable

A statement following the course description noting the repeatability of a course will specify the number of times an active participatory course or courses can be repeated. Students shall be permitted to enroll in no more than four semesters in an active participatory course in physical education, visual arts or performing arts that are "related in content" to other courses (Title 5, §55000(l)) of the courses that are similar in content.

Courses are related in content when the courses have "similar primary educational activities in which skill levels or variations are separated into distinct courses with different student learning outcomes for each level or variation." Ventura College has defined courses related in content as a "family of courses" for the following disciplines: Art, Dance, Kinesiology, Music and Theatre Arts.

(e.g. KIN V02-Ventura College faculty has defined Aquatics as a family of courses which includes KIN V02, KIN V03, KIN V04, and KIN V06. A student may take a maximum of four (4) courses from a family).

For more information refer to Appendix XIV, page 285.

Co-designated, Cross-listed, or Same-as Courses

The College offers some of its courses as co-designated, cross-listed, or same-as between two or more disciplines. Where this occurs, all aspects of the co-designated courses are identical, except the course identifier (course discipline abbreviation) and possibly the course numbers and/or alpha characters following the discipline abbreviation, which may be identical or may differ. All other aspects are the same (title, units, hours, description, repeat capability, transferability, etc.). These courses are identified in the Course and Program Descriptions section of the Catalog. Courses which are co-designated or cross-referenced are identified by the phrase "Same as . . ."

Courses Offered on a Pass/No Pass Basis Only

By far, most of the courses offered by the college are offered for a letter grade. Students enrolled in these courses have the right to petition to be evaluated on a pass/no pass (P/NP) basis; interested students should consult the Academic Policies section of this Catalog. Only those courses that are offered exclusively on a P/NP basis (letter grade not possible) are so noted following the course description. All other courses without this notation are offered for a letter grade unless the student successfully petitions otherwise.

Courses Not Applicable For Degree Credit

The majority of courses offered by the College are applicable for degree credit. Therefore, only those courses that are not applicable for degree credit are so noted following the course description with the statement "Not applicable for degree credit." Students enrolled in these courses will receive unit credit and will be awarded an academic record symbol on transcripts as defined in the Academic Policies section of this Catalog. However, the units earned in courses will not apply toward Proficiency Awards, Certificates of Achievement, or Associate degrees.

Transfer Course Identification

Courses offered by Ventura College provide a wide selection of curricula that meet the requirements for most university majors. To assist students in planning their programs of study, all credit courses offered by Ventura College are classified as follows:

1. No notation of transfer credit following the course description indicates that the course is not designed to transfer to public (and most independent) four-year colleges or universities.
2. The notation of transfer credit after the course description is followed by the abbreviation CSU meaning that the course will transfer to any of the 23 campuses of the California State University (Channel Islands, Northridge, etc.) and/or is followed by the abbreviation UC meaning that the course will transfer to any of the 10 campuses of the University of California (Santa Barbara, UCLA, etc.)
3. The notation of transfer credit is defined to mean that the course is acceptable for unit credit for admissions purposes and for credit towards a baccalaureate degree only. Students interested in the applicability of particular courses for use in satisfaction of major preparation requirements and/or general education requirements are advised to consult the transfer information section of the Catalog and an Ventura College counselor.
4. The notation of credit limitations following the transfer credit statement indicates that one or more public four-year institutions impose some kind of limitation on the course. In this case, consult your counselor concerning the transferability of the course.

Additional transfer information is available from the Counseling Office or the www.assist.org website.

Unit Transferability

While all California community colleges have transfer agreements with various educational institutions, it is important for students to understand there are limits on the number and type of course credits a student can transfer. Each college develops courses and curriculum based on the expertise of its faculty and District standards. Each course is assigned a number of units depending upon the course content. While the majority of our courses are articulated to transfer to the UC system and/or CSU system, there is a possibility that not all units for every course will transfer in their entirety to every transfer institution due to the receiving institution unit limitations. Students need to connect with a community college academic counselor as soon as possible, visit the Career Transfer Center, and regularly check www.assist.org to learn whether their specific courses are transferable to an institution of choice. Taking more credits than needed to transfer to another institution can also limit an eligible student's financial aid opportunities. By working closely with academic counselors, the financial aid office, and a receiving institution's support services, eligible students can maintain maximum levels of financial aid resources and transfer of credits.

Field Trips

Field trips are required activities for a number of courses in the College curriculum. For any such courses, it is intended that they be clearly identified in the College Catalog and the Schedule of Classes. For other courses, a field trip or an off-campus activity may be optional for the students enrolled.

According to policy adopted by the College District's governing board, all persons making any type of field trip or excursion shall be deemed to have waived all claims for injury, accident, illness, or death during, or by reason of, the field trip or excursion.

Course and Program Information106

COURSE AND PROGRAM INFORMATION

ACCOUNTING

See Business

AMERICAN ETHNIC STUDIES

AES V01 - NATIVE PEOPLES OF NORTH AMERICA 3 Units

Recommended Preparation: ANTH V02

Hours: 3 lecture weekly

This course is a survey of traditional and contemporary native cultures of North America. Emphasis will be placed on the anthropological concepts and theories which facilitate an understanding of the rich diversity of American Indian life, including economics, social organization, politics, supernaturalistic beliefs, a variety of current issues and other topics.

Field trips may be required. Formerly AES 1. Same as ANTH V04. Transfer credit: CSU; UC.

AES V02A - UNITED STATES HISTORY: FOCUS ON NATIVE AMERICANS I 3 Units

Hours: 3 lecture weekly

This course presents a survey and analysis of United States history from the colonial period through Reconstruction with an emphasis on the role of Native American Indian/ indigenous American peoples. The course emphasizes basic social, political, economic and intellectual concepts and developments of the country in general and the impact of/on Native American Indian peoples in particular.

Field trips may be required. Formerly AES 2A. Same as HIST V05A. Transfer credit: CSU; UC; credit limitations - see counselor.

AES V02B - UNITED STATES HISTORY: FOCUS ON NATIVE AMERICANS II 3 Units

Hours: 3 lecture weekly

This course presents a survey and analysis of United States history from the Civil War to the present, with emphases on the role and history of Native American Indians, changing United States Indian policy, and the interactions between divergent cultures. The course emphasizes basic American social, political, economic, and intellectual concepts and developments of the country in general, and the impact of/on Native American Indian peoples in particular. It requires students to analyze a variety of materials, think critically, and write thesis-based essays and/or research papers.

Field trips may be required. Formerly AES 2B. Same as HIST V05B. Transfer credit: CSU; UC; credit limitations - see counselor.

AES V10 - INTRODUCTION TO AFRICAN AND PRE-COLUMBIAN ART 3 Units

Hours: 3 lecture weekly

This course is a survey of the sculpture, architecture, painting, and related visual arts of Africa, Oceania, and the pre-Columbian Americas. Emphasis will be placed on the relationship between the art and the sociological, religious, historical, and philosophical aspects of the cultures studied. Students will learn to identify, evaluate, and appraise the art of Africa, Oceania, and the pre-Columbian Americas.

Field trips may be required. Same as ART V03. Transfer credit: CSU; UC.

AES V11 - RACIAL AND ETHNIC GROUP RELATIONS 3 Units

Hours: 3 lecture weekly

This course analyzes the patterns of prejudice and discrimination in the United States including their nature, sources, and consequences, and reviews strategies for their reduction. Majority/minority relations among the major social and cultural groups will be given specific examination.

Formerly AES 11. Same as SOC V03. Transfer credit: CSU; UC.

AES V12 - HISTORY OF JAZZ 3 Units

Hours: 3 lecture weekly

This course surveys jazz history, and examines both musical and cultural perspectives from the roots in ragtime, blues and American popular music, to the diverse styles of today. The focus will be on important individuals, groups, styles, and influences, as well as the impact of American society and world culture. Guest artists and lecturers and analyses of recordings may be included.

Field trips may be required. Formerly AES 12. Same as MUS V07. Transfer credit: CSU; UC.

AES V20 - INTRODUCTION TO CHICANO STUDIES 3 Units

Hours: 3 lecture weekly

This course provides an interdisciplinary survey of the Mexican American/ Chicano heritage with emphasis on the contemporary experience in the United States. The survey will include an analysis of the economic, political, social, and intellectual elements of the culture of the Mexican American/Chicano community, and a study of the changing relationship of the community to the general society of the United States.

Field trips may be required. Formerly AES 20. Same as CHST V01. Transfer credit: CSU; UC.

AES V21A - THE HERITAGE OF MEXICO I 3 Units

Hours: 3 lecture weekly

This course presents major historical developments and personalities that have shaped the Mexican nation from the Pre-Columbian era to independence. Emphasis is placed on understanding the culture and customs of the Mexican people as seen throughout their history.

Field trips may be required. Formerly AES 21A. Same as HIST V10A. Transfer credit: CSU; UC.

AES V21B - THE HERITAGE OF MEXICO II 3 Units

Hours: 3 lecture weekly

This course presents major historical developments and personalities that have shaped the Mexican nation from the independence to the present time. Emphasis is placed on understanding the culture and customs of the Mexican people as seen throughout their history, plus important events in the relationship between Mexico and the United States. A portion of the course will address the role of the Mexican and the Mexican American in the United States.

Field trips may be required. Formerly AES 21B. Same as HIST V10B. Transfer credit: CSU; UC.

AES V22 - UNITED STATES HISTORY: FOCUS ON CHICANOS 3 Units

Hours: 3 lecture weekly

This course surveys the history of the United States from the Independence to the present. Emphasis will be placed on the participation and contributions made by Chicanos to the development of American society with a focus on the major historical forces, events, and trends in American history that have impacted and shaped the cultural, social, economic, political and intellectual heritage of Mexican Americans/Chicanos in the United States.

Field trips may be required. Formerly AES 22. Same as HIST V12. Transfer credit: CSU; UC; credit limitations - see counselor.

AES V23 - CHICANO STUDIES ISSUES**3 Units***Recommended Preparation:* AES V20 or CHST V01*Hours:* 3 lecture weekly

This course will assess the similarities and differences of multiple cultures that have contributed to the Chicano experience. The examinations of Chicano studies will include historical perspectives and social science research principles and practices to analyze the impact of economic, political, cultural, social, and institutional factors which have shaped the Mexican/Chicano experience in the Southwest.

*Same as CHST V02. Transfer credit: CSU; UC.***AES V24 - SOCIOLOGY OF THE CHICANO COMMUNITY** **3 Units***Recommended Preparation:* AES V20 or CHST V01 or SOC V01*Hours:* 3 lecture weekly

This course will examine various theoretical perspectives from a sociological framework in relation to the Chicano community. Race, class, gender and culture in the historical development of Chicano people will be explored as we discuss culture, ethnic identity, the institutions of education, economics, family and government. This will include an overview of past and current social movements (i.e. the Chicano, Chicana Feminism, labor movements, and other topics). Students will analyze prevailing myths and stereotypes and investigate the ways Chicanos have contributed to and participated in social and political change. Specific instances of Chicano structural resistance to Anglo encroachment and domination will be discussed. Particular attention will also be given to language development among Chicanos and the historical role of youth.

*Field trips may be required. Same as CHST V24 & SOC V24. Transfer credit: CSU; UC.***AES V40A - UNITED STATES HISTORY:
FOCUS ON AFRICAN AMERICANS I****3 Units***Hours:* 3 lecture weekly

This course will explore the history of the United States from the colonial period through Reconstruction with emphasis placed on the role of African Americans. Starting in colonial America, the course will emphasize the contributions, institutions, trends, concepts, movements and problems relevant to the country in general and to African Americans in particular. A balanced focus will be placed on social, political, economic and intellectual considerations.

*Field trips may be required. Formerly AES 40A. Same as HIST V03A. Transfer credit: CSU; UC; credit limitations - see counselor.***AES V40B - UNITED STATES HISTORY:
FOCUS ON AFRICAN AMERICANS II****3 Units***Hours:* 3 lecture weekly

This course will explore the history of the United States from the Civil War and Reconstruction to the present. It will begin with the struggles the nation faced to reconstruct the Union and to accommodate the newly freed African Americans as citizens of the nation, and trace the parallel struggles of the nation itself and those African American citizens to become one united nation. The course will also analyze Constitutional amendments, industrialization, Jim Crow laws, the Populist Party, the Spanish American War, and subsequent American wars. It will analyze the significant political, cultural, and economic changes in the post World War II era, including the Civil Rights movement and various attempts to address issues of poverty and incomplete citizenship for African Americans and other minorities. The course will emphasize the roles, involvement, and contributions of African Americans, as well as relevant institutions, trends, concepts, movements, and problems. A balanced focus will be placed on social, political, economic, and intellectual considerations.

*Field trips may be required. Formerly AES 40B. Same as HIST V03B. Transfer credit: CSU; UC; credit limitations - see counselor.***AES V41 - CONTEMPORARY AFRICAN
AMERICAN EXPERIENCE****3 Units***Hours:* 3 lecture weekly

This course is a historically oriented study of the African American experience since World War II. Emphasis will be placed on the environmental context of the emergence of strident African American activities, and the philosophical assumptions, the rhetoric and the substance of the civil rights movement and Black power revolt. Relevant personalities, organizations, and cultural expressions will be studied in relation to one another, and in relation to existing national political, economic, social, and intellectual institutional structures.

*Field trips may be required. Formerly AES 41. Same as HIST V13. Transfer credit: CSU; UC.***AES V42A - AFRICAN HISTORY TO 1800****3 Units***Hours:* 3 lecture weekly

This course is a study of African history and will cover the ancient Egyptians as well as Sub-Saharan Africa and its climate, geography, culture and history. Beginning with civilizations along the Nile, the reign of Kushitic pharaohs and other ruling dynasties, this course will cover the rise and fall of great kingdoms in West Africa, the Atlantic slave trade and religion in western and central Sudan, and end around 1800.

*Field trips may be required. Formerly AES 42A. Same as HIST V14A. Transfer credit: CSU; UC.***AES V42B - AFRICAN HISTORY SINCE 1800****3 Units***Hours:* 3 lecture weekly

This course is a study of the Africans since 1800. It starts with Europeans' enlightenment and humanitarian efforts and covers racism and stereotypes, European colonization in Africa, nationalistic and Messianic movements, Negritude, the African woman, independence, Afrikanners in South Africa, and the meaning of freedom. The course ends with the problems of modernization in present day Africa.

*Field trips may be required. Formerly AES 42B. Same as HIST V14B. Transfer credit: CSU; UC.***AES V61 - INTRODUCTION TO THE HISTORY
OF EAST ASIA****3 Units***Hours:* 3 lecture weekly

This course will present a historical survey of the countries and cultures of East Asia with a principal focus on China and Japan. An emphasis will be placed on the impact of traditional Chinese and Japanese antiquity on the present, the impact of the culture and heritage of each nation on the other, and the impact of the West on both major nations.

*Field trips may be required. Formerly AES 61. Same as HIST V15. Transfer credit: CSU; UC.***AES V63 - UNITED STATES HISTORY:
FOCUS ON ASIAN AMERICANS****3 Units***Hours:* 3 lecture weekly

This course will survey the historical experience of the United States from Independence to the present. Emphasis will be placed on the participation and contributions made by Asian Americans to the social, political, and economic development of American society with a focus on Americans of Chinese, Japanese, Korean, Southeast Asian and South Asian ancestry. The course will examine the major historical forces and trends in American history that have impacted and shaped the social, economic, cultural, political and intellectual heritage of the Asian American in the United States.

Field trips may be required. Formerly AES 63. Same as HIST V17. Transfer credit: CSU; UC; credit limitations - see counselor.

AES V65 - INTRODUCTION TO ASIAN ART 3 Units*Hours: 3 lecture weekly*

This course is a survey of the art and culture of South and Southeast Asia, China, Korea, Japan, and Islam. Works of art, crafts, and architecture from prehistoric to contemporary times are examined as a form of historical, cultural, and social expression.

Field trips may be required. Formerly AES 65. Same as ART V08. Transfer credit: CSU; UC.

AES V66 - INTRODUCTION TO MODERN AND CONTEMPORARY LATIN AMERICAN ART 3 Units*Hours: 3 lecture weekly*

This course is a survey of mainstream modern and contemporary developments in painting, sculpture, crafts and architecture of selected Latin American countries, including both modernist and postmodernist forms, with particular emphasis on a Latin American identity through works of art as a form of cultural, and social expression.

Field trips will be required. Same as ART V09. Transfer credit: CSU; UC.

AES V67 - INTRODUCTION TO NON-WESTERN ART 3 Units*Hours: 3 lecture weekly*

This course is a survey of Non-Western art and culture, including African, Asian, Islamic, Oceanic, and Native American. Works of art, crafts, and architecture from prehistoric to contemporary times are examined as a form of historical, cultural, and social expression.

Same as ART V02C. Transfer credit: CSU; UC; credit limitations - see counselor.

AGRICULTURE

Agriculture is the single largest industry in the world and employs approximately 20% of people in the United States. Agriculture is no longer solely comprised of farming. This industry includes vast opportunities in not only the production, but also the processing, distribution, and marketing of various food stuffs; from animal science to agronomy to landscaping to the floor of the Board of Trade in Chicago. The Ventura College Agriculture Program is designed to maximize the potential of individuals to fulfill their personal and career goals by providing courses that prepare students for entrepreneurship or employment within the many fields of agriculture or agriculture business. Our program provides course work and direct, hands-on learning experiences emphasizing current, environmentally and economically sound, and sustainable principles and practices that develop the skills, knowledge, and abilities vital for agricultural industries as well as for a healthy, productive society.

COURSE DESCRIPTIONS

AG V06 -INTRODUCTION TO PLANT SCIENCE (WITH LABORATORY) 3 Units*Hours: 2 lecture, 3 laboratory weekly*

This course is an introduction to plant science, including structure, growth processes, propagation, physiology, growth media, biological competitors, and post-harvest factors of food, fiber, and ornamental plants.

Field trips will be required. Transfer credit: CSU; UC.

AG V10 -INTRODUCTION TO AGRICULTURE BUSINESS 3 Units*Hours: 3 lecture weekly*

This course provides a basic understanding of the business and economics of the agricultural industry; an introduction to the economic aspects of agriculture and their implications to the agricultural producer, consumer and the food system; and management principles encountered in the day-to-day operations of an agricultural enterprise as they relate to the decision-making process.

Field trips may be required. Transfer credit: CSU; UC.

AG V11 -AGRICULTURAL SALES AND COMMUNICATION 3 Units*Hours: 3 lecture weekly*

This course covers the study of principles and practices of the selling process: selling strategies and approaches, why and how people buy, prospecting, territory management, and customer service. Self- management, communication, and interpersonal skills necessary in developing managerial abilities, leadership qualities, and facilitating teamwork within the agribusiness sector will be explored. Students will gain experience through role-play, formal sales presentations, and job shadowing. The course content is organized to give students an in-depth understanding of the factors and influences that affect the agribusiness industry on a day-to-day basis.

Transfer credit: CSU.

AG V12 -AGRICULTURE ECONOMICS 3 Units*Hours: 3 lecture weekly*

This course covers the place of agriculture and farming in the economic system; basic economic concepts and problems of agriculture; pricing and marketing problems; and factors of production. State and federal farm programs affecting the farmer's economic position will also be included.

Transfer credit: CSU; UC.

AG V13 -AGRICULTURAL COMPUTER APPLICATIONS 3 Units*Hours: 3 lecture weekly*

This course covers computer use in the workplace with emphasis on agribusiness situations. Computer applications including word-processing, spreadsheets, databases, and presentation managers will be covered. Also included will be accessing information through the Internet and World Wide Web, telecommunications, an introduction to web page design, and other software appropriate to agribusiness.

Transfer credit: CSU.

AG V14 -AGRICULTURAL ACCOUNTING 3 Units*Hours: 2 lecture, 3 laboratory weekly*

This course covers the study of the principles of accounting systems and types of records, including their use, how to compute and use measures of earnings, and cost of production to improve agribusiness efficiency. Farm income tax, Social Security, and employee payroll records are included.

Transfer credit: CSU.

ANATOMY

ANAT V01 - GENERAL HUMAN ANATOMY 4 Units*Recommended Preparation: BIOL V01-V01L or BIOL V03**C-ID: BIOL 110B**Hours: 3 lecture, 3 laboratory weekly*

This course is a survey of the gross anatomy and histology of the major human organ systems including the skeletal and muscle systems, the digestive, circulatory, respiratory, excretory, nervous, endocrine, and reproductive systems. Laboratory work includes observation of models, and of human organs, and tissues. A human cadaver is used for demonstration of musculature and digestive, respiratory, circulatory, and urogenital systems.

Formerly Anat 1. Transfer credit: CSU; UC; credit limitations - see counselor.

ANATOMY/PHYSIOLOGY

ANPH V01 - INTRODUCTION TO HUMAN ANATOMY AND PHYSIOLOGY

5 Units

Prerequisite: CHEM V20-V20L or CHEM V30-V30L or 1 year of high school chemistry with grades of C or better

Recommended Preparation: BIOL V01-V01L

Hours: 3 lecture, 6 laboratory weekly

This course offers a survey of the structural and functional relationships which exist between organs and tissues within the human body. The human body will be approached from a gross anatomical perspective in the lab using models, human organs, histology slides and cadaver observations and from the physiological perspective in lecture discussions and exercises. Cellular structure and physiology, histology and fundamentals of molecular biology will be used to describe the mechanisms by which homeostatic balance is maintained in the body as a whole.

Formerly AnPh 1. Transfer credit: CSU; UC; credit limitations - see counselor.

ANTHROPOLOGY

Training in Anthropology provides students with a comprehensive education of the human condition and specialization in the various sub-disciplines can lead to careers both in the sciences and humanities. Career opportunities in Anthropology are numerous and include opportunities in corporate business, advocacy work, public health, and academic and research positions.

Associate in Arts Degree

ANTHROPOLOGY FOR TRANSFER

The Associate in Arts in Anthropology for Transfer Degree (Anthropology AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Anthropology for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Anthropology or similar programs.

To earn an Anthropology AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (9 units):

		UNITS
ANTH V01	Biological Anthropology	3
ANTH V02	Cultural Anthropology	3
ANTH V03	Introduction to Archaeology	3

LIST A:

Select one (1) of the following courses (3-4 units):

ANTH V01L	Biological Anthropology Laboratory	1
ANTH V05	Linguistic Anthropology: Culture and Communication	3

PSY V04	Introductory Statistics for the Social and Behavioral Sciences	4
---------	----------------------------------------------------------------	---

OR

MATH V44	Elementary Statistics	4
----------	-----------------------	---

LIST B:

Select one or two (1-2) of the following courses (3-5 units):

Any course not used in LIST A:

ANTH V01L, ANTH V05, PSY V04 or MATH V44	1-4
------------------------------------------	-----

PSY V07	Introduction to Research Methods in the Social and Behavioral Sciences	3
---------	------------------------------------------------------------------------	---

GEOL V02	Physical Geology	3
----------	------------------	---

AND

GEOL V02L	Physical Geology Laboratory	1
-----------	-----------------------------	---

LIST C:

Select one (1) of the following courses (3 units):

Any course from LIST A or B not already used

ANTH V04/		1-4
AES V01	Native Peoples of North America	3
ANTH V07	The Anthropology of Magic, Witchcraft and Religion	3
COMM V12	Intercultural Communication	3
GEOG V02	Introduction to Human Geography	3
PSY V30	Multicultural Psychology	3
SOC V01	Introduction to Sociology	3
SOC V03/		
AES V11	Racial and Ethnic Group Relations	3

Major Units	18-21
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	
Double-Counted Units	(14-17)

DEGREE TOTAL 60

See a counselor or consult assist.org, if you plan to transfer to a UC campus or a college or university other than a CSU.

For other course descriptions, see American Ethnic Studies, Communication Studies, Geology, Geography, Mathematics, Psychology, and Sociology

Proficiency Award
ANTHROPOLOGY

(Awarded by the Anthropology Department)

REQUIRED COURSES:		Units
ANTH V01	Biological Anthropology	3
ANTH V02	Cultural Anthropology	3
ANTH V03	Introduction to Archaeology	3
TOTAL		9

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Anthropology** program students will be able to:

- Show comprehension of the interaction between biology and culture.
- Demonstrate the ability to identify and apply anthropological theories to evaluate biological, cultural and/or archaeological data.
- Have the ability to analyze and interpret the anthropological models of human evolution.
- Have the ability to analyze and interpret the anthropological models of socio-cultural structures.

COURSE DESCRIPTIONS

ANTH V01 - BIOLOGICAL ANTHROPOLOGY **3 Units**

C-ID: ANTH 110

Hours: 3 lecture weekly

This course is an introduction to the fundamental principles of biological anthropology. Topics will include: evolutionary theory and basic genetic concepts; survey of non-human primates with emphasis on models for understanding human evolution; the fossil evidence for primate/human evolution; emergence of culture and language; the origins and significance of human physical diversity; and, the implications of population growth for the future of the species.

Field trips may be required. Formerly Anthro 1. Transfer credit: CSU; UC.

ANTH V01L - BIOLOGICAL ANTHROPOLOGY LABORATORY **1 Unit**

Prerequisite: ANTH V01 or concurrent enrollment

Hours: 3 laboratory weekly

This laboratory course provides experiences in applying the principles and techniques of biological anthropology. Topics will include: the Scientific Method, Mendelian and molecular genetics, population genetics, variation in contemporary human populations, forensics, comparative vertebrate anatomy, human osteology, primatology, and comparative human fossil morphology.

Field trips may be required. Transfer credit: CSU; UC.

ANTH V02 - CULTURAL ANTHROPOLOGY **3 Units**

C-ID: ANTH 120

Hours: 3 lecture weekly

This course is an introduction to the comparative study of cultural systems. Emphasis will be on the research methods, concepts and theories which apply to an understanding of the worldwide diversity of human behavior in all major aspects of culture including: economics, social organization, politics and legal systems, language, subsistence strategies, social stratification, gender roles, art, and belief in the supernatural. Cultural change will also be addressed.

Field trips may be required. Formerly Anthro 2. Transfer credit: CSU; UC.

ANTH V03 - INTRODUCTION TO ARCHAEOLOGY **3 Units**

Recommended Preparation: ANTH V01 or ANTH V02

C-ID: ANTH 150

Hours: 3 lecture weekly

This course is an introduction to archaeological archaeology, including discussion of scientific methods, the history of archaeology, field and laboratory methods used in the acquisition and analysis of archaeological data, techniques of age determination, and theories used to interpret the past. It explores strategies for explaining cultural behavior and cultural change, including important cultural sequences, and addresses the relevance of archaeological studies to contemporary social issues. Archaeological ethics and real-world issues concerning looting, collecting, preservation, cultural resource management, and the role of indigenous peoples are examined.

Field trips may be required. Formerly Anthro 3. Transfer credit: CSU; UC.

ANTH V04 - NATIVE PEOPLES OF NORTH AMERICA **3 Units**

Recommended Preparation: ANTH V02

Hours: 3 lecture weekly

This course is a survey of traditional and contemporary native cultures of North America. Emphasis will be placed on the anthropological concepts and theories which facilitate an understanding of the rich diversity of American Indian life, including economics, social organization, politics, supernaturalistic beliefs, a variety of current issues and other topics.

Field trips may be required. Formerly Anthro 4. Same as AES V01. Transfer credit: CSU; UC.

ANTH V05 - LINGUISTIC ANTHROPOLOGY: CULTURE AND COMMUNICATION **3 Units**

Recommended Preparation: ANTH V02

C-ID: ANTH 130

Hours: 3 lecture weekly

This course introduces the socio-cultural perspective in linguistic anthropology. Students will be provided with an overview of the relationship between language and culture, including the basic structure of language, human interaction using verbal language and non-verbal cues, how language reflects and shapes thought, the expression of social status and identity, and the construction of social relationships. The course also exposes students to anthropological theories of language origin, variation in language, language change, and language endangerment.

Transfer credit: CSU; UC.

ANTH V06 - SEX, GENDER, AND CULTURE **3 Units**

Recommended Preparation: ANTH V01 and ANTH V02

Hours: 3 lecture weekly

This course is an exploration of gender roles, accomplishments and stereotypes, past and present, as they are affected by different types of cultures, simple and complex, including examples from all continents. Information and issues concerning Western gender roles are discussed from a cross-cultural perspective.

Formerly Anthro 6. Transfer credit: CSU; UC.

ANTH V07 - THE ANTHROPOLOGY OF MAGIC, WITCHCRAFT AND RELIGION **3 Units**

Recommended Preparation: ANTH V02

Hours: 3 lecture weekly

Beliefs about the supernatural are found in all known societies. This course surveys some of the religious systems found in cultures around the world, past and present, familiar and exotic. Beliefs and practices related to magic, witchcraft, and divination are given particular attention, as are those related to shamanism, supernatural beings, rituals, and reform movements. Anthropological theories of the origins and functions of supernaturalistic beliefs are also examined.

Field trips may be required. Formerly Anthro 7. Transfer credit: CSU; UC.

ANTH V35 - INTRODUCTION TO FORENSIC SCIENCE

3 Units

Corequisite: Concurrent enrollment in ANTH V35L or CJ V35L

C-ID: AJ 150

Hours: 3 lecture weekly

This course is an introduction to forensic science. The techniques and methods used by forensic scientists to collect and evaluate biological and physical evidence in the modern forensic laboratory will be presented through demonstrations and guest presentations. Emphasis is placed on applied forensic methods, evaluation of the limitations of current techniques and interpretations, and how to pursue a career in a particular specialty area of forensic science.

Field trips may be required. Same as CJ V35. Transfer credit: CSU; credit limitations - see counselor.

ANTH V35L - INTRODUCTION TO FORENSIC SCIENCE LABORATORY

1 Unit

Corequisite: Concurrent enrollment in ANTH V35 or CJ V35

Hours: 3 laboratory weekly

This course is an introduction to forensic science lab procedures and crime scene investigation. Students will practice the techniques and methods used by crime scene investigators and forensic scientists to evaluate, document, and collect biological and physical evidence.

Field trips may be required. Same as CJ V35L. Transfer credit: CSU; credit limitations - see counselor.

ANTH V36 - FORENSIC ANTHROPOLOGY

3 Units

Recommended Preparation: ANTH V01L, or ANTH V35, or CJ V35

Hours: 3 lecture weekly

This course explores the application of standard, scientific, and anthropological techniques to identify human remains, and to assist in the detection of a crime. It introduces a basic overview of the fields of forensic anthropology and human osteology. It focuses on the techniques used to make estimates of age, sex, ancestry, and stature; recovery techniques; and the analytic techniques and procedures used in the medico-legal framework.

Field trips may be required. Transfer credit: CSU; UC.

ANTH V88 - ANTHROPOLOGY WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

ANTH V89 - WORKSHOPS IN ANTHROPOLOGY

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Anthro 89. Transfer credit: CSU; for UC, determined after admission.

ANTH V90 - DIRECTED STUDIES IN ANTHROPOLOGY

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Anthro 90. Transfer credit: CSU; for UC, determined after admission.

ARCHITECTURE

The Architecture program provides a balance of architectural, technical design, and lower division courses to provide students with a diverse foundation of knowledge in the fields of architecture, landscape architecture, and urban planning which prepares students for careers in a wide range of design fields. The program is designed to prepare students to work as architectural technicians or designers in an architectural, engineering or development office. The curriculum visualizes architecture as a cultural, creative, technical practice, and discipline with direct social impact. The program provides preparation for baccalaureate degrees and/or the training for professional careers while providing a technical associate degree or certificate of achievement.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Architecture** program students will be able to:

- Students will recognize and critically analyze the elements and principles of architectural design and construction
- Students will develop critical understanding of the practice of architecture and its components.
- Students will have the ability to recognize and execute cognitive, cultural, physical, social and sustainable factors in planning construction and the execution of architectural designs.
- Students will display competency with graphic communication of ideas.

COURSE DESCRIPTIONS

**ARCH V10 - INTRODUCTION TO
 ARCHITECTURAL DESIGN**

2 Units

Hours: 2 lecture weekly

This course is the study of architectural design, including concepts of size, shape, material, context, number, variety, and relationship (pattern, hierarchy, contrast, and balance). Students will design and execute two-dimensional presentations composed of drawings, images and/or text that support intended communication and provide solutions to defined design problems. *Field trips may be required. Formerly Arch 10. Transfer credit: CSU; UC; credit limitations - see counselor.*

**ARCH V11 - BLUEPRINT READING:
 ARCHITECTURAL/CONSTRUCTION**

3 Units

Hours: 3 lecture weekly

This course provides experience in construction blueprint reading and plan review. Experiences will include the study of lines, symbols, notations and dimensions used on architectural drawings. Code interpretation and design compliance will be stressed. *Formerly Arch 11. Same as CT V20 & DRFT V02B. Transfer credit: CSU; credit limitations - see counselor.*

**ARCH V12 - ADVANCED BLUEPRINT READING:
 COMMERCIAL/INDUSTRIAL**

3 Units

*Recommended Preparation: ARCH V11 or CT V20 or DRFT V02B or equivalent
 Hours: 3 lecture weekly*

This is an advanced blueprint reading course for inspectors, contractors, and designers interested in commercial and industrial construction. This course will provide training in blueprint reading comprehension, system assemblies, and material specifications. Subjects to be covered will include soils, foundations, site work, concrete, masonry, structural steel, welding, and mechanical and electrical systems. *Same as CT V12. Transfer credit: CSU; credit limitations - see counselor.*

ARCH V15 - DESIGN AND MODEL CONSTRUCTION

2 Units

Hours: 1 lecture, 3 laboratory weekly

The course provides beginning students with a hands-on design and construction experience in coordination with their first design and visual communication studios. Focus will be on the safe operation of wood and metal tools and equipment, and the design and construction of a small scale project. *Field trips may be required. Transfer credit: CSU.*

ARCH V21 - ARCHITECTURAL GRAPHICS I 3 Units

Recommended Preparation: DRFT V03 or 1 year of drafting experience

Hours: 2 lecture, 3 laboratory weekly

This course is the study and practice of basic techniques used for graphic communication. Techniques will include orthographic and isometric projection, mechanical perspective, shades and shadows.

Field trips may be required. Formerly Arch 21. Transfer credit: CSU; UC.

ARCH V22 - ARCHITECTURAL GRAPHICS II 3 Units

Prerequisite: ARCH V21

Hours: 2 lecture, 3 laboratory weekly

This course includes further development of freehand and mechanical graphic communication skills for representation of conceptual ideas, analysis and design concepts.

Field trips may be required. Formerly Arch 22. Transfer credit: CSU; UC.

ARCH V23 - INTRODUCTION TO AUTOCAD 2 Units

Recommended Preparation: DRFT V03 or 1 year of drafting experience

Hours: 1 lecture, 3 laboratory weekly

This course is an introduction to the use of AutoCAD including commands, editing, printing and plotting with emphasis on two-dimensional, and introduction to three-dimensional drawings. Industry trends, practices, and employer expectations will be addressed.

Field trips may be required. Formerly Arch 23. Same as DRFT V05A. Transfer credit: CSU; UC; credit limitations - see counselor.

ARCH V24 - ADVANCED OPERATIONS OF AUTOCAD 2 Units

Prerequisite: ARCH V23 or DRFT V05A

Hours: 1 lecture, 3 laboratory weekly

This course emphasizes AutoCad instruction including three-dimensional drafting, customization of AutoCad, architectural computer assisted drafting (CAD), and an introduction to computer assisted machining (CAM).

Field trips may be required. Formerly Arch 24. Same as DRFT V05B. Transfer credit: CSU; UC; credit limitations - see counselor.

ARCH V25 - DIGITAL TOOLS FOR ARCHITECTURE 3 Units

Recommended Preparation: ARCH V23 or DRFT V05A

Hours: 2 lecture, 3 laboratory weekly

The course is designed to introduce digital tool components to architecture students. Course assignments develop the student's understanding and skills associated with 3D modeling (Form Z), image editing (Photoshop) and page layout (In-Design), or similar program applications.

Field trips may be required. Transfer credit: CSU; UC.

ARCH V31 - REVIT PRACTICE I 3 Units

Recommended Preparation: DRFT V03 or 1 year of drafting experience

Hours: 2 lecture, 3 laboratory weekly

This course is designed to train students in preparing architectural construction drawings. Drawings include site plan, foundation plan, floor plan, elevation and detail drawings. Emphasis is on concepts, methods, processes, detailing, and documentation of wood frame construction.

Field trips may be required. Formerly Arch 31. Transfer credit: CSU.

ARCH V32 - REVIT PRACTICE II 3 Units

Recommended Preparation: DRFT V03 or 1 year of drafting experience

Hours: 2 lecture, 3 laboratory weekly

This course is designed to train students in preparing construction drawings. Emphasis will be placed on the techniques and methods for major building material use, such as wood, masonry, concrete and steel. Design principles will be discussed.

Field trips may be required. Formerly Arch 32. Transfer credit: CSU.

ARCH V33 - COMPUTER APPLICATIONS IN ARCHITECTURE 3 Units

Recommended Preparation: ARCH V31; and ARCH V23 or DRFT V05A

Hours: 2 lecture, 3 laboratory weekly

This course provides an opportunity for students to apply computer applications in architecture through the assignment of architectural projects. Students may select individual projects focusing on graphic techniques, design or construction drawings. All work will be performed using computer assisted drafting (CAD).

Field trips may be required. Formerly Arch 33. Transfer credit: CSU; UC; credit limitations - see counselor.

ARCH V40 - ARCHITECTURAL DESIGN I 3 Units

Recommended Preparation: DRFT V03 or 1 year of drafting experience

Hours: 1.5 lecture, 4.5 laboratory weekly

This course includes theories, principles, methods and means pertaining to the creation of architectural form, space and organizations, and the incorporation of function and light as issues that shape the built environment and support the communication of intended concepts and meanings.

Field trips may be required. Formerly Arch 40. Transfer credit: CSU; UC; credit limitations - see counselor.

ARCH V41 - ARCHITECTURAL DESIGN II 3 Units

Recommended Preparation: ARCH V40

Hours: 1.5 lecture, 4.5 laboratory weekly

This course includes theories, principles, methods and means pertaining to the incorporation of context, structure and climate as issues that shape the built environment and support the communication of intended concepts and meanings.

Field trips may be required. Formerly Arch 41. Transfer credit: CSU; UC; credit limitations - see counselor.

ARCH V58 - INTERNATIONAL RESIDENTIAL CODE 3 Units

Hours: 3 lecture weekly

This course is an introduction to the International Residential Code (IRC). Students will learn interpretation and use of the residential building code as it applies to current construction. Design criteria and inspection processes will be emphasized. Course content will include information related to residential code certification for inspectors and designers. Topics of instruction will follow the content of the most recent IRC as published by the International Code Council (ICC).

Same as CT V58. Transfer credit: CSU; credit limitations - see counselor.

ARCH V59 - INTERNATIONAL BUILDING CODE 3 Units

Hours: 3 lecture weekly

This is an introduction to the International Building Code (IBC), as published by the International Code Council (ICC). The IBC is the building code used for commercial and industrial structures. Subjects to be covered will include structural design requirements, inspection procedures, code comprehension, and ICC inspector certification.

Formerly Arch 59. Same as CT V59. Transfer credit: CSU; credit limitations - see counselor.

ARCH V60 - SIMPLIFIED ENGINEERING FOR BUILDING CONSTRUCTION 3 Units

Hours: 3 lecture weekly

This is an introductory course designed to give the student an overview of basic construction engineering principles. This course will study subjects such as live and dead loads, uniform and concentrated loads, footing and foundation design, post and beam sizing, shear transfer, load path transfer, building material selection, connection methods, safety codes, and other aspects of structural design.

Formerly Arch 60. Same as CT V60. Transfer credit: CSU; credit limitations - see counselor.

ARCH V64 - BUILDING CONSTRUCTION: MATERIALS AND METHODS

3 Units

Hours: 3 lecture weekly

This course is an introduction to residential and light commercial building construction, including materials, foundations, framing, roof and stair cutting, drywall, finish work and building codes. This course is intended to serve as an overview of the construction process.

Formerly Arch 64. Same as CT V64. Transfer credit: CSU; credit limitations - see counselor.

ARCH V67 - BUILDING ACCESSIBILITY REGULATIONS

2 Units

Hours: 2 lecture weekly

This course is a study of California and federal regulations, such as the Americans with Disabilities Act (ADA) and California Title 24 Regulations, which cover building accessibility for disabled persons. Both public and private buildings will be studied as well as parking, exterior routes of travel, entrances, exits and other accommodations. This course is intended for building designers as well as contractors and inspectors. This course will also help prepare students for industry certification.

Formerly Arch 67. Same as CT V67.

ARCH V75 - INTRODUCTION TO ELECTRICAL, PLUMBING, AND MECHANICAL SYSTEMS

3 Units

Hours: 3 lecture weekly

This course is an introduction to residential and light commercial electrical, plumbing, heating, air conditioning, and ventilation systems. Subjects to be studied will include vocabulary, equipment, materials, construction methods, system design, and basic inspection requirements.

Formerly Arch 75. Same as CT V75. Transfer credit: CSU; credit limitations - see counselor.

ARCH V90 - DIRECTED STUDIES IN ARCHITECTURE

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Transfer credit: CSU.

ARCH V95 - ARCHITECTURE INTERNSHIP I

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

ARCH V96 - ARCHITECTURE INTERNSHIP II

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

ART

See also: FILM

The Art program offers beginning and intermediate courses that provide students with the knowledge and experience for a broad understanding of the visual arts. The beginning (foundation) courses are based in the belief that a strong foundation is the building block to insure student success in each of the art discipline areas. The foundation courses are: Color and Design, Drawing, Life Drawing, Three-Dimensional Design, Color Theory, and Art History. Upon completion of foundation courses students are encouraged to focus on one or more concentrated areas in, Painting, Photography, Ceramics, Sculpture, Printmaking, Graphic Design, or Art History. The combination of the foundation courses in the visual arts and focused arts curriculum prepares students for transfer to universities and art schools and for gaining necessary skills to enter the arts workforce. In all courses we expect students in the arts to think creatively and critically. To assist students in gaining insight in creative and critical thinking the department maintains two professional art galleries bringing work by a variety of nationally established artists to our campus. The galleries also provide students with the opportunity to develop gallery management skills. We are proud of our notoriety as one of the top art programs in southern California. The Ventura College Art program has a long tradition of producing many of the region's most important artists. Career opportunities for arts majors includes exhibiting artist, art teacher, graphic designer, photographer, illustrator, art technician, art historian, commercial artist, gallery and museum exhibitions assistance and management, arts organizations employment, and other professions in creative endeavor areas. Those wishing to teach at a College level must earn a Masters or Masters of Fine Arts degree. Those wishing to teach Art History at the University level must earn a Ph.D. See FILM for more course descriptions.

Associate in Arts Degree

ART HISTORY FOR TRANSFER

The Associate in Arts in Art History for Transfer Degree (Art History AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Art History for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Art, Art History, Fine Arts, History, Studio Arts or similar programs.

To earn an Art History AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (9 units):	UNITS
ART V02A Introduction to the History of Western Art I	3
ART V02B Introduction to the History of Western Art II	3
ART V12A Drawing & Composition I	3

LIST A:

Select one (1) of the following courses (3 units):

ART V02C/ AES V67 Introduction to Non-Western Art	3
ART V03/ AES V10 Introduction to African and Pre-Columbian Art	3
ART V08/ AES V65 Introduction to Asian Art	3

LIST B:

Select one (1) of the following courses (3 units):

ART V11A Color & Design: 2D Design	3
ART V19 Three-Dimensional Design	3
ART V73A/ PHOT V73A Digital Imaging	3
ART V51A Beginning Ceramics I	3
ART V25A Beginning Sculpture I	3
PHOT V01 Beginning Photography	3

LIST C:

Select one (1) of the following courses (3-4 units):

Any course from LIST A or B not already used 3

OR
Any CSU transferable Art History course (Except ART V01) not already used 3

ART V04 Introduction to Renaissance and Baroque Art	3
ART V05 Introduction to American Art	3
ART V06 Introduction to Modern Art	3
ART V07 Introduction to Women in the Arts	3
ART V09 Introduction to Modern and Contemporary Latin American Art	3

OR

Any CSU GE course from Areas C1, C2, D1, D3, D4, or D6 3-5

Please refer to CSU General Education-Breadth Certification (may be found in the Counseling Office or in the VC Catalog on page 75).

Major Units	18-20
CSU General Education or IGETC-CSU Pattern Electives (CSU transferrable units to reach 60)	37-39
Double-Counted Units	(16)

DEGREE TOTAL 60

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see American Ethnic Studies and Photography

Associate in Arts Degree

STUDIO ARTS FOR TRANSFER

The Associate in Art in Studio Arts for Transfer Degree (Studio Arts AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Art in Studio Arts for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Art, Ceramics, Commercial Art, Digital Media, Fine Arts, Painting, Photography and Sculpture.

To earn a Studio Arts AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (12 units):

	Units
ART V02B Introduction to the History of Western Art II	3
ART V11A Color and Design: Two-Dimensional Design	3
ART V19 Three-Dimensional Design	3
ART V12A Drawing and Composition I	3

LIST A:

Select one (1) of the following courses (3 units):

ART V02A Introduction to the History of Western Art I	3
ART V08/ AES V65 Introduction to Asian Art	3
ART V03/ AES V10 Introduction to African and Pre-Columbian Art	3
ART V02C/ AES V67 Introduction to Non-Western Art	3
ART V04 Introduction to Renaissance and Baroque Art	3
ART V05 Introduction to American Art	3
ART V06 Introduction to Modern Art	3

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Art** program students will be able to:

- Demonstrate basic drawing skills, color manipulation, and design principles in areas of emphasis.
- Demonstrate three-dimensional techniques in creating objects in selected areas of emphasis.
- Demonstrate an understanding of the camera and of the basic techniques of analog and digital photography in selected areas of emphasis.
- Critically evaluate digital media and graphic communication design and production techniques and their use in selected areas of emphasis.
- Analyze works of art in terms of their historical contexts and social and cultural values.

COURSE DESCRIPTIONS**ART V01 - ART APPRECIATION 3 Units**

Hours: 3 lecture weekly

This course is designed as an introduction for the non-art major to basic concepts common to the visual arts and to acquaint the student with the major periods and styles of art. Painting, sculpture, and architecture from prehistoric times to Post-Modernism will be explored with particular emphasis on the art object as a form of cultural and social expression.

Field trips may be required. Formerly Art 1. Transfer credit: CSU; UC.

ART V02A - INTRODUCTION TO THE HISTORY OF WESTERN ART I 3 Units

C-ID: ARTH 110

Hours: 3 lecture weekly

This course is a survey of the history of western art from Prehistoric times through the Gothic period. The course includes discussions of styles, techniques of producing art, major figures in art history, and the relationship of art and society with a particular emphasis on the art object as a form of cultural and social expression.

Field trips may be required. Formerly Art 2A. Transfer credit: CSU; UC.

ART V02B - INTRODUCTION TO THE HISTORY OF WESTERN ART II **3 Units**

Hours: 3 lecture weekly

This course is a survey of the history of western art from the Renaissance to Postmodern times. The course includes discussions of the development of styles, techniques of producing art, major figures in art history, and the relationship of art and society, with a particular emphasis on the art object as a form of cultural, and social expression.

Field trips may be required. Formerly Art 2B. Transfer credit: CSU; UC.

ART V02C - INTRODUCTION TO NON-WESTERN ART **3 Units**

Hours: 3 lecture weekly

This course is a survey of Non-Western art and culture, including African, Asian, Islamic, Oceanic, and Native American. Works of art, crafts, and architecture from prehistoric to contemporary times are examined as a form of historical, cultural, and social expression.

Same as AES V67. Transfer credit: CSU; UC.

ART V03 - INTRODUCTION TO AFRICAN AND PRE-COLUMBIAN ART **3 Units**

Hours: 3 lecture weekly

This course is a survey of the sculpture, architecture, painting, and related visual arts of Africa, Oceania, and the pre-Columbian Americas. Emphasis will be placed on the cultures studied. Students will learn to identify, evaluate, and appraised the art of Africa, Oceania, and the pre-Columbian Americas.

Field trips may be required. Same as AES V10. Transfer credit: CSU; UC.

ART V04 - INTRODUCTION TO RENAISSANCE AND BAROQUE ART **3 Units**

Hours: 3 lecture weekly

This course is a survey of the painting, sculpture, and architecture produced throughout Europe between the fourteenth and eighteenth centuries as a form of historical, cultural, and social expression.

Field trips may be required. Formerly Art 4. Transfer credit: CSU; UC.

ART V05 - INTRODUCTION TO AMERICAN ART **3 Units**

Hours: 3 lecture weekly

This course is a study of the history of American painting, sculpture, architecture, and decorative arts from colonial times to the present.

Field trips may be required. Formerly Art 5. Transfer credit: CSU; UC.

ART V06 - INTRODUCTION TO MODERN ART **3 Units**

Hours: 3 lecture weekly

Recommended Preparation: ENGL V01A or concurrent enrollment

This course is a study of painting, sculpture, architecture and allied arts of the 19th, 20th, and 21st centuries. The major movements of Europe and the U.S. will be discussed.

Field trips may be required. Formerly Art 6. Transfer credit: CSU; UC.

ART V07 - INTRODUCTION TO WOMEN IN THE ARTS **3 Units**

Hours: 3 lecture weekly

This course is a survey of the visual arts produced by women from ancient times to the present. Emphasis will be on exposure and appreciation as well as on stylistic analysis of the works.

Field trips may be required. Formerly Art 7. Transfer credit: CSU; UC.

ART V08 - INTRODUCTION TO ASIAN ART **3 Units**

Hours: 3 lecture weekly

This course is a survey of aesthetic developments such as sculpture, architecture, painting and crafts in Asiatic cultures. Emphasis will be placed on the arts of three major cultural areas-India, China and Japan-based on their historical, cultural and philosophical backgrounds.

Field trips may be required. Formerly Art 8. Same as AES V65. Transfer credit: CSU; UC.

ART V09 - INTRODUCTION TO MODERN AND CONTEMPORARY LATIN AMERICAN ART **3 Units**

Hours: 3 lecture weekly

This is a survey of mainstream modern and contemporary developments in painting, sculpture, crafts and architecture of selected Latin American countries, including both modernist and postmodernist forms, with particular emphasis on a Latin American identity through works of art as a form of cultural, and social expression.

Field trips will be required. Same as AES V66. Transfer credit: CSU; UC.

ART V11A - COLOR AND DESIGN: TWO-DIMENSIONAL DESIGN **3 Units**

Hours: 2 lecture, 4 laboratory weekly

This course introduces theories and applications of two-dimensional composition in the visual arts using the elements of line, shape, texture, value, and color. It provides an essential background in design theory and applications including the elements and the principles of design.

Field trips may be required. Formerly Art 11A. Transfer credit: CSU; UC.

ART V11B - COLOR AND DESIGN: COLOR THEORY AND PRACTICE **3 Units**

Prerequisite: ART V11A

C-ID: ARTS 270

Hours: 2 lecture, 4 laboratory weekly

This course explores the use of color as one element of art and design. Special emphasis is placed on the study of color theory and its practical applications.

Field trips may be required. Formerly Art 11B. Transfer credit: CSU; UC.

ART V12A - DRAWING AND COMPOSITION I **3 Units**

C-ID: ARTS 110

Hours: 2 lecture, 4 laboratory weekly

This is an introductory drawing experience stressing graphic representation of objects through a variety of media and techniques. Particular emphasis is placed upon the fundamental means of pictorial composition.

Field trips may be required. Formerly Art 12A. Transfer credit: CSU; UC.

ART V12B - DRAWING AND COMPOSITION II **3 Units**

Prerequisite: ART V12A

C-ID: ARTS 205

Hours: 2 lecture, 4 laboratory weekly

This course is an intermediate drawing experience stressing representation of visual forms through a variety of media and techniques. Particular emphasis will be given to structure and pictorial composition.

Field trips may be required. Formerly Art 12B. Transfer credit: CSU; UC.

ART V13A - LIFE DRAWING I **3 Units**

Prerequisite: ART V12A

C-ID: ARTS 200

Hours: 2 lecture, 4 laboratory weekly

This course provides basic instruction in drawing the human figure from the live model. It introduces theory and practice in the uses of linear and tonal form. Students will complete exercises in structure, proportion, foreshortening, and composition.

Ventura College faculty has defined Life Drawing as a family of courses which includes ART V13A, ART V13B, ART V13C, and ART V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly Art 13A. Transfer credit: CSU; UC.

- ART V13B - LIFE DRAWING II** **3 Units**
Prerequisite: ART V13A
Hours: 2 lecture, 4 laboratory weekly
 This course provides intermediate instruction in drawing the human figure from the live model. Emphasis will be on theory and practice in the uses of linear and tonal form. Exercises in structure, proportion, foreshortening and composition with introduction to exaggeration and alteration of form will be assigned.
 Ventura College faculty has defined Life Drawing as a family of courses which includes ART V13A, ART V13B, ART V13C, and ART V13D. A student may take a maximum of four (4) courses from a family.
Field trips may be required. Formerly Art 13B. Transfer credit: CSU; UC.
- ART V13C - LIFE DRAWING III** **3 Units**
Prerequisite: ART V13B
Hours: 2 lecture, 4 laboratory weekly
 This course provides advanced instruction in drawing the human figure from the live model. Emphasis will be on theory and practice in the uses of linear and tonal form. Exercises will include structure; proportion; foreshortening; composition; introduction to exaggeration and alteration of form, with emphasis on compositional arrangement; and exploration of complex media.
 Ventura College faculty has defined Life Drawing as a family of courses which includes ART V13A, ART V13B, ART V13C, and ART V13D. A student may take a maximum of four (4) courses from a family.
Field trips may be required. Formerly Art 13C. Transfer credit: CSU; UC.
- ART V13D - LIFE DRAWING IV** **3 Units**
Prerequisite: ART V13C
Hours: 2 lecture, 4 laboratory weekly
 This course provides advanced instruction in drawing the human figure from the live model. Emphasis will be on demonstrating the figure's allegorical and symbolic potential, as well as the most advanced level of human anatomy and proportion. Course exercises will cover advanced surface musculature and skeletal anatomy, but will also develop students' repertoire of non-traditional and mixed medias. Students will produce large-scale drawings, sequential drawings, and colored drawings. Ventura College faculty has defined Life Drawing as a family of courses which includes ART V13A, ART V13B, ART V13C, and ART V13D. A student may take a maximum of four (4) courses from a family.
Field trips may be required. Transfer credit: CSU; UC.
- ART V15A - LIFE PAINTING I** **3 Units**
Prerequisite: ART V13A
Recommended Preparation: ART V13B
Hours: 2 lecture, 4 laboratory weekly
 This course provides basic instruction in painting from nude and clothed models with emphasis on representing forms in space, structure, gesture, color, tonal variations and composition. Painting techniques, pictorial organization and individual expression will be addressed.
Field trips may be required. Formerly Art 15A. Transfer credit: CSU; UC.
- ART V15B - LIFE PAINTING II** **3 Units**
Prerequisite: ART V15A
Hours: 2 lecture, 4 laboratory weekly
 This course provides intermediate-level instruction in painting from nude and clothed models focusing on complex forms in space, structure, gesture, color, tonal variations and composition. Emphasis will be on developing greater ability to paint complex figure studies.
Field trips may be required. Formerly Art 15B. Transfer credit: CSU; UC.
- ART V15C - LIFE PAINTING III** **3 Units**
Prerequisite: ART V15B
Hours: 2 lecture, 4 laboratory weekly
 Students will continue to develop facility in painting skills as well as interpretive skills using nude and clothed models as subjects in a variety of settings. Complex organization of forms in space, accuracy in structure of figures, quick grasp of motions and gestures, along with complex color and tonal variations in paints will be addressed. Individual expression in painting techniques of various media of choice will be developed. Paintings will be critiqued for content and concept.
Field trips may be required. Formerly Art 15C. Transfer credit: CSU; UC.
- ART V16A - BEGINNING OIL PAINTING I** **3 Units**
Prerequisite: ART V11A or ART V12A
C-ID: ARTS 210
Hours: 2 lecture, 4 laboratory weekly
 This is a beginning oil painting course that explores the nature of structural and expressive values in traditional and contemporary painting; practice in the building of form, control of pictorial order, and the use of color and light; emphasis on technical competence and experience in varied painting concepts.
Field trips may be required. Formerly Art 16A. Transfer credit: CSU; UC.
- ART V16B - BEGINNING OIL PAINTING II** **3 Units**
Prerequisite: ART V16A
Hours: 2 lecture, 4 laboratory weekly
 This is a beginning course pertaining to a further development of the nature of structural and expressive concepts in contemporary painting. Additional practice in the building of form, control of pictorial order and exploration of other uses of color and light; emphasis on technical competence; experimentation with traditional and newer painting materials.
Field trips may be required. Formerly Art 16B. Transfer credit: CSU; UC.
- ART V19 - THREE-DIMENSIONAL DESIGN** **3 Units**
C-ID: ARTS 101
Hours: 2 lecture, 4 laboratory weekly
 This is a foundation course reviewing the theories and applications of three-dimensional form in the visual arts using the elements of line, plane, mass and volume. Specific emphasis is given to the exploration of materials and the use of tools.
Field trips may be required. Formerly Art 19. Transfer credit: CSU; UC.
- ART V20A - INTERMEDIATE OIL PAINTING I** **3 Units**
Prerequisite: ART V16B or ART V46B
Hours: 2 lecture, 4 laboratory weekly
 This intermediate course provides a more personal exploration of the scope of contemporary painting. Emphasis will be placed on additional practice in constructing and composing individual pictorial statements; the uses of light and color to define a unique communication; and symbolism, aesthetics, and technical achievements.
Field trips may be required. Formerly Art 20A. Transfer credit: CSU; UC.
- ART V20B - INTERMEDIATE OIL PAINTING II** **3 Units**
Prerequisite: ART V20A
Hours: 2 lecture, 4 laboratory weekly
 This course is a more highly refined exploration of oil painting that builds on the skills of the prerequisite course. Students will be expected to demonstrate a greater level of sophistication, creativity, technical accomplishment, and aesthetic sensitivity. Projects will demonstrate more individuality and personal content.
Field trips may be required. Formerly Art 20B. Transfer credit: CSU; UC.

ART V20C - PORTFOLIO DEVELOPMENT 3 Units

Recommended Preparation: Two courses in the area of concentration

Hours: 2 lecture, 4 laboratory weekly

This course is designed to prepare the student for transfer to a four year art program where admission is competitive and based largely on portfolio review. Emphasis will be placed on working on a conceptually coherent series of art works in the discipline concentration which will identify a personal aesthetic and content. Students will learn the skills necessary to be successful in an upper division university environment. Development of an artist statement, formulating a resume, and properly documenting will be stressed. Field trips may be required. Transfer credit: CSU.

ART V25A - BEGINNING SCULPTURE I 3 Units

Hours: 2 lecture, 4 laboratory weekly

This is a studio course in the fundamentals of sculpture techniques. Special emphasis will be placed on wood carving, clay construction, and stone conceptual construction. Live models will be used.

Field trips may be required. Formerly Art 25A. Transfer credit: CSU; UC.

ART V25B - BEGINNING SCULPTURE II 3 Units

Prerequisite: ART V25A

Hours: 2 lecture, 4 laboratory weekly

This is a studio course in the fundamentals of sculpture techniques. Special emphasis will be placed on clay modeling, stone carving, and plaster build-up techniques. Live models will be used.

Field trips may be required. Formerly Art 25B. Transfer credit: CSU; UC.

ART V26A - INTERMEDIATE SCULPTURE I 3 Units

Prerequisite: ART V25B

Hours: 2 lecture, 4 laboratory weekly

This is an intermediate level studio course in the fundamentals of sculpture techniques. Special emphasis will be on wood carving, clay construction, and stone conceptual construction. Live models will be used.

Field trips may be required. Formerly Art 26A. Transfer credit: CSU; UC.

ART V26B - INTERMEDIATE SCULPTURE II 3 Units

Prerequisite: ART V26A

Hours: 2 lecture, 4 laboratory weekly

This is an intermediate level studio course in the fundamentals of sculpture techniques. Special emphasis will be on stone carving, wood construction, and direct wax methods with human form as subject matter. Live models will be used.

Field trips may be required. Formerly Art 26B. Transfer credit: CSU; UC.

ART V27 - METAL ART SCULPTURE 3 Units

Prerequisite: ART V19 and WEL V01

Hours: 1.5 lecture, 4.5 laboratory weekly

This course is an introduction to metal art sculpture utilizing practical theory and application of materials, welding techniques and processes. It includes designing metal cutting, forming techniques and texturing.

Field trips may be required. Same as WEL V27.

ART V29A - Illustration I 3 Units

Prerequisite: ART V11A or ART V12A

Hours: 2 lecture, 4 laboratory weekly

This course is an introduction to basic illustration materials and rendering techniques applicable to graphics, Web design, fashion, gaming, and animation. Students will experiment in a variety of media and styles using traditional media and computer illustration software. Focus will be on how to put ideas to paper for real world presentation, with emphasis on perspective theory, light and shadow, and proportion. Students will work on a variety of projects to develop an illustration portfolio. Media will include pencil, pen, felt market, pastels, and computer.

Field trips may be required. Transfer credit: CSU.

ART V29B - Illustration II 3 Units

Prerequisite: ART V29A

Hours: 2 lecture, 4 laboratory weekly

This course is an introduction to intermediate illustration materials and rendering techniques applicable to graphics, Web design, fashion, gaming, and animation. Students will experiment in a variety of media and styles using traditional media and computer illustration software. Focus will be on how to put ideas to paper for real world presentation, with emphasis on perspective theory, light and shadow, and proportion. Students will work on a variety of projects to develop an illustration portfolio. Media will include pencil, pen, felt market, pastels, and computer.

Field trips may be required. Transfer credit: CSU.

ART V46A - BEGINNING ACRYLIC PAINTING I 3 Units

Prerequisite: ART V11A or ART V12A

C-ID: ARTS 210

Hours: 2 lecture, 4 laboratory weekly

This is a beginning course examining the properties of acrylic as a painting medium. Emphasis will be on color theory, color mixing and color harmonies.

Field trips may be required. Formerly Art 46A. Transfer credit: CSU; UC.

ART V46B - BEGINNING ACRYLIC PAINTING II 3 Units

Prerequisite: ART V46A

Hours: 2 lecture, 4 laboratory weekly

This is a beginning course examining the properties of acrylic as a painting medium. Emphasis will be on composition, building form and pictorial order.

Field trips may be required. Formerly Art 46B. Transfer credit: CSU; UC.

ART V47A - INTERMEDIATE ACRYLIC PAINTING I 3 Units

Prerequisite: ART V46B

Hours: 2 lecture, 4 laboratory weekly

This is an intermediate acrylic painting course with an emphasis on contemporary methods, theme development and expressive values.

Field trips may be required. Formerly Art 47A. Transfer credit: CSU; UC.

ART V47B - INTERMEDIATE ACRYLIC PAINTING II 3 Units

Prerequisite: ART V47A

Hours: 2 lecture, 4 laboratory weekly

This is an intermediate acrylic painting course. Emphasis will be on expressive use of color employing abstract and non-objective themes.

Field trips may be required. Formerly Art 47B. Transfer credit: CSU; UC.

ART V50A - HANDBUILDING CERAMICS I 3 Units

Hours: 2 lecture, 4 laboratory weekly

This course is an introduction to the development of ceramic handbuilt forms. Experimentation with basic techniques, and decoration related to non-wheel thrown historical forms. Ventura College faculty has defined Handbuilding Ceramics as a family of courses which includes ART V50A, ART V50B, ART V50C, and ART V50D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

ART V50B - HANDBUILDING CERAMICS II 3 Units

Prerequisite: ART V50A

Hours: 2 lecture, 4 laboratory weekly

This course provides investigative approaches to the enhancement of intermediate level ceramic handbuilt forms. Emphasis will be on demonstration of surface decoration on clay structure through altering textures, inlays, color slips, oxides, sgraffito, and slip trailing. Exploring the nature of clay – plastic, leather-hard, bone-dry clay. Ventura College faculty has defined Handbuilding Ceramics as a family of courses which includes ART V50A, ART V50B, ART V50C, and ART V50D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

ART V50C - HANDBUILDING CERAMICS III 3 Units*Prerequisite: ART V50B**Hours: 2 lecture, 4 laboratory weekly*

This course provides development of individual projects in handbuilt ceramics focusing on personal aesthetics. Emphasis will be on demonstration of two techniques combined with but not limited to – slab construction, extruder, pinch and coil construction to reflect a personal expression in clay sculpture. Introduction to non-traditional glazing techniques for sculpture. Explore the possibilities of various firing processes. Ventura College faculty has defined Handbuilding Ceramics as a family of courses which includes ART V50A, ART V50B, ART V50C, and ART V50D. A student may take a maximum of four (4) courses from a family. Field trips may be required. Transfer credit: CSU; UC.

ART V50D - HANDBUILDING CERAMICS IV 3 Units*Prerequisite: ART V50C**Hours: 2 lecture, 4 laboratory weekly*

This course provides advanced level instruction leading to advanced projects in ceramics, integrating multiple handbuilding techniques used to create a cohesive body of work. Emphasis will be on demonstration of a large scale construction in clay using structural support. Course exercises will cover advanced surface decoration and glazing. Students will focus on producing a unified series of large scale sculptures as well as have hands-on experience with firing kilns. Ventura College faculty has defined Handbuilding Ceramics as a family of courses which includes ART V50A, ART V50B, ART V50C, and ART V50D. A student may take a maximum of four (4) courses from a family. Field trips may be required. Transfer credit: CSU; UC.

ART V51A - BEGINNING CERAMICS I 3 Units*Hours: 2 lecture, 4 laboratory weekly*

This course is an introduction to the basic techniques of working with clay including coil, pinch, slab, and throwing on the potter's wheel. Topics will also include glazes and ceramic history. Field trips may be required. Formerly Art 51A. Transfer credit: CSU; UC.

ART V51B - BEGINNING CERAMICS II 3 Units*Prerequisite: ART V51A**Hours: 2 lecture, 4 laboratory weekly*

This course provides continued practice in ceramic techniques. Students will experiment with sculptural ceramic forms. Field trips may be required. Formerly Art 51B. Transfer credit: CSU; UC.

ART V52A - CERAMIC DESIGN I 3 Units*Prerequisite: ART V51B**Hours: 2 lecture, 4 laboratory weekly*

This course is an introduction to applied design and the use of glazes on ceramic work. Students will explore design techniques such as texture, incising, carving, sgraffito, wax resist, and slip/engobe. Field trips may be required. Formerly Art 52A. Transfer credit: CSU; UC.

ART V52B - CERAMIC DESIGN II 3 Units*Prerequisite: ART V52A**Hours: 2 lecture, 4 laboratory weekly*

This course is an investigation of glazes, kiln firing and independent projects in clay. Students will be introduced to the firing processes of oxidation and reduction. Field trips may be required. Formerly Art 52B. Transfer credit: CSU; UC.

ART V53A - CERAMIC GLAZE THEORY I 3 Units*Prerequisite: ART V51A**Hours: 2 lecture, 4 laboratory weekly*

This course is an introduction and investigation into the nature of clay and glaze ingredients. Students will experiment with found clays and simple glaze formulation and testing. Field trips may be required. Formerly Art 53A. Transfer credit: CSU; UC.

ART V53B - CERAMIC GLAZE THEORY II 3 Units*Prerequisite: ART V53A**Hours: 2 lecture, 4 laboratory weekly*

This course provides continuing experience in the development of glazes, their uses, modifications, and firing processes. Students will explore the designs of kilns, firing methods, and firing effects on glazes and clays. Field trips may be required. Formerly Art 53B. Transfer credit: CSU; UC.

ART V58A - FIGURE SCULPTURE I 3 Units*Recommended Preparation: ART V13A**Hours: 2 lecture, 4 laboratory weekly*

This beginning studio class builds on Figure Sculpture I and further develops the basic principles, materials, and techniques of sculpting the human figure. Students will complete finished sculptures in clay. Field trips may be required. Transfer credit: CSU.

ART V58B - FIGURE SCULPTURE II 3 Units*Prerequisite: ART V58A**Hours: 2 lecture, 4 laboratory weekly*

This is a beginning studio class introducing the basic principles, materials, and techniques of sculpting the human figure from live models using clay and other materials. Emphasis will be placed on structure and proportion. Students will develop an awareness and context of historical and contemporary concerns in figure sculpture. Field trips may be required. Transfer credit: CSU.

ART V68 - INTRODUCTION TO DIGITAL ART 3 Units*Recommended Preparation: ART V11A and/or ART V12A; and computer fundamentals.**Hours: 2 lecture, 4 laboratory weekly*

Introduction to fundamental concepts, practices, and theories of digital art production. This class integrates traditional design, color and compositional principles with contemporary digital tools. It is an overview of the digital media arts industry including commercial, artistic, and technical aspects of development and production, including philosophical and cultural implications. Topics include defining media arts, history of digital arts, digital arts hardware/software, digital arts applications, occupational opportunities, composition of development teams, critical evaluation of digital media arts, and the future of digital art. Formerly MM V10. Transfer credit: CSU.

ART V69 - VISUAL DESIGN FOR DIGITAL ART 3 Units*Recommended Preparation: ART V68 or equivalent; and ART V11A and/or ART V12A; and computer fundamentals.**Hours: 2 lecture, 4 laboratory weekly*

This course is an introduction to the visual elements and principles of design, and their application to digital media. Using the computer and traditional media, students will work with line, shape/form, value, space, light, volume, perspective, texture/pattern, scale/proportion, typographical design, and color in a series of progressive projects designed to develop the aesthetic sensitivity and basic technical knowledge required to create effective digital media images. Formerly MM V20. Transfer credit: CSU; UC.

ART V70A - ADOBE PHOTOSHOP I FOR DIGITAL AND FINE ART 3 Units*Recommended Preparation: ART V11A and/or ART V12A; and computer fundamentals.**Hours: 2 lecture, 4 laboratory weekly*

This course is designed for students who desire hands-on experience in industry-standard digital image processing software. The image correction and manipulation software gives students an understanding of the tools and techniques needed to produce professional quality results for print and Web images. Students will complete technical tutorials, create a CD-ROM cover, Web banners, and a final print or Web project. Field trips may be required. Formerly MM V74A. Same as PHOT V70A. Transfer credit: CSU.

ART V70B - ADOBE PHOTOSHOP II FOR DIGITAL AND FINE ART **3 Units**

Prerequisite: ART V70A; or PHOT V70A

Recommended Preparation: ART V11A and/or ART V12A; and computer fundamentals.

Hours: 2 lecture, 4 laboratory weekly

This course is designed as a hands-on, intermediate course in the technical and artistic aspects of Adobe Photoshop. Students will learn intermediate tools and techniques needed to produce professional quality results for print and Web images. The course will include independent creative projects comprised of written proposals, timelines, and storyboarding.

Field trips may be required. Formerly MM V74B. Same as PHOT V70B. Transfer credit: CSU.

ART V71 - INTRODUCTION TO TYPOGRAPHY **3 Units**

Prerequisite: ART V11A; or ART V12A

Hours: 2 lecture, 4 laboratory weekly

An introduction to concepts of graphic design for print and electronic media with an emphasis on typography and layout. Students explore the evolution and classification of letterforms from ancient to contemporary, and investigate their structure, legibility and expression. Students will gain a working knowledge of state-of-the-art layout and vector illustration software and an introduction to image editing software for scanning and basic image manipulation. Students will develop fundamental skills leading to the ability to communicate ideas through the use of text and visual imagery.

Field trips may be required. Formerly Art 71. Transfer credit: CSU; UC; credit granted- see counselor.

ART V72 - INTRODUCTION TO GRAPHIC DESIGN **3 Units**

Prerequisite: ART V11A or equivalent skills

Recommended Preparation: ART V68

Hours: 2 lecture, 4 laboratory weekly

An introduction to graphic design. Students will explore visual graphic design techniques and concepts involved in the creation, production and presentation of graphic communication. Topics will include graphic layout, composition, use of photography, typography and symbolism through projects such as brochures, posters, and branding projects. Students will employ the elements of design and aesthetic principles to produce digital imagery, illustration, and text for print, Internet and interactive applications.

Field trips may be required. Formerly Art 72. Transfer credit: CSU; UC; credit granted - see counselor.

ART V73A - DIGITAL IMAGING **3 Units**

Prerequisite: ART V11A; or ART V69; and ART V12A

Recommended Preparation: ART V70A or equivalent skills; and computer fundamentals

Hours: 2 lecture, 4 laboratory weekly

This course is a creative exploration of digital image editing. Using their own photographs, and image editing software such as Adobe Photoshop, students engage in color and value correction, special effects, and creative cropping. This course emphasizes digital image problem solving with attention given to successful artistic composition. Students learn to scan, manipulate, and enhance digital images for graphic and fine art reproduction.

Field trips may be required. Formerly ART V73. Same as PHOT V73A. Transfer credit: CSU; UC.

ART V74A - DIGITAL PAINTING I **3 Units**

Prerequisite: ART V11A and ART V12A

Recommended Preparation: ART V70A and ART V71

Hours: 2 lecture, 4 laboratory weekly

This course is an introduction to digital painting and illustration. Students will explore the difference and similarities of creating art using traditional and digital methods. Output and presentation will be explored.

Field trips may be required. Formerly Art 74. Transfer credit: CSU; UC.

ART V74B - DIGITAL PAINTING II **3 Units**

Prerequisite: ART V74A

Hours: 2 lecture, 4 laboratory weekly

This course is a continuation in the exploration of digital painting and illustration. Students will develop a personal style through independent painting and drawing assignments. Output and presentation will be explored. Field trips may be required. Transfer credit: CSU; UC.

ART V88 - ART WORKSHOPS **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

ART V89 - WORKSHOPS IN ART **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula.

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Art 89. Transfer credit: CSU; for UC, determined after admission.

ART V90 - DIRECTED STUDIES IN ART **1-6 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Art 90. Transfer credit: CSU; for UC, determined after admission.

ART V95 - ART INTERNSHIP I **1-4 Units**

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

ART V96 - ART INTERNSHIP II **1-4 Units**

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

ASSISTIVE COMPUTER TECHNOLOGY

Assistive Computer Technology (ACT) courses are designed for students with disabilities.

ACT V02 - ASSISTIVE COMPUTER TECHNOLOGY: KEYBOARDING SKILLS 1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This course is designed to teach students basic keyboarding computer skills, techniques and assistive computer technology that will enable them to be successful in accessing the computer. Specifically, the course will review ergonomics, software that will accommodate students with disabilities (Kurzweil 3000, Jaws, Read & Write and other assistive technology tools). Students will utilize and practice skills in individualized weekly typing tutorials and MS Word assignments that will focus on developing keyboarding skills and office production.

Formerly ACT 2. Offered on a pass/no pass basis only. Not applicable for degree credit.

ACT V03 - ASSISTIVE COMPUTER TECHNOLOGY: ACCESS TO COMPUTERS 1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This course is designed to teach students basic computer skills, techniques and assistive computer technology that will enable them to be successful in accessing the Microsoft Office applications and basics of overall computer use. Specifically, the course will review software that will accommodate students with learning disabilities (such as Kurzweil, TextHelp, and Read Please) to aid in reading and writing. Students will also gain awareness of other ACT tools and practice skills in individualized weekly computer-oriented assignments that will focus on developing better awareness of assistive computer technology skills.

Formerly ACT V03A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ACT V05 - ASSISTIVE COMPUTER TECHNOLOGY: SKILLS FOR THE INTERNET 1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This course is designed to teach students basic Internet computer skills, techniques and assistive computer technology that will enable them to be successful in accessing the World Wide Web and e-mail. Specifically, the course will review software that will accommodate students with disabilities (e.g., JAWS, Kurzweil, TextHelp, Read and Write, and ReadPlease) to aid in using the Internet. Students will utilize and practice skills in individualized weekly research, presentations and website review assignments that will focus on developing better overall research skills, as well as computing skills.

Offered on a pass/no pass basis only. Not applicable for degree credit.

ACT V25 - ASSISTIVE COMPUTER TECHNOLOGY: WRITING SKILLS 1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This course is designed to teach students computer skills, techniques, and assistive computer technology that will enable them to be successful in mainstream English. Specifically, the course will review software that will accommodate students with learning disabilities (such as Kurzweil 3000, Read and Write, Inspiration, and MS Word). Students will utilize and practice skills in individualized writing assignments that will focus on writing skills.

Formerly ACT 10. Offered on a pass/no pass basis only. Not applicable for degree credit.

ACT V88 - ASSISTIVE COMPUTER TECHNOLOGY: WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly ACT V89. Offered on a pass/no pass basis only. Not applicable for degree credit.

ASTRONOMY

Astronomers use the principles of physics and mathematics to answer questions about the fundamental nature of the universe and about celestial bodies such as the sun, moon, planets, and stars. They may apply their knowledge to problems in navigation and space flight.

COURSE DESCRIPTIONS

AST V01 - ELEMENTARY ASTRONOMY 3 Units

Hours: 3 lecture weekly

This course is a general introduction to astronomy covering: the history of astronomy; the solar system; the evolution of stars; galaxies; and cosmology. The course will include a descriptive analysis of the physical laws that are relevant to the dynamics of the universe. The study will address astronomical beliefs that have influenced human thinking, philosophy, and morals.

Field trips may be required. Formerly Ast 1. Transfer credit: CSU; UC.

AST V01L - ELEMENTARY ASTRONOMY LABORATORY 1 Unit

Prerequisite: AST V01 or concurrent enrollment

Hours: 3 laboratory weekly

This is a laboratory course in introductory astronomy that teaches observations of various astronomical objects interactively through a series of computer-based projects that act as a virtual telescope.

Transfer credit: CSU; UC.

AUTOMOTIVE

The Automotive Technology program at Ventura College is a Master Certified National Automotive Technicians Education Foundation (NATEF) program. The program primarily offers courses aligned with industry skills designed to prepare students with the skills needed for employment in the aftermarket, dealership, and smog industries. In addition to offering a comprehensive general automotive program, there are specialized programs: the Toyota T-TEN (Toyota's Technical Training and Education Network) program, and a California BAR (Bureau of Automotive Repair) Certified Smog Program.

The program offers courses that range from the basic to advanced levels, cover all automotive content areas as required by NATEF and designed by Automotive Service Excellence (ASE), and are designed to simulate real world faults that emphasize the hands-on skills required to inspect, service, diagnose, and repair current model year vehicles.

Toyota's T-TEN program is a partnership that includes Toyota Motor Sales USA Inc., community colleges, vocational schools, and Toyota and Lexus dealerships across the country. Together, students receive state-of-the-art automotive training in both a classroom and dealership setting. As a T-TEN student, you will learn and earn in a supportive environment while receiving instruction from factory-trained instructors and guidance from dealership mentors. Advanced certifications are earned by T-TEN graduates for completing Toyota-designed courses and for passing National Institute for Automotive Service Excellence certification tests.

**Associate in Science Degree
Certificate of Achievement**

AUTOMOTIVE TECHNOLOGY

REQUIRED COURSES:		Units
AUTO V26	Automotive Brakes Service and Repair	2
AUTO V26L	Automotive Brakes Service and Repair Laboratories	1.5
AUTO V27	Automotive Electrical	2
AUTO V27L	Automotive Electrical Laboratory	1.5
AUTO V28	Automotive Suspension Systems	2
AUTO V28L	Automotive Suspensions Laboratory	1.5
AUTO V30	Automotive Transmission Diagnosis and Repair	2
AUTO V30L	Automotive Transmission Diagnosis and Repair Laboratory	2
AUTO V33	Manual Transmissions and Driveline	2
AUTO V33L	Manual Transmissions and Driveline Laboratory	1.5
AUTO V34	Engine Repair	2
AUTO V34L	Engine Repair Laboratory	2
AUTO V38	Heating and Air Conditioning	2
AUTO V38L	Heating and Air Conditioning Laboratory	1.5
AUTO V42	Automotive Engine Management	4
AUTO V43	Automotive Electronics	2
AUTO V43L	Automotive Electronics Laboratory	1.5
AUTO V47	Engine Driveability	4

REQUIRED ADDITIONAL COURSES:

Select one (1) of the following groups and complete courses as listed:

GROUP A

AUTO V10 Introduction to Automotive Technology 1.5

GROUP B

AUTO V11 Vehicle Maintenance for the Technician 2
 AUTO V12 Introduction to Automotive Industry 1

TOTAL **38.5-40**

Recommended courses:

- Students should take AUTO V27 and AUTO V27L in first semester preparation for the automotive degree/certification path.
- Students needing to complete dealership internship requirements for the Toyota T-TEN certification should also take AUTO V96.
- In addition to the required courses listed above, it is recommended that student who seek to obtain additional insight into the field of study consider taking the following course: AUTO V48

Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Automotive** program students will be able to:

- Practice safety in the repair and service associated with automotive systems.
- Use a systematic approach to select the proper method to diagnose, repair and test automotive systems.
- Demonstrate proficiency in the use of automotive diagnostic equipment to evaluate system performance and determine needed repairs.
- Demonstrate comprehension of automotive systems theory and operation.

COURSE DESCRIPTIONS

AUTO V10 - INTRODUCTION TO AUTOMOTIVE TECHNOLOGY 1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This is an overview course to familiarize the student with the history, nomenclature, operation and construction of the modern automobile. An appreciation of the skills and abilities necessary to maintain the automobile will be discussed.

Field trips may be required. Formerly Auto 10.

AUTO V11 - VEHICLE MAINTENANCE FOR THE TECHNICIAN 2 Units

Hours: 1 lecture, 3 laboratory weekly

This course will help the student develop the skills needed for an entry level position as an automotive lubrication service technician.

Field trips may be required.

AUTO V12 - INTRODUCTION TO AUTOMOTIVE INDUSTRY 1 Unit

Hours: 1 lecture weekly

This course will help the student understand the opportunities in the automotive industry. The student will prepare the documents needed to apply for a position in the automotive industry and learn how to get that first job.

Field trips may be required.

AUTO V26 - AUTOMOTIVE BRAKES SERVICE AND REPAIR 2 Units

Corequisite: AUTO V26L

Hours: 2 lecture weekly

This course is designed to provide vocational preparation in the theory and operation of modern automotive braking systems. Types of brake systems, hydraulic principles, anti-lock brake systems, traction control, and supplemental restraint systems will be discussed. Preparation for the Automotive Service Excellence (ASE) test will be included.

Field trips may be required. Formerly Auto 26.

AUTO V26L - AUTOMOTIVE BRAKES SERVICE AND REPAIR LABORATORY 1.5 Units

Corequisite: AUTO V26

Hours: 4.5 laboratory weekly

This course will provide the lab education matching the lecture course AUTO V26 in the service and repair of automotive braking systems. Service and repair of drum and disc brake systems and hydraulic systems will be pursued. Anti-Lock brake, traction control, and supplemental restraint systems will be covered.

Field trips may be required. Formerly AUTO V26LA/AUTO V26LB.

AUTO V27 - AUTOMOTIVE ELECTRICAL 2 Units*Corequisite: AUTO V27L**Hours: 2 lecture weekly*

This course covers technical, operational, and diagnostic skills need to understand and repair automotive electrical systems. It will include charging, starting, and accessories systems. Wiring diagrams and the skills necessary to diagnose electrical problems will also be covered.

Preparation for the Automotive Service Excellence (ASE) Electrical (A6) certification test is included.

Field trips may be required. Formerly AUTO V14.

AUTO V27L - AUTOMOTIVE ELECTRICAL LABORATORY 1.5 Units*Corequisite: AUTO V27**Hours: 4.5 laboratory weekly*

This laboratory course is the co-requisite to the Automotive Electrical lecture course (AUTO V27). This hands-on course will be the companion course that will use electrical trainer devices and lab vehicles. This course covers technical, operational, and diagnostic skills needed to understand and repair automotive electrical systems.

Field trips may be required. Formerly AUTO V14LA.

AUTO V28 - AUTOMOTIVE SUSPENSION SYSTEMS 2 Units*Corequisite: AUTO V28L**Hours: 2 lecture weekly*

This course will provide vocational preparation in the theory and operation of modern automotive suspension systems. Types of suspension systems, suspension component identification, alignment theory, and diagnosis technique will be discussed. Preparation for the Automotive Service Excellence (ASE A4) test will be included.

Field trips may be required. Formerly Auto 28.

AUTO V28L - AUTOMOTIVE SUSPENSIONS LABORATORY 1.5 Units*Corequisite: AUTO V28**Hours: 4.5 laboratory weekly*

This course will provide vocational preparation in the service and repair of modern automotive suspension systems. Inspection and replacement of suspension components will be practiced. Preparation for the Automotive Service Excellence (ASE-4) test will be included.

Field trips may be required. Formerly AUTO V28LA/AUTO V28LB.

AUTO V30 - AUTOMOTIVE TRANSMISSION DIAGNOSIS AND REPAIR 2 Units*Corequisite: AUTO V30L**Hours: 2 lecture weekly*

This course will prepare an automotive student in the theory and skills necessary to diagnose, adjust, maintain, and repair automatic transmissions. Preparation for the Automotive Service Excellence (ASE) test in automotive transmissions will be included.

Field trips may be required. Formerly AUTO V22.

AUTO V30L - AUTOMOTIVE TRANSMISSION DIAGNOSIS AND REPAIR LABORATORY 2 Units*Corequisite: AUTO V30**Hours: 6 laboratory weekly*

This course will provide hands-on vocational preparation in the diagnosis, adjustment, maintenance, and repair of automatic transmissions, including torque converters, gear trains, and hydraulic and electronic systems. Preparation for the Automotive Service Excellence (ASE) test in automotive transmissions will be included.

Field trips may be required. Formerly AUTO V22LA

AUTO V32A - ASE PREPARATION FOR ENGINES AND ENGINE PERFORMANCE 1 Unit*Recommended Preparation: Working in the automotive industry**Hours: 3 laboratory weekly*

This course is designed to help the student prepare for and review the theory and skills necessary to pass the Automotive Service Excellence (ASE) certification examinations in engines (A1) and engine performance (A8).

Field trips may be required. Formerly AUTO V32. Offered on a pass/no pass basis only.

AUTO V32B - ASE PREPARATION FOR TRANSMISSIONS AND DRIVELINES 1 Unit*Recommended Preparation: Working in the automotive industry**Hours: 3 laboratory weekly*

This course is designed to help the student prepare for and review the theory and skills necessary to pass the Automotive Service Excellence (ASE) certification examinations in automatic transmissions (A2) and manual transmissions and drive axles (A3).

Field trips may be required. Offered on a pass/no pass basis only.

AUTO V32C - ASE PREPARATION FOR BRAKES AND SUSPENSIONS 1 Unit*Recommended Preparation: Working in the automotive industry**Hours: 3 laboratory weekly*

This course is designed to help the student prepare for and review the theory and skills necessary to pass the Automotive Service Excellence (ASE) certification examinations in Automotive Brakes (A5) and Suspensions (A4).

Field trips may be required. Offered on a pass/no pass basis only.

AUTO V32E - ASE PREPARATION FOR ELECTRICAL AND HEATING/AIR CONDITIONING 1 Unit*Recommended Preparation: Working in the automotive industry**Hours: 3 laboratory weekly*

This course is designed to help the student prepare for and review the theory and skills necessary to pass the Automotive Service Excellence (ASE) certification examinations in Electrical (A6) and Heating/Air conditioning (A7).

Field trips may be required. Offered on a pass/no pass basis only.

AUTO V33 - MANUAL TRANSMISSIONS AND DRIVELINE 2 Units*Corequisite: AUTO V33L**Hours: 2 lecture weekly*

This course is designed to prepare an automotive student in the theory and skills necessary to diagnose, adjust, maintain, and repair automotive manual transmissions, manual transaxles, 4-wheel drive systems, and differentials. This course will provide preparation for certification tests in manual transmissions and driveline.

Field trips may be required.

AUTO V33L - MANUAL TRANSMISSIONS AND DRIVELINE LABORATORY 1.5 Units*Corequisite: AUTO V33**Hours: 4.5 Laboratory weekly*

This course will provide vocational preparation in the service and repair of manual transmissions, transaxles, and differentials. Diagnosis, service, and repair of the clutch, manual transmission, 4-wheel drive system, and differential systems will be pursued. Preparation for the Automotive Service Excellence (ASE) test in manual transmission and differentials will be included.

Field trips may be required.

AUTO V34 - ENGINE REPAIR 2 Units*Corequisite: AUTO V34L**Hours: 2 lecture weekly*

This course is designed to prepare an automotive student in the theory and skills necessary to diagnose, adjust, maintain, and repair automotive engines. This course will provide preparation for certification tests in engine repair.

Field trips may be required. Formerly AUTO V20.

AUTO V34L - ENGINE REPAIR LABORATORY 2 Units

Corequisite: AUTO V34

Hours: 6 laboratory weekly

This course is designed to prepare an automotive student in the skills necessary to diagnose, adjust, maintain and repair automotive engines. This course will provide preparation for certification tests in engine repair. *Field trips may be required. Formerly AUTO V20LA.*

AUTO V38 - HEATING AND AIR CONDITIONING 2 Units

Corequisite: AUTO V38L

Hours: 2 lecture weekly

This course will provide vocational preparation in the theoretical background required to diagnose, adjust, test, and repair automotive heating/air conditioning and cooling systems. This course will also provide preparation for certification tests in heating/air conditioning.

Field trips may be required. Formerly AUTO V18.

AUTO V38L - HEATING AND AIR CONDITIONING LABORATORY 1.5 Units

Corequisite: AUTO V38

Recommended Preparation: AUTO V27

Hours: 4.5 laboratory weekly

This course will provide vocational preparation in the practical skills required to diagnose, adjust, test, and repair automotive heating/air conditioning and cooling systems. This course will also provide preparation for certification tests in heating/air conditioning.

Field trips may be required. Formerly AUTO V18L

AUTO V42 - AUTOMOTIVE ENGINE MANAGEMENT 4 Units

Recommended Preparation: AUTO V10

Hours: 2 lecture, 6 laboratory weekly

This course provides technical preparation in the skills required to diagnose engine control management systems. Inputs and outputs to the engine control computer will be covered, as well as how other computer control systems interact through networks such as CAN (Controller Area Network). Students will use manufacturer approved scan tools, lab scopes, digital voltmeters, and other state-of-the-art test equipment. Hybrid vehicle controls will be covered. Preparation for the ASE certification in engine performance will also be included.

Field trips may be required.

AUTO V43 - AUTOMOTIVE ELECTRONICS 2 Units

Recommended Preparation: AUTO V27

Corequisite: AUTO V43L

Hours: 2 lecture weekly

This course covers technical, operational, and diagnostic skills for various types of automotive electronic systems, computer communication systems, and high voltage electrical systems. Preparation for the ASE electrical (A6) exam is included.

Field trips may be required.

AUTO V43L - AUTOMOTIVE ELECTRONICS LABORATORY 1.5 Units

Corequisite: AUTO V43

Hours: 4.5 laboratory weekly

This lab course covers technical and diagnostic skills for automotive electronic systems. It complements the lecture course AUTO V43.

Field trips may be required.

AUTO V46 – ENGINE PERFORMANCE 3 Units

Hours: 3 lecture weekly

This course provides students with fundamental knowledge of engine and emission control theory, design, and operation. Students who successfully complete this course will have completed the first step of the Bureau of Automotive Repair's training requirements for a Smog Check Inspector license.

Field trips may be required.

AUTO V47 – ENGINE DRIVABILITY 4 Units

Recommended Preparation: AUTO V10 or Basic knowledge of automotive systems

Hours: 2 lecture and 6 laboratory weekly

This course will focus on engine computer management, ignition systems, and engine mis-firing problems, and is intended to teach the skills required to diagnose, service, and repair these systems. It includes preparation for the ASE certification test in engine performance.

Field trips may be required.

AUTO V48 - SMOG CHECK INSPECTION PROCEDURES 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This course will provide students with the knowledge, skills, and abilities need to perform smog check inspections. Students who successfully complete this course will have met the California Bureau of Automotive Repair's Level 2 training requirement to qualify to sit for the smog check inspector licensing examination.

Field trips may be required.

AUTO V49 - CALIFORNIA BAR SMOG LICENSE UPDATE COURSE 1 Unit

Recommended Preparation: Student should be an automotive major or have a California smog license.

Hours: 1 lecture weekly

This short course will cover selected areas of automotive technology. This course will meet the smog license update training requirements of the State of California, Bureau of Automotive Repair.

Field trips may be required. Offered on a pass/no pass basis only.

AUTO V88 - AUTOMOTIVE WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly AUTO V89.

AUTO V95 - AUTOMOTIVE INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

AUTO V96 - AUTOMOTIVE INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal. This is a paid occupational work experience course, where 1 unit of credit is earned for each 75 hours of paid internship. A maximum of 4 units can be completed in a semester.

Field trips will be required. Offered on a pass/no pass basis only.

BILINGUAL/CROSS-CULTURAL STUDIES

Associate in Arts Degree Certificate of Achievement

BILINGUAL/CROSS-CULTURAL STUDIES

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:	Units
AES V20/ CHST V01 Introduction to Chicano Studies	3
AES V22/ HIST V12 United States History: Focus on Chicanos	3
ENGL V01A English Composition	4
ENGL V01B Critical Thinking and Composition through Literature	3
SPAN V01 Elementary Spanish I	5
SPAN V02 Elementary Spanish II	5
REQUIRED ADDITIONAL COURSES:	
Select one (1) of the following courses:	
AES V21A/ HIST V10A The Heritage of Mexico I	3
AES V21B/ HIST V10B The Heritage of Mexico II	3
HIST V04B History of the Americas II	3
Select one (1) of the following courses:	
HED V01 Health and Wellness	3
HED V95 Health and Wellness: Designed for Women	3
Select one (1) of the following courses:	
SPAN V03 Intermediate Spanish I	5
SPAN V03S Spanish Heritage Language I	5
TOTAL	34

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: AES V10, V11, V31; ART V03; HIST V04A; MATH V38, V40; PSY V05; SOC V03; SPAN V20. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

For course descriptions, see American Ethnic Studies, Chicano Studies, English, Health Education, History, and Spanish

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Bilingual/Cross-Cultural Studies** program students will be able to:

- Demonstrate an understanding of the effects of time and place on shaping and molding the Chicano(a) experience.
- Demonstrate the ability to think critically, analytically, and creatively about the multicultural experience in a local and global society.
- Demonstrate an understanding of the varieties of the Spanish language throughout Latin America. Through oral presentations and small group discussions, students will analyze the multilingual and multicultural experience.

BIOLOGY

The Biological Sciences curriculum provides a foundation for further study and careers in multiple fields within the life sciences. Our generalized courses give students majoring in other subjects a broad and comprehensive experience in biology. Our specialized courses serve students transferring to four-year, graduate, or professional schools; upon transfer, these students will be prepared for further study in a variety of disciplines, including but not limited to Botany, Cell/Molecular Biology, Ecology, Health Sciences, Marine Biology, Pharmacology, and Zoology. Many of our courses also provide essential skills to students completing our Biotechnology program. Subsequent careers in biotechnology, dentistry, medicine, nursing, research, teaching, among others, all rely on a strong background in the Biological Sciences.

Associate in Science for Transfer

BIOLOGY

The Associate in Science in Biology for Transfer degree is designed to prepare students for a seamless transfer into the California State University system to complete a baccalaureate degree in Biology or a similar major. Students completing the Associate in Science in Biology for Transfer degree are guaranteed admission to the CSU system, but not to a particular CSU campus or major. Students should consult with a counselor for the best transfer option to a CSU campus or major that will fulfill their educational needs.

To earn an Associate in Science in Biology for Transfer degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.

REQUIRED CORE (10 units):		Units
BIOL V03	Introduction to Organismal Biology and Ecology	5
BIOL V04	Introduction to Cell and Molecular Biology	5
List A (25 units)		
CHEM V01A	General Chemistry I and	3
CHEM V01AL	General Chemistry I Laboratory	2
CHEM V01B	General Chemistry II	3
CHEM V01BL	General Chemistry II Laboratory	2
MATH V21A	Calculus with Analytic Geometry I	5
PHYS V02A	General Physics I: Algebra/Trigonometry-Based	4
and		
PHYS V02AL	General Physics I: Algebra/Trigonometry-based Laboratory	1
PHYS V02B	General Physics II: Algebra/Trigonometry-based	4
and		
PHYS V02BL	General Physics II: Algebra/Trigonometry-based Laboratory	1

Major Units	35
General Education IGETC for STEM units	31
Double-counted units	(9-10)
Elective units	1-4

TOTAL **60**

For other course descriptions, see Chemistry, Mathematics, and Physics

**Associate in Arts Degree
Certificate of Achievement
BIOLOGICAL SCIENCES**

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:		Units
BIOL V03	Introduction to Organismal Biology and Ecology	5
BIOL V04	Introduction to Cell and Molecular Biology	5
CHEM V01A	General Chemistry I	3
CHEM V01AL	General Chemistry I Laboratory	2
CHEM V01B	General Chemistry II	3
CHEM V01BL	General Chemistry II Laboratory	2

REQUIRED ADDITIONAL COURSES:

Select one (1) of the following courses:

MATH V20	Precalculus Mathematics	5
MATH V21A	Calculus with Analytic Geometry I	5

Select one (1) of the following groups and complete all courses listed:

GROUP A

PHYS V02A	General Physics I: Algebra/Trigonometry-Based	4
PHYS V02AL	General Physics I: Algebra/Trigonometry-based Laboratory	1
PHYS V02B	General Physics II: Algebra/Trigonometry-based	4
PHYS V02BL	General Physics II: Algebra/Trigonometry-based Laboratory	1

GROUP B

PHYS V03A	General Physics I: Calculus-based	4
PHYS V03AL	General Physics I: Calculus-based Laboratory	1
PHYS V03B	General Physics II: Calculus-based	4
PHYS V03BL	General Physics II: Calculus-based Laboratory	1

TOTAL **35**

Recommended courses: In addition to the required courses listed, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: ANAT V01; CHEM V12A-V12AL, V12B-V12BL; MATH V21B, V21C, V24; MATH V44 or PSY V04; MICR V01; PHSO V01. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

see Biotechnology and Chemistry**

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Biological Science** program students will be able to:

- By using appropriate tools and techniques, collect, organize, analyze, and interpret data using the scientific method and contrast ideas resulting from this method with non-scientific ideas.
- Demonstrate a coherent understanding of the characteristic themes and concepts that pervade and/or unify the discipline of biology, specifically evolution, information transfer, and energetics.
- Locate, identify, evaluate, and discuss information from current primary and secondary literature on biological topics.
- Identify, explain, and evaluate in an analytical manner the hierarchical structure of biological organization.

COURSE DESCRIPTIONS

BIOL V01 - PRINCIPLES OF BIOLOGY

3 Units

Hours: 3 lecture weekly

The course provides an introduction to the basic concepts of biology including basic chemistry and biochemistry, the cells and cellular processes, physiology, morphology, behavior, heredity, molecular biology, taxonomy, and ecology. Concepts are taught in a framework that emphasizes the scientific method, evolutionary principles and history, and the interaction between humans and the environment. This course is designed for non-biology majors.

Formerly Biol 1. Transfer credit: CSU; UC; credit limitations - see counselor.

BIOL V01L - PRINCIPLES OF BIOLOGY LABORATORY

1 Unit

Prerequisite: BIOL V01 or concurrent enrollment

Hours: 3 laboratory weekly

The course provides a hands-on introduction to the basic principles of biology, including biochemistry, cells and the cellular processes, physiology, morphology, behavior, heredity, molecular biology, taxonomy, and ecology. Concepts are taught in a framework that emphasizes the scientific method, evolutionary principles and history, and the interaction between humans and the environment. This course is designed for non-biology majors.

Transfer credit: CSU; UC; credit limitations - see counselor.

BIOL V03 - INTRODUCTION TO ORGANISMAL BIOLOGY AND ECOLOGY

5 Units

Prerequisite: CHEM V01A-V01AL or CHEM V20-V20L or 1 year of high school chemistry with grades of C or better; and MATH V03 or MATH V03A-V03E or 1 year of high school intermediate algebra (Algebra II) with grade of C or better

Recommended Preparation: ANPH V01 or BIOL V01-V01L or BIOL V29-V29L or MICR V01 or 1 year of high school biology with grades of C or better; CHEM V01B-V01BL; MATH V21A or V46; and MATH V44

C-ID: BIOL 140

Hours: 3 lecture, 6 laboratory weekly

This course is an introduction to organismal diversity, structure and function. Groups to be studied and discussed include: bacteria, archaea, protists, fungi, plants and animals. The latter two groups will be studied in more detail, concentrating on structure and physiology. The overall emphasis of the course will be on the evolutionary and ecological relationships between organisms. The laboratory will develop skills of analysis and observation as they relate to the preceding topics.

Field trips will be required. Formerly BIOL V20B. Transfer credit: CSU; UC.

BIOL V04 - INTRODUCTION TO CELL AND MOLECULAR BIOLOGY

5 Units

Prerequisite: CHEM V01A-V01AL with grades of C or better

Recommended Preparation: BIOL V03 ; CHEM V01B-V01BL; MATH V21A or MATH V46; and MATH V44

Hours: 3 lecture, 6 laboratory weekly

This course will cover principles and applications of the structure and function of biological molecules, prokaryotic and eukaryotic cell structure and function, homeostasis, cell reproduction and its controls, molecular biology, molecular genetics, transmission genetics, cell metabolism including photosynthesis, respiration and viruses. The philosophy of science, scientific methods and experimental design are foundational to the course. The laboratory will develop skills of analysis and observation as they relate to the preceding topics.

Field trips may be required. Formerly BIOL V20A. Transfer credit: CSU; UC.

BIOL V10 - INTRODUCTION TO ENVIRONMENTAL ISSUES 3 Units

Hours: 3 lecture weekly

This course is an examination and analysis of the biological sciences within the context of the interrelationship between human populations and their natural surroundings. The characteristics of natural systems are described and the effects and impacts of human activities on these systems are considered. The course introduces the principles of scientific inquiry and experimental methodology in the study of ecological concepts and environmental issues. Alternatives and approaches to deal with environmental problems are considered and evaluated.

Field trips may be required. Formerly Biol 10. Same as ESRM V01. Transfer credit: CSU; UC.

BIOL V12 - PRINCIPLES OF HUMAN BIOLOGY

3 Units

Recommended Preparation: 1 year of high school biology and high school chemistry

Hours: 3 lecture weekly

This is an introductory course in the principles of biology, with special emphasis on the structure and function of the human being. It provides a study of body systems and their relationship to health or disease, as well as a discussion of the roles and effects of human beings in the biological world.

Formerly Biol 12. Transfer credit: CSU; UC; credit limitations - see counselor.

BIOL V14 - FIELD BIOLOGY

4 Units

Hours: 3 lecture, 3 laboratory weekly

This course is designed to introduce students to the study of biology in a field setting. Emphasis will be placed on the adaptation of organisms to their particular environment. Topics will include evolution, niche, population dynamics, community, ecosystems, energy flow, and terrestrial biomes. Field trips will stress identification and classification of common plants and animals.

Field trips will be required. Formerly Biol 14. Transfer credit: CSU.

BIOL V18 - HUMAN HEREDITY

3 Units

Recommended Preparation: BIOL V01-V01L or BIOL V04

Hours: 3 lecture weekly

This course is an introduction to the basic principles of modern genetics with specific reference to the human being. Through the study of the mechanisms of human inheritance, the origin and nature of human differences will be examined. Social, political and psychological ramifications of the biological laws governing heredity and organic evolution will be emphasized.

Field trips may be required. Formerly Biol 18. Same as BIOT V18. Transfer credit: CSU; UC.

BIOL V23 - INTRODUCTION TO PLANT BIOLOGY

4 Units

Hours: 3 lecture, 3 laboratory weekly

This course is a study of plant structure and function, physiology, reproduction, environmental relationships, genetics, classification and evolution. Basic concepts of biology will be illustrated utilizing plants, focusing on those important to man such as economic crops.

Field trips will be required. Transfer credit: CSU; UC.

BIOL V29 - MARINE BIOLOGY

3 Units

Hours: 3 lecture weekly

This course is an introduction to marine biology, with emphasis on the physiology, morphology, taxonomy, ecology, evolution, and natural history of marine organisms. The conservation of the marine environment will also be covered.

Field trips may be required. Formerly Biol 29. Transfer credit: CSU; UC.

BIOL V29L - MARINE BIOLOGY LABORATORY 1 Unit

Prerequisite: BIOL V29 or concurrent enrollment

Hours: 3 laboratory weekly

This course is a laboratory and field study of marine organisms and environments. Students will examine biological principles utilizing the scientific method.

Field trips will be required. Formerly Biol 29L. Transfer credit: CSU; UC.

BIOL V30 - INTRODUCTORY BIOTECHNOLOGY WITH LABORATORY 4 Units

Recommended Preparation: BIOL V01, BIOL V01L, CHEM V20, CHEM V20L

Hours: 3 lecture, 3 laboratory weekly

This course is a general examination of biology as it relates to the field of biotechnology. Topics include the fundamental chemical processes common in prokaryotic and eukaryotic biology, chemistry of bio-molecules (proteins, enzymes, nucleic acids, and lipids), cellular and molecular biology, basic immunology, and classical and molecular genetics with an emphasis on gene expression and genetic engineering. The laboratory addresses basic skills and techniques common to the biotechnology industry. Topics include the measurement of activity and quantity of proteins, growth and manipulation of bacteria, genetic engineering, and antibody methods. This course is intended for students majoring in applied biology and as a general education option for all students.

Field trips may be required. Formerly Biol 30. Same as BIOT V30. Transfer credit: CSU; UC.

BIOL V31 - INTRODUCTION TO METHODS OF BIOTECHNOLOGY AND MOLECULAR BIOLOGY 2 Units

Recommended Preparation: BIOL V30 or BIOT V30 or concurrent enrollment; BIOL V42 or BIOT V42; CHEM V20-V20L or high school chemistry with grades of C or better; and MICR V01

Hours: 1 lecture, 3 laboratory weekly

This course is designed to provide a variety of biotechnology and molecular biology experiences that develop proficiency in molecular biology techniques and the application of specialized biotechnology equipment in problem solving. Its intent is to develop knowledge of biotechnology protocols, an awareness of laboratory safety, as well as enthusiasm and academic interest in molecular biology and biotechnology. ANSI 287.1 approved safety glasses and laboratory coats are required.

Field trips may be required. Formerly Biol 31. Same as BIOT V31. Offered on a pass/no pass basis only. Transfer credit: CSU; UC; credit limitations - see counselor.

BIOL V32 - INTRODUCTION TO METHODS OF PLANT BIOTECHNOLOGY AND MOLECULAR BIOLOGY 2 Units

Recommended Preparation: CHEM V20 and CHEM V20L; and BIOL V23; and BIOL V30 or BIOT V30

Hours: 1 lecture, 3 laboratory weekly

This course is designed for plant biotechnicians and educators training in plant biotechnological techniques. Proficiency will be developed in aseptic tissue culture, isolation of plant organelles and products, and related molecular biological methods. Problems and solutions specific to plant biotechnology will be stressed. ANSI 287.1 approved safety glasses are required.

Field trips will be required. Formerly Biol 32. Same as BIOT V32. Transfer credit: CSU; credit limitations - see counselor.

BIOL V42 - CONTEMPORARY ISSUES IN CELL BIOLOGY 3 Units

Hours: 3 lecture weekly

This course examines contemporary issues in biology and biotechnology, with an emphasis on cell biology. Students will be introduced to the fundamental characteristics of cells, including structures and functions, developmental biology, cellular reproduction and differentiation as well as molecular biology, protein biochemistry and genetic engineering. Focus will be on regenerative medicine including: basic concepts of stem cell biology, ethical concerns surrounding stem and cell biology technology both from individual and social points of view. Legal and regulatory aspects of stem and cell biology and an overview of the potential contributions of stem cells to society and medicine will be presented. The impact on society of recent discoveries and advances in cell biology will be discussed.

Field trips may be required. Same as BIOT V42. Transfer credit: CSU; UC.

BIOL V88 - BIOLOGY WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

BIOL V89 - WORKSHOPS IN BIOLOGY 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly Biol 89. Transfer credit: CSU; for UC, determined after admission.

BIOL V90 - DIRECTED STUDIES IN BIOLOGY 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities to students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Biol 90. Transfer credit: CSU; for UC, determined after admission.

BIOL V95 - BIOLOGY INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

BIOL V96 - BIOLOGY INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

BIOTECHNOLOGY

Biotechnology knowledge and skills apply in a wide variety of occupational fields. Ventura College partners with local companies Amgen, Baxter Bioscience, Seminis Seeds, Dako North America, Ceres, and others to train potential employees in relevant hands-on laboratory and processing methods along with an understanding of business management and teamwork. California's life science industries have jobs for research and manufacturing/production technicians, chemists, molecular and cell biologists, fermentation specialists and analytics/testing technicians. Whether you are interested in a job or expanding your knowledge about today's biotechnology issues and applications, this program will assist you in achieving your goals.

COURSE DESCRIPTIONS

BIOT V18 - HUMAN HEREDITY

3 Units

Recommended Preparation: BIOL V01-V01L or BIOL V04

Hours: 3 lecture weekly

This course is an introduction to the basic principles of modern genetics with specific reference to the human being. Through the study of mechanisms of human inheritance, the origin and nature of human differences will be examined. Social, political and psychological ramifications of biological laws governing heredity and organic evolution will be emphasized.

Field trips may be required. Same as BIOL V18. Transfer credit: CSU; UC.

BIOT V30 - INTRODUCTORY BIOTECHNOLOGY WITH LABORATORY

4 Units

Recommended Preparation: BIOL V01, BIOL V01L, CHEM V20, CHEM V20L

Hours: 3 lecture, 3 laboratory weekly

This course is a general examination of biology as it relates to the field of biotechnology. Topics include the fundamental chemical processes common in prokaryotic and eukaryotic biology, chemistry of bio-molecules (proteins, enzymes, nucleic acids, and lipids), cellular and molecular biology, basic immunology, and classical and molecular genetics with an emphasis on gene expression and genetic engineering. The laboratory addresses basic skills and techniques common to the biotechnology industry. Topics include the measurement of activity and quantity of proteins, growth and manipulation of bacteria, genetic engineering, and antibody methods. This course is intended for students majoring in applied biology and as a general education option for all students.

Field trips may be required. Formerly Biol 30. Same as BIOL V30. Transfer credit: CSU; UC.

BIOT V31 - INTRODUCTION TO METHODS OF BIOTECHNOLOGY AND MOLECULAR BIOLOGY

2 Units

Recommended Preparation: BIOL V30 or BIOT V30 or concurrent enrollment; BIOL V42 or BIOT V42; CHEM V20-V20L or high school chemistry with grades of C or better; and MICR V01

Hours: 1 lecture, 3 laboratory weekly

This course is designed to provide a variety of biotechnology and molecular biology experiences which develop proficiency in molecular biology techniques and the application of specialized biotechnology equipment in problem solving. Its intent is to develop knowledge of biotechnology protocols, an awareness of laboratory safety, as well as an enthusiasm and academic interest in molecular biology and biotechnology. ANSI 287.1 approved safety glasses and laboratory coats are required.

Field trips may be required. Same as BIOL V31. Offered on a pass/no pass basis only. Transfer credit: CSU; UC.

BIOT V32 - INTRODUCTION TO METHODS OF PLANT BIOTECHNOLOGY AND MOLECULAR BIOLOGY

2 Units

Recommended Preparation: CHEM V20 and CHEM V20L; and BIOL V23; and BIOL V30 or BIOT V30

Hours: 1 lecture, 3 laboratory weekly

The course is designed for plant biotechnicians and educators training in the plant biotechnological techniques. Proficiency will be developed in aseptic tissue culture, isolation of plant organelles and products, and related molecular biological methods. Problems and solutions specific to plant biotechnology will be stressed. ANSI 287.1 approved safety glasses are required.

Field trips will be required. Same as BIOL V32. Transfer credit: CSU; credit limitations - see counselor.

BIOT V42 - CONTEMPORARY ISSUES IN CELL BIOLOGY

3 Units

Hours: 3 lecture weekly

This course examines contemporary issues in biology and biotechnology, with an emphasis on cell biology. Students will be introduced to the fundamental characteristics of cells, including structures and functions, developmental biology, cellular reproduction and differentiation as well as molecular biology, protein biochemistry and genetic engineering. Focus will be on regenerative medicine including: basic concepts of stem cell biology, ethical concerns surrounding stem and cell biology technology both from individual and social points of view. Legal and regulatory aspects of stem and cell biology and an overview of the potential contributions of stem cells to society and medicine will be presented. The impact on society of recent discoveries and advances in cell biology will be discussed.

Field trips may be required. Same as BIOL V42. Transfer credit: CSU; UC.

BUSINESS

The Business Department at Ventura College offers a wide range of programs, degrees, certificates, and proficiency awards in Accounting, Bookkeeping, Business Management, Business Administration for Transfer, Social Media Marketing, Administrative Assistant, Medical Assistant, and Business Office Skills. These programs lead to career opportunities in a variety of industries. Coursework in the business program prepares students for baccalaureate transfer, career entry, and growth into managerial positions. In addition, students can select from an array of courses that will provide an entrepreneurial foundation to help them start their own business. Many of the degrees and certificates build upon each other, so that students can complete multiple awards by taking a few additional courses, as well as enrich their professional portfolio.

Associate in Science Degrees

BUSINESS ADMINISTRATION FOR TRANSFER

The Associate in Science in Business Administration for Transfer Degree (Business Administration AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Science in Business Administration for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Business, Business Administration, Entrepreneurship, Sustainable Business, Management, Marketing, Accounting, Economics, and Finance.

To earn a Business Administration AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.

- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- Obtainment of a minimum grade point average of 2.0 on transfer courses.
 - Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
 - Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (17 units): **Units**

BUS V01A	Financial Accounting	4
BUS V01B	Managerial Accounting	4
ECON V01A	Principles of Macroeconomics	3
ECON V01B	Principles of Microeconomics	3

BUS V33	Business Law	3
---------	--------------	---

OR

BUS V53	Legal Environmental Business	3
---------	------------------------------	---

LIST A:

Select one (1) of the following courses (4 units):

MATH V44	Elementary Statistics	4
MATH V46	Applied Calculus	4
PSY V04	Introductory Statistics for the Social and Behavioral Sciences	4

LIST B:

Select two (2) of the following courses (6 units):

BUS V17	Computer Applications	3
BUS V30	Introduction to Business	3
BUS V45	Business Communications	3

Major Units	27
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	
Double-Counted Units	(10)

DEGREE TOTAL **60**

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see Economics, Mathematics, and Psychology

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **BUSINESS ADMINISTRATION FOR TRANSFER** program students will be able to:

- Explain the fundamental principles of business.
- Examine various approaches to decision-making.
- Create, analyze, and interpret written and verbal communication in business applications.
- Demonstrate an understanding of contemporary issues and theories in the areas of management and human resources systems.

**Associate in Science Degree
 Certificate of Achievement**

ACCOUNTING

*Transfer requirements may differ
 See counselor or consult assist.org*

The Accounting Program enables students to demonstrate an understanding of basic accounting principles and procedures, as well as the role of accounting and bookkeeping within various business organizations. They will be able to analyze, process and report financial information within established manual and computerized protocols. Finally, they will understand the importance of ethics and social responsibility in the accounting profession.

Study in accounting leads to a variety of employment opportunities in organizations in the public and private sectors of the economy. Upon completion of the associate degree, students will be prepared for entry-level positions within organizations, able to transfer to a baccalaureate program, or possess the rudimentary information necessary to start their own businesses.

REQUIRED COURSES:

	Units	
BUS V01A	Financial Accounting	4
BUS V03	Introduction to Accounting	3
BUS V08	Computerized Accounting	3
BUS V17	Computer Applications	3

REQUIRED ADDITIONAL COURSES:

Select two (2) of the following courses:

BUS V01B	Managerial Accounting	4
BUS V30	Introduction to Business	3
BUS V43	Introduction to International Business	3
BUS V45	Business Communications	3

TOTAL **19-20**

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: BUS V07A. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Accounting** program students will be able to:

- Demonstrate an understanding of basic accounting procedures.
- Analyze, process, and prepare financial information within established protocols.
- Present and interpret financial information.

.....

**Associate in Science Degree
Certificate of Achievement**

ADMINISTRATIVE ASSISTANT

*Transfer requirements may differ
See counselor or consult assist.org*

The Administrative Assistant Program assists students in developing the skills needed for a career as an Administrative Assistant or any other of a wide variety of office positions in a very broad arena of businesses of all types. This comprehensive program is offered in an accelerated format and provides the opportunity for students to develop effective communication skills, computer skills, and specialized skills that lead to success working in a variety of office settings. Jobs in this field include administrative assistant, front office assistant, receptionist, front office specialists in a number of categories (sales, production, inventory, production control, purchasing, manufacturing, etc.) and may lead to advancement to various office supervisory positions.

REQUIRED COURSES:		Units
BUS V07A	Business Calculations	2.5
BUS V21	Administrative Assistant	16
TOTAL		18.5

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: BUS V03, V30, V31, V40, V44, V45. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Administrative Assistant** program students will be able to:

- Acquire and apply the technical skills, including appropriate communications and teamwork skills, to secure employment as an Administrative Assistant.
- Plan and create a resume and cover letter, and accomplish a successful job interview.
- Use computer skills to produce word processing documents, data worksheets, perform internet searches, and prepare professional e-mails.
- Understand and apply proper records management rules and methods.
- Identify and organize data and complete a wide variety of calculations related to real-world problem solving.

.....

**Associate in Science Degree
Certificate of Achievement**

BUSINESS MANAGEMENT

*Transfer requirements may differ
See counselor or consult assist.org*

The Business Management Program enables students to become effective managers of business situations, projects and personnel. The curriculum will provide the necessary skills to contribute to the company's bottom line. A variety of courses will provide a foundation of general management theory and practice, accounting, introduction to business and economics, and communications. The purpose of this degree track is to prepare non-transfer students for entry-level supervisory positions and/or provide knowledge and skill as a foundation for business ownership.

REQUIRED COURSES:		Units
BUS V03	Introduction to Accounting	3
BUS V17	Computer Applications	3
BUS V30	Introduction to Business	3
BUS V31	Organization and Management	3
BUS V45	Business Communications	3

REQUIRED ADDITIONAL COURSES:

Select one (1) of the following courses:

BUS V32	Human Resource Management	3
BUS V33	Business Law	3
BUS V53	Legal Environment of Business	3

Select one (1) of the following courses:

BUS V38/ CD V38	Small Business Management	3
BUS V40	Organizational Behavior	3
BUS V43	Introduction to International Business	3
BUS V44	Business English	3
BUS V46	Marketing	3

TOTAL	21
--------------	-----------

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking the following course: ECON V01A. Although this supplemental course may be of value to the student, please note that it does **NOT** satisfy the requirements for this degree.

For other course descriptions, see Child Development.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Business** and **Business Management** program students will be able to:

- Explain the fundamental principles of business.
- Examine various approaches to decision-making.
- Create, analyze, and interpret written and verbal communication in business applications.
- Students will be able to demonstrate an understanding of contemporary issues and theories in the areas of management and human resources systems.

The Medical Assistant Program assists students in developing the skills needed for a career as a medical assistant, trained in either administrative (front office) or clinical (back office) skills or both. This comprehensive program provides the opportunity for students to develop effective communication skills, computer skills, and technical skills that lead to success in working in a variety of healthcare settings. Jobs in this field include, front office medical assistant, medical secretary, back office medical assistant, entry level medical biller, hospital admitting clerk, hospital unit coordinator and entry level medical records clerk.

Students who successfully complete this program may be eligible to take the certification exam offered by the California Certifying Board for Medical Assistants to become a California Certified Medical Assistant – Administrative (CCMA-A), Clinical (CCMA-C) or Administrative and Clinical (CCMA-AC).

**Associate in Science Degree
Certificate of Achievement**

MEDICAL ASSISTANT - ADMINISTRATIVE

*Transfer requirements may differ

COURSE DESCRIPTIONS

BUS V01A - FINANCIAL ACCOUNTING 4 Units

Prerequisite: BUS V03 or 1 year of high school bookkeeping with grade of C or better

C-ID: ACCT 110

Hours: 3 lecture, 3 laboratory weekly

This course explores what financial accounting is, why it is important, and how it is used by investors and creditors to make decisions. The course covers the accounting information system and the recording and reporting of business transactions with a focus on the accounting cycle, the application of generally accepted accounting principles, and the classified financial statements. It includes issues relating to assets, liabilities, equity valuations, revenue and expense recognition, internal controls, and ethics.

Field trips may be required. Formerly Bus 1A. Transfer credit: CSU; UC.

BUS V01B - MANAGERIAL ACCOUNTING 4 Units

Prerequisite: BUS V01A with grade of C or better

C-ID: ACCT 120

Hours: 3 lecture, 3 laboratory weekly

This course provides an examination of how managers use accounting information in decision-making, planning, directing operations, and controlling. The structure of corporate accounting for stockholders' equity and bond transactions are explained. It will also focus on cost terms and concepts, cost behavior, cost structure, and cost-volume-profit analysis. The course includes an examination of profit planning, standard costs, operations and capital budgeting, cost control, and accounting for costs in manufacturing organizations.

Formerly Bus 1B. Transfer credit: CSU; UC.

BUS V02 - INCOME TAX FUNDAMENTALS 3 Units

Hours: 3 lecture weekly

This course is primarily designed as an introductory-level income tax course for accounting majors and business students at the community college level. The course focuses on the federal and state income tax rules and procedures involved in the preparation of simple tax returns for individuals.

Formerly Bus 2.

BUS V03 - INTRODUCTION TO ACCOUNTING 3 Units

Recommended Preparation: BUS V07A or fundamental basic math skills needed to solve business related math problems

Hours: 2 lecture, 3 laboratory weekly

This course introduces accounting using the debit-credit, double-entry system. Students will learn how to journalize, post to ledger accounts, use a worksheet, and prepare an income statement, statement of owner's equity, and a balance sheet. Students will be able to keep a complete set of books for a one-month period for a small- to medium-sized sole proprietorship.

Formerly Bus 3. Transfer credit: CSU.

BUS V04 - COMPUTERIZED PAYROLL ACCOUNTING 3 Units

Hours: 2 lecture, 3 laboratory weekly

This course will provide entry-level training in calculating, recording, and maintaining appropriate payroll records in a computerized setting. Areas of study include an overview of computer systems, determining gross earnings, calculating deductions, and recording and maintaining necessary employee and employer payroll records.

Formerly Bus 4.

BUS V07A - BUSINESS CALCULATIONS 2.5 Units

Recommended Preparation: MATH V01 or 1 to 2 years of high school Algebra with a grade C or better

Hours: 1 lecture, 4.5 laboratory weekly

This course is a skills-based course in calculations used in business. It includes fractions, decimal notations, percentages, and equations that are applied to business-related topics. Topics include sequential operations, trade discounts, partial payment of loans, early payoff, operating ratios, chain discounts, markup and markdown, payroll, taxes (payroll, real estate, sales, loans), proration, simple and compound interest, and part compared to the whole; calculation of present and future value when evaluating annuities and other assets; and U.S. rule and Merchant's rule for calculating interest. It also includes insurance costs related to both personal and business liabilities. Inventory and turnover methods, including depreciation, will be covered. Business financial statements will be created and evaluated and used to make business decisions in business-related class assignments. Students will learn how to complete basic business math calculations on the computer

Formerly Bus 7A. Transfer credit: CSU.

BUS V08 - COMPUTERIZED ACCOUNTING 3 Units

Prerequisite: BUS V01A or BUS V03

Hours: 2 lecture, 3 laboratory weekly

This course is an introduction to the use of computers in the field of accounting, with an emphasis on QuickBooks software. The fundamental principles of accounting are applied to basic problem-solving simulations for both manual and computerized accounting systems. This course provides training for entry-level computerized bookkeeping employment, as an aid in managing one's own business, and as a foundation for advanced study.

Formerly Bus 8. Transfer credit: CSU.

BUS V17 - COMPUTER APPLICATIONS 3 Units

C-ID: ITIS 120; BUS 140

Hours: 3 lecture weekly

This course provides an overview of computer concepts, including hardware, software, business information systems, computers and business software with an emphasis on integrating spreadsheets, word processing documents, database documents, and presentations. Students will also learn about software applications involving business-related scenarios and the use of the computer as a tool in business problem solving and decision making.

Formerly BIS V40. Transfer credit: CSU; UC.

BUS V21 - ADMINISTRATIVE ASSISTANT 16 Units*Hours: 16 lecture weekly*

This course provides comprehensive training in the skills required of an administrative assistant including computer hard disk management, electronic and manual record management, business software with an emphasis on integrating word processing, electronic spreadsheets, and presentations. Students will learn to use the Internet to create, organize and process e-mail, share information and files, and effectively use search engines for e-commerce and job searches. Topics will include business communication skills, professional telephone techniques, keyboarding and calculating machines, interviewing techniques, resume preparation, job searches, and internships.

*Formerly BIS V98.***BUS V25 - MEDICAL CODING 3 Units***Recommended Preparation: BUS V27A and BUS V29**Hours: 2 lecture, 3 laboratory weekly*

This course offers instruction in medical insurance coding utilized in submitting various medical insurance claims. The specific coding developed is ICD CM, CPT, HCPCS and common coding modifiers.

*Formerly Bus 25.***BUS V26 - ELECTRONIC HEALTH RECORDS 3 Units***Hours: 3 lecture weekly*

This course is an introduction to the Electronic Health Record (EHR) and its application in the healthcare environment. Topics will include common standards for EHR, workflow in a medical office setting, data entry into an EHR program, and application of HIPAA privacy and security regulations. It will include practical hands-on experience using EHR software.

BUS V27A - BEGINNING MEDICAL TERMINOLOGY 3 Units*Hours: 3 lecture weekly*

This comprehensive overview of basic medical terminology provides the opportunity for the student to develop the knowledge, skills, and understanding of medical terminology. This includes basic word elements, word analysis, word building and spelling. Medical terms are identified as they relate to symptoms, pathologic conditions, diagnostic procedures, and therapeutic procedures.

*Formerly Bus 27A. Transfer credit: CSU.***BUS V28A - MEDICAL OFFICE PROCEDURES: FRONT OFFICE 3 Units***Hours: 2 lecture, 3 laboratory weekly*

This is a course offering instruction in front office procedures for a medical office or clinic. Front office procedures will include communications, telephone techniques, medical ethics and liability, confidentiality, appointment scheduling, reading and writing of prescriptions, patient data management, and insurance basics.

*Formerly Bus 28A.***BUS V29 - MEDICAL INSURANCE 3 Units***Recommended Preparation: typing 30 wpm**Hours: 2.5 lecture, 1.5 laboratory weekly*

This course develops an understanding of the leading types of medical insurance programs with instruction and drill in performing the steps in medical billing for Blue Cross, Blue Shield, PPOs, and HMOs, as well as Workers' Compensation, Medicare, Tricare, and Medicaid. Basic skills in professional service coding and diagnostic coding are also covered. This course includes instruction in the overall claims process from claim submission to reimbursement. Collection strategies are also covered.

*Formerly Bus 29.***BUS V30 - INTRODUCTION TO BUSINESS 3 Units***C-ID: BUS 110**Hours: 3 lecture weekly*

This course provides a fundamental survey and study of the role of U.S. business in the private enterprise system. The course will review: the fundamental aspects of business, business organization and management, marketing, human resource management, finance, financial institutions, government and business ethics, and international business.

*Formerly Bus 30. Transfer credit: CSU; UC.***BUS V31 - ORGANIZATION AND MANAGEMENT 3 Units***Hours: 3 lecture weekly*

This course is designed to acquaint students with concepts of planning, organizing, motivating, communicating, directing, and controlling functions necessary for effective management to accomplish organizational objectives.

*Formerly Bus 31. Transfer credit: CSU; credit limitations - see counselor.***BUS V32 - HUMAN RESOURCE MANAGEMENT 3 Units***Hours: 3 lecture weekly*

This course is a study of human resource management functions encompassing employer-employee relationships including major labor laws, recruitment and selection, training and development, performance management systems, wage and salary administration, benefits administration, and safety programs.

*Formerly Bus 32. Transfer credit: CSU; credit limitations - see counselor.***BUS V33 - BUSINESS LAW 3 Units***C-ID: BUS 125**Hours: 3 lecture weekly*

This course covers the fundamental principles of law applicable to business operations and transactions. In addition to the fundamental legal principles, the course will cover introduction to the legal process, sources of law and ethics, contracts, torts, agency, criminal law, business organizations, and judicial and administrative processes.

*Formerly Bus 33. Transfer credit: CSU; UC; credit limitations - see counselor.***BUS V38 - SMALL BUSINESS MANAGEMENT 3 Units***Hours: 3 lecture weekly*

This course covers the problems of establishing and operating a small business. The opportunities for small business and the requirements for success are discussed.

*Formerly Bus 38. Same as CD V38. Transfer credit: CSU; credit limitations - see counselor.***BUS V40 - ORGANIZATIONAL BEHAVIOR 3 Units***Hours: 3 lecture weekly*

This is a course in the understanding of individual and group behavior as it affects the organization. Emphasis is on developing organizational skills and application of principles to interpersonal and organizational relationships.

*Field trips may be required. Transfer credit: CSU; credit limitations - see counselor.***BUS V43 - INTRODUCTION TO INTERNATIONAL BUSINESS 3 Units***Hours: 3 lecture weekly*

This is an introductory course designed to examine international business and institutions in the international environment. The course will emphasize emerging international developments as they relate to the economic and business arena.

Field trips will be required. Formerly Bus 43. Transfer credit: CSU.

BUS V44 - BUSINESS ENGLISH 3 Units*Hours: 3 lecture weekly*

This course offers the practical application of college-level business English skills, which include reading, writing, speaking, and listening, with comprehensive coverage of language structure, punctuation, spelling usage, word usage, proofreading, and editing.

Formerly Bus 44. Transfer credit: CSU; credit limitations - see counselor.

BUS V45 - BUSINESS COMMUNICATIONS 3 Units*Prerequisite: ENGL V01A**C-ID: BUS 115**Hours: 3 lecture weekly*

This course focuses on written communication skills with emphasis on clear, concise writing. It presents techniques for gathering, organizing, analyzing and preparing information for decision making. It develops analytical thinking skills by providing practical training in writing assignments including business letters, memos, and reports. It also explores the impact of cultural differences on business communication in the modern business organization. Students develop further skills in listening and speaking through oral presentations.

Formerly Bus 45. Transfer credit: CSU.

BUS V46 - MARKETING 3 Units*Recommended Preparation: BUS V30**Hours: 3 lecture weekly*

This course introduces the basic concepts and practices of modern marketing, including building customer relationships, strategic planning, market research, buyer behavior, market segmentation, target marketing, new product development, pricing, channels of distribution, retailing, integrated marketing communication, global marketing, marketing in the Internet age, and ethics.

Transfer credit: CSU.

BUS V47 - SALES TECHNIQUES 3 Units*Hours: 3 lecture weekly*

This course introduces the principles of personal selling, including strategies for long-term selling relationships. Focus will be on adaptive selling techniques, prospecting, handling objections, gaining commitment, negotiation, and closing the sale.

Transfer credit: CSU.

BUS V49 - INTRODUCTION TO SOCIAL MEDIA MARKETING 3 Units*Recommended Preparation: Student should have basic computer skills**Hours: 3 lecture weekly*

This course is designed to provide students with a foundation in social media using interactive Internet and mobile applications. Students will learn and develop social media strategies for use in business and learn how to implement social media campaigns as part of a marketing strategy.

Transfer credit: CSU.

BUS V50 - PUBLIC RELATIONS 3 Units*Hours: 3 lecture weekly*

This course examines public relations techniques used to influence public opinion, manage good will, and protect an organization's reputation. Students will learn PR strategies and techniques to communicate to their public, and study PR channels including (but not limited to) press releases, news conferences, and social media. This course will also cover the strategies and tactics necessary to plan and manage a PR campaign. Working in collaborative teams, students will complete a PR campaign.

Transfer credit: CSU.

BUS V53 - LEGAL ENVIRONMENT OF BUSINESS 3 Units*Recommended Preparation: ENGL V01A**C-ID: BUS 120**Hours: 3 lecture weekly*

This course provides an overview of the fundamental legal principles pertaining to business transactions and an introduction to the law as an instrument of social and political control in society. Topics include sources of law and ethics, contracts, torts, agency, judicial and administrative processes, employment law, forms of business organizations, and domestic and international governmental regulations.

Formerly Bus 53. Transfer credit: CSU; UC; credit limitations - see counselor.

BUS V88 - BUSINESS WORKSHOPS 0.5-20 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly BUS V89.

BUS V90 - DIRECTED STUDIES IN BUSINESS 1-6 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Bus 90. Transfer credit: CSU.

BUS V94 - BUSINESS OFFICE SKILLS 4 Units*Hours: 4 lecture weekly*

Students will learn to identify attributes of an effective business office assistant/receptionist and develop listening and communication skills, filing, telephone and basic computer skills. Time management and conflict resolution will also be covered. Additionally, students will create a resume and practice interviewing techniques.

BUS V95 - BUSINESS INTERNSHIP I 1-4 Units*Prerequisite: successful completion of at least 9 units towards a specific business department Certificate of Achievement or AA/AS degree**Corequisite: enrolled in a minimum of 6 units to include internship**Enrollment Limitation: approval of the department chair**Hours: 60 per unit*

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal. This is an unpaid occupational work experience course, where 1 unit of credit is earned for each 60 hours of unpaid internship. A maximum of 4 units can be completed in a semester, and no more than 16 units can be earned in total.

Field trips will be required. Formerly Bus 95. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

BUS V96 - BUSINESS INTERNSHIP II 1-4 Units*Corequisite: enrolled in a minimum of 7 units to include internship**Recommended Preparation: completion of or concurrent enrollment in one course in the discipline**Hours: 75 per unit*

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

BUS V97 - MULTI-SKILLED MEDICAL ASSISTANT 16 Units*Hours: 13 lecture, 9 laboratory weekly*

This course will prepare students for entry-level positions as either a front-office or back-office medical assistant. The course will cover general skills, including medical ethics, medical terminology, basic anatomy and physiology, basic pharmacology, computer skills, and a review of basic English skills. It will also include front-office skills such as scheduling, communication skills, billing and collections, medical insurance, medical records, and filing. Skills are performed both manually and on a computer. It will provide back-office skills training in asepsis, drug administration, exam preparation and assisting, vital signs, basic lab testing, and emergency first aid. Students will be required to develop a personal portfolio of their skills for use in the job search. The course also includes resume writing and preparation for interviews.

CHEMISTRY

The Department of Chemistry at Ventura College offers a variety of lower-division courses covering general, organic, and biochemistry topics meant to prepare students for degrees in science, veterinary medicine, and healthcare as well as satisfying most general education science requirements through on site as well as hybrid (online/onsite) offerings in both lecture and laboratory settings. A background in chemistry is essential for many fields. Opportunities await the chemist in such fields as medicine and pharmaceuticals, metals and polymers, petroleum, electrochemistry, nanotechnology, forensics, aerospace, paper, food technology, business, and education. **NOTE:** All students taking a laboratory course must attend the entire mandatory safety lecture given at the start of the first class meeting or may be dropped from the class unless prior arrangements are made with the instructor.

COURSE DESCRIPTIONS

CHEM V01A - GENERAL CHEMISTRY I 3 Units

Prerequisite: CHEM V20-V20L or high school chemistry with grades of C or better; and MATH V03 or MATH V13B or 1 year of high school intermediate algebra (Algebra II) with grades of C or better

C-ID: CHEM 110 [CHEM V01A + CHEM V01AL]; CHEM 120S [CHEM V01A + CHEM V01AL + CHEM V01B + CHEM V01BL]

Hours: 3 lecture weekly

This course is an introduction to matter and energy, atomic structure, nomenclature, chemical equations, stoichiometry, gases, thermochemistry, quantum chemistry, bonding, molecular geometry, oxidation-reduction, liquids and solids, and solutions.

Formerly Chem 1A. Transfer credit: CSU; UC.

CHEM V01AL - GENERAL CHEMISTRY I LABORATORY 2 Units

Prerequisite: CHEM V01A with grade of C or better or concurrent enrollment

C-ID: CHEM 110 [CHEM V01A + CHEM V01AL]; CHEM 120S [CHEM V01A + CHEM V01AL + CHEM V01B + CHEM V01BL]

Hours: 6 laboratory weekly

The laboratory provides the student with experience in applying the principles developed in General Chemistry I lecture. Quantitative experiments that illustrate the fundamental laws of chemistry are emphasized.

Field trips may be required. Formerly Chem 1AL. Transfer credit: CSU; UC.

CHEM V01B - GENERAL CHEMISTRY II 3 Units

Prerequisite: CHEM V01A with grade of C or better

C-ID: CHEM 120S [CHEM V01A + CHEM V01AL + CHEM V01B + CHEM V01BL]

Hours: 3 lecture weekly

This course presents a detailed study of chemical equilibrium, kinetics, electrochemistry, chemical thermodynamics, and a brief introduction to organic chemistry and nuclear reactions.

Field trips may be required. Formerly Chem 1B. Transfer credit: CSU; UC.

CHEM V01BL - GENERAL CHEMISTRY II LABORATORY 2 Units

Prerequisite: CHEM V01AL with grade of C or better; and CHEM V01B with grade of C or better or concurrent enrollment

C-ID: CHEM 120S [CHEM V01A + CHEM V01AL + CHEM V01B + CHEM V01BL]

Hours: 6 laboratory weekly

The laboratory provides the student with experience in applying principles developed in the General Chemistry II lecture, including experiments in kinetics, equilibrium, electrochemistry, thermochemistry, qualitative analysis, and organic chemistry.

Field trips may be required. Formerly Chem 1BL. Transfer credit: CSU; UC.

CHEM V12A - GENERAL ORGANIC CHEMISTRY I 3 Units

Prerequisite: CHEM V01B-V01BL with grades of C or better

C-ID: CHEM 150 [CHEM V12A + CHEM V12AL]; CHEM 160S [CHEM V12A + CHEM V12AL + CHEM V12B + CHEM V12BL]

Hours: 3 lecture weekly

This course stresses molecular structure, chemical and physical properties, and the preparation of organic compounds with an emphasis on reaction mechanisms, structure determination, synthesis, and applications.

Formerly Chem 12A. Transfer credit: CSU; UC; credit limitations - see counselor.

CHEM V12AL - GENERAL ORGANIC CHEMISTRY I LABORATORY 2 Units

Prerequisite: CHEM V12A with grade of C or better or concurrent enrollment

C-ID: CHEM 150 [CHEM V12A + CHEM V12AL]; CHEM 160S [CHEM V12A + CHEM V12AL + CHEM V12B + CHEM V12BL]

Hours: 6 laboratory weekly

This course covers the utilization of the techniques of experimental organic chemistry including physical and chemical methods of purification, separation, and structure determination, with an emphasis on synthesis and mechanisms. Infrared spectroscopy and nuclear magnetic resonance are used extensively in this course.

Field trips may be required. Formerly Chem 12AL. Transfer credit: CSU; UC; credit limitations - see counselor.

CHEM V12B - GENERAL ORGANIC CHEMISTRY II 3 Units

Prerequisite: CHEM V12A with grade of C or better

C-ID: CHEM 160S [CHEM V12A + CHEM V12AL + CHEM V12B + CHEM V12BL]

Hours: 3 lecture weekly

This course continues the study of functional groups such as carboxylic acids and their derivatives, carbonyls, amines and phenols. The emphasis is again on reaction mechanism, structure determination using nuclear magnetic resonance and infrared spectroscopy, synthesis and applications. A major part of this course is devoted to the study of biochemistry.

Formerly Chem 12B. Transfer credit: CSU; UC.

CHEM V12BL - GENERAL ORGANIC CHEMISTRY II LABORATORY 2 Units

Prerequisite: CHEM V12AL with grade of C or better; and CHEM V12B with grade of C or better or concurrent enrollment

C-ID: CHEM 160S [CHEM V12A + CHEM V12AL + CHEM V12B + CHEM V12BL]

Hours: 6 laboratory weekly

This course covers the utilization of the techniques of experimental organic chemistry including chemical and physical separations, purification, chemical syntheses, extraction methods, and structure determinations, with an emphasis on functional group analysis, reactivity and mechanisms. Extensive use of infrared spectroscopy, and analysis of gas chromatography, nuclear magnetic resonance, and mass spectra will be included.

Field trips may be required. Formerly Chem 12BL. Transfer credit: CSU; UC.

CHEM V20 - ELEMENTARY CHEMISTRY **4 Units**

Prerequisite: MATH V01 or MATH V01E or MATH V11B or 1 year of high school beginning algebra with grade of C or better

Recommended Preparation: MATH V03 or MATH V03E

C-ID: CHEM 101 [CHEM V20 + CHEM V20L]

Hours: 4 lecture weekly

This course includes fundamental theories, laws, and techniques of general chemistry, together with their more important applications, drill in chemical formulas, equations and calculations.

Formerly Chem 20. Transfer credit: CSU; UC; credit limitations - see counselor.

CHEM V20L - ELEMENTARY CHEMISTRY LABORATORY **1 Unit**

Prerequisite: CHEM V20 or concurrent enrollment

C-ID: CHEM 101 [CHEM V20 + CHEM V20L]

Hours: 3 laboratory weekly

This course is an introduction to laboratory techniques. The experiments illustrate typical chemical reactions and the principles covered in the lecture.

Formerly Chem 20L. Transfer credit: CSU; UC; credit limitations - see counselor.

CHEM V21 - INTRODUCTION TO ORGANIC AND BIOCHEMISTRY **3 Units**

Prerequisite: CHEM V01A-V01AL or CHEM V20-V20L

C-ID: CHEM 102 [CHEM V21 + CHEM V21L]

Hours: 3 lecture weekly

This course is an introduction to organic and biological chemistry. The course covers the preparation, chemical and physical properties, and commercial and technical application of both organic and biological compounds.

Field trips may be required. Formerly Chem 21. Transfer credit: CSU; UC; credit limitations - see counselor.

CHEM V21L - INTRODUCTION TO ORGANIC AND BIOCHEMISTRY LABORATORY **2 Units**

Prerequisite: CHEM V21 with grade of C or better or concurrent enrollment

C-ID: CHEM 102 [CHEM V21 + CHEM V21L]

Hours: 6 laboratory weekly

This course is an introduction to organic and biological chemistry laboratory. The reactions and properties of both organic and biological compounds will be studied.

Formerly Chem 21L. Transfer credit: CSU; UC; credit limitations - see counselor.

CHEM V30 - CHEMISTRY FOR HEALTH SCIENCES **4 Units**

Prerequisite: MATH V01 or MATH V01E or MATH 11B or 1 year of high school beginning algebra with grade of C or better

Hours: 4 lecture weekly

This course is for biological and health science majors. General, organic and biological chemistry are studied with an emphasis placed on medical applications. Topics in general chemistry will include the modern view of the atom, molecules, chemical compounds, and reactions. Topics in organic chemistry will include hydrocarbons, alcohols, aldehydes, and ketones. Topics in biochemistry will include carbohydrates, proteins, lipids, nucleic acids, and metabolism.

Field trips may be required. Transfer credit: CSU; UC.

CHEM V30L - CHEMISTRY FOR HEALTH SCIENCES LABORATORY **1 Unit**

Prerequisite: CHEM V30 or concurrent enrollment

Hours: 3 laboratory weekly

This course consists of laboratory investigations of general, organic and biological chemistry with an emphasis on medical applications. Experiments in general chemistry will include measuring densities, the separation of mixtures, and chemical reactions. Experiments in organic chemistry will include examining the properties of hydrocarbons, alcohols, aldehydes, and ketones. Experiments in biochemistry will include examining carbohydrates, proteins, and fats.

Field trips may be required. Transfer credit: CSU; UC.

CHEM V89 - WORKSHOPS IN CHEMISTRY **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Chem 89. Transfer credit: CSU; for UC, determined after admission.

CHEM V90 - DIRECTED STUDIES IN CHEMISTRY **1-6 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Chem 90. Transfer credit: CSU; for UC, determined after admission.

CHICANO STUDIES

The United States of America is a racial and cultural pluralistic country. The Chicano(a) Studies department strives to begin meeting the educational obligation to a multi-cultural community. The Chicano(a) Studies department examines the past and present experiences of Chicano(a) and others of Latin American decent. The Chicano Studies courses are designed to prepare students to serve the Chicano/Latino community, to become aware of the culture and heritage and to develop a critical assessment of the social, political and economic experience of this community. The interdisciplinary nature of our Chicano(a) Studies prepares students for transfer to four-year universities that offer upper division majors in this area. Students from this field of study find employment in areas such as education, community and social services, law, government, counseling, probation, and business. In addition, Chicano Studies provides students with many pathways for graduate work in areas that include education, history, political science, sociology, social work, women's studies, ethnic studies, urban studies, law, and the arts.

COURSE DESCRIPTIONS

CHST V01 - INTRODUCTION TO CHICANO STUDIES **3 Units**

Hours: 3 lecture weekly

This course provides an interdisciplinary survey of the Mexican American/Chicano heritage with emphasis on the contemporary experience in the United States. The survey will include an analysis of the economic, political, social, and intellectual elements of the culture of the Mexican American/Chicano community, and a study of the changing relationship of the community to the general society of the United States.

Field trips may be required. Formerly ChStd 1. Same as AES V20. Transfer credit: CSU; UC.

CHST V02 - CHICANO STUDIES ISSUES **3 Units**

Recommended Preparation: AES V20 or CHST V01

Hours: 3 lecture weekly

This course will assess the similarities and differences of multiple cultures that have contributed to the Chicano experience. The examinations of Chicano studies will include historical perspectives and social science research principles and practices to analyze the impact of economic, political, cultural, social, and institutional factors which have shaped the Mexican/Chicano experience in the Southwest.

Formerly ChStd 2. Same as AES V23. Transfer credit: CSU; UC.

CHST V24 - SOCIOLOGY OF THE CHICANO COMMUNITY 3 Units

Recommended Preparation: AES V20 or CHST V01 or SOC V01

Hours: 3 lecture weekly

This course will examine various theoretical perspectives from a sociological framework in relation to the Chicano community. Race, class, gender and culture in the historical development of Chicano people will be explored as we discuss culture, ethnic identity, the institutions of education, economics, family and government. This will include an overview of past and current social movements (i.e. the Chicano, Chicana Feminism, labor movements, and other topics). Students will analyze prevailing myths and stereotypes and investigate the ways Chicanos have contributed to and participated in social and political change. Specific instances of Chicano structural resistance to Anglo encroachment and domination will be discussed. Particular attention will also be given to language development among Chicanos and the historical role of youth.

Field trips may be required. Same as AES V24 & SOC V24. Transfer credit: CSU; UC.

CHST V88 - CHICANO STUDIES WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

CHST V89 - WORKSHOPS IN CHICANO STUDIES 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly ChStd 89. Transfer credit: CSU; for UC, determined after admission.

CHST V90 - DIRECTED STUDIES IN CHICANO STUDIES 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly ChStd 90. Transfer credit: CSU; for UC, determined after admission.

CHILD DEVELOPMENT

Students who complete Child Development courses will be able to apply concepts of child growth and development from conception through adolescence within the family and cultural context. Students who complete the Child Development program will develop both the knowledge of the subject matter and professional skills that enable them to work in the Early Education and Family Development fields.

CHILD DEVELOPMENT CAREER PATHWAYS

The Child Development department offers coursework applicable to a variety of careers in the field of education, training, and public service. Students can complete the minimum of classes as required by the California Department of Social Services, Title 22, for entry level employment in a child care setting as well as classes that lead to various levels of the California Early Childhood permit from the California Commission on Teach Credentialing. Students completing the Associate in Science Early Childhood Education for Transfer degree will be prepared to transfer to several California State Universities where they can complete a related bachelor's degree. For additional information on the early childhood career ladder and both Title 5 and Title 22 requirements, please contact the Child Development department. All students are encouraged to consult with an academic counselor and complete a Student Education Plan (SEP).

Note: Child development work experience can be gained through CD V66L—Practicum: Field Experience in Early Childhood Education; and CD V09—Fieldwork in Early Childhood Education. A current TB clearance test and proof of immunizations are required for students to participate in any course that requires direct contact with children in a licensed child care setting, and is a requirement for employment in such a setting.

Associate in Science Degree

EARLY CHILDHOOD EDUCATION FOR TRANSFER

The Associate in Science in Early Childhood Education for Transfer Degree (Early Childhood Education AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with Associate in Science in Early Childhood Education for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Child Development, Family and Consumer Sciences, Human Communication, Human Services, and Liberal Studies.

To earn an Early Childhood Education AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (24 units):		Units
CD V02	Child Growth and Development	3
CD V05	Teaching in a Diverse Society	3
CD V24	Child Nutrition, Health and Safety	3
CD V61	Child, Family and Community	3
CD V62	Principles & Practices in Early Childhood Education	3
CD V63	Introduction to Curriculum in Early Childhood Education	3
CD V64A	Practicum in Early Childhood Education: Observation and Assessment	3
CD V64B	Practicum in Early Childhood Education: Field Experience	3

Major Units	24
CSU General Education or IGETC-CSU Pattern Electives (CSU transferrable units to reach 60)	37-39
Double-Counted Units	(9)

DEGREE TOTAL **60**

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

.....
**Associate in Science Degree
 Certificate of Achievement**

CHILD DEVELOPMENT

*Transfer requirements may differ
 See counselor or consult assist.org*

REQUIRED COURSES:		Units
CD V02	Child Growth and Development	3
CD V05	Teaching in a Diverse Society	3
CD V24	Child Nutrition, Health and Safety	3
CD V61	Child, Family and Community	3
CD V62	Principles and Practices in Early Childhood Education	3
CD V63	Introduction to Curriculum in Early Childhood Education	3
CD V64A	Practicum in Early Childhood Education: Observation and Assessment	3
CD V64B	Practicum in Early Childhood Education: Field Experience	3

REQUIRED ADDITIONAL COURSES:
Select three (3) units from the following courses:

CD V10	Introduction to Children with Special Needs	3
CD V20	Curriculum and Strategies for Children with Special Needs	3
CD V22	Behavior Management in Early Childhood Education	3
CD V23	Creative Experiences, Materials, and Environments in Early Childhood Education	3
CD V27	Infant and Toddler Development	3
CD V28	Programs for Infant and Toddler Care	3
CD V29	Adult Supervision in Early Childhood Education	2
CD V65	Administration of Early Childhood Programs	3

TOTAL **26-27**

Successful completion of specific Child Development courses fulfills the Early Childhood (ECE) requirements for the California Department of Social Services, Title 22 regulations, to work in licensed childcare settings. In addition, successful completion of specific Child Development courses fulfills the education requirements for a Child Development permit. Permits are offered by the California Commission on Teacher Credentialing at the following levels: Assistant, Associate Teacher, Teacher, Master Teacher, Site Supervisor, and Program Director. Additional general education units are required in English/ Language Arts; Math or Science; Social Studies; Humanities and/ or Fine Arts for Teacher, Master Teacher, and Site Supervisor permits and specializations. See the Child Development faculty for further information about Title 22 requirements or the Child Development permits.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Child Development** program students will be able to:

- Apply general knowledge of development in the physical, cognitive, and psychosocial domains from conception through early childhood, including knowledge about typical and atypical development.
- Demonstrate awareness of and skills in intentional teaching consistent with developmentally appropriate practices.
- Demonstrate principles of curriculum planning and environmental design that are consistent with current best practices and components of the California Early Learning system for Infants, Toddlers and Preschool.
- Demonstrate and apply professional and ethical standards of behavior in the college classroom or workplace with children, families, colleagues, and coworkers.

COURSE DESCRIPTIONS

CD V01 - INTRODUCTION TO CAREERS IN CHILD DEVELOPMENT

1 Unit

(NOT OFFERED FALL 2017 or SPRING 2018)

Hours: 1 lecture weekly

This course focuses on the array of career and education options in the field of child development. Sources of career information, educational support services, the Child Development Permit Matrix, and exploration of careers, including teaching, counseling, and working with children and families, will be covered.

CD V02 - CHILD GROWTH AND DEVELOPMENT

3 Units

C-ID: CDEV 100

Hours: 3 lecture weekly

This course examines the major developmental milestones of children, both typical and atypical, from conception through adolescence. Physical, psychosocial and cognitive development are studied with an emphasis on the interactions between maturational processes and environmental factors including language, culture, and diversity. Students will observe children, evaluate individual differences, and analyze characteristics of development at various stages while studying developmental theory and investigative research methodologies.

Field trips may be required. Transfer credit: CSU; UC; credit limitations - see counselor.

CD V03 - HUMAN DEVELOPMENT

3 Units

Recommended Preparation: ENGL V02 or higher

C-ID: PSY 180

Hours: 3 lecture weekly

This course provides an overview of human development from conception through death, including biological and environmental influences. Theories and research of physical, cognitive, and psychosocial development are examined and applied to studies of typically and atypically developing individuals at various points in their lifespan and within the context of a family. *Formerly HEC V24. Transfer credit: CSU; UC. credit limitations - see counselor.*

CD V04 - OBSERVATION AND ASSESSMENT

2.5 Units

Corequisite: CD V04L

Recommended Preparation: CD V02; and ENGL V02 and/or ENGL V06A

Enrollment Limitations: Clear TB test or chest x-ray

C-ID: ECE 200

Hours: 2.5 lecture weekly

This course examines the appropriate use of assessment and observation tools and strategies to document young children's development and learning. It emphasizes the use of findings to inform and plan learning environments and experiences. Recording strategies, rating systems, anecdotal records, and multiple assessment tools, including the Desired Results Developmental Profile and Ages and Stages will be explored along with strategies for collaborations with families and professionals *Formerly CD V64A. Transfer credit: CSU.*

CD V04L - OBSERVATION AND ASSESSMENT

LABORATORY

0.5 Units

Corequisite: CD V04

Recommended Preparation: CD V02; and ENGL V02; or ENGL V06A

Enrollment Limitations: Clear TB test or clear chest x-ray; and Proof of immunizations

C-ID: ECE 200

Hours: 1.5 laboratory weekly

This course provides the opportunity to apply observation techniques to early childhood practice. It requires the use of specific observation tools, including DRDP, to observe children's development and their interactions with adults, children, materials, and activities. Twenty-four (24) hours of observation must be completed at the Orfalea Child Development Center at Ventura College or at a designated child development center with a master teacher or qualified master teacher.

Formerly CD V64A. Transfer credit: CSU.

CD V05 - TEACHING IN A DIVERSE SOCIETY

3 Units

C-ID: ECE 230

Hours: 3 lecture weekly

This course examines the development of social identities in diverse societies including theoretical and practical implications of oppression and privilege as they apply to young children, families, programs, classrooms, and teaching. Various classroom strategies will be explored emphasizing culturally and linguistically appropriate anti-bias approaches supporting all children in becoming competent members of a diverse society. The course includes self-examination and reflection on issues related to social identity, stereotypes and bias, social and educational access, media and schooling.

Field trips may be required. Transfer credit: CSU; UC.

CD V09 - FIELD WORK: CHILD DEVELOPMENT

1 Unit

Recommended Preparation: enrollment in one additional course in the discipline

Limitations: current negative TB test report

Hours: 3 laboratory weekly

This course provides supervised laboratory and field experience for students interested in developing their skills of observation and working with children from infancy through school age. Students may work with children at the Ventura College Child Development Center or in an approved community setting with a master teacher. This course provides hours needed to meet the requirements of the California Child Development Permit.

Field trips may be required.

CD V10 - INTRODUCTION TO CHILDREN WITH SPECIAL NEEDS

3 Units

Recommended Preparation: CD V02 and CD V62

Hours: 3 lecture weekly

This course introduces the variations in development of children with special needs ages birth through eight, and the resulting impact on families. It includes an overview of historical and societal influences, laws relating to children with special needs, and the identification and referral process.

Field trips may be required. Transfer credit: CSU.

- CD V11 - LANGUAGE AND LITERACY IN EARLY CHILDHOOD EDUCATION** **1 Unit**
Hours: 1 lecture weekly
 This course is an introduction to current teaching practices that promote the development of children's literacy skills and language acquisition. It emphasizes developmentally appropriate learning experiences, teacher interactions, environments, and curriculum materials, and literature for both native English speakers and English language learners.
Formerly CD 11.
- CD V14 - VISUAL AND PERFORMING ARTS IN ECE** **1 Unit**
Hours: 1 lecture weekly
 This course is an introduction to current and best teaching practices that promote children's development in visual and performing arts: visual art, music, dance, and drama. It emphasizes teaching strategies, environments, materials, and guiding principles for developing appropriate learning experiences for young children.
Formerly CD 14.
- CD V19 - SCIENCE, TECHNOLOGY, ENGINEERING AND MATH IN ECE** **1 Unit**
Hours: 1 lecture weekly
 This course is an introduction to intentional teaching practices in designing and implementing curriculum for young children in science, technology, engineering, and math. Emphasis is on curriculum design and assessment, and the use of developmentally appropriate learning activities, teaching techniques, and materials.
Formerly CD V12 & CD V15. Transfer credit: CSU.
- CD V20 - CURRICULUM AND STRATEGIES FOR CHILDREN WITH SPECIAL NEEDS** **3 Units**
Hours: 3 lecture weekly
 This course covers curriculum and intervention strategies for working with children with special needs in partnership with their families. It focuses on the use of observation and assessment in meeting the individual needs of children in inclusive and natural environments. Included is the role of the teacher as a professional working with families, collaboration with interdisciplinary teams, and cultural competence.
Transfer credit: CSU.
- CD V22 - BEHAVIOR MANAGEMENT IN EARLY CHILDHOOD EDUCATION** **3 Units**
Recommended Preparation: CD V02 or CD V03
Hours: 3 lecture weekly
 This course introduces early childhood guidance and discipline through examination of theories, research, and practical application. It addresses difficult child behaviors which are encountered by teachers and parents, and examines techniques to cope with and solve these behavior difficulties. Emphasis is on communicating effectively with young children, guiding children of varying ages, promoting self-regulation, conflict resolution, and problem solving.
Transfer credit: CSU.
- CD V23 - CREATIVE EXPERIENCES, MATERIALS, AND ENVIRONMENTS IN ECE** **3 Units**
Hours: 3 lecture weekly
 This is a study of how to find, select, and develop age-appropriate experiences for young children in the domains of visual and performing arts, language and literacy, science, math, and social studies. Students will examine curriculum ideas and the materials, environments, and teaching strategies needed to create experiences which will promote the learning and development of all young children. Emphasis is on application of developmental theory, curriculum design, and resources.
Transfer credit: CSU.
- CD V24 - CHILD NUTRITION, HEALTH AND SAFETY** **3 Units**
Recommended Preparation: ENGL V02
C-ID: ECE 220
Hours: 3 lecture weekly
 This course is an introduction to the laws, regulations, standards, policies and procedures, and best practices related to child health, safety, and nutrition. Includes prevention strategies, nutrition, and meal planning for various ages and planning educational experiences integrated into daily routines to teach positive health, safety, and nutrition habits. There is a focus on integrating the concepts into everyday planning and program development for all children.
Formerly CD 24. Transfer credit: CSU.
- CD V27 - INFANT AND TODDLER DEVELOPMENT** **3 Units**
Hours: 3 lecture weekly
 This course is a study of infants and toddlers from pre-conception to age three, including physical, cognitive, language, social, and emotional growth and development. It applies theoretical frameworks to interpret behavior and interactions between heredity and environment. It emphasizes the role of family and relationships in development.
Field trips will be required. Transfer credit: CSU.
- CD V28 - CARE AND EDUCATION FOR INFANTS AND TODDLERS** **3 Units**
Recommended Preparation: CD V02
Hours: 3 lecture weekly
 This course applies current theory and research to the care and education of infants and toddlers in group settings. The course examines essential policies, principles and practices that lead to quality care and developmentally appropriate curriculum for children from birth to 36 months. This course is required for infant/toddler caregivers in licensed childcare centers in California.
Field trips will be required. Formerly CD 28. Transfer credit: CSU.
- CD V29 - ADULT SUPERVISION IN EARLY CHILDHOOD EDUCATION** **2 Units**
Prerequisite: CD V66 and CD V66L
Recommended Preparation: Current teaching experience in a pre-school setting
Hours: 2 lecture weekly
 This course is a study of the methods and principles of supervising student teachers, assistant teachers, parents and volunteers in early childhood education/child development classrooms. Emphasis is on the roles and development of early childhood professionals as mentors and leaders.
Field trips may be required. Formerly CD 29. Transfer credit: CSU.
- CD V38 - SMALL BUSINESS MANAGEMENT** **3 Units**
Hours: 3 lecture weekly
 This course covers the problems of establishing and operating a small business. The opportunities for small business and the requirements for success are also discussed.
Same as BUS V38. Transfer credit: CSU; credit limitations - see counselor.
- CD V61 - CHILD, FAMILY AND COMMUNITY** **3 Units**
C-ID: CDEV 110
Hours: 3 lecture weekly
 This course is an examination of the developing child in a societal context focusing on the interrelationship of family, school, and community and emphasizes historical and socio-cultural factors. The processes of socialization and identity will be highlighted, showing the importance of respectful, reciprocal relationships that support and empower families.
Formerly CD 61. Transfer credit: CSU; UC.

CD V62 - PRINCIPLES AND PRACTICES IN EARLY CHILDHOOD EDUCATION 3 Units

Recommended Preparation: ENGL V02
Enrollment Limitation: Proof of clear TB test
C-ID: ECE120

Hours: 3 lecture weekly

This course examines the historical context and theoretical perspectives of developmentally appropriate practice in early care and education. It examines the role of the early childhood educator, identifies best practices for environmental design, curriculum, and teaching strategies. Teacher-child relationships, professional ethics, career pathways and professional standards are explored.

Field trips will be required. Formerly CD 62. Transfer credit: CSU.

CD V63 - INTRODUCTION TO CURRICULUM IN EARLY CHILDHOOD EDUCATION 3 Units

Recommended Preparation: CD V62
C-ID: ECE 130

Hours: 3 lecture weekly

This course presents an overview of knowledge and skills related to providing appropriate curriculum and environments for young children. Students will examine the early childhood teacher's role in supporting the learning and development of children from birth through age six with an emphasis on the essential role of play. The course also includes an overview of curriculum planning in content areas such as language and literacy, social and emotional learning, sensory learning, art and creativity, and math and science.

Field trips may be required. Transfer credit: CSU.

CD V64A - PRACTICUM IN EARLY CHILDHOOD EDUCATION: OBSERVATION AND ASSESSMENT 3 Units

(See CD V04-Observation and Assessment)

CD V64B - PRACTICUM IN EARLY CHILDHOOD EDUCATION: FIELD EXPERIENCE 3 Units

(See CD V66-Early Childhood Teaching Experience)

CD V65 - ADMINISTRATION OF EARLY CHILDHOOD EDUCATION PROGRAMS 3 Units

Prerequisite: CD V02; and CD V62
Recommended Preparation: ENGL V02 or higher; and CD V24; and CD V61; and CD V66 and CD V66L
Hours: 3 lecture weekly

This course introduces the principles and practices of administration of early childhood education programs. It examines administrative tools, philosophies, and techniques needed to organize, open, and operate an early care and education program. Topics covered include: program types, budget, management, regulations, laws, and development of policies and procedures. Field trips will be required. Formerly CD 65. Transfer credit: CSU.

CD V66 - EARLY CHILDHOOD TEACHING PRACTICUM 2 Units

Prerequisite: CD V02; and CD V04 and CD V04L; and CD V62; and CD V63
Corequisite: CD V66L
Recommended Preparation: ENGL V02; and/or ENGL V06A
Enrollment Limitations: Clear TB test or clear chest x-ray
C-ID: ECE 210

Hours: 2 lecture weekly

This course examines in-depth the procedures and practices for teaching young children in a child care setting. Students will demonstrate early childhood competencies, make connections between theory and practice, and develop professional behaviors. Students are required to design and evaluate experiences that promote positive development and learning for all young children.

Formerly CD V64B. Transfer credit: CSU; UC.

CD V66L - EARLY CHILDHOOD TEACHING PRACTICUM LABORATORY 1 Unit

Prerequisite: CD V02; and CD V04 and CD V04L; and CD V62; and CD V63
Corequisite: CD V66
Recommended Preparation: ENGL V02; or ENGL V06A
Enrollment Limitations: Clear TB test or clear chest x-ray; and Proof of immunizations

Hours: 2 lecture weekly

This course provides supervision in student teaching at the Orfalea Child Development Center at Ventura College or a designated child development center. Forty-eight hours (48) of student teaching required. Students will demonstrate teaching competencies, make connections between theory and practice, implement and evaluate appropriate early childhood experiences, and develop professional behaviors that promote positive development and learning for young children. Emphasis is on implementation of the California Early Learning system.

Formerly CD V64B. Transfer credit: CSU.

CD V88 - CHILD DEVELOPMENT WORKSHOPS 5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula.

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly CD V89.

CD V90 - DIRECTED STUDIES IN CHILD DEVELOPMENT 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly CD 90. Transfer credit: CSU.

CD V95 - CHILD DEVELOPMENT INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship
Recommended Preparation: completion of or concurrent enrollment in one course in the discipline
Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

CD V96 - CHILD DEVELOPMENT INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship
Recommended Preparation: completion of or concurrent enrollment in one course in the discipline
Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

COGNITIVELY DIVERSE LEARNERS

CDL V01 - PERSONAL AND SOCIAL SKILLS FOR COGNITIVELY DIVERSE LEARNERS

3 Units

Hours: 2.5 lecture, 1.5 laboratory weekly

This course provides training in personal and social skills for students who have developmental disabilities and/or significant cognitive deficits. Through role-playing and class discussion, students will develop the skills necessary for responsible independence and enhanced quality of life. Topics will include developing healthy relationships, values and decision making, sexuality, health, and personal protection and safety.

Field trips may be required. Offered on a pass/no pass basis only. Not applicable for degree credit.

CDL V03 - CONSUMER FINANCE FOR COGNITIVELY DIVERSE LEARNERS

1.5-3 Units

Hours: 1.5-3 lecture weekly

This basic consumer finance course is designed for the student with significant cognitive deficits who is preparing for independent living and vocational training. Topics will include: concepts of consumer finance; currency; shopping and responsible spending; banking; insurance; taxes; budget and expenses; and, consumer loans. Emphasis will be placed on the application of financial concepts in real-world situations.

Field trips may be required. Offered on a pass/no pass basis only. Not applicable for degree credit.

CDL V88 - COGNITIVELY DIVERSE LEARNERS

WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Offered on a pass/no pass basis only. Not applicable for degree credit.

COMMUNICATION STUDIES

Communication and speech are two of the most fundamental skills any student can acquire. Oral communication competence is the most highly prized and sought after skill in the professional world, and an indispensable requirement for succeeding in all academic disciplines.

Associate in Arts Degree

COMMUNICATION STUDIES FOR TRANSFER

The Associate in Arts in Communication Studies for Transfer Degree (Communication Studies AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Communication Studies for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Communication Studies or similar programs.

To earn a Communication Studies AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.

- b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (3 units):

	Units
COMM V01 Introduction to Speech Communication	3

LIST A:

Select two (2) of the following courses (6 units):

COMM V03 Group Communication	3
COMM V10 Critical Thinking in Oral Communication: Argument and Debate	3
COMM V15 Interpersonal Communication	3

LIST B:

Select two (2) of the following courses (6 units):

Any course not used in LIST A:

COMM V03, V10, V15	3
COMM V05 Oral Interpretation and Communication Literature	3
COMM V12 Intercultural Communication	3
COMM V16 Mass Communication	3

LIST C:

Select one (1) of the following courses (3 units):

ANTH V02 Cultural Anthropology	3
ENGL V01B Critical Thinking and Composition through Literature	3
PSY V01 Introduction to Psychology	3
SOC V01 Introduction to Sociology	3

Major Units	18
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	
Double-Counted Units	(12)

DEGREE TOTAL	60
---------------------	-----------

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see Anthropology, English, Psychology, and Sociology

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Communication Studies** program, students will be able to:

- Effectively communicate their ideas verbally and/or nonverbally.
- Effectively communicate in interpersonal, group, and intercultural settings.
- Effectively identify communication theory utilized within various communication contexts.

COURSE DESCRIPTIONS

COMM V01 - INTRODUCTION TO SPEECH COMMUNICATION

3 Units

Recommended Preparation: ENGL V01A

C-ID: COMM 110

Hours: 3 lecture weekly

This course will provide training and practice in effective oral communication through participation in public speaking, group discussion, and oral reading. The course will emphasize research, organization, language usage, efficient listening, and constructive evaluation.

Field trips may be required. Formerly SPCH V01. Transfer credit: CSU; UC.

COMM V03 - GROUP COMMUNICATION

3 Units

C-ID: COMM 140

Hours: 3 lecture weekly

The course provides training and practice in the theory and principles of effective group discussion techniques. Emphasis will be on the examination of group behavioral theory and the testing of that theory with practical applications.

Field trips will be required. Formerly SPCH V03. Transfer credit: CSU; UC.

COMM V05 - ORAL INTERPRETATION AND COMMUNICATION OF LITERATURE

3 Units

Recommended Preparation: ENGL V01A

C-ID: COMM 170

Hours: 3 lecture weekly

This course introduces the principles and techniques of oral interpretation, analysis, and communication of literature. Students will apply the use of voice and body to convey meanings and nuances in literary works in all genres.

Field trips may be required. Formerly SPCH V05. Transfer credit: CSU; UC.

COMM V10 - CRITICAL THINKING IN ORAL COMMUNICATION: ARGUMENTATION AND DEBATE

3 Units

Recommended Preparation: ENGL V01A

C-ID: COMM 120

Hours: 3 lecture weekly

This course will examine and practice critical thinking - both inductive and deductive - necessary for structuring arguments, stating and supporting opinions, and clarifying ideas. The course will provide training in listening for analysis of the reasoning of other speakers and in identifying their evidence. Curricular and co-curricular debate will be the testing ground for the validity of reasoning.

Field trips may be required. Formerly SPCH V10. Transfer credit: CSU; UC.

COMM V12 - INTERCULTURAL COMMUNICATION

3 Units

C-ID: COMM 150

Hours: 3 lecture weekly

This course provides an introduction to intercultural communication principles and processes. It leads to a greater appreciation of other cultures through increased awareness of, and sensitivity to, different cultural viewpoints. Topics include cultural characteristics such as language, verbal and nonverbal communication, perception, and technology across many different cultures. This course allows students to examine and improve their intercultural communication competence not just across racial lines, but also such topics such as ethnicity, age, religion, sexual orientation, and physical abilities.

Field trips may be required. Transfer credit: CSU; UC.

COMM V13 - FORENSICS

2 Units

Prerequisite: COMM V01

Recommended Preparation: ENGL V01A

C-ID: COMM 160B

Hours: 1 lecture, 3 laboratory weekly

This course provides training, rehearsal, performance and practicum necessary to a competitive speech team. It provides training in argumentation and debate, informative and persuasive speaking, oral interpretation of literature, along with impromptu and extemporaneous speaking. The course provides one-on-one training between student and instructor. Students are expected to participate in either interscholastic competition and/or speakers bureaus for various requesting community groups.

Field trips will be required. Formerly SPCH V13. Transfer credit: CSU.

COMM V15 - INTERPERSONAL COMMUNICATION

3 Units

C-ID: COMM 130

Hours: 3 lecture weekly

This course examines interpersonal communication theories and processes including verbal and nonverbal channels, the role of self-concept in communication, assertiveness, listening styles, and conflict management. It provides skills practice in handling personal and professional communication situations. Individual and small group activities will be used to demonstrate principles of interpersonal communication.

Field trips may be required. Formerly SPCH V15. Transfer credit: CSU; UC.

COMM V16 - MASS COMMUNICATION

3 Units

C-ID: JOUR 100

Hours: 3 lecture weekly

This course introduces students to mass communication forms, media, and technologies, including a survey of their function, responsibilities, and practice, as well as their history, development, influence on society, and potential for the future. It offers students an overview of all phases of mass communication and communication technology in this information-conscious society, and the effects of media on themselves and others.

Field trips may be required. Formerly JOUR V01. Transfer credit: CSU; UC.

COMM V88 - COMMUNICATION STUDIES WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly SPCH V88.

COMM V89 - WORKSHOPS IN COMMUNICATION STUDIES

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly SPCH V89. Transfer credit: CSU; for UC, determined after admission.

COMM V90 - DIRECTED STUDIES IN COMMUNICATION STUDIES

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly SPCH V90. Transfer credit: CSU; for UC, determined after admission.

COMPUTER SCIENCE

The Associate in Science Degree and Certificates of Achievement in Computer Science have been discontinued. Students already enrolled in these programs will be allowed to complete their degree or certificate but they must meet with a counselor to create a plan to do so and they must maintain continuous enrollment. Effective fall 2012, no new students will be able to declare a Computer Science major. Courses in Computer Science (CS) required for transfer or to complete other majors will continue to be offered.

COURSE DESCRIPTIONS

CS V11 - PROGRAMMING FUNDAMENTALS

3 Units

Recommended Preparation: CS V04; and MATH V03 or MATH V03E or MATH V13B

Hours: 2.5 lecture, 1.5 laboratory weekly

This course introduces the student to fundamental concepts of procedural programming. Topics include data types, control structures, functions, arrays, files, and the mechanics of running, testing, and debugging. The course emphasizes good software engineering principles and developing fundamental programming skills in the context of a functional programming language.

Field trips may be required. Transfer credit: CSU; UC.

CS V13 - OBJECT-ORIENTED PROGRAMMING

3 Units

Prerequisite: CS V11 or equivalent; and MATH V03 or MATH V03E or MATH V13B or 1 year of high school intermediate algebra (Algebra II) or any higher-level math course with grade of C or better.

Hours: 2.5 lecture, 1.5 laboratory weekly

This course introduces the concepts of object-oriented programming to students with a background in the procedural paradigm. The course begins with a review of control structures and data types, with emphasis on structured data types and array processing. It then moves on to introduce the object-oriented programming paradigm, focusing on the definition and use of classes along with the fundamentals of object-oriented design. Other topics include an overview of programming language principles, simple analysis of algorithms, basic searching and sorting techniques, and an introduction to software engineering issues.

Transfer credit: CSU; UC.

CS V15 - DATA STRUCTURES AND ALGORITHMS

3 Units

Prerequisite: CS V13 or equivalent; and MATH V20 or both MATH V04 and MATH V05

Hours: 2.5 lecture, 1.5 laboratory weekly

This course builds on the foundation provided by the programming fundamentals/object-oriented programming sequence to introduce the fundamental concepts of data structures and the algorithms that proceed from them. Topics include recursion, the underlying philosophy of object-oriented programming, fundamental data structures (including stacks, queues, linked lists, hash tables, trees, and graphs), the basics of algorithmic analysis, and an introduction to the principles of language translation.

Field trips may be required. Transfer credit: CSU; UC.

CS V17 - DISCRETE STRUCTURES

3 Units

Prerequisite: MATH V20 or both MATH V04 and MATH V05; or MATH V19; or placement as measured by the college assessment process

Recommended Preparation: CS V11 or equivalent

C-ID: COMP 152 and MATH 160

Hours: 3 lecture weekly

This course introduces the student to discrete mathematics as it is used in computer science. Topics include formal logic, proofs, sets, combinatorics, probability, functions, graph theory, Boolean Algebra, and Modeling with programming.

Field trips may be required. Same as MATH V52. Transfer credit: CSU; UC.

CS V19 - COMPUTER ARCHITECTURE AND ORGANIZATION

3 Units

Prerequisite: CS V15 or equivalent; and CS V17 or MATH V52 or equivalent

Hours: 2.5 lecture, 1.5 laboratory weekly

This course introduces students to the organization and architecture of computer systems, beginning with the standard von Neumann model and then moving forward to more recent architectural concepts. This course also offers the students an introduction to assembly language for low-level programming of system software and computer applications.

Field trips may be required. Transfer credit: CSU; UC.

CS V30 - BEGINNING C++

3 Units

Prerequisite: MATH V03 or MATH V03E or MATH V13B or 1 year of high school intermediate algebra (Algebra II) or any higher-level math course with grade of C or better

Hours: 2.5 lecture, 1.5 laboratory weekly

This course introduces the student to the concepts of object-oriented programming. The course reviews control structures and data types with emphasis on structured data types and array processing. It introduces the object-oriented programming paradigm, focusing on the definition and use of classes along with the fundamentals of object-oriented design. Other topics include an overview of programming language principles, analysis of algorithms, and an introduction to software engineering issues. A complete object-oriented development framework is presented that encourages extensibility, reusability, and manages complexity.

Field trips may be required. Formerly MATH V55. Transfer credit: CSU; UC.

CS V40 - BEGINNING JAVA

3 Units

Prerequisite: MATH V03 or MATH V03E or MATH V13B or 1 year of high school intermediate algebra (Algebra II) or any higher-level math course with grade of C or better

Hours: 2.5 lecture, 1.5 laboratory weekly

This course introduces the student to fundamental concepts of object-oriented programming with Java. Topics include data types, control structures, functions, arrays, files, and the mechanics of running, testing, and debugging. It then moves on to introduce the object-oriented programming paradigm, focusing on the definition and use of classes along with the fundamentals of object-oriented design. The course also offers an introduction to the historical and social context of computing and an overview of computer science as a discipline.

Formerly MATH V56. Transfer credit: CSU; UC.

CS V42 - INTERMEDIATE JAVA

3 Units

Prerequisite: CS V13 or CS V40 or equivalent

Hours: 2.5 lecture, 1.5 laboratory weekly

This course builds on the student's knowledge of object-oriented design and provides the student with the skills and techniques to create Java application and applets. Topics included in this course are the Java language, Java API, Java programming techniques, integrating graphics, security issues, Java tools, Java applets, and JavaScript.

Field trips may be required. Transfer credit: CSU; UC.

CS V88 - COMPUTER SCIENCE WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

CS V89 - WORKSHOPS IN COMPUTER SCIENCE

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed

to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Transfer credit: CSU; for UC, determined after admission.

CS V90 - DIRECTED STUDIES IN COMPUTER SCIENCE

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Transfer credit: CSU; for UC, determined after admission.

CS V95 - COMPUTER SCIENCE INTERNSHIP I

1-4 Units

Corequisite: enrolled in minimum 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitation—see counselor; for UC, determined after admission.

CS V96 - COMPUTER SCIENCE INTERNSHIP II

1-4 Units

Corequisite: enrolled in minimum 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitation—see counselor; for UC, determined after admission.

CONSTRUCTION TECHNOLOGY

The CT program has two options; Building Inspection and Construction Management. The Building Inspection option has an emphasis on code interpretation and project design. The Construction Management option has an emphasis on business management and project supervision. Students can enroll into an individual class in order to develop a specific skill set such as a license or industry certification, or complete a one-year vocational Certificate of Achievement degree, or complete a two-year Associate of Science degree, or prepare for transfer to a university-level Bachelor of Science program. Ventura College CT students are prepared for a wide range of construction-related positions such as self-employed contractors, building inspection, project designers, and various levels of supervision. The CT program provides many different courses to serve diverse student needs.

Associate in Science Degree Certificate of Achievement

CONSTRUCTION TECHNOLOGY Building Inspection Option

Transfer requirements may differ
See counselor or consult assist.org

REQUIRED COURSES:

	Units
CT V59/ ARCH V59	International Building Code 3
CT V66	National Electrical Code 3
CT V71	Uniform Plumbing Code 3
CT V72	Uniform Mechanical Code 3

REQUIRED ADDITIONAL COURSES:

Select six (6) of the following courses:

CT V12/ ARCH V12	Advanced Blueprint Reading: Commercial/Industrial	3
CT V20/ARCH V11/ DRFT V02B	Blueprint Reading: Architectural/ Construction	3
CT V43	Electrical Code Certification Preparation	2
CT V58/ ARCH V58	International Residential Code	3
CT V60/ ARCH V60	Simplified Engineering for Building Construction	3
CT V62	Structural Masonry Construction	3
CT V63	Reinforced Concrete Construction	3
CT V65/ WEL V65	Structural Steel and Welding Construction	3
CT V67/ ARCH V67	Building Accessibility Regulations	2
CT V70	California Green Building and Energy Code	3

May select three (3) units from the following courses as part of the six (6) courses additionally required:

CT V95	Construction Technology Internship I	3
CT V96	Construction Technology Internship II	3

TOTAL 28-30

For other course descriptions, see Architecture,
Drafting, and Welding

COURSE DESCRIPTIONS

**CT V12 - ADVANCED BLUEPRINT READING:
COMMERCIAL/INDUSTRIAL** **3 Units**

*Recommended Preparation: ARCH V11 or CT V20 or DRFT V02B or equivalent
Hours: 3 lecture weekly*

This is an advanced blueprint reading course for inspectors, contractors, and designers interested in commercial and industrial construction. This course will provide training in blueprint reading comprehension, system assemblies, and material specifications. Subjects to be covered will include soils, foundations, site work, concrete, masonry, structural steel, welding, and mechanical and electrical systems.

Same as ARCH V12. Transfer credit: CSU; credit limitations - see counselor.

**CT V20 - BLUEPRINT READING:
ARCHITECTURAL/CONSTRUCTION** **3 Units**

Hours: 3 lecture weekly

This course provides experience in construction blueprint reading and plan review. Experiences will include the study of lines, symbols, notations and dimensions used on architectural drawings. Code interpretation and design compliance will be stressed.

Formerly CT 20. Same as ARCH V11 & DRFT V02B. Transfer credit: CSU; credit limitations - see counselor.

CT V30 - SHOP WOODWORKING **3 Units**

Hours: 1 lecture, 6 laboratory weekly

This course is offered in a woodworking shop facility. It is a study of operations commonly performed in furniture and cabinet shops. Topics will include safety procedures, material selection, project design, wood fabrication, assembly methods, and finishing procedures. Students will work on individual woodworking projects as they learn both shop safety and craftsmanship.

Transfer credit: CSU.

**CT V43 - ELECTRICAL CODE
CERTIFICATION PREPARATION**

2 Units

Recommended Preparation: CT V66 or 2 years of experience using the National Electrical Code

Hours: 2 lecture weekly

This course will provide a review of the National Electrical Code and focus on information necessary to pass the International Code Conference (ICC), International Association of Electrical Inspectors (IAEI) and Division of Apprenticeship Standards (DAS) certification exams. Successful passage of certification exams is required for employment as electricians or electrical inspectors.

Formerly CT 43.

CT V44 - GREEN ELECTRICAL SYSTEMS

2 Units

Hours: 2 lecture weekly

This course is an introduction to green electrical system design. Topics will include photovoltaic, low voltage systems, programmable motors, automated devices, and other energy saving installations. This course is intended for homeowners, designers, electricians and inspectors.

**CT V50 - CONSTRUCTION CONTRACTOR
LICENSE PREPARATION**

3 Units

Hours: 3 lecture weekly

This course provides preparation for the California General Contractor's License exam. Law subjects and trade subjects will be studied through lectures and practice exams. State licensing requires four years of construction experience or a combination of education and experience.

Formerly CT 50.

CT V52 - PROPERTY INSPECTION

3 Units

Hours: 3 lecture weekly

This course is an introduction to real estate property inspection. Topics covered include foundations, roofing, utility systems, common defects, building codes, business liability, and industry licensing. This course is intended for individuals interested in buying property, property managers, property inspectors and those seeking a broad knowledge of construction.

CT V58 - INTERNATIONAL RESIDENTIAL CODE

3 Units

Hours: 3 lecture weekly

This course is an introduction to the International Residential Code (IRC). Students will learn interpretation and use of the residential building code as it applies to current construction. Design criteria and inspection processes will be emphasized. Course content will include information related to residential code certification for inspectors and designers. Topics of instruction will follow the content of the most recent IRC as published by the International Code Council (ICC).

Same as ARCH V58. Transfer credit: CSU; credit limitations - see counselor.

CT V59 - INTERNATIONAL BUILDING CODE

3 Units

Hours: 3 lecture weekly

This is an introduction to the International Building Code (IBC), as published by the International Code Council (ICC). The IBC is the building code used for commercial and industrial structures. Subjects to be covered will include structural design requirements, inspection procedures, code comprehension and ICC inspector certification.

Formerly CT 59. Same as ARCH V59. Transfer credit: CSU; credit limitations - see counselor.

**CT V60 - SIMPLIFIED ENGINEERING FOR
BUILDING CONSTRUCTION**

3 Units

Hours: 3 lecture weekly

This is an introductory course designed to give the student an overview of basic construction engineering principles. This course will study subjects such as live and dead loads, uniform and concentrated loads, footing and foundation design, post and beam sizing, shear transfer, load path transfer, building material selection, connection methods, safety codes, and other aspects of structural design.

Formerly CT 60. Same as ARCH V60. Transfer credit: CSU; credit limitations - see counselor.

CT V63 - CONCRETE AND MASONRY CONSTRUCTION

3 Units

Hours: 3 lecture weekly

This course is an introduction to concrete and masonry construction and inspection. Subjects to be covered will include soil factors, foundation design, concrete technology, reinforcements, cement composition, admixtures, brick and block construction, and strength of materials. This course will stress construction methods, the inspection process, and industry certifications.

Formerly CT 63. Transfer credit: CSU.

**CT V64 - BUILDING CONSTRUCTION:
MATERIALS AND METHODS**

3 Units

Hours: 3 lecture weekly

This course is an introduction to residential and light commercial building construction, including materials, foundations, framing, roof and stair cutting, drywall, finish work and building codes. This course is intended to serve as an overview of the construction process.

Formerly CT 64. Same as ARCH V64. Transfer credit: CSU; credit limitations - see counselor.

**CT V65 - STRUCTURAL STEEL AND
WELDING CONSTRUCTION**

3 Units

Hours: 3 lecture weekly

This course is a study of structural steel and welding use in building construction. Building types, grades of materials, assembly methods, blueprint reading and other subjects will be studied. The course is intended for inspectors, project supervisors and construction workers. The course will also help prepare students for related industry certifications.

Formerly CT 65. Same as WEL V65.

CT V66 - NATIONAL ELECTRICAL CODE

3 Units

Hours: 3 lecture weekly

This course is an introduction to the National Electrical Code. The Code layout and content will be the focus of study. Subjects covered will include vocabulary, service, circuits, conduits, conductors and system inspection.

Formerly CT 66.

CT V67 - BUILDING ACCESSIBILITY REGULATIONS

2 Units

Hours: 2 lecture weekly

This course is a study of California and federal regulations, such as the Americans with Disabilities Act (ADA) and California Title 24 Regulations, which cover building accessibility for disabled persons. Both public and private buildings will be studied as well as parking, exterior routes of travel, entrances, exits and other accommodations. This course is intended for building designers as well as contractors and inspectors. This course will also help prepare students for industry certification.

Formerly CT 67. Same as ARCH V67.

CT V70 - CALIFORNIA GREEN BUILDING AND ENERGY CODE**3 Units***Hours: 3 lecture weekly*

This course is an introduction to the California Green Building Code (CalGreen). Topics will include the California Building Energy Efficiency Standards, selection of building materials, architectural requirements, compliance inspections, and Leadership in Energy and Environmental Design (LEED's) criteria. Course content will reflect the most recent CALGreen regulations as published by the California Building Commission and the California Energy Commission.

CT V71 - UNIFORM PLUMBING CODE**3 Units***Hours: 3 lecture weekly*

This course is an introduction to the Uniform Plumbing Code. The code layout and content will be the focus of study. Subjects to be covered include vocabulary, water supply systems, waste drainage, construction materials, and code inspection.

*Formerly CT 71.***CT V72 - UNIFORM MECHANICAL CODE****3 Units***Hours: 3 lecture weekly*

This course is an introduction to the Uniform Mechanical Code. The Code layout and content will be the focus of study. Subjects to be covered will include vocabulary, materials, methods used in heating, air conditioning and ventilation systems. Code problems and the inspection of mechanical systems will be emphasized.

*Formerly CT 72.***CT V75 - INTRODUCTION TO ELECTRICAL, PLUMBING AND MECHANICAL SYSTEMS****3 Units***Hours: 3 lecture weekly*

This course is an introduction to residential and light commercial electrical, plumbing, heating, air conditioning, and ventilation systems. Subjects to be studied will include vocabulary, equipment, materials, construction methods, system design, and basic inspection requirements.

*Formerly CT 75. Same as ARCH V75. Transfer credit: CSU; credit limitations - see counselor.***CT V76 - CONSTRUCTION JOB SITE MANAGEMENT****3 Units***Hours: 3 lecture weekly*

This course covers the organization and problems associated with managing a construction job site. Topics will include plans, permits, inspections, material and workforce scheduling, industrial safety, construction process, cost control and quality management.

*Transfer credit: CSU.***CT V77 - CONSTRUCTION BUSINESS MANAGEMENT****3 Units***Hours: 3 lecture weekly*

This course covers the organization and problems associated with managing a building construction business. Topics will include licensing, insurance, project financing, bidding, contracts, scheduling, safety, and community relations.

*Formerly CT 77. Transfer credit: CSU.***CT V79 - CONSTRUCTION ESTIMATING****3 Units***Hours: 3 lecture weekly*

This course stresses construction cost estimating through the analysis of blueprint drawings and the generation of labor and material take-off lists. Topics will include materials, labor, overhead, profit, and other costs. Additional topics will include working with subcontractors and material suppliers, change orders, and scheduling problems.

*Formerly CT 79. Transfer credit: CSU.***CT V88 - CONSTRUCTION TECHNOLOGY WORKSHOPS 0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

*Formerly CT V89.***CT V95 - CONSTRUCTION TECHNOLOGY INTERNSHIP I 1-4 Units***Corequisite: enrolled in a minimum of 7 units to include internship**Recommended Preparation: completion of or concurrent enrollment in one course in the discipline**Hours: 60 per unit*

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

*Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.***CT V96 - CONSTRUCTION TECHNOLOGY INTERNSHIP II 1-4 Units***Corequisite: enrolled in a minimum of 7 units to include internship**Recommended Preparation: completion of or concurrent enrollment in one course in the discipline**Hours: 75 per unit*

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

COUNSELING

Counseling courses provide students with information and skills needed to take responsibility for and control of their own academic success, explore and develop career, academic and personal goals, and understand the services and requirements to achieve their goals.

COUN V01 - COLLEGE SUCCESS**3 Units***Hours: 3 lecture weekly*

This course provides an exploration of cognitive, psychological, social, and physical factors influencing success in college and in life. This will be accomplished by emphasizing three areas: (1) academic skills; (2) behavioral principals; and (3) relational skills.

*Transfer credit: CSU; UC; credit limitations - see counselor.***COUN V02 - CAREER EXPLORATION AND LIFE PLANNING 3 Units***Hours: 3 lecture weekly*

This course is designed to help students demonstrate an understanding and appreciation for the impact and significance of career choices on their 1)social, 2)psychological, and 3)physiological experiences through the life span. This course is also structured to help students identify their interests, skills, values and personality traits, conduct career research and exploration, and learn current job seeking skills. Students will analyze the relationship between themselves, their life choices and the ongoing process of career planning and self-development throughout the life span.

Transfer credit: CSU.

COUN V03 - COLLEGE ORIENTATION**1 Unit***Hours: 1 lecture weekly*

This course is designed to provide new students a comprehensive orientation to facilities, programs, services, college policies and faculty at Ventura College. Students will experience a tour of the campus facilities, receive financial aid information, learn about graduation and transfer requirements, acquaint themselves with the college assessment process, counseling and transfer services.

Formerly GW V02A. Offered on a pass/no pass basis only. Transfer credit: CSU; UC; credit limitations - see counselor.

COUN V04 - STRATEGIES FOR ACADEMIC SUCCESS**1 Unit***Hours: 1 lecture weekly*

This course introduces strategies, attitudes and skills that promote academic success. Identifies personal barriers to academic success. Topics include time management, test taking, communication skills, study techniques, academic probation and dismissal, learning resource center, financial aid and other support services available.

Formerly GW V02B. Field trips may be required. Offered on a pass/no pass basis only. Transfer credit: CSU; UC; credit limitations - see counselor.

COUN V10A - ORIENTATION WORKSHOP: EOPS**1 Unit***Hours: 1 lecture weekly*

This course is designed to provide new students an overall orientation to facilities, programs, services and faculty at Ventura College. Students will experience a tour of the campus facilities, acquaint themselves with the testing services available, receive financial aid information, learn requirements for graduation and transferability of courses, and plan their first semester's class schedule.

Formerly GW V02X. Offered on a pass/no pass basis only. Transfer credit: CSU; UC; credit limitations - see counselor.

COUN V10B - EOPS SUCCESS ACADEMY**0.5 Unit***Hours: 0.5 lecture weekly*

This course is designed to assist EOPS students who have been determined to require additional academic support. These students will be guided through various activities to help them build their skill, planning and motivational levels ultimately leading to higher academic achievement. Students will learn various strategies that will develop their course/personal planning, time management, study, organization, goal setting, networking and self-concept skills.

Formerly GW V02Y. Field trips may be required. Offered on a pass/no pass basis only. Transfer credit: CSU; UC; credit limitations - see counselor.

COUN V88 - GUIDANCE WORKSHOPS**0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly GW V88. Offered on a pass/no pass basis only.

COUN V89 - WORKSHOPS IN GUIDANCE**0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly GW V89. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

CRIMINAL JUSTICE**See Also Police Science****Associate in Science Degrees****ADMINISTRATION OF JUSTICE FOR TRANSFER**

The Associate in Science in Administration of Justice for Transfer Degree (Administration of Justice AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate of Science in Administration of Justice for Transfer Degree may transfer to a CSU campus with the competencies needed to complete a Bachelor's Degree in; Criminology, Administration of Justice, Sociology, Forensic Science.

To earn an Administration of Justice AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better in all courses required for the major.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (6 units):

		Units
CJ V01	Introduction to Criminal Justice	3
CJ V02	Concepts of Criminal Law	3

LIST A:**Select two (2) of the following courses (6-7 units):**

CJ V03	Community Relations and Diversity	3
CJ V04	Legal Aspects of Evidence	3
CJ V05	Criminal Procedures	3
CJ V08	Criminal Investigation	3
CJ V14	Juvenile Law and Procedures in California	3
CJ V25	Introduction to Corrections	3
CJ V35/ ANTH V35	Introduction to Forensic Science	3
CJ V35L/ ANTH V35L	Introduction to Forensic Science Lab	1

LIST B:**Select two (2) of the following courses (6-7 units):**

SOC V01	Introduction to Sociology	3
PSY V01	Introduction to Psychology	3
PSY V04	Introductory Statistics for the Social and Behavioral Sciences	4

OR

MATH V44	Elementary Statistics	4

Certificate of Achievement**

CRIMINAL JUSTICE

The Criminal Justice program is designed to prepare students to successfully complete the training and testing procedures required to enter law enforcement and corrections academies, or to work within the private sector.

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:

		Units
CJ V01	Introduction to Criminal Justice	3
CJ V02	Concepts of Criminal Law	3
CJ V03	Community Relations and Diversity	3
CJ V05	Criminal Procedures	3

REQUIRED ADDITIONAL COURSES:**Select nine (9) units from the following courses:**

CJ V04	Legal Aspects of Evidence	3
CJ V06	Criminal Justice Report Writing	3
CJ V07	Patrol Procedures	3
CJ V08	Criminal Investigation	3
CJ V14	Juvenile Law and Procedures in California	3
CJ V17	Criminal Justice Employment Orientation	3
CJ V18	Drug Investigation and Enforcement	3
CJ V19	Anatomy of Murder	3
CJ V25	Introduction to Corrections	3

CJ V27	Introduction to Probation and Parole	3
CJ V28	Fundamentals of Criminology	3
CJ V30	Victimology	3

CJ V35/ ANTH V35	Introduction to Forensic Science	3
---------------------	----------------------------------	---

AND

CJ V35L/ ANTH V35L	Introduction to Forensic Science Lab	1
-----------------------	--------------------------------------	---

May select three (3) units from the following courses as part of the nine (9) units additionally required:

CJ V90	Directed Studies in Criminal Justice	1-6
CJ V95	Criminal Justice Internship I	1-4
CJ V96	Criminal Justice Internship II	1-4

TOTAL	21-22
--------------	--------------

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: AES V11; BUS V44, V45; COMM V01; CS V04; CJ V11A; KIN V50A; PHOT V01; PSY V15; SOC V03; SUP V81. Although these supplemental courses may be of value to the student, please note that they do NOT satisfy the requirements for this degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Criminal Justice** program students will be able to:

- Demonstrate an understanding of the American Criminal Justice System, its obligations to the community and the scope of responsibilities of the various local, state, and federal law enforcement agencies beginning with arrest, through corrections.
- Articulate the major criminological theories regarding criminal behavior, the social implications of crime and how these concepts relate to crime, criminal behavior, and victimology.
- Analyze concepts of law and utilize legal investigative proficiencies applied to preparing and presenting case work. Demonstrate the ability to translate this information to written, verbal, and electronic formats.
- Collaborate to describe the importance of standards relating to ethics, communication, and cooperation within a variety of cultures and situations in the Criminal Justice System.

COURSE DESCRIPTIONS**CJ V01 - INTRODUCTION TO CRIMINAL JUSTICE 3 Units**

C-ID: AJ 110

Hours: 3 lecture weekly

This course will offer a general overview of the criminal justice system in the U.S. The history and philosophy of criminal justice will be examined. Systemic problems, such as the organization and jurisdiction of local, state and federal criminal justice components, will be discussed and possible solutions developed. Historical and current theories of crime causation and punishment in America will be explained and discussed.

Field trips may be required. Formerly CJ 1. Transfer credit: CSU; UC.

CJ V02 - CONCEPTS OF CRIMINAL LAW**3 Units***Recommended Preparation: ENGL V01A**C-ID: AJ 120**Hours: 3 lecture weekly*

This course offers an overview of the historical development, philosophy, and content of California and federal criminal law and constitutional provisions. This course reviews constitutional rights, definitions, classification of crimes, elements of criminal offenses, and their application to the criminal justice system. Legal research, methodology, and concepts of law as a social, religious and historical force will be examined. California statutes related to laws of arrest, crimes against persons, and crimes involving property are explored in detail. Case law and current media reports will be utilized to enhance the students' understanding of criminal law.

*Field trips will be required. Formerly CJ V02A. Transfer credit: CSU; UC.***CJ V03 - COMMUNITY RELATIONS AND DIVERSITY****3 Units***C-ID: AJ 160**Hours: 3 lecture weekly*

Students will explore the roles of practitioners in the criminal justice field. Through discussion and study the students will review the expectations and perceptions of the public. Principal emphasis will be placed on community-oriented policing, discretionary decision making, the use of authority, along with communications and crisis management by persons working in the criminal justice system. Students will explore the complex relationship between the community and the justice system, with emphasis on the challenges of dealing with the role of race, ethnicity, religion, gender, sexual orientation, social class, language, and culture in shaping these relations.

*Field trips may be required. Formerly CJ 3. Transfer credit: CSU; UC.***CJ V04 - LEGAL ASPECTS OF EVIDENCE****3 Units***C-ID: AJ 124**Recommended Preparation: CJ V02**Hours: 3 lecture weekly*

This course will review the structure of the California Evidence Code, its procedures and rules as they apply to the admissibility of evidence in criminal proceedings. Emphasis will be placed on review of statutes and case law in the areas of search and seizure, witnesses' confessions and admissions, and presentation of evidence.

*Field trips may be required. Formerly CJ 4. Transfer credit: CSU.***CJ V05 - CRIMINAL PROCEDURES****3 Units***C-ID: AJ 122**Hours: 3 lecture weekly*

Students will review and discuss legal processes from pre-arrest, arrest through trial, sentencing, and correctional procedures. A review of the history of case and common law and conceptual interpretations of law as reflected in court decisions will be discussed. The course will use case law methodology and research to review the impact these decisions have had on the justice system.

*Field trips may be required. Formerly CJ 5. Transfer credit: CSU.***CJ V06 - CRIMINAL JUSTICE REPORT WRITING****3 Units***Recommended Preparation: CJ V02 or CJ V04 or ENGL V02**Hours: 3 lecture weekly*

This course covers report writing for criminal justice practitioners. Emphasis will be on mastering report writing to record crime scenes, emergency response situations and routine occurrences. The goal of this course is to help the student learn how to translate observations into a succinct, yet comprehensive, document for court presentation. Focus will also be placed on the importance of information gathering techniques, and thorough, accurate, and well-written report writing, not only as a reflection of professionalism, but also to ensure the ability of the justice system to prosecute the criminal case.

*Field trips may be required. Formerly CJ 6. Transfer credit: CSU.***CJ V07 - PATROL PROCEDURES****3 Units***Hours: 3 lecture weekly*

This course presents the responsibilities, techniques and methods of police patrol. It meets the objectives required by the California Commission of Peace Officer Standards and Training.

*Field trips may be required. Formerly CJ 7. Transfer credit: CSU.***CJ V08 - CRIMINAL INVESTIGATION****3 Units***C-ID: AJ 140**Hours: 3 lecture weekly*

This course stresses the fundamentals of criminal investigation. Topics include collection and preservation of evidence, scientific aids, modus operandi, sources of information, interviewing and interrogation techniques, follow-up and case preparation, criminal profiling, crime scene sketching, fingerprint analysis, and D.N.A. A brief history of criminal investigation precedes the main course of instruction.

*Field trips may be required. Formerly CJ 8. Transfer credit: CSU.***CJ V11A - AIKIDO I****1 Unit***Hours: 0.5 lecture, 2.5 laboratory weekly*

This course is designed for students who want to develop introductory skills in aikido. Aikido is a powerful martial art developed in Japan. The practice of Aikido includes warm up and flexibility exercises, practical combative and defensive techniques combined with an appreciation for formal etiquette. Students will develop a greater understanding of the relationship between mind, body, and spirit, which will help them deal with both physical and mental conflict in a more positive way.

Ventura College faculty has defined Combatives as a family of courses which includes KIN V50A/CJ V11A, KIN V50B, KIN V52, KIN V76A, KIN V76B. A student may take a maximum of four (4) courses from a family.

*Formerly CJ V11. Same as KIN V50A. Transfer credit: CSU; UC; credit limitations - see counselor.***CJ V14 - JUVENILE LAW AND PROCEDURES IN CALIFORNIA****3 Units***C-ID: AJ 220**Hours: 3 lecture weekly*

This course will offer an overview of the juvenile justice system in California, including the history of juvenile law and current police and probation procedures. Theories on delinquency causes and treatments will be discussed as an avenue toward understanding the juvenile offender. Child abuse/neglect and crimes against children, including sex crimes, will also be covered.

*Field trips will be required. Formerly CJ 14. Transfer credit: CSU; UC.***CJ V17 - CRIMINAL JUSTICE EMPLOYMENT ORIENTATION****3 Units***Hours: 3 lecture weekly*

This course is designed to assist students in preparing for employment in the criminal justice field by identifying areas of training and knowledge that are necessary for employment. In addition, students will identify effective strategies and techniques for rehabilitating and minimizing those areas in the testing process where they may demonstrate substandard performance and those areas of the background process and/or the testing process that can or will disqualify them from service in the criminal justice system.

*Field trips may be required. Formerly CJ V60B.***CJ V18 - DRUG INVESTIGATION AND ENFORCEMENT****3 Units***Hours: 3 lecture weekly*

This is a survey course that will provide the student an opportunity to review the geopolitical history of drug trafficking and the evolution of laws regulating the distribution and use of drugs, with special emphasis on current statutes and court decisions relating to distribution and use of drugs. Information on the source, distribution and use of narcotics, cocoa products, hallucinogens and cannabinoids will be presented. Fundamentals of drug investigation techniques and treatment of drug abusers will also be discussed.

Formerly CJ 18. Transfer credit: CSU.

CJ V19 - ANATOMY OF MURDER**3 Units***Recommended Preparation: CJ V01 and CJ V08**Hours: 3 lecture weekly*

This course is a historical and contemporary analysis of criminal homicide. Using actual case studies, students will examine the nature and extent of murder, including serial murder and sex-crime-related murder. Victimology, suspect profiling and investigative techniques will also be assessed in relationship to current and appropriate investigative procedures for the identification, collection, preservation, and presentation of evidence from a homicide crime scene.

*Field trips may be required. Transfer credit: CSU.***CJ V25 - INTRODUCTION TO CORRECTIONS****3 Units***C-ID: AJ 200**Hours: 3 lecture weekly*

This course is an overview of the historical aspects of punishment and the development of contemporary correctional philosophy in the United States. The course will focus on the legal issues, general laws and general operations in correctional institutions. The relationship between correctional and other components of the criminal justice system will also be examined. The ideals of correctional philosophy are compared with the contemporary problems in corrections.

*Field trips may be required. Formerly CJ 25. Transfer credit: CSU; UC.***CJ V27 - INTRODUCTION TO PROBATION AND PAROLE****3 Units***Hours: 3 lecture weekly*

This course presents an overview of the history and philosophical foundations of probation and parole in the United States. The course examines the organization and operation of probation and parole agencies as particular segments of the criminal justice system. Theoretical concerns and practical aspects of probation and parole services will be discussed. Issues and problems relating to the pre-sentence report, determinate versus indeterminate sentencing, the roles of probation and parole officers, and the legal decisions affecting the practice of probation and parole will be examined.

*Field trips will be required. Formerly CJ 27. Transfer credit: CSU.***CJ V28 - FUNDAMENTALS OF CRIMINOLOGY****3 Units***Hours: 3 lecture weekly*

Trends of crime and delinquency will be investigated; major types of criminal behavior are explored; the major theories of the causes of criminality will be discussed and critiqued; crime control theories and programs will be discussed; and classifications of crimes and their relationship to criminal behavior will also be explored.

*Field trips may be required. Formerly CJ 28. Transfer credit: CSU.***CJ V30 - VICTIMOLOGY****3 Units***Hours: 3 lecture weekly*

This course presents an overview of traditional and emerging legal, psychological and sociological perspectives in the field of victimology. While this course will address the consequences of victimization, and methods of recovery, students will also consider the broader legal policies and program implications of the victims movement in the United States.

*Field trips may be required. Formerly CJ 30. Transfer credit: CSU.***CJ V35 - INTRODUCTION TO FORENSIC SCIENCE****3 Units***Corequisite: Concurrent enrollment in ANTH V35L or CJ V35L**C-ID: AJ 150**Hours: 3 lecture weekly*

This course is an introduction to forensic science. The techniques and methods used by forensic scientists to evaluate biological and physical evidence in the modern forensic laboratory will be presented through demonstrations and guest presentations. Emphasis will be placed on applied forensic methods, evaluation of the limitations of current techniques and interpretations, and how to pursue a career in a particular specialty area of forensic science.

*Field trips may be required. Same as ANTH V35. Transfer credit: CSU; credit limitations - see counselor.***CJ V35L - INTRODUCTION TO FORENSIC SCIENCE LABORATORY****1 Unit***Corequisite: Concurrent enrollment in CJ V35 or ANTH V35**Hours: 3 laboratory weekly*

This course is an introduction to forensic science lab procedures and crime scene investigation. Students will practice the techniques and methods used by crime scene investigators and forensic scientists to evaluate, document, and collect biological and physical evidence.

*Field trips may be required. Same as ANTH V35L. Transfer credit: CSU; credit limitations - see counselor.***CJ V49 - ETHICS FOR THE CRIMINAL JUSTICE SYSTEM PROFESSIONAL****3 Units***Recommended Preparation: CJ V01**Hours: 3 lecture weekly*

This course addresses ethical issues in the three components of the Criminal Justice System; law enforcement, judicial and corrections. It explores ethical dilemmas, value definitions, and their application to decision making; by police, court, probation, parole, corrections, and private security personnel. Remediation strategies relating to unethical behavior by individuals and groups will also be addressed. It provides the student with ethical standards and guide lines as well as philosophical and theoretical issues relating to frequent ethical violations throughout the criminal justice system. It is designed to provide basic coverage of morality, ethics, and human behavior. Topics covered include the key elements of ethical guidelines, individual aspects of ethical codes, courtroom testimony and admissibility issues, and ethical standards for all written reports, procedural and substantive law issues. Additionally, the course considers how character and personal values influence the training, supervision, management, and leadership of successful criminal justice system organizations.

*Transfer Credit: CSU.***CJ V85 - PC 832: ARREST, SEARCH AND SEIZURE****2.5 Units***Hours: 2.5 lecture weekly*

This course will cover the fundamentals of law enforcement embracing all those subject areas that will enhance an officer's ability to perform as a member of a police or allied agency. Subjects covered will be: criminal law; laws of arrest, search and seizure; moral, legal and safety aspects in use of firearms; and, community relations. Required for state certification under Peace Officers Standards and Training (P.O.S.T.) guidelines.

*Formerly CJ 85. Offered on a pass/no pass basis only.***CJ V86 - PC 832: FIREARMS****0.5 Unit***Prerequisite: CJ V85 or concurrent enrollment**Limitations: no felony convictions per California Penal Code**Hours: 1.5 laboratory weekly*

This course will cover the fundamentals of firearms, including the information necessary for an officer to perform as a member of a police or allied agency. Topics will include safety aspects in the use of firearms and practical application of firearms on a range. Completion of this training is required for state certification under P.O.S.T. (Peace Officers Standards and Training) guidelines.

*Formerly CJ 86. Offered on a pass/no pass basis only.***CJ V88 - CRIMINAL JUSTICE WORKSHOPS****0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

*Field trips may be required. Formerly CJ V89.***CJ V89 - WORKSHOPS IN CRIMINAL JUSTICE****0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Transfer credit: CSU.

CJ V90 - DIRECTED STUDIES IN CRIMINAL JUSTICE 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly CJ 90. Transfer credit: CSU.

CJ V95 - CRIMINAL JUSTICE INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Limitations: students cannot have been convicted of a felony offense; must be 18 years old at the time of registration; must possess a valid California driver's license; and must be currently enrolled in a criminal justice course

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

CJ V96 - CRIMINAL JUSTICE INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Limitations: students cannot have been convicted of a felony offense; must be 18 years old at the time of registration; must possess a valid California driver's license; and must be currently enrolled in a criminal justice course

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

DANCE

COURSE DESCRIPTIONS

DANC V01 - DANCE APPRECIATION 3 Units

Hours: 3 lecture weekly

This course is an introduction to the history of dance. Topics will include style as a reflection of the society, culture and era; the various approaches to choreography; and how dance has functioned as part of political power. Students will view film, video and live performances to come to understand the rich lineage of dance.

Field trips may be required. Transfer credit: CSU; UC.

DANC V02 - DANCE HISTORY 3 Units

Recommended Preparation: DANC V01

Hours: 3 lecture weekly

Dance history explores the artistic developments in the field of Western concert dance from the 17th century to the present time. The course focuses on the cultural, social and political topics of Ballet and Modern Dance, with a strong underpinning of social vernacular/ Jazz Dance and other forms influenced by the African Diaspora. Through readings, lectures, discussions, and extensive viewing of film/video and live performance, students come to understand the rich lineage of these dance forms.

Field trips may be required. Transfer credit: CSU; UC.

DANC V03 - ANATOMY FOR DANCERS 3 Units

Recommended Preparation: DANC V10A

Hours: 3 lecture weekly

This course is an introduction to human anatomy and basic movement analysis. The course will emphasize analysis of skeletal and muscular systems, individual differences, common dance injuries, and proper conditioning for dancers. Dance kinesiology and multiple somatic principles will also be explored.

Field trips will be required. Transfer credit: CSU.

DANC V04 - DANCE IMPROVISATION 2 Units

Recommended Preparation: DANC V10A

Hours: 1 lecture, 3 laboratory weekly

This course is an introduction to improvisational and compositional skills that explore multiple ways to spontaneously create movement. Course exercises will facilitate a variety of creative explorations that utilize levels, shapes, and dynamic and rhythmic patterning. These explorations will encourage the dancer to discover and evaluate movement habits while exploring multiple ways to break habitual movement patterns.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V10A - MODERN I 2 Units

Hours: 1 lecture, 3 laboratory weekly

This course is an introduction to modern dance techniques and skills, and the experience and appreciation of modern dance as an art form. Ventura College faculty has defined Modern as a family of courses which includes DANC V10A, DANC V10B, DANC V10C and DANC V10D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V10. Transfer credit: CSU; UC.

DANC V10B - MODERN II 2 Units

Recommended Preparation: DANC V10A

Limitation: Commensurate skills demonstration

Hours: 1 lecture, 3 laboratory weekly

The course builds on techniques and skills learned in Modern I. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of heightened technical skills. Ventura College faculty has defined Modern as a family of courses which includes DANC V10A, DANC V10B, DANC V10C and DANC V10D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V10C - MODERN III 2 Units

Recommended Preparation: DANC V10B

Limitation: Commensurate skills demonstration

Hours: 1 lecture, 3 laboratory weekly

The course builds on techniques and skills learned in Modern I and II. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of heightened technical skills. Ventura College faculty has defined Modern as a family of courses which includes DANC V10A, DANC V10B, DANC V10C and DANC V10D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V10D - MODERN IV**2 Units***Recommended Preparation:* DANC V10C*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

The course builds on techniques and skills learned in Modern I, II, and III. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of advanced technical skills. Ventura College faculty has defined Modern as a family of courses which includes DANC V10A, DANC V10B, DANC V10C and DANC V10D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V13A - TAP I**2 Units***Hours:* 1 lecture, 3 laboratory weekly

This course teaches the basic skills of traditional tap dance steps and sequences. The emphasis is on the mastery of basic steps and rhythmic styles. It includes a brief history of tap dance in American culture and its relation to other dance and art genres. Ventura College faculty has defined Tap as a family of courses which includes DANC V13A, DANC V13B, DANC V13C, and DANC V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V13. Transfer credit: CSU; UC.

DANC V13B - TAP II**2 Units***Recommended Preparation:* DANC V13A*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

This course builds on techniques and skills learned in Tap I. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of heightened technical skills. Ventura College faculty has defined Tap as a family of courses which includes DANC V13A, DANC V13B, DANC V13C, and DANC V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V18. Transfer credit: CSU; UC.

DANC V13C - TAP III**2 Units***Recommended Preparation:* DANC V13B*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

This course builds on techniques and skills learned in Tap I and II. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of technical skills to intermediate/advanced level. Ventura College faculty has defined Tap as a family of courses which includes DANC V13A, DANC V13B, DANC V13C, and DANC V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V13D - TAP IV**2 Units***Recommended Preparation:* DANC V13C*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

This course builds on techniques and skills learned in Tap I, II, and III. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of technical skills at an advanced level. Ventura College faculty has defined Tap as a family of courses which includes DANC V13A, DANC V13B, DANC V13C, and DANC V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V14 - MOVEMENT FOR THE THEATRE**2 Units***Hours:* 1 lecture, 3 laboratory weekly

This course teaches the fundamentals of multiple movement techniques for students in the theatre and related arts. The course focuses on the development of the student's individual movement expression. Through practice of organizing and reorganizing the body in multiple ways the student becomes aware of how to respond to the emotional and physical needs of a character. Flexibility, relaxation, control, and creative expression will be developed.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Dance 14. Same as THA V14. Transfer credit: CSU; UC; credit limitations - see counselor.

DANC V15A - BALLET I**2 Units***Hours:* 1 lecture, 3 laboratory weekly

This course teaches the fundamental theory and practice of ballet technique and ballet as an art form. The emphasis is on placement, correct body alignment, muscular control, and the development of basic ballet positions, steps, and combinations. Ventura College faculty has defined Ballet as a family of courses which includes DANC V15A, DANC V15B, DANC V15C, and DANC V15D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V15. Transfer credit: CSU; UC.

DANC V15B - BALLET II**2 Units***Recommended Preparation:* DANC V15A*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

The course builds on techniques and skills learned in Ballet I. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of heightened technical skills. Ventura College faculty has defined Ballet as a family of courses which includes DANC V15A, DANC V15B, DANC V15C, and DANC V15D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V19. Transfer credit: CSU; UC.

DANC V15C - BALLET III**2 Units***Recommended Preparation:* DANC V15B*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

The course builds on techniques and skills learned in Ballet II. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of technical ballet skills at an intermediate/advanced level. Ventura College faculty has defined Ballet as a family of courses which includes DANC V15A, DANC V15B, DANC V15C, and DANC V15D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU.

DANC V15D - BALLET IV**2 Units***Recommended Preparation:* DANC V15C*Limitation:* Commensurate skills demonstration*Hours:* 1 lecture, 3 laboratory weekly

The course builds on techniques and skills learned in Ballet III. Emphasis will be placed on the refinement of technique, the introduction of new movement, and the development of technical ballet skills at an advanced level. Ventura College faculty has defined Ballet as a family of courses which includes DANC V15A, DANC V15B, DANC V15C, and DANC V15D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V23 - BALLROOM DANCE**2 Units***Hours: 1 lecture, 3 laboratory weekly*

This course introduces the history, music and fundamental practices of ballroom dancing. Students will learn the basic steps, variations, and styling techniques of classical ballroom dances such as salsa, fox trot, swing, rumba, waltz and tango. Students will develop flexibility, strength, control, coordination, endurance, style and an understanding and appreciation of ballroom dance and its cultural significance.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V27 - STREET DANCE**2 Units***Hours: 1 lecture, 3 laboratory weekly*

This course introduces the fundamentals of street dance, including dances such as hip-hop, pop and lock, hip-hop funk, freestyling, and break dancing, as well as an examination of the music, syncopations and rhythms utilized in commercial street dance venues. Students will develop flexibility, strength, control, coordination, endurance, style, and an understanding and appreciation of street dance and its cultural significance and history.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V29A - JAZZ I**2 Units***Hours: 1 lecture, 3 laboratory weekly*

This course introduces basic jazz dance techniques from various styles. It includes a brief history and appreciation of jazz dance as a performing art form. Ventura College faculty has defined Jazz as a family of courses which includes DANC V29A, DANC V29B, DANC V29C, and DANC V29D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V29. Transfer credit: CSU; UC.

DANC V29B - JAZZ II**2 Units***Recommended Preparation: DANC V29A**Limitation: Commensurate skills demonstration**Hours: 1 lecture, 3 laboratory weekly*

The course builds on techniques and skills learned in Jazz I. Emphasis will be placed on the refinement of technique, the introduction of new movement, the development of heightened technical skills, and the analysis of jazz dance as an art form, both in cultural and historical contexts. Ventura College faculty has defined Jazz as a family of courses which includes DANC V29A, DANC V29B, DANC V29C, and DANC V29D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly DANC V31. Transfer credit: CSU; UC.

DANC V29C - JAZZ III**2 Units***Recommended Preparation: DANC V29B**Limitation: Commensurate skills demonstration**Hours: 1 lecture, 3 laboratory weekly*

The course builds on techniques and skills learned in Jazz II. Emphasis will be placed on the refinement of technique, the introduction of new movement, the development of heightened technical skills, and the analysis of jazz as an art form, both in cultural and historical contexts. Ventura College faculty has defined Jazz as a family of courses which includes DANC V29A, DANC V29B, DANC V29C, and DANC V29D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V29D - JAZZ IV**2 Units***Recommended Preparation: DANC V29C**Limitation: Commensurate skills demonstration**Hours: 1 lecture, 3 laboratory weekly*

The course builds on techniques and skills learned in Jazz III. Emphasis will be placed on the refinement of technique, the introduction of new movement, the development of heightened technical skills, and the analysis of jazz as an art form, both in cultural and historical contexts. Ventura College faculty has defined Jazz as a family of courses which includes DANC V29A, DANC V29B, DANC V29C, and DANC V29D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

DANC V30A - DANCE PERFORMANCE I**3 Units***Recommended Preparation: DANC V10A or V13A or V15A or V29A, or equivalent skills**Hours: 1 lecture, 6 laboratory weekly*

This course supplies students with the opportunity to develop professional performance skills. All students will engage in the rehearsal and choreographic collaborative process to develop their ensemble and performance skills to create new and traditional repertoire. During the semester the students will have the opportunity to perform in multiple venues.

Ventura College faculty has defined Dance Performance as a family of courses which includes DANC V30A, DANC V30B, DANC V30C, and DANC V30D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly DANC V30. Transfer credit: CSU; UC.

DANC V30B - DANCE PERFORMANCE II**3 Units***Recommended Preparation: DANC V30A or equivalent skills**Hours: 1 lecture, 6 laboratory weekly*

This course supplies students with the opportunity to develop professional performance skills at an intermediate level. All students will engage in the rehearsal and choreographic collaborative process to develop their ensemble and performance skills to create new and traditional repertoire. During the semester the students will have the opportunity to perform in multiple venues. Ventura College faculty has defined Dance Performance as a family of courses which includes DANC V30A, DANC V30B, DANC V30C, and DANC V30D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

DANC V30C - DANCE PERFORMANCE III**3 Units***Recommended Preparation: DANC V30B or equivalent skills**Hours: 1 lecture, 6 laboratory weekly*

This course supplies students with the opportunity to develop professional performance skills at an intermediate/advanced level. All students will engage in the rehearsal and choreographic collaborative process to develop their ensemble and performance skills to create new and traditional repertoire. During the semester the students will have the opportunity to perform in multiple venues.

Ventura College faculty has defined Dance Performance as a family of courses which includes DANC V30A, DANC V30B, DANC V30C, and DANC V30D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

DANC V30D - DANCE PERFORMANCE IV**3 Units***Recommended Preparation: DANC V30C or equivalent skills**Hours: 1 lecture, 6 laboratory weekly*

This course supplies students with the opportunity to develop professional performance skills at an advanced level. All students will engage in the rehearsal and choreographic collaborative process to develop their ensemble and performance skills to create new and traditional repertoire. During the semester the students will have the opportunity to perform in multiple venues. Ventura College faculty has defined Dance Performance as a family of courses which includes DANC V30A, DANC V30B, DANC V30C, and DANC V30D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

DANC V50A - COMPOSITION I**2 Units***Recommended Preparation:* DANC V10A or V13A or V15A or V29A or equivalent skills*Hours:* 1 lecture, 3 laboratory weekly

This course is an introduction to multiple processes and tools that have been used in creating choreography for western concert dance. Students will learn basic choreographic structures, the use of improvisation to create movement, clarity of intention, and an introductory understanding of the relationship between music/sound and dance. Students will be asked to create short solo and small group work based on historical choreographic styles. Topics will include movement intention, the relationship between music/sound and dance, spatial clarity, and energy. Ventura College faculty has defined Composition as a family of courses which includes DANC V50A, DANC V50B, DANC V50C, and DANC V50D. A student may take a maximum of four (4) courses from a family.

*Field trips may be required. Formerly DANC V50. Transfer credit: CSU; UC.***DANC V50B - COMPOSITION II****2 Units***Recommended Preparation:* DANC V50A or equivalent skills*Hours:* 1 lecture, 3 laboratory weekly

This course builds on techniques and skills learned in Composition I. Emphasis will be placed on combining a variety of choreographic processes, the refinement of movement development, and the musical and choreographic collaborative process.

Ventura College faculty has defined Composition as a family of courses which includes DANC V50A, DANC V50B, DANC V50C, and DANC V50D. A student may take a maximum of four (4) courses from a family.

*Field trips may be required. Transfer credit: CSU; UC.***DANC V50C - COMPOSITION III****2 Units***Recommended Preparation:* DANC V50B or equivalent skills*Hours:* 1 lecture, 3 laboratory weekly

This course builds on skills learned in Composition II. Emphasis will be placed on developing group work for the stage and site-specific choreography. Through improvisation the student will examine a variety of environments to develop movement, and set works in relationship to the space. Topics will include experimenting with time, dynamics, shaping, and multiple performance techniques, and how they relate to the environment, other bodies in the space, and the audience.

Ventura College faculty has defined Composition as a family of courses which includes DANC V50A, DANC V50B, DANC V50C, and DANC V50D. A student may take a maximum of four (4) courses from a family.

*Field trips may be required. Transfer credit: CSU; UC.***DANC V50D - COMPOSITION IV****2 Units***Recommended Preparation:* DANC V50C or equivalent skills*Hours:* 1 lecture, 3 laboratory weekly

This course builds on skills learned in Composition III. It will focus on creating hybrid choreographic processes. Students will create three short studies and one fully realized ten minute work that will be performed in the dance performance concert. Class time will be spent working on choreography, viewing and examining how identity, multiple dance genres, space, music, technology, theatricality, narrative, and text are combined in contemporary performances. Topics will include improvisation as a source for movement invention, mixing of multiple dance styles, text, music/sound design, props, and theatrical conventions.

Ventura College faculty has defined Composition as a family of courses which includes DANC V50A, DANC V50B, DANC V50C, and DANC V50D. A student may take a maximum of four (4) courses from a family.

*Field trips may be required. Transfer credit: CSU; UC.***DANC V88 - DANCE WORKSHOPS****0.5-10 Units***Prerequisite:* varies with topic*Hours:* lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

*Field trips may be required.***DANC V89 - WORKSHOPS IN DANCE****0.5-10 Units***Prerequisite:* varies with topic*Hours:* lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

*Field trips may be required. Formerly Dance 89. Transfer credit: CSU; for UC, determined after admission.***DANC V90 - DIRECTED STUDIES IN DANCE****1-6 Units***Prerequisite:* varies with topic*Hours:* lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Dance 90. Transfer credit: CSU; for UC, determined after admission.

DIESEL MECHANICS

The Associate in Sciences in Diesel Mechanics Degree is designed to prepare students for entry-level positions in medium and heavy duty vehicle repair industry as well as enhance their general education experience. Opportunities for diesel truck and trailer repair technicians in Ventura County are typically available at medium/heavy duty vehicle dealerships, truck stops, independent repair facilities, medium/heavy duty equipment sales and repair companies, corporate fleet maintenance and repair facilities, agricultural equipment, bus and transportation companies, government equipment maintenance garages and other fleet operations. These private and public businesses and organizations need technicians to service, maintain, diagnose and repair medium and heavy duty vehicles and associated equipment. Since many of the medium and heavy duty vehicles are regulated and monitored for safety and load, technicians working on these vehicles must be competent and well trained. The Diesel Mechanics program is designed to meet the needs of industry. The Associate in Sciences in Diesel Mechanics Degree can be earned in less than two years (four semesters). A student can also earn Certificates of Achievement in Diesel Engine Repair and/or Medium and Heavy Duty Vehicle Repair.

Associate in Science Degree

DIESEL MECHANICS

*Transfer requirements may differ
See counselor or consult assist.org*

The Associate in Sciences in Diesel Mechanics Degree at Ventura College is designed to prepare students for employment in the diesel engine repair workforce. Students will be taught the advanced knowledge and high technology skills that will prepare them for a career as a diesel technician in the 21st century. The program curriculum incorporates lecture and laboratory activities. Competencies will include: maintenance and inspection of heavy-duty vehicles, repair of diesel engines; technical, operation, and diagnostic skills of diesel electrical systems; operation of power train units; inspection and adjustment of steering suspension systems, brake systems service, diagnosis and repair of heating and air conditioning systems and the diagnosis of fuel systems.

REQUIRED COURSES:	Units
DM V10 Diesel Preventive Maintenance	2
DM V10L Diesel Preventive Maintenance Laboratory	1.5
DM V12 Diesel Electrical/Electronic Systems	3
DM V12L Diesel Electrical/Electronic Systems Laboratory	3
DM V26 Diesel Engines	2
DM V26L Diesel Engines Laboratory	3
DM V28 Diesel Fuel Management Systems	2.5
DM V28L Diesel Fuel Management Systems Laboratory	3
DM V30 Truck and Trailer Brake Systems	2
DM V30L Truck and Trailer Brake Systems Laboratory	1.5
DM V34 Truck Suspensions and Steering Systems	2

DM V34L Truck Suspensions and Steering Systems Laboratory	1.5
DM V40 Heating, Ventilation and Air Conditioning (HVAC)	2
DM V40L Heating, Ventilation and Air Conditioning (HVAC) Laboratory	1.5
DM V42 Hydraulic Systems	2
DM V42L Hydraulic Systems Laboratory	1
DM V44 Drivetrain - Medium and Heavy-Duty Vehicles	2
DM V44L Drivetrain Laboratory - Medium and Heavy-Duty Vehicles	1.5
TOTAL	37

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Diesel Mechanics** program students will be able to:

- Demonstrate an understanding of operation, service and repair of medium and heavy duty vehicles.
- Analyze, diagnose and repair operational faults with medium and heavy duty vehicles.
- Perform maintenance inspection and maintenance service required of medium and heavy duty vehicles.

COURSE DESCRIPTIONS

DM V10 - DIESEL PREVENTATIVE MAINTENANCE 2 Units

*Corequisite: DM V10L
 Hours: 2 lecture weekly*

This course will provide vocational preparation in the theory of the preventive maintenance service procedures for medium and heavy-duty vehicles. Course will also include shop safety, personal safety practices, tools, shop equipment, lubricants, fasteners and work place practices Preparation for the ASE T-8 certification examination will be included and certification will be encouraged.
Field trips may be required.

DM V10L - DIESEL PREVENTATIVE MAINTENANCE LABORATORY 1.5 Units

*Corequisite: DM V10
 Hours: 4.5 laboratory weekly*

This course will provide vocational preparation in the preventive maintenance service procedures for medium and heavy-duty vehicles. Course will also include shop safety, personal safety practices, tools, shop equipment, lubricants, fasteners and work place practices. Preparation for the ASE T-8 certification examination will be included and certification will be encouraged.
Field trips may be required.

DM V12 - DIESEL ELECTRICAL/ELECTRONIC SYSTEMS 3 Units

*Corequisite: DM V12L
 Hours: 3 lecture weekly*

This course covers technical, operational, and diagnostic skills needed to understand and repair Diesel electrical/electronic systems. It will include charging, starting, and accessories systems. Wiring diagrams and the skills necessary to diagnose electrical/electronic problems will be covered. Preparation for the ASE T-6 (truck electrical/electronic) certification test will be included.
Field trips will be required.

DM V12L - DIESEL ELECTRICAL/ELECTRONIC SYSTEMS LABORATORY 3 Units

*Corequisite: DM V12
 Hours: 9 laboratory weekly*

This hands-on course will use electrical trainer devices and lab vehicles as integral parts of the instruction. This course will cover technical, operational and diagnostic skills needed to understand and repair electrical/electronic systems found on medium and heavy duty Diesel vehicles.
Field trips will be required.

DM V26 - DIESEL ENGINES 2 Units

*Corequisite: DM V26L
 Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L*

Hours: 2 lecture weekly
 This course will provide vocational preparation in the theory of the operation, inspection, diagnosis, and repair of diesel engines used in medium- and heavy-duty vehicles. Additionally, tools, lubricants, fasteners, and shop equipment will be covered. Preparation for the Automotive Service Excellence Diesel Engines (ASE T2) certification examination will be included, and students will be encouraged to earn certification.
Field trips are required.

DM V26L - DIESEL ENGINES LABORATORY 3 Units

*Corequisite: DM V26
 Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L*

Hours: 2 lecture weekly
 This course will provide practical training in the operation, inspection, diagnosis, and repair of diesel engines used in medium- and heavy-duty vehicles. Additionally, the use of tools, lubricants, fasteners, and shop equipment will be covered in the course. Preparation for the Automotive Service Excellence Diesel Engines (ASE T2) certification examination will be included.
Field trips may be required.

DM V28 - DIESEL FUEL MANAGEMENT SYSTEMS 2.5 Units

*Corequisite: DM V28L
 Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L*

Hours: 2.5 lecture weekly
 This course will provide vocational preparation in the theory of the operation, inspection, diagnosis and repair of Diesel fuel management systems used in medium and heavy-duty vehicles. Systems that will be primarily covered are Electronic Unit Injection (EUI), Hydraulic Electronic Unit Injection (HEUI) and High Pressure Common Fuel Rail (HPCR). Preparation for the ASE T- 2 certification examination will be included and certification will be encouraged.
Field trips may be required.

DM 28L - DIESEL PREVENTATIVE MAINTENANCE LABORATORY 3 Units

*Corequisite: DM V28
 Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L*

Hours: 9 laboratory weekly
 This course will provide vocational preparation in the inspection, diagnosis and repair of Diesel fuel management systems used in medium and heavy-duty vehicles. Systems that will be primarily used in the laboratory are Electronic Unit Injection (EUI), Hydraulic Electronic Unit Injection (HEUI), and High Pressure Common Fuel Rail (HPCR). Preparation for the ASE T-2 certification examination will be included, and certification will be encouraged.
Field trips may be required.

DM V30 - TRUCK AND TRAILER BRAKE SYSTEMS 2 Units

Corequisite: DM V30

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L

Hours: 2 lecture weekly

This course will provide vocational preparation in the operation, inspection, diagnosis, and repair theory for brake systems used on medium and heavy-duty vehicles. The theory of mechanical, hydraulic, and pneumatic brake and hitching systems will be covered in this course. Preparation for the ASE T-4 certification examination will be included and certification will be encouraged. *Field trips may be required.*

DM V30L - TRUCK AND TRAILER BRAKE SYSTEMS LABORATORY 1.5 Units

Corequisite: DM V30L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L

Hours: 4.5 laboratory weekly

This course will cover inspection, diagnosis, service, and repair procedures for the brake systems used on medium and heavy-duty vehicles. The service and repair of mechanical, hydraulic, and pneumatic brake and hitching systems will be covered in the course. Preparation for the ASE T-4 certification examination will be included and certification will be encouraged. *Field trips may be required.*

DM V34 - TRUCK SUSPENSION AND STEERING SYSTEMS 2 Units

Corequisite: DM V34L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L

Hours: 2 lecture weekly

This course will cover the operation, inspection, diagnosis, and repair theory for suspensions and steering systems used on medium and heavy-duty vehicles. The theory of rims, tires, and frames will also be covered in the course. Axles and alignment theory will be discussed. Preparation for the ASE T-5 Suspensions certification examination will be included and certification will be encouraged.

Field trips may be required.

DM V34L - TRUCK SUSPENSION AND STEERING SYSTEMS LABORATORY 1.5 Units

Corequisite: DM V34L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L

Hours: 4.5 laboratory weekly

This course will cover the inspection, diagnosis and repair of suspensions and steering systems used on medium and heavy-duty vehicles. The repair of rims, tires, and frames will also be covered in the course. Axles and alignment procedures will be practiced. Preparation for the ASE T-5 suspensions certification examination will be included and certification will be encouraged. *Field trips may be required.*

DM V40 - HEATING, VENTILATION AND AIR CONDITIONING (HVAC) 2 Units

Corequisite: DM V40L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L, DM V30, DM V30L, DM V34, DM V34L

Hours: 2 lecture weekly

This course will provide vocational preparation in the theory of the operation, inspection, diagnosis, and repair of heating, ventilation, and air conditioning systems used in medium and heavy-duty vehicles. Preparation for the ASE T-7 certification examination will be included and certification will be encouraged.

Field trips may be required.

DM V40L - HEATING, VENTILATION AND AIR CONDITIONING (HVAC) LABORATORY 1.5 Units

Corequisite: DM V30L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L, DM V30, DM V30L, DM V34, DM V34L

Hours: 4.5 laboratory weekly

This course will provide vocational preparation in the theory of the operation, inspection, diagnosis and repair of Heating, Ventilation and Air Conditioning (HVAC) systems used in medium and heavy-duty vehicles. Preparation for the ASE T-7 certification examination will be included and certification will be encouraged.

Field trips may be required.

DM V42 - HYDRAULIC SYSTEMS 2 Units

Corequisite: DM V42L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L, DM V30, DM V30L, DM V34, DM V34L

Hours: 2 lecture weekly

This course will cover the theory, application and component parts of Hydraulic Systems used on medium and heavy-duty vehicles. Hydraulic Systems inspection, service, and maintenance procedures will be discussed. *Field trips may be required.*

DM V42L - HYDRAULIC SYSTEMS LABORATORY 1 Unit

Corequisite: DM V42

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L, DM V30, DM V30L, DM V34, DM V34L

Hours: 3 laboratory weekly

This course will cover the Hydraulic systems inspection, diagnosis, service, and repair procedures for medium and heavy-duty vehicles.

Class Schedule Course Description: This course will cover the Hydraulic systems inspection, diagnosis, service, and repair procedures for medium and heavy-duty vehicles.

Field trips may be required.

DM V44 - DRIVETRAIN - MEDIUM AND HEAVY-DUTY VEHICLES 2 Units

Corequisite: DM V44L

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L, DM V30, DM V30L, DM V34, DM V34L

Hours: 2 lecture weekly

This course will provide vocational preparation in the theory of the operation, inspection, diagnosis, and repair of drivetrains used in medium and heavy-duty vehicles. Course will include clutches, manual transmissions, automatic transmissions, driveshafts, differentials, and axles. Preparation for the ASE T-3 certification examination will be included and certification will be encouraged.

Field trips may be required.

DM V44L - DRIVETRAIN LABORATORY - MEDIUM AND HEAVY-DUTY VEHICLES 1.5 Units

Corequisite: DM V44

Recommended Preparation: DM V10, and DM V10L, and DM V12, and DM V12L, and DM V26, and DM V26L, and DM V28, and DM V28L, DM V30, DM V30L, DM V34, DM V34L

Hours: 4.5 laboratory weekly

This course will provide vocational preparation in the theory of the operation, inspection, diagnosis, and repair of the drivetrains used in medium and heavy-duty vehicles. Course will include clutches, manual transmissions, automatic transmissions, driveshafts, differentials, and axles. Preparation for the ASE T-3 certification examination will be included and certification will be encouraged.

Field trips may be required.

DRAFTING

The Drafting program prepares students for challenging careers as drafters, designers, engineering assistants, 3-D modelers, estimators, and design/drafting checkers. Students may obtain an Associate in Science, Certificate of Achievement or preparation for transfer to a four year university in the fields of industrial design, manufacturing, or industrial technology. Specialized application of various software programs are taught using current technology and methods found in the Architectural, manufacturing, and design industries. There is a broad range of career opportunities such as Drafters, Designers, Illustrators, and Model Makers.

See also: Architecture and Construction Technology

Associate in Science Degree Certificate of Achievement

DRAFTING TECHNOLOGY Industrial Design and Manufacturing Option

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:	Units
DRFT V05A/ ARCH V23	Introduction to AutoCAD 2
DRFT V41	Introduction to Industrial Design Graphics 3
DRFT V42	Design Drafting and 3D Solid Modeling 3
DRFT V43	Introduction to Solidworks 3
DRFT V44	Rapid Design and Prototyping 3
DRFT V50	Flexible Manufacturing Applications: Computer Assisted Drafting (CAD)/ Computer Assisted Machining (CAM) 3
MT V15	Manufacturing Processes 3

REQUIRED ADDITIONAL COURSES:

Select three (3) of the following courses:

DRFT V02A/ WEL V02	Blueprint Reading: Manufacturing 3
DRFT V04/ MT V04	Measurements and Computations 3
DRFT V14A	Technical Illustration I 3
DRFT V18	Drafting Projects 3
MT V02	Applied Machining I 2
MT V35	Production Machining and Tooling Design Techniques 3
WEL V01	Introduction to Welding 2

TOTAL 27-29

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: DRFT V02B, V51. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

**For other course descriptions, see Architecture,
Manufacturing Technology, and Welding**

Certificate of Achievement

DRAFTING TECHNOLOGY

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED CORE:	UNITS
DRFT V05A/ ARCH V23	Introduction to AutoCAD 2
DRFT V42	Design Drafting and 3D Modeling 3
DRFT V43	Introduction to SolidWorks 3
DRFT V44	Rapid Design and Prototyping 3

Select one (1) of the following courses:

DRFT V05B/ ARCH V24	Advanced Operations in AutoCAD 2
DRFT V14A	Technical Illustration I 3
DRFT V51	Design Animation and Modeling 2

TOTAL 13-14

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking on or more of the following courses: DRFT V02A, V14B, V18, V41; MT V02, V35; WEL V01. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

For other course descriptions, see Architecture.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Drafting** program students will be able to:

- Demonstrate an understanding of drawing methods and graphic composition techniques.
- Prepare technical drawings using computer-aided drafting (CAD) and design software.
- Analyze information to develop solutions to technical aspects of a design problem.

COURSE DESCRIPTIONS

DRFT V02A - BLUEPRINT READING: MANUFACTURING 3 Units

Hours: 3 lecture weekly

This course covers the interpretation of mechanical drawings typical of the metal working field; theory of common types of projections, dimensioning principles, machine standards, application of creative sketching and interpretation of blueprints.

Formerly Drft 2A. Same as WEL V02.

DRFT V02B - BLUEPRINT READING: ARCHITECTURAL/CONSTRUCTION 3 Units

Hours: 3 lecture weekly

This course provides experience in construction blueprint reading and plan review. Experiences will include the study of lines, symbols, notations and dimensions used on architectural drawings. Code interpretation and design compliance will be stressed.

Formerly Drft 2B. Same as ARCH V11 & CT V20. Transfer credit: CSU; credit limitations - see counselor.

DRFT V03 - DRAFTING FUNDAMENTALS**3 Units***Hours: 2 lecture, 3 laboratory weekly*

This course covers the application of the fundamentals of industrial design drafting. Topics include the basic concepts of graphic presentation including design languages/symbols, sketching, pictorial drawing, lettering, orthographic projection, working drawings, auxiliary views, dimensioning, geometric developments, duplication, interrelationships to the design process, the introduction to computer aided design, and industry trends and applications.

Formerly Drft 3. Transfer credit: CSU.

DRFT V04 - MEASUREMENTS AND COMPUTATIONS**3 Units***Hours: 3 lecture weekly*

This course is the occupational application of measurements and computations as used by technology students. Topics include geometric shape calculations, practical trigonometry, areas, volumes, ratio and proportion, units and conversions, decimals and fractions and applied algebra.

Formerly Drft 4. Same as MT V04.

DRFT V05A - INTRODUCTION TO AUTOCAD**2 Units***Recommended Preparation: DRFT V03 or 1 year of drafting experience**Hours: 1 lecture, 3 laboratory weekly*

This course is an introduction to the use of AutoCAD including commands, editing, printing and plotting with emphasis on two-dimensional, and introduction to three-dimensional drawings. Industry trends, practices, and employer expectations will be addressed.

Field trips may be required. Formerly Drft 5A. Same as ARCH V23. Transfer credit: CSU; UC; credit limitations - see counselor.

DRFT V05B - ADVANCED OPERATIONS OF AUTOCAD**2 Units***Prerequisite: ARCH V23 or DRFT V05A**Hours: 1 lecture, 3 laboratory weekly*

This course emphasizes AutoCad instruction including three-dimensional drafting, customization of AutoCad, architectural computer assisted drafting (CAD), and an introduction to computer assisted machining (CAM).

Field trips may be required. Formerly Drft 5B. Same as ARCH V24.

DRFT V14A - TECHNICAL ILLUSTRATION I**3 Units***Prerequisite: DRFT V03 or 1 year of drafting experience**Hours: 2 lecture, 3 laboratory weekly*

This course covers the application and preparation of technical illustrations to meet the standards of industry. Drawings are made from prints, technical orders and freehand sketches. Axonometric projection will be covered.

Formerly Drft 14A. Transfer credit: CSU.

DRFT V14B - TECHNICAL ILLUSTRATION II**3 Units***Prerequisite: DRFT V14A**Hours: 2 lecture, 3 laboratory weekly*

This course covers the application and preparation of perspective drawings. Topics will include information on and study of layouts and makeup of industrial manuals, and techniques used in industrial publications.

Formerly Drft 14B. Transfer credit: CSU.

DRFT V18 - DRAFTING PROJECTS**3 Units***Prerequisite: ARCH V23 or DRFT V05A**Hours: 2 lecture, 3 laboratory weekly*

This course is an integration of previously acquired knowledge through assignment of projects in the areas of machine drafting, architectural drawing, technical illustration or electronic drafting. Students will design a project using computer assisted drafting (CAD) in the technical area of their choice.

Field trips may be required. Formerly Drft 18.

DRFT V41 - INTRODUCTION TO INDUSTRIAL DESIGN GRAPHICS**3 Units***Hours: 2 lecture, 3 laboratory weekly*

This course introduces the fundamentals of industrial design graphics through lecture and laboratory practice. Focus will be on the basic concepts of graphic presentation, including: design language/symbols; sketching; pictorial drawing; lettering; orthographic projection; working drawings; auxiliary views; dimensioning; geometric developments; duplication, interrelationships to the design process, an introduction to computer aided design (CAD); and, industry trends and applications.

Field trips may be required. Transfer credit: CSU.

DRFT V42 - DESIGN DRAFTING AND 3D SOLID MODELING**3 Units***Recommended Preparation: ARCH V23 or DRFT V05A; and DRFT V41**Hours: 2 lecture, 3 laboratory weekly*

This course consists of the drawing of machine details and assemblies with attention to tolerances, notes, and dimensioning consistent with industrial practices. The course also covers the study of 3D CAD (computer assisted drafting) design concepts and applications. Students will develop skills in wire frame, surface, and solid model creation.

Field trips may be required. Transfer credit: CSU.

DRFT V43 - INTRODUCTION TO SOLIDWORKS**3 Units***Recommended Preparation: DRFT V42**Hours: 2 lecture, 3 laboratory weekly*

This course provides a foundation in 3D parametric design using Autodesk, AutoCAD, Mechanical Desktop software and/or other industry-standard solid modeling software. The students will be introduced to the design concepts of parts and assemblies, parametric design, feature driven design, profiles and sketches, detail drawings, assembly drawings, and CAD (computer assisted drafting) standards used in industry. The course covers the development of 3D design models, 2D detail drawings, and the creation and application of parametric assembly models.

Field trips may be required. Transfer credit: CSU.

DRFT V44 - RAPID DESIGN AND PROTOTYPING**3 Units***Recommended Preparation: DRFT V42 or DRFT V43**Hours: 2 lecture, 3 laboratory weekly*

This course introduces the applications of technology and tools for creating three-dimensional physical models from 3D CAD (computer assisted drafting) files and other 3D data. Rapid prototyping and model making technologies are covered that accelerate the design process, allowing the student designers to shorten the design cycle time, update the product development process and improve communication between the design focus groups, engineering, marketing and manufacturing.

Field trips may be required.

DRFT V50 - FLEXIBLE MANUFACTURING APPLICATIONS: COMPUTER ASSISTED DRAFTING (CAD)/ COMPUTER ASSISTED MACHINING (CAM)**3 Units***Recommended Preparation: ARCH V23 or DRFT V05A**Hours: 2 lecture, 3 laboratory weekly*

This course is an introduction to flexible manufacturing applications and CAD/CAM CNC programming. Topics include set up and operation of numerical control lathes, mills, electrical discharge machines and robotics principles.

Field trips may be required. Formerly MS V50. Transfer credit: CSU.

DRFT V51 - DESIGN ANIMATION AND MODELING**2 Units***Hours: 1 lecture, 3 laboratory weekly*

This course is an introduction to design animation and modeling. Students will receive hands-on training in hardware and software applications, including conceptual principles, and will learn modeling, rendering, and animation techniques. Tutorials will focus on the primary uses of animation in the professional workplace including architectural, mechanical, and character animation.

Transfer credit: CSU.

DRFT V88 - DRAFTING WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly DRFT V89.

DRFT V99 - AUTOCAD JOB TRAINING PROGRAM

4 Units

Hours: 2 lecture, 6 laboratory weekly

This AutoCAD course is designed to prepare the student for entry-level employment into the drafting industry. Hands-on training will be provided in various hardware and software applications including setting up programs, editing, drawing, attributes, and extractions, AutoLISP, menus, scripts, etc. Students may opt to emphasize one or all of the three major styles which include architectural, 3D

EARLY CHILDHOOD EDUCATION

See Child Development and Education

ECONOMICS

The courses offered in the Economics discipline at Ventura College provide students with the analytical tools, real world applications and theoretical background to comprehend economic events and understand the role of the various economic institutions within the U.S. economy and the motivations and consequences of the interactions between nations and firms in the global economy. In their study of economic theories and applications, students become more aware of their role in society as economic actors and as a result, develop their own perspective on the causes and solutions to some of the pressing economic topics of society. Students graduating with a major in economics for their Associate of Arts degree generally transfers to a four-year institution to complete a Bachelor's degree. Economics graduates at the Bachelor's level are qualified for a variety of positions with government, industry, and public interest organizations and they are well prepared to enter a graduate program in economics, business, journalism, law, or public policy. Teaching at the two-year college level is an option if a Master's degree is obtained. An economist can obtain the Ph.D. Degree, which may lead to research and/or teaching at the university level, or basic research in government, industry, or public interest organizations. Nearly every four-year college and university offers an economics major. Economics graduates have been considered one of the highest demand employment fields in America for a number of recent years

.....
Associate in Arts Degree for Transfer

ECONOMICS

The Associate in Arts in Economics for Transfer Degree and courses provide students with the analytical tools, real world applications and theoretical background necessary to comprehend economic events and understand the role of the various economic institutions within the U.S. economy and the motivations and consequences of the interactions between nations and firms in the global economy. The Associate in Arts in Economics for Transfer degree is designed to prepare students for seamless transfer into the California State University system to complete a baccalaureate degree in Economics or a similar major. Students completing the Associate in Arts in Economics for Transfer degree are guaranteed admission to the CSU system, but not to a particular CSU campus or major.

To earn an English AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.

REQUIRED COURSES:

		Units
ECON V01A	Principles of Macroeconomics	3
ECON V01B	Principles of Microeconomics	3
MATH V44	Elementary Statistics	4
MATH V46	Applied Calculus	4
OR		
MATH V21A	Calculus with Analytic Geometry I	5

List A:

Select one (1) course:

BUS V01A	Financial Accounting	4
BUS V01B	Managerial Accounting	4
BUS V17	Computer Applications	3
BUS V45	Business Communication	3
COMM V10	Critical Thinking in Oral Communication: Argumentation and Debate	3
MATH V21B	Calculus with Analytic Geometry II	5

List B:

Select one (1) course:

MATH V21C	Multivariable Calculus	5
MATH V22	Introduction to Linear Algebra	3
Any Course not used in List A (or CSU transferable lower division Economics course)		3-4

Major Units	20-25
CSU General Education or IGETC-CSU Pattern	39-37
Electives (CSU transferrable units to reach 60)	(9-12)
Double-Counted Units	7-15

DEGREE TOTAL

60

See a counselor or consult assist.org, if you plan to transfer to a UC campus or a college or university other than a CSU.

For other course descriptions, see Business, Communications, and Mathematics

COURSE DESCRIPTIONS

ECON V01A - PRINCIPLES OF MACROECONOMICS 3 Units

Prerequisite: MATH V01

C-ID: ECON 202

Hours: 3 lecture weekly

This course is a broad and comprehensive introduction to the operation of the American economy with emphasis on macro-economics. Macroeconomics is concerned with obtaining an overview of the structure of the economy and the relationships between the major economic aggregates: households, businesses, government and international economy. Macroeconomics involves the study of the levels of output, income, expenditures, employment, prices, and the government's ability to alter these levels by the use of fiscal and monetary policies.

Formerly Econ 1A. Transfer credit: CSU; UC.

ECON V01B - PRINCIPLES OF MICROECONOMICS 3 Units

Prerequisite: MATH V01

C-ID: ECON 201

Hours: 3 lecture weekly

This course is a continuation of the broad and comprehensive introduction to the operation of the American economy but with emphasis on microeconomics. Microeconomics is concerned with the small economic units: an individual household, firm, and industry. Microeconomics involves the study of consumer behavior, the operation of the firm, and the competitive, monopolistic-competitive, oligopolistic, and monopolistic structures of industries. International trade and finance, comparative economic systems, and economic growth and development are also examined.

Formerly Econ 1B. Transfer credit: CSU; UC.

ECON V88 - ECONOMICS WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

ECON V89 - WORKSHOPS IN ECONOMICS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Econ 89. Transfer credit: CSU; for UC, determined after admission.

ECON V90 - DIRECTED STUDIES IN ECONOMICS 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Econ 90. Transfer credit: CSU; for UC, determined after admission.

ECON V95 - ECONOMICS INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Formerly Econ 95. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

ECON V96 - ECONOMICS INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

EDUCATION

The Education program is designed for students who aspire to become teachers and offers a breadth of study that integrates across disciplines. Students interested in coursework leading to a career in education should see an academic counselor for information about recommended courses, transfer information, and to develop a Student Education Plan.

Note: A clear criminal background fingerprint check (Live Scan) and a clear tuberculosis (TB) test are required prior to the participation in the observation segment of some of these courses. A misdemeanor and/or felony conviction (including DUI) may result in a student's inability to be assigned to a school for observation experiences. All costs for the Live Scan and TB tests are the sole responsibility of the student.

Associate in Arts Degree for Transfer

ELEMENTARY TEACHER EDUCATION

The Associate in Arts in Elementary Teacher Education for Transfer Degree is intended for students who plan to complete a bachelor's degree in a similar major at a California State University (CSU) campus. Students completing the Associate in Arts in Elementary Teacher Education for Transfer Degree are guaranteed admission to the CSU system, but not to a particular CSU campus or major. A student graduating with an AA-T in Elementary Teacher Education degree may transfer to a CSU campus to complete a Bachelor's Degree in Elementary Teacher Education or a similar major, such as Liberal Studies.

To earn an AA-T in Elementary Teacher Education degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis.

REQUIRED CORE (44-45 units): **UNITS**

EDU V03	Introduction to Elementary Teaching	3
CD V02	Child Growth and Development	3
BIOL V01	Principles of Biology	3
BIOL V01L	Principles of Biology Lab	1
OR		
BIOL V04	Introduction to Cell and Molecular Biology	5
PHSC V01	Concepts in Physical Science	4
GEOL V09	Earth Science with Lab	4
MATH V38	Mathematics for Elementary School Teachers	3
COMM V01	Introduction to Speech Communication	3
ENGL V01A	English Composition	4
ENGL V01B	Critical Thinking and Composition Through Literature	4
GEOG V08	World Regional Geography	3
HIST V18A	World History I	3
HIST V07A	United States History I	3
POLS V01	American Government	3

LIST A (3 units):

Select one (1) of the following courses:

COMM V10	Critical Thinking in Oral Communication: Argumentation and Debate	3
PHIL V05	Critical Thinking and Analytic Writing	3

LIST B (3 units):

Select one (1) of the following courses:

ART V01	Art Appreciation	3
MUS V08	Music Appreciation	3
THA V01	Theater Arts Appreciation	3

Please refer to CSU General Education-Breadth Certification or Intersegmental General Education Transfer Curriculum (may be found in the Counseling Office or in the VC Catalog on page 75).

Major Units	50-51
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	(34-40)
Double-Counted Units	10-13
DEGREE TOTAL	60

See a counselor or consult assist.org, if you plan to transfer to a UC campus or a college or university other than a CSU.

For other course descriptions, see Art, Biology, Child Development, Communication Studies, English, Geography, Geology, History, Mathematics, Music, Philosophy Physical Science, Political Science, Theatre Arts

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Elementary Teacher Education** program students will be able to:

- Demonstrate college-level basic skills in written English, oral communications, mathematics, and critical thinking.
- Demonstrate a basic grasp of the disciplines most commonly taught in elementary school in California, including physical science, biology, art, and literature in a cultural or geographic context, world geography, United States history, and United States government.
- Demonstrate a basic grasp of child growth and development.

COURSE DESCRIPTIONS

EDU V03 - INTRODUCTION TO ELEMENTARY TEACHING 3 UNITS

Recommended Preparation: ENGL V01A

C-ID: EDUC 200

Hours: 3 lecture weekly

This course introduces students to the concepts and issues related to teaching diverse learners in today's contemporary schools, transitional-kindergarten through grade 12 (TK-12). Topics include teaching as a profession and career, historical and philosophical foundations of the American education system, contemporary educational issues, California's content standards and frameworks, and teacher performance standards. In addition to class time, the course requires a minimum of 45 hours of structured fieldwork in public school elementary classrooms that represent California's diverse student population, and includes cooperation with at least one carefully selected and campus-approved certificated classroom teacher.

Note: A clear criminal background fingerprint check (Live Scan) and a clear tuberculosis (TB) test are required prior to participation in the observation segment of this class. A misdemeanor and/or felony conviction (including DUI) may result in a student's inability to be assigned to a school for observation experiences. All costs for the Live Scan and TB tests are the sole responsibility of the student.

Field trips may be required. Transfer credit: CSU; UC.

EDUCATIONAL ASSISTANCE CENTER

Educational Assistance Center (EAC) courses are designed for students with disabilities.

EAC V01 - STRATEGIES FOR SUCCESS IN COLLEGE AND LIFE

3 Units

Hours: 3 lecture weekly

This course introduces students to strategies for success in education, career, and life goals. Students will develop their own success plans through self-evaluation, and by learning and applying specific techniques and resources for life-long learning. Topics include self-advocacy, learning profiles, study/life skills, relationships/communication, multiculturalism/diversity, and college and career options. Emphasis will be placed on developing independent critical thinking skills while providing opportunity for construction and implementation of plans for success. Instruction is designed to meet the educational needs of students with or without disabilities.

Transfer credit: CSU; UC

**EAC V21 - WEIGHT TRAINING AND CONDITIONING:
ADAPTIVE**

1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This is an individualized weight training course designed to provide a physical education program for students who have limited physical capacity and require adaptive physical education. Students will improve their muscular strength and endurance, cardiovascular endurance, flexibility, posture, static and dynamic balance, locomotion, and perceptual-motor skills. Adaptive equipment is available in the Fitness Center for students requiring this accommodation.

Formerly EAC 21. Transfer credit: CSU; UC; credit limitations - see counselor.

EAC V26 - INDIVIDUAL AND TEAM SPORTS: ADAPTIVE 1.5 Units

Hours: 0.5 lecture, 3 laboratory weekly

This course provides instruction and practice in individual and team sports for students with disabilities, including wheelchair users, who have limited physical capacity and require adaptive physical education. Students will be introduced to the basic fundamentals, rules, equipment, and strategies of individual and team sports, such as basketball, tennis, frisbee golf, softball, baseball, track, volleyball, and soccer. Safety, teamwork and sportsmanship will be emphasized.

Formerly EAC 26. Transfer credit: CSU; UC; credit limitations - see counselor.

EAC V32 - JOB-SEEKING STRATEGIES

1.5 Units

Hours: 1 lecture, 1.5 laboratory weekly

This course is designed for persons with disabilities who wish to improve their job-seeking strategies. Topics will include: employee rights and responsibilities, job observation/exploration, interview techniques, applications and resumes.

Field trips may be required. Formerly EAC 32. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

**EAC V88 - EDUCATIONAL ASSISTANCE CENTER
WORKSHOPS**

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly EAC V89.

EAC V95 - SPECIAL EDUCATION INTERNSHIP I

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

EAC V96 - SPECIAL EDUCATION INTERNSHIP II

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

EMERGENCY MEDICAL SERVICES

Emergency Medical Services (EMS) personnel treat nearly 20 million patients a year in the United States. Many of these patients have complicated medical or traumatic conditions that require considerable knowledge, skill, and judgment to be treated effectively in the out-of-hospital setting. Some are critically ill or injured, and the proper care can literally make the difference between life and death. For most patients, their crisis may not be a matter of life or death, but it is no less significant to them and their family. High quality out-of-hospital emergency care is an important part of the United States health care system.

The National EMS Scope of Practice Model defines the practice of EMS personnel. EMS personnel are unique health care professionals in that they provide medical care and transportation in an out-of-hospital setting with medical oversight. EMS personnel are not independent practitioners. While the practice is not independent, it is relatively unsupervised and often has little backup. Therefore, EMS personnel must be able to exercise considerable judgment, problem-solving, and decision-making skills.

Most EMS personnel work in emergency medical organizations that respond to emergency calls. Emergency response is typically a local government function (or contracted by local government to a private entity). In most communities, citizens call 9-1-1 when they need emergency medical care, and the appropriate EMS resources are dispatched. EMS personnel respond and provide care to the patient in the setting in which the patient became ill or injured, including the home, field, work, industrial, and recreational settings. In the case of emergency calls, EMS personnel are unique in that they typically have a "duty to act."

Many EMS personnel provide medical transportation services for patients requiring medically supervised transportation, either exclusively or in addition to emergency response. These "medical transports" generally do not fall under the "duty to act" responsibility of emergency response. Some EMS personnel provide interfacility transfers of very high acuity patients.

In some cases, EMS personnel "stand by" at mass gatherings (for example, concerts, sporting events, etc.) and high-risk activities (for example, fire ground operations, etc.). EMS personnel occasionally serve a combined emergency response and occupational/primary care role in remote areas (for example, off-shore oil rigs, wildland fires, etc.) Increasing numbers of EMS personnel are working in more traditional health care settings in the hospital (especially emergency departments), urgent care centers, doctor's offices and long-term care facilities. Finally, EMS personnel are becoming involved in numerous public health initiatives (immunizations, illness and injury prevention programs, etc.).

Emergency Medical Services are a local function and organized in a variety of ways. Common models are municipal government (fire-based or third-service) or a contracted service with a private (profit or nonprofit) entity. EMS personnel also can be categorized in a variety of ways. Those trained to higher levels tend to be paid (either full- or part-time) while those trained to lower levels tend to be volunteers or partially paid.

EMS provides out-of-hospital medical care to those with perceived urgent needs. It is a component of the overall health care system. EMS delivers care as part of a system intended to attenuate the morbidity and mortality associated with sudden illnesses and injury. The positive effects of EMS care are enhanced by linkages with other community health resources and integration within the health care system.

There are four licensure levels in the field of EMS. Each licensure level is substantially different from other licensure levels in skills, practice environment, knowledge, qualifications, services provided, risk, level of supervisory responsibility, amount of autonomy, and judgment/critical thinking/decision making. The Emergency Medical Responder (EMR) is the most basic level. The Emergency Medical Technician builds upon the EMR level education and training to include an expanded scope of practice and responsibilities. In other parts of the country, the Advanced Emergency Medical Technician (AEMT) is utilized with an increased scope of practice incorporating items from both EMR and EMT level with additional skills, knowledge, and responsibilities. The Paramedic further builds upon the scope of practice of the preceding levels (EMR, EMT, and AEMT) and is the most advanced level of licensure. One of the requirements to enter into a Paramedic level training course is current certification as an EMT or AEMT.

COURSE DESCRIPTIONS

EMS V01 - EMERGENCY MEDICAL RESPONDER 3 Units

Hours: 2 lecture, 3 laboratory weekly

The primary focus of the Emergency Medical Responder is to learn to initiate immediate lifesaving care to critical patients who access the emergency medical system. This individual possesses the basic knowledge and skills necessary to provide lifesaving interventions while awaiting additional EMS response and to assist higher level personnel at the scene and during transport. Emergency Medical Responders function as part of a comprehensive EMS response, under medical oversight. Emergency Medical Responders perform basic interventions with minimal equipment. Upon successful completion of this course, the student will receive an American Heart Association Healthcare Provider Card and Course Completion Certificate and will be prepared with the knowledge and skills for EMT V01. *Field trips may be required.*

EMERGENCY MEDICAL TECHNOLOGY

A community depends on an emergency medical system that responds quickly with well-educated and competent EMTs. Successful completion of the EMT course and the National Registry certifying examination presents the EMT with exciting employment opportunities with private ambulance companies, fire departments and hospitals who utilize basic life support skills. They may also find employment with companies providing basic medical care at concerts, sporting events and amusement parks. Completion of the EMT course is a prerequisite for most Paramedic Programs throughout the United States.

COURSE DESCRIPTIONS

EMT V01 - EMERGENCY MEDICAL TECHNICIAN 8.5 Units

Prerequisite: Current CPR certification for health care provider or professional rescuer

Recommended Preparation: The California State Department of Emergency Medical Services Authority, through the Ventura County Emergency Medical Services Agency, may deny certification to those with criminal records

Limitations: Criminal background clearance; drug and alcohol clearance; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; must have achieved the age of 18 by midterm examination; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; students must be present on the first night of class.

Hours: 7 lecture, 4.5 laboratory weekly

This course covers the techniques of emergency medical care presently considered to be within the scope of practice of ambulance personnel and others engaged in the delivery of emergency services. The student participates in providing care to the emergency patient in both hospital and field settings under the direct supervision of hospital and ambulance personnel. This course is approved by the California State Department of Emergency Medical Services. Upon successful completion of both the written and practical examinations with a grade of B or better, the student will be eligible to sit for the certifying examination administered by the National Registry of Emergency Medical Technicians. This course fulfills the health education requirement for an associate degree. *Field trips will be required. Formerly EMT V01 & V01L.*

EMT V10 - EMERGENCY MEDICAL TECHNICIAN RECERTIFICATION 2 Units

Limitations: valid EMT certificate; and current CPR certification for health care provider or professional rescuer or equivalent

Hours: 2 lecture weekly

This course is designed to update the emergency medical technician and meet state requirements for recertification. The course reviews life-support measures and the use of emergency equipment and supplies. *Field trips may be required. Formerly EMT 10.*

ENGINEERING

Ventura College offers a two-year lower-division engineering program that prepares students for transfer to colleges and universities in California and across the nation. The first two years of the engineering curriculum, at most colleges and universities, are similar with specialization commencing in the junior year. Completion of the lower division core courses listed is essential in facilitating progress as an upper division engineering transfer student. It is important that engineering students meet with an engineering transfer counselor and/or the Engineering Department for specific requirements for transfer.

Associate in Science Degree Certificate of Achievement

ENGINEERING

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:		Units
CHEM V01A	General Chemistry I	3
CHEM V01AL	General Chemistry I Laboratory	2
ENGR V01	Introduction to Engineering	1
MATH V21A	Calculus with Analytic Geometry I	5
MATH V21B	Calculus with Analytic Geometry II	5
PHYS V04-V04L	Mechanics for Scientists and Engineers & Laboratory	4-1
PHYS V05-V05L	Electricity and Magnetism for Scientists and Engineers & Laboratory	4-1

REQUIRED ADDITIONAL COURSES:

Select eight (8) units from the following courses:

CHEM V01B	General Chemistry II	3
CHEM V01BL	General Chemistry II Laboratory	2
MATH V21C	Multivariable Calculus	5
MATH V22	Introduction to Linear Algebra	3
MATH V23	Introduction to Differential Equations	3
PHYS V06-V06L	Optics, Heat and Modern Physics for Scientists and Engineers & Laboratory	4-1

Select nine (9) units from the following courses:

ENGR V02	Engineering Graphics and Design	3
ENGR V12	Engineering Statics	3
ENGR V16	Electronic Circuits and Devices	3
ENGR V16L	Electronic Circuits and Devices Laboratory	1
ENGR V18-V18L	Engineering Materials & Laboratory	3-1

May select six (6) units from the following courses as part of the nine (9) units additionally required:

CS V11	Programming Fundamentals	3
CS V13	Object-Oriented Programming	3
CS V30	Beginning C++	3
CS V40	Beginning Java	3

TOTAL	43

**PHYSICAL SCIENCE
Engineering Technology**

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:	Units
CHEM V01A General Chemistry I	3
CHEM V01AL General Chemistry I Laboratory	2

REQUIRED ADDITIONAL COURSES:

Select two (2) of the following courses:

ARCH V23/ DRFT V05A Introduction to AutoCAD	2
DRFT V03 Drafting Fundamentals	3
ENGR V02 Engineering Graphics and Design	3

Select one (1) of the following courses:

ARCH V60/ CT V60 Simplified Engineering for Building Construction	3
ENGR V12 Engineering Statics	3
ENGR V16 Engineering Circuits and Devices	3
ENGR V16L Engineering Circuits and Devices Laboratory	1
ENGR V18-V18L Engineering Materials & Laboratory	3-1

Select one (1) of the following courses:

MATH V04 College Algebra	4
MATH V20 Precalculus Mathematics	5

Select one (1) of the following courses:

MATH V05 Plane Trigonometry	3
MATH V21A Calculus with Analytic Geometry I	5

Select one (1) of the following groups and complete all courses listed:

GROUP A:

PHYS V02A General Physics I: Algebra/ Trigonometry-Based	4
PHYS V02AL General Physics I: Algebra/ Trigonometry-based Laboratory	1
PHYS V02B General Physics II: Algebra/ Trigonometry-based	4
PHYS V02BL General Physics II: Algebra/ Trigonometry-based Laboratory	1

GROUP B:

PHYS V03A General Physics I: Calculus-based	4
PHYS V03AL General Physics I: Calculus-based Laboratory	1
PHYS V03B General Physics II: Calculus-based	4
PHYS V03BL General Physics II: Calculus-based Laboratory	1

GROUP C:

PHYS V04 Mechanics for Scientists and Engineers	4
-V04L Mechanics for Scientists and Engineers Laboratory	1

TOTAL	25-35
--------------	--------------

Recommended courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into the field of study consider taking one or more of the following courses: ENGL V01A; MATH V21A; PHYS V05-V05L. Although these supplemental courses may be of value to the student, please note that they do NOT satisfy the requirements for this degree.

**For other course descriptions, see Architecture,
Chemistry, Construction Technology, Drafting,
Mathematics, and Physics**

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Engineering** program students will be able to:

- Analyze and interpret data to make engineering problem decisions.
- Identify, formulate, and solve basic engineering problems

COURSE DESCRIPTIONS

ENGR V01 - INTRODUCTION TO ENGINEERING 1 Unit

Hours: 1 lecture weekly

This course provides students with an overview of the engineering profession. It includes academic preparation requirements; engineering curricula; methods of engineering; projected employment opportunities; professional career duties, responsibilities, and expectations; employer requirements and expectations; and recent developments in engineering and future needs.

Formerly Engr 1. Transfer credit: CSU.

ENGR V02 - ENGINEERING GRAPHICS AND DESIGN 3 Units

Prerequisite: MATH V05 or high school equivalent with grade of C or better

Hours: 2 lecture, 3 laboratory weekly

This course applies principles of engineering drawing in visually communicating engineering designs using freehand sketching, instrument drawing, and computer-aided drafting. Topics include: orthographic and pictorial drawings; descriptive geometry; dimensioning, tolerance and scales; application of the principles of solid modeling to engineering design; production of engineering drawings; and, constructing parts, solid models, and assemblies.

Formerly Engr 2. Transfer credit: CSU; UC.

ENGR V12 - ENGINEERING STATICS 3 Units

Prerequisite: MATH V21B and PHYS V04-V04L

Hours: 3 lecture weekly

This course is the study of rigid bodies in static equilibrium when acted upon by forces and couples in two- and three-dimensions. Topics will include: equilibrium of rigid bodies; trusses, frames and machines; the calculation of centers of mass, centroids and moments of inertia; shear force and bending moment diagrams in beams; and friction. Methods of analysis will include mathematical modeling, vectors and scalars.

Formerly Engr 12. Transfer credit: CSU; UC.

ENGR V14 - MATLAB: PROGRAMMING AND PROBLEM SOLVING 3 Units

Prerequisite: MATH V21A

Hours: 2 lecture, 3 laboratory weekly

This course utilizes the MATLAB environment to provide students with a working knowledge of computer-based problem-solving methods relevant to science and engineering. It introduces the fundamentals of procedural and object-oriented programming, numerical analysis, and data structures.

Transfer credit: CSU; UC.

ENGR V16 - ELECTRONIC CIRCUITS AND DEVICES 3 Units

Prerequisite: PHYS V05-V05L and MATH V23 or concurrent enrollment

Hours: 3 lecture weekly

This course is an introduction to electronic circuits and devices for the engineering major based on the application of circuit laws and network theorems. It includes analysis of DC and AC circuits containing resistors, capacitors, inductors, dependent sources, operational amplifiers, and/or switches; natural and forced responses of first and second order RLC circuits; the use of phasors; AC power calculations; power transfer; and energy concepts.

Formerly Engr 16. Transfer credit: CSU; UC.

ENGR V16L - ELECTRONIC CIRCUITS AND DEVICES LABORATORY 1 Unit

Prerequisite: ENGR V16 or concurrent enrollment

Hours: 3 laboratory weekly

This course provides the laboratory experience to illustrate the principles covered in Electronic Circuits and Devices to develop the student's laboratory skills. Basic use of electrical test and measurement instruments including multimeters, oscilloscopes, power supplies, and function generators. Use of circuit simulation software. Interpretation of measured and simulated data based on principles of circuit analysis for DC, transient, and sinusoidal steady-state (AC) conditions. Elementary circuit design. Construction and measurement of basic operational amplifier circuits.

Formerly Engr 16L. Transfer credit: CSU; UC.

ENGR V18 - ENGINEERING MATERIALS 3 Units

Prerequisite: CHEM V01A-V01AL and PHYS V04-V04L

Corequisite: ENGR V18L

Hours: 3 lecture weekly

This course presents the internal structures and resulting behaviors of materials used in engineering applications, including metals, ceramics, polymers, composites, and semiconductors. The emphasis is upon developing the ability both to select appropriate materials to meet engineering design criteria and to understand the effects of heat, stress, imperfections, and chemical environments upon material properties and performance.

Field trips may be required. Formerly Engr 18. Transfer credit: CSU; UC.

ENGR V18L - ENGINEERING MATERIALS LABORATORY 1 Unit

Corequisite: ENGR V18

Hours: 3 laboratory weekly

This introductory laboratory course on engineering materials and their properties provides opportunities to directly observe the structures and behaviors discussed in ENGR V18. to operate testing equipment, to analyze experimental data, and to prepare reports.

Transfer credit: CSU; UC.

ENGR V88 - ENGINEERING WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

ENGR V89 - WORKSHOPS IN ENGINEERING 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Engr 89. Transfer credit: CSU; for UC, determined after admission.

ENGLISH

The study of English offers a basic understanding of reading and writing skills and an appreciation of literature. The more practical skills offered by the study of English—effective reading, writing and thinking—are applicable to all education, careers, and civil responsibilities.

Associate in Arts Degree for Transfer**ENGLISH**

The Associate in Arts in English for Transfer (English AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in English for Transfer may transfer to a CSU Campus to complete a Bachelor's Degree in English or similar programs.

To earn an English AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (4 units):		UNITS
ENGL V01B	Critical Thinking and Composition Through Literature	4

LIST A (6 units):**Select two (2) courses from the following:**

ENGL V21A	Survey of British Literature I	3
ENGL V21B	Survey of British Literature II	3
ENGL V22A	Survey of American Literature: Colonial Period to 1865	3
ENGL V22B	Survey of American Literature: 1865 to Present	3
ENGL V30	Survey of World Literature I	3
ENGL V31	Survey of World Literature II	3

Sequence of English and Reading Courses

To determine the best starting point in the English sequence, take the English Assessment and meet with a Counselor:

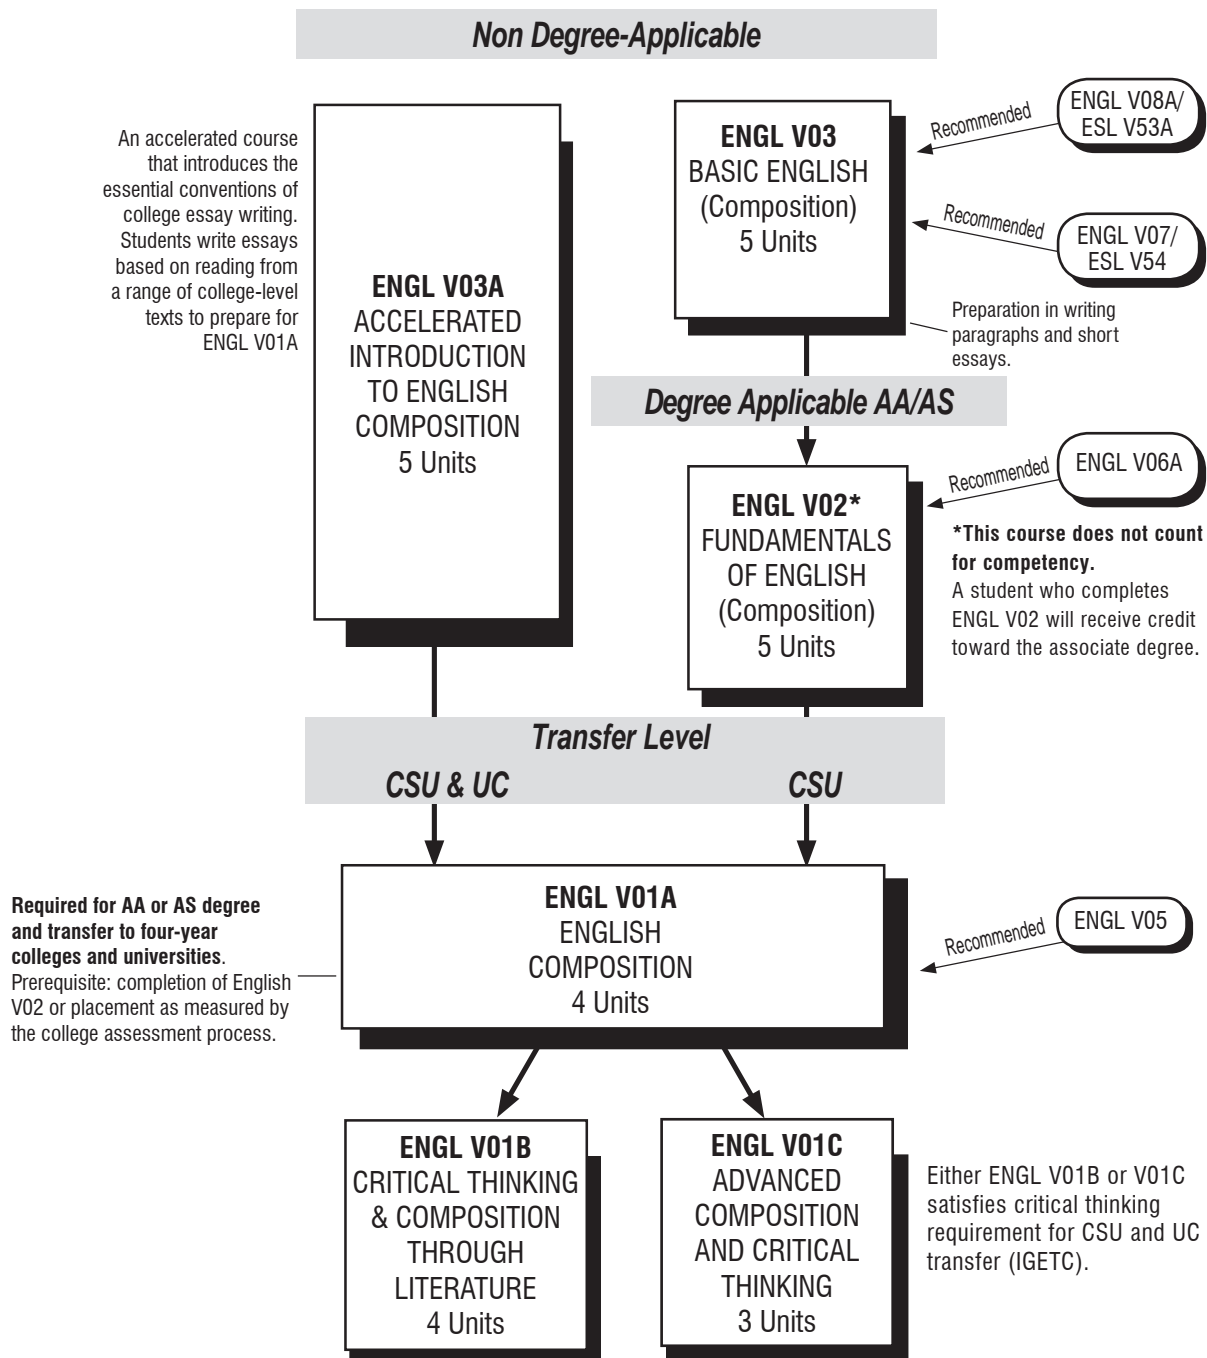

- Call for an appointment:

Assessment Office: (805) 289-6402 or (805) 289-6400 Ext. 1302

Counseling Office: (805) 289-6448

- Information on the Assessment process can be found at

http://www.venturacollege.edu/departments/student_services/matriculation/activities.shtml

LIST B (6 units):

Select two (2) courses from the following:

Any course from LIST A not already used (ENGL V21A, V21B, V22A, V22B, V30, or V31)

ENGL V10	Creative Writing	3
ENGL V11A	Intermediate Creative Writing I	3
ENGL V11B	Intermediate Creative Writing II	3
ENGL V15	Introduction to Poetry	3
ENGL V16	Introduction to Fiction	3
ENGL V23	Introduction to Dramatic Literature	3
ENGL V26	Introduction to Shakespeare	3
ENGL V29A	Aesthetics of Film I	3
ENGL V29B	Aesthetics of Film II	3
ENGL V33	Introduction to African-American Literature	3
ENGL V34	Introduction to Chicano Literature	3
ENGL V35	Multicultural American Literature	3
ENGL V36A	Survey of Women in Literature I	3
ENGL V36B	Survey of Women in Literature II	3

LIST C (3-5 units):

Select one (1) course from the following:

Any course from LIST A or B not already used (ENGL V10, V11A, V11B, V15, V16, V21A, V21B, V22A, V22B, V23, V26, V29A, V29B, V30, V31, V33, V34, V35, V36A, or V36B)

Any language course other than English that is articulated to fulfill CSU-GE Area C or IGETC Area 3B.

Please refer to CSU General Education-Breadth Certification or Intersegmental General Education Transfer Curriculum (may be found in the Counseling Office or in the VC Catalog on page 75).

Major Units	19-21
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	6-19
Double-Counted Units	6-15

DEGREE TOTAL	60
---------------------	-----------

See a counselor or consult assist.org, if you plan to transfer to a UC campus or a college or university other than a CSU.

For other course descriptions, see French, German, Italian, Japanese, Sign Language, Spanish, and Theatre

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **English** program students will be able to:

- Analyze texts representing a wide range of genres including poetry, drama, fiction, and film.
- Synthesize historical, formal, and critical ideas in interpreting a text.
- Write well-developed and effectively organized essays including in-class essays, interpretive arguments, and essays incorporating research.

COURSE DESCRIPTIONS

ENGL V01A - ENGLISH COMPOSITION

4 Units

C-ID: ENGL 100

Prerequisite: ENGL V02 with grade of C or better; or ENGL V03A with a grade of C or better; or placement as measured by the college assessment process

Hours: 3.5 lecture, 2 laboratory weekly

A writing course which emphasizes critical reading, expository and argumentative writing, and mastery of library research techniques. It includes instruction and practice in critical thinking, in analytical reading and evaluation of written work, including at least one book-length work of significant literature, and in the methods of clearly communicating and supporting ideas in organized, coherent essays. Students are required to write a minimum of 6500 formal words, including a research project, based on essays, literature read in class, personal experience, and college-level research

Field trips may be required. Formerly Engl 1A. Transfer credit: CSU; UC.

ENGL V01B - CRITICAL THINKING AND COMPOSITION THROUGH LITERATURE

4 Units

Prerequisite: ENGL V01A with grade of C or better

C-ID: ENGL 110 and ENGL 120

Hours: 4 lecture weekly

This course provides study of literature combined with instruction in critical thinking and composition. The course emphasizes understanding and writing about literature using principles of logical analysis, criticism, advocacy of ideas, and inductive and deductive reasoning. Students will examine assumptions upon which conclusions are based and recognize common logical errors of language and thought. Instruction is offered in advanced elements of style and organization. Application of critical thinking skills and logical methodology to the various literary genres will achieve a disciplined understanding of the material.

Field trips may be required. Formerly Engl 1B. Transfer credit: CSU; UC.

ENGL V01C - ADVANCED COMPOSITION AND CRITICAL THINKING

3 Units

Prerequisite: ENGL V01A

C-ID: ENGL 105

Hours: 3 lecture weekly

This course offers practice in the writing of non-fiction, centered on a course theme, based on analytic reading of essays from a variety of disciplines. It develops mastery of the writing process, critical thinking, and the elements of style. Culmination of the semester is marked by the submission of a final portfolio of the student's best work.

Transfer credit: CSU; UC.

ENGL V02 - FUNDAMENTALS OF ENGLISH COMPOSITION

5 Units

Prerequisite: ENGL V03; or ENGL V03A; or placement as measured by the college assessment process

Hours: 5 lecture weekly

The student will learn to write coherent, well-developed expository essays using a variety of rhetorical modes; to summarize and analyze essays as models for writing; and to conduct research and write a research essay. A student who completes ENGL V02, combined with ENGL V06A and/or ENGL V09, will receive credit in only one course toward the associate degree.

Formerly ENGL V02A.

ENGL V03 - BASIC ENGLISH COMPOSITION

5 Units

Hours: 5 lecture weekly

The student will learn to write coherent, supported paragraphs and short essays; to analyze and summarize short prose; and to conduct research and write a short research paper.

Formerly Engl 3. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGL V03A - ACCELERATED BASIC ENGLISH COMPOSITION**5 Units***Hours: 4 lecture, 4 laboratory weekly*

This is an accelerated course that is open to any student and is designed to develop skills in the basic conventions and expectations of college essay writing. It introduces students to critical reading, writing, and reasoning. Students employ a text-based, process-centered approach to writing essays in response to assigned readings from a variety of college-level texts. This course covers how to state and support a thesis, develop unified and coherent paragraphs as part of an organized essay, and write clear and effective sentences. Successful completion allows students to enroll in ENGL V01A.

*Not degree applicable.***ENGL V05 - COLLEGE-LEVEL READING FOR CRITICAL ANALYSIS****3.5 Units***Recommended Preparation: ENGL V06A or placement as measured by the college assessment process**Hours: 3 lecture, 1.5 laboratory weekly*

This course is a college-level reading course that is designed to help students improve their reading comprehension and ability to do critical analysis. They will develop advanced vocabulary skills and improve their reading speed and comprehension in assignments involving lengthy and difficult college-level texts and scholarly articles.

*Formerly READ V01. Transfer credit: CSU.***ENGL V06A - ACADEMIC READING****3.5 Units***Recommended Preparation: ENGL V07 or ESL V54 or placement as measured by the college assessment process**Hours: 3 lecture, 1.5 laboratory weekly*

This is a college-level reading course which is designed to help students improve their reading comprehension across the disciplines. They will develop content area and individualized vocabulary and learn to identify and distinguish between literal and implied thesis statements and supporting details in complex articles and expository essays of medium length. They will also read, summarize, paraphrase and analyze such expository passages. A student who completes ENGL V06A, combined with ENGL V02, ENGL V06B, and/or ENGL V09, will receive credit in only one course toward the associate degree.

*Formerly READ V02A.***ENGL V07 - INTERMEDIATE READING COMPREHENSION AND LANGUAGE ACQUISITION****3.5 Units***Recommended Preparation: ENGL V08A or ENGL V08B or ESL V53A or ESL V53B or placement as measured by the college assessment process**Hours: 3 lecture, 1.5 laboratory weekly*

This is an intermediate-level reading course that is designed to help students improve their reading comprehension at the level of the short essay. They will individually develop their vocabularies and learn to identify literal and implied main ideas and supporting details at the level of the short essay. They will also read, summarize, paraphrase, and analyze short, simple expository passages.

*Formerly READ V03. Same as ESL V54. Not applicable for degree credit.***ENGL V08A - LOW-BEGINNING READING COMPREHENSION****3.5 Units***Recommended Preparation: placement as measured by the college assessment process**Hours: 3 lecture, 1.5 laboratory weekly*

This is a beginning-level reading comprehension course intended as a bridge for students from English as a Second Language, the Educational Assistance Center, or into the college. It is designed to help students develop reading comprehension at the paragraph level and to develop a functional vocabulary.

*Formerly READ V04. Same as ESL V53A. Not applicable for degree credit.***ENGL V08B - HIGH-BEGINNING READING COMPREHENSION****3.5 Units***Recommended Preparation: placement as measured by the college assessment process**Hours: 3 lecture, 1.5 laboratory weekly*

Students will read and analyze short passages of several paragraphs in length. They will also develop a functional academic vocabulary.

*Same as ESL V53B. Not applicable for degree credit.***ENGL V10 - CREATIVE WRITING****3 Units***Prerequisite: ENGL V01A**C-ID: ENGL 200**Hours: 3 lecture weekly*

Introduction to the craft of creative writing through the study and analysis of the works of established and peer writers. Students will practice writing in various genres and will be introduced to the workshop method.

*Field trips may be required. Formerly Engl 10. Transfer credit: CSU; UC.***ENGL V11A - INTERMEDIATE CREATIVE WRITING I****3 Units***Prerequisite: ENGL V10**Hours: 3 lecture weekly*

This course is an in-depth study of the literary forms—short story, poetry, and drama—with practice in writing original works, and with special emphasis on criticism of students' works by instructor and students.

*Field trips may be required. Formerly Engl 11A. Transfer credit: CSU; UC.***ENGL V11B - INTERMEDIATE CREATIVE WRITING II****3 Units***Prerequisite: ENGL V11A**Hours: 3 lecture weekly*

This is a course for students who wish to improve their skills as poets, authors of fiction, and as nonfiction writers.

*Field trips may be required. Formerly Engl 11B. Transfer credit: CSU; UC.***ENGL V15 - INTRODUCTION TO POETRY****3 Units***Prerequisite: ENGL V01A**Hours: 3 lecture weekly*

This course is a study of poetry with an emphasis on critical reading, analysis, and interpretation. The student will study the different forms and elements of poetry.

*Field trips may be required. Formerly Engl 15. Transfer credit: CSU; UC.***ENGL V16 - INTRODUCTION TO FICTION****3 Units***Prerequisite: ENGL V01A**Hours: 3 lecture weekly*

This course focuses on the analysis and interpretation of representative short stories and novels. Students will study the connection between content and form in fiction and compare and contrast the approaches, content, and style among various writers, cultures, and time periods. Structure, style, theme, character, setting, and tone will be emphasized.

*Field trips may be required. Formerly Engl 16. Transfer credit: CSU; UC.***ENGL V18 - Children's Literature and Film****3 Units***Recommended Preparation: ENGL V01A**Prerequisite: Eligibility for college-level composition (ENGL V01A) as determined by college assessment of other appropriate method.**C-ID: ENGL 180**Hours: 3 lecture weekly*

This course introduces representative works of children's and adolescent literature and film, develops students' close reading and analytical writing skills, and promotes an appreciation for the aesthetic qualities of literature and film created for children and adolescents.

Transfer credit: CSU.

ENGL V21A - SURVEY OF BRITISH LITERATURE I 3 Units*Prerequisite: ENGL V01A**C-ID: ENGL 160**Hours: 3 lecture weekly*

This course presents a survey of British literature in its cultural framework from the Celtic epic tradition to the late 18th century, covering the Heroic Age, the Middle Ages, the Renaissance, and Neoclassicism.

*Formerly Engl 21A. Transfer credit: CSU; UC.***ENGL V21B - SURVEY OF BRITISH LITERATURE II 3 Units***Prerequisite: ENGL V01A**C-ID: ENGL 165**Hours: 3 lecture weekly*

This course surveys British literature from the late eighteenth century to contemporary British and post-colonial texts.

*Field trips may be required. Formerly Engl 21B. Transfer credit: CSU; UC.***ENGL V22A - SURVEY OF AMERICAN LITERATURE: COLONIAL PERIOD TO 1865 3 Units***Prerequisite: ENGL V01A**C-ID: ENGL 130**Hours: 3 lecture weekly*

This course introduces students to America's literary traditions from their beginnings to the second half of the nineteenth century. Topics will include the literature of Puritanism, reason and revolution, transcendentalism, romanticism, the Civil War and its related subjects, abolition and slavery. Multicultural contributions to early American texts include those of the primary groups--Native American, African American, Hispanic American writers--and commentators on the young republic. Readings will encompass both the traditional canon and more recent, multicultural sources.

*Transfer credit: CSU; UC.***ENGL V22B - SURVEY OF AMERICAN LITERATURE: 1865 TO PRESENT 3 Units***Prerequisite: ENGL V01A**C-ID: ENGL 135**Hours: 3 lecture weekly*

This course introduces students to a wide range of American authors and their relationship to major literary and intellectual movements from the second half of the nineteenth century.

*Field trips may be required. Transfer credit: CSU; UC.***ENGL V23 - INTRODUCTION TO DRAMATIC LITERATURE 3 Units***Prerequisite: ENGL V01A**Hours: 3 lecture weekly*

This course is a beginning study of dramatic theory. Plays from various time periods will be studied and analyzed as literary works in the historical context, traced through their production history, considered for their relevance and importance for today's artists and audiences, and analyzed for their production possibilities. The course will emphasize critical reading, analysis, and interpretation.

*Field trips may be required. Formerly Engl 23. Transfer credit: CSU; UC; credit limitations - see counselor.***ENGL V26 - INTRODUCTION TO SHAKESPEARE 3 Units***Prerequisite: ENGL V01A**Hours: 3 lecture weekly*

The course analyzes selected plays and verse to enhance understanding of Shakespeare as poet and playwright. Lectures cover all aspects, including plot development, character delineation, themes, language, verse, stagecraft, social conventions and attitudes of the Elizabethan Age. The selected plays represent a cross-section of the types of plays created by Shakespeare. These plays will also illustrate ways in which Shakespeare developed as dramatist and poet.

*Field trips may be required. Formerly Engl 26. Transfer credit: CSU; UC.***ENGL V29A - AESTHETICS OF FILM I 3 Units***Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

This course is an introduction to the study of film, especially feature-length commercial films. Emphasis will be on creative and critical interpretation and evaluation of film techniques and effects.

*Field trips may be required. Formerly ENGL V07A. Transfer credit: CSU; UC; credit limitations - see counselor.***ENGL V29B - AESTHETICS OF FILM II 3 Units***Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

This course provides additional study of film as a medium for dramatic presentation. Emphasis will be on creative and critical interpretation of films. Films seen and evaluated in the introductory film course will be different from films presented in this course.

*Field trips may be required. Formerly ENGL V07B. Transfer credit: CSU; UC; credit limitations - see counselor.***ENGL V30 - SURVEY OF WORLD LITERATURE I 3 Units***Prerequisite: ENGL V01A**C-ID: ENGL 140**Hours: 3 lecture weekly*

A survey of world literature and its cultural framework from ancient times to the Renaissance.

*Field trips may be required. Formerly Engl 30. Transfer credit: CSU; UC.***ENGL V31 - SURVEY OF WORLD LITERATURE II 3 Units***Prerequisite: ENGL V01A**C-ID: ENGL 145**Hours: 3 lecture weekly*

This course is a comparative study of selected works, in translation and in English, of literature from around the world, including Europe, the Middle East, Asia, and other areas, from the mid or late seventeenth century to the present.

*Field trips may be required. Formerly Engl 31. Transfer credit: CSU; UC.***ENGL V33 - INTRODUCTION TO AFRICAN AMERICAN LITERATURE 3 Units***Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

This course is an in-depth study of the literature of the African American experience in the United States. A student receiving credit in ENGL V33 will not receive credit in ENGL V133.

*Formerly Engl 33. Transfer credit: CSU; UC.***ENGL V34 - INTRODUCTION TO CHICANO LITERATURE 3 Units***Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

This course is designed to introduce the literature of the Chicano. The novel, short story, essay, theatre, song, and poetry of the Chicano will be analyzed and interpreted in depth. A student receiving credit in ENGL V34 will not receive credit in ENGL V134.

*Field trips may be required. Formerly Engl 34. Transfer credit: CSU; UC.***ENGL V35 - INTRODUCTION TO MULTICULTURAL AMERICAN LITERATURE 3 Units***Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

This is a survey course on the ethnic American experience in the United States, focusing primarily on the works of African American, Asian American, Chicano, Latino, and Native American authors. Literary genres will include poetry, drama, short fiction, and the novel. Literary works will be examined within their cultural, historical, and social frameworks. A student receiving credit in ENGL V35 will not receive credit in ENGL V135.

Transfer credit: CSU; UC.

ENGL V36A - SURVEY OF WOMEN IN LITERATURE I 3 Units*Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

This course is an examination of the images, roles and identities of women through the study of the contribution of women to a variety of literary genres including prose, poetry, short fiction, drama and novels. Authors will be studied in their historical, social and cultural milieu from the Middle Ages through the early 20th century. A student receiving credit in ENGL V36A will not receive credit in ENGL V136A.

*Field trips may be required. Formerly ENGL V32B. Transfer credit: CSU; UC.***ENGL V36B - SURVEY OF WOMEN IN LITERATURE II 3 Units***Recommended Preparation: ENGL V01A**Hours: 3 lecture weekly*

An examination of the images, roles and identities of women through the study of the contribution of women to a variety of literary genres including prose, poetry, short fiction, drama and novels. Authors will be studied in their historical, social and cultural milieu from the early 20th century to the present. Literary trends such as Modernism, Feminism, Men's Studies, and Lesbian/Gay/Bisexual Transgender Studies will also be covered. A student receiving credit in ENGL V36B will not receive credit in ENGL V136B.

*Field trips may be required. Formerly ENGL V32A. Transfer credit: CSU; UC.***ENGL V88 - ENGLISH WORKSHOPS 0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

ENGL V89 - WORKSHOPS IN ENGLISH 0.5-10 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

*Formerly Engl 89. Transfer credit: CSU; for UC, determined after admission.***ENGL V90 - DIRECTED STUDIES IN ENGLISH 1-6 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

*Field trips may be required. Formerly Engl 90. Transfer credit: CSU; for UC, determined after admission.***ENGL V133 - AFRICAN AMERICAN LITERATURE 3 Units***Hours: 3 lecture weekly*

This course introduces the literature of the African American experience in the United States. Discussions and assignments will emphasize appreciation rather than analysis. A student receiving credit in ENGL V133 will not receive credit in ENGL V33.

*Formerly Engl 133. Offered on a pass/no pass basis only.***ENGL V134 - CHICANO LITERATURE 3 Units***Hours: 3 lecture weekly*

This course will introduce the literature of the Chicano, including selections of fiction, poetry, nonfiction and drama. Discussions and assignments will emphasize appreciation rather than analysis. A student receiving credit in ENGL V134 will not receive credit in ENGL V34.

*Field trips may be required. Formerly Engl 134. Offered on a pass/no pass basis only.***ENGL V135 - MULTICULTURAL AMERICAN LITERATURE 3 Units***Hours: 3 lecture weekly*

This is a survey course on the ethnic American experience in the United States, focusing primarily on the works of African American, Asian American, Chicano, Latino, and Native American authors. Literary genres will include poetry, drama, short fiction, and the novel. Literary works will be examined within their cultural, historical, and social frameworks. The emphasis of this course is on appreciation rather than analysis. A student receiving credit in ENGL V135 will not receive credit in ENGL V35.

*Field trips may be required. Offered on a pass/no pass basis only.***ENGL V136A - WOMEN IN LITERATURE I 3 Units***Hours: 3 lecture weekly*

This course examines the images, roles and identities of women through the study of the contribution of women to a variety of literary genres including prose, poetry, short fiction, drama and novels. Authors will be studied in their historical, social and cultural milieu from the Middle Ages through the early 20th century. Emphasis is on appreciation rather than analysis. A student receiving credit in ENGL V136A will not receive credit in ENGL V36A.

*Field trips may be required. Formerly ENGL V132B. Offered on a pass/no pass basis only.***ENGL V136B - WOMEN IN LITERATURE II 3 Units***Hours: 3 lecture weekly*

An examination of the images, roles and identities of women through the study of the contribution of women to a variety of literary genres including prose, poetry, short fiction, drama and novels. Authors will be studied in their historical, social and cultural milieu from the early 20th century to the present. Literary trends such as Modernism, Feminism, Men's Studies, and Lesbian/Gay/Bisexual/Transgender Studies will also be covered. Emphasis is on appreciation rather than analysis. A student receiving credit in ENGL V136B will not receive credit in ENGL V36B.

Field trips may be required. Formerly ENGL V132A. Offered on a pass/no pass basis only.

ENGLISH AS A SECOND LANGUAGE

See Also English for Multilingual Students

Students who participate in the ESL program will be able to communicate effectively by speaking clearly and coherently in both formal and informal settings. They will be able to collaborate to solve problems and share ideas, demonstrating critical thinking and problem solving skills.

COURSE DESCRIPTIONS

ESL V10A - ENGLISH INTERACTIVE COMPUTER ASSISTED LANGUAGE LEARNING I 1 Unit*Hours: 1 lecture weekly*

This computer course is software driven and is the first of a four-course sequence. Under the guidance of the instructor, students will complete self-paced competency-based interactive grammar assignments using multimedia. Grammar reinforcement activities include reading, listening and pronunciation exercises. Topics include simple present present continuous, future and simple past tenses, imperatives, parts of speech, possessive forms, and count/non-count nouns. More than one course in the sequence may be completed within the term.

Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V10B - ENGLISH INTERACTIVE COMPUTER ASSISTED LANGUAGE LEARNING II **1 Unit**

Recommended Preparation: ESL V10A or equivalent skills

Hours: 1 lecture weekly

This computer course is software driven and is the second of a four-course sequence. Under the guidance of the instructor, students will complete self-paced competency-based interactive grammar assignments using multimedia. Grammar reinforcement activities include reading, listening and pronunciation exercises. Topics include past tense sequences, the past continuous tense, gerunds and infinitives, comparatives and superlatives, definite and indefinite articles, an introduction to the present perfect tense, and subjunctive clauses. More than one course in the sequence may be completed within the term.

Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V10C - ENGLISH INTERACTIVE COMPUTER ASSISTED LANGUAGE LEARNING III **1 Unit**

Recommended Preparation: ESL V10B or equivalent skills

Hours: 1 lecture weekly

This computer course is software driven and is the third of a four-course sequence. Under the guidance of the instructor, students will complete self-paced competency-based interactive grammar assignments using multimedia. Grammar reinforcement activities include reading, listening and pronunciation exercises. Topics include the past continuous tense; the present perfect and present perfect continuous tenses; modals of advice, ability, request, possibility, preference, permission and necessity; and future time clauses. More than one course in the sequence may be completed within the term.

Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V10D - ENGLISH INTERACTIVE COMPUTER ASSISTED LANGUAGE LEARNING IV **1 Unit**

Recommended Preparation: ESL V10C or equivalent skills

Hours: 1 lecture weekly

This computer course is software driven and is the fourth of a four-course sequence. Under the guidance of the instructor, students will complete self-paced competency-based interactive grammar assignments using multimedia. Grammar reinforcement activities include reading, listening and pronunciation exercises. Topics include the passive voice, the conditional, past perfect, reported imperatives and statements, and adjectives clauses. More than one course in the sequence may be completed within the term.

Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V20A - BEGINNING ORAL COMMUNICATION I **4 Units**

Recommended Preparation: concurrent enrollment in ESL Reading and Vocabulary and ESL Writing and Grammar courses

Hours: 4 lecture weekly

This oral communication course is designed for beginning multilingual students. The focus will be on developing basic oral communication skills with attention to listening comprehension and vocabulary building.

Field trips may be required. Formerly ESL V01A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V20B - BEGINNING ORAL COMMUNICATION II **4 Units**

Recommended Preparation: concurrent enrollment in ESL Reading and Vocabulary and ESL Writing and Grammar courses

Hours: 4 lecture weekly

This oral communication course is designed for beginning multilingual students. The focus will be on developing basic oral communication skills with attention to grammar and fluency.

Field trips may be required. Formerly ESL V02A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V30A - BEGINNING READING AND VOCABULARY I **4 Units**

Recommended Preparation: concurrent enrollment in ESL Oral Communication and ESL Writing and Grammar courses

Hours: 4 lecture weekly

This course is designed for beginning multilingual students. The focus will be on extensive vocabulary building through reading.

Field trips may be required. Formerly ESL V01B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V30B - BEGINNING READING AND VOCABULARY II **4 Units**

Recommended Preparation: concurrent enrollment in ESL Oral Communication and ESL Writing and Grammar courses

Hours: 4 lecture weekly

This reading and vocabulary course is designed for beginning multilingual students. The focus will be on developing reading comprehension skills.

Field trips may be required. Formerly ESL V02B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V31A - INTERMEDIATE READING, WRITING, AND VOCABULARY I **2 Units**

Hours: 1.5 lecture, 1.5 laboratory weekly

This course is designed for intermediate multilingual students. The focus will be on developing reading comprehension strategies, vocabulary skills and sentence structure.

Same as ENGM V31A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V31B- INTERMEDIATE READING, WRITING, AND VOCABULARY II **2 Units**

Hours: 1.5 lecture, 1.5 laboratory weekly

This course is designed for intermediate multilingual students. The focus will be on developing reading and comprehension, vocabulary building, and basic writing skills.

Same as ENGM V31B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V32A - HIGH INTERMEDIATE READING, WRITING, AND VOCABULARY I **2 Units**

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing and vocabulary course is designed for high-intermediate multilingual students. The focus will be on improving reading comprehension, writing skills, and vocabulary building strategies.

Same as ENGM V32A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V32B - HIGH INTERMEDIATE READING, WRITING, AND VOCABULARY II **2 Units**

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing, and vocabulary course is designed for high-intermediate multilingual students. The focus will be on further developing reading and writing strategies, and improving vocabulary-building skills.

Same as ENGM V32B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V40A - BEGINNING WRITING AND GRAMMAR I **4 Units**

Recommended Preparation: concurrent enrollment in ESL Oral Communication and ESL Reading and Vocabulary courses

Hours: 4 lecture weekly

This writing and grammar course is designed for beginning multilingual students. The focus will be on developing basic writing skills. Students will be introduced to spelling, punctuation, vocabulary development, and basic sentence structure.

Field trips may be required. Formerly ESL V01C. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V40B - BEGINNING WRITING AND GRAMMAR II 4 Units

Recommended Preparation: concurrent enrollment in ESL Oral Communication and ESL Reading and Vocabulary courses

Hours: 4 lecture weekly

This writing and grammar course is designed for beginning multilingual students. The focus will be on developing basic grammar and sentence skills with attention to simple sentence patterns and punctuation.

Field trips may be required. Formerly ESL V02C. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V41A- INTERMEDIATE READING, WRITING, AND GRAMMAR I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This intermediate reading, writing, and grammar course is designed for intermediate multilingual students. The focus will be on improving grammar usage and refining sentence structure.

Same as ENGM V41A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V41B - INTERMEDIATE READING, WRITING, AND GRAMMAR II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This intermediate writing and grammar course is designed for intermediate multilingual students. The focus will be on improving reading comprehension and grammar usage, and refining sentence structure.

Same as ENGM V41B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V42A - HIGH-INTERMEDIATE READING, WRITING, AND GRAMMAR I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing, and grammar course is designed for high-intermediate multilingual students. The focus will be on refining sentence structure and developing unified paragraphs. Students will use reading skills to assist them with their writing.

Same as ENGM V42A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V42B - HIGH-INTERMEDIATE READING, WRITING, AND GRAMMAR II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing, and grammar course is designed for high-intermediate multilingual students. The focus will be on improving complex sentence structure and continued development of paragraph cohesion and coherence.

Same as ENGM V42B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V52A - READING, WRITING, AND CRITICAL THINKING I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This academic reading and writing course is designed for advanced multilingual students preparing for various vocational and academic programs. The focus will be on developing reading, writing, and study skills needed for success in college. This course is a bridge to mainstream classes.

Same as ENGM V52A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V52B - READING, WRITING, AND CRITICAL THINKING II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This academic reading and writing course is designed for advanced multilingual students preparing for various vocational and academic programs. The focus will be on developing reading, writing, and study skills needed for success in college. This course is a bridge to mainstream classes.

Same as ENGM V52B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL V53A - LOW-BEGINNING READING COMPREHENSION 3.5 Units

Recommended Preparation: placement as measured by the college assessment process

Hours: 3 lecture, 1.5 laboratory weekly

This is a beginning-level reading comprehension course intended as a bridge for students from English as a Second Language, the Educational Assistance Center, or into the college. It is designed to help students develop reading comprehension at the paragraph level and to develop a functional vocabulary.

Formerly ESL V34A. Same as ENGL V08A. Not applicable for degree credit.

ESL V53B - HIGH-BEGINNING READING COMPREHENSION 3.5 Units

Recommended Preparation: placement as measured by the college assessment process

Hours: 3 lecture, 1.5 laboratory weekly

Students will read and analyze short passages of several paragraphs in length. They will also develop a functional academic vocabulary.

Formerly ESL V34B. Same as ENGL V08B. Not applicable for degree credit.

ESL V54 - INTERMEDIATE READING COMPREHENSION AND LANGUAGE ACQUISITION 3.5 Units

Recommended Preparation: ENGL V08A or ENGL V08B or ESL V53A or ESL V53B or placement as measured by the college assessment process

Hours: 3 lecture, 1.5 laboratory weekly

This is an intermediate-level reading course that is designed to help students improve their reading comprehension at the level of the short essay. They will individually develop their vocabularies and learn to identify literal and implied main ideas and supporting details at the level of the short essay. They will also read, summarize, paraphrase, and analyze short, simple expository passages.

Formerly ESL V33. Same as ENGL V07. Not applicable for degree credit.

ESL V88 - ENGLISH AS A SECOND LANGUAGE WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Offered on a pass/no pass basis only. Not applicable for degree credit.

ESL N100A - BEGINNING NONCREDIT ESL

Hours: 5 laboratory weekly

This is a beginning course for non and limited English proficient students who want to acquire the communication skills necessary for living, working, and attending school where English is used. Integration of computer literacy, such as basic computer knowledge and keyboarding will help students build the basic skill set needed in the workplace, in school, and other aspects of their daily lives.

This is a noncredit course, non-degree applicable.

ESL N100B - HIGH-BEGINNING NONCREDIT ESL

Hours: 5 laboratory weekly

This is a high-beginning course for limited-English-proficient students who want to acquire the communication skills necessary for living, working, and attending school where English is used. Integration of computer literacy, such as basic computer knowledge, keyboarding, and use of applications will help students build the basic skill set needed in the workplace, in school, and other aspects of their daily lives.

This is a noncredit course, non-degree applicable.

ESL N100C - INTERMEDIATE NONCREDIT ESL

Hours: 5 laboratory weekly

This is an intermediate course for students who want to continue developing the listening, speaking, reading, and writing skills necessary for living, working, and attending school where English is used. This course will focus on communication and critical thinking skills and will help students continue to develop computer literacy.

This is a noncredit course, non-degree applicable.

ESL N100D - HIGH-INTERMEDIATE NONCREDIT ESL

Hours: 5 laboratory weekly

This is a high-intermediate course for limited-English proficient students who want to develop the listening, speaking, reading, and writing skills necessary for living, working, and attending school where English is used. Students will develop communication and critical thinking skills and continue to develop computer literacy.

This is a noncredit course, non-degree applicable.

ENGLISH FOR MULTILINGUAL STUDENTS

English for Multilingual Students (ENGM) was designed to assist students who speak more than one language and use English for academic purposes, yet continue to be challenged or have weaknesses in academic writing and reading comprehension. These courses facilitate independent learning and prepare students for transfer-level courses. Students who participate in the ENGM courses will collaborate to solve problems and demonstrate critical thinking skills.

COURSE DESCRIPTIONS

ENGM V21 - INTERMEDIATE ORAL COMMUNICATION 4 Units

Recommended Preparation: ESL V20A or ESL V20B or the equivalent; and concurrent enrollment in ENGM Reading and Vocabulary and ENGM Writing and Grammar courses

Hours: 4 lecture weekly

This oral communication course is designed for intermediate multilingual students. The focus will be on developing conversational fluency and improving pronunciation and grammatical accuracy.

Field trips may be required. Formerly ESL V21. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V22 - ADVANCED ORAL COMMUNICATION 4 Units

Recommended Preparation: ENGM V21 or the equivalent; and concurrent enrollment in ENGM Reading and Vocabulary and ENGM Writing and Grammar courses

Hours: 4 lecture weekly

This oral communication course is designed for advanced multilingual students. The focus will be on improving oral fluency, with attention to grammatical accuracy.

Field trips may be required. Formerly ESL V22. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V31A - INTERMEDIATE READING, WRITING, AND VOCABULARY I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This course is designed for intermediate multilingual students. The focus will be on developing reading comprehension strategies, vocabulary skills and sentence structure.

Formerly ENGM V31. Same as ESL V31A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V31B- INTERMEDIATE READING, WRITING, AND VOCABULARY II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This course is designed for intermediate multilingual students. The focus will be on developing reading and comprehension, vocabulary building, and basic writing skills.

Same as ESL V31B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V32A - HIGH INTERMEDIATE READING, WRITING, AND VOCABULARY I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing and vocabulary course is designed for high-intermediate multilingual students. The focus will be on improving reading comprehension, writing skills, and vocabulary building strategies.

Formerly ENGM V32. Same as ESL V32A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V32B - HIGH INTERMEDIATE READING, WRITING, AND VOCABULARY II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing, and vocabulary course is designed for high-intermediate multilingual students. The focus will be on further developing reading and writing strategies, and improving vocabulary-building skills.

Same as ESL V32B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V41A - INTERMEDIATE READING, WRITING, AND GRAMMAR I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This intermediate reading, writing, and grammar course is designed for intermediate multilingual students. The focus will be on improving grammar usage and refining sentence structure.

Formerly ENGM V41. Same as ESL V41A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V41B - INTERMEDIATE READING, WRITING, AND GRAMMAR II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This intermediate writing and grammar course is designed for intermediate multilingual students. The focus will be on improving reading comprehension and grammar usage, and refining sentence structure.

Same as ESL V41B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V42A - HIGH-INTERMEDIATE READING, WRITING, AND GRAMMAR I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing, and grammar course is designed for high-intermediate multilingual students. The focus will be on refining sentence structure and developing unified paragraphs. Students will use reading skills to assist them with their writing.

Formerly ENGM V42. Same as ESL V42A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V42B - HIGH-INTERMEDIATE READING, WRITING, AND GRAMMAR II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This reading, writing, and grammar course is designed for high-intermediate multilingual students. The focus will be on improving complex sentence structure and continued development of paragraph cohesion and coherence.

Same as ESL V42B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V50A - VOCATIONAL READING AND WRITING I 3 Units

Recommended Preparation: ENGM V42 or the equivalent; and concurrent enrollment in ENGL V08A or V08B or ESL V53A or V53B

Hours: 2 lecture, 3 laboratory weekly

This vocational reading and writing course is designed for advanced multilingual students preparing for various vocational and academic programs. The focus will be on developing reading, writing, and study skills needed for success in college. This course is a bridge to mainstream classes. Field trips may be required. Formerly ESL V50A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V50B - VOCATIONAL READING AND WRITING II 3 Units

Recommended Preparation: ENGM V42 or the equivalent; and concurrent enrollment in ENGL V08A or V08B or ESL V53A or V53B

Hours: 2 lecture, 3 laboratory weekly

This vocational reading and writing course is designed for advanced multilingual students preparing for mainstream vocational and academic courses. The focus will be on refining reading, writing, and study skills needed for success in college. This course is a bridge to mainstream courses. Field trips may be required. Formerly ESL V50B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V51A - ACADEMIC WRITING AND GRAMMAR I 3 Units

Recommended Preparation: ENGM V42 or the equivalent; and concurrent enrollment in ENGL V08A or V08B or ESL V53A or V53B

Hours: 2 lecture, 3 laboratory weekly

This academic writing and grammar course is designed for advanced multilingual students preparing for academic courses. The focus will be on improving grammar usage while writing paragraphs and short essays. Attention will be given to study skills needed for success in college. Field trips may be required. Formerly ESL V51A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V51B - ACADEMIC WRITING AND GRAMMAR II 3 Units

Recommended Preparation: ENGM V42 or the equivalent; and concurrent enrollment in ENGL V08A or V08B or ESL V53A or V53B

Hours: 2 lecture, 3 laboratory weekly

This academic writing and grammar course is for advanced multilingual students who need to develop their skills in English grammar and usage. Students will acquire the word study skills necessary to write cohesive paragraphs and short essays in preparation for academic courses. Field trips may be required. Formerly ESL V51B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V52A - READING, WRITING, AND CRITICAL THINKING I 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This academic reading and writing course is designed for advanced multilingual students preparing for various vocational and academic programs. The focus will be on developing reading, writing, and study skills needed for success in college. This course is a bridge to mainstream classes. Same as ESL V52A. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENGM V52B - READING, WRITING, AND CRITICAL THINKING II 2 Units

Hours: 1.5 lecture, 1.5 laboratory weekly

This academic reading and writing course is designed for advanced multilingual students preparing for various vocational and academic programs. The focus will be on developing reading, writing, and study skills needed for success in college. This course is a bridge to mainstream classes. Same as ESL V52B. Offered on a pass/no pass basis only. Not applicable for degree credit.

ENVIRONMENTAL SCIENCE AND RESOURCE MANAGEMENT

Environmental Science is a multidisciplinary field integrating topics from the geosciences, physical sciences, biological sciences, and public policy (including economic, legal, and social aspects) as they pertain to understanding working of the earth's ecosystems and the interplay of humans within those systems.

Proficiency Award**ENVIRONMENTAL STUDIES**

(Awarded by the Department)

**Transfer requirements may differ
See counselor or consult assist.org**

REQUIRED COURSES:		Units
ESRM V01/ BIOL V10	Introduction to Environmental Issues	3
ESRM V02	Introduction to Environmental Science	3
ESRM V03/ POLS V12	Introduction to Environmental Policy and Natural Resource Management	3
REQUIRED ADDITIONAL COURSES:		
Select two (2) of the following courses:		
BIOL V01	Principles of Biology	3
BIOL V29	Marine Biology	3
CHEM V01A	General Chemistry I	3
ESRM V10	Environmental Ecology	3
ESRM V11	Soil and Water Science	3
ESRM V14	Conservation of Natural Resources	3
GEOG V01	Elements of Physical Geography	3
GEOG V05	Introduction to Weather and Climate	3
GEOL V02	Physical Geology	3
GEOL V11	Introduction to Oceanography	3
May select one (1) of the following courses as part of the two (2) courses additionally required:		
BIOL V03	Introduction to Organismal and Environmental Biology	5
BIOL V14	Field Biology	4
BIOL V23	Plant Biology	4
GIS V22/ GEOG V22	Fundamentals of Mapping and Geographic Information Systems	3
GIS V26/ GEOG V26	Introduction to Geographic Information Systems Software	2
GEOG V02	Introduction to Human Geography	3
GEOG V08	World Regional Geography	3
POLS V14	Global Studies	3
SOC V02	Social Problems	3
TOTAL		15-17

For other course descriptions, see Biology, Chemistry, Economics, Geographic Information Systems, Geography, Geology, Interdisciplinary Studies, Philosophy, Political Science, and Sociology.

COURSE DESCRIPTIONS

ESRM V01 - INTRODUCTION TO ENVIRONMENTAL ISSUES 3 Units

Hours: 3 lecture weekly

This course is an examination and analysis of the biological sciences within the context of the interrelationship between human populations and their natural surroundings. The characteristics of natural systems are described and the effects and impacts of human activities on these systems are considered. The course introduces the principles of scientific inquiry and experimental methodology in the study of ecological concepts and environmental issues. Alternatives and approaches to deal with environmental problems are considered and evaluated.

Field trips may be required. Same as BIOL V10. Transfer credit: CSU; UC

ESRM V02 - INTRODUCTION TO ENVIRONMENTAL SCIENCE 3 Units

Hours: 3 lecture weekly

This course is an introduction to the physical science and geoscience concepts related to the natural environment. It is an in-depth look at the science underlying critical environmental issues including various types of pollution, resource utilization and depletion, atmospheric changes, energy sources, water resources and quality, waste management, and urban environments. The role of the physical sciences in supporting sustainability will be investigated.

Field trips may be required. Transfer credit: CSU; UC.

ESRM V03 - INTRODUCTION TO ENVIRONMENTAL POLICY AND NATURAL RESOURCE MANAGEMENT 3 Units

Hours: 3 lecture weekly

This course examines American environmental policy and how natural resources are managed. The historical, global and ethical dimensions of how our society relates to the environment are analyzed from an interdisciplinary perspective.

Field trips may be required. Same as POLS V12. Transfer credit: CSU; UC.

ESRM V10 - ENVIRONMENTAL ECOLOGY 3 Units

Hours: 3 lecture weekly

This course examines key processes regulating terrestrial ecosystems productivity and function. Specific focus is placed on plant-soil interactions above and below ground. This course includes study of the functional relationships between soil, plant, and atmospheric influences on the development and sustainability of terrestrial biomes.

Field trips may be required. Transfer credit: CSU; UC.

ESRM V11 - INTRODUCTION TO SOIL SCIENCE 3 Units

Hours: 2 lecture, 3 laboratory weekly

This course is an introduction to soil science. The physical, chemical, and biological aspects of soil are explored as a natural resource. Topics include erosion control, nutrient analysis & management, chemical transfer, and plant relationships. Soil morphology, soil moisture, mapping, and soil ecology are explored throughout the course.

Field trips may be required. Formerly AG V04. Transfer credit: CSU; UC.

ESRM V14 - CONSERVATION OF NATURAL RESOURCES 3 Units

Hours: 3 lecture weekly

This course explores Earth's natural resources and issues pertaining to their management, conservation, and preservation. Renewable and non-renewable resources will be investigated, and conceptual methods and models for analyzing Earth's hydrosphere, geosphere, biosphere, atmosphere, and pedosphere (soils) will be developed. Discussion will include topics related to ecological relationships of water, energy sources, air, soil, grasslands, wetlands, forests, wildlife, and agricultural factors.

Field trips may be required. Transfer credit: CSU; UC.

ESRM V21 - INTEGRATED PEST MANAGEMENT 3 Units

Hours: 3 lecture weekly

This course includes methods for integrating biological, cultural, physical, horticultural and chemical strategies into an effective and sustainable pest management program. Current laws, regulations and IPM certification/licensing principles are discussed with emphasis on ecologically sound practices. Emphasis is on safety, environmental issues, pest identification, chemicals, eradication and control methods, equipment use, and preparation for state licensing and certification examinations.

Field trips may be required. Formerly AG V21. Transfer credit: CSU.

ESRM V22 - INSECTS AND DISEASES OF PLANTS 3 Units

Hours: 2 lecture, 3 laboratory weekly

This course is a comprehensive study of the causes and effects of insects and diseases in plants. It investigates the environment, cultural, mechanical and chemical mechanisms leading to plant disease. Students will learn how to diagnose and remedy plant disease, and how to manage the plant habitat to minimize the impact of pathogenic agents.

Field trips may be required. Formerly AG V22. Transfer credit: CSU.

ESRM V23 - INTRODUCTION TO PLANT TAXONOMY 3 Units

Hours: 2 lecture, 3 laboratory weekly

This course covers the identification, growth habits, cultural requirements, and use native and non-native plants adapted to the climates of Southern California.

Field trips may be required. Formerly AG V42A. Transfer credit: CSU; UC.

FRENCH

The French courses prepare students with communication skills and provide an understanding of the Francophone cultures. The French courses provide instruction to develop proficiency skills in aural comprehension, speaking, reading, and writing. The beginning level courses introduce basic grammar, vocabulary, communicative functions, and culture. The intermediate level courses continue development of proficiency skills through discussion of films, periodicals, and literary works to increase vocabulary, cultural awareness, and knowledge of linguistic variations.

COURSE DESCRIPTIONS

FREN V01 - ELEMENTARY FRENCH I 5 Units

Hours: 5 lecture weekly

This introductory French course provides training in communication, comprehension, pronunciation, elementary principles of grammar, reading of prose, and simple composition. Special emphasis will be given to development of oral and aural skills through the use of communicative activities. Cultural material will be given to stimulate interest in and develop an understanding and appreciation of the French-speaking peoples and countries.

Field trips may be required. Transfer credit: CSU; UC.

FREN V02 - ELEMENTARY FRENCH II 5 Units

Prerequisite: FREN V01 or 2 years of high school French or equivalent

Hours: 5 lecture weekly

This introductory French course provides continued training in communication, comprehension, pronunciation, principles of grammar, reading of prose, and simple composition. Special emphasis will be given to development of oral and aural skills through the use of communicative activities. Cultural material will be given to stimulate interest in and develop an understanding and appreciation of the French-speaking peoples and countries.

Field trips may be required. Formerly Fr 2. Transfer credit: CSU; UC.

FREN V88 - FRENCH WORKSHOPS**0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

FREN V89 - WORKSHOPS IN FRENCH**0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet the specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Fr 89. Transfer credit: CSU; for UC, determined after admission.

FILM

This evolving program offers training in Film and Electronic Media providing students with the tools needed for careers in the film industry. There are opportunities in film production, editing, audio, media writing, and motion graphics. An Associate in Science for Transfer Degree in Film is currently being developed for students to work towards a four year degree.

COURSE DESCRIPTIONS**FILM V01 - INTRODUCTION TO MEDIA AESTHETICS AND CINEMATIC ARTS****3 Units***Hours: 3 lecture weekly*

Making powerfully effective moving images demands an understanding of the fine art of transferring ideas, meanings, and feelings into emotionally charged visual communication. This course presents universal aesthetic visual concepts that underlie the timeless value of works fashioned by the world's master image-makers. Instruction includes lectures, discussion, and critical analysis of extensive examples drawn from feature films, documentaries, television, and other media. Participants are led through their own discovery process, learning to use tools to manifest ideas in cinematic form.

Field Trips may be required. Formerly FILM 01. Transfer credit: CSU

GEOGRAPHIC INFORMATION SYSTEMS

Geographic Information Systems (GIS) is an integrating technology of various geospatial technologies (including digital mapping, spatial database management, remote sensing imagery, global positioning systems and route finding) that utilize cartographic, geographic, and discipline specific techniques and knowledge to support decision making and analysis in a wide array of career fields. These areas of study and employment include land surveying, crime fighting, market analysis, retail site selection, biological resource management, public works infrastructure mapping and maintenance, geological surveys, landscape architectural design, transportation planning, and any field where knowing where your assets or features are located is involved.

Proficiency Award**GEOGRAPHIC INFORMATION SYSTEMS (GIS)
Basic Competency**

(Awarded by the Department)

REQUIRED COURSES:

		Units
GIS V22/ GEOG V22	Fundamentals of Mapping and Geographic Information Systems	3
GIS V26/ GEOG V26	Introduction to Geographic Information Systems Software	2
GIS V28A/ GEOG V28A	Geographic Information Systems (GIS): Project Development	1.5
GIS V28B/ GEOG V28B	Geographic Information Systems (GIS): Advanced Project Development	1.5

TOTAL **8**

For other course descriptions, see Geography

COURSE DESCRIPTIONS**GIS V22 - FUNDAMENTALS OF MAPPING AND GEOGRAPHIC INFORMATION SYSTEMS****3 Units***Hours: 3 lecture weekly*

This course provides an introduction to mapping and geospatial technologies. This is the foundation course for the use of GIS software. It covers the history, structure, uses, hardware and software requirements, as well as the basic operations of GIS. It also examines the use of other operating geospatial technologies (paper and digital maps, aerial photography, remote sensing, and global positioning systems (GPS)). Examples will be presented for the uses of these technologies in a number of fields including business, city planning, natural resource management and scientific research. This course is recommended for anyone who is using or anticipates using any of the many types of data that can be mapped.

Field trips may be required. Same as GEOG V22. Transfer credit: CSU; UC; credit limitations - see counselor.

GIS V24 - INTRODUCTION TO GLOBAL POSITIONING SYSTEMS (GPS)**0.5 Unit***Hours: 1.5 laboratory weekly*

This course is designed to introduce Global Positioning Systems (GPS) to those who are considering using a hand-held GPS receiver for navigating in recreational activities, work, or research. The course will be a combination of classroom instruction and practical hands-on exercises.

Field trips may be required. Same as GEOG V24. Offered on a pass/no pass basis only.

GIS V26 - INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS SOFTWARE**2 Units***Hours: 2 lecture weekly*

This course is a hands-on computer-based mapping course covering the elements and procedures of using a Geographic Information Systems (GIS) software package (ArcGIS) to learn GIS concepts. It covers all of the basic concepts and skills needed for operating GIS including creating and editing digital maps, database access and editing, basic cartographic principles, and introductory GIS analysis. It also reviews various application areas that use GIS.

Field trips may be required. Same as GEOG V26. Transfer credit: CSU; credit limitations - see counselor.

**GIS V28A - GEOGRAPHIC INFORMATION SYSTEMS (GIS):
PROJECT DEVELOPMENT 1.5 Units**

Recommended Preparation: GIS V26 or GEOG V26 or equivalent skills

Hours: 1 lecture, 1.5 laboratory weekly

This course is an exploration of various Geographic Information Systems (GIS) techniques and concepts through an active learning approach. Students will define, propose, design, and execute a project that will incorporate GIS skills and knowledge.

Field trips may be required. Formerly GIS V28. Same as GEOG V28A.

**GIS V28B - GEOGRAPHIC INFORMATION SYSTEMS (GIS):
ADVANCED PROJECT DEVELOPMENT 1.5 Units**

Recommended Preparation: GEOG V28A or GIS V28A or significant previous

GIS project work

Hours: 1 lecture, 1.5 laboratory weekly

This course is follow up to the project development work done in GEOG/GIS V28A. Various advanced Geographic Information Systems (GIS) techniques and concepts will be explored through an active learning approach. Students will define, propose, design, and execute a project which will incorporate advanced GIS skills and knowledge.

Field trips may be required. Same as GEOG V28B.

GEOGRAPHY

Geography is a dynamic discipline that it is concerned with where things are located on the surface of the Earth, why they are located where they are, and how places are similar and/or different. Geographers further examine our interactions with the environment and how physical and cultural landscapes change through time. There are two main branches of geography: physical geography, which focuses on the processes that drive Earth's climate, create landforms, and govern the distribution of plants and animals; and human geography, which focuses on cultural phenomenon such as population, development, agriculture, language and religion. Geography students are trained to examine the spatial organization of physical features and human activities at a variety of spatial scales from local to global. A background in geography is a necessity for careers involving business, economics, planning, education, history, international relations, cartography, conservation, GIS, demography, transportation, tourism and others.

Associate in Arts Degree for Transfer

GEOGRAPHY

The Associate in Arts in Geography for Transfer Degree (Geography AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Geography for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Geography or similar programs.

To earn a Geography AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (7 units):

		Units
GEOG V01	Elements of Physical Geography	3
GEOG V01L	Elements of Physical Geography Laboratory	1
GEOG V02	Introduction to Human Geography	3
 LIST A (6-9 units):		
Select two to three (2-3) courses from the following:		
GEOG V05	Introduction to Weather and Climate	3
GEOG V06	Geography of California	3
GEOG V08	World Regional Geography	3
GEOG V16	Regional Field Studies	1
GEOG V22/ GIS V22	Fundamentals of Mapping and GIS	3
GEOG V26/ GIS V26	Introduction to GIS Software	2

LIST B (6 units):

Select two (2) courses from the following:

Any course from LIST A not already used (GEOG V05, V06, V08, V16, V22, V26; GIS V22, V26)

ANTH V02	Cultural Anthropology	3
ESRM V01/ BIOL V10	Introduction to Environmental Issues	3
ESRM V02	Introduction to Environmental Science	3
ESRM V03/ POLS V12	Introduction to Environmental Policy and Natural Resource Management	3
ESRM V11	Soil and Water Science	3
ESRM V14	Conservation of Natural Resources	3
GEOL V02	Physical Geology	3
GEOL V11	Introduction to Oceanography	3
GEOL V21	Natural Disasters	3

Major Units	19-22
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	6-20
Double-Counted Units	7-16

DEGREE TOTAL

60

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

**For other course descriptions,
see Anthropology, Environmental Science and Resource
Management, and Geology**

PROGRAM LEVEL STUDENT LEARNING OUTCOMES

Upon successful completion of the **Geography** program, students will be able to:

- Use measurements, maps, and other geospatial tools to explore the distinctive physical and human characteristics of places and region.
- To describe, explain and analyze the spatial distribution of physical processes, such as those relating to landforms, climates, biological species at various spatial scales.
- To describe, explain and analyze the interconnections between human activities and the environment at the local, regional and global scales.

COURSE DESCRIPTIONS

GEOG V01 - ELEMENTS OF PHYSICAL GEOGRAPHY 3 Units

C-ID: GEOG 110, GEOG 115 [GEOG V01 + GEOG V01L]

Hours: 3 lecture weekly

This course is a spatial study of planet earth's dynamic physical systems and processes. Topics include weather, climate, geomorphology, soils, and the biosphere. The emphasis is on interrelationships among systems and processes and their resulting patterns and distributions. Tools of geographic inquiry include maps, remote sensing, graphic data, and models.

Field trips may be required. Formerly Geog 1. Transfer credit: CSU; UC.

GEOG V01L - ELEMENTS OF PHYSICAL GEOGRAPHY LABORATORY 1 Unit

Prerequisite: GEOG V01 or concurrent enrollment

C-ID: GEOG 111, GEOG 115 [GEOG V01 + GEOG V01L]

Hours: 3 laboratory weekly

This laboratory course is designed to be the hands-on measurement, computational and data analysis portion of the physical geography course. By using specific data, either provided by the instructor or generated by the students, activities focus on the detailed aspects and general patterns associated with the hydrosphere, atmosphere, lithosphere and biosphere. Specific activities include: topographic map interpretation/use/preparation, reading/preparing charts and tables, manipulation of numerical data and learning/performing field/laboratory techniques common to the discipline.

Field trips may be required. Formerly Geog 1L. Transfer credit: CSU; UC.

GEOG V02 - INTRODUCTION TO HUMAN GEOGRAPHY 3 Units

C-ID: GEOG 120

Hours: 3 lecture weekly

This course is a study of diverse human populations, their cultural origins, diffusion, and contemporary spatial expressions. Topics include demography, languages and religions, urbanization and landscape modification, political units and nationalism, and economic systems. Consideration is given to interrelationships between human activities and the physical environment.

Formerly Geog 2. Transfer credit: CSU; UC.

GEOG V05 - INTRODUCTION TO WEATHER AND CLIMATE 3 Units

C-ID: GEOG 130

Hours: 3 lecture weekly

This course is a nontechnical study of the earth's atmospheric phenomena; the basic weather elements - temperature, pressure, and moisture conditions and the recording of data; investigation into the causes of weather and the world climate pattern.

Field trips may be required (may be scheduled on Saturday). Formerly Geog 5.

Transfer credit: CSU; UC.

GEOG V06 - GEOGRAPHY OF CALIFORNIA 3 Units

C-ID: GEOG 140

Hours: 3 lecture weekly

This course is an introduction to the geography of California - its natural setting of mountains, valleys, deserts and coastline, and how people have adapted to this unique environment. Topics to be examined include weather and climate, agricultural activities, settlement patterns, use of natural resources, industry and manufacturing, and the problems facing California today.

Field trips may be required (may be scheduled on Saturday). Formerly Geog 6.

Transfer credit: CSU; UC.

GEOG V08 - WORLD REGIONAL GEOGRAPHY 3 Units

C-ID: GEOG 125

Hours: 3 lecture weekly

This course is an introduction to the world's major geographic regions and the environmental issues they face as seen through the lens of modern geographic tools like Global Positioning Systems (GPS) and Geographic Information Systems (GIS). Topics will include: survey of population distribution, cultural patterns, political structures and strife, and economic development; general land use patterns and resource utilization and their correlation with environment elements including weather, climate, water resources, and landforms; interpretation of maps and other geographic imagery; and an emphasis on geography's uniquely spatial perspective within an interdisciplinary approach.

Transfer credit: CSU; UC.

GEOG V16 - REGIONAL FIELD STUDIES 1 Unit

C-ID: GEOG 160

Hours: 0.5 lecture, 1.5 laboratory weekly

Field experiences are designed to apply basic geographic concepts and techniques in the study of diverse landscapes and the processes shaping them. The course will cover physical and cultural processes, characteristics, and landscapes of California and the Southwest. Spatial patterns of historic settlement, land use, wild land preservation, industry, economic development, and tourism will also be explored. Students will observe and analyze the geomorphic processes that shape landforms and evaluate the interrelationships between the physical and cultural environment. This course exposes students to the methods and techniques commonly used by geographers while conducting fieldwork. Thematic emphasis will vary depending on location.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU.

GEOG V22 - FUNDAMENTALS OF MAPPING AND GEOGRAPHIC INFORMATION SYSTEMS 3 Units

C-ID: GEOG 150

Hours: 3 lecture weekly

This course provides an introduction to mapping and geospatial technologies. This is the foundation course for the use of GIS software. It covers the history, structure, uses, hardware and software requirements, as well as the basic operations of GIS. It also examines the use of other operating geospatial technologies (paper and digital maps, aerial photography, remote sensing, and global positioning systems (GPS)). Examples will be presented for the uses of these technologies in a number of fields including business, city planning, natural resource management and scientific research. This course is recommended for anyone who is using or anticipates using any of the many types of data that can be mapped.

Field trips may be required. Same as GIS V22. Transfer credit: CSU; UC; credit limitations - see counselor.

GEOG V24 - INTRODUCTION TO GLOBAL POSITIONING SYSTEMS (GPS) 0.5 Unit

Hours: 1.5 laboratory weekly

This course is designed to introduce Global Positioning Systems (GPS) to those who are considering using a hand-held GPS receiver for navigating in recreational activities, work, or research. The course will be a combination of classroom instruction and practical hands-on exercises.

Field trips may be required. Same as GIS V24. Offered on a pass/no pass basis only.

GEOG V26 - INTRODUCTION TO GEOGRAPHIC INFORMATION SYSTEMS SOFTWARE **2 Units**

C-ID: GEOG 155

Hours: 2 lecture weekly

This course is a hands-on computer-based mapping course covering the elements and procedures of using a Geographic Information Systems (GIS) software package (ArcGIS) to learn GIS concepts. It covers all of the basic concepts and skills needed for operating GIS including creating and editing digital maps, database access and editing, basic cartographic principles, and introductory GIS analysis. It also reviews various application areas that use GIS.

Field trips may be required. Same as GIS V26. Transfer credit: CSU; credit limitations - see counselor.

GEOG V28A - GEOGRAPHIC INFORMATION SYSTEMS (GIS): PROJECT DEVELOPMENT **1.5 Units**

Recommended Preparation: GIS V26 or GEOG V26 or equivalent skills

Hours: 1 lecture, 1.5 laboratory weekly

This course is follow up to the project development work done in GEOG/GIS V28A. Various advanced Geographic Information Systems (GIS) techniques and concepts will be explored through an active learning approach. Students will define, propose, design, and execute a project which will incorporate advanced GIS skills and knowledge.

Field trips may be required. Formerly GEOG V28. Same as GIS V28A.

GEOG V28B - GEOGRAPHIC INFORMATION SYSTEMS (GIS): ADVANCED PROJECT DEVELOPMENT **1.5 Units**

Recommended Preparation: GEOG V28A or GIS V28A or significant previous GIS project work

Hours: 1 lecture, 1.5 laboratory weekly

This course is follow up to the project development work done in GEOG/GIS V28A. Various advanced Geographic Information Systems (GIS) techniques and concepts will be explored through an active learning approach. Students will define, propose, design, and execute a project which will incorporate advanced GIS skills and knowledge.

Field trips may be required. Same as GIS V28B.

GEOG V88 - GEOGRAPHY WORKSHOPS **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

GEOG V89 - WORKSHOPS IN GEOGRAPHY **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly Geog 89. Transfer credit: CSU; for UC, determined after admission.

GEOG V90 - DIRECTED STUDIES IN GEOGRAPHY **1-6 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Geog 90. Transfer credit: CSU; for UC, determined after admission.

GEOG V95 - GEOGRAPHY INTERNSHIP I **1-4 Units**

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience in their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitations - see counselor.

GEOG V96 - GEOGRAPHY INTERNSHIP II **1-4 Units**

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitations - see counselor.

GEOLOGY

Geology is the study of earth, including its dynamic processes and long history. This program presents a study of the physical, chemical, and biological forces at work, now and in the past, responsible for creating and modifying earth materials. This also includes a study of plate tectonics which is comprised of earthquakes, volcanos, rocks, minerals and geologic time.

Associate in Science Degree for Transfer

GEOLOGY

The Associate in Science in Geology for Transfer (Geology AS-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Student complete in the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Science in Geology for Transfer may transfer to a CSU campus to complete a bachelor's degree in Geology, Geoscience, Earth Science, or a similar program.

To earn a Geology AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (28 units):

	UNITS
GEOL V02 Physical Geology	3
GEOL V02L Physical Geology Laboratory	1
GEOL V03 Historical Geology	3
GEOL V03L Historical Geology Laboratory	1
CHEM V01A General Chemistry I	3
CHEM V01AL General Chemistry I Laboratory	2
CHEM V01B General Chemistry II	3
CHEM V01BL General Chemistry II Laboratory	2
MATH V21A Calculus with Analytic Geometry I	5
MATH V21B Calculus with Analytic Geometry II	5

CSU General Education or IGETC Pattern	37-39
Electives (CSU transferrable units to reach 60)	0-2
Double-counted units	(7)

DEGREE TOTAL 60

PROGRAM LEVEL STUDENT LEARNING OUTCOMES

Upon successful completion of the Geology program, students will be able to:

- Employ vocabulary of the subject studied.
- Apply lessons from the past or learned knowledge to new situations.
- Recognize and explain the role of fundamental geologic principles, such as plate tectonics theory and deep time.
- Apply principles of scientific reasoning to solve and defend logical hypotheses to explain observed phenomena.

COURSE DESCRIPTIONS

GEOL V02 - PHYSICAL GEOLOGY

3 Units

C-ID: GEOL 100, GEOL 101

Hours: 3 lecture weekly

This introductory course is a study of the structure and materials of the earth and its dynamic forces. Including plate tectonics, rocks and minerals, weathering, mass movements, surface and ground water, wind, waves and currents, glaciation, mountain building, volcanoes and other igneous activities, deformation and resulting structures, earthquakes, earth's interior, geologic time, and earth resources.

Field trips may be required. Formerly Geol 2. Transfer credit: CSU; UC.

GEOL V02L - PHYSICAL GEOLOGY LABORATORY

1 Unit

Prerequisite: GEOL V02 or concurrent enrollment

C-ID: GEOL 100L, GEOL 101

Hours: 3 laboratory weekly

This course introduces some of the fundamental methods and concepts of geology in a laboratory situation: rock and mineral identification, use of and interpretation of topographic and geologic maps and aerial photographs; study of earth structures and landform development.

Field trips will be required. Formerly Geol 2L. Transfer credit: CSU; UC.

GEOL V03 - HISTORICAL GEOLOGY

3 Units

C-ID: GEOL 110

Hours: 3 lecture weekly

This earth history course studies the interaction and development of planet earth's four large-scale interrelated systems: the lithosphere, biosphere, hydrosphere and atmosphere. The four-and-one-half-billion-year historical development of these four larger systems (and their many subsystems) will be interpreted and analyzed by studying evidence from earth's rock layers and fossil record. Topics will include: the basic geologic, hydrologic, atmospheric, and biologic processes at work on earth (past and present), as well as selected details related to plants, animals, rock, erosion, deposition, and the development of ocean basins, continents, and planet earth.

Field trips may be required. Formerly Geol 3. Transfer credit: CSU; UC.

GEOL V03L - HISTORICAL GEOLOGY LABORATORY

1 Unit

Prerequisite: GEOL V03 or concurrent enrollment

Hours: 3 laboratory weekly

This course introduces Earth's history and the life it supports in a laboratory setting: rock, mineral, and fossil identification; modes of fossil preservation; constructing and interpreting cladograms; interpreting geologic maps, cross sections, and stratigraphic columns; relative dating and interpreting sequences of geologic events; absolute dating; and paleogeographic reconstruction.

Field trips will be required. Transfer credit: CSU; UC.

GEOL V07 - GEOLOGY OF NATIONAL PARKS

3 Units

Hours: 3 lecture weekly

This course examines the geographic and geologic settings of selected national parks of the United States and Canada. In addition to specifics about the parks, this course will also present basic geologic principles of rivers, glaciers, wind, rock formations, fossils, deformation, coastal processes, and geologic time to clarify the history of each park. Some of the parks covered include: Grand Canyon, Zion, Bryce, Canyonlands, Petrified Forest, Mesa Verde, Carlsbad Caverns, Everglades, Yosemite, Mount Rainer, Grand Tetons, Yellowstone, Sequoia, Redwood, Big Bend, Crater Lake and the newer parks of the Channel Islands and the Great Basin.

Field trips may be required (may be scheduled on Saturday). Formerly Geol 7.

Transfer credit: CSU; UC.

GEOL V09 - EARTH SCIENCE WITH LAB

4 Units

C-ID: GEOL 121

Hours: 3 lecture, 3 laboratory weekly

An introduction to the essentials of Earth Science including the geosphere, atmosphere, hydrosphere, and solar system. This course focuses on the interactions between physical and chemical systems of the Earth such as the tectonic cycle, rock cycle, hydrologic cycle, weather and climate.

Field trips may be required. Transfer credit: CSU; UC.

GEOL V11 - INTRODUCTION TO OCEANOGRAPHY

3 Units

Hours: 3 lecture weekly

Oceanography is a broad interdisciplinary field focused on the common goal of understanding earth's oceans. It draws subject matter from geology, geography, geophysics, chemistry, meteorology and biology. Its goals are knowledge about processes and interrelationships of the many subsystems which comprise the world's oceans. Specific topic areas include: a history of oceanographic research, the role of tectonic plates in oceans, features of the seafloor, the chemistry of seawater, movements of the ocean's water, coastal environments, life forms/conditions of oceans/seafloor as well as atmospheric/oceanic interactions.

Field trips may be required (may be scheduled on Saturday). Formerly Geol 11.

Transfer credit: CSU; UC.

GEOL V21 - NATURAL DISASTERS

3 Units

Hours: 3 lecture weekly

This course deals with natural disasters that have occurred, possible mitigation of hazards and identification of potential future disasters related to geologic hazards (geohazards). Subjects covered will include natural events such as volcanoes, earthquakes, landslides, floods, fire, hurricanes, tornadoes, coastal erosion, short-term climate changes, mass extinctions, earth impacts, and their effects on humans. Fundamental geologic and atmospheric principles will be presented to support the understanding of each of these processes as well as numerous case histories of historic natural disasters.

Field trips may be required (may be scheduled on Saturday). Transfer credit: CSU; UC.

GEOL V88 - GEOLOGY WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

GEOL V89 - WORKSHOPS IN GEOLOGY

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly Geol 89. Transfer credit: CSU; for UC, determined after admission.

GERMAN

The German courses prepare students with communication skills and provide an understanding of the German culture. The German courses provide instruction to develop proficiency skills in aural comprehension, speaking, reading, and writing. The beginning level courses introduce basic grammar, vocabulary, communicative functions, and culture. The intermediate level courses continue development of proficiency skills through discussion of films, periodicals, and literary works to increase vocabulary, cultural awareness, and knowledge of linguistic variations.

COURSE DESCRIPTIONS

GERM V01 - ELEMENTARY GERMAN I

5 Units

Hours: 5 lecture weekly

This course introduces German language skills in communication, comprehension, pronunciation, elementary principles of grammar, reading of prose, and simple composition. The development of oral-aural skills will be emphasized throughout the course and supplemented by use of web-based materials. Introductory cultural material will be provided to stimulate interest in and to develop an understanding and appreciation of the German-speaking peoples and countries.

Field trips may be required. Formerly Ger 1. Transfer credit: CSU; UC.

GERM V02 - ELEMENTARY GERMAN II

5 Units

Prerequisite: GERM V01 or 2 years of high school German or equivalent

Hours: 5 lecture weekly

This course provides continued instruction in communication, comprehension, and pronunciation skills in German through communicative activities, the study of German grammar, and the reading of simple texts. Beginning composition skills will be further developed. Progress in developing oral-aural skills will be emphasized throughout the course and supplemented by web-based materials. Cultural material will be provided to stimulate interest in and to develop an understanding and appreciation of the German-speaking peoples and countries.

Field trips may be required. Formerly Ger 2. Transfer credit: CSU; UC.

GERM V51A - SITUATIONAL CONVERSATION IN GERMAN I

3 Units

Prerequisite: GERM V01 or 2 years of high school German or equivalent

Hours: 3 lecture weekly

This course is designed to give the student with some knowledge of German further opportunity to practice the language through conversation, discussion groups, role-playing, and other activities in German.

Field trips may be required. Transfer credit: CSU.

GERM V88 - GERMAN WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

GERM V89 - WORKSHOPS IN GERMAN

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Ger 89. Transfer credit: CSU; for UC, determined after admission.

GLOBAL AND INTERNATIONAL STUDIES

Problems of security, development, ethnic conflict, human rights, health, and the environment are increasingly confronted at a global rather than a national level. Political events, economic, and military events throughout the world impact our lives with the rapidness of our high speed modern communication. As the global exchange of awareness increases there is an equally increasing demand for International Studies graduates. This program offers a diverse and interdisciplinary curriculum allowing students to choose one of the following areas of emphasis: African Studies, Asian Studies, Business and Economics, Communication/Literature/Arts, European/Western World, Global Environment, International Politics and Diplomacy, and Latin American/American Studies. Students graduating with a Global and International Studies Associate in Arts degree are seeing an increasing demand. Universities have been increasing their offerings of International Studies majors to meet the growing demand for students that are educated with a global perspective. This major prepares students for transferring to International Studies programs at four-year colleges and universities. Since a great portion of high tech, pharmaceutical and other U.S. products are exported, a double major with one in Global Studies substantially increases employment opportunities. For those students not choosing to major in International Studies this program offers a strong foundation in basic global knowledge which today is a prerequisite for conducting business in most successful enterprises, and helps those students prepare for related occupational and vocational opportunities which are rapidly growing in this area.

Associate in Arts Degree

GLOBAL AND INTERNATIONAL STUDIES

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:		Units
POLS V02	Comparative Government	3
POLS V05	Introduction to International Relations	3
REQUIRED ADDITIONAL COURSE:		
Select one (1) of the following courses:		
ANTH V02	Cultural Anthropology	3
ANTH V06	Anthropology of Women	3
ESRM V03/ POLS V12	Introduction to Environmental Policy and Natural Resources Management	3
GEOG V02	Introduction to Human Geography	3
HIST V18A	World History I	3
HIST V18B	World History II	3
PHIL V03A	Survey of World Religions: East	3
PHIL V03B	Survey of World Religions: West	3
POLS V03	Introduction to Political Science	3

REQUIRED FOREIGN LANGUAGE:

Must demonstrate competency in a modern foreign language (currently used in everyday life) equal to a one-year sequence at the college level of the same language 0-10

REQUIRED ADDITIONAL COURSES FOR SPECIALIZATION AREAS:

Select one (1) of the following areas and complete nine (9) to ten (10) units from the required and optional choice lists:

AFRICAN STUDIES AREA: REQUIRED COURSES:

HIST V14A/ AES V42A	African History to 1800	3
HIST V14B/ AES V42B	African History Since 1800	3

Select one (1) of the following courses:

ART V03/ AES V10	Introduction to African and Pre-Columbian Art	3
ENGL V33	Introduction to African American Literature	3
HIST V03A/ AES V40A	United States History: Focus on African Americans I	3
HIST V03B/ AES V40B	United States History: Focus on African Americans II	3

ASIAN STUDIES AREA: Required courses:

HIST V15/ AES V61	Introduction to the History of East Asia	3
PHIL V03A	Survey of World Religions: East	3
PHIL V09	Zen Buddhism	3

BUSINESS/ECONOMICS AREA: REQUIRED COURSES:

BUS V43	Introduction to International Business	3
ECON V01A	Principles of Macroeconomics	3

Select one (1) of the following courses:

ECON V01B	Principles of Microeconomics	3
GEOG V01	Elements of Physical Geography	3
GEOL V02	Physical Geology	3
POLS V16	Government and the Economy	3
PSY V04	Introductory Statistics for the Social and Behavioral Sciences	4

COMMUNICATION/LITERATURE/ARTS AREA: REQUIRED COURSES:

PSY V30	Multicultural Psychology	3
PSY V31/ SOC V31	Introduction to Social Psychology	3

Select one (1) of the following courses:

ANTH V02	Cultural Anthropology	3
ANTH V06	Anthropology of Women	3
ART V02A	Introduction to the History of Western Art I	3
ART V02B	Introduction to the History of Western Art I & II	3
ART V02C/ AES V67	Introduction to Non-Western Art	3
ENGL V30	Survey of World Literature I	3
ENGL V31	Survey of World Literature II	3
ENGL V33	Introduction to African American Literature	3
ENGL V34	Introduction to Chicano Literature	3
ENGL V35	Multicultural American Literature	3
GEOG V02	Introduction to Human Geography	3
COMM V16	Mass Communication	3
MUS V03	Introduction to World Music	3
MUS V09A	Music History and Literature I	3
MUS V09B	Music History and Literature II	3
SOC V03/ AES V11	Racial and Ethnic Group Relations	3

EUROPE/WESTERN WORLD STUDIES AREA:**REQUIRED COURSES:**

HIST V01A	Introduction to Western Civilization I	3
HIST V01B	Introduction to Western Civilization II	3

Select one (1) of the following courses:

ENGL V30	Survey of World Literature I	3
ENGL V31	Survey of World Literature II	3
PHIL V03B	Survey of World Religions: West	3
PHIL V06A	History of Western Philosophy I: Ancient Through Medieval	3
PHIL V06B	History of Western Philosophy II: Modern Through Contemporary	3
POLS V04	Introduction to Political Theory	3

GLOBAL ENVIRONMENT AREA:**REQUIRED COURSES:**

ESRM V01/ BIOL V10	Introduction to Environmental Issues	3
ESRM V03/ POLS V12	Introduction to Environmental Policy and Natural Resource Management	3

Select one (1) of the following courses:

ESRM V02	Introduction to Environmental Science	3
ESRM V14	Conservation of Natural Resources	3
GEOG V01	Elements of Physical Geography	3
GEOG V08	World Regional Geography	3

INTERNATIONAL POLITICS AND DIPLOMACY AREA:**REQUIRED COURSES:**

HIST V18B	World History II	3
POLS V14	Global Studies	3

Select one (1) of the following courses:

HIST V16	United States History: Focus on Foreign Relations	3
HIST V18A	World History I	3
HIST V21	History of the Modern Middle East	3
POLS V10	The United Nations and World Affairs	4
POLS V15	Revolution and Mass Movement	3

LATIN AMERICAN/AMERICAN STUDIES AREA:**REQUIRED COURSES:**

HIST V04A	History of the Americas I	3
HIST V04B	History of the Americas II	3

Select one (1) of the following courses:

ANTH V04/ AES V01	Native Peoples of North America	3
ART V09/ AES V66	Introduction to Modern and Contemporary Latin American Art	3
HIST V05A/ AES V02A	United States History: Focus on Native Americans I	3
HIST V05B/ AES V02B	United States History: Focus on Native Americans II	3
HIST V10A/ AES V21A	The Heritage of Mexico I	3
HIST V10B/ AES V21B	The Heritage of Mexico II	3
POLS V09	United States - Mexico Relations	3
POLS V11	Government and Politics of Mexico	3

TOTAL	18-29
--------------	--------------

For course descriptions, see American Ethnic Studies, Anthropology, Art, Asian American Studies, Biology, Business, Economics, English, Environmental Science and Resource Management, Geography, Geology, History, Music, Philosophy, Political Science, Psychology, Sociology, and Spanish

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Global and International Studies** program students will be able to:

- Demonstrate an understanding of international and global concepts, institutions, and issues.

GUIDANCE WORKSHOP

See Counseling

HEALTH EDUCATION

The objective of the Health Education Program is to enrich the students' education, career, and life by learning integrated wellness strategies. This helps promote a healthy lifestyle as well as to prepare students for higher education and professional careers in the health industry. With a foundation based in liberal arts and the natural and behavioral sciences, the curriculum is directed to prepare students for the multitude of activities in the health profession. Transfer students interested in specializing in Health Education who wish to qualify for an Associates Degree could explore Nursing Science or Holistic Health Studies as a possible major.

Associate in Science Degree

PUBLIC HEALTH SCIENCE FOR TRANSFER

The Associate in Science in Public Health Science for Transfer degree offers students an opportunity to enrich their education with an emphasis on improved health as well as prepare students for transfer to bachelor degree programs such as Health Science, Health Education, and Public Health.

The Associate in Science in Public Health Science for Transfer degree is intended for students who plan to complete a bachelor's degree in Health Science or a similar major at a California State University. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

Students should consult with a counselor for the best transfer option to a CSU campus or major that will fulfill their educational needs.

To earn a Public Health Science for Transfer degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a C or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is not an acceptable grade for courses in the major.

REQUIRED COURSES (30 units):		UNITS
HED V01	Health and Wellness	3
HED V20	Introduction to Public Health	3
MATH V44	Elementary Statistics	4
PSY V01	Introduction to Psychology	3
BIOL V01	Principles of Biology	3

Double-Counted Units	(15-19)

DEGREE TOTAL **60**

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see Anatomy, Biology, Chemistry, Economics, Kinesiology, Mathematics, Physiology, Psychology, Sociology

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Public Health Science** program students will be able to:

- Identify health promotion strategies for prevention, detection, and control of infectious and chronic disease.
- Ascertain current public health issues and describe how they affect societal well-being among specific populations.
- Communicate factors associated with the abuse of alcohol and other drugs, including populations at the greatest risk, and discuss strategies for prevention.

COURSE DESCRIPTIONS

HED V01 - HEALTH AND WELLNESS **3 Units**

C-ID: PHS 100

Hours: 3 lecture weekly

This course introduces basic concepts of wellness including ways of achieving optimum health. Topics will include stress management; psychosocial health; components of physical fitness; nutrition; weight management; relationships and sexual health; cancer, diabetes, and heart disease; substance abuse and addictive behavior; infectious diseases, including sexually transmitted infections; preventing violence and abuse; and environmental health.

Formerly HED V93. Transfer credit: CSU, UC; credit limitations - see counselor.

HED V20 - INTRODUCTION TO PUBLIC HEALTH **3 Units**

C-ID: PHS 101

Hours: 3 lecture weekly

This course provides an introduction to the discipline of Public Health. Students will gain an understanding of the basic concepts, terminologies, and history of public health. An overview of the functions of various public health professions and institutions, and an in-depth examination of the core public health disciplines is covered. Topics include epidemiology of infectious and chronic disease; prevention and control of diseases in the community including the analysis of the social determinants of health and strategies for eliminating disease, illness and health disparities among various populations; community organizing and health promotion programming; environmental health and safety; global health; and healthcare policy and management.

Field trips may be required. Transfer credit: CSU; UC.

HED V22 - HEALTH AND SOCIAL JUSTICE **3 Units**

C-ID: PHS 102

Hours: 3 lecture weekly

This course provides an introduction to health inequities in the United States which stem from unequal living conditions. Students will explore how education, socioeconomic status, racism, and gender shape health epidemics and policy development. The basic skills necessary for advocating for health and social justice will be theoretically demonstrated.

Field trips may be required. Transfer credit: CSU; UC.

HED V24 - DRUGS, HEALTH, AND SOCIETY **3 Units**

C-ID: PHS 103

Hours: 3 lecture weekly

This course provides an overview of the epidemiology and toxicology of substance abuse and its relevance to personal and public health. Students will be introduced to the concept of substance abuse and dependence, the definition of licit and illicit drugs, and the pharmacologic, neurologic, and physiologic effects of selected substances on the human brain. Political, social, and economic factors involved in the supply and demand for drugs will be discussed. Epidemiologic data on the prevalence, incidence, and trends of smoking, alcohol, prescription, and other drug dependencies in the U.S. will be covered, as well as risk factors associated with the use and abuse of these substances. Current options for recovery and a survey of local resources will be reviewed.

Field trips may be required. Transfer credit: CSU; UC.

HED V32 - PRINCIPLES OF FOOD WITH LAB **3 Units**

C-ID: NUTR 120

Hours: 2 lecture, 3 laboratory weekly

This is an introductory course covering the principles of nutrition and food preparation. Topics include food science principles, terminology, weights and measures, food techniques, ingredient functions and interactions, sanitation, safety, equipment, storage standards, menu planning, nutrient composition, and retention.

Field trips may be required. Transfer credit: CSU.

HED V70 - SPIRITUAL HEALTH **3 Units**

Hours: 3 lecture weekly

This course will allow students to explore, in depth, the impact of the spiritual dimension of health within their own individual state of wellness and to explore different ways to build a spiritual life. Topics include: the difference between spiritual health and religion; history of spiritual practices throughout the world; components of spiritual health; review of current mind-body medical research; connectedness; building and strengthening one's spiritual life; opening one's heart; meditation, contemplation, mindfulness, and imagery; and, integrating spiritual wellness into the treatment of illness and disease, dying and grief. Students will practice techniques in mindfulness, visual imagery, and meditation.

Field trips may be required. Formerly HED V60B. Transfer credit: CSU; UC.

HED V71 - SURVEY OF ALTERNATIVE AND INTEGRATIVE MEDICINE **3 Units**

Hours: 3 lecture weekly

This course introduces students to various alternative medicine modalities and health practices. Topics include: acupuncture, acupressure, herbal medicine, hypnosis, nutrition therapy, chiropractic, massage therapy, biofeedback, homeopathy, ayurvedic medicine, detoxification, naturopathy, and bio-energy. Students will learn to analyze and evaluate the efficacy of the alternative medicine practices and discuss how they can be integrated with allopathic medicine.

Formerly HED V91. Transfer credit: CSU.

HED V73 - INTRODUCTION TO HOLISTIC HEALTH AND HEALING **3 Units**

Hours: 3 lecture weekly

Students will explore and examine global, cultural, ecological, scientific, spiritual, and historical influences upon humanity's perceptions and practices of health and healing. A comparison of holistic traditions and therapeutic impacts will be analyzed and discussed. Topics will include: healing philosophies; homeopathic and allopathic approaches; healthcare systems; healing sources and systems; persuasion and intention; and, health practices of the future. Holistic healing processes involving the interconnectedness of mind, body and spirit will be emphasized.

Transfer credit: CSU.

HED V76 - MANAGING STRESS **3 Units**

Hours: 3 lecture weekly

This course introduces the student to the physiology of the stress response and the return to homeostasis. Topics include the symptoms of stress overload and burnout; the effects of stress on the cardiovascular, immune, and digestive systems; and the effects of chronic stress on a person's psychological health, including problems of sleep, concentration, and memory. Coping strategies, including downshifting, time management, assertiveness, communication skills, overcoming procrastination, and developing a social support system will be introduced. Stress reduction techniques, including breathing exercises, mind-body techniques, music therapy, mental imagery, physical activity, autogenics, mindfulness, progressive muscle relaxation, the relaxation response, and meditation will be explored.

Transfer credit: CSU.

HED V82 - HEALTH AND FITNESS ACTIVITIES 3 Units

Hours: 2.5 lecture, 1.5 laboratory weekly

This course is designed to explore health and physical fitness issues, such as nutrition, cancer, stress, weight management, aerobic and strength training, and addictive substances. In addition, students will have the opportunity to apply their understanding of health and physical fitness through fitness assessment, activities, and applied exercise physiology in a lab setting. Students will also develop individualized exercise prescriptions to attain better health.

Field trips will be required. Transfer credit: CSU; UC.

HED V87 - NUTRITION 3 Units

C-ID: NUTR 110

Hours: 3 lecture weekly

Human nutrition will be studied through a critical examination of the principles of nutrition science as they relate to health. Topics will include health and food choices, nutrient needs and dietary analysis, energy nutrients and energy balance, vitamins, minerals, sports nutrition, supplements, food safety, diet and disease, fad diets, genetically modified foods, and global nutrition. Formerly HEC V10. Transfer credit: CSU; UC.

HED V88 - HEALTH EDUCATION WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

HED V89 - WORKSHOPS IN HEALTH EDUCATION 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly HED 89. Transfer credit: CSU.

HED V90 - DIRECTED STUDIES IN HEALTH EDUCATION 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly HED 90. Transfer credit: CSU.

HED V95 - HEALTH AND WELLNESS: DESIGNED FOR WOMEN 3 Units

Hours: 3 lecture weekly

This course introduces basic concepts of wellness, including ways of achieving optimum health. Topics will include: history of women's healthcare; concepts of health and wellness; stress management; psychosocial health; physical fitness; nutrition; weight management; relationships and sexual health; reproduction; cancer, diabetes and heart disease; substance abuse and addictive behavior; infectious diseases, including sexually transmitted infections; preventing violence against women; occupational health, consumerism; spirituality and, environmental health.

Formerly HED 95. Transfer credit: CSU; UC; credit limitations - see counselor.

HED V97 - FUNDAMENTALS OF NUTRITION AND FITNESS 3 Units

Hours: 3 lecture weekly

This course is a study of the human body's adaptation to exercise and the role of nutrition in health, athletic performance, and disease prevention. Topics will include: current principles and concepts related to body composition; cardiovascular adaptations to exercise; theory of flexibility, muscle strength and endurance training; nutrition for health and athletic performance, diet analysis, weight management; eating disorders; stress; and, prevention of diabetes and cardiovascular disease.

Formerly HED 97. Transfer credit: CSU; UC.

HEALTH SCIENCES

HS V10 - CERTIFIED NURSE ASSISTANT

6 Units

Recommended Preparation: the California Department of Public Health may deny certification to those with criminal records

Limitations: current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; fingerprinting; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; and must have a valid social security card to apply to the Department of Health Services for certification

Hours: 3.5 lecture, 7.5 laboratory weekly

This course will prepare the student to apply for certification to practice as a nurse assistant, providing care to clients in a variety of health care settings. Theory presentation will be coordinated with clinical practice in skilled nursing facilities to complete the state required curriculum including topics such as patient rights, interpersonal skills, safety, asepsis, clinical skills, nutrition, rehabilitation, documentation and death and dying. Upon completion of this course with a grade of C or better, the student will be eligible to take the certification exam from the California Department of Health Services. This course fulfills the health education requirement for an associate degree.

Field trips will be required. Formerly HS 10.

HS V12 - HOME HEALTH AIDE

2 Units

Limitations: current CNA certification and CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; fingerprinting; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings

Hours: 1.5 lecture, 1.5 laboratory weekly

This course is designed to prepare the student to apply for employment and practice as a nurse assistant/home health aide, providing care to clients in the home or hospice setting who are unable to care for themselves.

Field trips will be required. Formerly HS 12. Offered on a pass/no pass basis only.

HS V88 - HEALTH SCIENCE WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly HS V89.

HS V95 - HEALTH SCIENCE INTERNSHIP I

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Limitations: current CPR certification for health care provider or professional rescuer; current malpractice insurance; meet all clinical facility requirements; fingerprint clearance if required by statute; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; and approval of ADN director

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

HS V96 - HEALTH SCIENCE INTERNSHIP II

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Limitations: current CPR certification for health care provider or professional rescuer; current malpractice insurance; meet all clinical facility requirements; fingerprint clearance if required by statute; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; and approval of ADN director

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

HISTORY

Through the critical evaluation of the causes and significance of events in the past, students of history learn about the individuals, ideas, actions, and events that have shaped our present. History teaches students to find and interpret relevant information and to evaluate the authority and bias of information. It promotes an understanding of cultures and societies from the past while it helps students consider their own identities in the world of today. A student graduating with an Associate of Arts degree in History will usually transfer to a four-year institution to complete a Bachelor's Degree. History is an excellent preparation for careers in teaching, law, business, communications, journalism, librarianship, archival and research work, public administration and a wide variety of public service and government careers. Professional schools in these and related fields are looking for students who can weigh conflicting evidence, evaluate alternative courses of action or divergent points of view, and express conclusions logically and clearly. For students that are not majoring in History, this subject area meets important transfer requirements and promotes a basic understanding of the world.

Associate in Arts Degree

HISTORY FOR TRANSFER

The Associate in Arts in History for Transfer Degree (History AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in History for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Art History, Communication, Education, History or similar programs.

To earn a History AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (9 units):		UNITS
HIST V07A	United States History I	3
HIST V07B	United States History II	3
LIST A (6 Units):		
HIST V18A	World History I	3

Any course in a language other than English which is articulated as fulfilling CSU GE Area C2 3-5 (FREN V01, V02, V03, V04; GERM V01, V02, V03, V04; ITAL V01, V02, V03, V04; JAPN V01, V02; SL V010A, V10B, V10C; SPAN V01, V02, V03, V04)

GROUP 2 (3 Units)

Any history course (including LIST A courses, if not used above) or any non-history course from the humanities or social sciences related to history articulated as fulfilling CSU GE Area C or D or any introductory level social sciences course articulated as fulfilling CSU GE Area D. 3

Please refer to CSU General Education-Breadth Certification (may be found in the Counseling Office or in the VC Catalog on page 75).

Major Units	18-21
CSU General Education or IGETC-CSU Pattern Electives (CSU transferrable units to reach 60)	37-39
Double-Counted Units	(14)

DEGREE TOTAL **60**

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see French, German, Italian, Japanese, and Spanish

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **History** program students will be able to:

- Demonstrate an understanding of the effects of time and place on the human experience.
- Assess and/or evaluate the cause and effect of historical development.
- Appraise the significance of people, places, and events to the larger themes of history.

COURSE DESCRIPTIONS

HIST V01A - INTRODUCTION TO WESTERN CIVILIZATION I 3 Units

C-ID: HIST 170

Hours: 3 lecture weekly

This course surveys the history of Western Civilization from prehistory to 1648. Emphasis will be placed on important ideas, institutions, and contributions of each major period of history in the development of Western Civilization.

Transfer credit: CSU; UC.

HIST V01B - INTRODUCTION TO WESTERN CIVILIZATION II 3 Units

C-ID: HIST 180

Hours: 3 lecture weekly

This course surveys the history of Western Civilization from 1648 to the present. Emphasis will be placed on the important ideas, institutions, and contributions of each major period of history in the development of modern society.

Formerly Hist 1B. Transfer credit: CSU; UC.

HIST V02A - UNITED STATES HISTORY: FOCUS ON WOMEN I 3 Units

Hours: 3 lecture weekly

This course surveys the history of the United States from the colonial period through Reconstruction. Emphasis will be placed on the history of the country with a focus on the role and participation of women in the development of American society, its social, political, and economic institutions.

Field trips may be required. Formerly Hist 2A. Transfer credit: CSU; UC; credit limitations - see counselor.

**HIST V02B - UNITED STATES HISTORY:
FOCUS ON WOMEN II** **3 Units**

Hours: 3 lecture weekly

This course surveys the history of the United States from the Reconstruction era to the present. Emphasis will be placed on the history of the country with a focus on the participation and contributions made by women to the social, political and economic development of American society. Attention will be paid to the development of the feminist movement and the role of women in contemporary America.

Field trips may be required. Formerly Hist 2B. Transfer credit: CSU; UC; credit limitations - see counselor.

**HIST V03A - UNITED STATES HISTORY:
FOCUS ON AFRICAN AMERICANS I** **3 Units**

Hours: 3 lecture weekly

This course will explore the history of the United States from the colonial period through Reconstruction with emphasis placed on the role of African Americans. Starting in colonial America, the course will emphasize the contributions, institutions, trends, concepts, movements and problems relevant to the country in general and to African Americans in particular. A balanced focus will be placed on social, political, economic and intellectual considerations.

Field trips may be required. Formerly Hist 3A. Same as AES V40A. Transfer credit: CSU; UC; credit limitations - see counselor.

**HIST V03B - UNITED STATES HISTORY:
FOCUS ON AFRICAN AMERICANS II** **3 Units**

Hours: 3 lecture weekly

This course will explore the history of the United States from the Civil War and Reconstruction to the present. It will begin with the struggles the nation faced to reconstruct the Union and to accommodate the newly freed African Americans as citizens of the nation, and trace the parallel struggles of the nation itself and those African American citizens to become one united nation. The course will also analyze Constitutional amendments, industrialization, Jim Crow laws, the Populist Party, the Spanish American War, and subsequent American wars. It will analyze the significant political, cultural, and economic changes in the post World War II era, including the Civil Rights movement and various attempts to address issues of poverty and incomplete citizenship for African Americans and other minorities. The course will emphasize the roles, involvement, and contributions of African Americans, as well as relevant institutions, trends, concepts, movements, and problems. A balanced focus will be placed on social, political, economic, and intellectual considerations.

Field trips may be required. Formerly Hist 3B. Same as AES V40B. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V04A - HISTORY OF THE AMERICAS I **3 Units**

Hours: 3 lecture weekly

This course presents a general survey of the history of the Western hemisphere from its European discovery to the wars of independence. Emphasis is placed on European heritage and the planting of the colonial societies in the new world, influence of native civilization and geographical environment, colonial policy, commerce, industry, culture, and expansion.

Field trips may be required. Formerly Hist 4A. Transfer credit: CSU; UC.

HIST V04B - HISTORY OF THE AMERICAS II **3 Units**

Hours: 3 lecture weekly

This course presents a survey of the history of the Americas in general and the United States more specifically. The course will span the political and cultural history of the Americas from Independence to the present. Emphasis is placed on understanding the divergent experiences of national development and the impact they have on the American population and on relationships with other countries in the American hemisphere. The course will also recount the social, political and cultural experiences of Latinos in the United States.

Field trips may be required. Formerly Hist 4B. Transfer credit: CSU; UC.

**HIST V05A - UNITED STATES HISTORY:
FOCUS ON NATIVE AMERICANS I** **3 Units**

Hours: 3 lecture weekly

This course presents a survey and analysis of United States history from the colonial period through Reconstruction with an emphasis on the role of Native American Indian/indigenous American peoples. The course emphasizes basic social, political, economic and intellectual concepts and developments of the country in general and the impact of/on Native American Indian peoples in particular.

Field trips may be required. Formerly Hist 5A. Same as AES V02A. Transfer credit: CSU; UC; credit limitations - see counselor.

**HIST V05B - UNITED STATES HISTORY:
FOCUS ON NATIVE AMERICANS II** **3 Units**

Hours: 3 lecture weekly

This course presents a survey and analysis of United States history from the Civil War to the present, with emphases on the role and history of Native American Indians, changing United States Indian policy, and the interactions between divergent cultures. The course emphasizes basic American social, political, economic, and intellectual concepts and developments of the country in general, and the impact of/on Native American Indian peoples in particular. It requires students to analyze a variety of materials, think critically, and write thesis-based essays and/or research papers.

Field trips may be required. Formerly Hist 5B. Same as AES V02B. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V07A - UNITED STATES HISTORY I **3 Units**

C-ID: HIST 130

Hours: 3 lecture weekly

This course presents a survey of the significant personalities, groups, ideas, events, institutions and trends contributing to the pluralistic American heritage from the Colonial period through the Reconstruction.

Formerly Hist 7A. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V07B - UNITED STATES HISTORY II **3 Units**

C-ID: HIST 140

Hours: 3 lecture weekly

This course presents a survey of the significant personalities, groups, ideas, events, institutions and trends contributing to the pluralistic American heritage from the end of the Civil War to the present.

Formerly Hist 7B. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V08 - HISTORY OF CALIFORNIA **3 Units**

Hours: 3 lecture weekly

This course surveys California's development from Native American societies through the Spanish, Mexican and American periods to the present. Emphasis will be placed on analyzing the contributions of significant personalities, groups, ideas, events, institutions, and trends at key points in the state's history.

Field trips may be required. Formerly Hist 8. Transfer credit: CSU; UC.

HIST V10A - THE HERITAGE OF MEXICO I **3 Units**

Hours: 3 lecture weekly

This course presents major historical developments and personalities that have shaped the Mexican nation from the Pre-Columbian era to independence. Emphasis is placed on understanding the culture and customs of the Mexican people as seen throughout their history.

Field trips may be required. Formerly Hist 10A. Same as AES V21A. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V10B - THE HERITAGE OF MEXICO II**3 Units***Hours: 3 lecture weekly*

This course presents major historical developments and personalities that have shaped the Mexican nation from independence to the present time. Emphasis is placed on understanding the culture and customs of the Mexican people as seen throughout their history, plus important events in the relationship between Mexico and the United States. A portion of the course will address the role of the Mexican and the Mexican American in the United States.

Field trips may be required. Formerly Hist 10B. Same as AES V21B. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V12 - UNITED STATES HISTORY: FOCUS ON CHICANOS**3 Units***Hours: 3 lecture weekly*

This course surveys the history of the United States from the Independence to the present. Emphasis will be placed on the participation and contributions made by Chicanos to the development of American society with a focus on the major historical forces, events, and trends in American history that have impacted and shaped the cultural, social, economic, political and intellectual heritage of Mexican Americans/Chicanos in the United States.

Field trips may be required. Formerly Hist 12. Same as AES V22. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V13 - CONTEMPORARY AFRICAN AMERICAN EXPERIENCE**3 Units***Hours: 3 lecture weekly*

This course is a historically oriented study of the African American experience since World War II. Emphasis will be placed on the environmental context of the emergence of strident African American activities, and the philosophical assumptions, the rhetoric and the substance of the civil rights movement and Black power revolt. Relevant personalities, organizations, and cultural expressions will be studied in relation to one another, and in relation to existing national, political, economic, social, and intellectual institutional structures.

Field trips may be required. Formerly Hist 13. Same as AES V41. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V14A - AFRICAN HISTORY TO 1800**3 Units***Hours: 3 lecture weekly*

This course is a study of African history and will cover the ancient Egyptians as well as Sub-Saharan Africa and its climate, geography, culture and history. Beginning with civilizations along the Nile, the reign of Kushitic pharaohs and other ruling dynasties, this course will cover the rise and fall of great kingdoms in West Africa, the Atlantic slave trade and religion in western and central Sudan, and end around 1800.

Field trips may be required. Formerly Hist 14A. Same as AES V42A. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V14B - AFRICAN HISTORY SINCE 1800**3 Units***Hours: 3 lecture weekly*

This course is a study of the Africans since 1800. It starts with Europeans' enlightenment and humanitarian efforts and covers racism and stereotypes, European colonization in Africa, nationalistic and Messianic movements, Negritude, the African woman, independence, Afrikaners in South Africa, and the meaning of freedom. The course ends with the problems of modernization in present day Africa.

Field trips may be required. Formerly Hist 14B. Same as AES V42B. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V15 - INTRODUCTION TO THE HISTORY OF EAST ASIA**3 Units***Hours: 3 lecture weekly*

This course will present a historical survey of the countries and cultures of East Asia with a principal focus on China and Japan. An emphasis will be placed on the impact of traditional Chinese and Japanese antiquity on the present, the impact of the culture and heritage of each nation on the other, and the impact of the West on both major nations.

Field trips may be required. Formerly Hist 15. Same as AES V61. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V16 - UNITED STATES HISTORY: FOCUS ON FOREIGN RELATIONS**3 Units***Hours: 3 lecture weekly*

This course presents a survey of American foreign relations from the Revolutionary War to the present with emphasis upon more recent events and current foreign policy. The course relates foreign affairs to the evolution of American political, social, and economic institutions and is recommended for students with an interest in international relations.

Formerly Hist 16. Transfer credit: CSU; UC.

HIST V17 - UNITED STATES HISTORY: FOCUS ON ASIAN AMERICANS**3 Units***Hours: 3 lecture weekly*

This course will survey the historical experience of the United States from Independence to the present. Emphasis will be placed on the participation and contributions made by Asian Americans to the social, political, and economic development of American society with a focus on Americans of Chinese, Japanese, Korean, Southeast Asian, and South Asian ancestry. The course will examine the major historical forces and trends in American history that have impacted and shaped the social, economic, cultural, political and intellectual heritage of the Asian American in the United States.

Field trips may be required. Formerly Hist 17. Same as AES V63. Transfer credit: CSU; UC; credit limitations - see counselor.

HIST V18A - WORLD HISTORY I**3 Units****C-ID: HIST 150***Hours: 3 lecture weekly*

This course is a survey of major developments among world peoples from antiquity to 1550, with particular emphasis on the dynamic interaction and comparison of world cultures and their institutions. The focus is on the role played by social, political, economic, religious, and other cultural forces in shaping major world cultures and their histories, and the legacy of these peoples for those who followed and for our world today.

Formerly Hist 18A. Transfer credit: CSU; UC.

HIST V18B - WORLD HISTORY II**3 Units****C-ID: HIST 160***Hours: 3 lecture weekly*

This course is a survey of world history from the sixteenth century to the present, with particular emphasis on the dynamic interaction and comparison of peoples and cultures. The focus is on the role played by social, political, economic, cultural, technological, and religious forces in shaping the histories of the major regional civilizations of the world, the interactions of the various civilizations, and their collective contributions to our global community.

Formerly Hist 18B. Transfer credit: CSU; UC.

HIST V21 - HISTORY OF THE MODERN MIDDLE EAST**3 Units***Hours: 3 lecture weekly*

This course examines the history of the Middle East from 1800 to the present. Its geographic focus will be Egypt, the Fertile Crescent, Arabia, Iran, and Turkey. Particular emphasis is given to the relationship between Islam and the social/political history of the Middle East; the impact of Western imperialism and the process of decolonization; and the historical roots of contemporary policy issues.

Transfer credit: CSU; UC.

HIST V30 - HISTORY OF THE AMERICAN WEST 3 Units

Hours: 3 lecture weekly

This course examines the American West from Pre-Columbian to modern times. Emphasis is placed upon the westward movement, the role of women and minorities in shaping the West, and the interaction of Native Americans, Hispanic Americans, Anglo Americans, and other groups who settled the region of the West (west of the 100th Meridian). The course also examines the pivotal role of resources and economic development in shaping the West. *Field trips may be required. Formerly HIST V60B. Transfer credit: CSU; UC.*

HIST V88 - HISTORY WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

HIST V89 - WORKSHOPS IN HISTORY 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Hist 89. Transfer credit: CSU; for UC, determined after admission.

HIST V90 - DIRECTED STUDIES IN HISTORY 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Hist 90. Transfer credit: CSU; for UC, determined after admission.

HOLISTIC STUDIES

The Holistic Studies emphasis assists students in developing a knowledge base of holistic principles through an interdisciplinary examination of the ways in which humanity reflects upon the essential nature of the human spirit. Students may explore the principles and beliefs of major religious and spiritual traditions that assist in the comprehension of foundational human experiences. Death, dying and grieving, ethical and moral dilemmas, finding happiness and meaning in life, and other such root experiences may be explored from varying cultural and historical perspectives. Students may also examine the effects of the healing arts, lifestyle choices, stress reduction, and alternative and integrative medicines on graceful aging, disease prevention as well as on the creation and maintenance of optimum health and wellness.

.....
**Associate in Arts Degree
General Studies Pattern I**

HOLISTIC HEALTH STUDIES EMPHASIS

The courses that fulfill the Holistic Studies area of emphasis will examine the study of the principles underlying the mind, body, spirit connection, and their relevance for guiding human beings through the major foundational experiences of life. This emphasis is visionary in nature, reflecting changes already occurring in society in general and in the local community specifically.

REQUIRED CORE COURSES: Units

HED V71	Survey of Alternative and Integrative Medicine	3
HED V73	Introduction to Holistic Health and Healing	3

REQUIRED ADDITIONAL COURSES:

Select one (1) of the following Spiritual courses:

HED V70	Spiritual Health	3
PHIL V09	Zen Buddhism	3

Select one (1) of the following Culture, Philosophy, and Religion courses:

ANTH V07	The Anthropology of Magic, Witchcraft, and Religion	3
PHIL V03A	Survey of World Religions: West	3
PHIL V03B	Survey of World Religions: East	3
SOC V02	Social Problems	3

Select one (1) of the following Health and Human Development courses:

HED V01	Health and Wellness	3
HED V76	Managing Stress	3
HED V87	Nutrition	3
HED V95	Health and Wellness: Designed for Women	3
HED V97	Fundamentals of Nutrition and Fitness	3
PSY V02	Personal Growth and Social Awareness	3

Select one (1) of the following Mind, Body, and Spirit Courses:

KIN V50A/ CJ V11A	Aikido I	1
KIN V50B	Aikido II	1
KIN V70A	Yoga I	1
KIN V70B	Yoga II	1
KIN V72	Stress Reduction Activities	1
KIN V73	Holistic Movement	1
KIN V74A	Core Balance and Fitness	1
KIN V74B	Advanced Core Balance and Fitness	1
KIN V76A	Tai Chi I	1
KIN V76B	Tai Chi II	1

Select one (1) of the following Aerobic and Resistance Training courses:

KIN V10	Aerobic and Strength Training	1
KIN V12	Bicycle Conditioning	1
KIN V14	Step Aerobics	1
KIN V16	Aerobic Kickboxing	1
KIN V18	Cardiovascular Fitness: Machine Training	1
KIN V19	Indoor Cross Fitness Training	1
KIN V20	Walking to Restore Fitness	1
KIN V21	Fitness Walking/Jogging for Cardiovascular Health	1
KIN V22	Running for Fitness	1
KIN V23	Advanced Running/Interval Training	1
KIN V26	Weight Training and Conditioning	1
KIN V28	Conditioning: Designed for Women	1
KIN V34	Circuit Training	1

Select one (1) of the following Science and the Environment courses:

BIOL V01	Principles of Biology	3
BIOL V10/		
ESRM V01	Introduction to Environmental Issues	3
BIOL V12	Principles of Human Biology	3
GEOG V01	Elements of Physical Geography	3
GEOG V02	Introduction to Human Geography	3
GEOG V06	Geography of California	3

HED V87	Nutrition	3
HED V93	Health and Wellness	3
HED V95	Health and Wellness: Designed for Women	3

TOTAL **13**

Service Requirement: A total of 16 hours of volunteer time is required. The hours can be accrued through any service learning class activity and/or through campus or community volunteering. A signature verifying completed volunteer hours is required. For more information, contact Raeann Koerner at rkoerner@vcccd.edu.

For course descriptions, see Educational Assistance Center, Health Education, and Kinesiology

For students interested in obtaining an Associate in Arts in General Studies with an Emphasis in Holistic Studies, please refer to the Associate Degree in General Studies Pattern I.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Holistic Studies** program students will be able to:

- Identify the primary factors influencing the multi-dimensional aspects of health and wellness.
- Analyze the interconnectedness of the mind, body and spirit.
- Explore transfer and career opportunities in health related professions.

HUMANITIES

HUM V88 - HUMANITIES WORKSHOPS **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

HUM V89 - WORKSHOPS IN THE HUMANITIES **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Hum 89. Transfer credit: CSU.

HUMAN SERVICES

Program Description: Human Services is a course of study for those interested in employment in such diverse settings as group homes and halfway houses; correctional, developmental disability agencies, and community mental health centers; family, child, and youth service agencies and programs concerned with substance abuse issues, family violence, homelessness, aging or other social issues. The primary focus of the human service worker is to assist individual and communities to function as effectively as possible and improve individual, family, and community well-being by taking environmental and social resources into consideration.

The field of human services includes: case managers, advocates, grant writers, youth workers, volunteer coordinators, human resource specialists, corrections officers, trainers, para-educators, and advocacy. The Human Services AA and certificate programs are structured around interrelated components including: theoretical foundations/intervention strategies; client population/cultural diversity; research/evaluation; and skill development/field experience. Successful completion of appropriate coursework will enable students to either further their education, seek employment in a variety of social service organizations or both.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Human Services** program students will be able to:

- Conceptual understanding of system concepts, theories, and techniques that are foundational to the practice of human/social services.
- Demonstrate an understanding of assessment methods, treatment planning, and case management.
- Demonstrate understanding of recovery oriented behavior health services.

COURSE DESCRIPTIONS

HMSV V50 - INTRODUCTION TO SOCIAL WORK: SOCIAL WELFARE INSTITUTIONS **3 Units**

Hours: 3 lecture weekly

This course provides a general understanding of social work and social welfare practice. It will include an analysis of the current functions and purposes of social welfare as an institution. The historical and philosophical perspectives of social work practice within the context of cultural, political, economic, psychological and social forces will also be examined. *Field trips may be required. Formerly SOC V50. Transfer credit: CSU.*

HMSV V51 - BASIC SKILLS IN SOCIAL WORK METHODS I **3 Units**

Hours: 3 lecture weekly

This course introduces students to theoretical perspectives of social work practices, ethics and skills and will include the application of knowledge related to gender, race, culture, ethnicity, sexual orientation, class and ability. Students learn basic theories and methodologies in interviewing, counseling, and case management skills. *Field trips may be required. Formerly SOC V51. Transfer credit: CSU.*

HMSV V52 - BASIC SKILLS IN SOCIAL WORK METHODS II **3 Units**

Hours: 3 lecture weekly

This course explores in depth the beginning dimensions of social work practices from a systems perspective. The role of values, ethics and ethical decision making are examined as students learn theories and methodologies involved in group dynamics, problem solving, and crisis intervention. *Field trips may be required. Formerly SOC V52. Transfer credit: CSU.*

HMSV V53 - INTRODUCTION TO MENTAL HEALTH REHABILITATION **3 Units**

Hours: 3 lecture weekly

This course provides students with an introduction to the recovery process in persons with severe, persistent mental illness. The course provides the framework for understanding the social model approach to recovery and creates an awareness of the skills and knowledge needed for careers in psychosocial rehabilitation. Topics include: an overview of principles and theories of medical and social model rehabilitation for persons with mental illness; the role of the mental health rehabilitation practitioner; relapse and recovery; ethical decision making and professional boundaries; differences in learning styles; cultural and diversity issues; community resources; the judicial system; educational, vocational and leisure options for clients; theories and practices in employment placement for mentally ill persons; and, implications of the American with Disabilities Act. This course prepares the student for the National Credentialing Examination for the Mental Health Rehabilitation Practitioner. *Field trips may be required. Formerly SOC V53. Transfer credit: CSU.*

HMSV V88 - HUMAN SERVICES WORKSHOPS **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

HMSV V89 - WORKSHOPS IN HUMAN SERVICES **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Transfer credit: CSU.

HMSV V90 - DIRECTED STUDIES IN HUMAN SERVICES **1-6 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Transfer credit: CSU.

HMSV V95 - HUMAN SERVICES INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship
Recommended Preparation: completion of or concurrent enrollment in one course in the discipline
Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

HMSV V96 - HUMAN SERVICES INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship
Recommended Preparation: completion of or concurrent enrollment in one course in the discipline
Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

INTERCOLLEGIATE ATHLETICS

ICA V02 - INTERCOLLEGIATE BASEBALL 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course covers the theory and practice of baseball at an advanced level. It is designed to provide training for competition in intercollegiate baseball. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V76. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V03 - INTERCOLLEGIATE BASKETBALL: MEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course develops athletic skills and techniques in basketball for advanced players. Emphasis is placed on team development, basketball skill improvement, and teamwork through intercollegiate competition. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V78. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V04 - INTERCOLLEGIATE BASKETBALL: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course develops athletic skills and techniques in basketball for advanced women players. Emphasis is placed on team development, basketball skill improvement, and teamwork through intercollegiate competition. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V79. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V05 - INTERCOLLEGIATE CROSS-COUNTRY: MEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course is designed to introduce the theory and practice of cross-country running. It will also provide training for competition in men's intercollegiate cross-country. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V80. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V06 - INTERCOLLEGIATE CROSS-COUNTRY: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of cross-country running. It is designed to provide training for competition in women's intercollegiate cross-country. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V81. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V07 - INTERCOLLEGIATE FOOTBALL 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course will introduce the theory and practice of football. It is designed to provide training for competition in intercollegiate football. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V82. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V08 - INTERCOLLEGIATE GOLF 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces theory and practice of golf. It is designed to provide training for competition in intercollegiate golf. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V84. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V13 - INTERCOLLEGIATE SOCCER: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of soccer. It is designed to provide training for competition in intercollegiate women's soccer. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V85. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V14 - INTERCOLLEGIATE SOFTBALL: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces theory and practice of fast pitch softball. It is designed to provide training for competition in intercollegiate women's softball. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V87. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V15 - INTERCOLLEGIATE SWIMMING AND DIVING: MEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces theory and practice of swimming and diving. It is designed to provide training for competition in men's intercollegiate swimming and diving. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V83. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V16 - INTERCOLLEGIATE SWIMMING AND DIVING: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces theory and practice of swimming and diving. It is designed to provide training for competition in women's intercollegiate swimming. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V91. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V17 - INTERCOLLEGIATE TENNIS: MEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of tennis. It is designed to provide training for competition in men's intercollegiate tennis. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V92. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V18 - INTERCOLLEGIATE TENNIS: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of tennis. It is designed to provide training for competition in women's intercollegiate tennis. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V93. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V19 - INTERCOLLEGIATE TRACK AND FIELD: MEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of track and field for men. It is designed to provide training for competition in men's intercollegiate track and field. *Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V94. Transfer credit: CSU; UC; credit limitations - see counselor.*

ICA V20 - INTERCOLLEGIATE TRACK AND FIELD: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of track and field. It is designed to provide training for competition in women's intercollegiate track and field. Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V86. Transfer credit: CSU; UC; credit limitations - see counselor.

ICA V22 - INTERCOLLEGIATE VOLLEYBALL: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of volleyball. It is designed to provide training for competition in women's intercollegiate volleyball. Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V97. Transfer credit: CSU; UC; credit limitations - see counselor.

ICA V23 - INTERCOLLEGIATE WATER POLO: MEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of water polo. It is designed to provide training for competition in men's intercollegiate water polo. Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V98. Transfer credit: CSU; UC; credit limitations - see counselor.

ICA V24 - INTERCOLLEGIATE WATER POLO: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of water polo. It is designed to provide training for competition in women's intercollegiate water polo. Field trips may be required. May be taken for a maximum of 4 times. Formerly PE V99. Transfer credit: CSU; UC; credit limitations - see counselor.

ICA V25 - INTERCOLLEGIATE SAND VOLLEYBALL: WOMEN 4 Units

Hours: 1 lecture, 9 laboratory weekly

This course introduces the theory and practice of sand volleyball. It is designed to provide training for competition in women's sand volleyball. Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU.

ICA V30A - OFF-SEASON CONDITIONING FOR ATHLETES I 0.5 Unit

Hours: 1.5 laboratory weekly

This course is designed for student-athletes to improve their physical conditioning at the conclusion of their intercollegiate season of sport. Athletes who participate will receive off-season training to ensure optimal recovery, flexibility, and hyperkinetic exercises. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

ICA V30B - OFF-SEASON CONDITIONING FOR ATHLETES II 1 Unit

Hours: 3 laboratory weekly

This course is designed for student-athletes to improve their physical conditioning at the conclusion of the intercollegiate season of sport. Athletes who participate will receive off-season training to ensure optimal recovery, flexibility, core strength, off-season nutrition, muscle memory, and implementation of competitive drills. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

ICA V31A - PRE-SEASON CONDITIONING FOR ATHLETES I 0.5 Unit

Hours: 1.5 laboratory weekly

This course is designed to prepare intercollegiate student athletes for the forthcoming season of sport. Enrollment is limited to athletic team candidates. The course includes sport-specific aerobic conditioning drills, techniques, strength training utilizing the overload principle, and game play. Topics will also include sports nutrition and weight maintenance. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

ICA V31B - PRE-SEASON CONDITIONING FOR ATHLETES II 1 Unit

Hours: 3 laboratory weekly

This course is designed to prepare intercollegiate student athletes for the forthcoming season of sport. Enrollment is limited to athletic team candidates. The course includes sport-specific aerobic conditioning drills, anaerobic conditioning progressions, techniques, strength training utilizing the overload principle, speed development, and game play. Topics will also include body composition, weight maintenance, sports nutrition, supplements, and dietary analysis. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

ICA V36 - SPRING INTERCOLLEGIATE BASKETBALL 3.5 Units

Recommended Preparation: ICA V03 or ICA V04

Hours: 2 lecture, 4.5 laboratory weekly

This course introduces the advanced theories, strategies, rules, and skills of basketball. Focus will be on the analysis of basketball theories and strategies through observation and video review. Students will learn to develop effective team strategies for a variety of competitive situations. Field trips will be required. May be taken for a maximum of 4 times. Formerly KIN V36. Transfer credit: CSU; UC; credit limitations - see counselor.

ICA V69 - SPRING INTERCOLLEGIATE FOOTBALL 1 Unit

Hours: 3 laboratory weekly

This course introduces the theory and practice of football. Emphasis will be on skill development through the study, practice and evaluation of techniques. Topics will also include mechanics, drills, video analysis, and a review of the rules of intercollegiate football. May be taken for a maximum of 4 times. Formerly KIN V69. Transfer credit: CSU; UC; credit limitations - see counselor.

INTERDISCIPLINARY STUDIES

IDS V02 - INTRODUCTION TO STEM DISCIPLINES 1 Unit

Hours: 3 laboratory weekly

This course is designed to encourage students to consider majoring in a science, technology, engineering, or mathematics (STEM) discipline. The course introduces students to STEM disciplines while engaging them in relevant technical activities supervised by Ventura College faculty. The primary emphasis of these activities is to allow students to use technologies commonly encountered in STEM fields. The secondary emphasis of these activities is to use these technologies in conjunction with the scientific method for sample analysis and data collection.

Offered on a pass/no pass basis only.

IDS V08 - ETHICS IN MODERN SOCIETY 3 Units

Hours: 3 lecture weekly

This course provides an introduction to the philosophy of ethics in our modern-day society. It integrates ethical issues from areas such as environmental studies, bioethics, criminal justice, business and law, the media, literature, medicine, politics, theatre, and from the field of psychology. In addition to lectures and discussions in each of these areas, movies, videos and a theatrical production may be included to help illustrate specific ethical issues. Field trips may be required. Formerly IdS 8. Transfer credit: CSU; UC.

IDS V09 - TUTORIAL PROCEDURES AND METHODS 1 Unit

Hours: 1 lecture weekly

This course is required for students who are interested in being tutors at Ventura College. It is an introduction to the theories and methods of effective tutoring including communication techniques, learning theories and individual and group instruction. The course is designed to provide the student tutor with experience, information, and techniques that will make him/her a more effective tutor. Successful completion of this course prepares the student for College Reading & Learning Association certification.

Field trips may be required. Formerly HUM V15. Offered on a pass/no pass basis only.

IDS V13 - INTRODUCTION TO TUTORING WRITING AND READING

1 Unit

Recommended Preparation: IDS V09 or concurrent enrollment

Hours: 1 lecture weekly

This course is required for students who will be tutors or supplemental instruction leaders of writing and reading at Ventura College. Student tutors will learn to help student writers throughout the writing process and to work with students of varying proficiency and from diverse backgrounds. Course topics will include: a review of general tutoring skills, tutoring writing, working with sentence-level errors, the reading-writing connection, learning skills and learning disabilities, and special tutoring situations. After an initial orientation, including readings and in-class exercises, students will complete a tutoring practicum and use class time to analyze and reflect on those tutoring sessions. Offered on a pass/no pass basis only.

IDS V88 - INTERDISCIPLINARY STUDIES WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly IDS V89.

INTERNSHIP

INTR V95 - INTERNSHIP I

1-4 Units

Prerequisite: (For Medical Assisting internships only) BUS V28A or BUS V97

Corequisite: enrolled in a minimum of 6 units to include internship

Enrollment Limitation: For Medical Assisting internships only: current CPR certification; current physical examination showing general good health; proof of freedom from and immunity to communicable diseases; background check; drug clearance; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; completion of 15 units towards a Medical Assisting Certificate of Achievement; and approval of the department chair.

Recommended Preparation: Successful completion of at least two courses in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Formerly NTRN V95. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

INTR V96 - INTERNSHIP II

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Formerly NTRN V96. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

ITALIAN

The Italian courses prepare students with communication skills and provide an understanding of the Italian culture. The Italian courses provide instruction to develop proficiency skills in aural comprehension, speaking, reading, and writing. The beginning level courses introduce basic grammar, vocabulary, communicative functions, and culture. The intermediate level courses continue development of proficiency skills through discussion of films, periodicals, and literary works to increase vocabulary, cultural awareness, and knowledge of linguistic variations.

COURSE DESCRIPTIONS

ITAL V01 - ELEMENTARY ITALIAN I

5 Units

Hours: 5 lecture weekly

This course is part of a sequence designed to provide introductory experiences in Italian, with a focus on pronunciation, aural comprehension, oral and written communication, word usage and vocabulary, reading of prose, and elementary principles of grammar. Special emphasis will be given to the development of oral and aural skills through the use of communicative activities. The history and culture of the Italian people will be discussed.

Field trips may be required. Formerly Ital 1. Transfer credit: CSU; UC.

ITAL V02 - ELEMENTARY ITALIAN II

5 Units

Prerequisite: ITAL V01 or 2 years of high school Italian

Hours: 5 lecture weekly

This is the second course in the introductory sequence of Italian language study. Students will expand vocabulary and mastery of grammatical concepts as they acquire greater listening, speaking, reading, and writing skills in Italian. Special emphasis will be given to the development of oral and aural skills through the use of communicative activities. Students will use more complex grammatical constructions and a wider range of idiomatic expressions. Further study of Italian history, culture and current events will be included in order to develop comprehension and speaking skills.

Field trips may be required. Formerly Ital 2. Transfer credit: CSU; UC.

JAPANESE

The Japanese courses prepare students with communication skills and provide an understanding of the Japanese culture. The Japanese courses provide instruction to develop proficiency skills in aural comprehension, speaking, reading, and writing using Japanese characters. The beginning level courses introduce basic grammar, vocabulary, communicative functions, and culture. The intermediate level courses continue development of proficiency skills through discussion of films, periodicals, and literary works to increase vocabulary, cultural awareness, and knowledge of linguistic variations.

COURSE DESCRIPTIONS

JAPN V01 - ELEMENTARY JAPANESE I

5 Units

Hours: 5 lecture weekly

This is an introductory course designed to provide the student with basic communication skills in Japanese. Emphasis is on listening, speaking, reading, and writing Japanese. Study of basic grammatical principles and Japanese pronunciation are also emphasized. Students are introduced to the use of Japanese characters. The history and culture of the Japanese people will be discussed. Web-based resources will be used to supplement classroom instruction.

Field trips may be required. Formerly Japn 1. Transfer credit: CSU; UC.

JAPN V02 - ELEMENTARY JAPANESE II

5 Units

Prerequisite: JAPN V01 or 2 years of high school Japanese or equivalent

Hours: 5 lecture weekly

This is the second course in the introductory sequence of Japanese language study. Students will expand vocabulary and mastery of grammatical concepts as they acquire greater listening, speaking, reading, and writing skills in Japanese. Web-based resources will be used to supplement classroom instruction. Students will use more complex grammatical structures and a wider range of idiomatic expressions. Further study of Japanese history, culture and current events will be included in order to develop comprehension and speaking skills.

Field trips may be required. Formerly Japn 2. Transfer credit: CSU; UC.

KINESIOLOGY

Kinesiology classes offer students an opportunity to enrich their education with emphasis on improved individual physical well-being as well as to prepare students for transfer to bachelor's degree programs in Kinesiology, Exercise Science, Physical Education, Physical Therapy, Athletic Training, Coaching and Fitness Management. Students may obtain an AS in Kinesiology and optimize preparation for advanced degrees in Kinesiology at four-year institutions. Typical employment opportunities in the field are in the areas of teaching, coaching, personal or group training, fitness instruction, fitness specialists, physical therapy assistants, recreation, as well as managerial positions in athletics and recreation centers.

Associate in Arts Degree for Transfer

KINESIOLOGY

The Kinesiology degree and classes offer students an opportunity to enrich their education with emphasis on improved individual physical well-being as well as to prepare students for transfer to bachelor's degree programs in Kinesiology, Exercise Science, Physical Education, Physical Therapy, Athletic Training, Coaching and Fitness Management. Students may obtain an Associate in Arts in Kinesiology for Transfer and optimize preparation for advanced degrees in Kinesiology at four-year institutions. Typical employment opportunities in the field are in the areas of teaching, coaching, personal or group training, fitness instruction, fitness specialists, physical therapy assistants, recreation, as well as managerial positions in athletics and recreation centers.

The Associate in Arts in Kinesiology for Transfer (Kinesiology AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Kinesiology for Transfer may transfer to a CSU Campus to complete a Bachelor's Degree in Kinesiology or similar programs.

To earn a Kinesiology AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (14 units):		Units
KIN V81	Fundamentals of Kinesiology	3
ANAT V01	General Human Anatomy	4
PHSO V01	Introduction to Human Physiology	4

Select three (3) courses from the following areas, (no more than one [1] course per area.)

AQUATICS

KIN V02	Swimming I	1
KIN V03	Swimming II	1
KIN V04	Swimming III	1
KIN V06	Swimming IV	1

COMBATIVES

KIN V50A/ CJ V11A	Aikido I	1
KIN V52	Self Defense and Assault Prevention	1
KIN V76A	Tai Chi I	1

FITNESS

KIN V10	Aerobic and Strength Training	1
KIN V14	Step Aerobics	1
KIN V20	Walking to Restore Fitness	1
KIN V22	Running for Fitness	1
KIN V26	Weight Training and Conditioning: Free Weights	1

INDIVIDUAL SPORTS

KIN V42A	Golf I	1
KIN V44A	Tennis I	1

TEAM SPORTS

KIN V40A	Basketball I	1
KIN V46A	Volleyball I	1
KIN V46B	Volleyball II	1
KIN V48A	Soccer I	1

LIST A

Select two (2) of the following courses (6-9 units):

BIOL V12	Principles of Human Biology	3
CHEM V01A	General Chemistry I	3

AND

CHEM V01AL	General Chemistry I Laboratory	2
KIN V80	First Aid, Safety, AED and CPR for the Professional	3
MATH V44	Elementary Statistics	4

OR

PSY V04	Introductory Statistics for the Social and Behavioral Sciences	4
---------	-------------------------------------------------------------------	---

Major Units	20-23
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	3-16
Double-Counted Units	7-13

DEGREE TOTAL 60

See a counselor or consult assist.org, if you plan to transfer to a UC campus or a college or university other than a CSU.

For other course descriptions, see Anatomy, Biology, Chemistry, Criminal Justice, Mathematics, Physiology, and Psychology

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Kinesiology** program students will be able to:

- Explore transfer and career opportunities in the multi-faceted field of Kinesiology.
- Design a lifelong fitness program including the five components of physical fitness.
- Demonstrate personal fitness goal achievement.

COURSE DESCRIPTIONS

KIN V02 - SWIMMING I

1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to instruct the student in four basic strokes, to develop the ability to survive in deep water, and to develop cardiovascular endurance.

Ventura College faculty has defined Aquatics as a family of courses which includes KIN V02, KIN V03, KIN V04, and KIN V06. A student may take a maximum of four (4) courses from a family.

Formerly PE V02. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V03 - SWIMMING II

1 Unit

Recommended Preparation: KIN V02 or equivalent skills

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to perfect the five basic strokes in swimming, to expand the knowledge and use of survival techniques and safety, and to develop cardiovascular endurance.

Ventura College faculty has defined Aquatics as a family of courses which includes KIN V02, KIN V03, KIN V04, and KIN V06. A student may take a maximum of four (4) courses from a family.

Formerly PE V03. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V04 - SWIMMING III

1 Unit

Recommended Preparation: KIN V03 or equivalent skills

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to instruct students in the basic swimming strokes at the demonstration level. Students will develop additional swimming strokes, learn water safety techniques, and maintain a high level of cardiovascular endurance.

Ventura College faculty has defined Aquatics as a family of courses which includes KIN V02, KIN V03, KIN V04, and KIN V06. A student may take a maximum of four (4) courses from a family.

Formerly PE V04. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V06 - SWIMMING IV

1 Unit

Recommended Preparation: KIN V04 or demonstrated swimming proficiency

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to instruct students to withstand a systematic, vigorous training schedule that will result in the development and maintenance of vital processes required for physical fitness. Endurance training and stroke proficiency will be stressed.

Ventura College faculty has defined Aquatics as a family of courses which includes KIN V02, KIN V03, KIN V04, and KIN V06. A student may take a maximum of four (4) courses from a family.

Formerly PE V06. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V10 - AEROBIC AND STRENGTH TRAINING

1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to meet the need for aerobic and strength fitness in adults of all ages. Various modes of aerobic exercises are emphasized in support of the cross-training concept. Resistance training using fixed weights and free weights of moderate to high intensity is used to develop muscular strength in all major muscle groups. Flexibility training is also emphasized to enhance skeletal range of motion. Information on exercise methods and principles, the physiology of the human body, fitness evaluation methodologies, and nutrition education are included in lecture.

Ventura College faculty has defined Resistance Training as a family of courses which includes KIN V10, KIN V26, KIN V32, and KIN V34. A student may take a maximum of four (4) courses from a family.

Formerly PE V43. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V12 - BICYCLE CONDITIONING: SPINNING

1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to meet the needs for cardio-respiratory and lower body strength and fitness for students of all ages. Resistance training using different modes of bicycle resistance training and varying degrees of intensity are used throughout the course. Pre-exercise and post-exercise stretching, warm-up and cool-down techniques will also be included as part of the experience.

Ventura College faculty has defined Indoor Cardiovascular Training as a family of courses which includes KIN V12, KIN V14, KIN V16, KIN V18, KIN V19, and KIN V28. A student may take a maximum of four (4) courses from a family.

Formerly PE V45. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V14 - STEP AEROBICS

1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course provides instruction and supervised practice of step aerobics. The emphasis is on the achievement and maintenance of cardiovascular conditioning while also improving other areas of physical fitness. An adjustable step platform is used so that the class can accommodate students with different fitness levels.

Ventura College faculty has defined Indoor Cardiovascular Training as a family of courses which includes KIN V12, KIN V14, KIN V16, KIN V18, KIN V19, and KIN V28. A student may take a maximum of four (4) courses from a family.

Formerly PE V48. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V16 - AEROBIC KICKBOXING

1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course provides instruction in kickboxing skills within a fitness modality. Students will learn kicks, strikes, punches, blocks, self defense strategies, and improve their fitness level by increasing flexibility, muscle strength, coordination and cardiovascular endurance.

Ventura College faculty has defined Indoor Cardiovascular Training as a family of courses which includes KIN V12, KIN V14, KIN V16, KIN V18, KIN V19, and KIN V28. A student may take a maximum of four (4) courses from a family.

Formerly PE V49. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V18 - CARDIOVASCULAR FITNESS: MACHINE TRAINING

1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course covers the basic concepts of cardiovascular conditioning theory and practice, safety procedures of equipment usage, and cardiovascular training through the use of a variety of cardiovascular training machines including the treadmill, elliptical trainer, stair-stepper, rowers, and bicycles. The emphasis will be on achieving and maintaining cardio-respiratory fitness, muscular endurance, and flexibility.

Ventura College faculty has defined Indoor Cardiovascular Training as a family of courses which includes KIN V12, KIN V14, KIN V16, KIN V18, KIN V19, and KIN V28. A student may take a maximum of four (4) courses from a family.

Formerly PE V50. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V19 - INDOOR CROSS FITNESS TRAINING 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to improve cardiovascular efficiency, muscle strength and overall conditioning for beginning level to advanced students. This is a cross training program combining functional training with cardiovascular training in a fun circuit framework.

Ventura College faculty has defined Indoor Cardiovascular Training as a family of courses which includes KIN V12, KIN V14, KIN V16, KIN V18, KIN V19, and KIN V28. A student may take a maximum of four (4) courses from a family. *Transfer credit: CSU.*

KIN V20 - WALKING TO RESTORE FITNESS 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course will provide students with fitness training starting with walking. Individualized programs will be developed based on each student's current fitness level. Most rehabilitation needs can be accommodated. There will be an emphasis on developing and maintaining cardiovascular conditioning, muscular endurance tone, and weight management.

Ventura College faculty has defined Outdoor Aerobic Fitness as a family of courses which includes KIN V20, KIN V21, KIN V22, KIN V23, and KIN V24. A student may take a maximum of four (4) courses from a family. *Formerly PE V36. Transfer credit: CSU; UC; credit limitations - see counselor*

KIN V21 - FITNESS WALKING/JOGGING 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This class is designed to provide exercise and fitness training for the advanced walker and beginning level runner. The emphasis is on cardiovascular conditioning, muscle strength and muscle endurance, while increasing flexibility, running form and technique.

Ventura College faculty has defined Outdoor Aerobic Fitness as a family of courses which includes KIN V20, KIN V21, KIN V22, KIN V23, and KIN V24. A student may take a maximum of four (4) courses from a family. *Transfer credit: CSU.*

KIN V22 - RUNNING FOR FITNESS 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is an exercise program consisting of varied workouts to improve the cardiovascular level of fitness for the recreational runner. Topics will include the physiology of running, guidelines for proper nutrition, stretching and warm-up, and the development of an individualized running program. Ventura College faculty has defined Outdoor Aerobic Fitness as a family of courses which includes KIN V20, KIN V21, KIN V22, KIN V23, and KIN V24. A student may take a maximum of four (4) courses from a family. *Formerly PE V37. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V23 - ADVANCED RUNNING/INTERVAL TRAINING 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This class is an exercise program consisting of varied workouts to improve the cardiovascular level of fitness for the advanced runner. Class will consist of varied workouts involving timed interval training on the track, trails and hills. Ventura College faculty has defined Outdoor Aerobic Fitness as a family of courses which includes KIN V20, KIN V21, KIN V22, KIN V23, and KIN V24. A student may take a maximum of four (4) courses from a family. *Transfer credit: CSU; UC.*

KIN V24 - LIFE FITNESS 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed for students who want to design, implement, and monitor an individual fitness program. Topics will include: the components of physical fitness, including cardiovascular and muscular endurance, strength development, flexibility, and body fat composition; health benefits of exercise; fitness testing; the human body, including exercise physiology, muscle groups, and nutrition; cardiovascular disease; safety precautions; and the elements of a well-designed personal fitness program. Students will also develop an individualized fitness training program appropriate to their interests and ability.

Ventura College faculty has defined Outdoor Aerobic Fitness as a family of courses which includes KIN V20, KIN V21, KIN V22, KIN V23, and KIN V24. A student may take a maximum of four (4) courses from a family. *Formerly PE V55. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V26 - WEIGHT TRAINING AND CONDITIONING: FREE WEIGHTS 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to increase understanding of the principles of muscular fitness and to develop and maintain a high level of muscular fitness, muscle strength, endurance and flexibility through the use of free weights. Participation in this course will improve body form and function through conditioning exercises and increase muscle strength, endurance and flexibility using principles of resistive hyperkinetic exercises. Emphasis will be placed on the utilization of the overload principle and its relationship to muscle fitness.

Ventura College faculty has defined Resistance Training as a family of courses which includes KIN V10, KIN V26, KIN V32, and KIN V34. A student may take a maximum of four (4) courses from a family. *Formerly PE V41. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V28 - CONDITIONING: DESIGNED FOR WOMEN 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to improve general fitness, cardiovascular efficiency, and strength. Students will study basic principles of exercise physiology and weight management. Activities will include aerobics, step aerobics, kick boxing, light weights, and mat work.

Ventura College faculty has defined Indoor Cardiovascular Training as a family of courses which includes KIN V12, KIN V14, KIN V16, KIN V18, KIN V19, and KIN V28. A student may take a maximum of four (4) courses from a family. *Formerly PE V46. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V34 - CIRCUIT TRAINING FOR FITNESS 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This circuit training course is designed for students who are members of the Ventura College Intercollegiate athletic program. Students move from exercise station to station, completing the circuit in a specific amount of time. A variety of circuits are used throughout the semester to meet various fitness goals. Lecture topics will include strength development, flexibility maintenance, body composition, weight loss, diet/cholesterol, heart disease risk factors, and other parameters of fitness.

Ventura College faculty has defined Resistance Training as a family of courses which includes KIN V10, KIN V26, KIN V32, and KIN V34. A student may take a maximum of four (4) courses from a family. *Formerly PE V75. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V40A - BASKETBALL I 1 Unit

Hours: 0.5 lecture, 2.5 laboratory weekly

This course introduces the fundamentals of basketball, including the techniques, rules, and skills. Students will transfer the skills of basketball to a game-playing situation. Emphasis will be placed on shooting, passing, dribbling, and game strategies.

Ventura College faculty has defined Team Sports as a family of courses which includes KIN V40A, KIN V40B, KIN V46A, KIN V46B, KIN V48A, and KIN V48B. A student may take a maximum of four (4) courses from a family. *Formerly KIN V40. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V40B - BASKETBALL II **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

Students will be introduced to intermediate/advanced basketball techniques including dribbling, shooting, advanced offensive and defensive skills and game strategies.

Ventura College faculty has defined Team Sports as a family of courses which includes KIN V40A, KIN V40B, KIN V46A, KIN V46B, KIN V48A, and KIN V48B. A student may take a maximum of four (4) courses from a family. *Field trips may be required. Transfer credit: CSU; UC.*

KIN V42A - GOLF I **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to teach the fundamental skills of the game of golf. Topics will include the mental side of play, the short game skills, and the rules of golf.

Ventura College faculty has defined Individual Sports as a family of courses which includes KIN V42A, KIN V42B, KIN V44A, and KIN V44B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly KIN V42. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V42B - GOLF II **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to teach the advanced skills of the game of Golf. Topics will include the advanced mental side of play, the advanced short games skills, and the rules of tournament golf.

Ventura College faculty has defined Individual Sports as a family of courses which includes KIN V42A, KIN V42B, KIN V44A, and KIN V44B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

KIN V44A - TENNIS I **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course teaches the basic skills of tennis including basic strategy, rules, etiquette, and techniques of playing tennis and introduces tennis grips, forehand, backhand, serve, volley, lob, and scoring.

Ventura College faculty has defined Individual Sports as a family of courses which includes KIN V42A, KIN V42B, KIN V44A, and KIN V44B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly KIN V44. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V44B - TENNIS II **1 Unit**

Recommended Preparation: KIN V44A or equivalent skills

Hours: 0.5 lecture, 2.5 laboratory weekly

This course introduces the advanced techniques and theory of playing tennis including strategy of tournament playing.

Ventura College faculty has defined Individual Sports as a family of courses which includes KIN V42A, KIN V42B, KIN V44A, and KIN V44B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly KIN V58. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V46A - VOLLEYBALL I **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course introduces the basic skills of volleyball including strategy, rules, individual skills, and techniques of playing volleyball.

Ventura College faculty has defined Team Sports as a family of courses which includes KIN V40A, KIN V40B, KIN V46A, KIN V46B, KIN V48A, and KIN V48B. A student may take a maximum of four (4) courses from a family. *Formerly KIN V47. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V46B - VOLLEYBALL II **1 Unit**

Recommended Preparation: KIN 46A or equivalent skills

Hours: 0.5 lecture, 2.5 laboratory weekly

Students will be introduced to intermediate techniques of volleyball, including the overhand serve, blocking, digging, and power spiking. Continuing development of proper technique is emphasized.

Ventura College faculty has defined Team Sports as a family of courses which includes KIN V40A, KIN V40B, KIN V46A, KIN V46B, KIN V48A, and KIN V48B. A student may take a maximum of four (4) courses from a family. *Formerly KIN V62. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V48A - SOCCER I **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to help students develop skills to play soccer. Topics include the history of soccer, rules, safety, techniques, and strategy. Ventura College faculty has defined Team Sports as a family of courses which includes KIN V40A, KIN V40B, KIN V46A, KIN V46B, KIN V48A, and KIN V48B. A student may take a maximum of four (4) courses from a family. *Formerly KIN V48. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V48B - SOCCER II **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed to help students develop advanced soccer skills. Topics include the rules of soccer, safety, advanced techniques, and advanced strategy.

Ventura College faculty has defined Team Sports as a family of courses which includes KIN V40A, KIN V40B, KIN V46A, KIN V46B, KIN V48A, and KIN V48B. A student may take a maximum of four (4) courses from a family. *Field trips may be required. Transfer credit: CSU; UC.*

KIN V50A - AIKIDO I **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed for students who want to develop introductory skills in aikido. Aikido is a powerful martial art developed in Japan. The practice of Aikido includes warm up and flexibility exercises, practical combative and defensive techniques combined with an appreciation for formal etiquette. Students will develop a greater understanding of the relationship between mind, body, and spirit, which will help them deal with both physical and mental conflict in a more positive way.

Ventura College faculty has defined Combatives as a family of courses which includes KIN V50A/CJ V11A, KIN V50B, KIN V52, KIN V76A, KIN V76B. A student may take a maximum of four (4) courses from a family.

Formerly KIN V50. Same as CJ V11A. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V50B - AIKIDO II **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is designed for students who want to develop advanced skills in aikido. Class consists of advanced flexibility exercises and practical combative and defensive techniques, combined with an advanced understanding and appreciation of etiquette.

Ventura College faculty has defined Combatives as a family of courses which includes KIN V50A/CJ V11A, KIN V50B, KIN V52, KIN V76A, and KIN V76B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V52 - SELF-DEFENSE AND ASSAULT PREVENTION **1 Unit**

Hours: 0.5 lecture, 2.5 laboratory weekly

This course is an introduction to self-defense, personal and community safety, and assault prevention. Emphasis will be placed on practical techniques and methods of self-defense and the application of assault prevention strategies.

Ventura College faculty has defined Combatives as a family of courses which includes KIN V50A/CJ V11A, KIN V50B/CJ V11B, KIN V52, KIN V76A, KIN V76B. A student may take a maximum of four (4) courses from a family. *Formerly PE V31. Transfer credit: CSU; UC; credit limitations - see counselor.*

KIN V70A - YOGA I**1 Unit***Hours: 0.5 lecture, 2.5 laboratory weekly*

This course introduces yoga techniques for the beginning student. Yoga means "union." This course will emphasize the physiological integration and harmonization of the mind, body and spirit through Hatha Yoga. Hatha Yoga is a form that emphasizes asanas (postures) and incorporates pranayama (breath control). Students will improve physical strength and muscular endurance, increase circulation, and improve flexibility and balance. They will also learn to quiet the mind, improve concentration and focus, and reduce stress.

Ventura College faculty has defined Wellness as a family of courses which includes KIN V70A, KIN V70B, KIN V72, KIN V73, KIN V74A, and KIN V74B. A student may take a maximum of four (4) courses from a family.

Formerly KIN V70. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V70B - YOGA II**1 Unit***Recommended Preparation: KIN V70A**Hours: 0.5 lecture, 2.5 laboratory weekly*

Students will build on their knowledge and skills learned in Yoga I. Level II poses, asanas, flow combinations will be performed. Physiological and psychological benefits of Yoga will be discussed as well as integrating mind, body and spirit.

Ventura College faculty has defined Wellness as a family of courses which includes KIN V70A, KIN V70B, KIN V72, KIN V73, KIN V74A and KIN V74B. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU; UC.

KIN V72 - STRESS REDUCTION ACTIVITIES**1 Unit***Hours: 0.5 lecture, 2.5 laboratory weekly*

This course introduces practical stress management tools through a variety of modes including: breathing techniques, stretching, visualization, somatic scanning, Yoga, meditation, walking meditation, Tai Chi and other modalities. Students will learn to apply these techniques into their daily lifestyle to reduce the deleterious effects of stress.

Ventura College faculty has defined Wellness as a family of courses which includes KIN V70A, KIN V70B, KIN V72, KIN V73, KIN V74A and KIN V74B. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU.

KIN V73 - HOLISTIC MOVEMENT**1 Unit***Hours: 0.5 lecture, 2.5 laboratory weekly*

This is a technique-oriented movement course that recognizes and develops the connection of the mind, body, and spirit. It integrates multiple movement techniques along with a foundational understanding of how emotional, psychological and physical states affect wellness. Movements are inspired by Feldenkrais and Alexander techniques, Hatha Yoga, and dance. Students will develop breath awareness, somatic awareness, mind-body awareness, balance, and an improvement in overall wellness.

Ventura College faculty has defined Wellness as a family of courses which includes KIN V70A, KIN V70B, KIN V72, KIN V73, KIN V74A and KIN V74B. A student may take a maximum of four (4) courses from a family.

Formerly PE V73. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V74A - CORE BALANCE AND FITNESS**1 Unit***Hours: 0.5 lecture, 2.5 laboratory weekly*

This course introduces functional fitness using balance and coordination techniques obtained from the core of the body. Fitness concepts introduced are: core strength, flexibility, muscular strength and endurance, and balance training. A variety of fitness modalities will be introduced and discussed such as: resistance training techniques, ball techniques, mat training, breathing techniques, Pilates inspired exercises, and core exercise combinations.

Ventura College faculty has defined Wellness as a family of courses which includes KIN V70A, KIN V70B, KIN V72, KIN V73, KIN V74A and KIN V74B. A student may take a maximum of four (4) courses from a family.

Formerly KIN V74. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V74B - ADVANCED CORE BALANCE AND FITNESS**1 Unit***Recommended Preparation: KIN V74A**Hours: 0.5 lecture, 2.5 laboratory weekly*

This course expands upon functional fitness using balance and coordination techniques and introduces intermediate and advanced skills through the core of the body. Students will focus on developing the application of kinesiology principles. Plyometrics, eccentric and concentric contractions, body planes, corrective techniques, and fitness assessment techniques will be introduced. Ventura College faculty has defined Wellness as a family of courses which includes KIN V70A, KIN V70B, KIN V72, KIN V73, KIN V74A and KIN V74B. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU; UC.

KIN V76A - TAI CHI I**1 Unit***Hours: 0.5 lecture, 2.5 laboratory weekly*

This course introduces Tai Chi movement for the beginning student. Emphasis will be placed on the integration and harmonization of the mind, body and spirit. Students will be introduced to a traditional Tai Chi style and will learn basic Tai Chi skills including breathing techniques, mindfulness, focus, postures, forms and sequences. Students will increase circulation and improve flexibility, postural alignment, balance and concentration while conserving energy and reducing stress.

Ventura College faculty has defined Combatives as a family of courses which includes KIN V50A/CJ V11A, KIN V50B, KIN V52, KIN V76A, and KIN V76B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly KIN V76. Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V76B - TAI CHI II**1 Unit***Recommended Preparation: KIN V76A**Hours: 0.5 lecture, 2.5 laboratory weekly*

This course is designed for students wanting to learn and enhance intermediate/advanced skills in Tai Chi. Students will examine the philosophical, physiological, and psychological aspects of Tai Chi and will improve their form, balance, and technique of the basic moves within the first and second set sequences. The third set will be introduced and students will be able to perform the entire long form of Yang style Tai Chi. Integration of the mind and body as well as the application of Tai Chi principles for stress reduction in daily living will be emphasized.

Ventura College faculty has defined Combatives as a family of courses which includes KIN V50A/CJ V11A, KIN V50B, KIN V52, KIN V76A, and KIN V76B. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU; UC.

KIN V80 - FIRST AID, SAFETY, AED AND CPR FOR THE PROFESSIONAL**3 Units***C-ID: KIN 101**Hours: 3 lecture weekly*

This course covers prevention of accidents, procedures for treating wounds, shock, poisoning, fractures, injuries, and burns; provides instruction in CPR, AED (Automated External Defibrillation); and discusses the role of the professional rescuer in the EMS (Emergency Medical System). Students may qualify for Standard American First Aid Certificate, CPR/AED for the Professional Rescuer Certificate.

Transfer credit: CSU.

KIN V81 - FUNDAMENTALS OF KINESIOLOGY**3 Units***C-ID: KIN 100**Hours: 3 lecture weekly*

This course introduces the student to the discipline of kinesiology. Topics include: historical overview, theory, scope and scientific principles of kinesiology, human movement, and the relationship between kinesiology and the complementary fields of fitness training, athletic training, physical and adaptive physical education, and sports medicine.

Transfer credit: CSU; UC; credit limitations - see counselor.

KIN V84 - INTRODUCTION TO ATHLETIC TRAINING 3 Units

Hours: 2 lecture, 3 laboratory weekly

This is an introductory course covering the care, treatment, and prevention of athletic injuries. This course is designed to provide information and skill development required in the growing profession of athletic training and its role in sports medicine. Topics include: history of athletic training, anatomical structures, injury evaluation and diagnostic procedures, injury prevention, nutrition, performance enhancing drugs, treatment modalities and rehabilitation of specific sports conditions, emergency situations, taping and wrapping techniques, and cutting edge technologies.

Formerly HED V94. Transfer credit: CSU; UC.

KIN V85 - PERSONAL FITNESS TRAINING FOR CERTIFICATION 3 Units

Hours: 2 lecture, 3 laboratory weekly

This course is designed to furnish the student with the knowledge, skills, and abilities to prepare to become a Certified Personal Trainer. Students will study how the muscular, skeletal, and cardiorespiratory systems function. Topics include anatomy and physiology, principles and methods of cardiovascular training, strength training, safety, nutrition, and weight management.

Field trips may be required. Formerly PE V100. Transfer credit: CSU.

KIN V86 - EXERCISE PRESCRIPTION FOR THE PERSONAL TRAINER 2 Units

Hours: 2 lecture weekly

This course is designed to increase the understanding and application of exercise prescription as a mode of disease prevention and treatment, and as a means of achieving high levels of physical fitness. Topics will include: risk stratification, advanced principles of conditioning, exercise prescription for healthy populations and special populations, behavior modification, leadership, and starting a fitness business.

Formerly PE V101. Transfer credit: CSU.

KIN V88 - KINESIOLOGY WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly PE V88.

KIN V89 - WORKSHOPS IN KINESIOLOGY 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly PE V89. Transfer credit: CSU; for UC, determined after admission.

KIN V90 - DIRECTED STUDIES IN KINESIOLOGY 1-6 Units

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly PE V90. Transfer credit: CSU; for UC, determined after admission.

KIN V95 - KINESIOLOGY INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Formerly PE V95. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

KIN V96 - KINESIOLOGY INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

LEARNING SKILLS

Learning Skills (LS) courses are designed for students with disabilities.

LS V02 - READING COMPREHENSION AND PROBLEM SOLVING 3 Units

Recommended Preparation: sixth grade reading level

Hours: 3 lecture weekly

This course will emphasize reading comprehension with a focus on problem solving, language processing and foundations for critical thinking skills. Special emphasis will focus on collaborative learning, followed by individual mastery.

Formerly LS 2. Not applicable for degree credit.

LS V03A - STUDY SKILLS: NOTETAKING/TIME MANAGEMENT 1 Unit

Hours: 1 lecture weekly

This study skills course focuses on the fundamentals of note taking and time management skills, and prepares students for mainstream courses. Topics will include: styles of note taking, specific strategies for different learning styles, and various time management skills.

Formerly LS 3A. Not applicable for degree credit.

LS V03B - STUDY SKILLS: TEST TAKING/PROOFREADING 1 Unit

Hours: 1 lecture weekly

This study skills course focuses on test taking and proofreading skills, and prepares students for mainstream courses. It is designed for those students who need a specialized approach to study skills.

Formerly LS 3B. Not applicable for degree credit.

LS V03C - STUDY SKILLS: ORGANIZATION/RESEARCH PAPER 1 Unit

Hours: 1 lecture weekly

This study skills course will focus on organizational skills and writing a research paper, and prepares students for mainstream courses. It is designed for students who need a specialized approach to study skills.

Formerly LS 3C. Not applicable for degree credit.

LS V07 - LEARNING SKILLS: FUNDAMENTALS OF MATH 3 Units

Hours: 3 lecture weekly

Offered as a review of math fundamentals for students who are having difficulties learning basic math in the traditional college environment.

Formerly LS 7. Not applicable for degree credit.

LS V09 - PERSONAL DEVELOPMENT 3 Units

Hours: 3 lecture weekly

This course provides an opportunity for people to meet in small groups in order to share thoughts, feelings, and personal concerns, with variations for the special learning styles of learning-disabled students. Emphasizes development of self-concept, realistic appraisal of strengths, interpersonal relations, and assertiveness.

Formerly LS 9. Not applicable for degree credit.

LS V10 - VOCABULARY BUILDING 3 Units

Hours: 3 lecture weekly

This is a foundation course designed to improve vocabulary skills. Special focus will be placed upon understanding the meaning and origin of common basic language words.

Formerly LS 10. Not applicable for degree credit.

LS V14 - MEMORY POWER 3 Units

Hours: 3 lecture weekly

This course is designed for students who have serious short- and long-term memory problems for academic facts and concepts. Special emphasis will be placed upon techniques to improve attention and increase concentration power.

Formerly LS 14. Not applicable for degree credit.

LS V25 - IMPROVING GRAMMAR AND WRITING SKILLS 3 Units

Hours: 3 lecture weekly

A foundation course focused on providing students with a solid base in the fundamentals of grammar and writing skills to prepare them for mainstream English and writing skills courses. Students will be introduced to strategies for writing sentences, paragraphs, outlines and essays.

Formerly LS 25. Not applicable for degree credit.

LS V88 - LEARNING SKILLS WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly LS V89. Not applicable for degree credit.

LIBRARY INSTRUCTION

LIB V01 - USING THE LIBRARY OF THE TWENTY-FIRST CENTURY 1 Unit

Recommended Preparation: basic computer competency

Hours: 1 lecture weekly

This course is designed to develop vital library research skills. Locating and understanding print, electronic and nonprint formats will be emphasized. A major focus of this course will be the library databases and the research potential of the Internet and the World Wide Web.

Field trips may be required. Formerly Lib 1. Transfer credit: CSU; UC.

LIB V88 - LIBRARY INSTRUCTION WORKSHOPS 1 Unit

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly LIB V89.

LIB V90 - DIRECTED STUDIES IN LIBRARY INSTRUCTION 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required.

MANUFACTURING TECHNOLOGY

The Manufacturing Technology Department offers the opportunity for students to excel by providing the latest information and technology in both the lecture and laboratory settings. The Manufacturing Technology program has included the most modern software and hardware to provide a good environment for learning. The inclusion of new computer controlled laser technology and continuing the use of general manufacturing process technology gives the students access to industrial tools and technologies found in industry. A comprehensive set of undergraduate courses are offered for students interested in working toward the completion of proficiency awards in CNC Operation and Manufacturing Applications, transfer classes for university credit and general interest courses for the returning student looking for skill improvement and employment in local industry.

Certificate of Achievement

BIOMEDICAL DEVICE MANUFACTURING

Biomedical Device Manufacturing Certificate provides skills for the manufacturing of medical devices including basic quality control, government regulations as well as applied skills such as machining and working in an ultra-clean environment. This certificate will prepare students to obtain employment in the field of medical device manufacturing. Students complete 13 specified units.

This Certificate of Achievement is a joint program between Moorpark College and Ventura College. Once the required courses are completed, students can apply to obtain the Certificate of Achievement at either college. To submit an application for the Certificate of Achievement, see a counselor.

REQUIRED COURSES:		Units
VENTURA COLLEGE		
MT V02	Applied Machining I	2
MT V05	CNC Machining I	2
MT V15	Manufacturing Processes	3
MOORPARK COLLEGE		
BIOT M02A/ BIOL M12A	Environmental Control and Process Support	2
BIOT M02B/ BIOL M12B	Manufacturing: Quality Control and Validation	2
BIOT M02E/ BIOL M12E	Business Practices and Government Regulation	2
TOTAL		13

Proficiency Award
CNC MACHINE OPERATOR

(Awarded by the Department)

REQUIRED COURSES:	Units
DRFT V02A/ WEL V02	3
DRFT V50	3
MT V05	2
MT V06	2
MT V08	3
MT V35	3
TOTAL	16

Proficiency Award
MANUFACTURING APPLICATIONS

(Awarded by the Department)

REQUIRED COURSES:	Units
ARCH V23/ DRFT V05A	2
DRFT V02A/ WEL V02	3
MT V02	2
MT V03	2
MT V04/ DRFT V04	3
MT V05	2
MT V15	3
TOTAL	17

For other course descriptions, see Architecture,
Drafting, and Welding

PROGRAM STUDENT LEARNING OUTCOMES

Students completing the Certificate of Achievement in **Biomedical Device Manufacturing** will be able to:

- Explain application of quality control, validation, clean room technology, machining and manufacturing processes used in the medical device manufacturing industry.
- Successfully demonstrate theoretical and practical Biotechnology applications during a comprehensive lab practical.

COURSE DESCRIPTIONS

MT V01 - MANUFACTURING SUPPORT 2 Units

Hours: 2 lecture weekly

This entry-level course is designed for limited-English-speaking students seeking training and/or employment within the manufacturing industry. Emphasis will be on common shop terminology. Selective machine tools and measuring tool vocabulary will be covered in detail.

MT V02 - APPLIED MACHINING I 2 Units

Recommended Preparation: DRFT V02A or WEL V02

Hours: 1 lecture, 3 laboratory weekly

This entry-level course is designed for students with or without any machining experience interested in job-skill preparation as applied to operating engine lathes and vertical mills in a manufacturing setting. *Field trips may be required.*

MT V03 - APPLIED MACHINING II 2 Units

Recommended Preparation: MT V02

Hours: 1 lecture, 3 laboratory weekly

This course consists of a series of lecture and enhanced laboratory activities as applied to operating conventional mills and lathes and introduces students to selective CNC-based (Computer Numerical Control) technology. Machining lab projects are structured around OJT (On-the-Job-Training) principles. The course is open to students interested in further machining related job skill preparation.

MT V04 - MEASUREMENTS AND COMPUTATIONS 3 Units

Hours: 3 lecture weekly

This course is the occupational application of measurements and computations as used by technology students. Topics include geometric shape calculations, practical trigonometry, areas, volumes, ratio and proportion, units and conversions, decimals and fractions, and applied algebra. *Formerly MT 4. Same as DRFT V04.*

MT V05 - CNC MACHINING I 2 Units

Hours: 1 lecture, 3 laboratory weekly

This course is an introduction to the general principles of Computer Numerical Control (CNC) machining as applied to machining and turning centers in the manufacturing environment. The focus of the course will be on OJT (On-the-Job-Training) principles as applied to CNC machine operator training. Topics will also include: fundamentals of measurement, current industry-standard blueprint reading, CNC tooling and accessories nomenclature, and machine tool set-ups, and operation. *Field trips may be required.*

MT V06 - CNC MACHINING II 2 Units

Recommended Preparation: MT V05

Hours: 1 lecture, 3 laboratory weekly

This course is an extension of the introductory Computer Numerical Control (CNC) operator training with the focus on extended CNC machining principles as applied to machining and turning centers. The teaching delivery system is modeled after OJT (On-the Job-Training) principles and covers extended principles of blueprint reading, precision measuring tools, and first article inspection per industry standard (ASME Y14.5).

MT V07 - CNC MACHINING III 2 Units

Recommended Preparation: MT V06

Hours: 1 lecture, 3 laboratory weekly

This course is designed as an advanced general Computer Numerical Control (CNC) machining operation course. The course emphasis is on the OJT (On-the-Job-Training) principles where lab activities encompass the processing of actual parts from the industry. Upon successful completion of this course students are expected to be proficient in job entry-level skills for operating and machining turning centers. Additional training is also provided in the proficiency of blueprint reading per ASME Y14.5 standard as well as processing first article inspection during the production cycle run.

MT V08 - COMPUTER NUMERICAL CONTROL (CNC) PROGRAMMING

3 Units

Recommended Preparation: MT V02 and MT V05

Hours: 2 lecture, 3 laboratory weekly

This course is an introduction to Computer Numerical Control (CNC) parts programming. Topics will include: CNC concepts, axis nomenclature, tooling, programming formats, manufacturing processes, Computer Aided Manufacturing (CAM), CNC milling and turning, program editing, speeds and feeds, and machine shop safety.

Field trips may be required.

MT V10 - QUALITY CONTROL AND MECHANICAL INSPECTION

2 Units

Recommended Preparation: MT V02 and MT V09

Hours: 1 lecture, 3 laboratory weekly

This is an introductory course dealing with the quality control field with special emphasis on part inspection/verification processes as applied to CMM & OM (coordinate measuring machine & optical measurement) technology. Open-end (surface plate) mechanical inspection principles are also covered.

Field trips may be required.

MT V15 - MANUFACTURING PROCESSES

3 Units

Hours: 2 lecture, 3 laboratory weekly

This course introduces modern manufacturing processes and systems. The course will also cover various manufacturing materials, techniques of machining, casting, forming, and industrial design.

Field trips will be required. Formerly MT 15. Transfer credit: CSU.

MT V18 - MANUFACTURING PROJECTS AND APPLICATIONS

2 Units

Recommended Preparation: ARCH V23 or DRFT V05A; and MT V02

Hours: 1 lecture, 3 laboratory weekly

This course is an integration of previously acquired knowledge through assignment of projects in the areas of manufacturing, industrial design, flexible manufacturing applications, computer aided design, and computer aided manufacturing (CAD/CAM). Topics will include set up and operation of computer numerical control (CNC) lathes, mills, manufacturing processes, and design principles.

Offered on a pass/no pass basis only.

MT V35 - PRODUCTION MACHINING AND TOOLING DESIGN TECHNIQUES

3 Units

Recommended Preparation: ARCH V23 or DRFT V05A or DRFT V41

Hours: 2 lecture, 3 laboratory weekly

This course covers production machining techniques. Topics include: production planning; production tooling design; setup and manufacturing planning; job costing and time/scheduling calculations; inspection; and blueprint reading for multiple-part manufacturing products. Computer applications in manufacturing planning are covered using computer aided design and manufacturing software (CAD/CAM), word processing, and spreadsheet applications.

Field trips may be required. Formerly MS V35.

MT V88 - MANUFACTURING TECHNOLOGY WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

MATHEMATICS

The mathematics program provides strong emphasis on fundamental concepts and problem solving skills useful in a myriad of career paths. The study of both pure mathematics and applied mathematics provide skills useful in fields such as Actuarial Science, Astronomy, Biology, Chemistry, Computer Science, Digital Arts, Earth Sciences, Economics, Education, Engineering, Physical Sciences, Physics, the Social Sciences.

Associate in Science Degree

MATHEMATICS FOR TRANSFER DEGREE

The Associate in Science in Mathematics for Transfer (Mathematics AS-T) Degree is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Science in Mathematics for Transfer degree may transfer to a four-year institution to complete a Bachelor's Degree in mathematics and applied mathematics or similar programs.

To earn an Mathematics AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (15 units):

		UNITS
MATH V21A	Calculus/Analytic Geometry I	5
MATH V21B	Calculus/Analytic Geometry II	5
MATH V21C	Multivariable Calculus	5

Choose a minimum of 6 units from LIST A and B with at least 3 units from LIST A:

LIST A:

Select one to two (1-2) of the following courses (3-6 units):

MATH V22	Linear Algebra	3
MATH V23	Differential Equations	3

LIST B:**Select one (1) of the following courses (3-5 units):**

CS V11	Programming Fundamentals	3
CS V13	Object-Oriented Programming	3
CS V17/ MATH V52	Discrete Structures	3
CS V30	Beginning C++	3
CS V40	Beginning Java	3
MATH V44	Elementary Statistics	4

PHYS V03A	General Physics I: Calculus Based	4
AND		
PHYS V03AL	General Physics I Laboratory: Calculus Based	1

Major Units	21-23
CSU General Education or IGETC-CSU Pattern Electives (CSU transferrable units to reach 60)	44-45
Double-Counted Units	(5-10)

DEGREE TOTAL **60**

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

**For other course descriptions,
see Computer Science and Physics**

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Mathematics** program students will be able to:

- Use formal systems of reasoning to draw well supported conclusions from given information..
- Comprehend and express mathematical constructs using correct mathematical notation.

COURSE DESCRIPTIONS

Recommended preparation for all math courses: The mathematics department strongly urges all students to take the appropriate mathematics assessment test to help determine the strength and currency of background knowledge.

MATH V01 - ELEMENTARY ALGEBRA **5 Units**

Prerequisite: MATH V10 or MATH V10A-V10C; or placement as measured by the college assessment process

Hours: 5 lecture weekly

This course covers number sets, operations with signed numbers, linear equations, graphing, ratio, proportion and variation, linear inequalities, introduction to functions, factoring, rational expressions and equations, exponents, factorable quadratic equations, and systems of equations. Students receiving credit in MATH V01 will not receive credit in MATH V01A-V01E or MATH V11A-V11B.

Formerly Math 1.

MATH V02 - GEOMETRY **3 Units**

Prerequisite: MATH V01 or MATH V01A-V01E or MATH V11B or MATH V88A-V88E; or placement as measured by the college assessment process

Hours: 3 lecture weekly

This course covers sets, real numbers, lines and planes, triangles, congruence, proof, geometric inequalities, parallel and perpendicular lines and planes, polygons, similarity, circles, locus, construction, area, perimeter, and volume.

Formerly Math 2.

MATH V03 - INTERMEDIATE ALGEBRA **5 Units**

Prerequisite: MATH V01 or MATH V01E or MATH V11B; or placement as measured by the college assessment process

Hours: 5 lecture weekly

This course covers equations and inequalities, systems of equations using matrices, exponents and radicals, complex numbers, functions and graphs, quadratic equations, conic sections, exponential and logarithmic functions. It satisfies mathematics competency for the AA/AS degree. Students receiving credit in MATH V03 will not receive credit in MATH V03A-V03E, MATH V12, MATH V13A-V13B or MATH V35.

Formerly Math 3.

MATH V04 - COLLEGE ALGEBRA **4 Units**

Prerequisite: MATH V03 or MATH V13B; or placement as measured by the college assessment process

C-ID: MATH 151

Hours: 4 lecture weekly

This is an advanced course in algebra, designed for students continuing to calculus or applied calculus. Topics include a review of number systems and basic algebra; systems of equations (including matrices and their determinants); variation; functional notation; theory of polynomial equations; study of polynomial, rational, radical, exponential, absolute value, and logarithmic functions; complex numbers; analytic geometry; and applications.

Formerly Math 4. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V05 - PLANE TRIGONOMETRY **3 Units**

Prerequisite: MATH V03 or MATH V13B; or placement as measured by the college assessment process

Recommended Preparation: MATH V02 or knowledge of plane geometry

Hours: 3 lecture weekly

This course examines the six basic trigonometric functions, their definitions, relationships, and uses as they apply to: radian measure, right triangle solution, identities, trigonometric equations, graphs, inverse functions, and complex numbers.

Formerly Math 5. Transfer credit: CSU.

MATH V10 - PREALGEBRA **3 Units**

Recommended Preparation: MATH V09 or MATH V09A-V09C or placement as measured by the college assessment process

Hours: 3 lecture weekly

This course bridges the gap between arithmetic and elementary algebra. It reviews fundamental operations using a formalized approach and includes an introduction to the following algebraic topics: number systems, properties of real numbers, exponents, algebraic expressions, linear equations and inequalities, application problems, and introduction to graphing. Students receiving credit in MATH V10 will not receive credit in MATH V10A-V10C.

Formerly Math 10. Not applicable for degree credit.

MATH V11A - ELEMENTARY ALGEBRA: FIRST HALF **3 Units**

Prerequisite: MATH V10 or MATH V10C; or placement as measured by the college assessment process

Hours: 2.5 lecture, 1.5 laboratory weekly

This course is the first half of Elementary Algebra. It covers number sets, operations with signed numbers, linear equations and inequalities, polynomials and factoring, and introduction to quadratic equations. Students receiving credit in MATH V11A-V11B will not receive credit in MATH V01 or MATH V01A-V01E.

Formerly Math 11A.

MATH V11B - ELEMENTARY ALGEBRA: SECOND HALF **3 Units**

Prerequisite: MATH V11A

Hours: 2.5 lecture, 1.5 laboratory weekly

This course is the second half of Elementary Algebra. It covers rational expressions, further study of quadratic equations, graphing of equations and inequalities, systems of equations, and roots and radicals. Students receiving credit in MATH V11A-V11B will not receive credit in MATH V01 or MATH V01A-V01E.

Formerly Math 11B.

MATH V12 - INTERMEDIATE ALGEBRA FOR NON-STEM MAJORS**3 Units**

Prerequisite: MATH V01 or MATH V01E or MATH V11B; or placement as measured by the college assessment process.

Hours: 3 lecture weekly

This course is designed for students who will not be pursuing a major in science, technology, engineering, or mathematics. It is designed to meet AA/AS competency in mathematics, and to satisfy the prerequisite for transfer-level courses in non-STEM fields. The course will cover solving equations and inequalities, exponents and radicals, functions and graphs, and quadratic, logarithmic, and exponential functions.

MATH V13A - INTERMEDIATE ALGEBRA: FIRST HALF **3 Units**

Prerequisite: MATH V01 with grade of C or better or MATH V01E with grade of CR or P or MATH V11B with grade of C or better; or 1 year of high school beginning algebra (Algebra I) with grade of C or better; or placement as measured by the college assessment process.

Hours: 3 lecture weekly

This course is the first half of Intermediate Algebra. Completion of both MATH V13A and MATH V13B is equivalent to MATH V03. This course covers equations and inequalities, systems of equations using matrices, exponents and radicals, and complex numbers. Students receiving credit in MATH V13A will not receive credit in MATH V03A-V03C.

MATH V13B - INTERMEDIATE ALGEBRA: SECOND HALF **3 Units**

Prerequisite: MATH V03C with grade of CR or P or MATH V13A with grade of C or better.

Hours: 3 lecture weekly

This course is the second half of Intermediate Algebra. Completion of both MATH V13A and MATH V13B is equivalent to MATH V03. This course covers functions and graphs, quadratic equations, conic sections, and exponential and logarithmic functions. Students receiving credit in MATH V13B will not receive credit in MATH V03D-V03E.

MATH V14 - PRESTATISTICS**6 Units**

Prerequisite: MATH V10 or placement as measured by the college assessment process.

Hours: 6 lecture weekly

This course prepares students for a course in transfer-level statistics. Topics covered will include performing mathematical operations, evaluating expressions, a comparison of inductive and deductive reasoning, various methods of collecting data, graphical displays of data, measures of center, measures of spread, computational probability, radicals and radical equations, and use of linear and exponential functions to model bivariate data. *Not applicable for degree credit.*

MATH V19 - PRECALCULUS & TRIGONOMETRY **7 Units**

Prerequisite: MATH V03 or MATH V13B or placement as measured by the college's multiple measures assessment process.

Hours: 7 lecture weekly

This course is designed to prepare students for the study of calculus. The precalculus topics will include the study of polynomial, absolute value, radical, rational, exponential, and logarithmic functions, analytic geometry, and polar coordinates. The trigonometry topics will include the study of trigonometric functions, their inverses and their graphs, identities and proofs related to trigonometric expressions, trigonometric equations, solving right triangles, solving oblique triangles using the law of cosines and the law of sines, and an introduction to vectors.

Transfer credit: CSU; UC.

MATH V20 - PRECALCULUS MATHEMATICS**5 Units**

Prerequisite: MATH V05; or placement as measured by the college assessment process

Hours: 5 lecture weekly

This course serves as a preparation for calculus. Topics include polynomial, absolute value, rational, radical, exponential, logarithmic, and trigonometric functions and their graphs; analytic geometry; matrices; series; and polar coordinates. The approach is designed to unify the concepts of mathematics at the precalculus level.

Formerly Math 20. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V21A - CALCULUS WITH ANALYTIC GEOMETRY I **5 Units**

Prerequisite: both MATH V04 and MATH V05 with grades of C or better; or MATH V20 with grade of C or better; or MATH V19, or the fourth year of high school mathematics (advanced mathematics) with grade of C or better; or placement as measured by the college assessment process

C-ID: MATH 210, MATH 900S [MATH V21A + MATH V21B]

Hours: 5 lecture weekly

This is a first course in differential and integral calculus of a single variable which covers the elements of calculus. Topics include functions; limits; continuity; techniques and applications of differentiation and integration of algebraic, logarithmic and trigonometric functions; the Fundamental Theorem of Calculus; and L'Hospital's rule. The course is suitable for science, technology, engineering, and mathematics majors.

Formerly Math 21A. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V21B - CALCULUS WITH ANALYTIC GEOMETRY II **5 Units**

Prerequisite: MATH V21A or equivalent with grade of C or better

C-ID: MATH 220, MATH 900S [MATH V21A + MATH V21B]

Hours: 5 lecture weekly

This is a second course in differential and integral calculus. It includes applications and techniques of integration (including improper integrals), parametric and polar equations, and sequences and series. The course will also introduce applications to conic sections, and a variety of topics from other STEM disciplines.

Formerly Math 21B. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V21C - MULTIVARIABLE CALCULUS**5 Units**

Prerequisite: MATH V21B or equivalent with grade of C or better

Hours: 5 lecture weekly

This course includes: vectors in two and three dimensions; planes, lines and surfaces in space; vector-valued functions and motion in space; partial differentiation; multiple integrals including change of variables; vector fields, including gradient, divergence, and curl; line and surface integrals; and Green's Theorem, Stokes' Theorem and the Divergence Theorem.

Formerly Math 21C. Transfer credit: CSU; UC.

MATH V22 - INTRODUCTION TO LINEAR ALGEBRA **3 Units**

Prerequisite: MATH V21B

C-ID: MATH 250

Hours: 3 lecture weekly

This course develops the techniques and theory needed to solve and classify systems of linear equations. Solution techniques include row operations, Gaussian elimination, and matrix algebra. Investigates the properties of vectors in two and three dimensions, leading to the notion of an abstract vector space. Vector space and matrix theory are presented including topics such as inner products, norms, orthogonality, eigenvalues, eigenspaces, and linear transformations. Selected applications of linear algebra are included.

Transfer credit: CSU; UC.

MATH V23 - INTRODUCTION TO DIFFERENTIAL EQUATIONS 3 Units

Prerequisite: MATH V21C or concurrent enrollment

Recommended Preparation: MATH V22

C-ID: MATH 240

Hours: 3 lecture weekly

This course is an introduction to ordinary differential equations including both quantitative and qualitative methods as well as applications from a variety of disciplines. Introduces the theoretical aspects of differential equations, including establishing when solution(s) exist, and when techniques for obtaining solutions, including, series solutions and singular points, Laplace transforms and linear systems.

Transfer credit: CSU; UC.

MATH V35 - INTERMEDIATE ALGEBRA AND APPLICATIONS FOR HEALTH CARE PERSONNEL 5 Units

Prerequisite: MATH V01 or MATH V11B or placement as measured by the college's multiple measures assessment process

Hours: 5 lecture weekly

This course is designed for health care professionals and will enable them to apply mathematical concepts and skills to on-the-job situations. After reviewing elementary algebra and introducing intermediate algebra concepts, students will learn the various techniques of dosage calculations. The computational methods used in the preparation of oral medication, solutions, parenteral therapy, and pediatric dosages are presented. Students receiving credit in MATH V35 will not receive credit in MATH V03 or MATH V03A-V03E.

MATH V38 - MATHEMATICS FOR ELEMENTARY SCHOOL TEACHERS 3 Units

Prerequisite: MATH V03 or MATH V13B or placement as measured by the college's assessment process.

Recommended Preparation: MATH V02 or 1 year of high school geometry with a grade of C or better.

C-ID: MATH 120

Hours: 3 lecture weekly

This course focuses on the development of quantitative reasoning skills through in-depth integrated explorations of topics in mathematics, including real number systems and subsystems. Emphasis is on comprehension and analysis of mathematical concepts and applications of logical reasoning. This course is designed primarily for students intending to teach at the elementary or middle grades levels.

Field trips may be required. Transfer credit: CSU; UC.

MATH V40 - MATHEMATICAL TOPICS FOR COLLEGE STUDENTS 3 Units

Prerequisite: MATH V03; or MATH V12; or MATH V13B; or MATH V35; or placement as measured by the college assessment process

Hours: 3 lecture weekly

Using and expanding upon the skills gained from intermediate algebra, this course offers the liberal arts student an applications-oriented, problem-solving exploration into a variety of mathematical fields including portions of courses offered in trigonometry, college algebra, statistics, business mathematics, and precalculus. Additional topics suitable for the liberal arts student may include transformational geometry, topology, non-Euclidean geometry, logic and proofs, number systems, number theory, graph theory, networks and linear programming, and computer algorithms. An important aspect of this course is to help students appreciate the value of mathematics in everyday life.

Formerly Math 40. Transfer credit: CSU; UC.

MATH V44 - ELEMENTARY STATISTICS 4 Units

Prerequisite: MATH V03 or MATH V12 or MATH V13B or MATH V35; or MATH V14; or placement as measured by the college assessment process

C-ID: MATH 110

Hours: 4 lecture weekly

This course introduces the use of probability techniques, hypothesis testing, and predictive techniques to facilitate decision-making useful to students in areas such as business, economics, life science, social science, health science, and education. Topics include descriptive statistics; probability and sampling distributions; statistical inference; correlation and linear regression; analysis of variance, chi-square, and t-tests; hypothesis testing; and the use of technology for statistical analysis, including the interpretation of the relevance of the statistical findings. This course also provides supervised computer practice designed to assist students in calculations required in introductory statistics.

Formerly Math 44. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V46 - APPLIED CALCULUS 4 Units

Prerequisite: MATH V04 or MATH V20 or MATH V19 or placement as measured by the college's multiple measures assessment process

C-ID: MATH 140

Hours: 4 lecture weekly

This is a course in analytic geometry and calculus for students in business, social science and biology. Topics include: functions and analytic geometry; differential calculus including limits, related rates, maxima and minima; and, integral calculus including area and other applications.

Formerly MATH V46A. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V52 - DISCRETE STRUCTURES 3 Units

Prerequisite: MATH V20 or both MATH V04 and MATH V05; or MATH V19; or placement as measured by the college assessment process

Recommended Preparation: CS V11 or equivalent

C-ID: COMP 152 and MATH 160

Hours: 3 lecture weekly

This course introduces the student to discrete mathematics as it is used in computer science. Topics include formal logic, proofs, sets, combinatorics, probability, functions, graph theory, Boolean Algebra, and Modeling with programming.

Field trips may be required. Same as CS V17. Transfer credit: CSU; UC; credit limitations - see counselor.

MATH V88 - MATHEMATICS WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

MATH V89 - WORKSHOPS IN MATHEMATICS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Math 89. Transfer credit: CSU; for UC, determined after admission.

MATH V90 - DIRECTED STUDIES IN MATHEMATICS 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Math 90. Transfer credit: CSU; for UC, determined after admission.

Sequence of Mathematics Courses

Where do I begin?

Information on the assessment process can be found at
www.venturacollege.edu/departments/student_services/matriculation/activities.shtml

Students may prepare for transfer level mathematics classes by completing the following courses:
 (For math courses below MATH V09–Beginning Mathematics, see the Learning Skills section of the catalog.)

MICROBIOLOGY

MICR V01 - GENERAL MICROBIOLOGY

4 Units

Prerequisite: BIOL V04 or PHSO V01 or equivalent with grades of C or better; and CHEM V01A-V01AL or CHEM V20-V20L or CHEM V30-V30L or 1 year of high school chemistry with grades of C or better

Recommended Preparation: BIOL V01-V01L and CHEM V21-V21L and ENGL V01A

Hours: 3 lecture, 3 laboratory weekly

This course includes lecture and laboratory studies concerning microbes: bacteria, fungi, protists, animals, and viruses, with an emphasis on bacterial physiology, virulence, staining, classification, metabolism, growth, and the effects of physical and chemical agents on bacteria. The course includes study of microorganisms affecting humans, principles of disease transmission, disease prevention, immunity, and biotechnology. Required safety items include a lab coat, gloves, and ANSI 287.1 safety glasses. Field trips may be required. Formerly Micro 1. Transfer credit: CSU; UC.

MUSIC

The Music Program offers a diverse curriculum, designed for both music-majors as well as non-majors. The overall program provides students with the knowledge and experience for a broad understanding of the musical arts. The program is divided into four core subsections, "Music Theory, Music History and Literature, Instrumental Performance, and Vocal Performance. Students wanting to major in music are required to enroll in the core courses designed around their individual selected emphasis of study. Majors are expected to have a breadth of knowledge of Tonal Harmony based on the common practice period, Western History and Literature from the Middle Ages to current practice, Intermediate skills in piano proficiency, Individual lessons with students selected instrument of major, and performance experience with ensembles. Upon completion of the core courses, students are encouraged to enroll in the advance course of Music Theory, Ethnomusicology, Jazz studies, Music Technology, or Performance. In all course students are expected to develop critical think skills, evaluate through the Musical Arts their own beliefs and assumptions, as well as broadening their creative capabilities. To assist students to accomplish and develop their skills, the department has several performing ensembles, including, three levels of Vocal Ensembles, a Symphony Orchestra, Chamber Music Ensembles, Jazz Band, Opera and Musical Theater. The Ventura College Department of Music has been the catalyst in developing, The Ventura Music Festival, New West Symphony, Ventura Master Chorale and continues to be the center of the musical arts in Ventura county. Students graduating with an Associate of Arts in Music degree may transfer to a four-year institution to complete a Bachelor's Degree. Career opportunities for music majors includes, performing artists with Symphony Orchestra, Opera and Musical Theater, studio musician, solo artist, composer, film and television composer, recording engineer, teacher in music, arts management, music librarian, orchestration and producer and executive director of musical events and organizations.

Associate in Arts for Transfer

MUSIC

The Associate in Arts in Music for Transfer degree (AA-T in Music degree) is designed to prepare students for a seamless transfer into the California State University system to complete a baccalaureate degree in Music or similar major. Students completing the AA-Tin Music degree are guaranteed admission to the CSU system, but not to a particular CSU campus or major. The AA-T in Music degree provides students with the knowledge and experience for a broad understanding of the musical arts. The program is divided into four core subsections: Music Theory, Music History and Literature, Instrumental Performance, and Vocal Performance. Students interested in obtaining a AA-T in Music degree are required to enroll in the core courses designed around their individual selected emphasis of study. AA-T in Music degree students are expected to have a breadth of knowledge of tonal harmony based on the common practice period; Western history and literature from the Middle Ages to current practice; intermediate skills in piano proficiency; individual lessons with students selected instrument of major; and performance experience with ensembles. Upon completion of the core courses, students are encouraged to enroll in the advance course of Music Theory, Ethnomusicology, Jazz studies, Music Technology, or Performance. In all courses, students are expected to develop critical thinking skills, evaluate their own beliefs and assumptions through the Musical Arts, as well as broaden their creative capabilities.

To assist students in accomplishing and developing their skills, the department has several performing ensembles, including: three levels of vocal ensembles, a symphony orchestra, chamber music ensembles, jazz band, opera and musical theater. The Ventura College Department of Music has been the catalyst in developing The Ventura Music Festival, New West Symphony, and Ventura Master Chorale and it continues to be the center of the musical arts in Ventura County.

To earn an Associate in Arts in Music for Transfer degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.

REQUIRED COURSES:		Units
MUS V01	Music Fundamentals	3
	OR	
MUS V02A	Music Theory I: Beginning Diatonic Tonal Music	3
	AND	
MUS V02AL	Ear Training I	1
MUS V02B	Music Theory II: Intermediate Diatonic Tonal Music	3
MUS V02BL	Ear Training II	1
MUS V02C	Music Theory III: Chromatic Harmony	3
MUS V02CL	Ear Training III	1
MUS V02D	Music Theory IV: Post Romantic	3
MUS V02DL	Ear Training IV	1

Applied Music – Select two (2) units from the following courses:

A course may be taken four (4) times:

MUS V31A	Private Lessons: Woodwinds	.5
MUS V31B	Private Lessons: Brass	.5
MUS V31C	Private Lessons: Strings	.5
MUS V31D	Private Lessons: Keyboards	.5
MUS V31E	Private Lessons: Classical Guitar	.5
MUS V31F	Private Lessons: Orchestral Percussion Instruments	.5
MUS V31H	Private Lessons: Voice	.5

Large Ensemble – Select four (4) units from the following courses:

A course may be taken four (4) times:

MUS V10	College Chorus	1
MUS V12	Community Choir	1
MUS V15	Community Orchestra	1
MUS V17	Jazz Band	1
MUS V34	Symphony Orchestra	1

Please refer to *Intersegmental General Education Transfer Curriculum* (may be found in the Counseling Office or in the VC Catalog on page 84).

Major Units	21-22
Completion of CSU-GE Breadth or IGETC pattern	37
Electives (CSU transferrable units to reach 60)	0
Double-counted units	(1-2)
TOTAL	60

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Music** program students will be able to:

- Apply lessons of assigned course work and or knowledge and skills attained throughout the course work to new and varied subjects.
- Generate new ideas, express their selves creatively, or solve complex problems in an original way
- Use course work and information taught throughout the course to draw conclusions or create new sources of information that can be shared with others.

.....

Associate in Arts Degree Certificate of Achievement

MUSIC

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:		Units
MUS V02A	Music Theory I: Beginning Diatonic Tonal Music	3
MUS V02B	Music Theory II: Intermediate Diatonic Tonal Music	3
MUS V02C	Music Theory III: Chromatic Harmony	3
MUS V02D	Music Theory IV: Sixteenth Century Counterpoint	3
MUS V02AL	Ear Training I	1
MUS V02BL	Ear Training II	1
MUS V02CL	Ear Training III	1
MUS V02DL	Ear Training IV	1

REQUIRED ADDITIONAL COURSES:

Select three (3) units from the following courses:

MUS V09A	Music History and Literature I	3
MUS V09B	Music History and Literature II	3

Select four (4) units from the following courses:

MUS V24A	Keyboards I	2
MUS V24B	Keyboards II	2
MUS V24C	Keyboards III	2
MUS V24D	Keyboards IV	2

Select six (6) units from the following courses:

MUS V10	College Chorus	1
MUS V11	College Singers	1
MUS V12	Community Choir	1
MUS V14A	Beginning Orchestra: Strings	1
MUS V14B	Beginning Orchestra: Winds	1
MUS V14C	Beginning Orchestra: Percussion	1
MUS V15	Community Orchestra	1
MUS V17	Jazz Band	1
MUS V21A	Chamber Music: Woodwinds	1
MUS V21B	Chamber Music: Brass	1
MUS V21C	Chamber Music: Strings and Keyboards	1
MUS V22A	Advanced Chamber Music: Woodwinds	1
MUS V22B	Advanced Chamber Music: Brass	1
MUS V22C	Advanced Chamber Music: Strings and Keyboards	1
MUS V34	Symphony Orchestra	1
MUS V45	Beginning Opera/Musical Theatre Workshop	1
MUS V46	Intermediate Opera/Musical Theatre Workshop	1
MUS V47	Advanced Opera/Musical Theatre Workshop	1

TOTAL **29**

Recommended Courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into this field of study consider taking one or more of the following courses: MUS V01, V13, V27. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Music** program students will be able to:

- Apply lessons of assigned coursework and/or knowledge and skills attained throughout the coursework to new and varied subjects.
- Generate new ideas, express themselves creatively, or solve complex problems in an original way.
- Use coursework and information taught throughout the course to draw conclusions or create new sources of information that can be shared with others

COURSE DESCRIPTIONS

MUS V01 - FUNDAMENTALS OF MUSIC

3 Units

C-ID: MUS 110

Hours: 3 lecture weekly

This course introduces the entry-level student to the basics of reading and writing music, including notes, the staff, clefs, scales, intervals, key and time signatures, and chords. The student will write music exercises of increasing complexity each week. Group exercises will include singing of selected melodies and learning to perform various rhythmic patterns.

Formerly Mus 1. Transfer credit: CSU; UC; credit limitations - see counselor.

MUS V02A - MUSIC THEORY I: BEGINNING DIATONIC TONAL MUSIC

3 Units

Corequisite: MUS V02AL

Recommended Preparation: MUS V01 or equivalent

C-ID: MUS 120

Hours: 3 lecture weekly

This course is an introduction to tonal music harmony and covers the fundamental materials of music: scales, intervals, meter and rhythm. Topics will include: musical acoustics; triads in root position and inverted; voice leading; part building and melody writing; figured bass; cadences; and, ranges of instruments. Course requirements include written exercises, keyboard exercises, analysis, simple composition and the study of representative masterworks by composers like Mozart or Bach.

Field trips may be required. Formerly Mus 2A. Transfer credit: CSU; UC.

MUS V02AL - EAR TRAINING I

1 Unit

Corequisite: MUS V02A

C-ID: MUS 125

Hours: 3 laboratory weekly

This course is an introduction to ear training through graded exercises in sight singing, note reading and music dictation.

Field trips may be required. Formerly Mus 2AL. Transfer credit: CSU; UC.

MUS V02B - MUSIC THEORY II: INTERMEDIATE DIATONIC TONAL MUSIC

3 Units

Prerequisite: MUS V02A-V02AL

Corequisite: MUS V02BL

C-ID: MUS 130

Hours: 3 lecture weekly

This course is an intermediate-level study of tonal music harmony. Topics will include: seventh chords; secondary dominants; non-harmonic tones; diatonic linear chords; harmonic progression; harmonizing melody; music structure; and elementary orchestration. Course requirements include written exercises, keyboard exercises, analysis, compositions and the study of representative masterworks by composers from the 17th through the 18th centuries.

Field trips may be required. Formerly Mus 2B. Transfer credit: CSU; UC.

MUS V02BL - EAR TRAINING II

1 Unit

Corequisite: MUS V02B

C-ID: MUS 135

Hours: 3 laboratory weekly

This course is a study of tonal music ear training through graded exercises in sight singing, note reading and music dictation. Some basic keyboard experience and improvisation will be included.

Field trips may be required. Formerly Mus 2BL. Transfer credit: CSU; UC.

MUS V02C - MUSIC THEORY III: CHROMATIC HARMONY

3 Units

Prerequisite: MUS V02B-V02BL

Corequisite: MUS V02CL

C-ID: MUS 140

Hours: 3 lecture weekly

This course is a study of chromaticism in tonal music harmony. Topics will include: ninth, eleventh and thirteenth chords; chromatic chords, including augmented sixth chords; mixed modes; extended modulation; linear chords; elements of musical development; harmonizing melody; and, chromatic embellishment. Course requirements will include written exercises, keyboard exercises, analysis, composition, and the study of representative masterworks by composers from the 18th through the 19th centuries.

Field trips may be required. Formerly Mus 2C. Transfer credit: CSU; UC.

MUS V02CL - EAR TRAINING III

1 Unit

Corequisite: MUS V02C

C-ID: MUS 145

Hours: 3 laboratory weekly

This course is a study of chromatic harmony through ear training in tonal music harmony. It will include ear training through graded exercise in sight singing, note reading, and music dictation. Some basic keyboard experience and improvisation will be included. Chromatic chords, including augmented sixth chords, mixed modes and extended modulation will also be covered.

Field trips may be required. Formerly Mus 2CL. Transfer credit: CSU; UC.

MUS V02D - MUSIC THEORY IV: POST ROMANTIC

3 Units

Prerequisite: MUS V02C and MUS V02CL

Corequisite: MUS V02DL

C-ID: MUS 150

Hours: 3 lecture weekly

This course incorporates the concepts from Music Theory III. In addition, through writing and analysis, the course will include post-Romantic techniques such as borrowed chords and modal mixture chromatic mediants; Neapolitan and augmented-sixth chords; 9th, 11th, and 13th chords; altered chords; and dominants. The course will also address 20th century techniques including Impressionism, tone rows, set theory, pandiatonicism and polytonalism, meter and rhythm.

Field trips may be required. Formerly Mus 2D. Transfer credit: CSU; UC.

MUS V02DL - EAR TRAINING IV

1 Unit

Prerequisite: MUS V02CL

Corequisite: MUS V02D

C-ID: MUS 155

Hours: 3 laboratory weekly

This course applies and develops the rhythmic, melodic, and harmonic materials of Music Theory IV through ear training, sight singing, analysis, and dictation.

Field trips may be required. Formerly Mus 2DL. Transfer credit: CSU; UC.

**MUS V02H - MUSIC THEORY VIII:
JAZZ HARMONY AND PRACTICE** **3 Units**

Prerequisite: MUS V02B-V02BL

Hours: 3 lecture weekly

This course is an introduction to the concepts of harmony used in American vernacular music as represented in gospel, the blues, jazz, pop, and rock. Topics will include: typical music groups; review of basic triads, 7th chords and chord symbols; reading and creating performance charts; chord alterations; chord extensions; chord substitutions; modulation; and basic arranging. Course requirements include written exercises, keyboard exercises, performance, analysis, basic arranging, and the study of performance practices utilized in American vernacular music.

Field trips may be required. Transfer credit: CSU; UC.

MUS V03 - INTRODUCTION TO WORLD MUSIC **3 Units**

Hours: 3 lecture weekly

This course provides an introductory survey of world music from the cultural traditions of the Americas, Africa, Asia, Indonesia, India and Europe. The course will focus on the cultural sources of world musical practices, on characteristics of rhythm, melody and composition, and on musical instruments.

Field trips may be required. Formerly Mus 3. Transfer credit: CSU; UC.

MUS V06 - HISTORY OF ROCK AND ROLL **3 Units**

Hours: 3 lecture weekly

This course is a survey of rock music from the late 1940's to the present--its musical, socio-cultural and historical development. Emphasis will be on the roots and early development of rock; its stylistic trends and influential artists throughout the years including the politics of rock and the impact of technology.

Field trips may be required. Transfer credit: CSU; UC.

MUS V07 - HISTORY OF JAZZ **3 Units**

Hours: 3 lecture weekly

This course surveys jazz history, and examines both musical and cultural perspective from its roots in ragtime, blues and American popular music, to the diverse styles of today. The focus will be on important individuals, groups, styles, and influences, as well as the impact of American society and world culture. Guest artists and lecturers and analyses of recordings may be included.

Field trips may be required. Formerly MUS V60E. Same as AES V12. Transfer credit: CSU; UC; credit limitations - see counselor.

MUS V08 - MUSIC APPRECIATION **3 Units**

C-ID: MUS 100

Hours: 3 lecture weekly

This course introduces the student to the main stylistic periods and developments in music, from ancient times to the present, with an emphasis on understanding and enjoyment in listening. It explores not only the music, composers and traditions of Western culture, but examines some of the contributions of world music, popular music, blues, jazz, and rock as well.

Field trips may be required. Formerly Mus 8. Transfer credit: CSU; UC.

MUS V09A - MUSIC HISTORY AND LITERATURE I **3 Units**

Hours: 3 lecture weekly

This course is a survey of musical styles, form and personalities from the Middle Ages (560) to the late Baroque era (1750). There will also be discussions about social and political influences in each era.

Field trips may be required. Formerly Mus 9A. Transfer credit: CSU; UC.

MUS V09B - MUSIC HISTORY AND LITERATURE II **3 Units**

Hours: 3 lecture weekly

This course is a survey of musical styles, form, and personalities from the early Classical era (1750) to our current era. Discussions will also include social and political influences from each era.

Field trips may be required. Formerly Mus 9B. Transfer credit: CSU; UC.

MUS V10 - COLLEGE CHORUS **1 Unit**

Enrollment limitation: Audition is required

C-ID: MUS 180

Hours: 3 laboratory weekly

This course is the study and performance of mixed choir music from the community, classic and folk traditions.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 10. Transfer credit: CSU; UC.

MUS V11 - COLLEGE SINGERS **1 Unit**

Recommended Preparation: MUS V10 or singing ability

Hours: 3 laboratory weekly

This singing group provides an opportunity to learn choral music from all ages. College Singers appear in public concerts, inter-school festivals, and workshops. Some additional time is needed for special concerts and rehearsals.

Field trips will be required. May be taken for a maximum of 4 times. Formerly Mus 11. Transfer credit: CSU; UC.

MUS V12 - COMMUNITY CHOIR **1 Unit**

Enrollment limitation: Audition is required

Recommended Preparation: MUS V10 or MUS V11

C-ID: MUS 180

Hours: 3 laboratory weekly

Community Choir is for singers from the college and community with a desire to learn great choral music and develop their singing and music reading skills. The ensemble rehearses music to be performed in public.

Field trips will be required. May be taken for a maximum of 4 times. Formerly Mus 12. Transfer credit: CSU; UC.

MUS V13 - VOICE **1 Unit**

Hours: 3 laboratory weekly

This course provides training in singing both as a soloist and in a group. Topics covered will include: vocal technique such as stretching and warm-up exercises, posture, breathing, basic anatomy and the vocal apparatus, pathway of singing, resonance, and vowel and consonant articulation; repertoire; and, performance techniques. Students will be required to perform solo and in a group setting.

Field trips will be required. May be taken for a maximum of 4 times. Formerly MUS V13A. Transfer credit: CSU; UC.

MUS V14A - BEGINNING ORCHESTRA: STRINGS **1 Unit**

Recommended Preparation: ability to play a string instrument and ability to read music

Hours: 3 laboratory weekly

This course is for string players who wish to experience playing in a larger ensemble. Rehearsals lead to a public performance, based upon the skill level of the group.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

MUS V14B - BEGINNING ORCHESTRA: WINDS **1 Unit**

Recommended Preparation: ability to play a wind instrument and ability to read music

Hours: 3 laboratory weekly

This course is for woodwind and brass players who wish to experience playing in an orchestra. Rehearsals lead to a public performance, based upon the skill level of the group.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

MUS V14C - BEGINNING ORCHESTRA: PERCUSSION 1 Unit

Recommended Preparation: ability to play a percussion instrument and ability to read music

Hours: 3 laboratory weekly

This course is for percussion players who wish to experience playing in an orchestra. Rehearsals lead to a public performance, based upon the skill level of the group.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

MUS V15 - COMMUNITY ORCHESTRA 1 Unit

Prerequisite: MUS V14A or V14B or 14C or equivalent skills

C-ID: MUS 180

Hours: 3 laboratory weekly

This course is intended for musicians who have experience playing in an orchestra. Students will become accustomed to score reading, how to mark scores, and will learn the history of the orchestra. The ensemble rehearses standard orchestra literature in preparation for public performance.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 15. Transfer credit: CSU; UC.

MUS V17 - JAZZ BAND 1 Unit

Enrollment limitation: Audition is required

C-ID: MUS 180

Hours: 3 laboratory weekly

Jazz band will focus on the rehearsal and performance of large ensemble jazz music. Students will learn about various jazz styles and performance techniques within the context of a larger ensemble, as well as the elements of tuning, phrasing, and the analysis of rhythmic notation. The course will also explore advanced improvisation techniques.

Field trips may be required. May be taken for a maximum of 4 times. Transfer credit: CSU; UC.

MUS V21A - CHAMBER MUSIC: WOODWINDS 1 Unit

Recommended Preparation: ability to play a woodwind instrument

Hours: 3 laboratory weekly

This course will provide students an opportunity to rehearse and perform in small woodwind ensembles. Emphasis will be on ensemble balance, musical phrasing, dynamics, and interpretation. Repertoire will be taken from standard classical literature for woodwind ensembles.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 21A. Transfer credit: CSU; UC.

MUS V21B - CHAMBER MUSIC: BRASS 1 Unit

Recommended Preparation: ability to play a brass instrument

Hours: 3 laboratory weekly

This course will provide students an opportunity to rehearse and perform in small brass or mixed ensembles. Emphasis will be on ensemble balance, musical phrasing, dynamics, and interpretations. Repertoire will be taken from standard classical literature for brass or mixed ensembles.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 21B. Transfer credit: CSU; UC.

MUS V21C - CHAMBER MUSIC: STRINGS AND KEYBOARDS 1 Unit

Recommended Preparation: ability to play a string or keyboard instrument

Hours: 3 laboratory weekly

This course will provide students an opportunity to rehearse and perform in small string, keyboard or mixed ensembles. Emphasis will be on ensemble balance, musical phrasing, dynamics, and interpretation. Repertoire will be taken from standard classical literature for strings, keyboards and/or mixed ensembles.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 21C. Transfer credit: CSU; UC.

MUS V22A - ADVANCED CHAMBER MUSIC: WOODWINDS 1 Unit

Prerequisite: MUS V21A or equivalent skills

Hours: 3 laboratory weekly

This course will provide students an opportunity to rehearse and perform in advanced small woodwind or mixed ensembles. Emphasis will be on ensemble balance, musical phrasing, dynamics and interpretation. Repertoire will be taken from standard classical literature for woodwind or mixed ensembles, including 20th century and contemporary repertoire.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 22A. Transfer credit: CSU; UC.

MUS V22B - ADVANCED CHAMBER MUSIC: BRASS 1 Unit

Prerequisite: MUS V21B or equivalent skills

Hours: 3 laboratory weekly

This course will provide students an opportunity to rehearse and perform in advanced small brass or mixed ensembles. Emphasis will be on ensemble balance, musical phrasing, dynamics, and interpretation. Repertoire will be taken from standard classical literature for brass or mixed ensembles, including 20th century and contemporary repertoire.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 22B. Transfer credit: CSU; UC.

MUS V22C - ADVANCED CHAMBER MUSIC: STRINGS AND KEYBOARDS 1 Unit

Prerequisite: MUS V21C or equivalent skills

Hours: 3 laboratory weekly

This course will provide students an opportunity to rehearse and perform in advanced small string, keyboard or mixed ensembles. Emphasis will be on ensemble balance, musical phrasing, dynamics, and interpretation. Repertoire will be taken from standard classical literature for string, keyboard or mixed ensembles, including 20th century and contemporary repertoire.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 22C. Transfer credit: CSU; UC.

MUS V24A - KEYBOARDS I 2 Units

Hours: 1 lecture, 3 laboratory weekly

This course introduces the fundamentals of keyboard playing, music reading, technique, scales, transposition, simple keyboard harmonization, and simple keyboard literature. It is designed for the student with little or no prior keyboard experience.

Field trips may be required. Formerly Mus 24A. Transfer credit: CSU; UC.

MUS V24B - KEYBOARDS II 2 Units

Prerequisite: MUS V24A or equivalent

Hours: 1 lecture, 3 laboratory weekly

This course continues the study of the fundamentals of keyboard playing, including music reading, technique, scales, transposition, keyboard harmonization, and simple keyboard literature.

Field trips may be required. Formerly Mus 24B. Transfer credit: CSU; UC.

MUS V24C - KEYBOARDS III 2 Units

Prerequisite: MUS V24B or equivalent

Hours: 1 lecture, 3 laboratory weekly

This intermediate-level keyboard course focuses on music reading, technique, major and minor scales, transposition, more advanced keyboard harmonization, and intermediate-level keyboard literature.

Field trips may be required. Formerly Mus 24C. Transfer credit: CSU; UC.

MUS V24D - KEYBOARDS IV 2 Units

Prerequisite: MUS V24C or equivalent

Hours: 1 lecture, 3 laboratory weekly

This is an advanced course in keyboard playing, focusing on music reading, technique, major and minor scales, transposition, keyboard harmonization, and more advanced keyboard literature.

Field trips may be required. Formerly Mus 24D. Transfer credit: CSU; UC.

MUS V31A - PRIVATE LESSONS: WOODWINDS 0.5 Unit

Enrollment Limitation: audition is required.

Recommended Preparation: concurrent enrollment in a music theory course, concurrent enrollment in an ear training course, and concurrent enrollment in a performance course (any one of: MUS V10, V11, V12, V14A, V14B, V14C, V15, V17, V21A, V21B, V21C, V22A, V22B, V22C, V34, V45, V46 or V47)

C-ID: MUS 160

Hours: 2 laboratory weekly

This course consists of individualized study of the appropriate techniques and repertoire for the specific instrument or voice being studied. The emphasis is on the progressive development of skills needed for solo performance. Achievement is evaluated through a juried performance. Ventura College faculty has defined Private Lessons as a family of courses which includes MUS V31A, MUS V31B, MUS V31C, MUS V31D, MUS V31E, MUS V31F, MUS V31G, and MUS V31H. A student may take a maximum of four (4) courses from a family.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 31A. Transfer credit: CSU; UC.

MUS V31B - PRIVATE LESSONS: BRASS 0.5 Unit

Enrollment Limitation: audition is required.

Recommended Preparation: concurrent enrollment in a music theory course, concurrent enrollment in an ear training course, and concurrent enrollment in a performance course (any one of: MUS V10, V11, V12, V14A, V14B, V14C, V15, V17, V21A, V21B, V21C, V22A, V22B, V22C, V34, V45, V46 or V47)

C-ID: MUS 160

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 31H. Transfer credit: CSU; UC.

MUS V34 - SYMPHONY ORCHESTRA 1 Unit

Prerequisite: MUS V15 or equivalent skills

C-ID: MUS 180

Hours: 3 laboratory weekly

Symphony Orchestra is for experienced orchestral musicians. The orchestra will concentrate on masterworks from the standard repertoire from all periods of music. The goal is to meet the highest performance standards. Members will play alongside professional musicians, who will act as their mentors. Performances may include strictly orchestra concerts, but also soloists in concertos, chorus and ballet.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 34. Transfer credit: CSU; UC.

MUS V36 - BEGINNING GUITAR 1 Unit

Hours: 3 laboratory weekly

This course is designed for the beginning student in guitar and focuses on the study of standard guitar techniques and on the development of musical skills, performance skills and a knowledge of repertoire.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 36. Transfer credit: CSU; UC.

MUS V37 - INTERMEDIATE GUITAR 1 Unit

Recommended Preparation: MUS V36

Hours: 3 laboratory weekly

This course is designed for the serious student interested in building classical repertoire. Focus is on continued improvement of basic techniques, development of performance skills and individual problem solving.

Field trips may be required. May be taken for a maximum of 4 times. Formerly Mus 37. Transfer credit: CSU; UC.

MUS V39 - INTRODUCTION TO MUSIC TECHNOLOGY 2 Units

Recommended Preparation: music fundamentals and computer fundamentals

Hours: 1 lecture, 3 laboratory weekly

This course is an introduction to the many uses of the computer in today's music. Areas covered include: music notation and printing software (Finale and Sibelius); the basics of MIDI (Musical Instrument Digital Interface) and MIDI sequencing; sound synthesis and sampling; and, digital audio recording, editing, and mixing with software such as Pro Tools or Digital Performer. Students will get hands-on experience through several class projects. An overview of the complete spectrum of technology in music is included.

Field trips may be required. Transfer credit: CSU.

MUS V45 - BEGINNING OPERA/MUSICAL THEATRE WORKSHOP 1 Unit

Hours: 3 laboratory weekly

This is an in-depth study of the skills necessary for the performer in a live opera/musical theatre production. Emphasis will be on the script/score analysis, role preparation, theatre and rehearsal etiquette and technique, and singing technique, culminating in a live scene or full-length, fully produced opera or musical.

Field trips may be required. Formerly Mus 45. Transfer credit: CSU; UC.

MUS V46 - INTERMEDIATE OPERA/MUSICAL THEATRE WORKSHOP 1 Unit

Recommended Preparation: MUS V45

Hours: 3 laboratory weekly

This is an in-depth study of the skills necessary, at the intermediate level, for the performer in a live opera/musical theatre production. Emphasis will be on the script/score analysis, role preparation, theatre and rehearsal etiquette and technique, and singing technique, culminating in a live scene or full-length, fully produced opera or musical.

Field trips may be required. Formerly Mus 46. Transfer credit: CSU; UC.

MUS V47 - ADVANCED OPERA/MUSICAL THEATRE WORKSHOP 1 Unit

Recommended Preparation: MUS V46

Hours: 3 laboratory weekly

This is an in-depth study of the skills necessary, at the advanced level, for the performer in a live opera/musical theatre production. Emphasis will be on the script/score analysis, role preparation, theatre and rehearsal etiquette and technique, and singing technique, culminating in a live scene or full-length, fully produced opera or musical.

Field trips may be required. Transfer credit: CSU; UC.

MUS V88 - MUSIC WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

MUS V89 - WORKSHOPS IN MUSIC 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly Mus 89. Transfer credit: CSU; for UC, determined after admission.

MUS V90 - DIRECTED STUDIES IN MUSIC

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Mus 90. Transfer credit: CSU; for UC, determined after admission.

NURSING SCIENCE

The nursing program is approved by the California Board of Registered Nursing and has received national accreditation by the Accreditation Commission for Education in Nursing (ACEN). Offered is an Associate Degree in Nursing with a program of clinical components in which the student cares for patients in the acute care and community settings.

RN Program

Upon completion of the Associate Degree program in Nursing, students will be eligible to take the NCLEX-RN examination leading to licensure as a Registered Nurse. The student must have fulfilled all requirements as defined by the California State Board of Registered Nursing. A licensed Registered Nurse (RN) may seek employment in an entry-level staff nurse position in a variety of health care settings.

GENERAL INFORMATION

Accrediting and approval agencies for Registered Nursing and LVN-RN Career Ladder Programs:

Link to RN NCLEX pass rates is posted on nursing website.

Many of the courses assigned to this curriculum are transfer courses and articulation is possible with the baccalaureate programs in nursing at the California State University campuses. The courses may be applied as a foundation for advanced work at the discretion of the accepting institution. Courses are taken on campus concurrently with supervised clinical experience in selected hospitals and agencies, constituting a nursing science practicum or laboratory experience. Although each course merits a letter grade, the laboratory experience is based on pass-fail and it is necessary to pass the laboratory section of the course in order to proceed in nursing. Failure in the laboratory portion of a nursing course constitutes an F in the course.

For successful completion of the program, a minimum grade of C is mandatory in all courses required for the nursing major. These include courses outside the discipline of nursing but required for the major, such as anatomy, microbiology, etc. Although a "C" is acceptable in one of the biological science courses, the overall science GPA must be 2.5 or higher with no more than one withdrawal, D or F in either anatomy, physiology or microbiology. In addition, the student must maintain an overall GPA of 2.5 to be admitted. If the student has a GPA of < 2.5 or more than one W, D or F in a science course, he / she must see a nursing counselor to develop a remediation plan. The student must maintain an overall GPA of 2.0 to continue in the nursing program.

REQUIRED COURSES:		Units
ANAT V01	General Human Anatomy	4
ENGL V01A	English Composition	4
MICR V01	General Microbiology	4
NS V10	Foundations of Nursing Practice	9
NS V20	The Nursing Process Applied to the Client with Health Care Deviations I (offered Fall 2017 only)	9.5
NS V20	Patient-Centered Care I and Family-Centered Care of Children (offered Spring 2018 only)	9
NS V30	The Nursing Process Applied to the Client with Health Care Deviations II	9
NS V40	The Nursing Process Applied to the Client with Health Care Deviations III	9
PHSO V01	Introduction to Human Physiology	4
PSY V01	Introduction to Psychology	3

REQUIRED ADDITIONAL COURSES:

Select one (1) of the following courses:

AES V11/SOC V03	Racial and Ethnic Group Relations	3
ANTH V02	Cultural Anthropology	3
SOC V01	Introduction to Sociology	3
SOC V02	Social Problems	3

Select one (1) of the following courses:

CD V03	Human Development	3
PSY V05	Introduction to Developmental Psychology	3

Select one (1) of the following courses:

COMM V01	Introduction to Speech Communication	3
COMM V10	Critical Thinking in Oral Communication: Argumentation and Debate	3

TOTAL	64
--------------	-----------

See next page for additional VC graduation requirements

**Pending final approval from the California Community Colleges Chancellor's Office (CCCCO)*

ADDITIONAL VC GRADUATION REQUIREMENTS:

SELECT ONE (1) COURSE FROM EACH GE

CATEGORY:

American History or Institutions	3
Fine and Performing Arts	3
Humanities Elective	3
Health Education (requirement fulfilled with NS V40 for ADN degree)	(3)
Physical Education/Kinesiology	1
Required Prerequisite Courses:	
MATH V03 Intermediate Algebra	5
OR	
MATH V12 Intermediate Algebra for Non-STEM Majors	3
OR	
MATH V13B Intermediate Algebra: Second Half	3
OR	
MATH V35 Intermediate Algebra and Applications for Health Care Personnel	5
OR Higher level Math	
AND	
CHEM V20 & Elementary Chemistry	4
CHEM V20L << Elementary Chemistry Laboratory	1
OR	
CHEM V30 & Chemistry for Health Sciences	4
CHEM V30L << Chemistry for Health Sciences Laboratory	1
OR Higher level Chemistry with Laboratory	
DEGREE TOTAL	81-84

<< A College-level physical science course must be completed to fulfill graduation requirements at Ventura College (see AA/AS Check Sheet).

◆ No Certificate of Achievement awarded.

± Eligible candidates may challenge the Health Science Division for advanced standing.

Highly recommended courses: In addition to the required courses listed above, it is highly recommended that students who seek to enhance their chances of successful completion of the Associate in Science in Nursing degree take the following courses: MATH V35 and NS V07. Although these supplemental courses may be of value to the student, please note that NS V07 does **NOT** satisfy the requirements for this degree.

For other course descriptions, see American Ethnic Studies, Anatomy, Anthropology, Child Development, Communication Studies, English, Microbiology, Physiology, Psychology, and Sociology.

PROGRAM STUDENT LEARNING OUTCOMES

Applies to cohorts completing NS V10 in Spring 2017 or earlier: Upon successful completion of the **Nursing Science** program students will be able to:

- Demonstrate and foster high standards of nursing practice.
- Provide competent and safe care in a variety of settings to an individual, family, group, or community of patients with diverse self-care needs across the life span by utilizing the nursing process for knowledgeable decision-making and judgment based on critical thinking, clinical competence, collaboration and accountability.
- Demonstrate management skills in providing care to individuals, families, groups or communities/aggregates of patients with diverse needs.

PROGRAM STUDENT LEARNING OUTCOMES

Applies to cohorts completing NS V10 in Fall 2017 or later: Upon successful completion of the **Nursing Science** program students will be able to:

- Provide safe, quality, culturally appropriate patient-centered care to patients, families, and groups, supported by evidence-based clinical decisions and patient preferences in a variety of settings.
- Communicate effectively with patients and members of the inter-professional health care team to provide and coordinate safe, quality, patient-centered care.
- Demonstrate leadership and system management knowledge and skills in the delivery of quality health care to patients while contributing to the effectiveness and efficiency of the work unit.
- Integrate established regulatory (California Nurse Practice Act), legal, and ethical principles into standard-based professional nursing practice.

RN NURSING PROGRAM PREREQUISITES:

1. English V01A (4 units)
2. Anatomy V01 (4 semester units) with a minimum grade of C
3. Physiology V01 (4 semester units) with a minimum grade of C
4. Microbiology V01 (4 semester units) with a minimum grade of C
5. Chemistry V20-20L or V30-30L or higher level (5 semester units) with a minimum grade of C, or one year of high school chemistry with minimum grade of C
6. Intermediate Algebra course (Math V03, V12, V13B, or V35) (3-5 semester units) with a minimum grade of C or any higher level math with a minimum grade of C
7. Current California CNA Certification.

Potential and current applicants are requested to attend a Pre-nursing Workshop. These sessions are given bimonthly. Information covers general campus information and provides specific information pertaining to selection requirements of the nursing program. Contact the Counseling office for schedule.

NURSING PROGRAM REQUIREMENTS

Procedures for Applying

Applications will be accepted twice yearly. Admission is subject to available openings. The Associate Degree Nursing (ADN) program is impacted and generally has a waiting list.

Application deadlines: September 15 and March 15. All applicants must submit: 1) Application to the ADN program 2) All required official transcripts; and 3) Application to the College (new students only). Applications are available online. Please refer to the Ventura College Nursing website at <http://www.venturacollege.edu/departments/academic/nursing-science>

The Nursing Program will admit a minimum of 75% of students based on enhanced admission criteria.

1. All students will be added to an existing wait list.
2. The Nursing Program will screen and rank order all students on the wait list based on a multi-criteria screening.
3. Seventy-five percent (75%) of the students with the highest scores from the multi-criteria screening will be admitted FIRST to the nursing program.
4. Twenty-five percent (25%) of the entering class will be admitted based on their position on the wait list.

Enhanced criteria will include:

- GPA in science courses and lack of repeats in science courses (anatomy, physiology, and microbiology). The first passing grade is the one used to calculate the science GPA, even if the course was repeated and a higher grade earned;
- academic degrees, diplomas, or relevant certificates held by an applicant; relevant work or volunteer experience;
- life experiences or special circumstances of an applicant, including but not necessarily limited to the following: disabilities, low family income, first generation of family to attend college, need to work, disadvantaged social or educational environment, difficult personal and family situations or circumstances, refugee or veteran status, proficiency or advanced level coursework in languages other than English, and assessment/readiness test results (TEAS scores).

ATI TEAS test results must be submitted by October 1 or April 1.

Accepted candidates will be notified within three weeks of October 1 or April 1.

To be included in the September applicant pool:

1. Application must be submitted by September 15
2. ATI TEAS results must be submitted electronically through ATI or on file by October 1

To be included in the March applicant pool:

1. Application must be submitted by March 15
2. ATI TEAS results must be submitted electronically through ATI or on file by April 1

ADMISSION REQUIREMENTS

Qualifying Requirements

Step 1:

Students must be in good academic standing (not on academic probation) to be eligible for application to the nursing program at Ventura College.

1. One of the following must be completed before applying to the program:
 - a. A minimum of 12 semester units of completed college coursework with an overall GPA of 2.5; or,
 - b. Equivalent consistent with Board of Registered Nursing requirement (see nursing counselor for details).
2. All of the following must be completed:
 - a. Official transcripts from all colleges attended must be on file at Ventura College by September 15 or March 15 to be considered (official transcripts from Ventura College, Moorpark College, or Oxnard College are not required). Official high school transcripts will be required only if using Chemistry from High School to apply.
 - b. Application to the Associate Degree Nursing (ADN) program must be on file with the counseling office at Ventura College by September 15 or March 15 to be considered.
 - c. An application to the College must also be filed for the appropriate semester.
 - d. It is the applicant's responsibility to check with the transcript clerk in the Office of Admissions and Records to see that his/her official transcripts are on file at Ventura College.

Step 2:

All of the following must be completed before applying to the program. (Ventura College courses are listed with the comparable courses from Moorpark (MC) and Oxnard (OC) Colleges)

1. Anatomy: college anatomy with laboratory (4 semester units), with a minimum grade of C: ANAT V01 (MC: ANAT M01; OC: ANAT R101). **Note:** Enrollment in either BIOL V01/V01L or BIOL 03 is strongly recommended prior to or concurrently with ANAT V01 to improve performance in both ANAT V01 and the TEAS test.
2. Chemistry - one year of high school or one semester of college chemistry with laboratory, with minimum grades of C: CHEM V20-V20L or CHEM V30-V30L (MC: CHEM M11 or M12 or M12H; OC: CHEM R104 or R110).
3. Math - completion of an intermediate algebra or greater course, with a minimum grade of C: MATH V03 or MATH V12 or MATH V13B or MATH V35 (MC: MATH M03 or M03B; OC: MATH R014 or R014B).
4. Microbiology - college bacteriology/microbiology with laboratory (4 semester units), with a minimum grade of C: MICR V01; (MC: MICR M01; OC: MICR R100-R100L).
5. Physiology - college physiology with laboratory (4 semester units), with a minimum grade of C: PHSO V01 (MC: PHSO M01; OC: PHSO R101).

Qualifying Requirements continued on next page

6. GPA in the core biological sciences must be 2.5. This includes anatomy, microbiology, and physiology. There may be no more than one repeat or withdrawal ("W") in any of the core biological science courses.
7. CNA: current certification as a nursing assistant (CNA) in California or equivalent.
8. Attainment of the "success score" on the state mandated diagnostic assessment test, the Test of Essential Academic Skills (ATI TEAS).

Step 3:

The following must be completed before entering the nursing program or completed concurrently with Nursing Science NS V10:

- Growth and development across the lifespan: CD V03 or PSY V05 (MC: PSY M07; OC: PSY R108).

Step 4:

Additional courses required for those enrolled in the ADN program are listed below.

With the exception of human growth and development across the lifespan, students may complete these additional courses before or after acceptance into the nursing program. The School of Nursing recommends that students complete as many courses as possible before acceptance. These Ventura College courses are listed with the comparable courses from Moorpark (MC) and Oxnard (OC) Colleges.

1. ANTH V02 or SOC V01 or V02 or V03 or AES V11 (MC: ANTH M02 or SOC M01 or M02 or M08; OC: ANTHR102 or SOC R101 or R102 or R103);
2. PSY V01 (MC: PSY M01; OC: PSY R101);
3. ENGL V01A (ENGL V02 or V03 not acceptable) (MC: ENGL M01A or M01AH; OC: ENGL R101);
4. COMM V01 or V10 (MC: COMM M01 or M02 or M07; OC: COMM R101);
5. Complete the approved Ventura College general education courses from the following areas:
 - American history and institutions, Area B1 (three units);
 - Humanities Area C1 and C2 (six units);
 - Physical Education/Kinesiology, Area E2 (one course).

All applicants must contact the nursing counselor for specific admission information regarding the ADN program.

Admission Process

Each qualified applicant, when selected, must decide either to enter the class, remove his/her name from the eligibility list or request a deferment. Applicants may defer entry one time only. Those qualified applicants who are not selected due to limited openings may retain their names (in the order assigned by the random draw) on a waiting list. These applicants will be included in the next semester admission process as described above. Students who choose not to enter when selected or after a second deferment must reapply and receive a new random number assignment.

Nursing Clearance Requirements

Admission is dependent on clearance of the following requirements:

- A physical examination demonstrating that the student is physically fit. This exam must be consistent with the policies of the teaching hospitals or agencies to which they are assigned for clinical experience. Physical exams may be scheduled with a private physician or through the Student Health and Psychological Services utilizing the forms provided by the nursing department.
- Proof of immunity to rubella, rubeola, mumps, and varicella.
- Completion of the hepatitis B vaccine series (or a signed declination) is required.
- TB clearance must be submitted by the posted deadline each semester to progress in the nursing program and may not expire during the semester. Two-step TB or QuantiFERON testing is required. Current tetanus, diphtheria and pertussis vaccinations (TDAP) are also required. Costs for immunization tracking service must be borne by student.
- Current CPR certification for BLS Provider (American Heart Association) or Basic Life Support for Healthcare Providers (American Red Cross) is an additional requirement and must be submitted each semester by the posted deadline to progress in the Nursing Program. Online CPR courses do not meet this requirement. Certification may not expire during the academic year.
- Criminal background checks prior to entry into the program and participation in clinical experiences. The cost of a background check is approximately \$60.00 and must be borne by the student. Background checks for admission to the ADN program involve a seven year search. Misdemeanors and/or felonies within the previous seven years (including DUIs) will result in a student's inability to be assigned to a clinical agency for patient care experiences. This will necessitate dismissal from the program. Please be aware that conviction of a felony may prohibit you from being licensed as a registered nurse. Each case is reviewed and adjudicated by the Board of Registered Nursing. The Board considers the nature and severity of the offense, additional subsequent acts, recency of acts or crimes, compliance with sanctions, and evidence of rehabilitation. For further information, contact the program director in the School of Nursing. Contact with the Board of Registered Nursing to discuss previous convictions may be initiated before entry into the program and this will be recommended in certain cases.
- Drug and alcohol screening clearance prior to entering the Nursing Program. This is a requirement of the clinical agency partners. Cost for this testing must be borne by the student and is approximately \$50.00.
- Evidence of physical and emotional fitness upon admission and throughout the program is expected and is subject to medical opinion of the college physician and to medical opinion or policy of hospitals or agencies which are used as extended campus sites for assigned educational experience. Students should refer to the Technical Standards outlined in the School of Nursing Student Handbook for details.

Transfer and Advanced Placement

Transfer students may be accepted as space permits. Credit for nursing courses taken at another institution will be evaluated on an individual basis. The School of Nursing also provides opportunities for licensed vocational nurses to advance on the career ladder and become eligible for registered nurse licensure. To be eligible for this program, a candidate must be an LVN who is currently licensed in California. Interested candidates should contact the nursing counselor for transfer/challenge requirements and applications. All advanced placement applicants must meet the ADN program prerequisites and course requirements. Advanced placement applicant students are not accepted into the last semester of the nursing program.

LVN-RN Advanced Placement Program

The Advanced Placement program is for students who currently possess a LVN license. The School of Nursing also provides opportunities for licensed vocational nurses to advance on the career ladder with vertical mobility providing education leading to eligibility for registered nurse licensure. To be eligible for this program, a candidate must be an LVN who is currently licensed in California. Interested candidates should contact the nursing counselor for challenge requirements and applications.

Offered is an Associate Degree in Nursing with a program of clinical components in which the student cares for patients in the acute care and community settings. Upon completion of the Associate Degree program in Nursing, students will be eligible to take the NCLEX-RN examination leading to licensure as a Registered Nurse. The student must have fulfilled all requirements as defined by the California State Board of Registered Nursing. A licensed Registered Nurse (RN) may seek employment in an entry-level staff nurse position in a variety of health care settings. An additional 30 unit option is available to LVN's.

LVN to RN 30-UNIT OPTION (CA BRN 1429)

30 Unit Option

To be eligible for this option, a student must be a vocational nurse who is licensed to practice in California. Interested candidates should contact a nursing counselor for an individual evaluation of eligibility. Students who complete this option (26 units) and choose not to complete the degree requirements are eligible to take the NCLEX-RN licensing examination after completion of content required for licensure. The student is NOT A GRADUATE of the nursing program and DOES NOT RECEIVE A DEGREE. This status will not change even if the student goes on to obtain a degree. The student may also have difficulty applying to a college/university for an advanced degree. Individuals who become licensed as registered nurses using this option may not be eligible for licensure in states other than California. Students pursuing this option must complete NS V31 and V41 instead of NS V30 and NS V40. All career ladder programs are on a space available basis. All applicants must meet with the program director for objective counseling that includes admission process, course requirements, and the advantages/disadvantages of this route to licensure.

The following curriculum is required for LVN 30-unit students at Ventura College:

REQUIRED COURSES: UNITS

Prerequisites (A minimum grade of C is mandatory in each course)

MICR V01	General Microbiology	4
PHSO V01	Introduction to Human Physiology	4

Nursing Courses

NS V31	The Nursing Process Applied to the Client with Health Care Deviations II	9
NS V41	The Nursing Process Applied to the Client with Health Care Deviations III	9

TOTAL	26
--------------	-----------

Ethical Expectations

All students admitted to a health science program are expected to maintain the highest personal standards of conduct consistent with the professional standards as perceived by the School of Nursing faculty and professional personnel in the agencies used as extended campus sites. Any information indicating that such standards are not maintained is subject to review by members of the School of Nursing faculty and may result in a recommendation to the College for dismissal from the program.

Travel Expectations

Courses are taken on campus concurrent with supervised clinical laboratory experience in selected hospitals and agencies that serve as extended campus sites. Each student is responsible for his/her own transportation to the extended campus sites, some of which are a distance from the College.

Technology/Computer Expectations

Nursing is a highly technical field requiring technology/computer skills. A computer with internet access and Microsoft Word is required for the nursing program. In addition, the nursing student will be accomplished in the following technological skills: word processing, printing, faxing, scanning, online searches, database searches, internet searches, uploading, downloading, email, spell-check, grammar-check, and the college learning management system. Computer skills are expected to be demonstrated at program entry.

COURSE DESCRIPTIONS

NS V07 - PHARMACOLOGY

3 Unit

Hours: 3 laboratory weekly

This course will provide students with a basic understanding of the clinical application of pharmacology and pharmacotherapeutic principles from conception to death. Areas of emphasis include drug classifications, therapeutic uses of medications, application of the nursing process, and legal/ethical considerations.

Formerly NS 7, Transfer credit: CSU.

NS V10 - FOUNDATIONS OF NURSING PRACTICE

9 Units

Prerequisite: ANAT V01; MICR V01; PHSO V01; CD V03 or PSY V05 or concurrent enrollment

Enrollment Limitations: admission to ADN program; criminal background clearance; drug and alcohol clearance; current CPR certification for Health Care Provider or Professional Rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings

Hours: 5 lecture, 12 laboratory weekly

This course provides an introduction to nursing and roles of the nurse in micro and macro-systems, as well as profession related and patient care concepts with a focus on the care of adult and older adult patients. The theoretical foundation for comprehensive health assessment and nursing skills is presented. Assessment focuses on taking a thorough nursing history, performing physiological, psychological, sociological, cultural, and spiritual assessments, as well as identification of stressors and health risks. Emphasis is placed on the knowledge and skills needed to provide safe, quality care. An introduction to the nursing process provides a decision-making framework to assist students in developing effective clinical judgment skills. Students are given opportunities to demonstrate these skills in laboratory and clinical settings.

Note: The Board of Registered Nursing may deny licensure to those with criminal records.

Field trips may be required. Formerly NS 10. Transfer credit: CSU.

NS V20 - THE NURSING PROCESS APPLIED TO THE CLIENT: HEALTH CARE DEVIATIONS I (OFFERED FALL 2017 ONLY)

9.5 Units

Prerequisite: NS V10

Recommended preparation: the Board of Registered Nursing may deny licensure to those with criminal records.

Limitations: criminal background clearance; drug and alcohol clearance; current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 4.5 lecture, 15 laboratory weekly

This course utilizes Orem's Self-Care Deficit Theory of Nursing (S-CDTN) and the nursing process to focus on developmental and health deviation self-care requisites related to water, food, elimination and hazards. Developmental self-care requisites will be addressed with a focus on care of perinatal patients, newborns, children, and families. Principles of therapeutic intervention, basic conditioning factors, and communication with and care of the patient from birth to death will be integrated throughout the course. The roles of provider of care, manager of care, and member within the profession are stressed. Guided clinical experiences are provided concurrently with theory. Field trips will be required. Formerly NS V20A & V20B. Transfer credit: CSU.

NS V20 - PATIENT-CENTERED CARE I AND FAMILY-CENTERED CARE OF CHILDREN (OFFERED SPRING 2018 ONLY)*

9 Units

Prerequisite: NS V10

Enrollment Limitations: criminal background clearance; drug and alcohol clearance; current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 4 lecture, 15 laboratory weekly

This course focuses on the care of adult, pediatric, and older adult patients with health alterations that require medical and/or surgical intervention. Emphasis is placed on the care and health promotion of patients with alterations in selected body functions, on normal growth and development, and on the promotion of healthy behavior in patients. Concepts of patient-centered care, family-centered care of children, cultural sensitivity, informatics, safe practice, and professionalism are integrated throughout the course. Clinical experiences provide the student an opportunity to apply theoretical concepts and implement safe patient care in a variety of settings. Note: The Board of Registered Nursing may deny licensure to those with criminal records.

Field trips may be required. Formerly NS V20A & V20B. Transfer credit: CSU.

*Pending final approval from the California Community Colleges Chancellor's Office (CCCCO)

NS V30 - THE NURSING PROCESS APPLIED TO THE CLIENT WITH HEALTH CARE DEVIATIONS II

9 Units

Prerequisite: NS V20

Recommended Preparation: the Board of Registered Nursing may deny licensure to those with criminal records

Limitations: criminal background clearance; drug and alcohol clearance; current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long fingernails in clinical settings

Hours: 5 lecture, 12 laboratory weekly

This course utilizes Orem's Self-Care Deficit Theory of Nursing (S-CDTN) and the nursing process to focus on patients and families with developmental self-care requisites and health deviation self-care requisites related to solitude and social interaction, normalcy, activity/rest, and hazards. The scope of nursing interventions includes supportive/educative, partially compensatory and wholly compensatory actions, and emphasizing the goal of fostering self-care agency of each patient. Principles of therapeutic intervention, basic conditioning factors, and communication with and care of the patient from birth to death will be integrated throughout the course. The roles of provider of care, manager of care, and member within the profession are stressed. The supportive/educative role of the nurse is emphasized. Guided clinical experiences are provided concurrently with theory.

Field trips will be required. Formerly NS V30A & V30B. Transfer credit: CSU.

NS V31 - THE NURSING PROCESS APPLIED TO THE CLIENT WITH HEALTH CARE DEVIATIONS II: 30-UO

9 Units

Prerequisite: NS V20

Recommended Preparation: the Board of Registered Nursing may deny licensure to those with criminal records

Limitations: criminal background clearance; drug and alcohol clearance; current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 5 lecture, 12 laboratory weekly

This course is part of the 30-unit option for the licensed vocational nurse (LVN) who chooses to obtain licensure as a registered nurse without completing the requirements for the associate degree. The course utilizes Orem's Self-Care Deficit Theory of Nursing (S-CDTN) and the nursing process to focus on clients and families with developmental self-care requisites and health deviation self-care requisites related to solitude and social interaction, normalcy, activity/rest, and hazards. The scope of nursing interventions includes supportive/educative, partially compensatory and wholly compensatory actions, and emphasizing the goal of fostering self-care agency of each patient. Principles of therapeutic intervention, basic conditioning factors, and communication with and care of the patient from birth to death will be integrated throughout the course. The roles of provider of care, manager of care, and member within the profession are stressed. The supportive/educative role of the nurse is emphasized. Guided clinical experiences are provided concurrently with theory.

Field trips will be required. Formerly NS V30C. Transfer credit: CSU.

NS V40 - THE NURSING PROCESS APPLIED TO THE CLIENT WITH HEALTH CARE DEVIATIONS III 9 Units

Prerequisite: NS V30

Recommended Preparation: the Board of Registered Nursing may deny licensure to those with criminal records

Limitations: criminal background clearance; drug and alcohol clearance, current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 4 lecture, 15 laboratory weekly

This course utilizes Orem's Self-Care Deficit Theory of Nursing (S-CDTN) and the nursing process to focus on health deviation self-care requisites related to air, activity, and rest. The scope of nursing interventions includes supportive/educative, and partially compensatory and wholly compensatory actions, including aspects of critical care. The goal of fostering the client's self-care agency is emphasized. Principles of therapeutic intervention, basic conditioning factors, communication with and care of the patient from birth to death will be integrated throughout the course. This course is designed to transition the student into the role of a beginning practitioner in nursing. Emphasis will be on management and leadership skills, ethics, legal issues related to nursing practice, professional accountability, health care economics, and interpersonal relationships. Guided clinical experiences promoting independent nursing judgment and practice, and the application of leadership principles are provided after being introduced in theory. The roles of provider of care, manager of care, and member within the profession are stressed. This course fulfills the health education requirement for the AS degree in nursing.

Field trips will be required. Formerly NS V40A & V40B. Transfer credit: CSU.

NS V41 - THE NURSING PROCESS APPLIED TO THE CLIENT WITH HEALTH CARE DEVIATIONS III: 30-UO 9 Units

Prerequisite: NS V30

Recommended Preparation: the Board of Registered Nursing may deny licensure to those with criminal records

Limitations: criminal background clearance; drug and alcohol clearance, current CPR certification for health care provider or professional rescuer proof of freedom from and immunity to communicable diseases physical examination demonstrating general good health no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 4 lecture, 15 laboratory weekly

This course is part of the 30-unit option for licensed vocational nurses (LVNs) who choose to obtain licensure as a registered nurse without completing the associate degree. This course utilizes Orem's Self-Care Deficit Theory of Nursing (S-CDTN) and the nursing process to focus on health deviation self-care requisites related to air, activity and rest. The scope of nursing interventions includes supportive/educative, and partially compensatory and wholly compensatory actions, including aspects of critical care. The goal of fostering the patient's self-care agency is emphasized. Principles of therapeutic interventions, basic conditioning factors, and communication with and care of the patient from birth to death will be integrated throughout the course. This course is designed to transition the student into the role of a beginning practitioner in nursing. Emphasis will be on management and leadership skills, ethics, legal issues related to nursing practice, professional accountability, health care economics, and interpersonal relationships. Guided clinical experiences promoting independent nursing judgment and practice, and the application of leadership principles are provided after being introduced in theory. The roles of provider of care, manager of care, and member within the profession are stressed. This course fulfills one health education requirement for the AS degree in nursing.

Field trips will be required. Formerly NS V40C. Transfer credit: CSU.

NS V84A - SUCCESS STRATEGIES FOR NS V10 2 Units

Corequisite: NS V10

Hours: 2 lecture weekly

This course introduces strategies that promote success in NS V10. Methods for improving critical thinking are identified and practiced. Study and test-taking skills are explored and developed. Integration of knowledge from theory and clinical practice is emphasized to prepare for theory exams and clinical performance. This course emphasizes fundamentals of professional nursing practice.

Offered on a pass/no pass basis only. Not applicable for degree credit.

NS V84B - SUCCESS STRATEGIES FOR NS V20 2 Units

Corequisite: NS V20

Hours: 2 lecture weekly

This course introduces strategies that promote success in NS V20. Methods for improving critical thinking are identified and practiced. Study and test-taking skills are explored and developed. Integration of knowledge from theory and clinical practice is emphasized to prepare for theory exams and clinical performance.

Offered on a pass/no pass basis only. Not applicable for degree credit.

NS V84C - SUCCESS STRATEGIES FOR NS V30 2 Units

Corequisite: NS V30

Hours: 2 lecture weekly

This course introduces strategies that promote success in NS V30. Methods for improving critical thinking are identified and practiced. Study and test-taking skills are explored and developed. Integration of knowledge from theory and clinical practice is emphasized to prepare for theory exams and clinical performance. Emphasis is on the care of the patient with health deviations related to solitude and social interaction, normalcy, activity/rest, and hazards, along with care of the psychiatric patient across the lifespan.

Offered on a pass/no pass basis only. Not applicable for degree credit.

NS V84D - SUCCESS STRATEGIES FOR NS V40 1.5 Units

Corequisite: NS V40

Hours: 1.5 lecture weekly

This course introduces strategies that promote success in NS V40. Methods for improving critical thinking are identified and practiced. Study and test-taking skills are explored and developed. Integration of knowledge from theory and clinical practice is emphasized to prepare for theory exams and clinical performance. Emphasis is on the care of the patient with health deviations related to air, activity, and rest along with care of the critically ill patient from birth to end of life.

Offered on a pass/no pass basis only. Not applicable for degree credit.

NS V85 - SUCCESS WORKSHOPS FOR NURSING 0.5 Unit

Hours: 0.5 lecture weekly

This workshop is designed to assist students in learning and/or sharpening study and motivational strategies necessary for success in the nursing program. Strategies include: test-taking, selecting important ideas from texts and lectures, time and stress management, study skills, note-making, concept mapping and critical thinking.

Offered on a pass/no pass basis only. Not applicable for degree credit.

NS V88 - NURSING SCIENCE WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

NS V89 - WORKSHOPS IN NURSING SCIENCE 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly NS 89. Transfer credit: CSU.

NS V90 - DIRECTED STUDIES IN NURSING 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly NS 90. Transfer credit: CSU.

NS V95 - NURSING SCIENCE INTERNSHIP I 1-4 Units

Prerequisite: NS V10

Corequisite: enrolled in a minimum of 7 units to include internship

Limitations: current CPR certification for health care provider or professional rescuer; current malpractice insurance; meet all clinical facility requirements; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; and, approval of ADN director

Hours: 60 per unit

In this course, students who are volunteers (unpaid) are assigned to care for clients in a clinical setting under the supervision of a registered nurse mentor or preceptor. Students will have the opportunity to enhance clinical skills, organizational skills, time management and prioritization as they perform previously learned skills agreed upon between instructor and student. Individualized nursing care planning will be enhanced using Orem's Self-Care Deficit Theory of Nursing and the nursing process.

Field trips will be required. Formerly NS 95. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

NS V96 - NURSING SCIENCE INTERNSHIP II 1-4 Units

Prerequisite: NS V10

Corequisite: enrolled in a minimum of 7 units to include internship

Limitations: current CPR certification for health care provider or professional rescuer; current malpractice insurance; meet all clinical facility requirements; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical settings; and, approval of ADN director

Hours: 75 per unit

In this course, students who are employed are assigned to care for clients in a clinical setting under the supervision of a registered nurse mentor or preceptor. Students will have the opportunity to enhance clinical skills, organizational skills, time management and prioritization as they perform previously learned skills agreed upon between instructor and student. Individualized nursing care planning will be enhanced using Orem's Self-Care Deficit Theory of Nursing and the nursing process.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

NUTRITION AND DIETETICS

The Associate in Science in Nutrition and Dietetics for Transfer offers students an opportunity to enrich their education with an emphasis on improved health. Typical employment opportunities in the field are in areas of Hospitals/Health Care Facilities, Wellness/Rehab Programs, Community and Public Health Nutrition Programs, Child Nutrition Programs, Food Industry, Health Departments, Long-Term Care Facilities, Diabetes Education Programs, and Cardiac Rehabilitation Programs.

Associate in Science Degree

NUTRITION AND DIETETICS FOR TRANSFER

The Associate in Science Degree in Nutrition and Dietetics for Transfer (Nutrition and Dietetics AS-T) is intended for students who plan to complete a bachelor's degree in Nutrition and Dietetics or a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

To earn a Nutrition AS-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE:

		UNITS
CHEM V01A	General Chemistry I	3
CHEM V01AL	General Chemistry I Laboratory	2
HED V87	Nutrition	3
MICR V01	General Microbiology	4
PSY V01	Introduction to Psychology	3

LIST A:**Select two (2) of the following for 8-10 total units:**

CHEM V01B	General Chemistry II	3
<i>and</i>		
CHEM V01BL	General Chemistry II Laboratory	2
CHEM V12A	General Organic Chemistry I	3
<i>and</i>		
CHEM V12AL	General Organic Chemistry I Laboratory	2
ANAT V01	General Human Anatomy	4
<i>or</i>		
PHSO V01	Introduction to Human Physiology	4
PSY V04	Introductory Statistics for the Social and Behavioral Sciences	4
<i>or</i>		
MATH V44	Elementary Statistics	4

LIST B:**Select one (1) of the following for 3-4 total units:**

HED V32	Principles of Food with Lab	3
<i>or</i>		
BIOL V01	Principles of Biology	3
<i>and</i>		
BIOL V01L	Principles of Biology Laboratory	1

Major Units	26-29
Completion of CSU-GE Breadth or IGETC pattern	37-39
Electives (CSU transferrable units to reach 60)	4-11
Double-counted units	(10-16)
<hr/>	
TOTAL UNITS	60

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see Anatomy, Biology, Chemistry, Health Education, Mathematics, Microbiology, Physiology, and Psychology

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Nutrition and Dietetics** program students will be able to:

- Critically analyze information and contemporary issues in the field of nutrition science/dietetics.
- Assess how diet and nutrition can enhance overall wellness and reduce the risk of common lifestyle diseases.
- Identify career opportunities in the field of Nutrition/Dietetics and state the education required for each career.
- Describe food safety principles related to food, personnel and consumers.

PARAMEDIC

The Paramedic is an allied health professional whose primary focus is to provide advanced emergency medical care for critical and emergent patients who access the emergency medical system. This individual possesses the complex knowledge and skills necessary to provide patient care and transportation. Paramedics function as part of a comprehensive EMS response, under medical oversight. Paramedics perform interventions with the basic and advanced equipment typically found on an ambulance. The Paramedic is a link from the scene into the health care system. (from the National EMS Scope of Practice Model)

The Ventura College Paramedic Studies Program is accredited by the Commission on Accreditation of Allied Health Education Programs (www.caahep.org) upon the recommendation of the Committee on Accreditation of Educational Programs for the Emergency Medical Services Professions (www.coaemsp.org).

Commission on Accreditation of Allied Health Education Programs
25400 U.S. Highway 10 North, Suite 158
Clearwater, FL 33763
727-210-2350
www.caahep.org

Successful completion of the program will allow students to sit for the paramedic National Registry licensing examinations and then gain employment in the wide range of public and private agencies who incorporate the advanced life support skills of a paramedic into their operations.

**Associate in Science Degree
Certificate of Achievement**

**EMERGENCY MEDICAL SERVICES
Paramedic Studies**

REQUIRED COURSES:		Units
EMT V01	Emergency Medical Technician	8.5
PM V01	Paramedic Theory	18.5
PM V02	Paramedic Clinical Laboratory	18.5

REQUIRED ADDITIONAL COURSE(S):

Select one (1) of the following groups and complete all courses listed:

GROUP A

ANAT V01	General Human Anatomy	4
PHSO V01	Introduction to Human Physiology	4

GROUP B

ANPH V01	Introduction to Human Anatomy and Physiology	5
----------	-------------------------------------------------	---

TOTAL	50.5-53.5
--------------	------------------

Recommended Courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into this field of study consider taking one or more of the following courses: BUS V27A; CS V04; ENGL V05; LS; MATH V35; PSY V15, V30; SL V10A. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

**For other course descriptions,
see Anatomy, Anatomy/Physiology,
Emergency Medical Technology,
and Physiology**

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Paramedic** program students will be able to:

- Function within the paramedic scope of practice to provide professional, competent and safe care while applying scientific knowledge and demonstrating mastery of skills, management and leadership to a group of patients with complex and diverse needs.
- Utilize effective communication and interpersonal skills with patients, patient family members, the public, and health care teams.
- Understand and observe the concept of lifelong learning, including the pursuit of advanced degrees and practice in the health field.

PARAMEDIC PROGRAM REQUIREMENTS

Procedures for Applying

The Ventura College Paramedic Program offers two tracks: certification as a paramedic with or without an associate degree. Applications will be accepted on an on-going basis. Admission is subject to available openings. The application deadline is available through the health science counselor or the health sciences department. All applicants must submit: 1) A completed application to the paramedic program; 2) All required official high school and college transcripts (including proof of prerequisite completion); 3) Documentation of pre-hospital care experience; and 4) An application to the College (new students only).

Qualifying Requirements:

1. One of the following must be completed before applying to the program:
 - a. High school graduation and GPA of 2.5; or,
 - b. General Education Development (GED) with a score of 45 and a minimum of 12 semester units of completed college coursework with a 2.25 GPA; or,
 - c. High school graduate with less than a 2.5 GPA and a minimum of 12 semester units of completed college coursework with a GPA of 2.25.
2. All of the following must be completed:
 - a. All official high school and college transcripts must be on file at Ventura College.
 - b. Application must be made to the health sciences department with a choice of options to enroll in the associate degree paramedic program or the paramedic certificate program.
 - c. An application to the College must be filed for the appropriate semester.
 - d. It is the applicant's responsibility to check with the transcript clerk in the Office of Admissions and Records to see that his/her official transcripts are on file at Ventura College.
3. All of the following must be completed before applying to the program. Ventura College courses, listed with the comparable courses from Moorpark (MC) and Oxnard (OC) colleges are:
 - a. Anatomy/Physiology - college anatomy and physiology with laboratory (5 semester units), with a minimum grade of C: either ANPH V01 or both ANAT V01 and PHSO V01 (either ANPH M01 or both ANAT M01 and PHSO M01–MC; ANAT R101 and PHSO R101–OC).

- b. English - satisfactory score on Ventura College reading/written English placement test or completion of college English composition course with a minimum grade of C: ENGL V01A or V02 (ENGL M01A or M01AH or M02–MC; ENGL R096 or R101–OC). ENGL V02 or M02 or R096 do not satisfy graduation competence in written expression.
 - c. Math - satisfactory score on Ventura College elementary algebra placement test or completion of introductory college math course with a minimum grade of C: MATH V01 or MATH V11B (MATH M01 or M01B –MC; MATH R011–OC). These courses do not satisfy graduation competence in mathematics.
 - d. Current certification for CPR as a health care provider or professional rescuer.
4. The student must show documentation of current EMT certification and at least 1000 hours of experience employed as an EMT with emphasis on pre-hospital field care. Experience with a primary 911 provider is preferred. Equivalent experience may be considered. EMT certification must remain current throughout the program.

Students must be in good academic standing (not on academic probation) to be eligible for application to the associate degree or certificate program for paramedics. All applicants must contact the health sciences counselor for specific admission information regarding the paramedic programs.

Admission Process

Qualified applicants will be placed on a waiting list on a first-come, first-served basis. The class will be selected on the basis of available openings and qualified applicants will be notified when a space is available. Each qualified applicant, when selected, must decide either to enter the class or remove his/her name from the eligibility list. Those qualified applicants who are not selected due to limited openings may retain their names (in the order applications were received) on a waiting list.

Those applicants then have priority for admission to the next class selected as long as application requirements are maintained. Students who choose not to enter when selected must reapply.

Students are expected to pass a physical examination consistent with the policies of the teaching hospitals or agencies to which they are assigned for clinical experience. Physical exams are to be scheduled with a private physician or through the Student Health and Psychological Services and recorded on the department form. The examination must demonstrate that the student is physically fit, free from communicable diseases and immune to mumps, rubella, rubeola, varicella, and Hepatitis B. Clinical agencies used mandate a current seasonal flu vaccination. Diphtheria-tetanus-pertussis (Tdap) vaccine within the past ten years is required.

All students admitted to a health science program are expected to maintain the highest personal standards of conduct consistent with the professional standards as perceived by health science faculty and professional personnel in the agencies used as extended campus sites. Any information indicating that such standards are not maintained is subject to review by members of the health science faculty and may result in a recommendation to the College for dismissal from the program.

Evidence of physical and emotional fitness upon admission and throughout the program is expected and is subject to medical opinion of the college physician and to medical opinion or policy of hospitals or agencies which are used as extended campus sites for assigned educational experiences.

Students in the emergency medical services program (paramedic) and/or the emergency medical technology courses (EMT) will be required to demonstrate criminal background clearance, along with drug and alcohol clearance by undergoing criminal background checks and drug screening prior to participating in clinical experiences. The cost of this screening is expected to be approximately \$110.00 and is the responsibility of the student.

Hospital and internship rotations will be assigned as space is available. This may result in extension of program time-frame.

All students must attend the orientation meeting scheduled prior to the start of the semester and must be present on the first day of class.

Program Options

The paramedic program is intended to develop the necessary knowledge and skills basic to the functions of paramedics in the direct care of patients. It consists of theory, basic skills, clinical experiences and a clinical preceptorship which will prepare the graduate to take the National Registry of Emergency Medical Technicians paramedic level licensing examinations. Students who successfully complete the Emergency Medical Services – Paramedic Studies program will receive a Certificate of Achievement from Ventura College. Although each course merits a letter grade, the laboratory experience is based on pass-fail and it is necessary to pass the laboratory section of the course in order to proceed in the paramedic program. Failure in the laboratory portion of the paramedic courses constitutes an F in the course.

For successful completion of the program, a minimum grade of B is mandatory in all paramedic courses. The student must maintain an overall GPA of 3.0 to continue in the program.

For those students who choose the associate degree option, additional courses satisfying general education requirements are required.

The program is accredited by the national Commission on Accreditation of Allied Health Education Programs and is approved by the California State Emergency Medical Services Agency and the Ventura County Emergency Medical Services Agency. To be eligible to take the examination leading to licensure as a paramedic, the student must have fulfilled all requirements as defined by the Ventura County Emergency Medical Services Agency and the state of California.

COURSE DESCRIPTIONS

PM V01 - PARAMEDIC THEORY

18.5 Units

Prerequisite: ANPH V01 or ANAT V01 and PHSO V01

Recommended Preparation: the state of California Emergency Medical Services Authority may deny licensure to those with criminal records

Limitations: criminal background clearance; drug and alcohol clearance; current EMT certification; current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; 1000 hours of EMT experience or equivalent; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 13.5 lecture, 15 laboratory weekly

This course focuses on didactic material and related skills necessary to establish a foundation for subsequent prehospital assessment and management of patients. Pathophysiology, pharmacology, principles of intravenous therapy, basic and advanced life support and electrocardiography are included. Assessment and appropriate intervention are emphasized. Course content includes topics related to medical management of trauma and medical-surgical, pediatric, obstetric, psychiatric, and geriatric problems. Crisis intervention, communication, medical-legal, infection control, and ethical issues are discussed.

Field trips will be required. Formerly PM 1.

PM V02 - PARAMEDIC CLINICAL LABORATORY

18.5 Units

Prerequisite: PM V01

Recommended Preparation: the state of California Emergency Medical Services Authority may deny licensure to those with criminal records

Limitations: criminal background clearance; drug and alcohol clearance; current CPR certification for health care provider or professional rescuer; proof of freedom from and immunity to communicable diseases; physical examination demonstrating general good health; no visible tattoos or visible body piercings except single studs in ear lobes; and, no acrylic or long nails in clinical settings

Hours: 3.5 lecture, 45 laboratory weekly

This course is designed to provide supervised clinical application of cognitive knowledge and skills in acute patient care areas. Opportunities for increasing depth of skill performance and presentation of more advanced skills are provided. The student is assigned to a response vehicle with a field preceptor. Under direct supervision and evaluation of the preceptor, the field experience is designed to provide the student with direct patient care responsibilities in providing advanced life support. Each student must have a minimum of forty advanced life support contacts during this course. Upon successful completion of this course, the student is eligible to sit for the licensing examination.

Field trips will be required. Formerly PM V02 & V03.

PM V88 - PARAMEDIC WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Recommended Preparation: paramedic studies major

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly PM V89.

PM V90 - DIRECTED STUDIES IN PARAMEDIC SERVICES

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required.

PM V95 - PARAMEDIC INTERNSHIP

1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline; and the state of California Emergency Medical Services Authority may deny licensure to those with criminal records

Limitations: current CPR certification for health care provider or professional rescuer; meet all clinical facility requirements; no visible tattoos or visible body piercings except single studs in ear lobes; no acrylic or long nails in clinical setting; and, approval of PM director

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

PHILOSOPHY

Philosophy is the foundation of higher education since Plato's Academy (the first college in Western civilization). The goal of the philosophy program is to introduce students to a broad range of philosophical topics and issues. The methods of careful reasoning, philosophical analysis and constructive dialogue are applied to questions that concern all who seek to understand themselves, the reality of the world, the meaning and purpose of life and the way to make wise and moral choices. The subject is taught primarily as a contribution to students' overall liberal arts education. Students majoring in Philosophy generally transfer to four-year institutions to pursue a bachelor degree and continue their education into Masters or Doctoral degrees. The Philosophy Department additionally provides an Introduction to Philosophy course which surveys most of the standard fields of philosophy —metaphysics, Epistemology and axiology (which includes ethics, aesthetics, and political philosophy). The other courses offered (Ethics, Logic, Survey of World Religions-East, Survey of World Religions-West, Introduction to Zen Buddhism, History of Western Philosophy I & II: Ancient-Medieval, Modern-Contemporary) are more specific and detailed accounts of these standard fields. These philosophy courses may be transferred to four-year institutions. (Check for specifics with your counselor).

Associate in Arts for Transfer

PHILOSOPHY

*Transfer requirements may differ
See counselor or consult assist.org*

The Associate in Arts in Philosophy for Transfer (Philosophy AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Philosophy for Transfer may transfer to a CSU campus to complete a bachelor's degree in Philosophy or a similar major.

To earn a Philosophy AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE:		Units
PHIL V01	Introduction to Philosophy	3
OR		
PHIL V02	Introduction to Ethics	3
AND		
PHIL V04	Introduction to Logic	3

LIST A:

Select one (1) course from the following:

Any course from required core not already used (PHIL V01 or PHIL V02)		3
PHIL V05	Critical Thinking	3
PHIL V06A	History of Western Philosophy I: Ancient through Medieval	3
PHIL V06B	History of Western Philosophy II: Modern through Contemporary	3

LIST B:

Select two (2) courses from the following:

Any course from List A not already used (PHIL V01, V02, V05, V06A, or V06B)		3
HIST V01A	Introduction to Western Civilization I	3
HIST V01B	Introduction to Western Civilization II	3
PHIL V03A	Survey of World Religions: East	3
PHIL V03B	Survey of World Religions: West	3

LIST C:

Select one (1) course from the following:

Any course from List A or List B not already used (HIST V01A, V01B; PHIL V01, V02, V03A, V03B, V05, V06A, V06B)		3
PHIL V09	Zen Buddhism	3
PHIL V10	World Mythology	3
Any course articulated as CSU General Education Area C2 or IGETC Area 3B.		

(Please refer to CSU General Education-Breadth Certification or Intersegmental General Education Transfer Curriculum (IGETC) - May be found in the Counseling office or in the VC Catalog on page 75 and 84 respectively)

Major Units	18-20
CSU General Education or IGETC Pattern	37-39
Electives (CSU transferrable units to reach 60)	11-14
Double-Counted Units	(9)
DEGREE TOTAL	60

PROGRAM LEVEL STUDENT LEARNING OUTCOMES

Upon successful completion of the **Philosophy** program, students will be able to:

- Evaluate key philosophical issues
- Analyze fundamental concepts and ideas
- Understand key teachings and methods of major personages and traditions

COURSE DESCRIPTIONS

PHIL V01 - INTRODUCTION TO PHILOSOPHY

3 Units

C-ID: PHIL 100

Hours: 3 lecture weekly

This course surveys the nature and uses of philosophy; considers possible sources, nature, and criteria of knowledge; examines humanity's place in the universe, including concepts of the self, the mind, and freedom; and reviews various schools of philosophical thought as philosophers have sought to understand knowledge, reality and value.

Formerly Phil 1. Transfer credit: CSU; UC.

PHIL V02 - INTRODUCTION TO ETHICS

3 Units

C-ID: PHIL 120

Hours: 3 lecture weekly

This course provides an introduction to the nature of ethical theory, reviews ethical theory as it has developed in the West, and ponders the problems involved in the continuing quest for a more adequate ethical theory for contemporary society together with suggestions for progress toward this goal.

Formerly Phil 2. Transfer credit: CSU; UC.

PHIL V03A - SURVEY OF WORLD RELIGIONS: EAST

3 Units

Hours: 3 lecture weekly

This course surveys the religions that have dominated the East, including Hinduism, Buddhism, Taoism, Confucianism, Za Zen, and Shinto. It examines the origin and development of each religion, identifying its major themes, values, and way of life.

Formerly Phil 3A. Transfer credit: CSU; UC.

PHIL V03B - SURVEY OF WORLD RELIGIONS: WEST

3 Units

Hours: 3 lecture weekly

This course surveys those living religions that have dominated the West, namely, Zoroastrianism, Judaism, Christianity, and Islam. It examines the origin and development of each religion, identifying its major themes, beliefs and values, while touching upon both common and contrasting elements.

Formerly Phil 3B. Transfer credit: CSU; UC.

PHIL V04 - INTRODUCTION TO LOGIC

3 Units

C-ID: PHIL 110

Hours: 3 lecture weekly

This course presents an introduction to the nature and problems of traditional logical methods. Students will ask questions, weigh evidence, and draw valid conclusions from various kinds of sources. Focus will be sentential/ deductive logic (syllogisms, truth tables, etc) techniques. Some time will be spent on informal/inductive logic (generalizations, analogies, and common fallacious reasoning) techniques.

Formerly Phil 4. Transfer credit: CSU; UC.

PHIL V05 - CRITICAL THINKING AND ANALYTIC WRITING

3 Units

Prerequisite: ENGL V01A

Hours: 3 lecture weekly

This course is a survey of and practice in reasoning, including analysis, critical reasoning, synthesis, induction and deduction, and identification of assumptions and perspectives. Emphasis will be on both oral and written analysis and argumentation of issues involving fact, belief and value, and on common fallacies of thought, logic, and language. Students will develop the basics of critical reading, analytic writing, and the relation of writing to critical thinking beyond the level achieved in English composition

Formerly Phil 5. Transfer credit: CSU; UC.

PHIL V06A - HISTORY OF WESTERN PHILOSOPHY I: ANCIENT THROUGH MEDIEVAL

3 Units

C-ID: PHIL 130

Hours: 3 lecture weekly

This course presents an introduction to philosophy from a historical perspective. Focus is placed on the ideas that have had a dominant impact on Western civilization, including their logical development and their influence on contemporary society. The course surveys the period from the birth of science and philosophy through the Middle Ages, with special emphasis on Socrates, Plato, and Aristotle.

Formerly Phil 6A. Transfer credit: CSU; UC.

PHIL V06B - HISTORY OF WESTERN PHILOSOPHY II: MODERN THROUGH CONTEMPORARY

3 Units

C-ID: PHIL 140

Hours: 3 lecture weekly

This course presents an introduction to philosophy from a historical perspective. Focus is placed on the ideas that have had a dominant impact on Western civilization, including their logical development and their influence on contemporary society. This course covers sixteenth through eighteenth century philosophy with emphasis on broad epistemological and/or metaphysical developments in primary texts from Descartes to Kant and may include approximate precursors and successors.

Formerly Phil 6B. Transfer credit: CSU; UC.

PHIL V09 - ZEN BUDDHISM

3 Units

Hours: 3 lecture weekly

This course will cover the philosophical principles and practices of Zen Buddhism, including a survey of the historical development and cultural background of Zen, from its roots in India through China, Japan and the West. Students will examine the essential principles and practices of Zen as a philosophy and a way of life through the study of its two major schools, Rinzai and Soto, and an introduction to fundamental Zen practices, such as zazen, koans, shikantaza, sesshin and dokusan.

Transfer credit: CSU; UC.

PHIL V10 - WORLD MYTHOLOGY

3 Units

Hours: 3 lecture weekly

This course explores myths, legends, and traditional stories from worldwide sources, including: African, Asian, European, Meso-American, Middle Eastern, Native American, and South American among others. Recurring symbols, themes, and concepts will be examined, both independently and cross-culturally, in terms of their appearance in folklore, ritual, religion, literature and art.

Transfer credit: CSU; UC.

PHIL V88 - PHILOSOPHY WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

PHIL V89 - WORKSHOPS IN PHILOSOPHY

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Phil 89. Transfer credit: CSU; for UC, determined after admission.

PHIL V90 - DIRECTED STUDIES IN PHILOSOPHY

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Phil 90. Transfer credit: CSU; for UC, determined after admission.

PROGRAM STUDENT LEARNING OUTCOMES

Upon Successful completion of the **Photography** program, students will be able to:

- Demonstrate an understanding of the camera and of the basic techniques of analog and digital photography in selected areas of emphasis.

COURSE DESCRIPTIONS

PHOT V01 - BEGINNING PHOTOGRAPHY 3 Units

Hours: 2 lecture, 4 laboratory weekly

This is a fast-paced introductory course in photography that assumes little or no previous knowledge of the camera or the photo lab. It stresses learning through practical experience. Students will learn to properly expose, develop and print their own photos, and they will learn the artistic merit of photography.

Field trips may be required. Formerly Photo 1. Transfer credit: CSU; UC; credit limitations - see counselor.

PHOT V02 - BEGINNING PHOTOGRAPHY WITH DIGITAL TECHNIQUES 3 Units

Hours: 2 lecture, 4 laboratory weekly

This course provides a fast-paced introduction to photography, using 35mm analog or digital cameras. No prior knowledge of the operation of the camera, computer, or support systems operation is required. Topics include: operation of the camera; artistic compositions; computer operation; scanning techniques; file compression and formatting; use of related software (i.e. Adobe Photoshop); and printing techniques. New innovations in photography and digital technology will be presented as they are developed.

Field trips may be required. Transfer credit: CSU; UC; credit limitations - see counselor.

PHOT V04A - INTERMEDIATE PHOTOGRAPHY I 3 Units

Prerequisite: PHOT V01 or equivalent

Hours: 2 lecture, 4 laboratory weekly

This course is an extension of the techniques learned in beginning photography, with an in-depth study of control and analysis of light and its use and application in studio and commercial photography.

Field trips may be required. Formerly Photo 4A. Transfer credit: CSU.

PHOT V04B - INTERMEDIATE PHOTOGRAPHY II 3 Units

Prerequisite: PHOT V04A

Recommended Preparation: PHOT V01

Hours: 2 lecture, 4 laboratory weekly

This course is an extension of the techniques learned in the first level of intermediate photography with emphasis on advertising photography. Students will learn how to solve photographic problems utilizing procedures and equipment commonly used in the advertising profession. Lectures and demonstrations will concentrate on the use of large format photography using traditional and contemporary methods. This course will specifically teach the techniques of studio/environmental product photography, professional printing, professional lighting, and digital media.

Field trips may be required. Formerly Photo 4B. Transfer credit: CSU; UC.

PHOT V06A - INTRODUCTION TO COLOR PHOTOGRAPHY I 3 Units

Prerequisite: PHOT V01 or equivalent

Hours: 2 lecture, 4 laboratory weekly

This course introduces the student to the principles of color photography and to color lab work. Emphasis will be on the art and techniques applied to color films, the color camera and the techniques of color printing.

Field trips may be required. Formerly Photo 6A. Transfer credit: CSU.

PHOT V06B - INTRODUCTION TO COLOR PHOTOGRAPHY II 3 Units

Prerequisite: PHOT V06A

Hours: 2 lecture, 4 laboratory weekly

This course provides continuing instruction and experience in color photography and color laboratory techniques. Emphasis will be placed on the artistic merit of color photography and portfolio development.

Field trips may be required. Formerly Photo 6B. Transfer credit: CSU.

PHOT V07 - HISTORY OF PHOTOGRAPHY 3 Units

Hours: 3 lecture weekly

This course is a survey of the history of photography from 1839 to the present. Emphasis of the survey will be placed on the 20th century to understand how the forces of photography's historical context, technological innovation, and creative spirit have worked together to create a body of photographic images that have profoundly influenced our culture and our sense of ourselves.

Field trips may be required. Transfer credit: CSU; UC.

PHOT V08 - PRINCIPLES OF PORTRAIT PHOTOGRAPHY 3 Units

Recommended Preparation: PHOT V01

Hours: 2 lecture, 4 laboratory weekly

This course is an introduction to formal and informal studio portraiture—black and white and color. Students will be introduced to advanced studio techniques, lighting, posing and composition. The course is designed for students, as well as professionals working in the field.

Field trips may be required. Formerly Photo 8. Transfer credit: CSU.

PHOT V09A - APPLIED PHOTOGRAPHY 3 Units

Prerequisite: PHOT V04A

Hours: 2 lecture, 4 laboratory weekly

This course is designed for the professional photographer who wants to refine conceptual and interpretive photographic skills. It will provide continued study of portraiture and illustration in the commercial field. Topics will also include: the artist statement; packaging; pricing; marketing; presentation; contemporary media; and, career opportunities.

Field trips may be required. Formerly Photo 9A. Transfer credit: CSU.

PHOT V09B - APPLIED PHOTOGRAPHY II 3 Units

Prerequisite: PHOT V09A

Hours: 2 lecture, 4 laboratory weekly

Students will plan, shoot, develop and print a body of work that is both conceptually motivated and technically proficient. Emphasis will be on developing both traditional and electronic portfolios, and accessing local, national and worldwide delivery systems.

Field trips may be required. Formerly Photo 9B. Transfer credit: CSU.

PHOT V70A - ADOBE PHOTOSHOP I FOR DIGITAL AND FINE ART 3 Units

Recommended Preparation: ART V11A and/or ART V12A and computer fundamentals

Hours: 2 lecture, 4 laboratory weekly

This course is designed for students who desire hands-on experience in industry-standard digital image processing software. The image correction and manipulation software gives students an understanding of the tools and techniques needed to produce professional quality results for print and Web images. Students will complete technical tutorials, create a CD-ROM cover, Web banners, and a final print or Web project.

Field trips may be required. Formerly MM V74A. Same as ART V70A. Transfer credit: CSU.

PHOT V70B - ADOBE PHOTOSHOP II FOR DIGITAL AND FINE ART 3 Units

Prerequisite: ART V70A or PHOT V70A

Recommended Preparation: ART V11A and/or ART V12A and computer fundamentals

Hours: 2 lecture, 4 laboratory weekly

This course is designed as a hands-on, intermediate course in the technical and artistic aspects of Adobe Photoshop. Students will learn intermediate tools and techniques needed to produce professional quality results for print and Web images. The course will include independent creative projects comprised of written proposals, timelines, and storyboarding.

Field trips may be required. Formerly MM V74B. Same as ART V70B. Transfer credit: CSU.

PHOT V73A - DIGITAL IMAGING 3 Units

Prerequisite: ART V11A or ART V69; and ART V12A

Recommended Preparation: ART V70A or equivalent skills; and computer fundamentals

Hours: 2 lecture, 4 laboratory weekly

This course is a creative exploration of digital image editing. Using their own photographs, and image editing software such as Adobe Photoshop, students engage in color and value correction, special effects, and creative cropping. This course emphasizes digital image problem solving with attention given to successful artistic composition. Students learn to scan, manipulate, and enhance digital images for graphic and fine art reproduction.

Field trips may be required. Formerly PHOT V73. Same as ART V73A. Transfer credit: CSU; UC; credit limitations - see counselor.

PHOT V88 - PHOTOGRAPHY WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

PHOT V89 - WORKSHOPS IN PHOTOGRAPHY 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly Photo 89. Transfer credit: CSU.

PHOT V90 - DIRECTED STUDIES IN PHOTOGRAPHY I 6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Photo 90. Transfer credit: CSU.

PHYSICAL SCIENCE

Such professions include teaching science at the secondary level, serving as a technical administrator in government and industry, or completing legal work with patents, scientific librarianship, and scientific journalism.

COURSE DESCRIPTION

PHSC V01 - CONCEPTS IN PHYSICAL SCIENCE 4 Units

Prerequisite: MATH V03 or MATH V13B or 1 year of high school intermediate algebra with a grade of C or better

Hours: 3 lecture, 3 laboratory weekly

This course is an investigation of basic principles of physics and chemistry, including matter, physical and chemical properties, energy, motion, light, atomic structure, bonding, solutions, and chemical reactions. The interdependence of chemistry and physics will be emphasized, with focus on principles, laws, and concepts in physical science. Students will experience hands-on science, focusing their efforts on modeling the processes involved in scientific reasoning and experimentation: questioning, forming a hypothesis, and testing the hypothesis through experimentation. The course will reflect current knowledge about science teaching and concept development. Laboratory activities are closely sequence with the coursework. This course is intended for non-science majors.

Formerly PhysSci 1. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYSICS

The strong emphasis in physics on fundamental concepts and problem solving makes it one of the most versatile majors available. The Physics major provides the basis for careers in applied physics and in interdisciplinary areas such as astronomy, biophysics, environmental science, oceanography, and scientific instrumentation.

COURSE DESCRIPTIONS

PHYS V01 - ELEMENTARY PHYSICS 5 Units

Prerequisite: MATH V01 or MATH V01A-V01E or MATH V11B or 1 year of high school beginning algebra with grades of C or better; and MATH V02 or 1 year of high school geometry with grades of C or better

Recommended Preparation: MATH V05

Hours: 4 lecture, 3 laboratory weekly

This course is the study of mechanics, heat, sound, electricity, modern physics, and light. The laboratory portion of the course involves experiments in mechanics, wave motion, sound, electricity, magnetism, optics, and radioactivity.

Field trips may be required. Formerly Phys 1-1L. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V02A - GENERAL PHYSICS I: ALGEBRA/TRIGONOMETRY-BASED 4 Units

Prerequisite: MATH V05 with a grade of C or better; or the fourth year of high school Trigonometry with grade of C or better

Corequisite: PHYS V02AL

Recommended Preparation: MATH V04; and PHSC V01; or PHYS V01; or high school physics

C-ID: PHYS 100S [PHYS V02A + PHYS V02AL + PHYS V02B + PHYS V02BL]; PHYS 105 [PHYS V02A + PHYS V02AL]

Hours: 4 lecture weekly

This course is the first semester of a two-semester algebra/trigonometry based-sequence. It is intended for students needing a one-year course in general physics as a requirement for their major program (Not for students majoring in physics, engineering, or mathematics). Core topics include: kinematics, dynamics, work and energy, momentum, fluids, simple harmonic motion, waves, heat, and temperature.

Formerly Phys 2A. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V02AL - GENERAL PHYSICS I LABORATORY: ALGEBRA/TRIGONOMETRY-BASED 1 Unit

Corequisite: PHYS V02A

C-ID: PHYS 100S [PHYS V02A + PHYS V02AL + PHYS V02B + PHYS V02BL]; PHYS 105 [PHYS V02A + PHYS V02AL]

Hours: 3 laboratory weekly

This is the first semester laboratory course of a two-semester algebra/trigonometry based-sequence. It is intended for students needing a one-year course in general physics as a requirement for their major program (Not for students majoring in physical sciences, engineering, or mathematics). Core topics include: kinematics, dynamics, work and energy, momentum, fluids, simple harmonic motion, waves, heat, and temperature.

Formerly Phys 2AL. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V02B - GENERAL PHYSICS II: ALGEBRA/TRIGONOMETRY-BASED 4 Units

Prerequisite: PHYS V02A-V02AL with grades of C or better

Corequisite: PHYS V02BL

C-ID: PHYS 100S [PHYS V02A + PHYS V02AL + PHYS V02B + PHYS V02BL]; PHYS 110 [PHYS V02B + PHYS V02BL]

Hours: 4 lecture weekly

This course is the second semester of a two-semester algebra/trigonometry based-sequence. It is intended for students needing a one-year course in general physics as a requirement for their major program (Not for students majoring in physical sciences, engineering, or mathematics). Core topics include: electricity, magnetism, optics, atomic and nuclear physics, and modern physics.

Formerly Phys 2B. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V02BL - GENERAL PHYSICS II LABORATORY: ALGEBRA/TRIGONOMETRY-BASED 1 Unit

Corequisite: PHYS V02B

C-ID: PHYS 100S [PHYS V02A + PHYS V02AL + PHYS V02B + PHYS V02BL]; PHYS 110 [PHYS V02B + PHYS V02BL]

Hours: 3 laboratory weekly

This is the second semester laboratory course of a two-semester algebra/trigonometry based-sequence. It is intended for students needing a one-year course in general physics as a requirement for their major program (not for students majoring in physical sciences, engineering, or mathematics.) Core topics include: electricity, magnetism, optics, atomic and nuclear physics, and modern physics.

Formerly Phys 2BL. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V03A - GENERAL PHYSICS I: CALCULUS-BASED 4 Units

Prerequisite: MATH V21A or MATH V46 with grade of C or better or concurrent enrollment

Corequisite: PHYS V03AL

Recommended Preparation: PHSC V01 or PHYS V01 or high school physics

Hours: 4 lecture weekly

This course includes assignments of algebraic and, where applicable, calculus-based problems in the areas of mechanics and properties of matter, wave motion and sound, and heat and temperature.

Formerly Phys 3A. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V03AL - GENERAL PHYSICS I LABORATORY: CALCULUS-BASED 1 Unit

Corequisite: PHYS V03A

Hours: 3 laboratory weekly

This is a laboratory course in mechanics, wave motion and sound, properties of matter, heat and temperature.

Formerly Phys 3AL. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V03B - GENERAL PHYSICS II: CALCULUS-BASED 4 Units

Prerequisite: PHYS V03A-V03AL with grades of C or better

Corequisite: PHYS V03BL

Hours: 4 lecture weekly

This course is the second semester of a two-semester calculus based-sequence. It is intended for students needing a one-year course in general physics as a requirement for their major program (Not for students majoring in physical sciences, engineering, or mathematics). Core topics include: electricity, magnetism, optics, atomic and nuclear physics, and modern physics.

Formerly Phys 3B. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V03BL - GENERAL PHYSICS II LABORATORY: CALCULUS-BASED 1 Unit

Corequisite: PHYS V03B

Hours: 3 laboratory weekly

This is the second semester laboratory course of a two-semester calculus based-sequence. It is intended for students needing a one-year course in general physics as a requirement for their major program (Not for students majoring in physical sciences, engineering, or mathematics). Core topics include: electricity, magnetism, optics, atomic and nuclear physics, and modern physics.

Formerly Phys 3BL. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V04 - MECHANICS FOR SCIENTISTS AND ENGINEERS

4 Units

Prerequisite: MATH V21A with grade of C or better; and PHYS V01 or high school physics with grade of C or better

Corequisite: PHYS V04L

Recommended Preparation: concurrent enrollment in MATH V21B

C-ID: PHYS 200S [PHYS V04+ PHYS V04L + PHYS V05 + PHYS V05L + PHYS V06 + PHYS V06L]; PHYS 205 [PHYS V04 + PHYS V04L]

Hours: 4 lecture weekly

This course is the first semester of a three-semester calculus-based sequence intended for students majoring in physical sciences, engineering, and mathematics. Core topics include an introduction to kinematics, dynamics, work and energy, momentum, rotation, gravitation, simple harmonic motion, and the statics and dynamics of ideal fluids.

Field trips may be required. Formerly Phys 4. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V04L - MECHANICS LABORATORY FOR SCIENTISTS AND ENGINEERS

1 Unit

Corequisite: PHYS V04

C-ID: PHYS 200S [PHYS V04+ PHYS V04L + PHYS V05 + PHYS V05L + PHYS V06 + PHYS V06L]; PHYS 205 [PHYS V04 + PHYS V04L]

Hours: 3 laboratory weekly

This is the first laboratory course in a three semester calculus-based sequence intended for students majoring in physical sciences, engineering, and mathematics. Core topics include experiments in kinematics, dynamics, work and energy, momentum, rotation, gravitation, and simple harmonic motion.

Formerly Phys 4L. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V05 - ELECTRICITY AND MAGNETISM FOR SCIENTISTS AND ENGINEERS

4 Units

Prerequisite: MATH V21B with grade of C or better; and PHYS V04-V04L with grades of C or better

Corequisite: PHYS V05L

Recommended Preparation: Concurrent enrollment in MATH V21C

C-ID: PHYS 200S [PHYS V04+ PHYS V04L + PHYS V05 + PHYS V05L + PHYS V06 + PHYS V06L]; PHYS 210 [PHYS V05 + PHYS V05L]

Hours: 4 lecture weekly

This course is the second semester of a three-semester calculus-based sequence intended for students majoring in physical sciences, engineering, and mathematics. Core topics include electrostatics, magnetism, DC and AC circuits, Maxwell's equations and electromagnetic waves.

Field trips may be required. Formerly Phys 5. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V05L - ELECTRICITY AND MAGNETISM LABORATORY FOR SCIENTISTS AND ENGINEERS

1 Unit

Corequisite: PHYS V05

C-ID: PHYS 200S [PHYS V04+ PHYS V04L + PHYS V05 + PHYS V05L + PHYS V06 + PHYS V06L]; PHYS 210 [PHYS V05 + PHYS V05L]

Hours: 3 laboratory weekly

This course is the second semester laboratory portion of a three-semester calculus-based sequence intended for students majoring in physical sciences, engineering, and mathematics. Core activities include investigations in electric and magnetic fields, electronic components, DC and AC circuits, and electrical signal measurements.

Formerly Phys 5L. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V06 - OPTICS, HEAT, AND MODERN PHYSICS FOR SCIENTISTS AND ENGINEERS

4 UNITS

Prerequisite: MATH V21C with grade of C or better or concurrent enrollment; and PHYS V04-V04L with grades of C or better

Corequisite: PHYS V06L

Recommended Preparation: PHYS V05-V05L

C-ID: PHYS 200S [PHYS V04+ PHYS V04L + PHYS V05 + PHYS V05L + PHYS V06 + PHYS V06L]; PHYS 215 [PHYS V06 + PHYS V06L]

Hours: 4 lecture weekly

This course is the third semester of a three-semester calculus-based sequence intended for students majoring in physical sciences, engineering, and mathematics. Core topics include optics, heat, and modern physics.

Formerly Phys 6. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V06L - OPTICS, HEAT AND MODERN PHYSICS LABORATORY FOR SCIENTISTS AND ENGINEERS

1 Unit

Corequisite: PHYS V06

C-ID: PHYS 200S [PHYS V04+ PHYS V04L + PHYS V05 + PHYS V05L + PHYS V06 + PHYS V06L]; PHYS 215 [PHYS V06 + PHYS V06L]

Hours: 3 laboratory weekly

This course is the third semester laboratory portion of a three-semester calculus-based sequence intended for students majoring in physical sciences, engineering, and mathematics. Core topics include optics, heat, and modern physics.

Formerly Phys 6L. Transfer credit: CSU; UC; credit limitations - see counselor.

PHYS V88 - PHYSICS WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

PHYS V89 - WORKSHOPS IN PHYSICS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly Phys 89. Transfer credit: CSU; for UC, determined after admission.

PHYS V90 - DIRECTED STUDIES IN PHYSICS I

1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Phys 90. Transfer credit: CSU; for UC, determined after admission.

PHYSIOLOGY

PHSO V01 - INTRODUCTION TO HUMAN PHYSIOLOGY 4 Units

Prerequisite: ANAT V01 or concurrent enrollment; and CHEM V20-V20L or CHEM V30-V30L or 1 year of high school chemistry with grades of C or better

Recommended Preparation: BIOL V01-V01L or BIOL V04; and CHEM V01A-V01AL or CHEM V21-V21L

C-ID: BIOL 120B

Hours: 3 lecture, 3 laboratory weekly

This course presents a survey of the functional relationships between major organ systems, tissues and cells within the human body. A heavy emphasis on the biochemistry of major physiological mechanisms will lead to an understanding of the interactions between tissues that contribute to overall homeostasis in the human body. Laboratory exercises emphasize the development of both laboratory skills pertinent to physiology as well as an understanding of the nature and significance of a variety of physiological parameters which will be measured in the lab (including ECG, respiratory measurements, electromyogram, pH and buffers, enzyme activity, and others). ANSI 287.1 safety glasses and gloves are required.

Formerly Physio 1. Transfer credit: CSU; UC; credit limitations - see counselor.

POLICE SCIENCE

One of modern society's most difficult responsibilities is the enforcement of laws and the protection of lives and property while at the same time respecting the constitutional rights of society as a whole and the individual. Carefully selected, highly trained and motivated peace officers are fundamental to this responsibility. In today's society the increasingly diverse challenges and changing service demands confronting law enforcement require that effective initial training is crucial if an officer is to acquire the critical knowledge, skills and abilities necessary to render a high quality of service.

Certificate of Achievement

BASIC LAW ENFORCEMENT

This is a nine hundred ten hour Police Science class certified by the California Commission on Peace Officer Standards and Training (POST) and administered by the Ventura County Sheriff's Department in collaboration with the Ventura County Community College District (Ventura College). It is a basic training course required by POST for all new law enforcement officers in the state of California. One of modern society's most difficult responsibilities is the enforcement of laws and the protection of lives and property while at the same time respecting the constitutional rights of society as a whole and the individual. Carefully selected, highly trained and motivated peace officers are fundamental to this responsibility. In today's society the increasingly diverse challenges and changing service demands confronting law enforcement require that effective initial training is crucial if an officer is to acquire the critical knowledge, skills and abilities necessary to render a high quality of service.

The Academy; called the Regular Basic Course (RBC) is presented in an intensive format; 5 days a week, 8 hours per day for 24 weeks. Successful completion is mandatory for students interested in becoming peace officers. The state screening requirements for admission into the RBC are: taking and passing a reading and writing ability test for entry into the RBC. Scores will be used to determine if applicants are able to read and write at levels necessary to perform the job of Peace Officer, have attained the age of at least 18 years old, a physical examination, Department of Justice/Federal Bureau of Investigation fingerprint check and clearance, a valid California driver's license with no restrictions, never have been convicted of a felony and successfully passing the POST Physical Agility Test. The RBC

and its training and selection standards as required by POST is found in POST Administrative Manual Section D-1-3, POST Administrative Manual Section B-Regulations, Regulation 1000(a)(1)(2), 1005, POST Administrative Manual Section C-Personnel Selection and Standards, Peace Officer Selection Requirements Regulations Sections 1950-1955, POST Training and Testing Specifications for Peace Officer Basic Courses, Government Code Sections 1029-1031, Penal Code Sections 832, 832.15, 832.16, 13510, 13511.5.

It is the mission (goal) of the RBC "to prepare entry level law enforcement trainees mentally, morally, emotionally and physically for entry into a field training program, assume the responsibilities, and execute the duties of a peace officer in society."

The course of study for the RBC consists of 42 separate learning domains containing the minimum required foundational information for given subjects, each with a variety of educational goals and objectives, which include the ability to demonstrate the following measurable skills and abilities:

1. Discuss how leadership ethics and professionalism impact the daily work of a peace officer.
2. Identify the freedoms and rights afforded to individuals under the U.S. Constitution, and later amendments.
3. Recognize peace officers' responsibilities to enforce the law, including all levels of the law, using fair and impartial treatment.
4. Describe the direct and indirect victims of a crime, the techniques officers can use to help defuse a crisis situation for a victim of crime, and the potentially negative attitudes that peace officers may exhibit toward victims of crime.
5. Recall the statutory definition of crime; identify the elements common to all crimes; identify the elements required of an attempt to commit crime; discuss general, specific, and transferred intent crimes; and differentiate between criminal intent and criminal negligence.
6. Recognize a peace officer's responsibility for the safety of juveniles and the general public.
7. Explain the legal basis for requiring investigative reports, discuss the importance of taking notes in preparation for writing reports, summarize the primary questions that must be answered by an investigative report, and identify the fundamental content elements in investigative reports.
8. Discuss reasonable force as stated by law, explain the legal framework establishing a peace officer's authority during a legal arrest, identify the circumstances set forth in the California Penal Code when a peace officer has the authority to use force, and discuss the level of authority agency policies have regarding the use of force by a peace officer. 2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
9. Discuss patrol strategies officers may employ to provide protection and service within their assigned areas of patrol, describe the three basic categories of vehicle pullovers, describe the inherent risks to officer safety that are associated with conducting a vehicle pullover, and demonstrate appropriate actions officers can take to maintain their own safety and the safety of others while conducting a vehicle pullover.
10. Describe the elements of a tactical approach to a crime in progress, explain the primary purposes for establishing crime scene perimeters, and demonstrate appropriate actions when conducting a search for suspects.

11. Explain the relevance of traffic enforcement to public safety and quality of life within a community and legally establish probable cause for accomplishing general law enforcement objectives; and demonstrate appropriate peace officer actions when managing a vehicle collision scene, including caring for injured and involved parties, protecting the collision scene, collecting and preserving evidence, distinguishing between different types of physical evidence which may be located at a collision scene, and recognizing the type of information they may provide.
12. Identify the goal of a criminal investigation, demonstrate actions peace officers may employ to preserve possible physical evidence at a crime scene, identify the primary purpose of the initial survey of a crime scene and the crime scene search, identify the purpose of collecting control/known samples, identify the primary reason for establishing a chain of custody record, and identify general guidelines for collecting and processing physical evidence which may be located at a crime scene.
13. Demonstrate principles of arrest and control, including awareness, balance, and control.
14. Demonstrate all procedures for the safe handling of all firearms while on and off duty, and state the four fundamental rules of firearms safety.
15. Identify the complexities of cultural diversity; demonstrate the skills necessary for identifying and responding to California's changing communities; define culture and cultural diversity; and describe personal, professional, and organizational benefits of valuing diversity within the community and law enforcement organizations.

REQUIRED COURSES:		Units
POSC V01	Basic Law Enforcement Academy	32
POSC V01A	Orientation for P.O.S.T. Regular and Modular Academy	3.5
TOTAL		35.5

PROGRAM STUDENT LEARNING OUTCOMES

Upon Successful completion of the **Basic Law Enforcement Academy** program, students will be able to:

- Define and recognize the fundamental duties, obligations, and philosophies of the criminal justice system, and function within the law enforcement field.
- Define and recognize situations and scenarios relating to application of the California Penal Code, California Health and Safety Code, and the California Vehicle Code, and apply the appropriate law.
- Define and recognize the techniques of crime scene searches, courtroom demeanor, and criminal investigation related to child abuse and sexual assault situations.

Upon successful completion of the RBC students will receive a Certificate of Achievement from Ventura College and a Certificate of Completion from the Ventura County Sheriff's Department. Once the RBC graduate has satisfactorily completed the employing agency's probationary period a Basic Certificate is awarded, as defined in POST Administrative Manual Regulation 1011 to currently full-time peace officers of a POST-participating agency who have satisfactorily completed the prerequisite Regular Basic Course requirements.

P.O.S.T. ACADEMY INFORMATION

The P.O.S.T. Basic Law Enforcement Academy consists of two courses: the 80 hour Orientation for P.O.S.T. Regular and Modular Academy (POSC V01A); and the 910 hour Basic Law Enforcement Academy (POSC V01) certified by the California Commission on Peace Officer Standards and Training (POST) and administered by the Ventura County Sheriff's Department in collaboration with the Ventura County Community College District (Ventura College). POSC V01 is a basic training course required by POST for all new law enforcement officers in the state of California. It should be noted that students are required to take POSC V01A before POSC V01. For more information on these courses, please refer to the course descriptions below.

Students interested in completing the Basic Law Enforcement Academy program must first enroll in and successfully complete POSC V01A. Enrollment in POSC V01A is contingent on the clearance of all enrollment requirements prior to the start of the course. Contact the Criminal Justice department at (805) 289-6267 with any questions regarding these procedures.

Applications will be accepted twice yearly. Admission is subject to available openings. All information and applicable forms can be found at www.venturacollege.edu/departments/academic/police-science/post-basic-academy.

All applicants must: 1) be admitted students of Ventura College; 2) submit an Application for Enrollment packet and return the completed application packet to the Criminal Justice department; 3) fulfill all qualifying requirements as listed below.

Qualifying Requirements for California Peace Officers

While these are not enrollment requirements for Ventura College, the State of California has established statutory requirements for peace officers. In addition, most departments have adopted higher standards for their selection of peace officers. The following is a summary of qualifications most departments will use in selecting peace officers. Keep in mind these requirements will vary from one agency to another and what may be a disqualifier for one department may be considered acceptable by another. You are encouraged to contact the Criminal Justice Department at Ventura College with any questions or concerns you may have.

1. **CITIZENSHIP:** You must be a citizen of the United States or a permanent resident alien who is eligible for and has applied for citizenship.
2. **AGE:** In California you must be at least 18 years of age to be a police officer, however, most law enforcement departments require that you are 21 years of age. In most cases you are better off not beginning a police academy program unless you are 21 or will be 21 years of age by the completion of the training. If you are under 21 you may want to consider working on an associate degree in law enforcement or becoming a reserve officer. If you have any questions regarding these programs you should contact the Criminal Justice Department at Ventura College.

3. CRIMINAL HISTORY: The following are automatic disqualifiers for a law enforcement officer. A fingerprint record is used for the purpose of criminal record search.

- A conviction of any federal or state felony
- A conviction of any offense in any other state that is considered a felony
- A charge of not guilty for reason of insanity for any felony
- An adjudication by a court to be mentally incompetent
- A conviction of any crime which would prohibit the possession of a concealable firearm
- Any conviction of a crime that requires registration (sex, arson, drugs, gangs)
- Any domestic violence related offense
- A conviction for drug use, sale, or distribution
- Any conviction of a significant theft related offense or pattern of theft related activity.
- Any theft/larceny arrest or conviction
- Disorderly Conduct arrest or conviction
- A significant pattern of disorderly conduct arrest or other disruptive activity including crimes of moral turpitude.
- Poor driving history (example: DUI within the last 3-5 years, reckless driving, hit & run, too many points)
- Any alcohol related offenses or history of alcohol problems
- Dishonesty

4. MORAL CHARACTER: All peace officers will be subject to character background investigations to determine their suitability for employment. Being of good character, honest, trustworthy and reliable are of concern to law enforcement agencies. The lack of moral character will in most cases be cause for nonselection. If you have any questions, you are encouraged to contact the Criminal Justice Department for advisement.

5. PHYSICAL, EMOTIONAL, AND MENTAL CONDITION: You will be required to complete a medical and psychological examination. You should be free from any physical, emotional or mental condition which might adversely affect your ability to perform the duties of a peace officer. If you are uncertain as to any condition you have or may have had, contact the Criminal Justice Department for further information.

Enrollment Clearance Requirements

Students interested in completing the Basic Law Enforcement Academy program must first enroll in and successfully complete POSC V01A. Enrollment in POSC V01A is contingent on the clearance of the following requirements: 1) the application, 2) Reading and Writing assessment test, 3) fingerprint check, 4) driver's history, 5) medical screening, and 6) POST physical agility test. You should begin early to ensure all phases are completed prior to the deadline.

All information and applicable forms can be found on the Police Science web page at www.venturacollege.edu/departments/academic/police-science/post-basic-academy.

Students are responsible for contacting the Criminal Justice department to find out the deadlines for all requirements.

1. Application Form: Required of all applicants. Complete the form entirely. Do not leave blanks. An incomplete application may be grounds for non-acceptance or delay in processing. The form should be turned in to the WED Division at Ventura College to obtain a Live Scan authorization. Students are responsible for contacting the Criminal Justice department to determine the submission deadline.

2. Reading and Writing Assessment Test: Students are required to complete the assessment program administered by the Ventura College Assessment Office. The Academy requires this test of all applicants regardless of any exemptions listed in the college handbooks. The test measures basic adult learning in English, Reading and Math. It is not a "Pass/Fail" test but is used as an advisory tool to determine your potential for success in the program. Students are responsible for contacting the Criminal Justice department to determine the date and location of the test.

NOTE: This requirement will be waived if the student has already successfully completed or assessed into English V01A or V02A.

3. Fingerprint Check (LiveSCAN): This is required of non-affiliate applicants. Because of long delays at the California Department of Justice, we ask you to submit your LiveSCAN as early as possible in your application process.

Students who are **not sponsored by a local or other law enforcement agency, or are not a peace officer employed by a state or local agency, department or district**, shall be required to submit written certification from the Department of Justice that the applicant has no criminal history background which would disqualify him or her from owning, possessing or having under his or her control a firearm. Students are responsible for contacting the Criminal Justice department to determine the deadline for the DOJ clearance.

4. Driver's History: Each applicant must have and maintain a valid California Driver's License and must submit a DMV INF 1125 (a DMV printout of a driver's record). Contact the Criminal Justice Department if there are any problems with driving history.

5. Medical Screening: Administered at the Ventura College Student Health Center. There are two parts to this phase: (a) a self-history completed by the student, and (b) a physical exam and medical release completed and signed by a physician or medical practitioner. Students are responsible for contacting the Criminal Justice department to determine the deadline and location of the screening.

6. P.O.S.T. Physical Agility Test: All applicants are required to complete the P.O.S.T. physical agility test conducted during POSC V01A—Orientation for the P.O.S.T. Regular and Modular Academy.

The Physical Agility Test consists of five parts: a) 500 yard run, b) 99 yard obstacle course, c) 165 pound dummy drag, d) scale 6 foot solid wall, and e) scale a 6 foot chain link fence.

COURSE DESCRIPTIONS

POSC V01 - BASIC LAW ENFORCEMENT ACADEMY 32 Units

Prerequisite: POSC V01A

Enrollment Limitation: Enrollment is limited to those students who meet state screening requirements as outlined in the Government Code, California Penal Code and the Commission on Peace Officer Standards and Training Administrative Manual.

Hours: 21.5 lecture, 30.5 laboratory weekly

This is a basic training course for new law enforcement officers which includes administration of justice, patrol procedures, firearms, defensive tactics, physical training, First Aid, cardiopulmonary resuscitation (CPR), traffic investigation, water safety, and driver training. This course covers the 910 hours required by the Ventura County Sheriff's Department POST Certification.

Field trips will be required.

POSC V01A - ORIENTATION FOR P.O.S.T. REGULAR AND MODULAR ACADEMY 3.5 Units

Enrollment Limitation: Application Form; Fingerprint Check (DOJ); Driver's History; Medical Screening; POST Physical Agility Test, Drug Screening

Hours: 3 lecture, 1.5 laboratory weekly

This course is an orientation for the P.O.S.T. (Peace Officer Standards and Training) regular and modular academy training. Emphasis is placed on assisting the student in preparing for successful completion of the P.O.S.T. regular or modular academy training.

Field trips are required. Offered on a pass/no pass basis only.

POLITICAL SCIENCE

Political Science is the systematic study of politics, political institutions and governmental processes by the application of scientific methods of analysis and critical examination. This discipline analyzes key political ideas, institutions, and issues both domestically and globally. Graduates of this subject area are exposed to understanding how political and governmental institutions make and implement decisions and the effects those decisions have on individual, group, and societal behavior. The analytical tools learned in these major increases critical thinking and citizenship skills. The political science program at Ventura College has a special emphasis on globalization, service learning, and environmental issues. The discipline also incorporates the International Studies major. Students graduating with an Associate of Arts degree in Political Science may transfer to four-year universities. Graduates are qualified for a variety of positions in government and non-governmental institutions; graduates are prepared to enter further studies in various disciplines, including political science, law, journalism and business.

Associate in Arts Degree

POLITICAL SCIENCE FOR TRANSFER

The Associate in Arts in Political Science for Transfer Degree (Political Science AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Political Science for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Political Science, History Law, or International Studies or similar programs.

To earn a Political Science AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/ NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (3 units):

	UNITS
POLS V01 American Government	3

LIST A (9-10 Units):

Select three (3) courses from the following:

POLS V04 Introduction to Political Theory	3
POLS V02 Comparative Government	3
POLS V05 Introduction to International Relations	3
POLS V03 Introduction to Political Science	3

Any one of the following: (3-4)

SOC V07 Sociological Analysis	3
OR	
PSY V04 Introductory Statistics for the Social and Behavioral Sciences	4
OR	
MATH V44 Elementary Statistics	4

LIST B (6-7 Units):

Select two (2) course from the following:

Any courses not selected above, any CSU transferable political science courses and/or other courses that are articulated as lower division preparation for the political science major at CSU, or any CSU transferrable introductory course in the social sciences (CSU GE Area D). 6-7

Please refer to CSU General Education-Breadth Certification (may be found in the Counseling Office or in the VC Catalog on page 75).

Major Units	18-20
CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	
Double-Counted Units	(13-14)

DEGREE TOTAL 60

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

For other course descriptions, see Mathematics, Psychology, and Sociology

PROGRAM STUDENT LEARNING OUTCOMES

Upon Successful completion of the **Political Science** program, students will be able to:

- Identify and explain Political Science concepts.
- Understand Political Science institutions and processes.
- Analyze key issues related to Political Science.

COURSE DESCRIPTIONS

POLS V01 - AMERICAN GOVERNMENT

3 Units

C-ID: POLS 110

Hours: 3 lecture weekly

This course surveys United States and California government and politics including political institutions and processes, political actors, political behavior, public policy, and the historical background of the American system of government at the national, California state, and local levels.

Formerly PolSci 1. Transfer credit: CSU; UC.

POLS V01SL - AMERICAN GOVERNMENT: SERVICE LEARNING

0.5 Unit

Corequisite: POLS V01

Hours: 0.5 lecture weekly

This course introduces students to the basic aims and processes of service learning as they relate to United States and California government & politics, including the importance of community participation, oral and written communication skills, teamwork, leadership, and diversity awareness. Emphasis is also placed on critical reflection of the role of the student as an active member in his or her community.

Field trips will be required. Transfer credit: CSU.

POLS V02 - COMPARATIVE GOVERNMENT

3 Units

C-ID: POLS 130

Hours: 3 lecture weekly

This course comparatively analyzes the origins and development of selected political systems of the world, including their history, constitutional principles, political ideologies, institutions, parties, policies, as well as the environments in which political decisions are made and their consequences.

Formerly PolSci 2. Transfer credit: CSU; UC.

POLS V03 - INTRODUCTION TO POLITICAL SCIENCE

3 Units

C-ID: POLS 150

Hours: 3 lecture weekly

This course introduces students to the subfields within political science, and familiarizes students with basic political concepts, political science methods, political ideologies, and political systems. Special attention is placed on the interaction between ideologies, international relations and American history and institutions. Constitutional principles--especially the evolution of relations between national, state, and local governments--will be analyzed as well. The course includes a study of the California constitution and California institutions in a changing global environment.

Transfer credit: CSU; UC.

POLS V03SL - INTRODUCTION TO POLITICAL SCIENCE: SERVICE LEARNING

0.5 Unit

Corequisite: POLS V03

Hours: 0.5 lecture weekly

This course introduces students to the basic aims and processes of service learning as they relate to political science. Topics will include the importance of community participation, oral and written communication skills, teamwork, leadership, and diversity awareness. Emphasis is also placed on critical reflection of the role of the student as an active citizen in his or her community.

Field trips will be required. Transfer credit: CSU.

POLS V04 - INTRODUCTION TO POLITICAL THEORY

3 Units

C-ID: POLS 120

Hours: 3 lecture weekly

This course traces the development of key concepts in political theory and various theoretical approaches to politics. Analysis includes examination of key concepts such as justice, democracy, liberty, equality, and order over the course of Western history. Beginning with Plato and Aristotle, the course traces the evolution of key political debates through a series of thinkers, including Machiavelli, Hobbes, Locke, Rousseau, and Madison. The course also introduces students to some contemporary authors, including feminist and environmental thinkers. Lastly, the course examines the relevance of political philosophy to contemporary society.

Formerly PolSci 6. Transfer credit: CSU; UC.

POLS V05 - INTRODUCTION TO INTERNATIONAL RELATIONS

3 Units

C-ID: POLS 140

Hours: 3 lecture weekly

This course presents an introductory inquiry into the field of international relations theory. Analyses will be made of how and why countries interact officially and unofficially in a condition of war, peace, and change. Examination will also be made of national, international, transnational, and sub-national actors, and their institutions, interactions, and process as they relate to global issues. Emphasis will be placed on the universal competition for power, crisis management, war, peace, arms control, disarmament, and the various endeavors intended to bring about world peace and cooperation.

Formerly PolSci 5. Transfer credit: CSU; UC.

POLS V09 - UNITED STATES - MEXICO RELATIONS

3 Units

Hours: 3 lecture weekly

This course examines a series of bilateral issues relating to the United States and Mexico, including economic integration (especially NAFTA), immigration, naturalization, the environment, human rights, crime, and drugs. Diverse approaches to solve these problems are explored, including domestic policy changes in the two countries as well as bilateral cooperation in resolving trade, environmental, labor, and other issues. The implications of these issues for the political systems of both countries will also be explored.

Field trips may be required. Transfer credit: CSU; UC.

POLS V10 - THE UNITED NATIONS AND WORLD AFFAIRS

4 Units

Recommended Preparation: POLS V01 or POLS V03

Hours: 3 lecture, 3 laboratory weekly

This course analyzes international organizations and their role in world affairs. Focusing on the United Nations, the course examines the history of attempts by international organizations to mediate conflicts between nation-states. The role of the United Nations as a standard-setter for international law, human rights, and collective security is examined in detail. Theoretical models of international relations, such as liberalism and realism, are examined as a way to interpret how international organizations actually operate in world affairs. Students will participate in Model United Nations conferences as part of the laboratory section of this course.

Field trips will be required. Formerly POLS V06 & V07. Transfer credit: CSU; UC.

POLS V11 - GOVERNMENT AND POLITICS OF MEXICO

3 Units

Hours: 3 lecture weekly

This course examines contemporary Mexican politics within a historical context. Different interpretations are contrasted to explain Mexico's historical and political development, especially the Mexican revolution and its aftermath. The nature of Mexican political institutions, economic policies, and current U.S.-Mexico relations will be examined from different perspectives.

Transfer credit: CSU; UC.

POLS V12 - INTRODUCTION TO ENVIRONMENTAL POLICY AND NATURAL RESOURCE MANAGEMENT 3 Units

Hours: 3 lecture weekly

This course examines American environmental policy and how natural resources are managed. The historical, global, and ethical dimensions of how our society relates to the environment are analyzed from an interdisciplinary perspective.

Field trips may be required. Same as ESRM V03. Transfer credit: CSU; UC; credit limitations - see counselor.

POLS V14 - GLOBAL STUDIES 3 Units

Hours: 3 lecture weekly

This course will examine the contemporary political, economic, social, and environmental conditions in the world from a global perspective. The course will start by reviewing the present threats to human posterity and/or prosperity resulting from nuclear, biological, chemical, and conventional weapons as well as ecological, social, and economic conditions, and ongoing changes. After discussing and appraising the present systems of world order and globalization of the economy, the course will explore possible approaches through which such problems can be addressed. The course will conclude by appraising the relevance of different levels of analysis for handling these problems. This course will also promote the idea that the student must try to become an active participant in the globalization process. *Transfer credit: CSU; UC.*

POLS V15 - REVOLUTION AND MASS MOVEMENT 3 Units

Recommended Preparation: POLS V05

Hours: 3 lecture weekly

This course will explore the special characteristics of the Third World countries and assess why they are more prone to revolutionary movements than other countries. Emphasis will be on the most important theories of revolution and social movements, and how they can be applied to analyze major revolutions of the past. In addition, the course will explore the possibility of predicting revolutions.

Formerly POLS V60A. Transfer credit: CSU; UC.

POLS V16 - GOVERNMENT AND THE ECONOMY 3 Units

Recommended Preparation: ECON V01A and POLS V01

Hours: 3 lecture weekly

This course introduces the student to major theories explaining the rationale for government involvement in the economy, as well as an appraisal of these theories. The course begins with an analysis of conceptual and historical perspectives of government involvement followed by constitutional, legal, normative, ideological, and analytical perspectives. Subsequently, the course explores and evaluates the different approaches through which the government attempts to affect the economy.

Formerly POLS V60B. Transfer credit: CSU; UC.

POLS V17 - INTRODUCTION TO AMERICAN LAW 3 Units

Hours: 3 lecture weekly

This course will cover the evaluation, debate, and critical analysis of law and legal issues which affect individuals, their families, and communities. Students will learn about practical aspects of civil, criminal, constitutional, family, immigration, and consumer law with an orientation toward civic involvement in the local community.

Field trips may be required. Transfer credit: CSU; UC.

POLS V18 - INTRODUCTION TO GLOBAL ISSUES 3 Units

Hours: 3 lecture weekly

This course introduces students to the origins, current status, and future trends of major transnational issues confronting the global community. Topics can include population trends, economic development and inequality, basic human needs (for food, water, and health care), human rights, international conflict and security concerns, and environmental problems. The course also focuses on global governance, including the study of collective global responsibilities.

Transfer credit: CSU; UC.

POLS V88 - POLITICAL SCIENCE WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

POLS V89 - WORKSHOPS IN POLITICAL SCIENCE 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly PolSci 89. Transfer credit: CSU; for UC, determined after admission.

POLS V90 - DIRECTED STUDIES IN POLITICAL SCIENCE 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly PolSci 90. Transfer credit: CSU; for UC, determined after admission.

POLS V95 - POLITICAL SCIENCE INTERNSHIP I 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience in their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Formerly PolSci 95. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

POLS V96 - POLITICAL SCIENCE INTERNSHIP II 1-4 Units

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Transfer credit: for CSU, credit limitations - see counselor; for UC, determined after admission.

PSYCHOLOGY

Psychology is the study of behavior, mental processes, and our relationship to others within our society. Psychology is a science used to understand the diverse cultural, economic, ethnic, social, and historical viewpoints that exist in a multicultural world. This discipline seeks to understand how these viewpoints interact with individual and group behavior. An awareness of these viewpoints helps students to understand themselves, the behavior of people in their environment, and how to actively participate within a society. A student graduating with an Associate in Arts in Psychology may transfer to a four year institution to complete a Bachelor's Degree. Psychology is excellent preparation for a wide range of career paths in business, mental health, teaching, law enforcement, social services, and community relations.

Associate in Arts Degree for Transfer

PSYCHOLOGY

The Associate in Arts in Psychology for Transfer Degree (Psychology AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Psychology for Transfer

(Psychology AA-T) may transfer to the CSU system to complete a Bachelor's Degree in Psychology or related fields.

To earn a Psychology AA-T Degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/ NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE: (10 Units)

	Units
PSY V01 Introduction to Psychology	3
PSY V07 Introduction to Research Methods in Social and Behavioral Sciences	3
PSY V04 Introductory Statistics for the Social and Behavioral Sciences	4
OR	
MATH V44 Elementary Statistics	4

LIST A:

Select one (1) of the following courses (3-4 units):

BIOL V01	Principles of Biology	3
AND		
BIOL V01L	Principles of Biology Laboratory	1
BIOL V12	Principles of Human Biology	3
PSY V03	Introduction to Biological Psychology	3

LIST B:

Select one (1) of the following courses (3 units):

Any course from LIST A not already used (BIOL V01-V01L, V12; PSY V03)		
PSY V05	Introduction to Developmental Psychology	3
PSY V29	Introduction to Personality Psychology	3
PSY V31/ SOC V31	Introduction to Social Psychology	3

For other course descriptions, see Biology, Mathematics, and Sociology

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Psychology** program students will be able to:

- Demonstrate comprehension of major concepts and theoretical perspectives of psychology.
- Contrast scientific and non-scientific research methods.
- Demonstrate application of statistical analyses appropriate for a variety of research problems.
- Discuss application of social interaction and other individual life skills.

COURSE DESCRIPTIONS

PSY V01 - INTRODUCTION TO PSYCHOLOGY 3 Units

C-ID: PSY 110

Hours: 3 lecture weekly

This course provides an overview of the scientific study of psychology in the areas of neuroscience, sensation and perception, states of consciousness, learning and memory, intellect and cognition, language, lifespan development and the influences of heredity and environment on behavior, motivation, sexuality, emotion, personality, stress and coping, psychological disorders, psychotherapy, and social relations.

Field trips may be required. Formerly Psych 1. Transfer credit: CSU; UC.

PSY V01SL - INTRODUCTION TO PSYCHOLOGY: SERVICE LEARNING 0.5 Unit

Corequisite: PSY V01

Hours: 0.5 lecture weekly

This course introduces students to the basic aims and processes of service learning as they relate to applied psychology. Topics will include the importance of community participation, oral and written communication skills, teamwork, leadership, and diversity awareness. Emphasis is also placed on critical reflection of the role of the student as an active citizen in his or her community.

Field trips will be required. Transfer credit: CSU.

PSY V02 - PERSONAL GROWTH AND SOCIAL AWARENESS 3 Units

C-ID: PSY 115

Hours: 3 lecture weekly

This course provides an introduction to theory, research, and practical application relevant to personal fulfillment, human relationships, and social functioning. Topics which will be studied are personality development; traditional and changing sex roles; intimate relationships; stress and stress management; personal and social achievement; and normal and abnormal reactions to modern society. Emphasis will be placed on recognizing typical patterns of personality development, with some attention given to fostering self-actualization and social contributions, while preventing deviant patterns.

Field trips may be required. Formerly Psych 2. Transfer credit: CSU; UC.

PSY V02SL - PERSONAL GROWTH AND SOCIAL AWARENESS: SERVICE LEARNING 0.5 Unit

Corequisite: PSY V02

Hours: 0.5 lecture weekly

This course introduces students to the basic aims and processes of service learning as they relate to personal growth and social awareness. Topics will include the importance of community participation, oral and written communication skills, teamwork, leadership, and diversity awareness. Emphasis is also placed on critical reflection of the role of the student as an active citizen in his or her community.

Field trips will be required. Transfer credit: CSU.

PSY V03 - INTRODUCTION TO BIOLOGICAL PSYCHOLOGY 3 Units

C-ID: PSY 150

Prerequisite: PSY V01

Hours: 3 lecture weekly

This course introduces the scientific study of the biological bases of behavior and its fundamental role in the neurosciences. The course emphasizes the anatomy and physiology of the central nervous system, and their relationship to states of consciousness, drug use, biological drives and rhythms, emotions, sexuality, learning and memory, cognitive behavior including speech and language, brain pathology and mental disorders.

Formerly Psych 3. Transfer credit: CSU; UC.

PSY V04 - INTRODUCTORY STATISTICS FOR THE SOCIAL AND BEHAVIORAL SCIENCES 4 Units

Prerequisite: MATH V03 or MATH V03E or MATH V12 or MATH V13B or MATH V35 or 1 year of high school intermediate algebra (Algebra II) with grade of C or better

Recommended Preparation: ENGL V01A

C-ID: SOCI 125

Hours: 4 lecture weekly

An introduction to the basic concepts of descriptive and inferential statistics which provides conceptual understanding of the applications of statistics in research, as well as in the social sciences and the related fields of business, education and health care. Areas of study include: descriptive procedures; probability and binomial distributions; correlation and regression; normal distribution; sampling distribution; central limit theorem; sample size calculations; hypothesis testing using interval estimation, z-test, significance testing of correlations, one- and two-sample t-tests, ANOVA, chi-square, and other nonparametric techniques; and critical analyses of research designs. This course also provides supervised computer practice designed to assist students in data preparation including tables and graphical representations, statistical computations, and data analysis. Students will interpret computerized results and apply them in generating conclusions to be submitted in the form of written reports.

Formerly Psych 4. Transfer credit: CSU; UC; credit limitations - see counselor.

PSY V04S - INTRODUCTORY STATISTICS FOR THE SOCIAL AND BEHAVIORAL SCIENCES DISCUSSION SESSION 1 Unit

Corequisite: PSY V04

Hours: 1 lecture weekly

This course is a discussion session to be taken concurrently with introductory statistics for the social and behavioral sciences. It provides an opportunity for better understanding of concepts learned in introductory statistics through additional practice and discussion of statistical procedures and their applications to research and hypothesis testing.

Formerly Psych 4S. Offered on a pass/no pass basis only. Not applicable for degree credit.

PSY V05 - INTRODUCTION TO DEVELOPMENTAL PSYCHOLOGY 3 Units

C-ID: PSY 180

Hours: 3 lecture weekly

This course provides an overview of human development throughout the entire lifespan including conception through death. Current theories and research in the areas of heredity and environment, emotion, intellect and cognition, language, socialization, personality, sexuality, maturation, and gerontology will be studied. Emphasis will be placed on identifying and encouraging normal development, with some attention given to recognizing and preventing abnormal patterns.

Field trips may be required. Formerly Psych 5. Transfer credit: CSU; UC.

PSY V07 - INTRODUCTION TO RESEARCH METHODS IN SOCIAL AND BEHAVIORAL SCIENCES 3 Units

Prerequisite: PSY V01 and PSY V04 or MATH V44

Recommended Preparation: ENGL V01A

C-ID: PSY 200

Hours: 3 lecture weekly

This course introduces basic concepts, issues, and principles of scientific research as they apply to behavior and psychological processes. Strategies involved in searching the psychological literature will be presented to assist students in developing a research hypothesis. Ethical issues relevant to conducting research in the social and behavioral sciences will also be discussed. Students will design and conduct an experiment using appropriate research methodology, with emphasis on the scientific method, in addition to correlational and observational studies. Experimental data will be analyzed using statistical software and computer application related to statistics and research. Appropriate parametric or nonparametric statistical tests will guide in making decisions regarding the experimental hypothesis. Students will write a research report following APA guidelines and format.

Formerly Psych 7. Transfer credit: CSU; UC.

PSY V15 - INTRODUCTION TO ABNORMAL PSYCHOLOGY 3 Units*C-ID: PSY 120**Hours: 3 lecture weekly*

This course focuses on the major forms and causes of behavior defined as deviant or abnormal. Diagnostic and therapeutic treatment strategies are examined, as well as the various theories currently used to explain abnormal behavior and mental illness.

Field trips may be required. Formerly Psych 15. Transfer credit: CSU; UC.

PSY V25 - PSYCHOLOGY OF HUMAN SEXUALITY 3 Units*C-ID: PSY 130**Hours: 3 lecture weekly*

This course will emphasize both the psychobiological and sociological aspects of human sexual behavior. The role of sex within a relationship will be explored, as well as sexual attitudes, lifestyles, and changing social roles. Course material will be presented in an explicit, open, scientific, and thoughtful manner.

Formerly Psych 25. Transfer credit: CSU; UC.

PSY V29 - INTRODUCTION TO PERSONALITY PSYCHOLOGY 3 Units*Hours: 3 lecture weekly*

This course is a comprehensive study of the concept of personality. The nature and development of personality will be examined. Emphasis will be placed on the current research, techniques of assessment, theories, and theorists of personality, including Freud, Jung, Rogers and Maslow.

Field trips may be required. Formerly Psych 29. Transfer credit: CSU; UC.

PSY V30 - MULTICULTURAL PSYCHOLOGY 3 Units*Hours: 3 lecture weekly*

This course focuses on multicultural issues and their influence on individual and group behavior. It explores how traditions and social customs shape the development of the individual's behavior, cognition, motivation, emotion, gender roles, personality, and moral judgments across the lifespan. It examines how family, work, religion, language, artistic expression, rituals, and clothing function as symbols of cultural identity. Cross-cultural comparisons of various psychological phenomena are reviewed, documenting similarities and differences in human behavior across cultures in an attempt to search for mediators of these differences. Topics of discussion include diversity in an increasingly pluralistic society and intercultural relations among African Americans, Hispanics, Asian Americans, Native Americans and other cultural groups, with the option of focusing on a particular culture in any given semester.

Field trips may be required. Formerly Psych 30. Transfer credit: CSU; UC.

PSY V31 - INTRODUCTION TO SOCIAL PSYCHOLOGY 3 Units*C-ID: PSY 170**Hours: 3 lecture weekly*

This course considers individual human behavior in relation to the social environment. The power of the situation, other individuals, the social group, and the individual's psychological processes will be examined. Emphasized topics include aggression, prejudice and stereotypes, interpersonal attraction, attitudes and attitude change, conformity, group phenomena, gender roles, cultural norms, person perception, and social cognition.

Field trips may be required. Formerly Psych 31. Same as SOC V31. Transfer credit: CSU; UC; credit limitations - see counselor.

PSY V88 - PSYCHOLOGY WORKSHOPS 0.5-10 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

PSY V89 - WORKSHOPS IN PSYCHOLOGY 0.5-10 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Psych 89. Transfer credit: CSU; for UC, determined after admission.

PSY V90 - DIRECTED STUDIES IN PSYCHOLOGY 1-6 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Psych 90. Transfer credit: CSU; for UC, determined after admission.

SIGN LANGUAGE

These courses prepare students to comprehend and communicate using sign language and provide an understanding of deaf culture. All of the courses provide instruction in receptive and expressive sign vocabulary, appropriate grammatical and affective facial expressions, syntax, and body modifiers.

COURSE DESCRIPTIONS**SL V10A - AMERICAN SIGN LANGUAGE: BEGINNING 3 Units***Hours: 3 lecture weekly*

This is an introductory course in American Sign Language, the native language of the deaf. Topics will include: instruction in the basic language structure, manual signs, fingerspelling, grammar, syntax, tense indicators, idioms, and gestures required for beginning manual communication with members of the deaf community and other signers. Students will also begin to explore aspects of deaf culture and the dynamics of the deaf community.

Field trips may be required. Formerly SL 10A. Transfer credit: CSU; UC.

SL V10B - AMERICAN SIGN LANGUAGE: INTERMEDIATE 3 Units*Prerequisite: SL V10A or 2 years of high school ASL or equivalent**Hours: 3 lecture weekly*

This is a course in American Sign Language that includes intermediate-level instruction in the language structure, manual signs, fingerspelling, vocabulary, grammar, syntax, tense indicators, idioms, and gestures required for manual communication with members of the deaf community and other signers at the intermediate level. Students will expand their discussions of multiple aspects of deaf culture and the dynamics of the deaf community.

Field trips may be required. Formerly SL 10B. Transfer credit: CSU; UC.

SL V10C - AMERICAN SIGN LANGUAGE: ADVANCED 3 Units*Prerequisite: SL V10B or 3 years of high school ASL or equivalent**Hours: 3 lecture weekly*

This course in American Sign Language emphasizes conversational fluency in ASL through intensive work on comprehensive skills, grammatical structure, conceptual accuracy and translation of English idioms to American Sign Language. Students will continue to engage in discussions of various aspects of deaf culture and the dynamics of the deaf community.

Field trips may be required. Formerly SL 10C. Transfer credit: CSU; UC.

SL V88 - SIGN LANGUAGE WORKSHOPS 0.5-10 Units*Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

SL V89 - WORKSHOPS IN SIGN LANGUAGE**0.5-10 Units***Prerequisite: varies with topic**Hours: lecture and/or laboratory as required by unit formula*

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly SL 89. Transfer credit: CSU.

SOCIOLOGY

Sociology is the scientific study of human behavior in groups and the social forces that influence that behavior. The Sociology program offers a diverse curriculum in an effort to provide students with the tools necessary to comprehend their social world, using sociological theory and methodology to focus on the building blocks of the social structure and culture. The program includes courses that explore how social institutions play integral roles in our society, how class, race, ethnicity, and gender interact with these fundamental social institutions, the inequalities that exist in society, the importance of norms and values, the deviations therein, and the origins of social problems, their potential solutions, and the challenge to the status quo. Upon completion of a sociology course, the student will have a greater understanding of her/his part in the social world, enhancing interpersonal relationships and relationships to the social structure.

Associate in Arts Degree for Transfer**SOCIOLOGY**

The Associate in Arts in Sociology for Transfer Degree (Sociology AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Arts in Sociology for Transfer (Sociology AA-T) may transfer to the CSU system to complete a Bachelor's Degree in Sociology or related fields.

To earn a Sociology AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

REQUIRED CORE (3 units):

SOC V01	Introduction to Sociology	Units
		3

Units**LIST A:****Select two (2) of the following courses (6-7 units):**

SOC V02	Social Problems	3
SOC V07	Sociological Analysis	3
PSY V04	Introductory Statistics for the Social & Behavioral Sciences	4

OR

MATH V44	Elementary Statistics	4
----------	-----------------------	---

LIST B:**Select two (2) of the following courses (6 units):**

SOC V03/ AES V11	Racial and Ethnic Group Relations	3
SOC V04	Sociology of Gender Roles	3
SOC V05	Sociology of Relationships	3

CSU General Education or IGETC-CSU Pattern	37-39
Electives (CSU transferrable units to reach 60)	
Double-Counted Units	(13-14)

DEGREE TOTAL**60**

See a counselor or consult assist.org, especially if you plan to transfer to a UC campus or a college or university other than CSU.

**For other course descriptions, see American Ethnic Studies,
Mathematics, and Psychology**

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Sociology** program students will be able to:

- Demonstrate comprehension of the major sociological theories and relevant concepts.
- Demonstrate comprehension of the scientific method, the variety and appropriateness of research designs and the application and interpretation of the findings.
- Critically evaluate and apply theoretical concepts to specific cultural phenomenon past and present.

COURSE DESCRIPTIONS

SOC V01 - INTRODUCTION TO SOCIOLOGY 3 Units

C-ID: SOCI 110

Hours: 3 lecture weekly

This course examines human social behavior in groups in relation to the wider social forces which influence that behavior, such as: socioeconomic status, gender, race/ethnicity, and age. Theoretical perspectives as well as scientific methodology are utilized to explore culture, social interaction, social organizations, socialization, social institutions, population dynamics and social change.

Formerly Soc 1. Transfer credit: CSU; UC.

SOC V01SL - INTRODUCTION TO SOCIOLOGY: SERVICE LEARNING 0.5 Unit

Corequisite: SOC V01

Hours: 0.5 lecture weekly

This course introduces students to the basic aims and processes of service learning as they relate to sociology. Topics will include the importance of community participation, oral and written communication skills, teamwork, leadership, and diversity awareness. Emphasis is also placed on critical reflection of the role of the student as an active citizen in his or her community. *Field trips will be required. Transfer credit: CSU.*

SOC V02 - SOCIAL PROBLEMS 3 Units

C-ID: SOCI 115

Hours: 3 lecture weekly

This course will examine current American social problems, such as: health care; crime; substance abuse; domestic violence; AIDS; the environment; and the inequalities of race, sex, age, education and social class. Analysis of factors leading to their emergence, their consequences and proposals for solving these problems will be discussed. Students will be offered the opportunity to do volunteer work with public and private agencies working in the covered problem areas.

Field trips may be required. Formerly Soc 2. Transfer credit: CSU; UC.

SOC V02SL - SOCIAL PROBLEMS: SERVICE LEARNING 0.5 Unit

Corequisite: SOC V02

Hours: 0.5 lecture weekly

This course introduces students to the basic aims and processes of service learning as they relate to social problems. Topics will include the importance of community participation, oral and written communication skills, teamwork, leadership, and diversity awareness. Emphasis is also placed on critical reflection of the role of the student as an active citizen in his or her community.

Field trips will be required. Transfer credit: CSU.

SOC V03 - RACIAL AND ETHNIC GROUP RELATIONS 3 Units

C-ID: SOCI 150

Hours: 3 lecture weekly

This course analyzes the patterns of prejudice and discrimination in the United States including their nature, sources, and consequences, and reviews strategies for their reduction. Majority/minority relations among the major social and cultural groups will be given specific examination.

Formerly Soc 3. Same as AES V11. Transfer credit: CSU; UC; credit limitations - see counselor.

SOC V04 - SOCIOLOGY OF GENDER ROLES 3 Units

C-ID: SOCI 140

Hours: 3 lecture weekly

This course offers an examination of gender role socialization throughout the entire lifespan. Various theories will be utilized in an effort to explain the influence of the major agents of socialization (parents, peers, education and the media) on the formation of gender roles. The effect gender has in the family, education and the work environment will be examined through both a multicultural and global perspective.

Formerly Soc 4. Transfer credit: CSU; UC.

SOC V05 - SOCIOLOGY OF RELATIONSHIPS: INTIMACY, COMMITMENT AND FAMILY PATTERNS 3 Units

Hours: 3 lecture weekly

This course will explore the ways in which we choose relationships, make commitments, and form families. The evolution of the family will be covered from extended to alternative family patterns. Sociological theories and methodology will be utilized to analyze both the functions and dysfunctions of relationships: mate selection, love, intimacy, communication, gender roles, sexuality, marriage, and parenting. The challenges facing intimate relationships, such as power differentials, domestic violence, divorce, remarriage, single-parenting, and step families will be covered. Cross-cultural examination of ethnic/racial/religious group patterns of relationships and families will be explored for both the U.S. and other countries.

Field trips may be required. Transfer credit: CSU; UC.

SOC V07 - SOCIOLOGICAL ANALYSIS 3 Units

Recommended Preparation: SOC V01 or SOC V02

Hours: 3 lecture weekly

This course offers an overview of how sociologists make systematic observations of the social world. The methods used in conducting social science research, from hypothesis development to analysis of collected data, will be presented. Students will actively participate in conducting studies that focus on current social issues.

Formerly Soc 7. Transfer credit: CSU; UC.

SOC V13 - SOCIOLOGY OF DEVIANCE, CRIME AND SOCIETY 3 Units

Hours: 3 lecture weekly

This course will introduce students to sociological concepts of deviance and social control. Theories of structural conditions contributing to conformity and non-conformity will be explored, as well as the effect deviance and society have on each other. The course will examine topics such as alcohol and drug use, prostitution, physical violence, property crime, white-collar crime, and organized crime.

Field trips may be required. Transfer credit: CSU; UC.

SOC V24 - SOCIOLOGY OF THE CHICANO COMMUNITY 3 Units

Recommended Preparation: AES V20 or CHST V01 or SOC V01

Hours: 3 lecture weekly

This course will examine various theoretical perspectives from a sociological framework in relation to the Chicano community. Race, class, gender and culture in the historical development of Chicano people will be explored as we discuss culture, ethnic identity, the institutions of education, economics, family and government. This will include an overview of past and current social movements (i.e. the Chicano, Chicana Feminism, labor movements, and other topics). Students will analyze prevailing myths and stereotypes and investigate the ways Chicanos have contributed to and participated in social and political change. Specific instances of Chicano structural resistance to Anglo encroachment and domination will be discussed. Particular attention will also be given to language development among Chicanos and the historical role of youth.

Field trips may be required. Same as AES V24 & CHST V24. Transfer credit: CSU; UC; credit limitations - see counselor.

SOC V31 - INTRODUCTION TO SOCIAL PSYCHOLOGY 3 Units

Hours: 3 lecture weekly

This course considers individual human behavior in relation to the social environment. The power of the situation, other individuals, the social group, and the individual's psychological processes will be examined. Emphasized topics include aggression, prejudice and stereotypes, interpersonal attraction, attitudes and attitude change, conformity, group phenomena, gender roles, cultural norms, person perception, and social cognition.

Field trips may be required. Formerly Soc 31. Same as PSY V31. Transfer credit: CSU; UC; credit limitations - see counselor.

SOC V88 - SOCIOLOGY WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

SOC V89 - WORKSHOPS IN SOCIOLOGY 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Soc 89. Transfer credit: CSU; for UC, determined after admission.

SOC V90 - DIRECTED STUDIES IN SOCIOLOGY 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly Soc 90. Transfer credit: CSU; for UC, determined after admission.

SPANISH

The Spanish courses prepare students with communication skills and provide an understanding of the Spanish-speaking cultures. The Spanish courses provide instruction to develop proficiency skills in aural comprehension, speaking, reading, and writing. The beginning level courses introduce basic grammar, vocabulary, communicative functions, and culture. The intermediate level courses continue development of proficiency skills through discussion of films, periodicals, and literary works to increase vocabulary, cultural awareness, and knowledge of linguistic variations. Intermediate courses provide a track for heritage language speakers of Spanish.

COURSE DESCRIPTIONS

SPAN V01 - ELEMENTARY SPANISH I 5 Units

C-ID: SPAN 100

Hours: 5 lecture weekly

This course is part of a sequence designed to provide introductory experiences in Spanish, including pronunciation, aural comprehension, oral and written communication, word usage and vocabulary, reading of prose and elementary principles of grammar. Special emphasis will be given to development of oral and aural skills through the use of communicative activities. Cultural material will be presented to develop interest, understanding and appreciation for the lifestyle of the Hispanic people.

Field trips may be required. Formerly Span 1. Transfer credit: CSU; UC.

SPAN V02 - ELEMENTARY SPANISH II 5 Units

Prerequisite: SPAN V01 or 2 years of high school Spanish or equivalent

C-ID: SPAN 110

Hours: 5 lecture weekly

This course is designed to provide the student with further skill development in Spanish, including pronunciation, aural comprehension, oral and written communication, word usage and vocabulary, reading of prose and elementary principles of grammar. The language laboratory will be used in order to continue the development of oral and aural skills in the language. More advanced cultural material is presented to further develop the interest, knowledge and appreciation for the peoples of the Spanish-speaking world.

Field trips may be required. Formerly Span 2. Transfer credit: CSU; UC.

SPAN V03 - INTERMEDIATE SPANISH I 5 Units

Prerequisite: SPAN V02 or 3 years of high school Spanish or equivalent

C-ID: SPAN 200

Hours: 5 lecture weekly

This course will include a complete review of Spanish grammar and syntax, training in oral and written expression with reading and discussion of selected pieces from literature and other sources. A student receiving credit in SPAN V03 will not receive credit in SPAN V03S.

Field trips may be required. Formerly Span 3. Transfer credit: CSU; UC; credit limitations - see counselor.

SPAN V03S - SPANISH HERITAGE LANGUAGE I 5 Units

Prerequisite: SPAN V02 or 3 years of high school Spanish or equivalent

C-ID: SPAN 220

Hours: 5 lecture weekly

This course is the first in the intermediate sequence for native speakers of Spanish. It is designed to introduce formal Spanish language skills in pronunciation, comprehension, written communication, word usage and vocabulary. Grammatical concepts are introduced and practiced. Special emphasis is given to the development of literacy skills (reading and writing) by reading and discussing introductory level Spanish prose and poetry through basic critical and creative writing activities. The language laboratory is used to expand the students' formal comprehension and productions skills in Spanish language. Cultural materials and activities are provided to develop an understanding and appreciation for the linguistic and cultural variations of the Spanish speakers. Students receiving credit in SPAN V03S will not receive credit in SPAN V03.

Field trips may be required. Formerly SPAN V05S. Transfer credit: CSU; UC; credit limitations - see counselor.

SPAN V04 - INTERMEDIATE SPANISH II 5 Units

Prerequisite: SPAN V03 or equivalent

C-ID: SPAN 210

Hours: 5 lecture weekly

This course includes further study of grammatical principles with special emphasis on building communicative skills in Spanish. Reading and discussion of essays, periodicals, short stories, drama, and poetry is used to increase vocabulary, fluency, and cultural understanding. A student receiving credit in SPAN V04 will not receive credit in SPAN V04S.

Field trips may be required. Formerly Span 4. Transfer credit: CSU; UC; credit limitations - see counselor.

SPAN V04S - SPANISH HERITAGE LANGUAGE II 5 Units

Prerequisite: SPAN V03S or equivalent with a C or better

Hours: 5 lecture weekly

This course is the second in the intermediate sequence for native speakers of Spanish. The development of advanced formal Spanish language skills and structures is provided. Special attention is given to the refinement and integration of the essential principles of grammar and usage through reading, discussion and analysis of Spanish prose, drama, essays, and poetry. Integration of the essential principles of grammar and usage is provided through required critical and creative written activities. Comparative linguistic and cultural materials are provided in order to further develop understanding and knowledge of the linguistic and cultural diversity of the Spanish-speaking world. Students receiving credit in SPAN V04S will not receive credit in SPAN V04.

Field trips may be required. Transfer credit: CSU; credit limitations - see counselor.

SPAN V88 - SPANISH WORKSHOPS 0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

SPAN V89 - WORKSHOPS IN SPANISH

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly Span 89. Transfer credit: CSU; for UC, determined after admission.

STUDY SKILLS

SS V01 - STUDY SKILLS: APPLICATIONS TO COLLEGE-LEVEL COURSEWORK

3 Units

Recommended Preparation: SS V02 or placement as measured by the college assessment process

Hours: 3 lecture weekly

This course is an advanced study skills course designed for students who are currently taking academic or vocational classes (such as students in the nursing program) and would like to refine their study skills and apply them to their coursework. It includes advanced note-taking applications, library research, time management, taking in-class essay exams, practice in taking timed standardized tests, and designing reading study guides.

Formerly SS 1. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

SS V03 - EXPERT LEARNER I

2 Units

Hours: 2 lecture weekly

This course is a bridge for students who are attending college for the first time or returning after an absence from an educational setting. It covers learning styles, cultural and linguistic challenges and strategies, using technology to enhance learning, utilizing campus resources, developing effective student/instructor relationships and time management. Students will learn through lectures, collaborative group work, group discussions, campus tours, videos and assignments.

Offered on a pass/no pass basis only. Not applicable for degree credit.

SS V88 - STUDY SKILLS WORKSHOPS

0.5-10 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Formerly SS V89.

SUPERVISION

See Business for program information.

THEATRE ARTS

Program Description: The Theatre Arts Department provides both academic and production experience in all aspects of theatre. A comprehensive set of undergraduate courses fulfill general education and transfer requirements, and students may obtain an AA in Theatre Arts or work toward Proficiency Awards in acting, directing, technical theatre production, costume, and make-up. Students majoring in theatre may transfer to four-year universities to further their education at the Bachelor level. The study of Theatre Arts encourages all students to enrich their appreciation of varying forms of art, and enhances their abilities in communication, critical analysis and self-expression.

Associate in Art Degree

THEATRE ARTS FOR TRANSFER

The Associate in Art in Theatre Arts for Transfer Degree (Theatre Arts AA-T) is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing the degree are guaranteed admission to the CSU system, but not to a particular campus or major.

A student graduating with an Associate in Art in Theatre Arts for Transfer Degree may transfer to a CSU Campus to complete a Bachelor's Degree in Theatre Arts or related fields.

To earn a Theatre Arts AA-T degree, students must complete:

1. Certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - a. The Intersegmental General Education Transfer Curriculum (IGETC-CSU) or the California State University General Education-Breadth Requirements.
 - b. A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtainment of a minimum grade point average of 2.0 on transfer courses.
3. Obtainment of a "C" grade or better, or "P," in all courses required for the major or area of emphasis. Although a "P" grade is allowed (Title 5, Section 55063), it is recommended that students take the course for a letter grade (A, B, or C) due to unit limitations on "P/NP" courses.
4. Complete a minimum of 12 units in residency at the college granting the degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Theater Arts** program students will be able to:

- Express themselves creatively through application of the theatrical skills of acting, directing, design, technical production, stagecraft, costume craft, or make-up through collaboration as a member of a team to perform the work of others or to create an original work.
- Utilize time-management and feedback skills to new and varied situations to complete a task.
- Recognize a problem, and devise and implement a plan of action.
- Collaborate as an effective member of a team to perform the work of others or to create original work.
- Apply learned knowledge and skills to new and varied situations.
- Synthesize feedback to improve performance as cast or crew member.

COURSE DESCRIPTIONS

THA V01 - INTRODUCTION TO THEATRE **3 Units**

C-ID: THTR 111

Hours: 3 lecture weekly

This course focuses on the relationship of theatre to various cultures throughout history, and on the contributions of significant individual artists. It introduces students to elements of the production process including playwriting, acting, directing, design, and criticism. Students will also survey different periods, styles and genres of theatre through play reading, discussion, films and viewing and critiquing live theatre, including required attendance of theatre productions.

Field trips will be required. Formerly THTR 1. Transfer credit: CSU; UC.

THA V02A - ACTING I **3 Units**

C-ID: THTR 151

Hours: 2 lecture, 3 laboratory weekly

This course introduces the student to fundamental acting theories. Emphasis is placed on exercises and activities that develop skills for performance: motivations and relationships, memorization, stage movement, vocal production, and interpretation of text.

Ventura College faculty has defined Acting as a family of courses which includes THA V02A, THA V02B, THA V02C, and THA V02D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly ThA 2A. Transfer credit: CSU; UC.

THA V02B - ACTING II **3 Units**

Prerequisite: THA V02A

Hours: 2 lecture, 3 laboratory weekly

This course expands on the theories and skills introduced in Acting I. Self-awareness of the actor is explored and developed before a classroom and invited audience. Emphasis is placed on intermediate level acting techniques and skills to include comprehension and translation into meaningful dramatic action, character analysis and building, scene analysis and performance from selected scenes from Modern Realism.

Ventura College faculty has defined Acting as a family of courses which includes THA V02A, THA V02B, THA V02C, and THA V02D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly THA 2B. Transfer credit: CSU; UC.

THA V02C - ACTING III - ADVANCED CHARACTERIZATION **3 Units**

Prerequisite: THA V02B

Recommended Preparation: THA V14 or a course in movement for the theatre.

Hours: 2 lecture, 3 laboratory weekly

The student is engaged in sophisticated analysis of scenes from modern realism with a focus on character analysis and development at an advanced level. Emphasis is placed on research, characterization (cultural bonds, discoveries, psychology), emotional centering, physical and emotional control, rehearsal process, and techniques to create a fully realized character using the foundations gained in Acting I and Acting II. Ventura College faculty have defined Acting as a family of courses which includes THA V02A, THA V02B, THA V02C, and THA V02D. A student may take a maximum of four (4) courses from a family.

Field trips will be required. Transfer credit: CSU.

THA V02D - ACTING IV - ADVANCED ACTING **3 Units**

Prerequisite: THA V02C

Recommended Preparation: THA V14 or a course in movement for the theatre.

Hours: 2 lecture, 3 laboratory weekly

This course is designed for students to practice and master skills learned in Acting II & III. Special emphasis is placed on recognizing character types and the choice of suitable material for creating a repertoire of monologues. Students are prepared for industry auditions and will select, rehearse, and perform monologues in mock cattle-call auditions. In addition, students will perform in beginning directing scenes for that semester. Ventura College faculty have defined Acting as a family of courses which includes THA V02A, THA V02B, THA V02C, and THA V02D. A student may take a maximum of four (4) courses from a family.

Field trips will be required. Transfer credit: CSU.

THA V03A - VOICE AND ARTICULATION I**3 Units***Hours: 3 lecture weekly*

This course focuses on the application of the student's use of the voice as a creative instrument of effective communication for the stage, motion pictures, television, and public speaking. It encourages an awareness of the need for vocal proficiency and employs basic techniques designed to improve the performer's speaking abilities to include breathing, proper posture, resonance, projection, and articulation/diction. Students are introduced to the International Phonetic Alphabet and care of a well produced voice. Ventura College faculty have defined Voice and Articulation as a family of courses which includes THA V03A and THA V03B. A student may take a maximum of four (4) courses from a family.

*Formerly THA 03, Transfer credit: CSU.***THA V05A - STAGECRAFT I****3 Units***C-ID: THTR 171**Hours: 1.5 lecture, 4.5 laboratory weekly*

This course introduces the theory and practice of design and construction of stage scenery; and familiarization with the tools and materials employed by the stage designer, stage carpenter, prop master, sound engineer, lighting technician, and stage manager. Students will have the opportunity to apply design and construction principles in drama department productions.

*Field trips may be required. Formerly THA V05. Transfer credit: CSU; UC.***THA V05B - STAGECRAFT II****3 Units***Prerequisite: THA V05A**Hours: 1.5 lecture, 4.5 laboratory weekly*

This course introduces advanced theory and practice of design and construction of stage scenery; and familiarization with the tools and materials employed by the stage designer, stage carpenter, prop master, sound engineer, lighting technician, and stage manager. Students will have the opportunity to apply design and construction principles in performing arts department productions.

*Field trips may be required. Transfer credit: CSU; UC.***THA V06A - STAGE MAKE-UP I 3 Units***C-ID: THTR 175**Hours: 1.5 lecture, 4.5 laboratory weekly*

This course includes theory, demonstration and practice in applying make-up for theatre, film and television. It incorporates familiarization with make-up supplies, materials and techniques and includes practice in design and application of character make-up for theatre, film and television productions.

*Field trips may be required. Formerly THA V06. Transfer credit: CSU; UC.***THA V06B - STAGE MAKE-UP II****3 Units***Prerequisite: THA V06A**Hours: 1.5 lecture, 4.5 laboratory weekly*

This course includes advanced theory, demonstration, and practice in applying make-up for theatre, film, and television. It incorporates familiarization with make-up supplies, materials and techniques, and includes the practice in design and application of character make-up for theatre productions.

*Field trips may be required. Transfer credit: CSU; UC.***THA V07A - INTRODUCTION TO STAGE LIGHTING****3 Units***Hours: 2 lecture, 4 weekly*

This course introduces the study and execution of stage lighting with an emphasis on equipment, control, operations, color, and their relationship to design.

*Field trips may be required. Formerly THA V07. Transfer credit: CSU.***THA V08 - SCRIPT ANALYSIS****3 Units***Hours: 3 lecture weekly*

This course provides principles, theories, and techniques of play script analysis for theatrical production. Students will explore the reading, analyzing, and understanding of play scripts in a variety of genres and styles to develop skills in how to read a play to discover its structure; the playwright's methods of creating plot, character, and imagery; and an understanding of how theatrical texts are distinct from other forms of literature.

*Transfer credit: CSU.***THA V11A - TECHNICAL THEATRE IN PRODUCTION I****1 Unit***Recommended Preparation: THA V05A or THA V05B**Enrollment Limitation: Audition and/or interview is required.**Hours: 3 laboratory weekly*

Students study real and theoretical practices to develop introductory techniques and skills in the many areas of technical theatre for actual performance to include events in theatre, dance, music, and public venue. Students perform a range of introductory supervised technical theatre assignments such as stage management, scenic and prop construction, maintaining and hanging lighting equipment, costume and make-up labs, assisting audio operations, and/or supporting box office and house management staff.

Ventura College faculty has defined Technical Theatre in Production as a family of courses which includes THA V11A, THA V11B, THA V11C, and THA V11D. A student may take a maximum of four (4) courses from a family.

*Field trips may be required. Formerly THA V10C. Transfer credit: CSU; UC.***THA V11B - TECHNICAL THEATRE IN PRODUCTION II****1 Unit***Recommended Preparation: THA V05A or THA V05B**Enrollment Limitation: Audition and/or interview**Hours: 3 laboratory weekly*

Students study real and theoretical practices to develop basic techniques and skills in the many areas of technical theatre for actual performance to include events in theatre, dance, music, and public venues. Students perform a range of introductory supervised technical theatre assignments such as stage management, scenic and prop construction, maintaining and hanging lighting equipment, costume and make-up labs, assisting audio operations and/or supporting box office and house management staff.

Ventura College faculty has defined Technical Theatre in Production as a family of courses which includes THA V11A, THA V11B, THA V11C, and THA V11D. A student may take a maximum of four (4) courses from a family.

*Field trips may be required. Formerly THA V10D. Transfer credit: CSU; UC.***THA V11C - TECHNICAL THEATRE IN PRODUCTION III****2 Units***Recommended Preparation: THA V05A and/or THA V05B**Enrollment Limitation: Audition or interview**Hours: 6 laboratory weekly*

Students study real and theoretical practices to develop intermediate techniques and skills in the many areas of technical theatre for actual performance to include events in theatre, dance, music, and the public. Students perform a range of intermediate supervised technical theatre assignments such as director, designer, stage manager, scenic and prop construction, maintaining and hanging lighting equipment, costume and make-up labs, assisting audio operations, and/or supporting box office and house management staff. Ventura College faculty have defined Technical Theatre in Production as a family of courses which includes THA V11A, THA V11B, THA V11C, and THA V11D. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU.

THA V11D - TECHNICAL THEATRE IN PRODUCTION IV 2 Units

Recommended Preparation: THA V05A and/or THA V05B

Enrollment Limitation: Audition and/or interview

Hours: 6 laboratory weekly

Students study real and theoretical practices to develop advanced techniques and skills in the many areas of technical theatre for actual performance to include events in theatre, dance, music, and the public. Students perform a range of advanced technical theatre assignments such as director, designer, stage manager, scenic and prop construction, maintaining and hanging lighting equipment, costume and make-up labs, assisting audio operations, and/or supporting box office and house management staff. Ventura College faculty have defined Technical Theatre in Production as a family of courses which includes THA V11A, THA V11B, THA V11C, and THA V11D. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU.

THA V12 - STUDENT ONE-ACT PLAY FESTIVAL 2 Units

Hours: 1 lecture, 3 laboratory weekly

Supervised theatre production of student directed, produced and/or written one-act plays. Each student will be part of a one-act production. Each team will cast, rehearse and produce a one-act play in a college sponsored production to be presented in the Circus and/or Main Campus Theatre.

Field trips may be required. Formerly ThA 12.

THA V13A - REHEARSAL AND PERFORMANCE I 1 Unit

Enrollment Limitation: Audition and/or interview

C-ID: THTR 191

Hours: 3 laboratory weekly

Students study the rehearsal and performance process to develop introductory techniques and skill as an actor in a live theatrical production. The emphasis is on practical experience working cooperatively with an ensemble and production personnel. Content varies for each production and will range in literary style and dramatic content. Study culminates in a series of college public performances.

Ventura College faculty have defined Rehearsal and Performance as a family of courses which includes THA V13A, THA V13B, THA V13C, and THA V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly THA V10A. Transfer credit: CSU.

THA V13B - REHEARSAL AND PERFORMANCE II 1 Unit

Enrollment Limitation: Audition and/or interview

Hours: 3 laboratory weekly

Students study the rehearsal and performance process to develop basic techniques and skill as an actor in a live theatrical production. The emphasis is on practical experience working cooperatively with an ensemble and production personnel. Content varies for each production and will range in literary style and dramatic content. Study culminates in a series of college public performances.

Ventura College faculty have defined Rehearsal and Performance as a family of courses which includes THA V13A, THA V13B, THA V13C, and THA V13D. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly THA V10B. Transfer credit: CSU.

THA V13C - REHEARSAL AND PERFORMANCE III 2 Units

Enrollment Limitation: Audition and/or interview

Hours: 6 laboratory weekly

Students study the rehearsal and performance process to develop intermediate techniques and skill as an actor in a live theatrical production. The emphasis is on practical experience working cooperatively with an ensemble and production personnel. Content varies for each production and will range in literary style and dramatic content. Study culminates in a series of college public performances. Ventura College faculty have defined Rehearsal and Performance as a family of courses which includes THA V13A, THA V13B, THA V13C, and THA V13D. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU.

THA V13D - REHEARSAL AND PERFORMANCE IV 2 Units

Enrollment Limitation: Audition and/or interview

Hours: 6 laboratory weekly

Students study the rehearsal and performance process to develop advanced techniques and skill as an actor in a live theatrical production. The emphasis is on practical experience working cooperatively with an ensemble and production personnel. Content varies for each production and will range in literary style and dramatic content. Study culminates in a series of college public performances. Ventura College faculty have defined Rehearsal and Performance as a family of courses which includes THA V13A, THA V13B, THA V13C, and THA V13D. A student may take a maximum of four (4) courses from a family.

Transfer credit: CSU.

THA V14 - MOVEMENT FOR THE THEATRE 1.5 Units

Hours: 1 lecture, 3 laboratory weekly

This course teaches the fundamentals of multiple movement techniques for students in the theatre and related arts. The course focuses on the development of the student's individual movement expression. Through practice of organizing and reorganizing the body in multiple ways the student becomes aware of how to respond to the emotional and physical needs of a character. Flexibility, relaxation, control, and creative expression will be developed.

Field trips may be required. May be taken for a maximum of 4 times. Formerly THA 14. Same as DANC V14. Transfer credit: CSU; UC; *credit limitations - see counselor.*

THA V20 - COSTUME DESIGN AND HISTORY 3 Units

Hours: 3 lecture weekly

This course explores the many aspects of costume design, including the breakdown of a script, artistic rendering of the literature, development of themes and design concepts, research sources, examination of the social and economic mores that govern dress, and the history of dress. Students will analyze, research, and design two plays to present to the class. The course will include film and theatre industry standards in the area of costume design. Students will apply skills learned in class through work on theatrical productions.

Field trips may be required. Transfer credit: CSU; UC.

THA V21 - THEATRE PRODUCTION LABORATORY 1.5 Units

Hours: 4.5 laboratory weekly

This course provides practical experience in scenery construction, lighting, props, sound, and costume construction for the stage through participation in theatrical productions.

Field trips may be required. Formerly ThA 21. Transfer credit: CSU; UC.

THA V22A - INTRODUCTION TO COSTUME TECHNOLOGY I 3 Units

Hours: 2 lecture, 4 laboratory weekly

This course teaches basic skills in the construction, organization, and care of stage costumes and accessories, as well as costume history and design. It includes an exploration of a variety of costume crafts and methods of construction.

Field trips may be required. Formerly THA V22. Transfer credit: CSU; UC.

THA V22B - INTRODUCTION TO COSTUME TECHNOLOGY II 3 Units

Prerequisite: THA V22A

Hours: 2 lecture, 4 laboratory weekly

This course teaches advanced skills in the design, history, construction, organization, and care of stage costumes and accessories. It includes an exploration of a variety of advanced costume crafts and methods of construction.

Field trips may be required. Transfer credit: CSU; UC.

**THA V28 - INTRODUCTION TO CINEMATIC ARTS:
FILM APPRECIATION** **3 Units**

Hours: 3 lecture weekly

This course is an introduction to the study of film as both art and industry, including cinematography, editing, modes of production, narrative and non-narrative forms, visual design, editing, sound, genre, ideology, and critical analysis. Examines the broad questions of form and content, aesthetics and meaning, and history and culture.

Field trips may be required. Transfer credit: CSU.

THA V29 - HISTORY OF MOTION PICTURES **3 Units**

Hours: 3 lecture weekly

This course provides a historical and critical survey of motion pictures with an emphasis on the contributions of early and modern filmmakers to the filmmaking process. Lectures, illustrated by screened examples of films, examine filmmaking back to the nineteenth century.

Field trips will be required. Formerly ThA 29. Transfer credit: CSU; UC.

THA V30A - FUNDAMENTALS OF SCREENWRITING **3 Units**

Recommended Preparation: ENGL V01A

Hours: 3 lecture weekly

This course examines the craft and business of screenwriting from all perspectives, including the creative process, structure, proper formatting, pitching, marketing, business and legal aspects. A series of in-class and out-of-class writing exercises culminates in students writing the opening sequence of a two-hour screenplay or a complete short-subject screenplay.

Transfer credit: CSU.

THA V30B - INTERMEDIATE SCREENWRITING **3 Units**

Prerequisite: THA V30A

Hours: 3 lecture weekly

This course examines the craft and business of screenwriting from all perspectives, including the creative process, structure, proper formatting, pitching, marketing, business and legal aspects. The focus will be on advanced analysis and application of story structure through a series of in-class and out-of-class writing exercises and script analyses.

Transfer credit: CSU.

THA V31A - ACTING FOR FILM AND TELEVISION I **3 Units**

Recommended Preparation: THA V02A

Hours: 2 lecture, 3 laboratory weekly

This course will analyze the filmmaking and television production processes and the consequences that the technical and creative processes of the film and television media have on the craft and business of film and television acting. The course will evolve through a series of practical scene-study exercises that duplicate the actual experience of acting for film and television. Ventura College faculty has defined Acting as a family of courses which includes THA V02A, THA V02B, THA V31A, and THA V31B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Formerly THA V31. Transfer credit: CSU; UC.

THA V31B - ACTING FOR FILM AND TELEVISION II **3 Units**

Recommended Preparation: THA V31A

Hours: 2 lecture, 3 laboratory weekly

This course will analyze the filmmaking and television production processes and the consequences that the technical and creative processes of the film and television media have on the craft and business of film and television acting at a more advanced level. The course will evolve through a series of practical scene study exercises that duplicate the actual experience of acting for film and television.

Ventura College faculty has defined Acting as a family of courses which includes THA V02A, THA V02B, THA V31A, and THA V31B. A student may take a maximum of four (4) courses from a family.

Field trips may be required. Transfer credit: CSU; UC.

THA V88 - THEATRE ARTS WORKSHOPS **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required.

THA V89 - WORKSHOPS IN THEATRE ARTS **0.5-10 Units**

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

Field trips may be required. Formerly ThA 89. Transfer credit: CSU; for UC, determined after admission.

THA V90 - DIRECTED STUDIES IN THEATRE ARTS - 1-6 Units

Prerequisite: varies with topic

Hours: lecture and/or laboratory as required by unit formula

This course offers specialized study opportunities for students who wish to pursue projects not included in the regular curriculum. Students are accepted only by a written project proposal approved by the discipline prior to enrollment.

Field trips may be required. Formerly ThA 90. Transfer credit: CSU; for UC, determined after admission.

WATER SCIENCE

The WS program provides students with the technical training they need to pursue a career in the municipal potable water and wastewater industries. Waterworks operators protect public health by ensuring that plant operations comply with state and federally mandated drinking water and wastewater disposal standards. Students seeking an Associate's Degree in Water Science may choose the Water option to prepare them for a career in potable water treatment or the Wastewater option to prepare them for a career in wastewater sanitation. Regardless of the option chosen, both paths lead to rewarding careers protecting the health of both the community and the environment at local, state, and federal levels.

Associate in Science Degree Certificate of Achievement

WATER SCIENCE

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES:	Units
WS V15 Water Systems Instrumentation and Controls	3
WS V16 Water Quality Protection and Cross-Connection Control	3
WS V17 Water and Wastewater Hydraulics	3
WS V18 Motors and Pumps Maintenance and Operation	3
WS V21 Water Chemistry and Bacteriology	4
WS V25 Water and Wastewater Management	3

REQUIRED ADDITIONAL COURSES:

Select one (1) of the following options and complete all courses listed:

WASTEWATER OPTION:

WS V10 Basic Water and Wastewater Systems	3
WS V12 Wastewater Treatment	3
WS V13 Wastewater Collection	3

WATER OPTION:

WS V11 Water Treatment	3
WS V14 Water Distribution	3
WS V19 Advanced Water Treatment	3

TOTAL	28
--------------	-----------

Recommended Courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into this field of study consider taking one or more of the following courses: ARCH V11; CHEM V20; CT V20; DRFT V02A, V02B; ENGL V01A; MATH V03, V03A-V03E; PHYS V01; WEL V02. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Water Science** program students will be able to:

- Analyze the fundamentals of chemistry, biology and hydraulics, as they relate to the water industry.
- Analyze the principles involved in the treatment, processing and distribution of potable water.
- Evaluate the collection and treatment of waste water.
- Understand the state licensing requirements for employment in the water industry.

COURSE DESCRIPTIONS

WS V10 - BASIC WATER AND WASTEWATER SYSTEMS

3 Units

Hours: 3 lecture weekly

This course is a study of water and wastewater utility systems. Subjects to be studied will include open channel flow, pressure pipe systems, and other basic elements including storage, treatment processing, delivery and collection, piping, pumps, valves, meters and related hydraulic units. Emphasis will be on system design, installation, operation, maintenance, and safety considerations.

Formerly WS 10.

WS V11 - WATER TREATMENT

3 Units

Hours: 3 lecture weekly

This course is a study of water treatment and supply. Subjects to be studied will include the historical development of water quality control, water sources, public health, water chemistry, bacteriology, chemical treatment, water filtration methods, softening, corrosion, taste and odors, and basic delivery systems.

Formerly WS 11.

WS V12 - WASTEWATER TREATMENT

3 Units

Hours: 3 lecture weekly

This course is a study of commonly used wastewater treatment processes. Subjects to be studied will include the principles of physical, chemical and biological wastewater treatments such as sedimentation, biofiltration, activated sludge, sludge digestion, and chlorination. This course will also include the calculations necessary to control the processes.

Formerly WS 12.

WS V13 - WASTEWATER COLLECTION

3 Units

Recommended Preparation: WS V10 or equivalent

Hours: 3 lecture weekly

This course is a study of wastewater collection systems. It is intended for system designers, supervisors, and maintenance personnel. Subjects to be studied will include sewer design and construction, pumping stations, treatment plant operations, system cleaning methods, construction safety, elementary hydraulics, pipeline and manhole repair, equipment maintenance, public relations, organizational communication, and record keeping.

Formerly WS 13.

WS V14 - WATER DISTRIBUTION

3 Units

Hours: 3 lecture weekly

This course is a study of water distribution systems. Subjects to be studied will include water production, water storage, types of reservoirs, system design, construction methods, water lines, pumping stations, and other components. Included in this course will be a study of the installation and repair of such facilities, and the administrative functions behind the water distribution system.

Formerly WS 14.

WS V15 - WATER SYSTEMS INSTRUMENTATION AND CONTROLS

3 Units

Hours: 3 lecture weekly

This course provides an introduction to the principles and operation of instrumentation and control devices related to water and wastewater systems. Subjects to be covered will include open and closed channel flow measurement, differential pressure measurement, level transmitters, data transmission and recording devices, and electrical control circuits. Basic electrical control theory is provided to the extent necessary for understanding principles of operation.

Formerly WS 15.

WS V16 - WATER QUALITY PROTECTION AND CROSS-CONNECTION CONTROL **3 Units**

Recommended Preparation: WS V10 or equivalent

Hours: 3 lecture weekly

This course is an introduction to cross-connection control, cross-connection control hazards and backflow prevention devices. Subjects to be studied will include equipment installation, testing, maintenance, and regulations regarding water quality safety. This course will also cover backflow certification.

Formerly WS 16.

WS V17 - WATER AND WASTEWATER HYDRAULICS **3 Units**

Recommended Preparation: WS V10 or equivalent

Hours: 3 lecture weekly

This course is a study of the hydraulics necessary in the operation of water or wastewater plants and systems. Subjects to be covered will include open channel and closed channel flow, metering devices, valve design and functions, and the hydraulics of common control systems. The course will be oriented to the hydraulic problems most often encountered in operational experience.

Formerly WS 17.

WS V18 - MOTORS AND PUMPS MAINTENANCE AND OPERATION - 3 Units

Hours: 3 lecture weekly

This course is designed to give a working knowledge of the problems encountered in motors and pumps operation and maintenance. The course will provide the maintenance mechanic with insight into reasons for selection as well as causes of failure and breakdown of motors and pumps. The need for a thorough maintenance program will be explained. All types of pumps and pump curves will be covered.

Formerly WS 18.

WS V19 - ADVANCED WATER TREATMENT **3 Units**

Recommended Preparation: WS V11

Hours: 3 lecture weekly

This course is a study in advanced potable water treatment processes. Subjects to be covered will include conventional water treatment, fluoridation, corrosion and scaling stabilization, iron and manganese control, lime and ion exchange softening, adsorption, aeration, and membrane processes.

WS V20 - WATER SYSTEM MATHEMATICS **3 Units**

Hours: 3 lecture weekly

Introduces basic mathematical principles related to water and wastewater industry systems. Subjects included are area, volume, pressures, flow rates, unit conversion, chemical dosages, detention time and filtration rates. This course will assist in the preparation for six different state certification exams: water treatment, water distribution, wastewater collection, wastewater treatment, qualified stormwater practitioner, and qualified stormwater developer.

WS V21 - WATER CHEMISTRY AND BACTERIOLOGY **4 Units**

Recommended Preparation: WS V11 or WS V12

Hours: 3 lecture, 3 laboratory weekly

This course covers the elements of water chemistry and water bacteriology as they apply to water treatment processes, water conditioning and the protection of water quality. The course includes laboratory demonstrations in the techniques of physical, chemical and bacteriological examination of water.

Formerly WS 21.

WS V22 - STORMWATER POLLUTION PREVENTION **3 Units**

Hours: 3 lecture weekly

This course is based upon the California Stormwater Quality Association's (CASQA) Best Management Practice Handbooks. Course content focuses on management of pollutants in stormwater runoff. It also introduces National Pollutant Discharge Elimination System (NPDES) laws and regulations. It serves as both the initial training and as Continuing Education Units (CEUs) for Professional Engineers, Municipal Employees, Construction Managers, and Regulatory Agencies.

WS V25 - WATER AND WASTEWATER MANAGEMENT **3 Units**

Hours: 3 lecture weekly

This course is a study of the supervisor's administrative responsibilities managing public utilities. Subjects to be covered will include organizational budgets, project budgets, project scheduling, human resources, providing workforce training, management/labor relations, coordinating and evaluating workers, worker grievances, industrial safety, and other workplace responsibilities.

Formerly WS 25.

WS V95 - WATER SCIENCE INTERNSHIP I **1-4 Units**

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

WS V96 - WATER SCIENCE INTERNSHIP II **1-4 Units**

Corequisite: enrolled in a minimum of 7 units to include internship

Recommended Preparation: completion of or concurrent enrollment in one course in the discipline

Hours: 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

WELDING

The WEL program offers numerous training options. Students can enroll into process- specific courses such as shielded metal arc-welding, flux-core arc-welding, gas metal arc-welding, or gas tungsten arc-welding to acquire skill sets on ferrous and non-ferrous metals. Students can complete a one-year vocational Certificate of Achievement degree, or a two-year Associate of Science degree which commonly leads to supervisor and shop management opportunities. Ventura College WEL students are prepared for a wide range of manufacturing metal fabrication-related positions such as certified welder, quality-control inspection, project designers, and various levels of supervision and business ownership.

Associate in Science Degree Certificate of Achievement

WELDING TECHNOLOGY

*Transfer requirements may differ
See counselor or consult assist.org*

REQUIRED COURSES: Units

WEL V01	Introduction to Welding	2
WEL V02/ DRFT V02A	Blueprint Reading: Manufacturing	3

REQUIRED ADDITIONAL COURSES:

Select six (6) units from the following courses:

DRFT V04/ MT V04	Measurements and Computations	3
MT V15	Manufacturing Processes	3
WEL V20	Advanced Welding Applications	4
WEL V27/ ART V27	Metal Art Sculpture	3
WEL V30	Applied Metal Fabrication	2
WEL V65/ CT V65	Structural Steel and Welding Construction	3
WEL V66	Structural Steel Blueprint Reading	3
WEL V95	Welding Internship I	1-4
WEL V96	Welding Internship II	1-4

Select one (1) of the following groups and complete all courses listed:

GROUP A:

WEL V03	Arc and MIG Welding	8
---------	---------------------	---

GROUP B:

WEL V13A	Arc and MIG Welding I	4
WEL V13B	Arc and MIG Welding II	4

Select one (1) of the following groups and complete all courses listed:

GROUP A:

WEL V04	TIG and Flux Core Welding	8
---------	---------------------------	---

GROUP B:

WEL V14A	TIG and Flux Core Welding I	4
WEL V14B	TIG and Flux Core Welding II	4

TOTAL **27**

Recommended Courses: In addition to the required courses listed above, it is recommended that students who seek to obtain additional insight into this field of study consider taking one or more of the following courses: ARCH V11; CT V20; DRFT V02B; ENGL V01A; PHYS V01. Although these supplemental courses may be of value to the student, please note that they do **NOT** satisfy the requirements for this degree.

**For other course descriptions, see Art,
Construction Technology, Drafting, and
Manufacturing Technology**

PROGRAM STUDENT LEARNING OUTCOMES

Upon successful completion of the **Welding** program students will be able to:

- Set up equipment and perform basic welding processes.
- Read and interpret blueprint drawings commonly used in welding fabrication.
- Understand basic metallurgy and material selection used in welding.

COURSE DESCRIPTIONS

WEL V01 - INTRODUCTION TO WELDING

2 Units

Hours: 1 lecture, 3 laboratory weekly

This course is intended for major and non-major students interested in an introduction to welding fabrication. Students will learn welding processes, vocabulary, job layout, basic metallurgy and industrial safety. Students will gain introductory skill in Oxyacetylene Welding (OAW), Arc/Shielded Metal Arc Welding (SMAW) and Oxyfuel Gas Cutting (OFC).

Formerly WEL V01A. Transfer credit: CSU.

WEL V02 - BLUEPRINT READING: MANUFACTURING

3 Units

Hours: 3 lecture weekly

This course covers the interpretation of mechanical drawings typical of the metal working field; theory of common types of projections, dimensioning principles, machine standards, application of creative sketching and interpretation of blueprints.

Formerly Wel 2. Same as DRFT V02A.

WEL V03 - ARC AND MIG WELDING

8 Units

Prerequisite: WEL V01

Hours: 4 lecture, 12 laboratory weekly

This course offers theory and intermediate vocational skills in Arc/Shielded Metal Arc Welding (SMAW) and Metal Inert Gas/Gas Metal Arc Welding (MIG/GMAW) processes. Students will develop technical ability in welding methodology, project layout, metallurgy, industrial safety and related technical mathematics. Students can prepare for industry certification testing. Students receiving credit in WEL V03 will not receive credit in WEL V13A-WEL V13B.

Formerly WEL V03A.

WEL V04 - TIG AND FLUX CORE WELDING

8 Units

Recommended Preparation: WEL V03 or WEL V13B or equivalent

Hours: 4 lecture, 12 laboratory weekly

This course offers theory and intermediate vocational skills in Tungsten Inert Gas/Gas Tungsten Arc Welding (TIG/GTAW) and Flux Core Arc Welding (FCAW) processes. Students will develop skill in welding methodology, project layout, industrial safety and related technical mathematics. Students can prepare for industry certification testing. Students receiving credit in WEL V04 will not receive credit in WEL V14A-WEL V14B.

Formerly WEL V04A.

WEL V13A - ARC AND MIG WELDING I**4 Units***Prerequisite:* WEL V01*Hours:* 2 lecture, 6 laboratory weekly

This is part I of a course in Arc and MIG welding. This course offers theory and introductory vocational skills in Arc/Shielded Metal Arc Welding (SMAW) and Metal Inert Gas/Gas Metal Arc Welding (MIG/GMAW) processes. Students will develop technical ability in welding methodology, project layout, metallurgy, industrial safety and related technical mathematics. Students can prepare for industry certification testing. Students receiving credit in WEL V13A will not receive credit in WEL V03.

*Formerly Wel 13A.***WEL V13B - ARC AND MIG WELDING II****4 Units***Prerequisite:* WEL V13A*Hours:* 2 lecture, 6 laboratory weekly

This is part II of a course in Arc and MIG welding. This course offers theory and intermediate vocational skills in Arc/Shielded Metal Arc Welding (SMAW) and Metal inert Gas/Gas Metal Arc Welding (MIG/GMAW) processes. Students will build on techniques and skills learned in WEL V13A. Students may advance in technical ability in welding methodology, project layout, metallurgy, industrial safety and related technical mathematics. Students can prepare for industry certification testing. Students receiving credit in WEL V13B will not receive credit in WEL V03.

*Formerly Wel 13B.***WEL V14A - TIG AND FLUX CORE WELDING I****4 Units***Prerequisite:* WEL V01*Recommended Preparation:* WEL V03 or WEL V13B or equivalent*Hours:* 2 lecture, 6 laboratory weekly

This is part I of a course in TIG and Flux Core welding. This course offers theory and introductory vocational skills in Tungsten Inert Gas/Gas Tungsten Arc Welding (TIG/GTAW) and Flux Core Arc Welding (FCAW) processes. Students will develop skill in welding methodology, project layout, industrial safety and related technical mathematics. Students can prepare for industry certification testing. Students receiving credit in WEL V14A will not receive credit in WEL V04.

*Formerly Wel 14A.***WEL V14B - TIG AND FLUX CORE WELDING II****4 Units***Prerequisite:* WEL V14A*Hours:* 2 lecture, 6 laboratory weekly

This is part II of a course in TIG and Flux Core welding. This course offers theory and intermediate vocational skills in Tungsten Inert Gas/Gas Tungsten Arc Welding (TIG/GTAW) and Flux Core Arc Welding (FCAW) processes. Students will build on techniques and skills learned in WEL V14A. Students may advance in methodology, project layout, industrial safety and related technical mathematics. Students can prepare for industry certification testing. Students receiving credit in WEL V14B will not receive credit in WEL V04.

*Formerly Wel 14B.***WEL V20 - ADVANCED WELDING APPLICATIONS****4 Units***Prerequisite:* WEL V01*Recommended Preparation:* WEL V04 or WEL V14B or equivalent*Hours:* 2 lecture, 6 laboratory weekly

This course offers theory and advanced vocational skill in industrial welding applications. Students will learn advanced metallurgy as it relates to aluminum, sheet-steel, plate and pipe welding. Students will also learn about aircraft and ship-building welding fabrication processes and manufacturing safety hazards. This course allows additional practice and preparation for industrial certification exams and employment preparation.

WEL V27 - METAL ART SCULPTURE**3 Units***Prerequisite:* ART V19 and WEL V01*Hours:* 1.5 lecture, 4.5 laboratory weekly

This course is an introduction to metal art sculpture utilizing practical theory and application of materials, welding techniques and processes. It includes designing, metal cutting, forming techniques and texturing.

*Field trips may be required. Same as ART V27.***WEL V30 - APPLIED METAL FABRICATION****2 Units***Prerequisite:* WEL V01*Hours:* 1 lecture, 3 laboratory weekly

This course is designed to introduce the student to applied metal fabrication techniques, including measuring, cutting, forming, shaping, fitting, shrinking, stretching, and finishing. A variety of metal forming equipment will be introduced. Fabricated projects will include custom metal forming for automotive, manufacturing, and/or industrial applications. MIG, TIG and Arc welding techniques will be applied. The students will have an opportunity to work on group as well as individual projects.

*Field trips may be required.***WEL V65 - STRUCTURAL STEEL AND WELDING CONSTRUCTION****3 Units***Hours:* 3 lecture weekly

This course is a study of structural steel and welding use in building construction. Building types, grades of materials, assembly methods, blueprint reading, and other subjects will be studied. The course is intended for inspectors, project supervisors, and construction workers. The course will also help prepare students for related industry certification.

*Formerly Wel 65. Same as CT V65.***WEL V66 - STRUCTURAL STEEL BLUEPRINT READING****3 Units***Recommended Preparation:* ARCH V11 or CT V20 or DRFT V02B or equivalent*Hours:* 3 lecture weekly

This course will cover reading and interpretation of blueprints for steel fabrication and structural steel construction. Welding and bolting of connections, general notes, codes and symbols will be discussed. This course is designed for contractors, welders, inspectors and system installers involved with the construction of large-scale commercial and industrial buildings.

WEL V88 - WELDING WORKSHOPS**0.5-10 Units***Prerequisite:* varies with topic*Hours:* lecture and/or laboratory as required by unit formula

Designed to meet specific needs of the college and community as required and/or requested by persons whose needs in this area are not met by present course offerings.

*Formerly WEL V89.***WEL V95 - WELDING INTERNSHIP I****1-4 Units***Corequisite:* enrolled in a minimum of 7 units to include internship*Recommended Preparation:* completion of or concurrent enrollment in one course in the discipline*Hours:* 60 per unit

This course offers students who are volunteers (unpaid) an opportunity to obtain work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

*Field trips will be required. Offered on a pass/no pass basis only.***WEL V96 - WELDING INTERNSHIP II****1-4 Units***Corequisite:* enrolled in a minimum of 7 units to include internship*Recommended Preparation:* completion of or concurrent enrollment in one course in the discipline*Hours:* 75 per unit

This course offers students who are employed in the field an opportunity to expand their work experience related to their field of study. Students are accepted as a result of consultation with a designated faculty member in the discipline and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only.

WORK EXPERIENCE

WEXP V95 - WORK EXPERIENCE I

1-3 Units

Corequisite: enrolled in a minimum of 7 units to include work experience

Hours: 60 per unit

This general work experience course offers students who are volunteers (unpaid) an opportunity to obtain work experience. Students are accepted as a result of consultation with a designated faculty member and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

WEXP V96 - WORK EXPERIENCE II

1-3 Units

Corequisite: enrolled in a minimum of 7 units to include work experience

Hours: 75 per unit

This general work experience course offers students who are employed an opportunity to expand their work experience. Students are accepted as a result of consultation with a designated faculty member and the acceptance of an approved work proposal.

Field trips will be required. Offered on a pass/no pass basis only. Transfer credit: CSU; credit limitations - see counselor.

NONCREDIT PROGRAMS AND COURSES

Noncredit education is designed to support a student's growth through enhancing academic skills, personal development and employment opportunities through a variety of classes ranging from basic skills Math and English to employability skills, vocational preparation and job retraining. Enrollment in noncredit courses is free and continues throughout the school year. Noncredit courses follow the same curriculum approval process used for credit courses, and all classes are taught by qualified instructors.

Please note: These non-credit classes are primarily on-line classes; self-paced learning occurs on-line, with access to faculty for questions, assistance, and final demonstration of competencies. They are self-

paced to support students' academic and employability skills. Students can enroll anytime during the first 60% of the semester (to get exact dates, see Schedule of Classes, and click on the CRN # for additional information). Non-credit courses are repeatable for students who need additional time to complete the learning competencies.

No credit is awarded, nor are grades given. Digital badges are available to demonstrate course completion and competency attainment. ASC 120, the learning lab in the Applied Sciences Center, is available for students to practice their learned skills in a laboratory setting for Technology courses. Computers are also available in ASC 120 for on-line course access.

CERTIFICATE OF COMPLETION

Certificates of Completion are given to students who have satisfactorily completed a sequence of noncredit courses designed to improve employability or job opportunities. As of Spring 2017, Ventura College offers a Certificate of Completion in Technology and Workplace Competencies through the college noncredit program.

TECHNOLOGY AND WORKPLACE COMPETENCIES

Certificate of Completion

TECHNOLOGY AND WORKPLACE COMPETENCIES

The Technology and Workplace Competencies Program is designed to provide students with technology and workplace skills to enhance their employability and provide value to employers. Students will complete courses with assessments documenting their achievement of workplace skills.

The Program Student Learning Outcomes are as follows:

- Students will demonstrate appropriate workplace behavior.
- Students will demonstrate appropriate communication skills for the workplace.
- Students will apply mathematical and technological skills appropriate to the workplace.

There are no pre-requisites or enrollment limitations. This program does not lead to a specific career pathway but rather prepares students to be valuable employees who are prepared with the skills employers most desire.

As part of the program, students will perform a personal assessment of strengths and interests to assist them in examining potential careers or career laddering. Following completion of this program, students may continue into an educational pathway leading to a Certificate of Achievement or Associates Degree in the career of their choice.

REQUIRED CORE COURSES:

A TEC N101	Career Exploration and Discovery
A TEM N102	Mathematics for Employment
A TEW N103	Writing for Employment
A TET N104	Principles of Technology
A TEB N105	Skills for Employability
A TEB N106	Workplace and Business Essentials

ELECTIVE:

Select one (1) course:

A TET N107	Technical Reference Interpretation and Blueprint Reading
A TET N108	Occupational Safety in the Workplace
A TET N109	Tools and Machines in Industry

TOTAL HOURS

437.5 hours

APPLIED TECHNOLOGY AND EMPLOYABILITY BUSINESS ESSENTIALS

ATEB N105 - SKILLS FOR EMPLOYABILITY 0 Units

Hours: 3 laboratory weekly

This course enables the student to identify and strengthen the assets and attributes necessary for gaining and maintaining employment. The course focuses on employment preparation, employer expectations, the working environment, and proper workplace behavior and attire. In this course students will demonstrate appropriate attire for the workplace, demonstrate time management, explain their understanding of drug and alcohol (DOT) testing, complete an application, prepare a resume, perform a successful interview, and demonstrate understanding of appropriate workplace behavior. *This is a noncredit course, non-degree applicable.*

ATEB N106 - WORKPLACE AND BUSINESS ESSENTIALS 0 Units

Hours: 5 laboratory weekly

This course covers the skills which are essential to working in any type of business. It is intended to emphasize skills which enrich employees by strengthening their employability and increasing their promotional value. In this course students will learn business communication strategies, planning and organization, decision-making and problem-solving, conflict resolution, computer use for business tasks, business calculations, and risk management. *This is a noncredit course, non-degree applicable.*

APPLIED TECHNOLOGY AND EMPLOYABILITY CAREER EXPLORATION

ATEC N101 - CAREER EXPLORATION AND DISCOVERY 0 Units

Hours: 3 laboratory weekly

This course provides students with insights for career exploration and development. It lays the groundwork for self-evaluation and discovery for the types of career pathways available and appropriate for the individual. The course will facilitate self-appraisal for matching interests and personal talents with appropriate career choices. In this course students will determine career goals based on self-assessment and exploration, and develop effective career planning strategies.

This is a noncredit course, non-degree applicable.

APPLIED TECHNOLOGY AND EMPLOYABILITY MATHEMATICS

ATEM N102 - MATHEMATICS FOR EMPLOYMENT 0 Units

Hours: 4 laboratory weekly

This course is designed to present mathematics topics which are necessary for success in multiple career pathways, such as business, manufacturing, arts and entertainment, electronics, and various applied sciences.

This is a noncredit course, non-degree applicable.

PRINCIPLES OF TECHNOLOGY

ATET N104 - PRINCIPLES OF TECHNOLOGY 0 Units

Hours: 3 laboratory weekly

This course offers a survey of principles of technology and industrial techniques for the use of mechanical, fluid, electrical, thermal, and other forces. It includes the identification of common manufacturing applications and uses. In this course, students will learn about sketching technical problems, mechanical force and its use in industrial applications, mechanical advantage used in modern industry, and the technology of mechanical force, advantage, and technical processes.

This is a noncredit course, non-degree applicable.

ATET N107 - TECHNICAL REFERENCE INTERPRETATION AND BLUEPRINT READING 0 Units

Hours: 3 laboratory weekly

This course offers a survey of technical standards and techniques for reference and engineering drawings. It covers technical standards and symbols for the areas of study including manufacturing, welding, mechanics, hydraulics/pneumatics, and electronics. It includes the study of manufacturing processes and tools and the application of these tools in a manufacturing setting. Modern manufacturing document reading and interpretation will be covered. Students will describe and select appropriate standard symbols and techniques for producing technical sketches, blueprints, manufacturing operations, work orders, and inspection documentation, and identify typical manufacturing applications and uses in the manufacturing workplace.

This is a noncredit course, non-degree applicable.

ATET N108 - OCCUPATIONAL SAFETY IN THE WORKPLACE 0 UNITS

Hours: 3 laboratory weekly

This course offers a survey of the typical standards and techniques for working in, and maintaining, a safe work environment. This course will include the safe use of typical tools and machines found in an industrial setting. It prepares the student for applying industry safety standards for the areas of study and preparation for employment in the areas of manufacturing, welding, mechanics, hydraulics/pneumatics, chemical, and electrical, in accordance with Occupational Safety and Health Administration (OSHA) regulations. In this course students will learn health and safety procedures; the meaning of safety symbols, Material Safety Data Sheets (MSDS), and key safety terms and phrases; health and safety practices for storing, cleaning, and maintaining tools, equipment, and supplies; and regulations pertaining to the Occupational Safety and Health Administration (OSHA).

This is a noncredit course, non-degree applicable.

ATET N109 - TOOLS AND MACHINES IN INDUSTRY 0 Units

Hours: 3 laboratory weekly

This course is a survey of the principles of technical systems, tools, and machines. It includes the study of manufacturing processes and tools, and the application of these tools in a manufacturing setting. Simple machines and the modern tools of technology will be covered. In this course, students will learn to describe and select tools appropriate for producing products and doing work, follow safe operating protocols, identify common machines and tools, and describe the typical manufacturing process applications and uses of computer controlled machine tools.

This is a noncredit course, non-degree applicable.

APPLIED TECHNOLOGY AND EMPLOYABILITY WRITING

ATEW N103 - WRITING FOR EMPLOYMENT 0 Units

Hours: 4 laboratory weekly

This course covers the writing skills that are essential to working in any type of business. Emphasis is on the composition skills that are necessary for employees to strengthen their employability and increase their promotional value. The course will cover the formatting and grammar required for composing cover letters, email messages, notes, memos, and letters of resignation. The course also includes digital ethics and responsibility. In this course, students will learn to compose an email message, draft a memo, compose a resignation letter, write a note, draft a cover letter, write a personal statement, and write a business letter.

This is a noncredit course, non-degree applicable.

ENGLISH AS A SECOND LANGUAGE

ESL N100A - BEGINNING NONCREDIT ESL

0 Units

Hours: 5 laboratory weekly

This is a beginning course for non and limited English proficient students who want to acquire the communication skills necessary for living, working, and attending school where English is used. Integration of computer literacy, such as basic computer knowledge and keyboarding will help students build the basic skill set needed in the workplace, in school, and other aspects of their daily lives.

This is a noncredit course, non-degree applicable.

ESL N100B - HIGH-BEGINNING NONCREDIT ESL

0 Units

Hours: 5 laboratory weekly

This is a high-beginning course for limited-English-proficient students who want to acquire the communication skills necessary for living, working, and attending school where English is used. Integration of computer literacy, such as basic computer knowledge, keyboarding, and use of applications will help students build the basic skill set needed in the workplace, in school, and other aspects of their daily lives.

This is a noncredit course, non-degree applicable.

ESL N100C - INTERMEDIATE NONCREDIT ESL

0 Units

Hours: 5 laboratory weekly

This is an intermediate course for students who want to continue developing the listening, speaking, reading, and writing skills necessary for living, working, and attending school where English is used. This course will focus on communication and critical thinking skills and will help students continue to develop computer literacy.

This is a noncredit course, non-degree applicable.

ESL N100D - HIGH-INTERMEDIATE NONCREDIT ESL

0 Units

Hours: 5 laboratory weekly

This is a high-intermediate course for limited-English proficient students who want to develop the listening, speaking, reading, and writing skills necessary for living, working, and attending school where English is used. Students will develop communication and critical thinking skills and continue to develop computer literacy.

This is a noncredit course, non-degree applicable.

INTERDISCIPLINARY STUDIES

IDS N100 - INDIVIDUALIZED STUDY

0 Units

Corequisite: current enrollment in Ventura College

Hours: 1 - 10 laboratory weekly

This noncredit course is designed to provide students with support in basic skills areas such as reading and writing, to include literacy and general communication skills, and in basic skills areas such as mathematics and computer literacy, to include numeracy and computational skills. The course will provide supervised tutoring to prepare students to improve their performance in college coursework. Instruction and training will also be provided to assist vocational students and older students.

Formerly IdS 100. This is a noncredit course, non-degree applicable.

GLOSSARY OF COLLEGE TERMS

Glossary of College Terms 270-273

GLOSSARY OF COLLEGE TERMS

The following is offered as an explanation of common terms used throughout Ventura County Community College District. Students should be familiar with these key words, terms and phrases because they will be used throughout the community college experience. A counselor is also available to answer any questions.

Abbreviated Educational Plan: A pathway that identifies the courses a new student will take in their first one or two semesters. An abbreviated educational plan may be developed by a student with or without the help of an academic counselor, and is not approved by a counselor. Abbreviated educational plans are required for all new non-exempt students; however, a comprehensive educational plan will also satisfy this requirement.

Academic Year: Fall and Spring semesters, beginning with the start of the Fall term in August through the end of the Spring term in mid-May.

Add: Formally adding a class(es) by completing the appropriate forms online or at the Admissions Office.

Add Authorization Code: Four-digit code received from an instructor that allows the student to register in a closed class online using their MyVCCCD student portal.

Adding a Closed Class: Students seeking entry to any class that is closed at the time they attempt to register are referred to the instructor.

Advanced Placement (AP): A program in the United States and Canada created by the College Board offering college-level curriculum and examinations to high school students. Colleges often grant placement and course credit to students who obtain high scores above a certain number on the examinations. To see the list of AP exams that Ventura College accepts toward the Associate Degree, see page 96 of the catalog or schedule an appointment with a counselor.

Advisory/Recommended Preparation: A condition of enrollment that a student is advised but not required to meet before or in conjunction with enrollment in a course or educational program. The recommendation is made by faculty and is intended to ensure that students are adequately prepared to successfully complete a particular course.

Area of Emphasis: Required In General Studies programs of study, an area of emphasis consists of 18 units in an area of concentration, with 6 of the 18 units coming from a single discipline to give the student more depth in their study.

Articulation: Contractual agreements between two or more schools of the courses that transfer and satisfy specific requirements. Articulation agreements between each of the Ventura County Community Colleges (Moorpark, Oxnard, Ventura) and CSU/UC campuses are available at www.assist.org. The listings include all courses that transfer between the individual college and CSU or UC campus, and how those courses will be applied at the accepting school.

Assessment/Placement Test: Test given prior to registration to help the college recommend classes for student success. The results are used to help students select appropriate classes and move forward on their desired pathway.

ASSIST (www.assist.org): ASSIST stands for Articulation System Stimulating Inter-institutional Student Transfer. It is a website that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information about student transfer in California.

Associate Degree: An associate degree is an undergraduate academic degree awarded by community colleges, junior colleges, technical colleges, and some bachelor's degree-granting colleges and universities upon completion of a course of study usually lasting two years.

- Associate in Arts (A.A.)
- Associate in Science (A.S.)

Associate Degree for Transfer (ADT): is an undergraduate academic degree designed to guarantee admission to the CSU system. The degree consists of 60 CSU transferrable semester units including certified completion of general education requirements (CSU GE-Breadth/IGETC-CSU), major requirements, and electives (if needed). An Associate Degree for Transfer may be earned in academic and career technical education majors.

- Associate in Arts for Transfer (AA-T)
- Associate in Science for Transfer (AS-T)

Audit: Process by which a student may enroll in a class as an observer for information only. The student is not officially registered, and will not receive a grade. Audit enrollments do not satisfy degree, certificate or transfer requirements and do not appear on a student's transcript. See the Audit Policy in this catalog.

Bachelor's Degree: Degree granted by four-year colleges and universities; the Bachelor of Arts (B.A.) or the Bachelor of Science (B.S.) are the most commonly offered types of Bachelor's Degrees.

BOG: Board of Governors (BOG) Enrollment Fee Waiver - a form of financial aid that waives enrollment fees for eligible California residents, as defined by the California Community Colleges, Board of Governors. See page 35 for additional BOG Fee Waiver information.

BOGW Appeal Process: Students qualifying for a fee waiver must meet minimum academic and progress standards adopted by the Board of Governors. Students who have lost their BOG Fee Waiver may Appeal the loss based on certain circumstances before an Appeals Committee.

By Arrangement: A course or part of a course, which includes additional hours not yet formally scheduled. The arrangement is usually scheduled with the Instructor of the course at the start of the semester.

Certificate of Achievement: A college-awarded document indicating the student has satisfactorily completed the major courses in a program, but not the general education courses. A Certificate of Achievement is not a degree.

Class Schedule: The listing of courses including hours, instructor and room assignments to be offered each term. See Schedule of Classes.

Collaborative Learning: A method of instruction committed to actively engaging students in their learning using small groups, team and group projects, and providing opportunities for students to share common experiences and solve problems.

College Level Examination Program (CLEP): A group of standardized tests created by the College Board that assess college-level knowledge in several subject areas. These exams are administered at various colleges and universities across the United States. Some institutions award credit to students who meet the college's minimum qualifying score for that exam, (typically, 50 is a qualifying score), but qualifying scores vary by school and exam. See the College Level Examination Program (CLEP) List in the Credit by Examination section of the catalog for the list of CLEP that Ventura College accepts toward the Associate Degree, or schedule an appointment with a counselor.

Comprehensive (Active) Educational Plan: A pathway that identifies the courses a student must take to complete their informed program of study and reach their educational goals. The comprehensive educational plan is detailed enough to identify everything a student must do to achieve their educational goal. Comprehensive educational plans are required for all students who have completed 15 units of college coursework, and must be approved by an academic counselor during a counseling appointment.

Corequisite: A course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment. Corequisites are indicated in the Class Listings of the Schedule of Classes and in the College Catalog.

Counselor: Faculty who assist students with personal, career, vocational and educational planning and development.

Course: An organized pattern of instruction in a specified subject offered by the college.

Course Description: A brief statement about the content of a particular course.

Course Identification Numbering System (C-ID): C-ID is administered by the Academic Senate for California Community Colleges as a faculty-driven system for colleges and universities to facilitate the identification of comparable courses and increase articulation across all segments of higher education in the state. C-ID addresses the need for a "common course numbering system" to simplify student movement both within the California community colleges and intersegmentally. For additional background information on C-ID, please visit www.c-id.net.

Credit Course: A course for which units are granted.

Credit by Exam: Process by which a student may meet a specific requirement through successful performance on a comprehensive exam. Students who are successful in challenging a course through credit by exam will receive units earned in the challenged course and the appropriate letter grade of A, B, C, D, F, or P/NP will be posted to their academic transcript.

CRN: Course Reference Number listed in the Schedule of Classes; also referenced when students register in courses, or make adjustments to their courses.

CSU: The California State University system, also called Cal State, consists of 23 campuses statewide.

CSU GE-Breadth: General Education pattern for the CSU system. See Transfer Information.

Curriculum: Course offerings of the College as a whole; also refers to a group of required courses leading to a degree or certificate.

Degree: A diploma granted by a college confirming the student has attained a certain level of ability in a specific field. The most common degrees offered at California Community Colleges are: 1) A.A. Associate in Arts; 2) A.S. Associate in Science; 3) A.A.-T. Associate in Arts for Transfer; and 4) A.S.-T. Associate in Science for Transfer. The most common degrees offered at 4-year colleges and universities are: 1) B.A./B.S. Bachelor's Degree ; and 2) M.A./M.S. Master's Degrees.

DegreeWorks: is a Degree and Goal planning tool to help educate and guide students as they make choices in their class schedules and educational goals here at the Ventura County Community College District.

Dismissal: The procedure of dismissing a student from college for poor academic achievement, for incurring excessive withdrawals, or for disciplinary reasons. Dismissal can be temporary, providing the student agrees to and meets certain conditions. See this Catalog for more information.

Drop: Withdrawing formally from a class in which a student is enrolled. It is the student's responsibility to formally withdraw from a class. A student may drop a class online or in-person, or the instructor may initiate the drop. Contact the Admissions and Records Office for more information and for specific deadlines.

Educational Work Load: Generally consists of 15 units of work per semester to make normal progress towards the A.A./A.S. degree and/or transfer requirements.

Elective: A course that is not specifically required for the major but which the student takes for unit credit, and which may count towards the total units required for the degree.

Federal Pell Grant Lifetime Eligibility Used (LEU): a Federal Pell Grant eligible student has 6 years (12 full-time semesters) of total Pell Grant lifetime eligibility. All the years each student has received federal Pell grant will be counted toward the 6 years, regardless of when the student began receiving aid. A student becomes ineligible to receive a Pell grant as soon as reaching 600% of their Pell or the equivalent of 6 full time years.

Financial Aid: Money available from the federal or state governments or local sources to help students meet college expenses. Financial aid can include grants, loans, scholarships, and work-study programs.

Full-Time Student: A student who enrolls in and satisfactorily completes a minimum of 12 units during the term. This status is important for financial aid eligibility and other special program requirements.

General Education/Breadth Requirements (GE): Courses all students must satisfactorily complete to obtain a degree. GE requirements vary depending on the degree the student is seeking. Current lists are available at the Counseling Office, in the College Catalog, in the Schedule of Classes, and on the College website.

Good Academic Standing: For purposes of assigning enrollment priority; describes any student who has not been on academic or progress probation or dismissal for two consecutive terms. Students who are on probation for two consecutive terms will lose enrollment priority for the next term.

Good Standing: Describes a students whose grade point average is a "C" (2.0) or better and the percentage of entries of W, I, NC, and NP has not reached or exceeded fifty percent (50%).

Grade Point Average (GPA): The average of a student's grades: calculated by dividing grade points earned by the number of units attempted. See Academic Policies.

Hour: Same as "Credit" or "Credit Unit." See Units.

IGETC: Intersegmental General Education Transfer Curriculum. A pattern of courses that can be used to satisfy general education requirements at both CSU and UC campuses. See Transfer Information.

International Baccalaureate (IB): An international educational based system which offers individual subject exams to students who complete its diploma programs. Many US colleges and universities award credit for qualifying scores on these exams. To see the list of IB exams that Ventura College awards credit toward the Associate Degree, see page 99 of the catalog or schedule an appointment with a counselor.

Learning Community: Thematically links two courses, providing the student with an interdisciplinary context for learning.

Lower Division: The first two years of college work, i.e., freshman and sophomore years. By California law only lower division work can be offered at California Community Colleges.

Major/Area of Emphasis: An organized program of courses in a specific area of study, leading to a Certificate of Achievement, an Associate degree, or ultimately a Bachelor's degree.

MESA: Mathematics, Engineering, Science Achievement program.

MyVCCCD: The student portal that provides access to a variety of services, tools, and information (URL is <https://my.vcccd.edu/>).

Noncredit Courses: Courses awarding no college credit, no units, and no grades. A noncredit course should not be confused with the pass/no pass grading option.

Open Entry/Open Exit: Courses available for students to add throughout the semester and may be completed upon fulfillment of course requirements at any time during the semester.

Part-Time Student Status: A student who enrolls in or completes fewer than 12 units in a term.

Pass/No Pass: A grading system allowing a course to be taken for a "grade" of pass/no pass (P/NP) rather than for a letter grade. See Academic Policies.

Preparation for the Major: Lower division courses required by four-year universities as part of the selected major; see also prerequisite.

Prerequisite: A requirement which must be completed prior to enrollment in a course and without which a student is highly unlikely to succeed. Prerequisites are listed in the course descriptions in the College Catalog and in the Class Listings of the Schedule of Classes.

Primary Semesters: Fall and spring

Probation: Academic standing when a student fails to maintain progress towards their declared academic goal or if the grade point average drops below a 2.0 for any term. Students on probation are required to meet with a counselor to develop a plan to get off probation and return to good academic standing.

Proficiency Award: A document awarded to a student upon completion of a course or a series of courses as designated in the College Catalog. Awards are issued by selected instructional departments of the College. Consult the instructor for more information.

Program Change: Adding or dropping any classes after initially enrolling.

Recommended Preparation: Preparation suggested by the faculty to successfully complete a particular course. While strongly encouraged, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Registration: The official process of enrolling in courses. The process of registration must be completed by the second week of the semester for Fall and Spring and by the middle of the first week for Summer in order for a student to be officially enrolled and to receive credit for his or her classes.

Repeatability: The conditions under which a course may be repeated and whether the student may earn credit for additional attempts of a course. The State of California Community Colleges system also has its own set of rules, under Title 5, for Course Repetition Policy.

Federal regulations prevent the Financial Aid Office from paying for a course that has been passed and repeated more than one time. In order for a repeated course to be counted towards a student's enrollment status for financial aid purposes, a previously passed course once may only be repeated once (a total of two attempts). If a student enrolls in a previously repeated and passed course for a third time, this course will not count towards the student's enrollment for financial aid purposes.

Schedule of Classes: Listing of college courses offered in a particular term. Contents include the course ID, title, units, hours, time, instructor and location of classes. Other course information (e.g., prerequisites, fees, transfer credit) plus the registration and deadline calendars are included in each listing. The schedule is only available online through the MyVCCCD portal, and on the college website at <http://www.venturacollege.edu/apply-and-enroll/schedule-of-classes>.

Semester: Refers to the calendar year on which the Ventura County Colleges operate and unit count students can earn; typically one-half of the academic year; 16 to 18 weeks duration.

Short-Term Course: A class that meets for less than a full semester; course carries semester unit count.

Staff: Noted in the Schedule of Classes when a faculty member has not yet been assigned.

Student Education Plan (SEP): A program of study and services needed by the student to enable the student to reach his or her educational objective. The SEP is developed by the student and counselor.

Student Success and Support Program (SSSP): The Seymour-Campbell Student Success Act of 2012 led to the creation of the Student Success and Support Program. Signed by Governor Brown on September 27, 2012, the program began on January 1, 2013 and will be implemented through stages over a five-year period. The Student Success and Support Program supports the transition of new students into the college by providing services that promote academic achievement and successful completion of degrees, transfer preparation, career technical education certificates, or career advancement.

SULA: Subsidized Usage Limits Apply - A first-time Federal Subsidized Student Loan borrower is no longer eligible for the Subsidized Student Loan program if he or she exceeds 150% of the published length necessary to graduate. In addition, a borrower reaching the 150% limit becomes ineligible for the interest subsidy benefits on all Federal Subsidized Loans disbursed to the borrower on or after July 1, 2013. Congress wants to encourage students to obtain undergraduate degrees within a reasonable time frame.

Students who change majors multiple times or, drop classes excessively or retake classes excessively are most likely to be affected by Public Law 121-141. For additional information, visit: http://www.venturacollege.edu/sites/default/files/imported/departments/student_services/financial_aid/2013_2014/TimeLimitationonDirectSubsidizedLoanEligibility.pdf

TBA: “To Be Announced” is noted in the Schedule of Classes when the time of a class may be arranged independently or when the location is to be announced after the publication goes to print.

Transcript (of record): A copy of a student’s college records prepared by the Admissions and Record’s Office.

Transfer: This term generally applies to the student who plans to continue his or her education at a four-year college or university.

Transfer Certification: Process by which a counselor at a community college evaluates a student’s transcripts and verifies that they have met the CSU-GE Breadth or IGETC requirements for transfer to either a CSU or UC school. Transfer certification (also called GE certification) will be included with the student’s academic transcript by the Admissions and Records Office. Student must meet with a counselor to initiate this process.

Transfer Credit: Credit from one college that is accepted and applied toward a degree, certificate or program of study by another college or university.

Transferable Course: A course that is accepted at universities at least for elective credit. Indicated after each applicable course in the Catalog and Schedule under “Transfer Credit.”

Transfer Requirements: Students planning to transfer must satisfy the specific requirements for admission to the institution they are transferring to. Admission requirements include, but are not limited to: completion of a general education pattern, subject area preparation for the major, specified number of transferable units, and minimum GPA. See a counselor in the Transfer Center for transfer policies to 4-year colleges and universities.

UC: The 10 campuses of the University of California system.

UC TCA: Community college courses that are transferable to all campuses of the University of California are identified on the UC Transferable Course Agreement, also known as the UC TCA.

Undergraduate: Courses in the freshman through senior years of college career. Courses taken up to completion of a Bachelor’s Degree.

Unit Transferability: While all California community colleges have transfer agreements with various educational institutions, it is important for students to understand there are limits on the number and type of course credits a student can transfer. Each college develops courses and curriculum based on the expertise of its faculty and District standards. Each course is assigned a number of units ranging from 0.5 to 16 depending upon the course content. While the majority of our courses are articulated to transfer to the UC system and/or CSU system, there is a possibility that not all units for every course will transfer in their entirety to every transfer institution due to the receiving institution unit limitations. Students need to connect with a community college academic counselor as soon as possible, visit the Career Transfer Center, and regularly check www.Assist.org to learn whether their specific courses are transferable to an institution of choice. Taking more credits than needed to transfer to another institution can also limit an eligible student’s financial aid opportunities. By working closely with academic counselors, the financial aid office, and a receiving institution’s support services, eligible students can maintain maximum levels of financial aid resources and transfer of credits.

Units: The basic unit of credit is the semester unit which is equivalent to a credit hour. One credit hour of community college work is approximately three hours of recitation, study or laboratory work per week throughout a term. For practical purposes, the following terms are synonymous: Unit, semester unit, semester hours, credit, credit hour.

Units Attempted: Total number of credit units in the courses for which a student has enrolled.

Units Completed: Total number of units in the courses for which a student has received a grade of A, B, C, D, F, P, or NP.

Upper Division: Refers to courses taken at the junior and senior class level; available at the four-year college or university.

Withdrawal: The process by which a student officially drops one or some classes or withdraws from all classes during the semester. Check with the Admissions and Records Office for the specific requirements and procedures.

APPENDICES

The general terms "college" and "colleges" are used interchangeably throughout the Appendices to reference procedures that apply to all three colleges of the Ventura County Community College District (VCCCD): Moorpark College, Oxnard College, and Ventura College.

Appendix I

Privacy Rights

Privacy Rights Governing Student Records

Pursuant to the Federal Educational Rights and Privacy Act (FERPA), the California Education Code (§76240 et. seq.), and the California Administrative Code Title 5, student records are maintained in manner to ensure privacy of such records. The colleges of this district shall not, except as authorized, permit any access to or release of any information therein.

For purposes of this article and for use in the enforcement of FERPA procedures, a student is defined as an individual who is or has been in attendance at one of the colleges of the Ventura County Community College District. "In attendance" is defined as an individual whose application has been accepted and entered into the district student database.

The colleges of the Ventura County Community College District establish and maintain information on students relevant to admission, registration, academic history, career, student benefits or services, extracurricular activities, counseling and guidance, discipline or matters related to student conduct, and shall establish and maintain such information required by law. All such records are maintained under the direction of the Vice President of Student Affairs or designee.

The College is not authorized to permit access to student records to any person outside of the college without the written consent of the student or under judicial order except to college officials and employees with legitimate educational interest. Student records are available in cases of requests for directory information or noted exceptions to law requiring response to subpoenas and court orders.

Directory Information

The colleges of this District maintain directory information which may be released to the public without the written consent of the student. Directory information may include: student's name; address; telephone number; date of birth; major field of study; participation in officially recognized activities and sports; dates of attendance; degrees and awards received; the most recent educational institution attended by the student; and weight and height of members of athletic teams.

Directory information will be released to branches of the United States military services in compliance with the Solomon Act, the National Student Clearinghouse, and may be released to other parties in accordance with the Education Code §76240. No directory information shall be released regarding any student or former student who has notified the District or any college thereof in writing that such information shall not be released. Such requests shall be addressed to the Vice President of Student Affairs or designee.

The college will forward a student's educational records to other institutions of higher education that have requested the records and in which the student seeks or intends to enroll, providing such release of educational records complies with the requirements of FERPA.

FERPA affords students certain rights with respect to their education records. These rights include:

- (1) Each students has the right to inspect and review the record of his/her own education. Any currently enrolled or former student has the right to access any or all records relating to the student which are maintained by this District. The editing or withholding of such records is prohibited, except as provided by law. Requests for access shall be in writing, addressed to the Vice President of Student Affairs or designee at the college of attendance, and shall clearly identify the records requested for inspection and review. Requests by students to inspect and review records shall be granted no later than 15 days following the date of request. The inspections and review shall occur during regular school hours. The Vice President of Student Affairs or designee shall notify the student of the location of all official records which have been requested and provide personnel to interpret records where appropriate.

Access to student records may be permitted to any person for whom the student has executed written consent specifying the records to be released and identifying the party to whom the records may be released. Information concerning a student shall be furnished in compliance with a court order. The college shall make a reasonable effort to notify the student in advance of such compliance if lawfully possible within the requirements of the judicial order.

Students, for a fee determined by the Board, may request copies of their records.

Students may request copies of records for review. A fee of one dollar (\$1) will be charged per page per copy.

In accordance with the Family Education Rights and Privacy Act of 1974, all other student information, excluding that designated as Directory Information, cannot be released to a third party without written permission submitted to the college by the student. This law applies to all students attending the colleges of the Ventura County Community College District, regardless of the student's age.

- (2) Each student has the right to request amendment of the education records the student believes is inaccurate. Any student may file a written request with the President of the college or the designee to remove student records which the student alleges to be: (1) inaccurate, (2) an unsubstantiated conclusion or inference, (3) a conclusion or inference outside the observers' areas of competence, (4) not based on personal observations of the named person with the time and place of the observation noted. Allegations which are sustained shall be expunged and the record removed and destroyed.

Students filing a written request shall be provided a hearing and receive, in writing, a decision either sustaining or denying the allegations. All decisions of the Governing Board are final.

Appendix II

Statement of Nondiscrimination

Statement of Nondiscrimination

The Ventura County Community College District and its three colleges -- Moorpark College, Oxnard College, and Ventura College -- are committed to providing an equal opportunity for admissions, student financing, student support facilities and activities, and employment without regard to national origin, religion, age, sex, sexual orientation, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he/she is perceived to have one or more of the foregoing characteristics or based on association with a person or group with one or more of these actual or perceived characteristics, in accordance with the requirements of Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964 (as amended by the Equal Employment Opportunity Act of 1972), sections 503 and 504 of the Rehabilitation Act of 1973 and the Rehabilitation Act Amendments of 1974, Executive Order 11246 (as amended by Executive Order 11375), and the Federal Age Discrimination Employment Act of 1967 and the Age Discrimination Employment Act Amendments of 1978 and the Americans with Disabilities Act of 1992. The Vice President of Student Affairs is the Title IX Facilitator and the ADA/504 Coordinator can be reached at (805)289-6464.

Maintaining an Environment of Civility and Mutual Respect

Ventura College takes all steps necessary to provide a positive educational and employment environment that encourages the full range of equal educational opportunities noted above without limiting any person's right to free speech. The College actively seeks to educate staff members and students on the negative impacts of expressions of hatred or contempt, and discrimination. A more detailed review of expected respectful behavior is provided in the Student Conduct Code.

To better ensure appropriate, respectful behavior across campus, the College will take immediate and appropriate steps to investigate complaints of discrimination. The College prohibits retaliation against any individual who files a complaint or who participates in a discrimination or discriminatory harassment inquiry. If you feel you have experienced discrimination at Ventura College, initiate the Complaint Procedure outlined in the Sexual Harassment Policy later in this section. If you have any questions on how to proceed with your concerns or complaints, contact the Office of Student Learning at (805) 289-6464.

Appropriate Relationships

District employees should refrain from entering into intimate relationships with District colleagues if a reasonable person could conclude that an abuse of power exists or could potentially exist in that relationship. Supervisors are prohibited from romantic or physical relationships with subordinates over whom they may have influence over job performance, job assignments, promotional opportunities, or pay increases. Faculty and other District employees are prohibited from engaging in romantic or physical relationships with students for whom which they have responsibility for supervision, evaluation, instruction, counseling, or other oversight.

Allegations which have been denied by the college may be further appealed to the Chancellor of the Ventura County Community College District and his or her designee. Allegations which have been denied by the Chancellor may be further appealed to the Governing Board of the Ventura County Community College District who shall meet with the student, within 30 days of receipt of such appeal, to determine whether to sustain or deny the allegations. All decisions of the Governing Board shall be final.

Each student has the right to consent to disclosures of personally identifiable information contained in the education records, except to the extent that FERPA authorizes disclosure without consent.

- (3) One exception which permits disclosure without consent allows access to school officials with legitimate educational interests, including review of academic records to fulfill their professional responsibility to the College or District. A school official is a person employed by the College District in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College District has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a person serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

In compliance with California Education Code §76222, a log or record shall be maintained of persons, agencies or organizations requesting and receiving information from a student record. Also pursuant to code, such log or record will not include the following:

- A student to whom access is granted pursuant to Education Code §76230.
- Parties to whom directory information is released pursuant to §76240.
- Parties for whom written consent is executed by the student pursuant to §76242.
- Officials or employees having a legitimate educational interest pursuant to §76243(a).

Such record shall be open to inspection only by the student and the college official or his or her designee responsible for the maintenance of student records, and to the Comptroller General of the United States, the Secretary of Education, an administrative head of an education agency as defined in Public Law 93-380, and state educational authorities as a means of auditing the operation of the system.

- (4) Each student has the right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA. Any concerns of this nature may be addressed to:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202-5920

Equal Employment Opportunity Act

The Ventura County Community College District subscribes to and promotes the principles and implementation of equal employment opportunity and diversity.

Inquiries regarding related laws and regulations, and the corresponding Board policies may be directed to the:

Vice Chancellor of Human Resources
Ventura County Community College District
District Administrative Center
761 East Daily Drive
Camarillo, California 93010
Phone: (805) 652-5510

Appendix III

Sexual Harassment Complaint Procedures

A. Introduction

It is the policy of the Ventura County Community College District to provide an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct or communications (including voice and e-mail telecommunications, fax machines, etc.) constituting sexual harassment as defined and otherwise prohibited by state and federal statutes.

The Ventura County Community College District prohibits sexual harassment regardless of the status or relationship of the affected individual. It shall be a violation of this policy for any person, including faculty, employees, students and contractors, to engage in sexual harassment.

Disciplinary action, up to and including dismissal or expulsion, may be initiated for behavior described in the definition of harassment set forth in this policy.

Further, any retaliation against a student or employee for filing a harassment charge, making a harassment complaint or assisting in a harassment investigation is prohibited. Any persons found to be retaliating against another employee or student shall be subject to disciplinary action up to and including dismissal or expulsion.

Any employee who receives a harassment complaint, observes, or otherwise learns of harassing behavior in the educational/business environment or workplace, must direct the concerns to the appropriate Sexual Harassment Intake Facilitator or to the Vice Chancellor of Human Resources at the District Administrative Center. Students are encouraged to follow the same procedure.

B. Complaint Procedure

Any job applicant, student, employee, or contractor who believes he/she may have been the victim of harassment should direct his/her concerns to any of the following individuals:

1. David Bransky, (805) 289-6153
2. Mary Jones, (805) 289-6147
3. Vice Chancellor of Human Resources, Ventura County Community College District: (805) 652-5510.

Any person who receives a harassment complaint, observes, or otherwise learns of harassing behavior in the work place must direct the complaint and/or the complainant to an Intake Facilitator at Ventura College or to the Vice Chancellor of Human Resources at the District Administrative Office.

C. Investigative Procedure

The Sexual Harassment Intake Facilitator or the Vice Chancellor of Human Resources will initiate a sexual harassment investigation that shall include, but may not be limited to:

1. Interviews with the complainant, the alleged harasser, and any other persons the investigator has reason to believe may have relevant knowledge concerning the complaint;
2. Review of the factual information gathered during the investigation to determine whether the alleged conduct occurred and whether such conduct constitutes harassment under this policy, based on the totality of the circumstances, including the nature of the verbal, physical, visual or sexual conduct, and the context in which the alleged incident(s) occurred;
3. Using the District Reporting Form as a guide, the Intake Facilitator will prepare a written report setting forth the results of the investigation. The findings shall be reported to the Vice Chancellor of Human Resources;
4. Final disposition shall be reported back to the complainant and the alleged harasser in a timely manner and will also be filed with the State Chancellor's office in Sacramento.

D. Remedial Action

1. Upon determination that a violation of this policy has occurred, prompt and corrective action shall be taken.
2. Reasonable steps shall be taken to protect the complainant from further harassment and/or retaliation.

E. The Definition of Sexual Harassment

Sexual Harassment has been defined by the Equal Employment Opportunity Commission Guidelines (29 C.F.R. § 1604.11) and the California Education Code (§ 212.5) to include unwelcome sexual advances, requests for sexual favors, or any other visual, verbal or physical conduct of a sexual nature made by someone from or in a work or education setting, under any of the following conditions:

1. Submission to the conduct is explicitly or implicitly made a term or a condition of an individual's employment, academic status, or progress;
2. Submission to, or rejection of, the conduct by the individual is used as the basis of employment or academic decisions affecting the individual;
3. The conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile, or offensive work or educational environment;
4. Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the District.

Examples of behavior which could constitute sexual harassment include but are not limited to:

1. Verbal: repeated sexual innuendoes or sexual epithets, derogatory slurs, off-color jokes, propositions, threats, or suggestive or insulting sounds;
2. Visual/non-verbal: derogatory posters, cartoons or drawings; suggestive objects or pictures; graphic commentaries; leering; or obscene gestures;
3. Physical: unwanted physical contact including touching, interference with an individual's normal work movement, such as blocking or assault.

F. Additional State and Federal Procedures

In addition to the District's procedure for reporting sexual or other prohibited types of harassment, both the State of California and the federal government have established processes by which student and employee claims of sexual harassment may be reported.

- Department of Fair Employment and Housing
1-800-884-1684
- Equal Employment Opportunity Commission
(213) 894-1000
- Chancellor's Office of the California Community Colleges
(916) 445-8752
- California Department of Education
(916) 319-0800
- Department of Education
(800) 421-3481

If you feel you are a victim of sexual harassment, please report the incident immediately. Keep records to track dates, places, times, witnesses, and the nature of the harassment.

Appendix IV

Rights and Responsibilities

A. Associated Students

The Governing Board of the Ventura County Community College District recognizes the need for and authorizes the operations of the Associated Students in accordance with Education Code sections 10701 to 10705, inclusive.

B. Privileges of Student Organizations

1. To use the name of one of the colleges or to use college facilities for regular meetings or special events, student organizations must be chartered by the Associated Students.
2. Recognized student organizations shall not use District facilities for the purpose of planning or implementing off-campus political or social events, nor use the name of the colleges in conducting such off campus events, unless authorized by the Associated Students.
3. A chartered student organization shall have a faculty or staff advisor who shall be chosen by the members of that organization and approved by the Vice President of Student Affairs or designee.
4. Chartered student organizations shall be open to all students without respect to race, creed or national origin.

C. Off-Campus Affiliations

Any organization (whether official or unofficial) of students on the college campuses which, in its constitution or method of operation, vests control of its policies in an off campus organization, shall not be recognized as an official college organization and shall not be allowed to use the facilities of the District.

D. Advocacy and Free Expression

1. **Purpose** - The primary purpose of a college is the advancement and dissemination of knowledge. Free inquiry and expression are indispensable to the attainment of this purpose. The colleges of the Ventura County Community College District have the responsibility to establish and maintain general conditions conducive to an orderly and open examination of ideas and issues relevant to the primary purpose referred to above.
2. **Registered Students** - Students of the Ventura County Community College District have the right of free expression and advocacy and may exercise this right within the framework outlined below:
 - a) that the cause or issue being advocated is legal.
 - b) that the District's outside speaker policy is observed.
 - c) that the college rules regulating time, place, and manner, developed by a student/faculty/administrator committee at each college and approved by the college President or designated representative are respected.
 - d) that if, in the judgment of the President of the college or designated representative, an activity or event is disruptive or incompatible with the educational objective of the college, s/he may order individual students or chartered student organizations to discontinue the activity or event pending due process by either college and/or civil agencies. Due process is defined by a student/faculty/administrator committee at each college and approved by the college President.

3. **Non-Students** - The colleges of the Ventura County Community College District are provided for the purposes commonly ascribed to higher education. Non-students who wish to pursue these purposes at one of the colleges of the District are encouraged to enroll as registered students; however, in regard to any event or activity that takes place on one of the college campuses of the Ventura County Community College District, non-students are governed by the same rules that apply to registered students.

4. **Maintenance of Order** - It shall be the policy of the Governing Board of the Ventura County Community College District to cooperate with all established governmental agencies in the maintenance of order on and about its properties. This cooperation shall in no way infringe upon or limit the use of these properties for the purposes historically and legally reserved for them. The President of the Board, as appropriate, shall convene a special meeting for the purpose of taking proper action to support the District and college administrations in carrying out the policy referred to in this section.

E. Dress Code

The dress of persons appearing on the campuses of the Ventura County Community College District shall comply with generally accepted standards of hygiene and good taste. Clothing that is worn shall be such as to avoid interference with the educational responsibilities of the District, or with any other approved activities taking place within the District's jurisdiction.

F. Solicitation

The solicitation, selling, exposing for sale, offering to sell, or endorsing any goods, articles, wares, services or merchandise of any nature whatsoever for the purpose of influencing lease, rental or sale at a college is prohibited except by written permission of the District Chancellor, President of the college or the President's designee. This policy applies to all students, staff and community members.

Nothing in this policy shall be construed to revoke the rights and privileges of students and staff as specifically granted by Education Code sections and board policy with regard to fund raising activities (EC 76062), examination of instruction materials (EC 78904, 78905), or other activities sanctioned by federal, state and local regulations.

G. Notices and Posters

Student and other college developed posters and flyers may be distributed or displayed as follows:

- Any posters, flyers, or other materials which advertise instruction programs, student activities, or any other events that can be clearly identified as having sponsorship from the hosting college may be circulated and posted without bearing the "approved for posting" stamp.
- All other notices or posters must have an "approved for posting" stamp obtained from the Student Activities Office. Posters should be placed in a designated area. Blue painter's tape must be used for posting. Posters should be removed when no longer applicable. Any postings not in compliance with these guidelines will be removed.

H. Use of College Facilities

1. The purpose of these policies is to assure the full effective use and enjoyment of the facilities of the college campus as an educational institution. Orderly procedures are necessary to promote the use of facilities by students and college personnel, to conserve and protect facilities for educational use and to prevent interference with college functions.
2. Available college facilities may be used and shall be reserved in advance for meetings and other events related to their purpose by:
 - a) chartered student organizations;
 - b) certificated personnel;
 - c) organizations of college employees;
 - d) the associated students;
 - e) groups of ten or more students;
 - f) community organizations and groups under the Civic Center Act. (Education Code, 82537-82548).
3. Reservation of college facilities shall be made through the Student Activities Office in advance of the event. Reservations will be granted in the order of application, unless considerations of format, room size or equitable distribution of special facilities will require adjustments. Student groups should also seek approval from the Student Activities Specialist.
4. The college may make reasonable charges for the use of college facilities by community groups in accordance with the civic center charges as published by the Ventura County Community College District.

5. Outdoor meetings and events.
 - a) Students and college personnel may gather at reasonable places and times on the campus consistent with the orderly conduct of college affairs and the free flow of traffic. Interference with entrances to buildings and college functions or activities, disturbance of offices, classes and study facilities and harm to property are prohibited.
 - b) The Vice President of Academic Affairs or designee may approve other areas if unusual circumstances require.
 - c) Voice amplification will be permitted in the above areas between 11:30 a.m. and 12:30 p.m. on Fridays. Voice amplification equipment will be provided by the college upon request and without charge. No other voice amplification
6. Tables
 - a) Student organization and groups cited may maintain a table in the quad areas.
 - b) Tables shall be staffed at all times. The name of the sponsoring organization shall be displayed at each table.
 - c) Tables shall be furnished by the Maintenance & Operations Department. Posters shall be attached to the tables.
 - d) Tables may be used to distribute and exhibit, free of charge, non-commercial announcements, statements and materials and for fund raising. Distributing or soliciting by means of shouting or accosting individuals is prohibited.

Appendix V

Grievance

The purpose of this procedure is to provide a prompt and equitable means of resolving student grievances. These procedures shall be available to any student who reasonably believes the college decision or action has adversely affected his or her status, rights, or privileges as a student.

A grievance is an allegation of a violation of any of the following:

- Sex discrimination as prohibited by Title IX of the Higher Education Amendments of 1972.
- Financial aid determinations made at the college or District level.
- Course grades, to the extent permitted by Education Code Section 76224(a), which provides: "When grades are given for any course of instruction taught in a community college District, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final." "Mistake" may include, but is not limited to, errors made by an instructor in calculating a student's grade and clerical errors.
- The exercise of rights of free expression protected by the state and federal constitutions, Education Code Sections 66301 and 76120, and District Board Policy and Administrative Procedures concerning the right of free expression.
- Violation of published District rules, Board Policies, and Administrative Procedures, except as set forth below.

This procedure does not apply to:

- Challenges to the process for determining satisfaction of prerequisites, corequisites, advisories, and limitations on

enrollment. Information on challenges to prerequisites is available from the Office of the Vice President, Academic Affairs.

- Allegations of harassment or discrimination on the basis of any protected characteristic as set forth in Board Policies 3410 and 3430 and 5 California Code of Regulations Section 53900 et seq. Such complaints may be initiated under the procedures described in the college catalogs.
- Appeals for residency determination. Residency appeals should be filed with the Admissions and Records Office.
- Student disciplinary actions, which are covered under separate Board Policies and Administrative Procedures.
- Police citations (i.e. "tickets"); complaints about citations must be directed to Campus Police.
- Evaluation of the professional competence, qualifications, or job performance of a District employee.
- Claims for money or damages against the District.

Information about other procedures is listed in the college catalogs or may be obtained from the Office of Student Learning.

The alleged wrong must involve an unjust action or denial of a student's rights as defined above. A grievance exists only when such an error or offense has resulted in an injury or harm that may be corrected through this grievance procedure. As noted above there may be other procedures applicable to various other alleged injuries or harms, and this grievance procedure may not be the sole or exclusive remedy, and it may not be necessary to exhaust this process before presenting allegations to other government agencies or the courts. The outcome of a grievance must be susceptible to producing a tangible remedy to the student complaining or an actual redress of the wrong rather than a punishment for the person or persons found in error. For example, a grievance seeking only the dismissal of a District employee is not viable.

Definitions

College Grievance Officer – The administrator in charge of student discipline and/or grievances, appointed by the College President, who shall assist students in seeking resolution by informal means; if informal means are not successful, the College Grievance Officer shall assist students by guiding them through the formal grievance process.

Day – Days during which the District is in session and primary term classes are in session, excluding Saturdays and Sundays.

Grievant – Any student currently enrolled in the college, a person who has filed an application for admission to the college, or a former student. A grievance by an applicant shall be limited to a complaint regarding denial of admission. Former students shall be limited to grievances relating to course grades to the extent permitted by Education Code Section 76224(a).

Respondent – Any person claimed by a Grievant to be responsible for the alleged grievance.

Informal Resolution

Informal meetings and discussion between persons directly involved in a grievance are essential at the outset of a dispute. A student who has a grievance shall make a reasonable effort to resolve the matter on an informal basis prior to filing a formal grievance, and shall attempt to solve the problem with the person with whom the student has the grievance or dispute. If a student cannot resolve a grievance informally with the Respondent, then the student will request a meeting with the Respondent's administrator, manager, or division chairperson, who shall meet with the student in an attempt to resolve the issue and may meet with the student and Respondent either jointly or separately. An

equitable solution should be sought before persons directly involved in the case have stated official or public positions that might tend to polarize the dispute and render a solution more difficult.

At any time, the student may request the assistance of the College Grievance Officer in understanding or arranging the informal resolution process.

At no time shall any of the persons directly or indirectly involved in the case use the fact of such informal discussion, the fact that a grievance has been filed, or the character of the informal discussion for the purpose of strengthening the case for or against persons directly involved in the dispute or for any purpose other than the settlement of the grievance.

Formal Resolution

In the event an informal resolution is not reached, the grievant shall submit a preliminary written statement of the grievance to the College Grievance Officer within 20 days of the incident on which the grievance is based, or 20 days after the student knew or with reasonable diligence should have known of the basis for the grievance, whichever is later. Within 10 days following receipt of the preliminary written statement of the grievance, the College Grievance Officer shall advise the student of his or her rights and responsibilities under these procedures, and assist the student, if necessary, in the final preparation of the formal written statement of the grievance.

The submission of this formal signed and dated written description of the complaint signals the beginning of the formal resolution, serves as the request for a hearing, and shall serve as the dated start of the hearing timeline.

The College Grievance Officer will submit a copy of the formal written grievance to the Respondent. The Respondent will be given an opportunity to submit a written response to the allegations to the College Grievance Officer. This response must be received within 10 days, and shall be shared with the Grievant.

Hearing Procedures

Grievance Hearing Committee – The hearing panel for any grievance shall be composed of one administrator, one faculty member and one student. At the beginning of the academic year, and no later than October 1st, the College President, the President of the Academic Senate, and the Associated Students President shall each establish a list of at least two persons who will serve on student Grievance Hearing Committees. The College President will identify two administrators; the President of the Academic Senate will identify two faculty; and the Associated Students President will identify two students. The College President, or designee, shall appoint the Grievance Hearing Committee from the names in this pool; however, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, who is a relative of any party or witness, or who could not otherwise act in a neutral manner shall serve on the Grievance Hearing Committee.

Upon notification of the Grievance Hearing Committee composition, the Respondent and Grievant shall each be allowed one peremptory challenge. The College President, or designee, shall substitute the challenged member or members from the panel pool to achieve the appropriate Grievance Hearing Committee composition. In the event that the pool names are exhausted in any one category, further designees shall be submitted by the College President (for administrators), the President of the Academic Senate (for faculty), or the Associated Student President (for students).

The Grievance Officer shall sit with the Grievance Hearing Committee but shall not serve as a member or vote. The Grievance Officer shall coordinate all scheduling of hearings, and shall serve to assist all parties and the Grievance Hearing Committee to facilitate a full, fair and efficient resolution of the grievance.

A quorum shall consist of all three members of the Committee.

Grievance Hearing Committee Chair – The College President, or designee, shall appoint one member of the Grievance Hearing Committee to serve as the chair. The decision of the Grievance Hearing Committee Chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the Grievance Hearing Committee to the contrary.

Time Limits – Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties in writing.

Hearing Process – Within 10 days following receipt of the formal written statement of the grievance and request for hearing, the College President or designee shall appoint a Grievance Hearing Committee as described above. The names of the Grievance Hearing Committee shall be forwarded to the Grievant and the Respondent. They will each have 5 days to exercise the right to a preemptory challenge of a single committee member. After 5 days the right to challenge the committee composition will be deemed waived. Within 10 days of confirmation, the Grievance Hearing Committee and the Grievance Officer shall meet in private and without the parties present to determine whether the written statement of the grievance presents sufficient grounds for a hearing.

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following considerations:

- The statement satisfies the definition of a grievance as set forth above;
- The statement contains facts which, if true, would constitute a grievance under these procedures;
- The grievant is a student, which under certain circumstances includes applicants and former students, and meets the definition of “grievant” as set forth in these procedures;
- The grievant is personally and directly affected by the alleged grievance;
- The grievance seeks a remedy which is within the authority of the hearing panel to recommend or the college president to grant;
- The grievance was filed in a timely manner;
- The grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet all of the above requirements, the Grievance Hearing Committee Chair shall notify the student in writing of the rejection of the request for a grievance hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within 5 days of the date the decision is made by the Grievance Hearing Committee.

The student may appeal the Grievance Hearing Committee’s determination at the statement of grievance does not present a grievance as defined in these procedures by presenting his/her appeal in writing to the College President within 5 days of the date the student received that decision. The College President shall review the statement of grievance in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters, including any facts alleged in the appeal that were not alleged in the original

grievance. The College President’s decision whether or not to grant a grievance hearing shall be made within 10 days and shall be final and not subject to further appeal.

If the statement of the grievance satisfies each of the requirements, the College Grievance Officer shall schedule a grievance hearing to begin within 30 days following the decision to grant a Grievance Hearing. All parties to the grievance shall be given at least 10 days’ notice of the date, time and place of the hearing.

Before the hearing commences, the members of the Grievance Hearing Committee shall be provided with a copy of the grievance, the written response provided by the Respondent, and all applicable policies and administrative procedures. The Grievance Hearing Committee may request other documents as needed.

A time limit on the amount of time provided for each party to present its case, or any rebuttal, may be set by the Grievance Hearing Committee. Formal rules of evidence shall not apply. All witnesses shall be bound by the Student Code of Conduct and Professional Codes of Ethics to present truthful evidence. Any witnesses not so bound will testify under oath, subject to the penalty of perjury. Any relevant evidence may be admitted at the discretion of the Grievance Hearing Committee Chair, in consultation with the College Grievance Officer and Grievance Hearing Committee. Hearsay evidence and written statements will be admissible, but will be insufficient, alone, to establish the allegations.

The Grievance Hearing Committee Chair, in consultation with the Grievance Hearing Officer and Grievance Hearing Committee, shall be responsible for determining the relevancy of presented evidence and testimony, the number of witnesses permitted to testify, and the time allocated for testimony and questioning. The Grievance Hearing Committee Chair, in consultation with the Grievance Hearing Committee, shall further be responsible for instructing and questioning witnesses on behalf of the Grievance Hearing Committee, and for dismissing any persons who are disruptive or who fail to follow instructions. The Grievance Hearing Committee Chair, in consultation with the College Grievance Officer, shall have the final decision on all procedural questions concerning the hearing.

The Grievance Hearing Committee shall conduct the hearing in accordance with established standards of administrative procedure. Unless the Grievance Hearing Committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant shall make the first presentation, followed by the respondent. The grievant may present rebuttal evidence after the respondent completes presentation of his or her evidence. The burden shall be on the grievant to prove by a preponderance of the evidence that the facts alleged are true and that a grievance has been established as presented in the written statement of the complaint.

Both parties shall have the right to present statements, testimony, evidence, and witnesses. Each party shall have the right to be represented by a single advisor but not a licensed attorney. The Grievance Hearing Committee may request legal assistance for the Committee itself through the College President. Any legal advisor provided to the Grievance Hearing Committee may be present during all testimony and deliberations in an advisory capacity to provide legal counsel but shall not be a member of the panel or vote with it.

The grievant shall, in consultation with the College Grievance Officer, have the right to be served by a translator or qualified interpreter to ensure his/her full participation in the proceedings.

Hearings shall be closed and confidential. No other persons except the Grievant and his/her representative and/or translator/interpreter, the Respondent and his/her representative, scheduled single witnesses,

the College Grievance Officer, the Grievance Hearing Committee members, and the Committee's legal advisor, if any, shall be present. Witnesses shall not be present at the hearing when not testifying, unless all parties and the Grievance Hearing Committee agree to the contrary. The rule of confidentiality shall prevail at all stages of the hearing. Moreover, the Grievance Hearing Committee members shall ensure that all hearings, deliberation, and records remain confidential in accordance with the Family Educational Rights and Privacy Act (FERPA), California Education Code Section 76200 et seq., and District Board Policies and Administrative Procedures related to the privacy of student and employee records.

The hearing shall be recorded by the District by electronic means such as audiotape, videotape, or by court reporting service and shall be the only recording made. No other recording devices shall be permitted to be used at the hearing. Any witness who refuses to be recorded shall not be permitted to give testimony. A witness who refuses to be recorded shall not be considered to be unavailable within the meaning of the rules of evidence, and therefore an exception to the hearsay rule for unavailability shall not apply to such witness.

At the beginning of the hearing, on the record, the Grievance Hearing Officer shall ask all persons present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain the property of the District and shall remain in the custody of the District at all times, unless released to a professional transcribing service. Any party to the grievance may request a copy of the recording. Any transcript of the hearing requested by a party shall be produced at the requesting party's expense.

Following the close of the hearing, the Grievance Hearing Committee shall deliberate in closed session with the Grievance Officer. The Grievance Officer shall assist with procedure but shall not be a voting member of the committee. These deliberations shall not be electronically recorded and the proceedings shall be confidential for all purposes. Within 30 days following the close of the hearing, the Grievance Hearing Committee shall prepare and send a written decision to the College Grievance Officer to be forwarded to College President. The decision shall include specific factual findings regarding the grievance, and shall include specific conclusions regarding whether a grievance has been established as defined in these procedures. The decision shall also include a specific recommendation regarding the relief to be afforded the Grievant, if any. The decision shall be based only on the record of the hearing, and not on any matters outside of that record. The record consists of the original grievance, any written response, and the oral and written evidence produced at the hearing, and additional information or documentation related to the hearing that is requested by the Grievance Hearing Committee. The District shall maintain records of all Grievance Hearings in a secure location on District premises for a period of 7 years.

College President's Decision

The College President, at his/her discretion, may accept, reject, or modify the findings, decision, and recommendations of the Grievance Hearing Committee. The factual findings of the Grievance Hearing Committee shall be accorded great weight. The College President may additionally remand the matter back to the Grievance Hearing Committee for further consideration of issues specified by the College President. Within 20 days following receipt of the Grievance Hearing Committee's decision and recommendation(s), the College President shall send to all parties his or her written decision, together with the Grievance Hearing Committee's decision and recommendations. If the College President elects to reject or modify the Grievance Hearing Committee's decision or a finding or recommendation contained therein, the College President shall review the record of the hearing, and shall

prepare a new written decision that contains specific factual findings and conclusions. The decision of the College President shall be final, subject only to appeal as described below.

Any party to the grievance may appeal the decision of the College President after a hearing before a Grievance Hearing Committee by filing an appeal with the Chancellor. The Chancellor may designate a District administrator to review the appeal and make a recommendation.

Any such appeal shall be submitted in writing within 5 days following receipt of the College President's decision and shall state specifically the grounds for appeal.

The written appeal shall be sent to all concerned parties by the Chancellor or designee. All parties may submit written statements, within 5 days of receipt, in response to the appeal.

The Chancellor or designee may review the record of the hearing and the documents submitted in connection with the appeal, but shall not consider any matters outside of the record and the appeal.

If the Chancellor chooses a designee to review the record and appeal statements, that designee shall make a written recommendation to the Chancellor regarding the outcome of the appeal. The Chancellor may decide to sustain, reverse or modify the decision of his/her designee.

The decision on appeal shall be reached within 21 days after receipt of the appeal documents. The Chancellor's decision shall be in writing and shall include a statement of reasons for the decision. Copies of the Chancellor's appeal decision shall be sent to all parties.

The Chancellor's decision shall be final.

Appendix VI

Sexual Assault

California Education Code Section 67385 requires that community college districts adopt and implement procedures to ensure prompt response to victims of sexual assault which occur on campus or during official campus events, as well as providing the victims with information regarding treatment options and services.

Ventura County Community College District exercises care to keep its campuses free from conditions which increase the risk of crime. Crimes of rape and other forms of sexual assault are violations of VCCCD standards and will not be tolerated on campus. California statutes and the VCCCD Standards of Student Conduct prohibit sexual assaults. Where there is cause to believe the District's regulations prohibiting sexual assault have been violated, the District will pursue strong disciplinary actions including suspension or dismissal from the college.

Ventura County Community College District is committed to providing prompt, compassionate services to those individuals who are sexually assaulted, as well as follow-up services, if needed.

Administrative Regulations and Procedures Concerning Incidents of Sexual Assault on Campus

1. Introduction

Education Code Section 67385 requires that the governing board of each community college district adopt and implement clear, consistent, and written procedures to ensure that specific victims of sexual assault which occurred on campus property or during college sponsored events shall receive information regarding available treatment options and services, both on and off campus, as well as to ensure that the colleges will promptly respond to the option selected by the victim.

2. Definitions

For the purpose of the legislation, the following definitions are offered.

- “Specific population” and “specific victim” include students, faculty and staff.
- “Sexual assault” is any kind of sexual activity which is forced upon a person against his or her will. The definition includes, but is not limited to: rape (including “date” or “acquaintance rape”), forced sodomy, forced oral copulation, rape by a foreign object, or sexual battery or threat of sexual assault.
- “On campus” is defined quite broadly to include: 1) any building or property owned or controlled by the District within the same reasonable contiguous geographic area and used by the District in direct support of, or related to, its educational purposes; or 2) any building or property owned or controlled by student organizations recognized by the institution.
- “Official college sponsored events” include, but are not limited to, all classes off campus, field trips, or any event on the college calendar.
- “Victim” of sexual assault is generally referred to here as being female, but could also include a male.

3. College Policy

Ventura College exercises care to keep the campus free from conditions which increase the risk of crime. Crimes of rape and other forms of sexual assault will not be tolerated on campus.

The Ventura County Community College District Student Code of Conduct prohibits sexual assaults, as do California criminal statutes.

The Board of Trustees commits the college to taking prudent action to prevent sexual assaults from occurring and to ensure that students, faculty and staff are not adversely affected for having brought forward a charge of rape or other forms of sexual assault. Where there is cause to believe the college’s regulations prohibiting sexual assault have been violated, Ventura College will pursue strong disciplinary actions which include the possibility of suspension or dismissal from the college.

In addition, a student, faculty, or staff member charged with sexual assault can be prosecuted under California criminal statutes in addition to being disciplined under the Student Code of Conduct or Education Code, as applicable. Even if prosecution does not take place, the campus may pursue disciplinary action.

The Board of Trustees is also committed to provide prompt, compassionate services to those individuals who are sexually assaulted and to provide follow-up services as needed.

4. Sexual Assault Response and Information

If you have been sexually assaulted, it is important that you seek help immediately. If you are the victim of a sexual assault, please take the following steps:

- Go to a safe place as soon as possible.
- Contact the Campus Police as soon as possible.
- Call someone you trust to be with you, such as a relative, close friend, or rape crisis counselor.
- Try to preserve all evidence. Do not wash, use the toilet, or change clothing. If you do change clothes, place all clothing – outer clothing as well as inner – into a paper (not plastic) bag.
- Do not bathe, shower or douche.

The Campus Police will assist with obtaining medical attention, either at the hospital or the Student Health Center. A Rape Crisis Counselor will be available at the hospital.

Following are the phone numbers for the Campus Student Health Centers:

Moorpark College – (805) 378-1413

Oxnard College – (805) 678-5832

Ventura College – (805) 289-6346

Further resources are available at each Student Health Center.

5. Legal Reporting Requirements and Procedures

The reporting of rape and other forms of sexual assault follows the same procedures as the reporting of any crime. No special information is required, but the report needs to include certain standard information such as where the incident occurred, to whom (identified by name and age) and exactly what happened.

Once a victim of sexual assault has chosen to notify authorities about the assault and chooses to pursue prosecution, a medical legal examination should be performed as soon after the assault as possible and within hours for evidence.

6. List of Campus Services and Personnel Available to Assist with Incidents of Sexual Assault.

- Campus Police, (805) 289-6486
- Mary Jones, (805) 289-6147
- David Bransky, (805) 289-6153

7. Procedures for Ongoing Case Management

With the victim’s consent, follow-up intervention may be provided, as needed, by the College Psychologist for psychological counseling. The Vice President of Student Affairs will track the victim’s academic progress and will assist, when requested, by arranging academic counseling, tutoring, and other services deemed appropriate.

The Vice President of Student Affairs or the Associate Vice Chancellor Of Human Resources will initiate disciplinary procedures and inform the victim of the status of any disciplinary actions and the Vice President Of Student Affairs will keep the College President informed.

The following individuals may also be contacted, as appropriate, on a need-to-know basis by the aforementioned administrators: ACCESS Director, Division Deans, Instructors, Chancellor, Vice Chancellor, Personnel Services or Public Information Officer.

8. Procedures to Guarantee Confidentiality

In all associations with the public, the media, family and friends of the victim, and in accordance with the Family Rights and Privacy Act and the Buckley Amendment, the name of the victim and/or specific details of the assault will be released only when essential to the health and safety of the individual assaulted or that of other members of the campus community. The Public Information Officer will be kept informed and will interface with the media, general public, students and staff. Other campus personnel dealing with the incident should refer any inquiries to the Public Information Office.

In addition, and in full accordance with Chapter 593 of the Education Code, no person, persons, agency or organization permitted access to student records (including security records about incidents involving the college’s students) shall permit access to any information obtained from those records by any other person, persons, agency or organization without the written consent of the students involved.

The victim of any sexual assault which is the basis of any disciplinary action taken by the community college shall be permitted access to that information in compliance with the Buckley Amendment. Access to this information shall consist of a notice of the results of any disciplinary action taken by the college and the results of any appeal.

This information shall be provided to the victim within three days following the said disciplinary action or appeal.

9. Information Regarding Other Options

Criminal Actions – Once an incident of sexual assault has been reported to the appropriate police department by college personnel, it is up to the police department to collect information, including the legal/medical exam, and to investigate the matter. The information is then turned over to the District Attorney’s office to determine if criminal prosecution is appropriate. The District Attorney’s office has the ultimate responsibility to determine whether the incident is a criminal offense and to bring it before the courts for punitive action against the assailant. Punitive consequences can include fines, probation and incarceration. If there is not sufficient evidence for the case to be passed on to the District Attorney, the police may decide to initiate an investigation to gather the necessary information which could lead to a prosecution.

Civil Actions – If the victim of the sexual assault decides that she/he wants to pursue a civil action for damages against the perpetrator, then the victim should consult with an attorney for the civil legal action. The District Attorney’s office is reluctant to refer to any particular civil attorney, but the Ventura County Coalition Against Domestic and Sexual Violence has a complete referral list of local attorneys with whom they have had experience. In addition, the names of attorneys may be obtained through the Ventura County Bar Association.

Disciplinary Process through the College – Various forms of discipline may be imposed on a student who is guilty of misconduct ranging from reprimand, probation, and suspension to expulsion. The student disciplinary procedures of the college are described in this catalog. They are initiated by the Vice President Of Student Affairs. Faculty and staff are subject to the college’s disciplinary action policies.

Mediation Services – Mediation between any of the “specific population” involved in a sexual assault incident at the college is available and may be arranged through the Vice President Of Student Affairs.

Academic Assistance Alternatives – Academic assistance for victims of sexual assault includes tutoring, switching to different sections or classes, academic counseling, receiving a grade of “Incomplete” or “Withdrawal,” or assistance in transferring.

Harassment Restraining Order – Under California law (section 527.6 of the Code of Civil Procedure), courts can make orders to protect people from being harassed by others. These orders are enforced by law enforcement agencies. A victim who desires to obtain such an order must file an action in the Superior Court. Simplified procedures for obtaining such orders have been established by the courts. An instructional booklet that tells what court orders a victim of harassment can obtain and how to get them is available from the Clerk of the Ventura County Superior Court, Hall of Justice, 800 South Victoria Avenue, Ventura, CA 93009.

Appendix VII

Student Discipline Procedures

Reference: Education Code Section 66300, 66301, 72122, 76030, 76033, 76232

A student enrolling in Ventura College assumes an obligation to conduct him/herself in a manner compatible with the college’s function as an educational institution. The purpose of this procedure is to provide a prompt and equitable means to address violations of the Student Code of Conduct which provides to the student or students involved appropriate due process rights. This procedure will be applied in a

fair and equitable manner and not for purposes of retaliation. It is not intended to substitute for criminal or civil proceedings that may be initiated by other agencies. These Administrative Procedures are not intended to infringe in any way on the rights of students to engage in free expression as protected by the state and federal constitutions, and by Education Code Sections 66301 and 76120, and will not be used to punish expression that is protected.

Student conduct must conform to the Student Code of Conduct established by the Governing Board of the Ventura County Community College District in collaboration with college administrators and students. Violations of such rules are subject to disciplinary actions which are to be administered by appropriate college authorities. The Ventura County Community College District has established procedures for the administration of the penalties enumerated here. College authorities will determine the appropriate penalty(ies).

Definitions of Key Terms:

Chief Student Services Officer (CSSO) – A college’s Vice President of Student Support or designee.

Day – Days during which the District is in session and primary term classes are in session, excluding Saturdays and Sundays.

District – The Ventura County Community College District.

Good Cause for Disciplinary Action – As used in this procedure, “good cause” for disciplinary action includes any violation of the VCCCD Student Code of Conduct as set forth in Board Policy 5500 and Education Code section 76033, when the conduct is related to college activity or college attendance.

Student Code of Conduct

The purpose of these standards is to ensure a safe, respectful and productive learning environment for VCCCD students, staff, faculty and administrators. In order for the colleges and the district to fulfill their mission of student learning achievement, all employees must feel secure in their work setting. Student conduct that negatively impacts the ability of students to meet their educational goals or employees to carry out their professional job responsibilities will be subject to the terms of this procedure.

Definitions: The following conduct shall constitute good cause for discipline, including but not limited to the removal, suspension or expulsion of a student.

The procedures shall be made widely available to students through the college catalog and other means. Students who violate any of the following standards for student conduct while at the district office, on the college campus or during off-campus college-sponsored activities are subject to the procedures outlined in Administrative Procedures 5520: Student Discipline Procedures:

1. Causing, attempting to cause, or threatening to cause physical injury to another person or to one’s self.
2. Possession, sale or otherwise furnishing a weapon, including but not limited to, any actual or facsimile of a firearm, knife, explosive or other dangerous object, or any item used to threaten bodily harm without written permission from a district employee, with concurrence of the College President or designee.
3. Use, possession, distribution, or offer to sell alcoholic beverages, narcotics, hallucinogenic drugs, marijuana, other controlled substances or dangerous drugs while on campus or while participating in any college-sponsored event.
4. Presence on campus while under the influence of alcoholic beverages, narcotics, hallucinogenic drugs, marijuana, other controlled substances or dangerous drugs except as expressly

permitted by law. (Use or possession of medical marijuana is not allowed on any college property.)

5. Committing or attempting to commit robbery or extortion.
6. Causing or attempting to cause damage to District property or to private property on campus.
7. Stealing or attempting to steal District property or private property on campus, or knowingly receiving stolen District property or private property on campus.
8. Willful or persistent smoking (including e-cigarettes or use of similar mechanisms) in any area where smoking has been prohibited by law or by regulation of the college or the District.
9. Engaging in intimidating conduct or bullying against another student through words or actions, including direct physical contact, verbal assaults, such as teasing or name-calling, social isolation or manipulation, and cyber-bullying.
10. Engaging in harassing or discriminatory behavior. The District's response to instances of sexual harassment will follow the processes identified in Board Policy and Administrative Procedures 3430.
11. Obstruction or disruption of classes, administrative or disciplinary procedures, or authorized college activities.
12. Disruptive behavior, willful disobedience, profanity, vulgarity, lewd, or other offensive conduct, on campus or during campus sponsored activities.
13. The persistent defiance of authority or abuse of District/college personnel.
14. Academic dishonesty, cheating, or plagiarism.
15. Dishonesty, forgery, alteration or misuse of District/college documents, records or identification, or knowingly furnishing false information to the District/college or any related off-site agency or organization.
16. Unauthorized entry to or use of District/college facilities.
17. Engaging in expression which is obscene, libelous, or slanderous, or which so incites students as to create a clear and present danger of the commission of unlawful acts on college/District premises, or the violation of lawful District administrative procedures, or the substantial disruption of the orderly operation of the District.
18. Violation of District/college rules and regulations including those concerning student organizations, the use of District/college facilities, or the time, place, and manner (see AP 3900) of public expression or distribution of materials.
19. Persistent, serious misconduct where other means of correction have failed to bring about proper conduct.
20. Unauthorized preparation, giving, selling, transfer, distribution, or publication of any recording or photography of an academic presentation in a classroom or equivalent site of instruction, including but not limited to written class materials, except as permitted by District policy, or administrative procedure.
21. Violation of professional ethical code of conduct in classroom or clinical settings as identified by state licensing agencies (Board of Registered Nursing, Emergency Medical Services Authority, Title 22, Peace Officers Standards & Training, California Department of Public Health).

Students who engage in any of the above are subject to the procedures outlined in AP 5520.

Faculty – Any academic employee of the District who has responsibility for the student's educational program.

Student – Any person currently enrolled as a student at any college or in any program offered by the District.

Time Limit – Any times specified in these procedures may be shortened or lengthened if there is mutual written concurrence by all parties.

Definitions of Types of Discipline (listed in order of severity)

The following sanctions may be imposed upon any student found to have violated the Student Code of Conduct. The selection of the degree of severity of sanction to be imposed shall be commensurate with the severity of offense. The availability of a less severe sanction does not preclude imposition of a more severe sanction in any circumstance where the more severe sanction is deemed appropriate.

Warning – Documented written or verbal notice to the student by the CSSO, or designee, that continuation or repetition of specific conduct may be cause for other disciplinary action. A warning is retained in the college discipline files for two complete academic years.

Reprimand – Written notice to the student by the CSSO, or designee, that the student has violated the Student Code of Conduct. A reprimand serves as documentation that a student's conduct in a specific instance does not meet the standards expected at the college and that further violations may result in more severe disciplinary sanctions. A reprimand is permanently retained in the college discipline files.

Temporary Removal from Class – Exclusion of the student by Faculty for good cause for the day of the removal and the next class meeting or activity. [Education Code Section 76032.]

Short-Term Suspension – Exclusion of the student by the CSSO, or designee, for good cause from one or more classes or activities for a period of up to ten (10) consecutive school days. [Education Code Sections 76030 and 76031.]

Immediate Interim Suspension – The College President or designee may order immediate suspension of a student for good cause from one or more classes and/or activities/programs, or from all classes and/or activities/programs of the college where he or she concludes that immediate suspension is required to protect lives or property and to ensure the maintenance of order. In cases where an interim suspension has been ordered, the time limits contained in these procedures shall not apply, and all hearing rights, including the right to a formal hearing where a long-term suspension or expulsion is recommended, will be afforded to the student within ten (10) days. A suspended student shall be prohibited from being enrolled in any community college within the District for the period of the suspension. [Education Code Sections 66017 and 76031; cf. Penal Code Section 626.2.]

Long-Term Suspension – Exclusion of the student by the College President for good cause from one or more classes and/or activities/programs, or from all classes and/or activities/programs of the college for up to the remainder of the semester and the following semester. A student suspended from all classes, activities and/or programs shall be prohibited from being enrolled in any community college within the District for the period of the suspension. [Education Code Sections 76030 and 76031.]

Expulsion – Exclusion of the student by the Board of Trustees from all colleges in the District for one or more terms when other means of correction fail to bring about proper conduct, or when the presence of the student causes a continuing danger to the physical safety of the student or others. [Education Code Section 76030.]

Procedures for Disciplinary Actions (listed in order of severity)

Any times specified in these procedures may be shortened or lengthened if there is mutual written concurrence by all parties.

Warning – The CSSO or designee, upon recommendation from Faculty or other District or college employee, shall review the report of alleged misconduct. If it is determined that there has been a violation of the Student Code of Conduct or the Education Code, the CSSO or designee will notify the student that the continuation and/or repetition of misconduct

may result in more serious disciplinary action. This notification may be delivered orally or in writing. Documentation of the misconduct and/or the notice given to the student shall be retained in the district discipline files for two complete academic years. Warnings may be appealed directly to the College President. Students may not request a student conduct hearing to appeal a warning. [Cf. Education Code Section 76232 - challenging content of student records.]

Reprimand – The CSSO or designee, upon recommendation from Faculty or other District or college employee, shall review the report of alleged misconduct. If it is determined that there has been a serious violation of the Student Code of Conduct or the Education Code, the CSSO or designee will notify the student that the continuation and/or repetition of misconduct may result in even more serious disciplinary action. This notification will be delivered in writing. Documentation of the misconduct and the written notice given to the student shall be permanently retained in the district discipline files. Reprimands may be appealed directly to the College President. Students may not request a hearing to appeal a reprimand.

Temporary Removal from Class – Any Faculty may remove a student from his or her class for good cause for the day of the removal and the next class meeting or activity. The Faculty shall immediately report the removal to his/her supervising administrator and the CSSO or designee. A meeting shall be arranged between the student and the Faculty regarding the removal prior to the day that the student is eligible to return to class. If the Faculty or the student makes the request, the CSSO or designee shall attend the meeting. The student is not allowed to return to the class for the day of removal and the next class meeting or activity without the concurrence of the Faculty. Nothing herein will prevent the CSSO or designee from recommending further disciplinary action in accordance with these procedures based on the facts that led to the removal. [Education Code Section 76032.]

Suspensions and Expulsions – Before any disciplinary action to suspend or expel is taken against a student, the following procedures will apply: **NOTICE:** The CSSO or designee will provide the student with written notice of the conduct warranting the discipline, stating the facts on which the proposed discipline is based, and providing any evidence on which the college may rely in the imposition of discipline. If the student is a minor, the college may contact the student's parent or guardian regarding any disciplinary referral. The notice shall be deemed delivered if it is personally served on the student, or the student's parent or guardian if the student is a minor, or deposited in U.S. mail to the student's most recent address on file with the college. The notice will include the following:

- the specific section of the Student Code of Conduct or Education Code that the student is accused of violating;
- a specific statement of the facts supporting the proposed discipline and;
- any evidence on which the college may rely in the imposition of discipline. Evidence that may identify other students or

which would result in the revelation of test questions or answers need not be provided in advance. Testimony relating to students not subject to discipline may be presented in a manner that protects the anonymity or safety of the third party student. If such testimony is needed, it may be presented under circumstances that protect the safety of such students or maintains the anonymity of other students, as the hearing officer may determine to be in the interests of justice. Similarly, evidence relating to test questions or answers may be presented, if possible, only in a manner that maintains the security of test questions or answers.

- the right of the student to meet with the CSSO or designee to discuss the accusation, and/or to respond in writing;
- the level of the discipline that is being proposed.

Time Limits – The notice described above must be provided to the student as soon as possible and no later than 15 days from the date on which the conduct took place or became known to the CSSO or designee;

Meeting – If the student chooses to meet with the CSSO or designee, the meeting must be requested within 5 days of receiving notice and must occur within 10 days after the request is made. At the meeting, the student must again be told the facts leading to the accusation, and must be given an opportunity to respond orally and/or in writing to the accusation to state why the proposed disciplinary action should not be taken.

Short-Term Suspension – Within 10 days after the delivery of the notice, or, if requested, 10 days after the meeting as to why the proposed disciplinary action should not be implemented, the CSSO shall decide whether to impose a short-term suspension, to impose some lesser disciplinary action, or to end the matter. Written notice of the CSSO's decision shall be provided to the student. The notice will include the length of time of the suspension, or the nature of the lesser disciplinary action, as well as any conditions or limitations placed on the student during the short-term suspension. The CSSO's decision regarding a short term suspension shall be final.

Long-Term Suspension – Within 10 days after the delivery of the notice, or, if requested, within 10 days of a meeting with the CSSO, or designee, the College President shall, based on the recommendation from the CSSO, or designee, decide whether to impose a long-term suspension. Written notice of the College President's decision shall be provided to the student. The notice will include the length of time of the proposed suspension, as well as a statement that the student will be prohibited from being enrolled in any college within the District for the period of the suspension. The notice will include the factual allegations on which the proposed suspension is based, any evidence in the possession of the District on which it will rely in support of the recommended suspension, the right of the student to request a formal hearing before a long-term suspension is imposed, and a copy of the procedures for the hearing.

Expulsion – Within 10 days after the delivery of the notice, or, if requested, within 10 days of a meeting with the CSSO, or designee, the College President shall, pursuant to a recommendation from the CSSO, decide whether to recommend expulsion to the Chancellor and Board of Trustees. Written notice of the College President's decision shall be provided to the student. The notice will include the right of the student to request a formal hearing before expulsion is imposed, the factual allegations on which the proposed expulsion is based, any evidence in the possession of the District on which it will rely in support of the recommended suspension, and a copy of the procedures for the hearing.

In addition to the above sanctions, the sanction of restitution may be imposed upon a student, where appropriate, to compensate for loss, damage, or injury. Furthermore, the sanction of administrative hold, to prevent a student from enrolling, may be placed on a student's records by the District if a long-term suspension from all classes and/or activities, or expulsion has been imposed following the formal hearing described below, or the student has failed to meet with the CSSO, or designee, regarding a pending disciplinary matter.

Hearing Procedures for Long-term Suspension and Expulsion

Request for Hearing – Within 5 days after receipt of the College President's decision regarding a long-term suspension or expulsion, the student may request a formal hearing before a hearing panel. The request must be made in writing to the College President and must include a date and the signature of the student or, if the student is a minor, the student's parent or guardian. If the request for hearing is not received within 5 days after the student's receipt of the College President's decision or recommendation in the case of expulsion, the student's right to a hearing shall be deemed waived.

Schedule of Hearing – The formal hearing shall be held within 20 days after a formal request for hearing is received. The parties involved will be asked to attend the hearing and will be given sufficient notice in writing as to the time and place at least 10 days prior to the hearing date.

Hearing Panel – The hearing panel for any disciplinary action shall be composed of one administrator, one faculty member, and one student. At the beginning of the academic year, and no later than October 1st, the College President, the Academic Senate President, and the Associated Students President shall each provide the names of at least two persons willing to serve on Student Disciplinary Hearing Panels. The College President, or designee, shall appoint the Hearing Panel from the names in this pool; however, no administrator, faculty member or student who has any personal involvement in the matter to be decided, who is a necessary witness, who is a relative of any party or witness, or who could not otherwise act in a neutral manner shall serve on a Hearing Panel. Upon notification of the Hearing Panel's composition, the student and the District shall each be allowed one peremptory challenge. The College President, or designee, shall substitute the challenged member or members and replace them with another member of the panel pool to achieve the appropriate Hearing Panel composition. In the event the pool names are exhausted in any one category, further designees shall be submitted by the College President the Academic Senate President, and/or the Associated Students President. The chairperson may, by giving written notice to both parties, reschedule the hearing as necessary pending the submission of alternate designees.

A quorum shall consist of all three members of the committee.

Hearing Panel Chair – The College President, or designee, shall appoint one member of the Hearing Panel to serve as the chair. The decision of the Hearing Panel Chair shall be final on all matters relating to the conduct of the hearing unless there is a vote by both other members of the Hearing Panel to the contrary.

Hearing Process – Prior to commencement of the hearing, the members of the hearing panel shall be provided with a copy of the accusation against the student and any written response provided by the student, and all applicable student due process policies and administrative procedures. The facts supporting the accusation shall be presented by a college representative who shall be the CSSO or designee. After consultations with the parties, in the interests of justice, a time limit on the amount of time provided for each party to

present its case, or any rebuttal, may be set by the hearing panel. Formal rules of evidence shall not apply. All members of the campus community shall be bound by the Student Code of Conduct or Code of Professional Ethics to provide only true testimony. Witnesses who are not members of the campus community will testify under oath subject to the penalty of perjury. Any relevant evidence may be admitted at the discretion of the Hearing Panel Chair, in consultation with the Hearing Panel. Hearsay evidence will be admissible, but will be insufficient, alone, to establish a charge against the student. The Hearing Panel Chair, in consultation with the Hearing Panel, shall be responsible for determining the relevancy of presented evidence and testimony, the number of witnesses permitted to testify, and the time allocated for testimony and questioning. The Hearing Panel Chair, in consultation with the Hearing Panel, shall further be responsible for instructing and questioning witnesses on behalf of the Hearing Panel, and for dismissing any persons who are disruptive or who fail to follow instructions. If either party refuses to adhere to the instructions of the Hearing Panel Chair the right to the hearing will be deemed waived. The Hearing Panel Chair shall have the final decision on all procedural questions concerning the hearing. Unless the Hearing Panel determines to proceed otherwise, the college representative and the student shall each be permitted to make an opening statement. Thereafter, the college representative shall make the first presentation, followed by the student. The college representative may present rebuttal evidence after the student completes his or her evidence. The burden shall be on the college representative to establish by a preponderance of the evidence that the facts alleged are true. The Hearing Panel may request legal assistance for the Panel itself through the College President. Any legal advisor provided to the Hearing Panel may be present during the hearing and in any deliberations in an advisory capacity to provide legal counsel but shall not be a member of the panel or vote with it.

Both parties shall have the right to present statements, testimony, evidence, and witnesses. Each party shall have the right to be represented by a single advisor but not a licensed attorney. The student shall, in consultation with the Hearing Panel, have the right to be served by a translator or qualified interpreter to ensure the student's full participation in the proceedings.

Hearings shall be closed and confidential. No other persons except the student and, the college representative and their non-attorney representatives and/or translators/interpreters, if any, a college appointed court reporter, if any, individual witnesses, the Hearing Panel members, and the Hearing Panel's legal counsel, if any, shall be present. Witnesses shall not be present at the hearing when not testifying, unless all parties and the Hearing Panel agree to the contrary. The rule of confidentiality shall prevail at all stages of the hearing. Moreover, the Hearing Panel members shall ensure that all hearings, deliberations, and records remain confidential in accordance with the Family Educational Rights and Privacy Act (FERPA), California Education Code Section 76200 et seq., and District Board Policies and Administrative Procedures related to the privacy of student and employee records. The hearing shall be recorded by the District by electronic means such as audiotape, videotape, or by court reporting service and shall be the only recording made. No other recording devices shall be permitted to be used at the hearing. Any witness who refuses to be recorded shall not be permitted to give testimony. A witness who refuses to be recorded shall not be considered to be unavailable. The Hearing Panel Chair shall, on the record, at the beginning of the hearing, ask all persons present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The recording shall remain the property of the District and shall remain in the custody of the District at all times, unless released to a professional transcribing service. The student may request a copy of

the recording; however, any transcript of the recording requested by the student shall be provided at the student's own expense.

Following the close of the hearing, the Hearing Panel shall deliberate in closed session. These deliberations shall not be electronically recorded and the proceedings shall be confidential. Within 5 days following the close of the hearing, the hearing panel shall prepare and send to the College President a written decision. The decision shall include specific factual findings regarding the accusation, and shall include specific conclusions regarding whether any specific section of the Student Code of Conduct was violated. The decision shall also include a specific recommendation regarding the disciplinary action to be imposed, if any. The decision shall be based only on the record of the hearing, and not on any matters outside of that record. The record consists of the original accusation, the written response, if any, of the student, and the oral and written evidence produced at the hearing. The District shall maintain records of all Disciplinary Hearings in a secure location on District premises for a period of 7 years.

College President's Decision

Long-Term Suspension - Within 15 days following receipt of the hearing panel's recommended decision, the College President shall render a final written decision. The College President may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the College President modifies or rejects the hearing panel's decision, the College President shall review the record of the hearing, and shall prepare a new written decision that contains specific factual findings and conclusions. The decision of the College President shall be final, and shall be reported to the District Chancellor.

Expulsion - Within 15 days following receipt of the hearing panel's recommended decision, the College President shall render a written recommended decision to the Chancellor. The College President may accept, modify or reject the findings, decisions and recommendations of the hearing panel. If the College President modifies or rejects the hearing panel's decision, he or she shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The College President's decision shall be forwarded to the Chancellor as a recommendation to the Board of Trustees.

Board of Trustees Decision

The Board of Trustees shall consider any recommendation from the Chancellor for expulsion at the next regularly scheduled meeting of the Board after receipt of the recommended decision. The Board shall consider an expulsion recommendation in closed session, unless the student has requested that the matter be considered in a public meeting in accordance with these procedures. [Education Code Section 72122.]

The student (and the parent or guardian if the student is a minor) shall be notified in writing, by certified mail, by personal service, or by such method of delivery as will establish receipt, at least 72 hours prior to the meeting, of the date, time, and place of the Board's meeting. The student may, within 48 hours after receipt of the notice, request that the hearing be held as a public meeting.

Even if a student has requested that the Board consider an expulsion recommendation in a public meeting, the Board will hold in closed session any discussion that might be in conflict with the right to privacy of any student other than the student requesting the public meeting. The Board may accept, modify or reject the findings, decisions and recommendations of the Chancellor. If the Board modifies or rejects the Chancellor's recommendation, the Board shall review the record of the hearing, and shall, within 30 days or by the next regular meeting

of the Board, whichever is later, prepare a new written decision which contains its specific factual findings and conclusions. The decision of the Board shall be final.

The final action of the Board on the expulsion shall be taken at a public meeting, and the result of the action shall be a public record of the District.

Appendix VIII

Students Right-to-Know

In compliance with the federal Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of the Ventura County Community College District to make available to all current and prospective students its student profiles of completion and transfer rates and crime awareness statistics.

Student Right-to-Know Completion and Transfer Rates for Fall 2012 Cohort

In compliance with the Student-Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2012, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three-year tracking period. Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three-year period, from Fall 2012 to Spring 2015. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer-prepared.' Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer-prepared' during a five semester period, from Spring 2013 to Spring 2015, are transfer students.

This information can be accessed through the following website: srtk.vcccd.edu/index.asp.

	MC	OC	VC
Completion Rate	74%	24.17%	30.29%
Transfer Rate	11.78%	4.03%	6.09%

Crime Awareness Statistics

The security of all members of the campus community is of vital concern to Ventura College. We ask anyone who witnesses or is a victim of a crime to immediately report it to Campus Police at (805) 289-6486. Also, we ask everyone to support crime prevention reporting possible unsafe conditions, such as darkened areas or poor lighting where criminal activity can take place. In compliance with the Campus Safety Act, the Campus Police Services department compiles annual crime statistics and prepares an Annual Safety Report. This report is available online by going to <http://www.vcccd.edu/departments/police/> and clicking on the link in the left-hand column; or in hard copy format at the Campus Police station on each campus. The Ventura County Community College District's Police Office reported the following crimes on the Ventura College campus in 2016:

Appendix IX

Financial Aid Programs

Purpose

The purpose of the Ventura County Community College District Financial Aid Office is to facilitate and foster successful academic participation of students who need help funding their education. In accordance with the Higher Education Act of 1965, as amended, the colleges have established the following Standards of Progress. While maintaining our responsibility as custodians of public funds, VCCCD's objective is to establish a Satisfactory Academic Progress (SAP) standard that is consistent with institutional goals and philosophies and at the same time sensitive to the needs of students. These standards apply to all students receiving financial aid from the following programs:

• **Board of Governors (BOG) Enrollment Fee Waiver:** A form of financial aid that waives enrollment fees for eligible California residents as defined by the California Community Colleges, Board of Governors **Minimum requirements for maximum success.**

Whether the goal is to move into a career or move on to a four-year university, California community colleges want to help students achieve their educational goals. The Board of Governors (BOG) Fee Waiver is available for eligible students at California community colleges, and will waive the per-unit enrollment fee at any community college throughout the state. Once a student qualifies for the BOG Fee Waiver, it's important they meet the academic and progress standards in order to avoid losing the fee waiver.

Academic — Sustain a GPA of 2.0 or higher

If a student's cumulative GPA falls below 2.0 for two consecutive primary terms (fall/spring semesters), they may lose their fee waiver eligibility.

Progress — Complete more than 50% of coursework each semester

If the cumulative number of units a student completes is not more than 50% in two consecutive primary terms (fall/spring semesters, or fall/winter/spring quarters), the student may lose their fee waiver eligibility.

Combination of Academic and Progress Standards

Any combination of two consecutive terms of cumulative GPA below 2.0, and/or cumulative unit completion of not more than 50% may result in loss of fee waiver eligibility.

How will students know?

Students will be notified within 30 days of the end of each term if they are being placed on either Academic (GPA) and/or Progress (Course Completion) probation. The notification will include the information that a second term of probation will result in loss of fee waiver eligibility. After the second consecutive term of probation, the student may lose eligibility for the fee waiver at their next registration opportunity.

How to regain eligibility

If a student loses eligibility for the BOG Fee Waiver, there are a few ways that it can be reinstated:

- Improve GPA or Course Completion measures to meet the academic and progress standards
- Successful appeal regarding extenuating circumstances
- Not attending their school district for two consecutive primary terms (fall/spring semesters)

The appeals process for extenuating circumstances includes:

- Verified accidents, illness or other circumstances beyond ones' control
- Changes in economic situation

2016:	118	76	107

- Evidence of inability to obtain essential support services
- Special consideration factors for CalWORKs, EOPS, DSPS and veteran students
- Disability accommodations not received in a timely manner

Please note that foster youth and former foster youth (“foster youth or former foster youth” means a person in California whose dependency was established or continued by the court on or after the youths’ 16th birthday and who is no older than 25 years of age at the commencement of the academic year) are not subject to loss of the BOG Fee Waiver under these regulations.

Assembly Bill 801, effective January 1, 2017, provides that homeless youth under 25 years of age, who have been verified at any time during the 24 months immediately preceding the receipt of his or her application for admission as a homeless child or youth under the federal McKinney-Vento Homeless Assistance Act, are eligible for enrollment priority and a BOG Fee Waiver for a period of six years from the date of admission or until age 25 is attained, provided they meet the minimum academic and progress standards as established by the Board of Governors.

Determination of homeless status must be made by one of the following:

1. A homeless service provider
2. The director of a federal TRIO program or Gaining Early Awareness and Readiness for Undergraduate Programs or a designee of that director
3. A financial aid administrator

For more information or further assistance, please contact the Financial Aid Office.

- **Federal Pell Grant:** Pell Grant program is an entitlement program that is based on financial eligibility and enrollment. Pell Grant Lifetime Eligibility Used: The amount of Federal Pell Grant funds a student may receive over his or her lifetime is limited by a new federal law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding a student can receive each year is equal to 100%, the six-year equivalent is 600%.

- **Federal Supplemental Educational Opportunity Grant:** FSEOG is a grant available to students who qualify for a Pell Grant. FSEOG is a campus-based program (limited funds). Awards are contingent on availability of funds and awarded to students with the greatest financial need.

- **Federal Direct Loans for Undergraduate Students**

Information about the William D. Ford Federal Direct Loan Program can be found on the financial aid website of the student's assigned primary college. The U.S. Department of Education is the lender for the Direct Loan Program. The Direct Loan program offers loans at a low interest rate with repayment terms designed with students in mind. In most cases, a student will not have to start repaying these loans until six months after graduation and/or enrolling less than half time. Direct Loans include Subsidized and Unsubsidized Student Loans and Parent Loans for Undergraduate Students (PLUS). Loans must be repaid with interest so it is important to understand your rights and responsibilities as a borrower. Students are advised to visit their campus website for specific loan procedures.

SULA: Subsidized Usage Limits Apply for First-time Borrowers - As of July 1, 2013, a first-time Federal Direct Subsidized Student Loan borrower (which is defined as someone who has no outstanding balance on a FFELP or Direct Loan when receiving a Direct Loan on or after July 1, 2013) is no longer eligible for the Direct Subsidized Loan if he

or she exceeds 150% of the published length necessary to graduate. They may, however, be eligible for the Direct Unsubsidized Loan (where interest begins accruing upon disbursement). For example, if you are enrolled in a 2-year associate degree program, the maximum period for which you can receive Direct Subsidized Loans is 3 years (150% of 2 years = 3 years). Certificate programs’ lengths vary. See the college catalog for program lengths. Additionally, the Direct Subsidized Loans that had been borrowed up to the 150% point will lose further government subsidy and interest will begin to become the student’s responsibility if they do not graduate by the 150% point (and continue to be enrolled in the same or a shorter undergraduate program). Additional information is available on the financial aid website of the student's assigned primary college.

- **Federal Work Study:** FWS is a campus based program that provides part-time employment (generally on campus) to undergraduate students. Awards are based on need and contingent on availability of funds.

- **Full-Time Student Success Grant (FTSSG):** The Full-Time Student Success Grant is a grant that is awarded to eligible Cal Grant B students who are enrolled full-time (12 or more units). The FTSSG is an incentive designed to encourage students to maintain full-time enrollment status and graduate or transfer sooner.

- **Cal Grant B and Cal Grant C:** Cal Grant recipients are selected by the California Student Aid Commission. To apply for the Cal Grant Program, you must submit the FAFSA or California Dream Act Application (if AB 540) and a Cal Grant GPA Verification form by March 2nd. If you do not meet the March 2nd priority filing deadline and are filing a FAFSA, you may have a second chance to compete for a Cal Grant by filing the FAFSA and GPA Verification form by September 2nd.

There are two types of Cal Grant B awards: Entitlement and Competitive.

- **Cal Grant B:** for students who are from disadvantaged and low income families. These awards can be used for tuition, fees, and access costs at qualifying California schools whose programs are at least one year in length.

- **Cal Grant C:** helps pay for tuition and training costs in vocational/technical programs not to exceed two years.

I. Student and Program Eligibility

Students must maintain satisfactory academic progress (34 Code of Federal Regulations Section 668.34). Students receiving financial aid must be enrolled in an eligible program of study, at their primary college, leading to an associate degree, an eligible vocational certificate, or a transfer program to a four-year college or university. A list of eligible programs can be found on the financial aid website of the student's assigned primary college.

- **Gainful Employment:** To qualify for federal student aid, the Higher Education Act requires that most for-profit programs and certificate programs at private non-profit and public institutions prepare students for "gainful employment in a recognized occupation." Under the U.S. Department of Education’s regulations, a program is considered to lead to gainful employment if the estimated annual loan payment of a typical graduate does not exceed 20 percent of his or her discretionary income or 8 percent of his or her total earnings. Gainful employment disclosures for Ventura College’s certificate programs can be found at www.venturacollege.edu/gainful-employment.

II. Application Verification

VCCCD is required to verify certain information provided by a student/parent on the Free Application for Federal Student Aid (FAFSA) or California Dream Application. Applications requiring review are flagged by the US Department of Education and California Student Aid

Commission. In addition, VCCCD is required to select and verify any FAFSA or Dream Act Application that contains incorrect or discrepant information. [34 CFR 668.54(a)(3)]; [34 CFR 668.16(f)]

III. Default or Overpayment on Title IV Funds

Students who are in default on a student loan or owe a Title IV program overpayment are not eligible for federal aid or Cal Grant. If a student owes an overpayment, the debt must be cleared before any federal aid will be disbursed. In the case of a student loan default, financial aid may be reinstated once the student makes satisfactory repayment arrangements with the holder of the loan and proof of such arrangements are submitted to the Financial Aid Office.

IV. Return to Title IV (R2T4)

Federal financial aid is awarded to a student under the assumption that the student will attend school for the entire period for which the assistance is awarded. When a student withdraws from all courses, the student may no longer be eligible for the full amount of Title IV funds that the student was originally scheduled to receive.

If a recipient of Title IV grants or loan funds withdraws from VCCCD after beginning attendance, the amount of Title IV grants or loan assistance earned by the student must be determined. If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned. If the student receives less Federal Student Aid than the amount earned, VCCCD offers a disbursement of the earned aid that was not received. This is called a post-withdrawal disbursement.

• Withdrawal Date

The withdrawal date established by VCCCD is the date used by the Financial Aid Office to determine the point in time that the student is considered to have withdrawn so the percentage of the payment period or period of enrollment completed by the student can be determined. The percentage of Title IV aid earned is equal to the percentage of the payment period or period of enrollment completed.

• Process for Calculation of Amount of Title IV Aid Earned by Student

The amount of Title IV aid earned by the student is determined by multiplying the percentage of Title IV aid earned by the total of Title IV program aid disbursed plus the Title IV aid that could have been disbursed to the student or on the student's behalf. If the day the student withdrew occurs when or before the student completed 60% of the payment period or period of enrollment, the percentage earned is equal to the percentage of the payment period or period of enrollment that was completed. If the day the student withdrew occurs after the student has completed more than 60% of the payment period or period of enrollment, the percentage earned is 100%. When a student fails to earn a passing grade in any of the classes, VCCCD must assume, for Title IV purposes that the student has unofficially withdrawn, unless VCCCD can document that the student completed the period.

• Title IV Aid to be Returned: VCCCD and Student

If the student receives more Federal Student Aid than the amount earned, VCCCD, the student, or both must return the unearned funds in a specified order as follows:

1. Direct Unsubsidized Loans.
2. Direct Subsidized Loans.
3. Direct PLUS Loans.
4. Federal Pell Grants for which a return of funds is required.
5. Federal Supplemental Educational Opportunity Grants (FSEOG) for which a return of funds is required.

When a Return of Title IV funds is due, VCCCD and the student may both have a responsibility for returning funds. Funds that are not the responsibility of VCCCD to return must be returned by the student. VCCCD exercises its option to collect from the student any funds VCCCD is obligated to return, and such funds required will become an obligation on the student's account for which the student will be responsible. This obligation is not reported to the Department of Education and simply remains as an obligation on the student's VCCCD account. Services such as registration and transcripts will be prohibited until this obligation is satisfied. Any unpaid balance will be reported to COTOP and state return refunds or lottery winnings may be used to offset this obligation.

If a recipient of Title IV grant or loan funds withdraws from a school after beginning attendance, the amount of Title IV grant or loan assistance earned by the student will be determined within 30 days after the student withdraws. If the amount disbursed to the student is greater than the amount the student earned, unearned funds must be returned to the Department of Education within 45 days following the date of notification sent to the student. If the obligation is not resolved within the 45 days of the notification, the unearned funds, will be reported to the National Student Loan Data System (NSLDS) as an overpayment and the student will be ineligible for Title IV funds (such as Pell, FSEOG, Direct Loans and other federal aid) at any institution until this overpayment is resolved. Although a student may be eligible for a refund of fees from VCCCD the student may still be required to repay all or part of their Title IV aid.

V. High School Diploma or Equivalent

In order to receive Federal/State financial aid, a student MUST have a high school diploma or its recognized equivalent. The Department of Education considers the following to be equivalent to a high school diploma:

- A General Education Development (GED) certificate
- Passing of the California High School Proficiency Examination (CHSPE)
- Homeschool Completion- Students must contact Admissions and Records for guidance in obtaining verification of high school completion.
- Ability to Benefit- Students must meet certain criteria to take an approved Ability to Benefit examination. Please contact the Financial Aid Office for additional information.

VI. Attending Hours

VCCCD will disburse financial aid based on attending hours. Therefore, the start date of your classes will dictate how much you will receive in each of your disbursement(s).

If you are registered and meet all financial aid eligibility requirements for your disbursement AND:

- You are registered and ALL of your classes begin on the first day of the semester, your first disbursement is scheduled and the specific date that disbursement begins is available on your portal after all charges are paid.
- Your enrollment includes a combination of classes that start on the first day of the semester AND classes that start later in the semester, you may receive a partial first disbursement of financial aid, if eligible, the first week of the semester. The remainder of the first disbursement will disburse approximately 7-10 days after your next class(es) begins.
- You are ONLY enrolled in late start classes (meaning those that start after the first day of the semester), your financial aid disbursement(s) will occur approximately 7-10 days after each late start class begins.

VII. Freeze Date

The Freeze Date, in financial aid terms, is the date that the Financial Aid Office will freeze enrollment for all financial aid applicants. On the freeze date, the financial aid system will lock a student's enrollment (units). A student's award will increase or decrease according to their enrollment.

VIII. Student Educational Plan (SEP)

It is the student's responsibility to enroll in courses that count toward his or her program of study. Students are strongly encouraged to make an appointment with an academic counselor to create a personalized Student Educational Plan (SEP). The Financial Aid Office may, at any time, require a student to meet with an academic counselor and create a SEP.

IX. Satisfactory Academic Progress (SAP)

Overview:

The Ventura County Community College District Financial Aid Offices establish Standards of Satisfactory Academic Progress (SAP) in accordance with federal regulations (34 Code of Federal Regulations Section 668.34). To be eligible for financial aid, students must meet or exceed these standards. The standards apply to all financial aid recipients and to all college coursework taken including coursework taken from outside colleges if that coursework has been submitted and appears on the Ventura County Community College District (VCCCD) transcript. **Failure to maintain these standards may result in loss of financial aid eligibility.**

STANDARD	MINIMUM REQUIREMENT
Qualitative Standard	A 2.00 minimum cumulative grade point average (GPA) in all coursework attempted.
Quantitative Standard	A 70% minimum course completion of all coursework attempted.
Maximum Time Frame	Attempted units may not exceed 150% of the number of units required to complete your educational objective.

• Grades

In determining the above standards, grades of A, B, C, D, P, CR (Credit), or CRE (Credit by exam) are considered completed coursework. Grades of F, I (Incomplete), IP (In Progress), W (Withdrawal), MW (Military Withdrawal), NC (No Credit), NP (No Pass), and RD (Record Delayed) are not considered completed coursework. All grades are considered attempted units.

• Maximum Time Frame

A student must complete his/her educational goal within 150% of the program length. All coursework appearing on his/her VCCCD academic transcript will count toward their Maximum Time Frame. **A student who has exceeded this time frame and/or cannot mathematically finish their program within this time frame, and/or has attained a BA/BS (for student loans only), MA/MS (for student loans only), or beyond (for student loans only), will be placed on Suspension and may be required to submit a Satisfactory Academic Progress Appeal Form for evaluation.**

Educational Goal	Units Required to Complete Goal*	Maximum Attempted Units (150%)*
AA/AS	60 units	90 units
Transfer	60 units	90 units
Certificate of Achievement	*	*

*Program lengths vary. See college catalog for program length.

• Evaluation

SAP will be evaluated at the conclusion of each payment period (semester). Calculation includes cumulative number of units completed/transferred to VCCCD divided by the cumulative number of units attempted/transferred to VCCCD. SAP is met if a student is achieving a 2.00 cumulative GPA or better and the pace is equal to 70% or higher and the student has not reached 150% of the units required for certificate, degree, or transfer program. Once the calculation is performed, the student's SAP status will be posted on the student's MyVCCCD portal.

• Warning

When a student fails to achieve a minimum 2.00 cumulative GPA or better and his/her pace is not equal to or higher than 70% he/she will be placed on **Warning**. A student is eligible for financial aid during the Warning period. At the end of the **Warning** period, a student **must** have a cumulative grade point average (GPA) of 2.00 and **must** also have completed a minimum of 70% of **all** attempted units.

• Suspension of Eligibility

When a student fails to achieve a minimum 2.00 cumulative GPA or better and his/her pace is not equal to or higher than 70% he/she will be placed on **Suspension**. When a student is placed on **Suspension**, he/she will no longer be eligible to receive federal financial aid until he/she **Reinstates** or successfully appeals. A student who is **Suspended** can: Appeal by completing a Satisfactory Academic Progress Appeal form or attend at his/her own expense until the student raises his/her cumulative grade point average (GPA) to 2.00 and attains a 70% minimum course completion rate. Reinstatement **is not** an option for students who have exceeded **Maximum Time Frame**.

• Reinstatement

A student **Suspended** for failing to meet SAP may regain eligibility by successfully appealing to the Financial Aid Office. A student may also regain eligibility by attending without receiving financial aid and attain the minimum cumulative grade point average (GPA) of 2.00 and minimum cumulative course completion rate of 70% of **all** attempted coursework. It is a student's responsibility to notify the Financial Aid Office in writing when he/she has reinstated him/herself. Reinstatement **is not** an option for students who have exceeded Maximum Time Frame.

• Probation

A student who successfully appeals will be placed on Financial Aid **Probation**. Financial aid is available during this **Probation** period. However, SAP will be evaluated at the end of the **Probation** term. During the **Probation** term, a student must complete 100% of all attempted units with a term GPA of 2.00 or better and must be following his/her approved **Academic Plan**. Failure to follow the terms of the appeal will result in **Suspension** of financial aid.

Academic Plan: An Academic Plan outlines the requirements that a student must adhere to in order remain eligible for financial aid while on Probation.

Student Educational Plan (SEP): A student who has been suspended or has exceeded maximum time frame, must meet with an academic counselor to develop a comprehensive SEP for an eligible program of study. The SEP must ensure that a student will meet SAP standards by a specified point in time.

- **Program of Study**

A student must declare an eligible program of study from their Primary College, which is the school granting their degree. Only one major change can be applied to an appeal once an Academic Plan (SEP) has been approved with the Financial Aid Office.

- **ESL Courses**

ESL coursework does not count against remedial units; however, the units do count toward Maximum Time Frame. Academic progress in ESL courses will be counted when assessing both a student's overall GPA and completion rate.

- **Remedial Courses**

Students are eligible to receive financial aid for remedial units if the remedial classes are prerequisites for entrance into a regular college program. Financial aid cannot be received for more than 30 attempted remedial units. Any remedial units exceeding the 30 unit limit will NOT be counted toward his/her enrollment for financial aid purposes. However, they will still count toward **Maximum Time Frame** and will still be included in the academic progress evaluation. A student should refer to the college catalog of his/her primary college for a list of remedial classes.

- **Repeated Coursework**

Federal regulations prevent the Financial Aid Office from paying for a course that has been passed and repeated more than one time. In order for a repeated course to be counted toward a student's enrollment status for financial aid purposes, a student may only repeat a previously passed course once (a total of two attempts). If a student enrolls in a previously repeated and passed course for a third time, this course will not count toward his/her enrollment for financial aid purposes.

Repeated courses may be included if the student received a withdrawal (W) or failing grade. Courses may be repeated consistent with district academic standards, as identified in the college catalog. All repeated courses do affect Satisfactory Academic Progress calculations. Grades of A, B, C, D, P, CR (Credit), or CRE (Credit by exam) are considered passing grades.

Suspension and Extension Appeals cannot override the federal regulation. If a student is in a class that is not eligible for payment, but the class is part of his/her approved Academic Plan (SEP), he/she will not be penalized for repeating the class, but he/she cannot receive financial aid for that class.

- **Appeal Process**

A student who has had his/her financial aid Suspended has the right to appeal, based on extenuating circumstances (see below), by submitting a Satisfactory Academic Progress (SAP) Appeal form. Appeals must be submitted to the Financial Aid Office within the semester the student is requesting aid. Deadline dates vary.**

Requirements

- Complete GetSAP Counseling online
- Complete the Satisfactory Academic Progress (SAP) Appeal form (if appealing Suspension of Eligibility for completion rate or GPA) or Satisfactory Academic Progress (SAP) Appeal to Extend form (if appealing Suspension of Eligibility for Maximum Time Frame)

o The appeal must include an explanation of the extenuating circumstances that led to Suspension of Eligibility. Examples of extenuating circumstances include: medical condition or illness of the student; death of an immediate relative; divorce or separation; military service; illness, injury or medical condition of a family member that required care; change in academic major or exceeded time frame; other similar situations that affected academic performance that were beyond the student's control.

o The appeal must also include information on what has changed in the student's situation that will allow the student to demonstrate satisfactory academic progress at the next evaluation, and/or what steps the student has taken to alleviate any obstacles (for example, meeting with academic counselor, tutoring, testing, reducing unit load, etc.).

- A complete appeal packet consists of: the completed appeal form, as described above; supporting documentation that supports the explanation of circumstances the student addressed in his/her letter (for example, copies of letters from doctors or counselors, divorce decree, medical information related to illness, death certificate, birth certificate); student educational plan (SEP) developed by an academic counselor along with any additional counseling forms.
- Incomplete appeal packets will not be accepted or will be automatically denied.

****Please refer to the Ventura College website for appeal deadlines.**

- **SAP Appeal Review Process**

First Level Appeal Decisions: SAP appeals will be reviewed by the Financial Aid Appeals Committee.

1. Approval: If an appeal is approved, the student will be placed on Financial Aid Probation and will receive notification outlining the specifics of his/her Probation.
2. Denial: If an appeal is denied, the student will receive notification outlining the specifics of his/her denial. A student may choose to file a 2nd Level SAP Appeal by the deadlines listed on the school's website.

Second Level Appeal Decisions: Students must submit the Financial Aid Satisfactory Academic Progress (SAP) Appeal – 2nd Level form to the Financial Aid Office.

1. Approval: If a 2nd Level SAP Appeal is approved, a student will be placed on Financial Aid Probation and will receive notification outlining the specifics of his/her Probation.
2. Denial: If a 2nd Level SAP Appeal is denied, a student will receive notification outlining the specifics of his/her denial. Denial decisions of 2nd Level SAP Appeal are **final**.

X. Fraud

A student who attempts to obtain financial aid fraudulently may be suspended or expelled from VCCCD, and from all financial aid program eligibility, as a result of formal student disciplinary action taken by the college. VCCCD is required to report such instances to local law enforcement agencies and the U.S. Department of Education Office of Inspector General. Restitution will be required of any financial aid received under fraud. Applications that are unusual or vary from normal activity may be flagged for further review. VCCCD is required to resolve any discrepancies or conflicting information with a student's application. Any combination of the following circumstances may

be considered a flag for potential fraud. These circumstances do not indicate guilt or innocence but merely provide warning signs of potential financial aid fraud.

- Out-of-district-address
- Distance Education courses only
- Random course patterns/enrollment not consistent with declared educational objective
- Failure to complete orientation and assessment
- Failure to provide accurate information on admissions application regarding prior colleges attended

Appendix X

Student Health Services

The Student Health Center on each campus is funded by the Student Health Fee (per Education Code Section 76355), and shall be available upon request to students who are currently registered and have paid the health fee. Incoming students, accepted to academic programs with health requirements as entry prerequisites, may have their health requirements met through the Student Health Centers.

Written practices and protocols for Student Health Center staff and procedures specific to registered nursing and licensed clinical social work activity in student health services are maintained in the offices of the Student Health Services Coordinator.

Student health services are not comprehensive and are not structured to address all the health care needs of District students.

Services may include:

- Preventative
- Clinical Care Services
- Health Education
- Mental Health Service

Special Services

The primary focus of Clinical Care services is assessment, treatment and referral. Services may include: first aid and basic emergency care, immunizations, TB screening, lab work, and medication associated with acute illness, communicable disease control, and fee-based health appraisals for academic programs requiring medical clearance.

As a secondary function, and to maintain the health of the campus community, the Student Health Centers may offer lab work or immunization for a fee.

Clinical Care Services are not a substitute for a student's primary medical care. Ongoing treatment will be referred to a student's own physician. Medical management should be supplemental to the primary treatment plan established by the student's own physician. If the student does not have a primary care provider, effort is made to connect them with community resources and transfer care.

Health education occurs during both Clinical Care and as outreach activities, and supports the goal of prevention. The primary focus of Mental Services is crisis management and short term psychological counseling. Mental Health services center on prevention, stabilization, initiation of case management and referral.

No health fee supported services may be used for providing care/services to employees. Services rendered to VCCCD employees for

first aid, TB clearance, and required immunizations will be financially supported by the employee or VCCCD.

Special services include Student Insurance Program, and participation on Campus Behavior Intervention, and Emergency Preparedness.

Contact the Student Health Center for lactation accommodations.

Appendix XI

Academic Freedom

The primary purpose of a college is to promote the exploration of ideas and the discovery and dissemination of knowledge and understanding. The College is to be an open forum for ideas and issues to be raised, challenged, and tested.

Academic freedom is the cornerstone of a college. Intellectual ferment is absolutely dependent upon academic and intellectual freedom. Freedom in teaching is fundamental for the protection of both faculty and students in teaching and learning. Freedom in research is fundamental to the advancement of knowledge.

The 1940 American Association of University Professors (A.A.U.P.) Statement of Principles on Academic Freedom and Tenure with 1970 Interpretative notes from the A.A.U.P. provide a nationally recognized definition of academic freedom, its protections and its responsibilities.

(a) Academic employees are entitled to freedom in the classroom in discussing their subject, but they should be conscientious regarding teaching subject matter which has no relation to their subject.

(b) Academic employees are entitled to full freedom in research and in the publication of results, subject to the adequate performance of their other academic duties, but research for pecuniary return should be based upon an understanding with the authorities of the institution.

(c) Academic employees are citizens, members of a learned profession, and officers of an educational institution. When they speak or write as citizens, they should be free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they should remember that the public may judge their profession and institution by their utterances. Hence, they should at all times be accurate, should show respect for the opinions of others, and indicate that they are not speaking for the institution.

It is the policy of Ventura County Community College District (VCCCD) that all academic employees, regardless of their employment status, should enjoy the privileges and exercise the responsibilities inherent in academic freedom as defined by the AAUP statement. In addition, all VCCCD employees enjoy the same protection and responsibilities within the context of their obligations. Furthermore, faculty tenure constitutes the strongest procedural safeguard of academic freedom and individual responsibility, and as such, is essential for the maintenance of intellectual liberty and high standards in teaching and scholarship.

Reference: BP 4030 Academic Freedom, Title 5, §51023; Accreditation Standard II.A.7. The intent of this statement is not to discourage what is controversial. Controversy is at the heart of free academic inquiry which the entire statement is designed to focus. The passage serves to underscore the need for teachers to avoid persistently intruding material which has no relation to the subject.

Appendix XII

Student Success and Support Program Rights and Responsibilities

The Student Success and Support Program (3SP) in the Ventura County Community College District recognizes that student success is the responsibility of the district's three colleges and its students. The program creates a framework for the provision of core matriculation services, including orientation, assessment and placement, and counseling/advising/educational planning services that are intended to increase student access and academic success. 3SP services also include the provision of intervention and follow-up services to academically at-risk students such as those that are on academic or progress probation, or are otherwise identified as at-risk students.

College and District Responsibilities

The district and its colleges shall develop processes to ensure that information regarding its matriculation policies under the Student Success and Support Program are accessible and available to all students during or prior to enrollment, and are included in class schedules, catalogs or other appropriate communications describing student rights and responsibilities under the 3SP. The colleges shall make reasonable effort to avoid duplication of services that are funded through the 3SP or funded through other programs.

Each of the district's colleges shall develop internal processes for the delivery of 3SP services to students. Appropriate college and district staff shall collaborate in the development of such processes to ensure accurate data collection and MIS reporting. No 3SP process will subject a person to unlawful discrimination as prohibited by subchapter 5 (commencing with section 59300) of chapter 10. Failure of a nonexempt student to meet the requirements of the 3SP may result in a hold placed on registration or loss of registration priority.

At a minimum the colleges and district shall provide students, as mandated and except as exempted, with of the following 3SP services:

- a) Orientation (via online or in-person delivery modes or a combination thereof)
- b) Assessment through placement tests, evaluation of external course work, evaluation of other colleges' assessment test scores, evaluation of other types of test instruments and scores, and other multiple measures;
- c) Counseling, advising and/or other educational planning service culminating in the development of an abbreviated and/or comprehensive student educational plan, identification of the student's educational goal, and course of study;
- d) Follow-up services to at-risk students;
- e) Referral of students to appropriate support services including but not limited to financial aid, support services for foster youth and military veterans, tutorial or other instructional support services, campus child care services, EOPS and/or DSPS programs and services; and to appropriate curriculum offerings that may be available including but not limited to basic skills, ESL and noncredit instructional programs.

ORIENTATION (Title 5, section 55521)

Each college shall provide students with information on a timely basis, as determined by the college, regarding policies, procedures and information including, but not limited to:

1. Academic expectations and progress and probation standards pursuant to section 55031;
2. Maintaining registration priority pursuant to section 58108;
3. Prerequisite or co-requisite challenge process pursuant to section 55003;
4. Maintaining Board of Governors (BOG) Fee Waiver eligibility pursuant to section 58612.
5. Description of available programs, support services, financial aid assistance, and campus facilities, and how they can be accessed;
6. Academic calendar and important timelines.
7. Registration and college fees.
8. Available education planning services.
9. Other issues, policies, and procedures the college determines as necessary to provide a comprehensive orientation to students.

ASSESSMENT (Title 5, section 55522)

Each college will provide assessment and placement services using multiple measures that include, but are not limited to:

1. Assessment test instruments for use in placing students in English, mathematics or English as a Second Language courses that are approved by the California Community Colleges' Chancellor's Office and appropriately validated for the college;
2. Self-Assessment instruments;
3. Evaluation of college coursework, assessment scores and placement recommendations from other colleges and universities;
4. Evaluation of other test scores including but not limited to AP, SAT, IB tests and EAP results.

No assessment test process shall be used in a manner or for a purpose other than that for which it was developed or has been otherwise validated; assessment tests including the TOEFL, in conjunction with multiple measures may be used to determine the admission of minors as special part-time or full-time students, and of international students. No assessment test, method, or procedure shall be used to exclude students from any particular course or educational program, except that districts may establish appropriate prerequisites pursuant to sections 55002 and 55003.

The colleges may use an assessment test to select students for its nursing program, provided that:

1. they comply with all other provisions of this subchapter;
2. the assessment test or other measures are used in conjunction with other assessment test, methods, or procedures to select students for enrollment in the nursing program; and
3. the Chancellor has determined that the assessment test predicts likelihood of success in nursing programs, has approved use of the assessment test for that purpose and has established statewide proficiency cut-off scores for that test pursuant to Education Code section 78261.

COUNSELING, ADVISING AND OTHER EDUCATIONAL PLANNING SERVICES

Each college shall provide counseling, advising and educational planning services which include, but are not limited to:

1. Assistance to students in the identification of an education and career goal and course of study, including, but not limited to, preparation for transfer, associate degrees, and career technical education certificates and licenses;
2. The provision of information, guided by sound counseling principles and practices, using a broad array of delivery, including technology-based strategies, to serve a continuum of student needs and abilities to enable students to make informed choices;
3. Guidance and assistance in the development of an education plan to accomplish a course of study related to a student's education and career goals.
4. Assistance to students in the exploration of education and career interests and aptitudes;

Each college shall make a reasonable effort to do all of the following:

1. ensure that all nonexempt students who are on academic or progress probation or facing dismissal participate in counseling as provided in section 55023;
2. ensure that all nonexempt students who do not have a course of study participate in counseling, advising, or other education planning services to assist them in the process of selecting an educational goal and course of study pursuant to section 55530;
3. ensure that all nonexempt students who are enrolled in non-degree-applicable basic skills courses participate in counseling, advising, or other education planning services.

NOTIFICATIONS: REQUIREMENTS OF THE STUDENT SUCCESS AND SUPPORT PROGRAM AND LOSS OF ELIGIBILITY FOR THE BOARD OF GOVERNORS (BOG) FEE WAIVER ELIGIBILITY

The district and its colleges notify students who are at risk of losing their enrollment priority due to their academic standing or due to exceeding the maximum unit limit as established under BP and AP 5055. The district and its colleges will notify students about the requirements of the Student Success and Support Program including notifying students who are at risk of losing Board of Governors (BOG) Fee Waiver eligibility due to their being placed on academic or progress probation for two consecutive terms.

The colleges will ensure that, within a reasonable time of receiving such notice, students shall have the opportunity to receive appropriate counseling, advising, or other educational planning services in order to provide students with an opportunity to maintain enrollment priority and fee waiver eligibility.

Appeals for the reinstatement of enrollment priority and the Board of Governor's Fee Waiver are initiated by students with the college Counseling office.

- The reinstatement decision for the Board of Governor's Fee Waiver is determined at each college. The reinstatement approval is based on verifiable evidence of extenuating circumstances, untimely accommodation for disabled students that applied for but did not receive accommodation, academic and/or progress improvement, changes in economic status, inability to obtain essential support services, no enrollment, and special consideration factors for CalWORKs, DSPS (EAC/ACCESS), EOPS and Veterans. Foster Youth and Former Foster Youth (up to 24 years of age) are not subject to the loss of fee waiver under the regulations.

For further information, see <http://www.venturacollege.edu/departments/student-services/financial-aid/loss-of-enrollmentloss-of-bog-fee-waiver>.

STUDENT EDUCATION PLAN

Each college shall provide students with an opportunity to develop Student Education Plans that are either:

1. **Abbreviated:** Abbreviated student education plans are one to two terms in length, designed to meet the immediate needs of entering students and those for whom a comprehensive plan is not appropriate; or
2. **Comprehensive:** The comprehensive Student Education Plan is tailored to meet the individual needs and interests of the student and may include other elements to satisfy participation requirements for programs such as EOPS, DSPS, CalWORKs, veterans' education benefits, athletics. It will address a student's education goal and program of study requirements, applicable course prerequisites or co-requisites, assessment for placement results, potential transfer institutions, the need for basic skills, and the need for referral to other support and instructional services as appropriate; and will include the steps the student needs to take on their educational path to complete their identified course of study. The planning process will take into account a student's interests, skills and career goals.

Each college shall develop processes to ensure that all continuing, nonexempt students have selected an educational goal, program of study and have developed a comprehensive Student Education Plan once they have completed 15 units of degree-applicable college coursework.

The district and its colleges will ensure that comprehensive educational plans are accessible and recorded in electronic form, and will make a reasonable effort to not duplicate educational planning processes for students participating in special programs.

If a student believes the district or college has failed to make good faith efforts to develop a plan, has failed to provide programs and services specified in the student education plan, or has otherwise violated the requirements of this section, the student may file a complaint pursuant to section 55534(a). See the section on Violations and Appeals further down in this document for complaint procedures.

STUDENT FOLLOW-UP

Each college shall establish a process to ensure it is evaluating the academic progress of, and providing appropriate student services to at-risk students.

Follow-up services shall be targeted to at risk students, specifically students enrolled in basic skills courses, students who have not identified an education goal and course of study, or students who are on academic or progress probation or facing dismissal. These services include, but are not limited to, academic or progress probation interventions, academic early alert systems, and referral to other support services.

ACCOMMODATIONS:

(a) Student Success and Support Program services for students with disabilities shall be appropriate to their needs, and colleges shall, where necessary, make modifications to the services provided or use alternative tests, methods,

or procedures to accommodate the needs of such students. Colleges may require students requesting such accommodations to provide proof of need. Disabled Students Programs and Services (DSPS) is authorized, consistent with the provisions of subchapter 1 (commencing with section 56000) to provide specialized services and modified or alternative services as identified in 55520. Notwithstanding this

authorization, participation in the DSPS program is voluntary and no student may be denied necessary accommodations in the assessment process because he or she chooses not to use specialized matriculation services provided by these programs.

(b) Student Success and Support Program services for students served by the Extended Opportunity Programs and Services (EOPS) who are disadvantaged by economic, social, and educational status shall be appropriate to their needs, and colleges shall, where necessary, make modification to the services provided or use alternative supports to meet the needs of such students. EOPS is authorized, consistent with the provisions of subchapter 2.5 (commencing with section 56200) of chapter 7 to provide services that are over, above, and in addition to services otherwise provided to all credit-enrolled students. Notwithstanding this authorization, participation in the EOPS program is voluntary and no student may be denied necessary supports because he or she chooses to not use specialized services provided by this program.

(c) Colleges shall ensure that Student Success and Support Program services are accessible for English language learners and are appropriate to their needs. Colleges shall, where necessary, make modifications to the services provided to accommodate the needs of such students. Modified or alternative services for limited or non-English-speaking students may be provided in English as a Second Language programs.

STUDENT RESPONSIBILITIES, EXEMPTIONS, AND APPEALS

Student Responsibilities

(a) All students shall be required to:

1. identify an education and career goal;
2. diligently engage in course activities and complete assigned coursework; and
3. complete courses and maintain progress toward an education goal and completing a course of study.

(b) Nonexempt first time students shall, within a reasonable period of time, be required to:

1. identify a course of study.
2. be assessed to determine appropriate course placement.
3. complete an orientation activity provided by the college.
4. participate in counseling, advising, or another education planning service pursuant to section 55523 to develop, at a minimum, an abbreviated Student Education Plan.

(c) For the purposes of this section, a first time student is a student who enrolls at the college for the first time, excluding students who transferred from another institution of higher education. For purposes of this section, first time enrollment does not include concurrent enrollment during high school. To the extent that a college has the capacity to require and provide the services identified in (b)(1) through (4) to other students, nothing in this section would preclude a college from doing so.

(d) Nonexempt students who have completed the services identified in (b)(1) through (4) shall be required to complete a comprehensive education plan after completing 15 semester units of degree applicable credit course work or prior to the end of the 3rd semester

(e) Failure to fulfill the required services listed in (b) may result in a hold on a student's registration or loss of registration priority pursuant to section 58108 until the services have been completed.

(f) Information obtained from the matriculation process shall be considered student records and shall be subject to the requirements of subchapter 6 (commencing with section 54600) of chapter 5.

EXEMPTIONS

Students may opt to exempt themselves from orientation, assessment, counseling, advising, or education plan development services if they meet one or more of the following criteria:

1. has completed an associate degree or higher;
2. has enrolled at the college solely to take a course that is legally mandated for employment as defined in section 55000 or necessary in response to a significant change in industry or licensure standards;
3. has enrolled at the college as a special part-time student pursuant to Education Code 76001.

Exempt students shall be notified that they may participate in those services.

Students who opt to exempt themselves from one or more of the services shall be advised that they will not receive priority registration that is granted to students who complete all of the services.

VIOLATIONS AND APPEALS

The district and its colleges shall notify students of their right to challenge any alleged violation of the provisions of this administrative procedure, and the steps required to do so.

1. Challenges and complaints relative to this administrative procedure shall be submitted pursuant to the requirements of the district Student Grievance Process.
2. If a challenge contains an allegation that a college or the district has violated the provisions of Title 5, section 55522(2), the district shall, upon completion of the challenge procedure established herein, advise the student that he or she may file a formal complaint of unlawful discrimination pursuant to subchapter 5 (commencing with section 59300) of chapter 10. Completion of the challenge procedure shall be deemed to be an effort at informal resolution of the complaint under section 59327.

Appendix XIII

Probation, Dismissal, and Readmission

Probation, dismissal, and readmission policies and procedures are designed to assist students in making progress toward realistic academic, career, and personal goals.

NOTICE: Students who are on two consecutive semesters of academic or progress probation, or any combination of the two, will lose registration priority. Two consecutive semesters means two primary semesters, Fall and Spring, with no more than a one-semester stop-out between them. Effective Fall 2016 students who are on two consecutive semesters of academic or progress probation, or any combination of the two, will also lose their eligibility for a BOG Fee Waiver. Two consecutive semesters means two primary semesters, Fall and Spring, with no more than a one-semester stop-out between them.

Students who lose registration priority and/or BOG Fee Waiver eligibility may appeal the loss. See Appendix XV—Enrollment Priorities for more information. See also <http://www.venturacollege.edu/departments/student-services/financial-aid/loss-of-enrollmentloss-of-bog-fee-waiver>.

STANDARDS FOR PROBATION: If a student has attempted at least twelve (12) semester units and has earned a grade point average below 2.0 in all units graded in accordance with the grading scale established by the Ventura County Community College District, the student shall be placed on academic probation.

A student who has enrolled in at least twelve (12) semester units shall be placed on progress probation when course grade entries of W, I, NC, and NP reach or exceed fifty percent (50%) of the units attempted.

NOTE: probationary status is computed using courses taken since fall 1981. Courses taken prior to fall 1981 are not in the computer data file and may not be included in the calculation of probation. This may alter a student's probationary status.

Special note to students claiming veteran's benefits—UNSATISFACTORY

PROGRESS: For the purpose of certification for educational benefits, academic probation is defined as the failure to complete a minimum of 50% of the total units attempted, and/or to maintain a minimum 2.0 cumulative grade point average. Unsatisfactory progress occurs when a veteran has been placed on academic probation for two consecutive semesters. Unsatisfactory progress must be reported to the Veteran's Administration, and the veteran may not be certified for future educational benefits. Any veteran placed on unsatisfactory progress must consult the campus Veteran's Office and receive academic counseling before educational benefits can be reinstated.

A student transferring to a college of the Ventura County Community College District is subject to the same probation and dismissal policies as students of this college district.

NOTIFICATION OF PROBATION: Each college in this district shall notify a student who is placed on probation at or near the beginning of the semester in which it will take effect but, in any case, no later than the start of the Fall semester. The student grade report, available at my.vcccd.edu, specifies the student status for both academic and progress categories as either "good standing" or "probation."

A student placed on probation is, as a condition of continuing enrollment, to receive individual counseling, including the regulation of his or her academic program. Each student shall also receive any other support services available to help the student overcome any academic difficulties.

REMOVAL FROM PROBATION: A student on academic probation for a grade point deficiency shall be removed from probation when the student's cumulative grade point average is 2.0 or higher.

A student on progress probation because of an excess of units for which entries of W, I, NC, and NP are recorded shall be removed from probation when the percentage of units in this category drops below fifty percent (50%).

STANDARDS FOR DISMISSAL: A student who is on academic probation shall be dismissed if the student earned a cumulative grade point average of less than 1.75 in all units attempted in each of three consecutive semesters.

A student who has been placed on progress probation shall be subject to dismissal if the percentage of units in which the student has been enrolled and for which entries of W, I, NC, and are recorded in at least three consecutive semesters reaches or exceeds fifty percent (50%).

NOTIFICATION OF DISMISSAL: Each college in the Ventura County Community College District shall notify a student who is dismissed at or near the beginning of the semester in which it will take effect but, in any case, no later than the start of the Fall semester. A student who is dismissed has the right of appeal. An exception to academic dismissal may be made only in the event of extreme and unusual medical and/or legal circumstances that can be supported by evidence provided

by the student, or in the event of improved scholarship. The petition for this purpose, Petition for Continued Enrollment or Readmission, is available in the Counseling Office.

CONTINUED ENROLLMENT OR READMISSION: A student applying for continued enrollment or readmission must submit a petition to explain what circumstances or conditions would justify continued enrollment or readmission. A student applying for readmission shall not be reinstated until a minimum of one semester has elapsed after academic dismissal. A student who is petitioning shall receive counseling to assess his or her academic and career goals and must have counselor approval of his or her educational program prior to registration. The petition for this purpose, Petition for Continued Enrollment or Readmission, is available in the Counseling Office.

Appendix XIV

Course Repetition Policy

A combination of withdrawals and graded attempts may not exceed three (3) times in the same course.

General Guidelines for Repetition of Credit Courses

Pursuant to Title 5, students are permitted three enrollment attempts to achieve a standard (passing) grade. Students may be permitted, under special circumstances, to repeat non-repeatable credit courses in which standard (passing) grades have been awarded. Students may also repeat credit courses that are designated as repeatable in the colleges' catalogs providing the maximum number of allowed enrollments per course or set of courses is not exceeded.

All enrollment attempts that result in an evaluative or non-evaluative grade on a student's permanent record are counted for purposes of this administrative procedure and pursuant to Title 5, Section 55023.

- Evaluative symbols are defined as standard passing grades of A, B, C or P/CR; and substandard grades of D, F and NP/NC.
- Non-evaluative symbols are defined as W. Military withdrawals are not counted as an enrollment attempt for purposes of this administrative procedure.

Courses that are repeated shall be recorded on the student's permanent academic record using an appropriate symbol. Annotating the permanent academic record shall be done in a manner that all work remains legible, insuring a true and complete academic history.

Students who have attempted the same course with any combination of withdrawals and graded attempts the maximum number of times may be eligible to petition a fourth enrollment attempt. The fourth attempt, if authorized, must reflect a grade other than W if the student has already received three W grades in the same class. The petition for this purpose, Petition for 4th Enrollment due to Extenuating Circumstances, is available in the Counseling Office and must be completed with a counselor.

Nothing herein can conflict with Education Code Section 76224 pertaining to the finality of grades assigned by instructors, or with Title 5 or district procedures relating to retention and destruction of records.

The district may not permit enrollment in credit courses beyond the limits set forth in BP 4225, AP 4225 and AP 4227 except as provided for under specific provisions of this section; see "Course Repetition to Alleviate a Substandard Grade".

The district will develop and implement a mechanism for the proper monitoring of course repetitions.

Course Repetition to Alleviate a Substandard Grade

A non-repeatable course in which a grade of C/P/CR or better is earned may not be repeated except as allowed under special circumstances (see AP 4227). Students are permitted a total of three enrollment attempts to achieve a standard (passing) grade. This rule applies to courses taken at any regionally accredited college, in which the student received a substandard grade as defined above. Once a passing grade of C/P/CR or better is received, he or she may not repeat the course again under this section. However, repetition may be allowable under special circumstances as defined below and in AP 4227.

In order to identify acceptable equivalencies in course and grading scale, course comparability shall be determined chiefly by content, as defined in the catalog course description, and not by course title or units.

The first two substandard grades will be excluded from the student's grade point average calculations if the student enrolls in and completes the class two or more times. The student's permanent record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history.

If a student repeats a repeatable course in which a substandard grade has been recorded, the substandard grade and credit may be disregarded provided that no additional repetitions are permitted beyond those limits specified in 55041(c)(6). No more than two substandard grades may be alleviated pursuant to this section.

A student who receives a substandard grade in a course that was approved for repetition due to a significant lapse of time will be permitted to utilize the grade alleviation process described in this section when the course in question is not designated as repeatable.

In determining the transfer of a student's credits, similar prior course repetition actions by other accredited colleges and universities shall be honored.

Petitioning a Fourth Attempt: a student who has taken a class three times and received a substandard grade each time may petition to take the class again. The petition must state verifiable extenuating circumstances that affected the student's past performance in the class and/or additional steps the student has taken to prepare to succeed in the petitioned course, and must be accompanied by verifiable documentation of circumstances. For purposes of this section, extenuating circumstances are verifiable cases of illness, accident or other circumstances beyond the control of the student.

Course Repetition Due to Significant Lapse of Time

Students may petition only one time to repeat a course in which a standard (passing) grade has already been awarded providing that the following conditions have been met:

The course was successfully completed more than three years prior, and:

- a) the district has established a recency prerequisite for the course, or
- b) another institution of higher education to which the student seeks to transfer has established a recency requirement which the student will not be able to satisfy without repeating the course in question. A student may petition to repeat a course where less than 3 years has elapsed if documents show that repetition is necessary for the student's transfer to the institution of higher education.

If it is determined that a student needs to repeat a repeatable active participatory course in physical education/kinesiology or visual or performing arts, or an active participatory experience course that is

related in content (defined as a "family" of courses") due to a significant lapse of time, that repetition shall count toward the maximum number of enrollments that are allowed, except that if the student has already exhausted the allowable course limitation, one additional repetition can be permitted due to lapse of time.

When a course is repeated pursuant to this section, both grades and credits will be included in the calculations of the grade point average. All coursework will remain legible on the student's permanent academic record.

Course Repetition Due to Extenuating Circumstances

Students may petition to repeat a course on the basis that the previous grade (whether substandard or passing) was, at least in part, the result of extenuating circumstances. Extenuating circumstances are verified cases of accidents, illness, or other circumstances beyond the control of the student.

When a course is repeated pursuant to this section, the previous grade and credit will be excluded from the calculations of the grade point average provided that no more than two substandard grades are excluded by course repetition. All coursework will remain legible on the student's permanent academic record.

Repetition of Variable Unit, Open Entry/Open Exit Courses

Students may enroll in a variable unit, open entry/open exit course as many times as necessary to complete the entire curriculum of the course as described in the course outline of record one time, but may not repeat any portion of the curriculum for the course unless:

1. the course is required for legally mandated training;
2. the course is a special class for students with disabilities which the student needs to repeat as a verified disability-related accommodation;
3. repetition of the course to retake a portion of the curriculum is justified by verified extenuating circumstances; or
4. the student wishes to repeat the course to alleviate substandard work recorded for a portion of the curriculum.

Students repeating a portion of a course pursuant to this section are subject to the repetition limitations applicable to repeatable courses.

When a course is repeated pursuant to this section, the previous grade and credit will be excluded from the calculations of grade point average. All coursework will remain legible on the student's permanent academic record.

Course Repetition Allowed Absent Substandard Academic Work

Under special circumstances, students may repeat courses in which a C/P or better grade was earned as noted below:

Legally Mandated Training Requirement

Students are allowed to repeat a course when repetition is necessary to enable that student to meet a legally mandated training requirement as a condition of continued volunteer or paid employment. Proof of legal necessity to repeat the course must be submitted with the petition to repeat the course. Students may repeat such courses any number of times, even if they received a grade of C/P or better; however, the grade received by the student each time will be included in calculations of the student's grade point average.

The term “legally mandated” is interpreted to mean “required by statute or regulation”, and excludes administrative policy or practice.

Legally mandated training courses will conform to all attendance accounting, course approval and other requirements imposed by applicable provisions of law.

Significant Change in Industry or Licensure Standards

Students may petition to repeat a course needed for employment or licensure because of a significant change in industry or licensure standards. Students may take these courses any number of times. The petition for this purpose is available in the Admissions and Records Office; petition will require substantiating verifiable documentation or independent verification.

Courses Designated as Repeatable

Courses designated as repeatable shall be identified in the course descriptions in the college catalog. The district will devise and implement a mechanism for the proper monitoring of such repetitions, including the determination and certification that each identified course meets the criteria specified in Title 5, Section 55041(c), 58161, 55041(a) (1), 55041(a)(2), 55041(a)(3)

The three types of courses that may be determined as repeatable include:

1. Repetition of a course is necessary to meet the major requirements of a California State University (CSU) or University of California (UC) for a bachelor’s degree (supporting documentation required).
2. Intercollegiate Athletics course
3. Intercollegiate academic or vocational competition course

Courses designated as repeatable shall be identified in the course descriptions in the college catalog. The district will devise and implement a mechanism for the proper monitoring of such repetitions, including the determination and certification that each identified course meets the criteria specified in Title 5 Section 55041c., 58161.

Students may enroll in courses that have been designated as repeatable for not more than four semesters. For purposes of this administrative procedure, summer or other intersessions count toward the maximum number of repetitions allowed. For purposes of this administrative procedure, withdrawals count toward the maximum number of repetitions allowed. When a course is repeated pursuant to this section, the grade received each time will be included in the calculations of grade point average.

Where the colleges establish levels of courses that are related in content (e.g. families of courses that consist of similar primary educational activities in which skill levels or variations are separated into distinct courses with different student learning outcomes for each level or variation) enrollment is limited to a maximum of four times inclusive of "W" grades.

The attendance of students in credit activity courses may be claimed for apportionment for a maximum of four semester enrollments inclusive of summer and other intersessions. This limitation applies even if the student receives a substandard grade, or a "W" grade, for one or more of the enrollments in such a course or petitions for repetition due to special circumstances as defined herein and by Title 5 Section 55045.

Repetition of Special Classes for Students with Disabilities

Students with disabilities can repeat a special class for students with disabilities any number of times when an individualized determination verifies that such repetition is required as a disability-related accommodation. Such determination will generally be provided by a qualified instructor or academic counselor. The individualized determination must verify one of the following conditions:

- The success of the student in other general and/or special classes is dependent on additional repetitions of the special class in question;
- Additional repetitions of the special class in question are essential to completing the student’s preparation for enrollment into other regular or special classes; or
- The student has a student educational contract which involves a goal other than completion of the special class in question and repetition of the course will further achievement of that goal.

Repetition of Cooperative Work Experience Education Courses

Students are allowed to repeat a cooperative work experience course if a college only offers one course in cooperative work experience. Where only one work experience course is offered, students may be permitted to repeat this course any number of times as long as they do not exceed the limits on the number of units of cooperative work experience set forth in Title 5 Section 55253(a) and 55252.

Occupational work experience and general work experience are types of cooperative work experience. Occupational work experience “is supervised employment extending classroom occupational learning at an on-the-job learning stations relating to the students’ educational or occupational goal.” (sec 55252(b)) General work experience, on the other hand, is supervised employment that helps the student acquire “desirable work habits, attitudes, and career awareness that does not have to be related to the students’ educational goals”. (sec 55252(a))

Appendix XV

Enrollment Priorities

The Ventura County Community College District assigns enrollment priority to all new, continuing, and returning students in accordance with the California Education Code and Title 5 Administrative Code. Enrollment priority is also known as registration priority.

NEW STUDENTS receive enrollment priority after completing orientation, assessment and a student educational plan. These may be accomplished in different ways including but not limited to completing the online orientation or attending an in-person session; taking the assessment tests, submitting transcripts of other college work completed and/or other test scores for evaluation; completing a one- or two-semester “abbreviated” educational plan, or developing a comprehensive educational plan that is approved by an academic counselor.

- Exemption from a service: New students have the right to request an exemption from orientation, assessment and/or educational planning activities based on criteria identified below. The exemption criteria are as follows:
 - o Student has earned an Associate or higher degree

- o Student is enrolling solely to take a course that is legally mandated for employment or necessary in response to a significant change in industry or licensure standards.

CONTINUING STUDENTS have been enrolled in one or more of the two previous primary semesters. Only continuing students are eligible to apply for a high-unit waiver.

Continuing students receive enrollment priority based on the number of completed and in-progress degree-applicable units taken at any of the colleges in this district providing they have not been placed on academic or progress probation for two consecutive terms. Transfer units are not used to calculate enrollment priority. Continuing students that started in Fall 2014 and did not complete the Student Success activities including orientation, assessment, and an initial or comprehensive educational plan will not be eligible for priority registration as other continuing students.

Limitations

- Continuing students who have earned more than 90 units will lose enrollment priority and will register during open registration unless they successfully petition for a waiver that reinstates them to the previous enrollment priority. The petition for reinstatement of enrollment priority is initiated through a counseling appointment.
 - o Students may petition for reinstatement of registration priority if they are enrolled in a high-unit major or program of study, high-unit transfer major; or are registering for their last semester at a college within the VCCCD.
- Continuing students who are placed on academic or progress probation or other serious academic sanction for two consecutive terms will lose enrollment priority and will register during open registration. Students who lose their priority may appeal if they have verifiable extenuating circumstances. Extenuating circumstances are defined as verifiable cases of accident, illness or other circumstances beyond the student's control. The petition to appeal loss of enrollment priority is initiated through meeting with a counselor. An approved appeal will result in the reinstatement of enrollment priority.
- Appeals must be supported by verifiable documentation of circumstances.

RETURNING STUDENTS have been previously enrolled at the college, but has not enrolled for either of the previous two primary semesters. Returning students must reapply for admission.

Returning students who have not attended in at least one year, who have completed fewer than 90 units, are in good academic standing in the Ventura County Community College District, and have completed orientation, assessment and an educational plan will have registration priority over returning students who do not meet these criteria.

SPECIAL ADMISSION STUDENTS are concurrently enrolled minors attending public, private, or home school who are also taking classes at a within in the district.

Special Admission students register behind other groups as designated by state mandate California Education Code, Section 76001(e)(1). Where the District has an MOU with specific high schools that designate them as partners in a "middle college high school" agreement, the students from those high schools will be afforded priority over other special admission students.

ASSIGNMENT OF ENROLLMENT PRIORITIES IN THE VCCCD

Pursuant to Title 5 Sections 58106, 58108; Education Code Section 66025.8 et. seq. within the Ventura County Community College District, priority registration appointments are assigned based on the following criteria and in the following order:

1. Priority as defined by statute for;
 - EOPS students
 - DSPS students
 - Foster youth and former foster youth
 - Homeless youth
 - Military Veterans and active duty personnel

(NOTE: all continuing and returning student in these groups must be in good standing; all new students in these groups must have completed orientation, assessment, and an education plan)

2. Student athletes beyond their first semester as verified by a designated athletics counselor and students currently participating in a First Year Experience cohort. All continuing students must be in good academic standing and, have an active education plan and an informed program of study; students new to the college must have completed orientation, assessment and an educational plan.
3. Continuing students with 76-90 units who are in good academic standing
4. Continuing students with 45-75 units who are in good academic standing
5. Continuing students with 30-44 units who are in good academic standing
6. Continuing students with 15-29 units who are in good academic standing
7. Continuing students with 1-14 units who are in good academic standing and Middle College Special Admission high school students.
8. New students who have completed orientation, assessment, and an educational plan; and Returning students who have not attended in at least one year, who have completed fewer than 90.5 units, are in good academic standing in the Ventura County Community College District, and have completed orientation, as-sessment, and an educational plan.
9. Open registration for all students (excluding Special Admission students), including:
 - All students that have been placed on academic or progress probation or more serious academic sanction for two consecutive terms unless they successfully appeal for reinstatement of enrollment priority based on veri-fiable extenuating circumstances.
 - New and returning students who choose to be exempt from participating in orientation, assessment, and/or the development of a student educational plan (see Exemption information above).
 - Continuing and returning students with more than 90 units unless they successfully petition for reinstatement of enrollment priorities.
10. Other Special Admission high school students and other concurrently enrolled minors.

DEFINITIONS

Abbreviated Educational Plan: A plan that identifies the courses a new student will take in their first one or two semesters. An abbreviated educational plan may be developed by a student with or without the help of an academic counselor, and is not approved by a counselor. Abbreviated educational plans are required for all new non-exempt students; however, a comprehensive educational plan will also satisfy this requirement.

Comprehensive (Active) Educational Plan: A plan that identifies the courses a student must take to complete their informed program of study and reach their educational goals. The comprehensive educational plan is generally at least two semesters long, and ideally will be long enough to identify everything a student must do to achieve their educational goal. Comprehensive educational plans are required for all students who have completed 15 units of college coursework, and must be approved by an academic counselor during a counseling appointment.

Good Academic Standing: Defined *solely for purposes of assigning enrollment priority* as a student who has not been on academic or progress probation or dismissal for two consecutive terms. Students who are on probation for two consecutive terms will lose enrollment priority for the next term.

Informed Program of Study: The degree, certificate or transfer program of study that a student declares upon completing 15 units of college coursework. The “informed program of study” is the basis for a student’s comprehensive educational plan.

Primary Semesters: fall and spring

Appendix XVI

Academic Renewal without Course Repetition

Students may petition to have a portion of previous college work disregarded in meeting academic requirements in the colleges of the VCCCD when that work is not considered to be reflective of the student’s present demonstrated ability and level of performance. Academic Renewal is intended to facilitate the completion of requirements necessary for an academic degree or certificate, or transfer.

Academic Renewal Option

A student may petition to disregard a maximum of 24 semester units of any courses with less than a “C” or equivalent grade. Academic renewal may not be applied to any course that has been used to satisfy associate degree, certificate of achievement, IGETC or CSU-GE transfer general education breadth requirements. A student may disregard a maximum of 24 or fewer semester units of any courses with less than a “C” or equivalent grade taken during any five terms maximum (summer is considered one term), not necessarily consecutively.

Eligibility

To qualify for academic renewal, students must do all of the following:

- Submit official transcripts of all college work.
- Wait 12 months after the course work to be disregarded is completed.
- Students must demonstrate recent academic success based on the coursework they have completed at any regionally accredited college after the coursework that is being petitioned for exclusion through academic renewal. Recent academic success may be demonstrated by one of the following:

- o Completing at least 12 semester units with a minimum 3.0 cumulative GPA, or
 - o Completing at least 15 semester units with a minimum 2.5 cumulative GPA, or
 - o Completing at least 24 semester units with a minimum 2.0 cumulative GPA
- The colleges of the VCCCD will honor similar actions by other regionally accredited colleges and universities in determining grade point averages and credits.

Petition Process

The petition form for this purpose, is “Petition for Academic Renewal” is initiated by the student through a Counseling appointment.

Recording of Academic Renewal:

Once the Petition for Academic Renewal is granted, the student’s permanent academic record shall be annotated in such a manner that all work remains legible, insuring a true and complete academic history.

Academic renewal actions are permanent and irreversible.

The student should be aware that other colleges or universities may have different policies concerning Academic Renewal and may not honor this policy.

Appendix XVII

Drug-Free District Policy

The District shall be free from all illegal drugs and from the unlawful possession, use, or distribution of illicit drugs and alcohol by students and employees.

The unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in all facilities under the control and use of the District.

Any student or employee who violates this policy will be subject to disciplinary action, (consistent with local, state, or federal law), which may include referral to an appropriate rehabilitation program, suspension, demotion, expulsion or dismissal.

The Chancellor shall assure that the District distributes annually to each student the information required by the Drug-Free Schools and Communities Act Amendments of 1989 and complies with other requirements of the Act.

See Administrative Procedure 3550.

Appendix XVIII

Smoking Policy

Smoke and Tobacco Free Policy

In the interest of the health and welfare of students, employees, and the public, smoking and tobacco use is prohibited on the Ventura College Main Campus as well as the Ventura College Santa Paula Site. This policy was effective June 1, 2017.

The smoke-free policy is one that prohibits the use of smoke-producing tobacco, such as cigarettes, cigars, cigarillos, small cigars, pipes and hookah. It also includes nicotine delivery devices such as electronic cigarettes. The tobacco free policy prohibits the use of any tobacco products, including but not limited to cigarettes, cigars, cigarillos, small cigars, pipes, hookah, and smokeless tobacco (otherwise known as dip, chew, snuff, spit, snus) and other smokeless products.

Smoking and/or the use of smokeless tobacco products are prohibited in all indoor and all outdoor campus property, including parking lots, facilities and vehicles, whether owned, rented or leased.

For help with Smoking Cessation Products contact the Student Health Center at 289-6346.

Questions regarding this policy, shall be directed to the President or his/ her designee.

Appendix XIX

Solicitation

The solicitation, selling, exposing for sale, offering to sell, or endorsing of any goods, articles, wares, services or merchandise of any nature whatsoever for the purpose of influencing lease, rental, or sale at a college is prohibited except by written permission of the District Chancellor, President of the College or the President's designee. This policy applies to all students, staff, and all others.

Nothing in this policy shall be construed to revoke the rights and privileges of students as specifically granted by education code sections and board policy with regard to fundraising activities, examinations of instructional materials, or other activities sanctioned by federal, state, and local regulations.

Appendix XX

Publicity Code and Information Dissemination

Students wishing to post, display, distribute, or otherwise make known an activity, event, or other piece of information should seek advance approval from Student Activities Office. This policy applies to all printed material distributed by students and all others on the Ventura College campus including, but not limited to, all petitions, circulars, leaflets, newspapers, and all materials displayed on bulletin boards, kiosks, signboards, or other such display areas. In no case should printed materials be placed on lamp poles, buildings, windows, doors, retaining walls, painted surfaces, sidewalks, plants, and other such places.

All printed materials should be clearly designed to meet the needs of students, staff, and faculty; and the event, activity, or program should be of obvious benefit to members of the campus community. All posted materials must display the VCCCD college campuses approval stamp. Requests by off-campus individuals or agencies to disseminate

materials on the VCCCD college campuses should be referred to the Student Activities Office. Such material must be of a high campus value and pre-approval is required.

Posting of materials on bulletin boards and dissemination of information or petitions will be governed by time, place, situation, and manner requirements.

Coercion is not to be used to induce students to accept any printed material or to sign petitions. Individuals or groups are expected to use good taste in their manner of expressing ideas according to current law or civic policy.

Please see Appendix I for information regarding Privacy Rights Governing Student Records and campus policy regarding the dissemination of information from student educational records. Questions regarding this policy should be addressed to the Registrar's Office.

Appendix XXI

Use of Student Image, Likeness, or Voice

The VCCCD college campuses often hosts events that are open to the public such as, but not limited to, graduation, athletic competitions, job fairs, speakers, and various activities held at the theatre. Those events are considered news events. Such an event may be photographed, videotaped or Webcast for purposes of archiving the event, educational use, or publicity. Students, staff and faculty who attend those events may have their image or voice captured on video, Webcast or photograph. Due to the nature of the events, the VCCCD college campuses has no means by which to prevent such photographs, videotaping or web castings from including a specific student's image or voice. By attending the event, a person is granting the VCCCD college campuses the right to use any such still or motion images or voice recordings in future publicity or publications as needed and without compensation. No release shall be required by the VCCCD college campuses to utilize in an appropriate manner any images captured during a public event, even if the subject is a minor.

Appendix XXII

Distance Education

Definition

Distance education means instruction in which the instructor and student are separated by distance and interact through the assistance of communication technology. This definition includes both hybrid and fully online courses.

Course Approval

Each proposed or existing course offered by distance education shall be reviewed and approved separately. Separate approval is mandatory if any portion of instruction in a course replaces face-to-face time, or if an entire section of a course is designed to be provided through distance education.

The review and approval of new and existing distance education courses shall follow the curriculum approval procedures outlined in Administrative Procedure (AP) 4020, Program and Curriculum Development. Distance education courses shall be approved under the same conditions and criteria as all other courses.

Certification

When approving distance education courses, the Curriculum Committee (CC) will certify the following:

A. Course quality standards: The same standards of course quality are applied to distance education courses as are applied to traditional classroom courses.

B. Course quality determinations: Determinations and judgements about the quality of distance education courses are made in accordance with all CC course approval criteria and procedures.

C. Instructor contact: Each section of a course that is offered through distance education will include regular effective contact between instructor and students. Distance education includes the following specifications of instructor/student contact:

1. Instructor-initiated interaction: In hybrid or fully online courses, ensuring regular effective instructor/student contact guarantees the student receives the benefit of the instructor's presence in the learning environment both as a provider of instructional information and as a facilitator of student learning.

In face-to-face instructional format, instructors are present at each class meeting and interact via class announcements, lectures, activities and discussions, which take a variety of forms. In hybrid and online instructional formats, instructors will regularly initiate interaction with students to assess if they are doing all of the following:

- a. Accessing and comprehending course material
- b. Participating regularly in course activities

Faculty office hours are not included as fulfilling the regular effective contact requirement and are a separate requirement. Providing students with an open-ended question forum, although appropriate, does not constitute the entirety of effective instructor-initiated interaction.

Instructor-initiated interaction will create an environment of academic integrity that discourages fraud in the form of student misrepresentation and constitutes a means for the following:

- a. Monitoring satisfactory progress, defined as earning grades consistent with a final course grade of a "C" or "Pass"
- b. Tracking student attendance
- c. Determining the last day of attendance for students who drop the course via the following methods:
 - Prior to the first census date, the instructor will initiate an activity that requires student participation
 - The instructor will include various robust assessments and assignments on a frequent basis throughout the semester

2. Frequency of interaction: Distance education courses are considered the virtual equivalent of traditional classroom courses; thus, the frequency of instructor/student interaction in a distance education course will be at least the same as would be established in its face-to-face counterpart. At the very least, the number of instructor contact hours per week that would be available for face-to-face students will also be available, in asynchronous instructional methodologies, contact shall be distributed in a manner that ensures regular instructor/student contact is maintained over the course of a week and the duration of the term, and should occur as often as is appropriate for the course.

3. Establishing expectations and managing unexpected instructor absence: An instructor and/or department established policy describing the frequency and timeliness of instructor-initiated contact and instructor feedback will be posted in the syllabus and/or other course documents made available to students when the course officially opens each semester. This information will also refer students to the section in the college catalog on student rights and responsibilities.

During the course, instructors will notify students and the Department Chair when they must be out of contact beyond what is described in the course documents as mentioned above. This notification will include when student can expect regular effective contact to resume.

4. Quality of contact: Regarding the type of contact that will exist in all Ventura County Community College District (VCCCD) distance education courses, instructors will use a variety of means to initiate contact with students, such as the following:

- a. Threaded discussion forums (with appropriate instructor participation)
- b. "Questions for the instructor" forums
- c. General e-mail
- d. Weekly announcements
- e. Timely and frequent feedback for student work
- f. Instructor prepared electronic lectures or introductions in the form of electronic lectures to any publisher created materials (written, recorded, broadcast, etc.) the, combined with other course materials, create the virtual equivalent of the face-to-face class

In addition, instructors shall enable effective instructor/student interaction in the distance education course by doing all of the following:

- a. Allocating sufficient hours per week for contact. This may include informing students of the option to meet on a face-to-face basis or via web conferencing or telephone
- b. Conducting student/instructor interaction with similar care and attention to students as that which occurs during face-to-face office hours and meetings
- c. Responding to student e-mails, postings, phone calls, etc. in a timely manner.
- d. Duration of approval: all distance education courses approved under this procedure will continue to be in effect unless substantive changes are made to their official course outline of record.

Verification of Student Identity

Consistent with federal regulations pertaining to federal financial aid eligibility, the Districts must authenticate or verify that the student who registers in a distance education or correspondence education course is the same student who participates in and completes the course or program and receives the academic credit. The District will provide to each student at the time of registration a statement of the process in place to protect student privacy and estimated additional student charges associated with verification of student identity, if any.

The Chief Instruction Office shall ensure the institution utilizes one or more of these methods to authenticate or verify student identity:

- a. Secure login and password to enable authenticated access to student information and course management system

- b. Proctored examinations
- c. New or other technologies and practices that are effective in verifying student identification

Student Support Services

The colleges will assure that distance learner have reasonable access to student support services that are comparable to those services provided to on-campus learners.

See Administrative Procedure (AP) 4105.

Appendix XXIII Campus Safety

A campus safety plan shall be developed and provided to students in written format and/or on campus websites.

Additionally, the office of the VCCCD Police prepares and annually updates a report of all occurrences reported to campus police and/or Campus Security Authorities (CSA) of, and arrests for, crimes that are committed on campus and that involve violence, hate violence, theft or destruction of property, illegal drugs, or alcohol intoxication, and of all occurrences of noncriminal acts of hate violence reported to campus authorities. A written report will be submitted to the Board of Trustees.

Written records of noncriminal acts of hate violence shall include at least a description of the act of hate violence, the victim characteristics, and offender characteristics, if known.

Note: Education Code Section 67380 defines "hate violence" as: "any act of intimidation or physical harassment, physical force or physical violence, or the threat of physical force or physical violence, that is directed against any person or group of persons of the property of any person or group of persons because of the ethnicity, race, national origin, sex, sexual orientation, gender identity, gender expression, disability, or political or religious beliefs of that person or group." Section 67380 requires reporting of both occurrences reported to campus police or safety authorities of and arrests for crimes that involve hate violence (Section 67380(a)(1)(A)) and of "non-criminal acts of hate violence" (Education Code Section 67380(a)(1)(B)).

For purposes of reporting under the Clery Act, "hate crimes" includes domestic violence, dating violence, and stalking.

See Administrative Procedure (AP) 3500.

Appendix XXIV Workplace Violence Plan

The Ventura County Community College District is committed to providing a safe work environment that is free of violence and the threat of violence.

Responding to Threats of Violence

The top priority in this process is effectively handling critical workplace incidents, especially those dealing with actual or potential violence.

Violence or the threat of violence against of by any employee of the District or any other person is unacceptable.

Should a non-employee on District property demonstrate or threaten violence behavior, he/she may be subject to disciplinary action.

The following actions are considered violent acts:

- Striking, punching, slapping or assaulting another person
- Fighting or challenging another person to fight
- Grabbing, pinching or touching another person in an unwanted way whether sexually or otherwise
- Engaging in dangerous, threatening or unwanted horseplay
- Possession, use, or threat of use of a firearm, knife, explosive or other dangerous object, including but not limited to any facsimile firearm, knife or explosive, on District property, including parking lots, other exterior premises, District vehicles, or while engaged in activities for the District in other locations, unless such possession or use is a requirement of the job
- Threatening harm or harming another person, or any other action or conduct that implies the threat of bodily harm
- Bringing or possessing any dirk, dagger, ice pick, or knife having a fixed blade longer than 2 1/2 inches upon the grounds, unless the person is authorized to possess such a weapon in the course of his/her employment, has been authorized by a District employee to have the knife, or is a duly appointed peace officer who is engaged in the performance of his/her duties

Any employee who is the victim of any violent threatening or harassing conduct, any witness to such conduct, or anyone receiving a report of such conduct, whether the perpetrator is a District employee or a non-employee, shall immediately report the incident to his/her supervisor or other appropriate person, such as:

- Title IX Coordinator
- Campus Police or Other Law Enforcement (911)
- Human Resources Officer
- Sexual Harassment Facilitator

No one, acting in good faith, who initiates a complaint or reports an incident under the policy will be subject to retaliation or harassment.

Any employee reported to be a perpetrator will be provided both due process and representation before disciplinary action is taken.

In the event the District fears for the safety of the perpetrator or the safety of others at the scene of the violent act, Campus Police or 911 will be called.

See Administrative Procedure (AP) 3510.

Appendix XXV Reporting of Crimes

Members of the Ventura County Community College District (VCCCD) who are witnesses or victims of a crime should immediately report the crime to Campus Police.

In the event an employee is assaulted, attacked, or menaced by a student, the employee shall notify his/her supervisor as soon as practical after the incident. The supervisor of any employee who is attacked, assaulted, or menaced shall assist the employee to promptly report the attack or assault to the Campus Police. The supervisor himself/herself shall make the report if the employee is unable or unwilling to do so. Reporting a complaint to local law enforcement will not relieve the District of its obligation to investigate all complaints of harassment.

The District will instruct members of the District Police Department to notify students and employees complaining of sexual violence of their right to file a sex discrimination complaint with the District in addition to filing a criminal complaint, and to report incidents of sexual violence to a Title IX Coordinator and/or the Vice Chancellor for Educational Services if the complaint consents.

The District shall publish warnings to the campus community about the following crimes:

- Criminal homicide – murder and non-negligent manslaughter;
- Criminal homicide – negligent manslaughter;
- Sex offenses – forcible and non-forcible sex offenses;
- Domestic violence, dating violence, and stalking;
- Robbery;
- Aggravated assault;
- Burglary;
- Motor vehicle theft;
- Arson;
- Arrests for liquor law violations, drug law violations, and illegal weapons possession;
- Persons who were not arrested for liquor law violations, drug law violations, and illegal weapons possession, but who were referred for campus disciplinary action for same;
- Crimes that manifest evidence that the victim was intentionally selected because of the victim's actual or perceived race, gender, religion, sexual orientation, ethnicity, or disability and involve larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property, or any other crime involving bodily injury;
- Those reported to Campus Police; and
- Those that are considered to represent a continuing threat to other students and employees.

In the event that a situation arises, either on or off campus, that, in the judgement of the CEO or Designee or Chief of Police, constitutes an ongoing or continuing threat, a campus wide "timely warning" will be issued. The warning will be issued through the college e-mail system to students, faculty, staff, and the campus' student newspaper. The information shall be disseminated by the CEO or Designee in a manner that aids the prevention of similar crimes.

Depending on the particular circumstances of the crime, especially in all situations that could pose an immediate threat to the community and individuals, the CEO or Designee may also post a notice via campus-wide communication system and/or an appropriate VCCCD website, providing the community with more immediate notification. The electronic bulletin board is immediately accessible via computer by all faculty, staff, and students. Anyone with information warranting a timely warning should report the circumstances to the Campus Police, by phone or in person at the campus police station. Contact, website, and location information can be found through the District website and office at www.vcccd.edu.

The District shall not be required to provide a timely warning with respect to crimes reported to a professional counselor.

If there is an immediate threat to the health or safety of students or employees occurring on campus, the District shall follow its emergency notification procedures.

The District shall annually collect and distribute statistics concerning crimes on campus. All college staff with significant responsibility for student and campus activities shall report crimes about which they receive information.

The District shall publish an Annual Security Report every year by October 1 that contains statistics regarding crimes committed on

campus and at affiliated locations for the previous three years. The Annual Security Report shall also include policies pertaining to campus security, alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, victims' assistance program, student discipline, campus resources and other matters. The District shall make the report available to all current students and employees. The District will also provide perspective students and employees with a copy of the Annual Security Report upon request. A copy of the Annual Security Report can be obtained by contacting a Campus Police station or at the following website address: www.vcccd.edu/departments/police

To report a crime:

Contact Campus Police and 911 (911 for emergencies only). Any suspicious activity or person seen in the parking lots or loitering around vehicles or inside buildings should be reported to the police department.

If you are the victim of a crime and do not want to pursue action within the District's system or the criminal justice system, you may still want to consider making a confidential report. With your permission, a Campus Security Authority (CSA) can file a report on the details of the incident without revealing your identity. The purpose of a confidential report is to comply with your wish to keep the matter confidential, while taking steps to ensure the future safety of yourself and others. With such information, the District can keep an accurate record of the number of incidents involving students, determine where there is a pattern of crime with regard to a particular location, method, or assailant, and alert the campus community to potential danger. Reports filed in this manner are counted and disclosed in the annual crimes statistics for the institution.

The Campus Police encourage anyone who is the victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the Campus Police Department cannot hold reports of crime in confidence. Confidential reports for purposes of inclusion in the annual disclosure of crime statistics can be generally made to other campus security authorities as identified below. Confidential reports of crime may also be made to a Campus Security Authority (CSA).

Required reports to local law enforcement agency:

Any report of willful homicide, forcible rape, robbery, aggravated assault, sexual assault, or hate crime, committed on or off campus, that is received by a campus security authority and made by the victim for the purposes of notifying the institution or law enforcement agency must be immediately, or as soon as practicably possible, disclosed to the local law enforcement agency. The report shall not identify the victim, unless the victim consents to being identified after the victim has been informed of his/her right to have his/her personally identifying information withheld. If the victim does not consent to being identified, the alleged assailant shall not be identified in the information disclosed to the local law enforcement agency.

See Administrative Procedure (AP) 3515.
