Dear Mr. Peder Nielsen and the Classified Senate,

I am honored to be the recipient of the Classified Senate Scholarship. This truly opens the door to my future a little wider as I continue to pursue my degree in the medical field. I am also grateful for those before me who have, and continue to contribute to the scholarship foundation.

It will be an honor and a blessing to graduate this May 21, 2015. I plan on returning to Ventura Community College in the fall to take Algebra 1, and Spanish towards my associates of science degree as a multi-skilled medical assistant. It is my dream to eventually work in a Veterans hospital, giving back to those who have served our country.

Once again, I want to thank you for making this scholarship possible and for your generosity.

Sincerely,

Christopher E. McQuillan
