Goals for 2020-2021:

Effectively inform the campus about the Student Equity Plan (SEP) efforts and successes, in plain language that is accessible and understandable to all, by developing an executive summary and explanatory narrative of the SEP that outlines how the college defines and addresses equity by:

1. Integrating and aligning student success efforts into a cohesive strategy by defining an equity-minded and student-centered rubric to assess programs and initiatives to avoid duplication, simplify services, and increase efficiency;
2. Evaluating disaggregated data related to student success on an on-going basis with a focus on closing equity gaps for disproportionately impacted student groups in the five areas as outlined in the approved Ventura College SEP;
3. Working to create a culture of equity-mindedness, we will engage the campus in our SEP work by bringing together campus efforts and integrating and aligning the SEP with other campus plans and initiatives (e.g., guided pathways plan); and
4. Making recommendations to close equity gaps and continuously improving student success.
