	given a major emphasis and are measured.								Ъ	ω		Д	ω							
	1.1 Read, retain, and apply published ideas																			
Communication	1.2 Write clearly and accurately																			ł
	1.3 Speak clearly in formal and informal settings																			l
	1.4 Demonstrate active listening skills / effective interpersonal communication																			l
	1.5 Employ vocabulary of the subject studied																			
	1.5 Become proficient in a second language																			l
	2.1 Recognize need for information; clarify the question to be answered																			
Information	2.2 Differentiate between major and minor arguments or ideas																			
Competency	2.3 Find and interpret relevant information					.L _														
	2.4 Evaluate authority and bias of information																			l
	2.5 Utilize data to draw conclusions or to create new information																			
	2.6 Document sources of information																			
	2.7 Use technology to acquire and process information																			
	3.1 Evaluate own beliefs, biases, and assumptions																			
Critical Thinking	3.2 Evaluate strengths, weaknesses, and fallacies of logic																			
	3.3 Apply lessons from the past or learned knowledge to new situations																			
	3.4 Apply principles of scientific reasoning to solve problems																			
	3.5 Approach problems by choosing from variety of mathematical techniques																			
	3.6 Defend a logical hypothesis to explain observed phenomenon																			l
	3.7 Recognize a problem; devise and implement a plan of action																			
	4.1 Express one's self creatively or solve problems in an original way																			
Creative	4.2 Collaborate to perform the work of others or to create original work																			<u> </u>
Expression	4.3 Apply feedback to improve performance																			<b> </b>
	4.4 Evaluate diverse artistic works																			
21.1	5.1 Demonstrate knowledge of current events and social issues	_																		<u> </u>
Civic Responsibility	5.2 Work effectively as a leader or participant in group settings																			<u> </u>
Responsibility	5.3 Assume civic, political, or social responsibilities																			<b> </b>
	5.4 Identify personal convictions and explore options for putting into practice																			<b> </b>
	5.5 Accept responsibility for own actions																			<b> </b>
	5.6 Demonstrate respect for diversity of ideas and the rights of others																			<b> </b>
	5.7 Exhibit personal, professional, and academic honesty	L																		
	5.8 Display behavior consistent with ethical standards within a discipline																			
Social Interaction & Life Skills	6.1 Work as an effective member of a team	<u> </u>																		
	6.2 Demonstrate etiquette in face-to-face and written communications	₽																		<del> </del>
	6.3 Use language as appropriate to the situation	<u> </u>																		<u> </u>
	6.4 Utilize conflict resolution skills when appropriate	1																		
	6.5 Demonstrate the ability to give and receive constructive feedback	1																		
	6.6 Apply time management skills to complete a task	1																		
	6.7 Develop stress management skills or other skills to maintain health
