It is your responsibility as a student to drop your own classes. Under some special circumstances you may not be dropped from classes even though you haven't paid. Or you may be dropped after the refund deadline, and will still owe the fees. So to be sure that your records are accurate, drop your own classes in a timely manner!

COMO ENCONTRAR FECHAS IMPORTANTES PARA DEJAR Y RECIBIR EL REMBOLSO DE CLASES

Las clases de corto tiempo tienen fechas diferentes para dejar y recibir reembolso de clases. Las fechas para dejar y recibir reembolso varían en el número de veces que las clases se reúnen. Visite la página web de internet de Ventura College y siga estos pasos fáciles para conseguir información de fechas exactas para sus clases de corto tiempo.

● Vaya al www.venturacollege.edu/fall

● Seleccione SEARCH, y oprima la opción “Advanced Search”

● Añote el CRN para su clase en la casilla CRN y oprima “SEARCH”

● Oprima en el CRN subrayado para obtener las fechas límites. Cuando la casilla se abra, posiblemente tendrá que oprimir así abajo para aver las fechas que se encuentran hasta abajo de la pantalla.

** En general, las fechas de corto tiempo para Los Colegios Comunitarios de California son determinados de la siguiente manera:

Fecha de Reembolsos = 10% de veces que las clases se reúnen

Fecha para retirarse sin “W” = 30% de veces que las clases se reúnen

Fecha CR/NCR = 30% de veces que las clases se reúnen

PREREQUISITES REQUIRED FOR ENGLISH, MATH, MICROBIOLOGY AND SPEECH

NOTICE! – PLEASE READ

Please check page 35 for the current English course prerequisites, page 44 for the math prerequisites, page 47 for the microbiology prerequisites and page 58 for speech prerequisites. If you have any questions, please speak with a counselor.

Prerequisite Requirement

The course prerequisites specify the preparation required to successfully complete a particular course. For those students taking English and/or math and/or microbiology and/or speech courses, the completion of the required prerequisites taken at Oxnard, Moorpark or Ventura College will be verified by computer before students are allowed to complete registration. If you enroll prior to receiving the grade in a prerequisite course, enrollment is contingent on the final grade. **For students who have met the prerequisites at other institutions, documentation (such as a high school and/or college transcript) must be reviewed prior to registration. Without this documentation, students will not be allowed to register. DO NOT DELAY.** Contact the Assessment Specialist at (805) 654-6402.

Petition to Challenge

Students who believe they have met the prerequisite in ways other than by completing an equivalent course (for example, private instruction or on the job training) may file a "Petition to Challenge." The challenge form outlines the specific reasons students may give for challenging a prerequisite or corequisite and is available from the Counseling Office in the Administration Building. **The challenge process must be completed prior to the end of late registration. Students are encouraged to submit a prerequisite challenge at least seven working days prior to the first day of class.**

New Students

New students may need to meet with a Ventura College counselor prior to registration to avoid registration delays. Call the Counseling Office at (805) 654-6448 for more information or to schedule an appointment.

Schedule of Classes – SUBJECT TO CHANGE: Ventura College has made every reasonable effort to insure that the information provided in this Schedule of Classes is accurate and current. However, this document should not be considered an irrevocable contract between the student and Ventura College. The content is subject to change. The College reserves the right to make additions, revisions, or deletions as may be necessary due to changes in governmental regulations, district policy, or college policy, procedures or curriculum. The College will make every reasonable effort to inform students of significant changes that occur after publication of this document.

Prerequisites: A course prerequisite states the preparation required to successfully complete a particular course. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed. Students must have satisfied the prerequisite and/or corequisite requirements for all courses in which they enroll. It is recognized that students may challenge a pre- or corequisite as allowed by state law. The student shall bear the initial burden of showing that grounds exist for the challenge.

Corequisites: A course corequisite states the course or courses in which a student must be concurrently enrolled. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed.

Recommended Preparation: Recommended preparation states the preparation suggested by the faculty to successfully complete a particular course. While encouraged to do so, students do not have to satisfy recommended preparation guidelines to enroll in a course.

Instructional Materials: Some classes require students to purchase or provide materials and supplies for school projects.

CAN: The notation of **CAN** following the transfer credit statement designates a California Articulation Number. The **CAN** system provides a cross-reference number or course identification for courses which are acceptable "in lieu of" comparable courses at participating California colleges and universities. These courses will be acceptable as equivalent in content and scope to identically designated **CAN** courses at transfer institutions and will satisfy comparable degree requirements at all participating campuses in California. Additional transfer information is available from the counseling office, the transfer center, or the ASSIST Web site: www.assist.org

Collaborative Learning: A method of instruction committed to actively engaging students in their learning, using small groups, team and group projects, and providing opportunities for students to share common experience and solve problems.

Courses Open to Enrollment: Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

Educational Work Load: A student's educational work load generally consists of 15 units of work per semester in order to make normal progress towards the AA/AS degree and/or transfer requirements. Students desiring to take an overload of more than 19.5 units (9 units in summer) must have a counselor's approval.

Restrictions on Enrollment: Some course descriptions may contain restrictions such as "proof of negative TB clearance is required."

Student Notice: All students enrolled in any credit courses may be required to attend extra educational events.

MATHEMATICS OVER THE INTERNET

Are you self-motivated to learn and have difficulty attending regularly scheduled classes on campus due to the demands of your employer or your family? Math Over the Internet may be for you. You may enroll in prealgebra, elementary, intermediate or college algebra or elementary statistics and only come to the campus several times during the semester; once for orientation and other times for exams. Questions can be sent via e-mail, 24-hours a day. It may be possible to work with other students and your instructor on an algebra e-mail discussion table. Internet access is necessary and Netscape Navigator or Microsoft Internet Explorer 5.0 or higher are the most desirable browsers.

Student Right-to-Know (SRTK) Disclosure

In compliance with the federal Student-Right-to-Know law (SRTK), it is the policy of the Ventura County Community College District and Ventura College to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 1999, a group of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three-year period. (As a result, approx. 3% of all community college students statewide were included in the 1996 study.) The completion and transfer rates are listed below, along with a brief description of how these rates are defined. These rates do not represent the success rates of the entire student population at Ventura College, nor do they account for student outcomes occurring after this three-year tracking period. The rates below exclude part-time students, continuing students, students attending Ventura College to obtain or upgrade job skills, improve basic skills, maintain licenses, working toward high school credits, pursuing lifelong learning, etc. The rates below do not include any students who took longer than 2 years to complete their academic goal. The "transfer rate" does not include any students who first completed a degree or certificate or became "transferred prepared" prior to transferring. The "completion rate" results for the SRTK study described above was 32.8% for VC. The completion rate is the percent of students from the group studied who attained a certificate or degree or became "transferred prepared" during a three year period from Fall 1996 to Spring 1999. Transfer-prepared was defined by the study as having completed 56 transferable units with a minimum GPA of 2.0. The transfer rate result for the SRTK study of Ventura College from the 1998 cohort data was 26.6%. Caution: the transfer rate does not count students who attained a certificate or degree prior to transferring to another post-secondary institution such as UC or CSU. General information about SRTK is available to the public through the Chancellor's Office of the California Community College System Web site: <http://srtk.cccco.edu/683/98index.htm>.

2. **California nonresidents** have either lived in California for less than one year or are unable to show subjective proof that they have taken steps consistent with the establishment of residence.

El Derecho "A Saber" del Estudiante

De acuerdo con Conforme a *Student Right-to-Know Law* (la Ley del Derecho del estudiante "a saber"), (SRTK), es reglamentario para el *Ventura County Community College District* (Distrito de la Comunidad del Condado de Ventura), y de Ventura College facilitar información con respecto a la velocidad (paso) en que los estudiantes han logrado ser transferidos y al proceso de transferencia a los estudiantes actuales y un futuros. A principios del Otoño de 1999 un grupo de estudiantes de tiempo completo, aspirantes a grados y/o certificados, y cuya meta consistía en ser transferidos a Universidades por primera vez, participaron en un estudio de seguimiento durante tres años. (Como resultado de lo anterior, aproximadamente un 3% del total de estudiantes de *Colleges* comunitarios a nivel estatal, también fueron incluidos en el estudio de 1996). El logro de transferencias y porcentajes de transferencia están presentados a continuación junto con una descripción de la definición de dichos porcentajes. Estos resultados no representan los niveles de logro de toda la comunidad de Ventura College, tampoco incluyen a aquellos estudiantes dentro del período posterior al estudio de tres años. Los resultados siguientes excluyen, además, estudiantes de medio tiempo, estudiantes 'continuos' y estudiantes que asisten de Ventura College con el fin de ampliar sus conocimientos o habilidades a nivel profesional o cuyo

objetivo es mejorar sus destrezas básicas o validar licencias. También están excluidos del estudio aquellos estudiantes que están tomando créditos para completar su grado de bachiller o que buscan enriquecer sus conocimientos generales, etc. Los resultados siguientes tampoco incluyen a aquellos estudiantes que demoraron más de dos años en completar su meta académica. Los resultados del estudio relacionado con la rapidez en la que los estudiantes lograron su transferencia a Universidades tampoco incluye a aquellos estudiantes que poseían un certificado o que estaban "preparados para transferirse" antes de hacerlo. El resultado del estudio SRTK descrito anteriormente fue de 32.8% para VC. El resultado del grado de logro sólo concierne al porcentaje de estudiantes incluido dentro del grupo estudiado y que logró su transferencia durante el período de tres años incluido desde otoño de 1996 hasta la primavera de 1999. Los estudiantes preparados para ser transferidos se definen como aquellos que completaron 56 (cincuenta y seis) unidades transferibles con un GPA mínimo de 2.0. El resultado de transferencia en el estudio SRTK de Ventura College, descrito anteriormente, fue del 26.6%. Advertencia: Los resultados del estudio no incluyen a aquellos estudiantes que obtuvieron su título, grado o certificado antes de transferirse a otras instituciones de educación postsecundaria, tales como UC o CSU. Más información general acerca del estudio SRTK está disponible al público en la página electrónica de la oficina del *State Chancellor of the California Community College System* (Canciller del Sistema de Colegios Comunitarios de California), cuya dirección es: <http://srtk.cccco.edu/683/99index.htm>

NOTA: Si se retira después de haber utilizado el 60% de la beca, no se debe hacer un repago. La Oficina de Ayuda Financiera le ayudará al estudiante a hacer los cálculos. Si se recibe dinero prestado y luego se retira, debe devolver el dinero de acuerdo con las pautas comunes del programa de créditos. Si se recibe dinero de *workstudy* (trabajo-estudio), y se retira, se queda a paz y salvo. Comience el proceso de retiro en la Oficina de Consejería. Luego, vaya a la Oficina de Ayuda Financiera para estudiantes. Es importante que se tenga en cuenta estos procedimientos antes de retirarse. Omitir estos pasos, podría resultar en la eliminación de posibilidad de elegibilidad para otro tipo de ayuda financiera por parte del gobierno federal o de cualquier otra institución.

General Transfer Information

The Intersegmental General Education Transfer Curriculum (IGETC) is a general education program that community college transfer students can use to fulfill lower division general education/breadth requirements for either the California State University (CSU) or the University of California (UC) systems without the need, after transfer, to take additional lower division general education courses.

CAVEAT — These courses and requirements are subject to change. Students should consult a counselor or appropriate Web sites to receive the most current transfer information.

ADMISSION -- Most campuses of CSU and UC rarely accept transfer applicants at the freshman or sophomore levels. Upper division or advanced standing admission criteria are based on three components:

1) **Units** — a minimum number of transferable semester units (60 for CSU and UC; maximum 70 for both); and 2) **Scholarship** — a minimum cumulative GPA in all transferable coursework (2.0 for CSU; 2.4 for UC; higher for non-California residents); and 3) **Subject area requirements** — course pattern (a-g) requirements and the ways in which students satisfy these requirements differ between CSU and UC. These admission criteria specify only minimum standards. CSU and/or UC may apply more rigorous standards as enrollment demand changes. **All potential transfer students are expected to read the CSU and UC publications for transfers available in the Ventura College counseling office and transfer center.**

SELECTION CRITERIA FOR UC -- When the number of applicants for some campuses and some majors exceeds the number of spaces available, campuses use standards which are more demanding than the minimum admissions requirements to select students. These selection criteria identify those students who have demonstrated the capacity for high academic achievement. The selection criteria are subject to change by campus, school or college, major and/or term.

Applicants **must complete** both the necessary lower division **mathematics and English composition requirements with grades of C or better** for most campuses by the end of the spring semester prior to transfer in the fall. Some campuses require the completion of the English and mathematics requirements by the end of the fall semester prior to transfer in the following fall. Also, some campuses require that the 60-unit minimum and the four-course pattern (with grades of C or better) be completed by the end of the spring semester prior to transfer in the fall.

More information is available for UC at www.universityofcalifornia.edu and for CSU at www.csumentor.edu

Students transferring to a California State University are permitted to complete their lower division general education transfer courses by completing the plan of courses listed below. In addition, a transfer student will need to satisfy requirements for admission and should complete major preparation courses. **Courses listed are subject to change.**

MORE INFORMATION

If you are a California resident, there are three ways to qualify for a BOG Fee Waiver:

If you or your family are currently receiving TANF /CalWORKs, SSI/SSP, or General Assistance/ General Relief, or have certification from any of the Special Classifications, you are eligible for a BOG fee waiver. We require proof for BOG A – see below.

If you meet the following income standards, you qualify for a BOG B. For BOG B, we may require you to verify the information provided in Section B of the attached application. Be sure to include yourself in counting the number of members in your household.

Total family income	\$13,965 or less	1 member in household
last year (adjusted	\$18,735 or less	2 members in household
gross income or	\$23,505 or less	3 members in household
untaxed income)	\$28,275 or less	4 members in household
	\$33,045 or less	5 members in household
	\$37,815 or less	6 members in household
	\$42,585 or less	7 members in household
	\$47,355 or less	8 members in household
	Add \$4,770 for each additional dependent	

These standards are based upon the federal poverty guidelines as published each year by the U.S. Department of Health and Human Services. Under Title 5 of the California Code of Regulations, the income standards for the BOG program equal 150% of the federal poverty guidelines for the base year.

These standards are for the 2005-2006 academic year and are to be used to determine BOG B eligibility effective July 1, 2005.

If you are a California resident who has completed a 2005-2006 Free Application for Federal student jAid (FAFSA), and your application shows that you have “financial need,” you will qualify for a BOG C (a separate BOG application not required).

So, grab a pen, fill out this BOG Fee Waiver application, and take it to the Financial Aid Office. Be sure to bring the required documents. And don't forget to sign the form and, if you're a dependent, don't forget to have your parent(s) sign it, too.

DEADLINES & VERIFICATION

You can submit a BOG Fee Waiver application to the Financial Aid Office at any time during the academic year. However, applications for other types of financial aid have different deadlines, so please plan ahead.

Acceptable documentation for BOG A fee waivers varies depending on the type of benefit you or your family are receiving. Acceptable documentation includes a Federal Agency Certification Form.

For TANF /CalWORKs or General Assistance, acceptable documentation also includes a notice of action or the current or last month's check. For SSI/SSP, acceptable documentation also includes an award letter or bank statement showing a deposit from the current or last month.

MAS INFORMACIÓN

Sí es residente de California, hay tres maneras de calificar para no tener que pagar las cuotas de inscripción (BOG Fee Waiver).

Si usted o su familia actualmente reciben ayuda pública como TANF/CalWORKS, SSI/SSP o Asistencia General/Beneficencia General, o si tiene certificación de cualquiera de las Clasificaciones Especiales, usted es elegible para no pagar las cuotas de inscripción (BOG). Requerimos prueba para el Método A -referirse a la información de abajo.

Si usted satisface los siguientes requisitos de ingresos básicos, usted califica para el Método B (BOG B). Para el Método B (BOG B), puede que necesitemos verificación de la información proporcionada en la Sección B de la aplicación adjunta. Asegurese de incluirse al contar el número de familiares en su hogar.

Total de ingreso familiar del año	\$13,965 o menos	1 (un) miembro en el hogar
pasado (ingresos ajustados o ingresos libres de impuestos)	\$18,735 o menos	2 miembros en el hogar
	\$23,505 o menos	3 miembros en el hogar
	\$28,275 o menos	4 miembros en el hogar
	\$33,045 o menos	5 miembros en el hogar
	\$37,815 o menos	6 miembros en el hogar
	\$42,585 o menos	7 miembros en el hogar
	\$47,355 o menos	8 miembros en el hogar
	Añada \$4,710 por cada depende adicional	

Estas normas están basadas en las líneas directivas federales de pobreza publicadas cada año por el Departamento de Salud y Servicios Humanos de Los Estados Unidos. Bajo el Título 5 del Código de Regulaciones de California, las normas de ingreso para el programa BOG equivale a 150% de las líneas directivas federales de pobreza del año 2004.

Estas normas son para el año académico 2005-2006 y entran en vigor a partir del 1o de julio del 2005 para determinar elegibilidad para el Método B (BOG B).

Si es usted residente de California y a completado una Aplicación Gratuita para Ayuda Federal Estudiantil (FAFSA), y su aplicación demuestra que usted tiene "necesidad financiera," usted calificará para el Método C (BOG C). Una aplicación adicional, no es necesaria.

Así que, agarre pluma, llene esta aplicación (BOG) para no pagar las cuotas de inscripción, y lleve a la Oficina de Ayuda Financiera. Asegurese de traer la documentación necesaria. No olvide firmar la forma. Si es considerado depende, asegurese de que uno de sus padres también firmen la forma.

FECHAS LIMITE Y VERIFICACIÓN

Usted puede entregar una aplicación para cubrir las cuotas de inscripción (BOG) a la oficina de ayuda financiera en cualquier momento durante el año académico. Sin embargo, las aplicaciones para otros tipos de ayuda financiera tienen diferentes fechas límite, así que haga planes por adelantado.

Documentación aceptable para el Método A (BOG A) varía dependiendo en el tipo de beneficios que usted o su familia reciben. Documentación aceptable incluye la Forma de Certificación de Agencia Federal.

Para TANF/CalWORKS o Asistencia General, documentación aceptable también incluye una notificación de acción o el cheque actual o del mes pasado. Para SSI/SSP, documentos aceptables también incluye una carta de otorgación de beneficios o un estado de cuenta que demuestre un depósito actual o del mes pasado.
