

Ventura College Mission Statement

At Ventura College, we transform students' lives, develop human potential, create an informed citizenry and serve as the educational and cultural heart of our community. Placing students at the center of the educational experience, we serve a highly diverse student body by providing quality instruction and student support, focusing on associate degree and certificate completion, transfer workforce, preparation and basic skills. We are committed to the sustainable continuous improvement of our college and its services.

V.C. Health & Safety Committee

Charge:

The Safety and Wellness Committee is a college advisory committee and alerts management, faculty, staff and students of matters pertaining to campus safety and health related issues. Members review and update safety practices and recommend additional practices as needed. Committee members visually inspect campus buildings for Safety and/or Health related issues which are reported to the committee for appropriate resolution. The committee actively promotes educational safety and dissemination of health related information to the campus community.

Membership:

The committee is co-chaired by the Coordinator of the Student Health Center and the Maintenance Supervisor.

The membership is comprised of management, faculty, classified, Campus Police and students as well as the District Risk manager and the Purchasing Director of General Services.

Meetings:

The committee meets once a month.

Ventura College Safety & Wellness Committee

ORDER OF THE AGENDA
FOR THE MEETING OF
Tuesday October 20, 2015
2:00 in Campus Center Conference Room

- I. Welcome & Call to Order
- II. Introductions
- III. Minutes from September 15, 2015
- IV. Old Business
 - a. Update from Campus Police- M Pallotto

- V. New Business
 - a.. Student Concerns need a new student representative
 - b. Campus Safety Plan
 - c. Campus Security Authorities- Forms
- V Action Items
- VI Next Safety Meeting- November 17, 2015

Possible Goals:

1. Two people per building trained in CPR/ AED. (Ideally AM and PM)
2. Goal on the outcome of all the awareness programs and educational activities? Find out what percentage of employees participate from each department and have a goal number to meet every year, so that by the end of 2017 we have everyone participating.
3. Goal related to the Safety issues that we are reporting- perhaps that a certain percentage (70%) of the reported issues are resolved by the end of the academic year.
